Item 1.01. Entry into a Material Definitive Agreement.**Revolving Credit Agreement Amendment**

On March 25, 2014, WMG Acquisition Corp. (“Warner Music Group” or the “Issuer”), an indirect, wholly-owned subsidiary of Warner Music Group Corp., received lender consent to an amendment (the “Revolving Credit Agreement Amendment”) to the credit agreement dated November 1, 2012 (as amended by the amendment dated as of April 23, 2013, the “Revolving Credit Agreement”) governing Warner Music Group’s senior secured revolving credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the “Revolving Credit Facility”). The Revolving Credit Agreement Amendment became effective on April 9, 2014. The Revolving Credit Agreement Amendment extends the maturity date of the Revolving Credit Facility to April 1, 2019 and modifies the maximum leverage ratio in certain periods.

A copy of the Revolving Credit Agreement Amendment is attached as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Revolving Credit Agreement Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Revolving Credit Agreement Amendment.

New Senior Secured Notes Indenture

On April 9, 2014 (the “Closing Date”), the Issuer issued \$275 million in aggregate principal amount of its 5.625% Senior Secured Notes due 2022 (the “New Secured Notes”) under the Indenture, dated as of November 1, 2012 (the “Secured Notes Base Indenture”), among the Issuer, the guarantors party thereto, Credit Suisse AG, as Notes Authorized Agent and Collateral Agent, and Wells Fargo Bank, National Association, as Trustee (the “Trustee”), as supplemented by the Fourth Supplemental Indenture, dated as of April 9, 2014 (the “New Secured Notes Supplemental Indenture” and, together with the Secured Notes Base Indenture, the “New Secured Notes Indenture”), among the Issuer, the guarantors party thereto and the Trustee.

Interest on the New Secured Notes will accrue at the rate of 5.625% per annum and will be payable semi-annually in arrears on April 15 and October 15, commencing on October 15, 2014.

Ranking

The New Secured Notes are the Issuer’s senior secured obligations and are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the New Secured Notes. The New Secured Notes rank senior in right of payment to the Issuer’s subordinated indebtedness; rank equally in right of payment with all of the Issuer’s existing and future senior indebtedness, including the New Unsecured Notes (as defined below), the Issuer’s 6.000% Senior Secured Notes due 2021 (the “6.000% Existing Secured Notes”), the Issuer’s 6.250% Senior Secured Notes due 2021 (the “6.250% Existing Secured Notes” and, together with the 6.000% Existing Secured Notes, the “Existing Secured Notes”) and indebtedness under the Issuer’s Revolving Credit Facility and the Issuer’s senior secured term loan credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the “Term Credit Facility” and, together with the Revolving Credit Facility, the “Credit Facilities”) and any future senior secured credit facility; are effectively senior to the Issuer’s unsecured senior indebtedness, including the New Unsecured Notes, to the extent of the value of the collateral securing the New Secured Notes; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Issuer’s non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors (as such term is defined below)).

Guarantees

The New Secured Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Issuer’s existing direct or indirect wholly-owned domestic restricted subsidiaries and by any such subsidiaries that guarantee obligations of the Issuer under the Credit Facilities, subject to customary exceptions. Such subsidiary guarantors are collectively referred to herein as the “subsidiary guarantors,” and such subsidiary guarantees are collectively referred to herein as the “subsidiary guarantees.” Each subsidiary guarantee is a senior secured obligation of such subsidiary guarantor and is secured on an equal and ratable basis with all existing and future

obligations of such subsidiary guarantor that are secured with the same security arrangements as the guarantee of the New Secured Notes (including the subsidiary guarantor's guarantee of obligations under the Existing Secured Notes and the Credit Facilities). Each subsidiary guarantee ranks senior in right of payment to all subordinated obligations of the subsidiary guarantor; is effectively senior to the subsidiary guarantor's existing unsecured obligations, including the subsidiary guarantor's guarantee of the New Unsecured Notes, to the extent of the collateral securing such guarantee; ranks equally in right of payment with all of the subsidiary guarantor's existing and future senior obligations, including the subsidiary guarantor's guarantee of the Credit Facilities and any future senior secured credit facility, the Existing Secured Notes and the New Unsecured Notes; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors). Any subsidiary guarantee of the New Secured Notes may be released in certain circumstances.

Optional Redemption

At any time prior to April 15, 2017, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of New Secured Notes (including the aggregate principal amount of any additional securities constituting New Secured Notes) issued under the New Secured Notes Indenture, at its option, at a redemption price equal to 105.625% of the principal amount of the New Secured Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of holders of New Secured Notes on the relevant record date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more equity offerings by the Issuer or any contribution to the Issuer's common equity capital made with the net cash proceeds of one or more equity offerings by the Issuer's direct or indirect parent; *provided that*:

(1) at least 50% of the aggregate principal amount of New Secured Notes originally issued under the New Secured Notes Indenture (including the aggregate principal amount of any additional securities constituting New Secured Notes issued under the New Secured Notes Indenture) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of, and may be conditioned upon, the closing of such equity offering.

The New Secured Notes may be redeemed, in whole or in part, at any time prior to April 15, 2017, at the option of the Issuer, at a redemption price equal to 100% of the principal amount of the New Secured Notes redeemed plus the applicable make-whole premium as of, and accrued and unpaid interest thereon, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after April 15, 2017, the Issuer may redeem all or a part of the New Secured Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, on the New Secured Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2017	104.219%
2018	102.813%
2019	101.406%
2020 and thereafter	100.000%

In addition, during any 12-month period prior to April 15, 2017, the Issuer will be entitled to redeem up to 10% of the original aggregate principal amount of the New Secured Notes (including the principal amount of any additional securities of the same series) at a redemption price equal to 103.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Change of Control

Upon the occurrence of a change of control, which is defined in the Secured Notes Base Indenture, each holder of the New Secured Notes has the right to require the Issuer to repurchase some or all of such holder's New Secured Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The New Secured Notes Indenture contains covenants limiting, among other things, the Issuer's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; and enter into certain transactions with its affiliates.

Events of Default

The New Secured Notes Indenture also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on New Secured Notes to become or to be declared due and payable.

The New Secured Notes were issued under the Secured Notes Base Indenture, a copy of which is attached as Exhibit 4.1 to Warner Music Group Corp.'s Current Report on Form 8-K filed on November 7, 2012, and the New Secured Notes Supplemental Indenture, a copy of which is attached hereto as Exhibit 4.2 and is incorporated herein by reference. The foregoing description of the New Secured Notes Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the New Secured Notes Supplemental Indenture.

New Senior Notes Indenture

On the Closing Date, the Issuer issued \$660 million in aggregate principal amount of its 6.750% Senior Notes due 2022 (the "New Unsecured Notes") under the Indenture, dated as of April 9, 2014 (the "New Unsecured Notes Base Indenture"), among the Issuer, the guarantors party thereto and the Trustee, as supplemented by the First Supplemental Indenture, dated as of April 9, 2014 (the "New Unsecured Notes Supplemental Indenture") and, together with the New Unsecured Notes Base Indenture, the "New Unsecured Notes Indenture"), among the Issuer, the guarantors party thereto and the Trustee.

Interest on the New Unsecured Notes will accrue at the rate of 6.750% per annum and will be payable semi-annually in arrears on April 15 and October 15, commencing on October 15, 2014.

Ranking

The New Unsecured Notes are the Issuer's senior unsecured obligations. The New Unsecured Notes rank senior in right of payment to the Issuer's subordinated indebtedness; rank equally in right of payment with all of the Issuer's existing and future senior indebtedness, including the Existing Secured Notes, the New Secured Notes and indebtedness outstanding under the Credit Facilities and any future senior secured credit facility; are effectively junior to the Issuer's secured senior indebtedness, including the Existing Secured Notes, the New Secured Notes and indebtedness under the Credit Facilities and any future senior secured credit facility, to the extent of the value of the collateral securing such indebtedness; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Issuer's non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors).

Guarantees

The New Unsecured Notes are fully and unconditionally guaranteed on a senior unsecured basis by the subsidiary guarantors. Each subsidiary guarantee is a senior unsecured obligation of such subsidiary guarantor. Each subsidiary guarantee ranks senior in right of payment to all subordinated obligations of the subsidiary guarantor; is effectively junior to the subsidiary guarantor's existing secured obligations, including the subsidiary guarantor's guarantee of the Existing Secured Notes, the New Secured Notes and obligations under the Credit Facilities and any future senior secured credit facility, to the extent of the collateral securing such guarantee; ranks equally in right of payment with all of the subsidiary guarantor's existing and future senior obligations, including the subsidiary guarantor's guarantee of the Existing Secured Notes, the New Secured Notes and obligations under the Credit Facilities and any future senior secured credit facility; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors). Any subsidiary guarantee of the New Unsecured Notes may be released in certain circumstances.

Optional Redemption

At any time prior to April 15, 2017, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of New Unsecured Notes (including the aggregate principal amount of any additional securities constituting New Unsecured Notes) issued under the New Unsecured Notes Indenture, at its option, at a redemption price equal to 106.750% of the principal amount of the New Unsecured Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of holders of New Unsecured Notes on the relevant record date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more equity offerings by the Issuer or any contribution to the Issuer's common equity capital made with the net cash proceeds of one or more equity offerings by the Issuer's direct or indirect parent; *provided that*:

(1) at least 50% of the aggregate principal amount of New Unsecured Notes originally issued under the New Unsecured Notes Indenture (including the aggregate principal amount of any additional securities constituting New Unsecured Notes issued under the New Unsecured Notes Indenture) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of, and may be conditioned upon, the closing of such equity offering.

The New Unsecured Notes may be redeemed, in whole or in part, at any time prior to April 15, 2017, at the option of the Issuer, at a redemption price equal to 100% of the principal amount of the New Unsecured Notes redeemed plus the applicable make-whole premium as of, and accrued and unpaid interest thereon, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after April 15, 2017, the Issuer may redeem all or a part of the New Unsecured Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, on the New Unsecured Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2017	105.063%
2018	103.375%
2019	101.688%
2020 and thereafter	100.000%

Change of Control

Upon the occurrence of a change of control, which is defined in the New Unsecured Notes Base Indenture, each holder of the New Unsecured Notes has the right to require the Issuer to repurchase some or all of such holder's New Unsecured Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The New Unsecured Notes Indenture contains covenants limiting, among other things, the Issuer's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; and enter into certain transactions with its affiliates.

Events of Default

Copies of the New Unsecured Notes Base Indenture and the New Unsecured Notes Supplemental Indenture are attached as Exhibits 4.3 and 4.4 hereto and are incorporated herein by reference. Tender Offer and Consent Solicitation Supplemental Indenture

On April 7, 2014, in connection with the Issuer's previously announced tender offer and consent solicitation relating to the Issuer's \$765,000,000 outstanding principal amount of 11.50% Senior Notes due 2018 (the "Existing Unsecured Notes"), the Issuer entered into a supplemental indenture with the Trustee to the indenture pursuant to which the Existing Unsecured Notes were issued to eliminate certain restrictive covenants contained in such indenture. To effect the amendments, the Issuer and the subsidiaries of the Issuer that are guarantors of the Existing Unsecured Notes entered into the Fifth Supplemental Indenture (the "Existing Unsecured Notes Supplemental Indenture"), dated as of April 7, 2014, with the Trustee, which supplements and amends the Indenture (the "Existing Unsecured Notes Indenture"), dated as of July 20, 2011, as amended, among the Issuer, the guarantors from time to time party thereto and the Trustee. The Existing Unsecured Notes Supplemental Indenture became operative on the Closing Date.

This description of the Existing Unsecured Notes Supplemental Indenture and related matters is not complete and is qualified in its entirety by the actual terms of the Existing Unsecured Notes Supplemental Indenture, a copy of which is incorporated herein by reference and attached hereto as Exhibit 4.5.

Item 1.02 Termination of a Material Definitive Agreement.

Satisfaction and Discharge of Existing Unsecured Notes

On the Closing Date, the Issuer accepted for purchase in connection with its previously announced tender offer and related consent solicitation in respect of the Issuer's \$765,000,000 outstanding principal amount of Existing Unsecured Notes, such Existing Unsecured Notes as had been validly tendered and not validly withdrawn at or prior to 5:00 p.m., New York City time, on April 8, 2014 (the "Consent Time"). The conditional notice of redemption that had previously been issued by the Issuer on March 26, 2014 with respect to the Existing Unsecured Notes became irrevocable on consummation of the offering of the New Secured Notes and the New Unsecured Notes on April 9, 2014. Following payment for the Existing Unsecured Notes tendered at or prior to the Consent Time, the Issuer deposited with the Trustee for the Existing Unsecured Notes funds sufficient to satisfy all obligations remaining under the Existing Unsecured Notes Indenture with respect to the Existing Unsecured Notes not accepted for payment on the Closing Date. The Trustee then entered into a Satisfaction and Discharge of Indenture, dated as of April 9, 2014, with respect to the Existing Unsecured Notes Indenture.

This description of the Satisfaction and Discharge of Indenture with respect to the Existing Unsecured Notes Indenture and related matters is not complete and is qualified in its entirety by the actual terms of the Satisfaction and Discharge of Indenture with respect to the Existing Unsecured Notes Indenture, a copy of which is incorporated herein by reference and attached hereto as Exhibit 4.6.

(together with its successors and assigns, the "Company"), as issuer, the Subsidiary Guarantors under the Indenture referred to below (the "Subsidiary Guarantors"), and Wells Fargo Bank, National Association, as Trustee.

W I T N E S S E T H:

WHEREAS, the Company, the Subsidiary Guarantors, the Trustee, the Notes Authorized Representative and the Collateral Agent are party to the Indenture, dated as of November 1, 2012 (as amended, supplemented, waived or otherwise modified from time to time, the "Indenture"), which provides for the issuance from time to time of Notes by the Company;

WHEREAS, Section 9.01(8) of the Indenture provides that the Company may provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date;

WHEREAS, in connection with the issuance of the 2022 Dollar Notes (as defined herein), the Company has duly authorized the execution and delivery of this Supplemental Indenture to establish the forms and terms of the 2022 Dollar Notes as hereinafter described; and

WHEREAS, pursuant to Section 9.01 of the Indenture, the parties hereto are authorized to execute and deliver this Supplemental Indenture to amend the Indenture, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, the Subsidiary Guarantors and the Trustee mutually covenant and agree for the benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. Title of Notes. There shall be a series of Notes of the Company designated the "5.625% Senior Secured Notes due 2022" (the "2022 Dollar Notes"), which Notes shall be Dollar-denominated.
3. Maturity Date. The Maturity Date of the 2022 Dollar Notes shall be April 15, 2022.
4. Interest and Interest Rates. Interest on the outstanding principal amount of 2022 Dollar Notes will accrue at the rate of 5.625% per annum and will be payable semi-annually in arrears on April 15 and October 15 in each year, commencing on October 15, 2014, to holders of record on the immediately preceding April 1 and October 1, respectively (each such April 1 and October 1, a "Record Date"). Interest on the 2022 Dollar Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from April 9, 2014, except that interest on any Additional 2022 Dollar Notes (as defined below) issued on or after

the first Interest Payment Date (and Exchange Notes issued in exchange therefor) will accrue (or will be deemed to have accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2022 Dollar Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2022 Dollar Notes (or if the date of issuance of such Additional 2022 Dollar Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2022 Dollar Note and any Exchange Notes issued in exchange therefor are surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

5. **No Limitation on Aggregate Principal Amount.** The aggregate principal amount of 2022 Dollar Notes that may be authenticated and delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2022 Dollar Notes shall initially be \$275.0 million. The Company may from time to time, without the consent of the Holders (but subject to the limitations in Article IV of the Indenture), create and issue Additional Notes having the same terms and conditions as the 2022 Dollar Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2022 Dollar Notes (any such Additional Notes, "**Additional 2022 Dollar Notes**"), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Company, as contemplated by Section 2.01 of the Indenture.

6. **Redemption.** (a) The 2022 Dollar Notes may be redeemed, in whole or in part, at any time prior to April 15, 2017, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2022 Dollar Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date).

"**Applicable Premium**" means, with respect to any 2022 Dollar Note on any applicable Redemption Date, the greater of:

- (1) 1.0% of the then outstanding principal amount of such 2022 Dollar Note; and
- (2) the excess, if any, of:
 - (a) the present value at such redemption date of (i) the redemption price of the 2022 Dollar Note at April 15, 2017 (such redemption price being set forth in the table appearing in Section 6(b)) plus (ii) all required remaining scheduled interest payments due on the 2022 Dollar Note through April 15, 2017 (excluding accrued but unpaid interest to such redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 75.0 basis points; over
 - (b) the then outstanding principal amount of the 2022 Dollar Note.

“**Treasury Rate**” means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2017; *provided, however*, that if the period from such redemption date to April 15, 2017 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after April 15, 2017 the Company may redeem all or a part of the 2022 Dollar Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the 2022 Dollar Notes to be redeemed to the applicable Redemption Date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2017	104.219%
2018	102.813%
2019	101.406%
2020 and thereafter	100.000%

(c) At any time prior to April 15, 2017, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of 2022 Dollar Notes (including the aggregate principal amount of any Additional 2022 Dollar Notes) issued under the Indenture, at its option, at a redemption price equal to 105.625% of the principal amount of the 2022 Dollar Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of Holders on the relevant Record Date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings by the Company or any contribution to the Company’s common equity capital made with the net cash proceeds of one or more Equity Offerings by the Company’s direct or indirect parent; *provided that*:

(i) at least 50% of the aggregate principal amount of 2022 Dollar Notes originally issued under the Indenture (including the aggregate principal amount of any Additional 2022 Dollar Notes) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 90 days of the date of, and may be conditioned upon, the closing of such Equity Offering.

(d) In addition, during any twelve-month period prior to April 15, 2017, the Company may redeem up to 10% of the original aggregate principal amount of the 2022 Dollar Notes (including the principal amount of any Additional 2022 Dollar Notes at a redemption price equal to 103.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(e) The Company may acquire 2022 Dollar Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

(f) Any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering, other offering or other corporate transactions or events. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

7. Modifications to Indenture. The following terms of the Indenture are hereby amended solely with respect to the 2022 Dollar Notes and not with respect to the Original Notes as follows:

(a) Section 1.01 is amended by:

(i) in clause (1) of the definition of "Permitted Investments", adding the text: "the Issuer or" immediately prior to "another Restricted Subsidiary";

(ii) replacing clause (13) in the definition of "Permitted Liens" with the following:

"(13) pledges, deposits or other Liens under workers' compensation, unemployment insurance and other social security laws or regulations, or deposits to secure the performance of tenders, contracts (other than for the payment of Indebtedness) or leases, or deposits or other Liens to secure public or statutory obligations, or deposits or other Liens as security for contested taxes or import or customs duties or for the payment of rent, or deposits or other Liens securing liabilities to insurance carriers under insurance or self-insurance arrangements, in each case incurred in the ordinary course of business or consistent with past practice;"

(iii) replacing clause (26) of the definition of "Permitted Liens" with the following:

"(26) Liens securing (i) Indebtedness in an aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the

entire committed amount of such Indebtedness)), not exceeding the greater of (A) \$2,275 million and (B) the maximum aggregate principal amount of Senior Secured Indebtedness that could be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Issuer of 4.00 to 1.00 and (ii) Revolving Credit Agreement Indebtedness not to exceed at any time outstanding \$180.0 million;”

(iv) adding the following text to the end of the definition of “Permitted Liens”:

“For purposes of determining compliance with any U.S. dollar-denominated restriction in this definition, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of, premium, if any, and accrued interest on, the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased plus any fees, premiums, underwriting discounts, costs and expenses relating to such extension, replacement, refunding, refinancing, renewal or defeasance.”

(v) in the definition of “Revolving Credit Agreement Indebtedness”, deleting the text “150.0” in each instance and inserting “180.0” in lieu thereof.

(vi) amending and restating the definition of “Senior Secured Indebtedness” as follows:

““Senior Secured Indebtedness” means, with respect to any Person, the aggregate amount, without duplication, of Indebtedness for borrowed money of such Person as of the end of the most recently ended fiscal quarter for which internal financial statements are available plus the amount of any Indebtedness for borrowed money of such Person incurred subsequent to the end of such fiscal quarter and minus the amount of any Indebtedness for borrowed money of such Person redeemed, repaid, retired or extinguished subsequent to the end of such fiscal quarter, as determined in accordance with GAAP, secured by Liens other than Permitted Liens (excluding Permitted Liens incurred pursuant to clause (26) of the definition thereof, provided that Revolving Credit Agreement Indebtedness so secured shall be excluded from the calculation of Senior Secured Indebtedness). In addition, to the extent that any Indebtedness is incurred pursuant to Section 4.10(b)(1)(I)(B), or is secured by any Lien pursuant to clause (26)(i)(B) of the definition of “Permitted Liens”, such Indebtedness may be refinanced from time to time with other Indebtedness

(including by Indebtedness refinancing any such refinancing Indebtedness) in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) not exceeding the principal amount of, and premium (if any) and accrued interest on, the Indebtedness being refinanced plus any fees, premiums, underwriting discounts, costs and expenses relating to such refinancing, and such refinancing Indebtedness may be secured by any Lien, without further compliance with the Senior Secured Indebtedness to EBITDA Ratio thereunder.’

(b) Section 4.10(b)(1) is amended and restated in its entirety as follows:

“(1) (I) Indebtedness under the Notes and one or more Credit Agreements together with the incurrence of the guarantees thereunder and the issuance and creation of letters of credit and bankers’ acceptances thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof) and other Indebtedness, up to an aggregate principal amount, together with amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (17) below, not to exceed at any one time outstanding the greater of (A) \$2,275 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Issuer of 4.00 to 1.00 (it being understood that for purposes of determining compliance under this clause (1), any Indebtedness incurred under this clause (1) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio) and (II) Revolving Credit Agreement Indebtedness not to exceed at any time outstanding \$180.0 million;”

(c) Section 4.11(b) is amended to delete the word “and” at the end of clause (18), and immediately following the semicolon at the end of clause (19), insert:

“and

(20) the declaration and payment of dividends to, or the making of loans to, Holdings funded directly or indirectly with proceeds of Indebtedness incurred by the Issuer or any of its Subsidiaries, the proceeds of which are applied solely to the repurchase, redemption, defeasance or other acquisition or retirement for value of any Holdings Notes, including, for the avoidance of doubt, amounts in respect of the principal amount of, and premium, if any, and accrued interest on, the Holdings Notes being so repurchased, redeemed, defeased or otherwise acquired or retired for value plus any fees, premiums, underwriting discounts, costs and expenses related to such repurchase, redemption, defeasance or other acquisition or retirement for value, provided that the maturity of such Indebtedness shall be no earlier, and the Weighted Average Life to Maturity of such Indebtedness shall be no shorter, than the maturity or Weighted Average Life to Maturity, as applicable, of the Holdings Notes;”

(d) Section 4.17 is amended and restated in its entirety as follows:

“SECTION 4.17. Reports to Holders.

(a) The Issuer will furnish to the Trustee and the Holders of Notes, as their names and addresses appear in the note register, or make available on the Issuer’s website:

(1) within 90 days after the end of each fiscal year, annual audited consolidated financial statements for such fiscal year prepared in accordance with GAAP, together with a report on the annual financial statements by the Issuer’s certified independent accountants and a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” substantially similar to that which would be included in an Annual Report on Form 10-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, unaudited consolidated financial statements for such fiscal quarter prepared in accordance with GAAP, together with a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” substantially similar to that which would be included in a Quarterly Report on Form 10-Q (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(3) information substantially similar to the information that would be required to be included in a Current Report on Form 8-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form) pursuant to Item 1.01 (Entry Into a Material Definitive Agreement) (with respect to acquisitions and dispositions only), 1.03 (Bankruptcy or Receivership), 2.01 (Completion of Acquisition or Disposition of Assets), 4.01 (Changes in Registrant’s Certifying Accountants) or 5.01 (Changes in Control of Registrant) of such form (and in any event excluding, for the avoidance of doubt, the financial statements, pro forma financial information and exhibits, if any, that would be required by Item 9.01 (Financial Statements and Exhibits) of such form), within 15 days after the date of filing that would have been required for a current report on Form 8-K; provided that no such information shall be required to be furnished if the Issuer determines in its good faith judgment that such information is not material to the Holders of the Notes or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole.

(b) In addition, the Issuer will make such information available to securities analysts and prospective investors upon request. In addition, the Issuer has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing provisions of this Section 4.17, the Issuer will be deemed to have furnished the information referred to in clauses (a)(1), (2) and (3) above to the Trustee and the Holders of the Notes if the Issuer (or any parent company of the Issuer) has filed reports containing such information with the Commission via the EDGAR filing system and such reports are publicly available (it being understood that the Trustee shall not be responsible for determining whether such filings have been made, that delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable therefrom).

(d) In addition, if at any time any parent company of the Issuer incurs a guarantee of the Notes (there being no obligation of any parent company of the Issuer to do so) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be furnished to Holders of the Notes pursuant to this Section 4.17 may, at the option of the Issuer, be those of such parent company rather than the Issuer."

8. Form. The 2022 Dollar Notes shall be issued substantially in the form set forth, or referenced, in Article Two of the Indenture, and Exhibit A-1 or Exhibit C-1 attached to the Indenture, in each case as provided for in Section 2.02 of the Indenture (as such form may be modified in accordance with Section 2.01 of the Indenture).

9. Governing Law. THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS SUPPLEMENTAL INDENTURE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

10. Ratification of Indenture; Supplemental Indentures Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder heretofore or hereafter authenticated and delivered shall be bound hereby. The Trustee makes no representation or warranty as to the validity or sufficiency of this Supplemental Indenture or as to the accuracy of the recitals to this Supplemental Indenture.

11. Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

12. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed as of the date first above written.

For purposes of making the computation referred to above with respect to any specified Person, if any Specified Transaction has been made by such specified Person or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, the Fixed Charge Coverage Ratio shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If, since the beginning of such period, any other Person became a Restricted Subsidiary of such specified Person or was merged with or into such specified Person or any of its Restricted Subsidiaries and, since the beginning of such period, such other Person shall have made any Specified Transaction that would have required adjustment pursuant to the immediately preceding sentence if made by such specified Person or a Restricted Subsidiary thereof since the beginning of such period, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Specified Transaction had occurred at the beginning of the applicable four-quarter period.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of such specified Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as such specified Person may designate.

“Senior Revolving Credit Facility” means the revolving credit facility under the Senior Revolving Credit Agreement, including any guarantees, collateral documents, instruments and agreements executed in connection therewith.

“Senior Secured Indebtedness” means, with respect to any Person, the aggregate amount, without duplication, of Indebtedness for borrowed money of such Person as of the end of the most recently ended fiscal quarter for which internal financial statements are available plus the amount of

any Indebtedness for borrowed money of such Person incurred subsequent to the end of such fiscal quarter and minus the amount of any Indebtedness for borrowed money of such Person redeemed, repaid, retired or extinguished subsequent to the end of such fiscal quarter, as determined in accordance with GAAP, secured by Liens other than Permitted Liens (excluding Permitted Liens incurred pursuant to clause (26) of the definition thereof, provided that Revolving Credit Agreement Indebtedness so secured shall be excluded from the calculation of Senior Secured Indebtedness). In addition, to the extent that any Indebtedness is incurred pursuant to Section 4.10(b)(1)(I)(B), or is secured by any Lien pursuant to clause (26)(i)(B) of the definition of “Permitted Liens”, such Indebtedness may be refinanced from time to time with other Indebtedness (including by Indebtedness refinancing any such refinancing Indebtedness) in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) not exceeding the principal amount of, and premium (if any) and accrued interest on, the Indebtedness being refinanced plus any fees, premiums, underwriting discounts, costs and expenses relating to such refinancing, and such refinancing Indebtedness may be secured by any Lien, without further compliance with the Senior Secured Indebtedness to EBITDA Ratio thereunder.

“**Senior Secured Indebtedness to EBITDA Ratio**” means, with respect to the Issuer, the ratio of (x) the Issuer’s Senior Secured Indebtedness, minus an amount of cash and Cash Equivalents held by the Issuer and its Restricted Subsidiaries as of the date of determination not exceeding \$150.0 million, to (y) the Issuer’s EBITDA for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such event for which such calculation is being made shall occur (the “**Measurement Period**”).

For purposes of making the computation referred to above, if any Specified Transaction has been made by the Issuer or any of its Restricted Subsidiaries during the Measurement Period or subsequent to the Measurement Period and on or prior to the date of determination of the Senior Secured Indebtedness to EBITDA Ratio, the Senior Secured Indebtedness to EBITDA Ratio shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and the change in EBITDA resulting therefrom) had occurred on the first day of the Measurement Period. If, since the beginning of such Measurement Period, any Person became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries and, since the beginning of such Measurement Period, such Person shall have made any Specified Transaction that would have required adjustment pursuant to the immediately preceding sentence if made by the Issuer or a Restricted Subsidiary since the beginning of such Measurement Period, then the Senior Secured Indebtedness to EBITDA Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Specified Transaction had occurred at the beginning of such Measurement Period.

For purposes of this definition, whenever *pro forma* effect is to be given to any Specified Transaction (including the Transactions and the Prior Transactions), the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer and may include, for the avoidance of doubt, cost savings and synergies resulting from or related to any such Specified Transaction (including the Transactions and the Prior Transactions) which is being given *pro forma* effect that have been or are expected to be realized and for which the actions necessary to realize

such cost savings and synergies are taken or expected to be taken no later than 12 months after the date of any such Specified Transaction (in each case as though such cost savings and synergies had been realized on the first day of the applicable Measurement Period).

In the event that any calculation of the Senior Secured Indebtedness to EBITDA Ratio shall be made as of the date of the initial borrowing of any applicable Indebtedness after giving pro forma effect to the entire committed amount of such Indebtedness (as contemplated by Section 4.10(b)(1) and by clause (26) of the definition of “Permitted Liens”), such committed amount may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with such ratio, provided that such committed amount shall be included as outstanding Indebtedness in any subsequent calculation of the Senior Secured Indebtedness to EBITDA Ratio, to the extent the commitment therefor then remains outstanding.

The form of the Notes of such series, as set forth in Exhibit A or Exhibit C as the case may be, may be modified to reflect such matters as so established in such Notes Supplemental Indenture.

Such matters may also be established in a Notes Supplemental Indenture for any Additional Notes issued hereunder that are to be of the same series as any Notes previously issued hereunder. Notes that have the same terms described in the foregoing clauses (i) through (viii) will be treated as the same series, unless otherwise designated by the Issuer.

Unless otherwise provided in the appointment, an authenticating agent may authenticate the Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. Money held in trust by a Paying Agent need not be segregated except as required by law and in no event shall a Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to a Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, such Paying Agent shall have no further liability for the money delivered to the Trustee

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two (2) Business Days prior to each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders, which list may be conclusively relied upon by the Trustee.

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Notes are presented to the applicable Registrar with a request to register the transfer of such Notes or to exchange such Notes for an equal principal amount of Notes of other authorized denominations, the applicable Registrar shall promptly register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided, however*, that the Notes surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the applicable Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Notes at the applicable Registrar's request. The Registrar shall not be required to register the transfer of or exchange of any Notes (*i*) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing, selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Notes being redeemed in part, and (*ii*) during a Change of Control Offer, an Alternate Offer or an Asset Sale Offer if such Note is tendered pursuant to such Change of Control Offer, Alternate Offer or Asset Sale Offer and not withdrawn.

Any holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by the holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Notes shall be required to be reflected in a book-entry system.

SECTION 2.08. Replacement Notes.

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note (and the Guarantors, if any, shall execute the guarantee thereon) if the Holder of such Note furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Issuer, the Guarantors, if any, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Issuer for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Notes.

The Notes outstanding at any time are all the Notes that have been authenticated by the Trustee except (*a*) those canceled by it, (*b*) those delivered to it for cancellation, (*c*) to the extent set forth in Sections 8.01 and 8.02, on or after the date on the conditions set forth in Section 8.01 or 8.02 have been satisfied and (*d*) those Notes theretofore authenticated by the Trustee hereunder and those described in this Section as not outstanding, including Notes in exchange for or in lieu of which other Notes have been authenticated and delivered pursuant to this Indenture. A Note does not cease to be outstanding because the Issuer or any of its Affiliates holds the Note (subject to the provisions of Section 2.10).

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a *bona fide* purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest ceases to accrue. If on a Redemption Date or the Maturity Date the Trustee or the applicable Paying Agent (other than the Issuer or an Affiliate thereof) holds U.S. Legal Tender

or Government Securities sufficient to pay all of the principal and interest due on the Notes payable on that date, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any of its Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be disregarded.

SECTION 2.11. Temporary Notes.

Until definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes. Notwithstanding the foregoing, so long as the Notes are represented by a Global Note, such Global Note may be in typewritten form.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The applicable Registrar and the applicable Paying Agent shall forward to the Trustee any Notes surrendered to them for transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the applicable Registrar or the applicable Paying Agent (other than the Issuer or a Subsidiary), and no one else, shall cancel and, at the written direction of the Issuer, shall dispose of all Notes surrendered for transfer, exchange, payment or cancellation in accordance with its customary procedures. Subject to Section 2.08, the Issuer may not issue new Notes to replace Notes that it has paid or delivered to the Trustee for cancellation. If the Issuer or any Guarantor shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.12.

SECTION 2.13. Defaulted Interest.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, if the Issuer defaults in a payment of interest on the Notes, it shall, unless the Trustee fixes another Record Date pursuant to Section 6.10, pay the defaulted interest then borne by the Notes, plus (to the extent lawful) any interest payable on the defaulted interest, in accordance with the terms hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special Record Date, which special Record Date shall,

unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, be the fifteenth day next preceding the date fixed by the Issuer for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, at least 15 days before any such subsequent special Record Date, the Issuer shall mail to each Holder, with a copy to the Trustee and the Paying Agent, a notice that states the subsequent special Record Date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14. CUSIP Numbers, ISINs, Etc.

The Issuer in issuing the Notes may use CUSIP numbers and ISINs (if then generally in use) and, if so, the Trustee shall use, as applicable, CUSIP numbers and ISINs in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of such numbers, either as printed on the Notes or as contained in any notice of a redemption, that reliance may be placed only on the other identification number(s) printed on the Notes. The Issuer shall advise the Trustee of any change in the CUSIP numbers and ISINs.

SECTION 2.15. Deposit of Moneys.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, prior to 10:00 a.m. New York City time, on each Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, the Issuer shall have deposited with the applicable Paying Agent in immediately available funds U.S. Legal Tender sufficient to make cash payments, if any, due on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be, in a timely manner which permits the applicable Paying Agent to remit payment to the Holders on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date and Asset Sale Offer Payment Date, as the case may be. The principal and interest on Global Notes shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person or by mail, at the office of the applicable Paying Agent.

SECTION 2.16. Book-Entry Provisions for Global Notes.

(a) Rule 144A Notes initially shall be represented by one or more Notes in registered, global form without interest coupons (collectively, the “**Rule 144A Global Notes**”). Regulation S

Notes initially shall be represented by one or more Notes in registered, global form without interest coupons (the “**Regulation S Global Notes**”). The term “**Global Notes**” means, collectively, the Rule 144A Global Notes and the Regulation S Global Notes. The Global Notes shall bear legends as set forth in Exhibit D. Notes issued in the form of a Global Note are collectively referred to as “**Global Notes**.” The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear legends as set forth in Exhibit B with respect to Rule 144A Global Notes and Regulation S Global Notes.

Members of, or direct or indirect participants in, the Depository (“**Agent Members**”) shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Depository or its custodian, or under the Global Notes, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder.

(b) Transfers of a Global Note shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the Depository and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for a Physical Note if (i) the Depository (x) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note and the Issuer thereupon fail to appoint a successor depository or (y) has ceased to be a clearing agency registered under the Exchange Act, (ii) pursuant to the procedures of the Depository, the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of such Physical Notes or (iii) in the case of any Global Note, there shall have occurred and be continuing an Event of Default with respect to such Global Note. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository, in accordance with its customary procedures.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners pursuant to paragraph (b), the applicable Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall upon receipt of a written order from the Issuer authenticate and make available for delivery, one or more Physical Notes of like tenor and amount.

(d) In connection with the transfer of an entire Global Note to beneficial owners pursuant to paragraph (b), the applicable Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver,

to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in the applicable Global Note, an equal aggregate principal amount at maturity of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Restricted Note delivered in exchange for an interest in a Global Note pursuant to paragraph (b) shall, except as otherwise provided by paragraphs (a)(i)(x) and (c) of Section 2.17, bear the Private Placement Legend unless the Issuer determines otherwise in compliance with applicable law.

(f) On or prior to the 40th day after the later of the commencement of the offering of the Notes represented by the Regulation S Global Note and the issue date of such Notes (such period through and including such 40th day, the “**Restricted Period**”), a beneficial interest in a Regulation S Global Note may be transferred to a Person who takes delivery in the form of an interest in the corresponding Rule 144A Global Note only upon receipt by the Trustee of a written certification from the transferor to the effect that such transfer is being made (*i*) (*a*) to a Person that the transferor reasonably believes is a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (*b*) pursuant to another exemption from the registration requirements under the Securities Act which is accompanied by an Opinion of Counsel regarding the availability of such exemption and (*ii*) in accordance with all applicable securities laws of any state of the United States or any other applicable jurisdiction. During the Restricted Period, beneficial ownership in a Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream.

(g) Beneficial interests in the Rule 144A Global Notes may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Notes, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Regulation S or Rule 144 (if available).

(h) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note shall, upon transfer, cease to be an interest in such Global Note and become an interest in such other Global Note and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(i) The holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

SECTION 2.17. Special Transfer Provisions.

(a) Transfers to Non-QIB Institutional Accredited Investors and Non-U.S. Persons. The following provisions shall apply with respect to the registration of any proposed transfer of a Note constituting a Restricted Note to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person: The applicable Registrar shall register such transfer if it complies with all other applicable requirements of this Indenture (including Section 2.07) and,

(i) in the case of a Restricted Note, whether or not such Note bears the Private Placement Legend, if (*x*) the requested transfer is after the first anniversary of the date of original issuance thereof or such other date as such Note shall be freely transferable under Rule 144 as certified in an Officer's Certificate or (*y*) (*1*) in the case of a transfer to an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the applicable Registrar a certificate substantially in the form of Exhibit E hereto or (*2*) in the case of a transfer to a Non-U.S. Person (including a QIB), the proposed transferor has delivered to the applicable Registrar a certificate substantially in the form of Exhibit F hereto; *provided* that in the case of any transfer of a Note bearing the Private Placement Legend for a Note not bearing the Private Placement Legend, the applicable Registrar has received an Officer's Certificate authorizing such transfer; and

(ii) if the proposed transferor is an Agent Member holding a beneficial interest in a Global Note, upon receipt by the applicable Registrar of (*x*) the certificate, if any, required by paragraph (i) above and (*y*) instructions given in accordance with the Depositary's and the applicable Registrar's procedures, whereupon (*a*) the applicable Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Notes) a decrease in the principal amount of a Global Note in an amount equal to the principal amount of the beneficial interest in a Global Note to be transferred, and (*b*) the applicable Registrar shall reflect on its books and records the date and an increase in the principal amount of a Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note transferred or the Issuer shall execute and the Trustee shall authenticate and make available for delivery one or more Physical Notes of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Note constituting a Restricted Note to a QIB (excluding transfers to Non-U.S. Persons): The applicable Registrar shall register such transfer if it complies with all other applicable requirements of this Indenture (including Section 2.07) and,

(i) if such transfer is being made by a proposed transferor who has checked the box provided for on such Holder's Note stating, or to a transferee who has advised the Issuer and the applicable Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in the Global Note, upon receipt by the applicable Registrar of instructions given in accordance with the Depository's and the applicable Registrar's procedures, the applicable Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note in an amount equal to the principal amount of the Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the applicable Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Private Placement Legend, the applicable Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) it has received the Officer's Certificate required by paragraph (a)(i)(y) of this Section 2.17, (ii) there is delivered to the applicable Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (iii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the applicable Registrar has received an Officer's Certificate from the Issuer to such effect.

(d) OID Legend. Each Note issued hereunder that has more than a de minimis amount of original issue discount for U.S. federal income tax purposes shall bear a legend substantially in the form of Exhibit G hereto.

(e) General. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture.

The applicable Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the applicable Registrar.

SECTION 2.18. Computation of Interest.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.19. Calculation of Principal Amount of Notes.

The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes outstanding at such date of determination.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, with respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes or the Notes of any series, as applicable, such percentage shall be calculated, on the relevant date of determination, by dividing (*a*) the principal amount, as of such date of determination, of Notes or Notes of such series, as applicable, the Holders of which have so consented, by (*b*) the aggregate principal amount, as of such date of determination, of the Notes then outstanding or the Notes of such series then outstanding, as applicable, in each case, as determined in accordance with the preceding sentence, and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.19 shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

ARTICLE THREE REDEMPTION

SECTION 3.01. Notices to Trustee.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, if the Issuer elects to redeem the Notes of any series pursuant to Section 3.07, it shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of Notes to be redeemed. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, for a redemption pursuant to Section 3.07, the Issuer shall give notice of redemption to the applicable Paying Agent and Trustee at least 31 days but not more than 65 days before the Redemption Date (unless a shorter notice shall be agreed to by the Trustee in writing), together with an Officer's Certificate stating that such redemption will comply with the conditions contained herein.

SECTION 3.02. Selection of Notes To Be Redeemed.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, if less than all of the Notes are to be redeemed pursuant to Section 3.07 at any time, the Trustee will select the Notes for redemption as follows:

- (1) if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (2) if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot, by such method as the Trustee deems fair and appropriate or by a method in accordance with the procedures of DTC.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, no Notes of \$2,000 or less shall be redeemed in part.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, if a partial redemption is made with the proceeds of an Equity Offering in accordance with Section 6 of the applicable Notes Supplemental Indenture, the Trustee will select the applicable Notes on a pro rata basis or on as nearly a *pro rata* basis as is practicable (subject to DTC procedures, unless otherwise required by law or applicable stock exchange or depositary requirements).

SECTION 3.03. Notice of Redemption.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, at least 30 days but not more than 60 days before a Redemption Date for a redemption pursuant to Section 6 of the applicable Notes Supplemental Indenture, the Issuer shall mail or electronically transmit a notice of redemption by first class mail, postage prepaid, to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed or electronically transmitted more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. At the Issuer's request, the Trustee shall forward the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that in such case, the Trustee has, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, received notice from the Issuer at least 31 days, but not more than 65 days, before a Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee). Unless the redemption is conditioned on the happening of an event in accordance with Section 6 of the applicable Notes Supplemental Indenture, Notes called for redemption become due on the date fixed for redemption. On and after the Redemption Date, interest ceases to accrue on Notes or portions of them called for redemption. Each notice of redemption shall identify the Notes (including the CUSIP number) to be redeemed and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price and the amount of accrued interest, if any, to be paid;
- (3) the name and address of the applicable Paying Agent;
- (4) that Notes called for redemption must be surrendered to the applicable Paying Agent to collect the Redemption Price, plus accrued interest, if any;
- (5) that, unless the Issuer defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date, unless the redemption is conditioned on the happening of an event in accordance with Section 6 of the applicable Notes Supplemental Indenture, and the only remaining right of the Holders of such Notes is to receive payment of the Redemption Price upon surrender to the applicable Paying Agent of the Notes redeemed;

(6) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date, and upon surrender of such Note, a new Note or Notes in aggregate principal amount equal to the unredeemed portion thereof will be issued;

(7) if fewer than all the Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(8) the CUSIP Number and/or ISIN number, if any, printed on the Notes being redeemed;

(9) that no representation is made as to the correctness or accuracy of the CUSIP number and/or ISIN number, if any, listed in such notice or printed on the Notes; and

(10) the Section of the Notes or the applicable Notes Supplemental Indenture pursuant to which the Notes are to be redeemed.

In addition, the Issuer may provide in any notice of redemption that payment of the Redemption Price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

The notice, if mailed in a manner herein provided or transmitted electronically, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or electronically or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Notices of redemption may not be conditional, unless the redemption is conditioned on the happening of an event in accordance with Section 6 of the applicable Notes Supplemental Indenture.

SECTION 3.04. Effect of Notice of Redemption.

Unless the redemption is conditioned on the happening of an event in accordance with Section 6 of the applicable Notes Supplemental Indenture, once notice of redemption is mailed or transmitted electronically in accordance with Section 3.03 or as provided in the applicable Notes Supplemental Indenture, Notes called for redemption become due and payable on the Redemption Date and at the Redemption Price plus accrued interest, if any. Upon surrender to the Trustee or the applicable Paying Agent, such Notes called for redemption shall be paid at the Redemption Price (which shall include accrued interest thereon to the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant Record Dates. On and after the Redemption Date interest shall cease to accrue on Notes or portions thereof called for redemption.

SECTION 3.05. Deposit of Redemption Price.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, with respect to the Notes, prior to 10:00 a.m., New York time, on the Redemption Date, the Issuer shall deposit with the applicable Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) U.S. Legal Tender and/or Government Securities sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the Redemption Date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the applicable Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Notes.

SECTION 3.06. Notes Redeemed in Part.

If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note.

SECTION 3.07. Applicability of Article.

Notes of or within any series that are redeemable in whole or in part before their Maturity Date shall be redeemable in accordance with their terms and (except as otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01).

SECTION 3.08. Mandatory Redemption.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.01, the Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE FOUR

The Issuer shall duly and punctually pay the principal of (and premium, if any) and interest on the Notes in accordance with the terms of the Notes and this Indenture. Principal amount (and premium, if any) and interest on the Notes shall be considered paid on the date due if the Issuer shall have deposited with the applicable Paying Agent (if other than the Issuer or a wholly-owned Domestic Subsidiary of the Issuer) as of 12:00 p.m. New York City time on the due date money in immediately available funds and designated for and sufficient to pay all principal amount (and premium, if any) and interest then due. At the option of the Issuer, payment of interest on a Note may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the note register or otherwise.

SECTION 4.02. Maintenance of Office or Agency.

(a) The Issuer shall maintain in the United States an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain such office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Note may be presented or surrendered for any or all such purposes and may from time to time rescind such designations.

The Issuer hereby designates the Corporate Trust Office of the Trustee as such office or agency of the Issuer where Notes may be presented or surrendered for payment or for transfer or exchange for so long as such Corporate Trust Office remains a place of payment, in accordance with Section 2.04.

SECTION 4.03. [RESERVED].

SECTION 4.04. [RESERVED].

SECTION 4.05. [RESERVED].

SECTION 4.06. Compliance Certificate; Notice of Default.

(a) The Issuer shall deliver to the Trustee, within 90 days after the close of each fiscal year commencing with the fiscal year ending September 30, 2014, an Officer's Certificate stating that a review of the activities of the Issuer and its Restricted Subsidiaries has been made under the supervision of the signing Officer with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture and further stating that to the best of such Officer's knowledge, the Issuer during such preceding fiscal year has kept, observed, performed and fulfilled each and every such covenant and no Default occurred during such year and at the date of such certificate there is no Default that has occurred and is continuing or, if such signers do know of such Default, the certificate shall describe its status with particularity. The Officer's Certificate shall also notify the Trustee should the Issuer elect to change the manner in which it fixes its fiscal year end.

(b) The Issuer shall deliver to the Trustee as soon as possible, and in any event within five days after the Issuer becomes aware of the occurrence of any Default, an Officer's Certificate specifying the Default and describing its status with particularity and the action proposed to be taken thereto.

(c) The Issuer will provide written notice to the Trustee of any change in its fiscal year.

The Issuer covenants (to the extent permitted by applicable law) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer from paying all or any portion of the principal of and/or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and (to the extent permitted by applicable law) the Issuer hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.09. Change of Control.

(a) If a Change of Control occurs, unless the Issuer has exercised its right to redeem all the Notes pursuant to Section 3.07 (and has not rescinded such exercise), each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "**Change of Control Offer**") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuer will offer a payment (a "**Change of Control Payment**") in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase.

(b) On or prior to the date that is 30 days following any Change of Control, the Issuer will mail or deliver by electronic transmission a notice to each Holder stating that a Change of Control has occurred or may occur and offering to repurchase the Notes on the date (the "**Change of Control Payment Date**") specified in such notice, which date shall be a Business Day no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by this Indenture and described in such notice. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to this Section 4.09 and that Notes tendered and not withdrawn will be accepted for payment;

(2) the purchase price (including the amount of accrued interest) and the Change of Control Payment Date;

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Issuer defaults in making payment therefor, any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the applicable Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the applicable Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased; and

(7) that Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Notes surrendered.

(c) On the Change of Control Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(d) The Paying Agent will promptly mail to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Issuer will publicly announce the results of the Change of Control Offer as soon as practicable after the Change of Control Payment Date. However, if the Change of Control Payment Date is on or after an interest Record Date and on or before the related interest payment date, any

accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Change of Control Offer.

(e) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(f) Notwithstanding the foregoing, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.09 (an “**Alternate Offer**”) and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer.

(g) The Issuer will comply, and will cause any third party making a Change of Control Offer or an Alternate Offer to comply, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with a Change of Control Offer or an Alternate Offer. To the extent the provisions of any applicable securities laws or regulations conflict with the provisions of this Indenture relating to a Change of Control Offer, the Issuer will not be deemed to have breached its obligations under this Indenture by virtue of complying with such laws or regulations.

(12) (a) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as (in the case of any such Indebtedness) the incurrence of such Indebtedness by such Restricted Subsidiary is permitted under the terms of this Indenture, or (b) any guarantee by a Restricted Subsidiary of Indebtedness or other obligations of the Issuer; *provided* that (in the case of any such guarantee of Indebtedness) such guarantee is incurred in accordance with Section 4.16;

(23) Indebtedness of the Issuer or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business.

(c) For purposes of determining compliance with this Section 4.10, (a) in the event that an item of Indebtedness or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or Preferred Stock described in clauses (1) through (23) above or is entitled to be incurred pursuant to the Coverage Ratio Exception, the Issuer, in its sole discretion, will be permitted to classify or reclassify such item of Indebtedness or Preferred Stock (or any portion thereof) in any manner that complies with this Section 4.10 and will only be required to include the amount and type of such Indebtedness or Preferred Stock (or portion thereof) in one of the above clauses or paragraphs; *provided* that Indebtedness outstanding on the Issue Date under the Senior Term Loan Agreement, the Senior Revolving Credit Agreement, the Existing Secured Notes and the New Secured Notes shall be classified as incurred under Section 4.10(b), and not under the Coverage Ratio Exception; (b) at the time of incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in the first and second paragraphs above; and (c) the principal amount of Indebtedness outstanding under any clause of this covenant shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness.

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of, premium, if any, and accrued interest on, the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased plus any fees, premiums, underwriting discounts, costs and expenses relating to such extension, replacement, refunding, refinancing, renewal or defeasance.

(f) The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

(b) Notwithstanding the foregoing, the provisions set forth in Section 4.11(a) do not prohibit:

(1) the payment of any dividend or other distribution or the consummation of any redemption within 60 days after the date of declaration of the dividend or other distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or other distribution or redemption would have complied with the provisions of this Indenture;

(7) Secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.10 and 4.12 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(8) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(9) other Indebtedness or Preferred Stock (i) of the Issuer or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Issue Date pursuant to Section 4.10 or (ii) that is incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to Section 4.10;

(10) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(11) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(12) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a “**Refinancing Agreement**”) effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in Section 4.15(b)(1) through (11) (an “**Initial Agreement**”) or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an “**Amendment**”); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Holders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Issuer);

(13) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; *provided, however,* that such restrictions apply only to any Securitization Subsidiary;

(14) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness;

(15) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Issuer or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Issuer or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Issuer or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(16) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(17) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(18) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 4.12;

(19) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Issuer or any Restricted Subsidiary in any manner material to the Issuer or such Restricted Subsidiary;

(20) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Issuer or any Restricted Subsidiary; or

(21) an agreement or instrument relating to any Indebtedness incurred subsequent to the Issue Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in agreements in effect on the Issue Date (as determined in good faith by the Issuer) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Holders than is customary in comparable financings (as determined in good faith by the Issuer) and either (x) the Issuer determines in good faith that such encumbrance or restriction will not materially affect the Issuer's ability to make principal or interest payments on the Notes or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

SECTION 4.16. Additional Subsidiary Guarantees.

(a) The Issuer will cause each Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Securitization Subsidiary) that guarantees any Indebtedness of the Issuer or any Guarantor under the Senior Term Loan Agreement or Senior Revolving Credit Agreement to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Notes, substantially in the form of Exhibit I hereto. Each Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) Each Guarantee shall be released in accordance with Article Ten.

SECTION 4.17. Reports to Holders.

(a) The Issuer will furnish to the Trustee and the Holders of Notes, as their names and addresses appear in the note register, or make available on the Issuer's website:

(1) within 90 days after the end of each fiscal year, annual audited consolidated financial statements for such fiscal year prepared in accordance with GAAP, together with a report on the annual financial statements by the Issuer's certified independent accountants and a "Management's Discussion and Analysis of Financial Condition and Results of Operations" substantially similar to that which would be included in an Annual Report on Form 10-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, unaudited consolidated financial statements for such fiscal quarter prepared in accordance with GAAP, together with a "Management's Discussion and Analysis of Financial Condition and Results of Operations" substantially similar to that which would be included in a Quarterly Report on Form 10-Q (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(3) information substantially similar to the information that would be required to be included in a Current Report on Form 8-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form) pursuant to Item 1.01 (Entry Into a Material Definitive Agreement) (with respect to acquisitions and dispositions only), 1.03 (Bankruptcy or Receivership), 2.01 (Completion of Acquisition or Disposition of Assets), 4.01 (Changes in Registrant's Certifying Accountants) or 5.01 (Changes in Control of Registrant) of such form (and in any event excluding, for the avoidance of doubt, the financial statements, pro forma financial information and exhibits, if any, that would be required by Item 9.01 (Financial Statements and Exhibits) of such form), within 15 days after the date of filing that would have been required for a current report on Form 8-K; provided that no such information shall be required to be furnished if the Issuer determines in its good faith judgment that such information is not material to the Holders of the Notes or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole.

(b) In addition, the Issuer will make such information available to securities analysts and prospective investors upon request. In addition, the Issuer has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing provisions of this Section 4.17, the Issuer will be deemed to have furnished the information referred to in clauses (1), (2) and (3) above to the Trustee and the Holders of the Notes if the Issuer (or any parent company of the Issuer) has filed reports containing such information with the Commission via the EDGAR filing system and such reports are publicly available (it being understood that the Trustee shall not be responsible for determining whether such filings have been made, that delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable therefrom).

(d) In addition, if at any time any parent company of the Issuer incurs a guarantee of the Notes (there being no obligation of any parent company of the Issuer to do so) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be furnished to Holders of the Notes pursuant to this Section 4.17 may, at the option of the Issuer, be those of such parent company rather than the Issuer.

SECTION 4.18. [RESERVED].

SECTION 4.19. [RESERVED].

SECTION 4.20. Payments for Consent.

The Issuer will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SECTION 4.21. Changes in Covenants When Notes Rated Investment Grade.

(a) If on any date following the Issue Date, (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “**Covenant Suspension Event**” and the date thereof being referred to as the “**Suspension Date**”) then the covenants listed under Sections 4.10, 4.11, 4.13, 4.14, 4.15, 4.16, 5.01(a)(4) and 5.01(a)(5) will not be applicable to the Notes (collectively, the “**Suspended Covenants**”).

Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero. During any period that the Suspended Covenants have been suspended, the Board of Directors of the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries unless such designation would have complied with Section 4.11 as if Section 4.11 would have been in effect during such period. The Guarantees of the Guarantors shall be suspended during the Suspension Period.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “**Reversion Date**”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is the “**Suspension Period**.”

(c) In the event of any reinstatement of the Suspended Covenants on a Reversion Date, (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 4.11 had been in effect prior to, but not during, the Suspension Period; (ii) all Indebtedness incurred, or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to Section 4.10(b)(3); (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to Section 4.14(b)(8); and (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in Section 4.15(a)(1) through (3) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 4.15(b)(1).

(d) During the Suspension Period, any reference in the definitions of “Permitted Liens” and “Unrestricted Subsidiary” to Section 4.10 or any provision thereof shall be construed as if such covenant were in effect during the Suspension Period.

(e) Notwithstanding that the Suspended Covenants may be reinstated, (1) no Default, Event of Default or breach of any kind will be deemed to exist or have occurred as a result of any failure by the Issuer or any Subsidiary to comply with the Suspended Covenants during any Suspension Period (or upon termination of the Suspension Period or after that time arising out of actions taken or events that occurred during the Suspension Period), and (2) following a Reversion Date the Issuer and any Subsidiary will be permitted, without causing a Default, Event of Default or breach of any kind, to honor, comply with or otherwise perform any contractual commitments or obligations arising prior to such Reversion Date and to consummate the transactions contemplated thereby, and shall have no liability for any actions taken or events that occurred during the Suspension Period, or for any actions taken or events occurring at any time pursuant to any such commitment or obligation.

(f) The Issuer shall promptly notify the Trustee in writing of the occurrence of any Suspension Date or any Reversion Date. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated or to notify Holders regarding the same.

ARTICLE FIVE
SUCCESSOR CORPORATION

SECTION 5.01. Merger, Consolidation, or Sale of Assets.

(a) The Issuer may not (1) consolidate or merge with or into another Person (whether or not the Issuer is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(1) either: (a) the Issuer is the surviving Person; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Issuer or such Person, as the case may be, being herein called the “**Successor Company**”);

(2) the Successor Company (if other than the Issuer) assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to agreements in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction no Default or Event of Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(a) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception;
or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction; and

(5) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations under this Indenture and the Notes;

provided that, for the purposes of this Section 5.01 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Issuer may therefore consummate a Music Publishing Sale in accordance with Section 4.13 without complying with this Section 5.01 notwithstanding anything to the contrary in this Section 5.01, (2) the Issuer may therefore consummate a Recorded Music Sale in accordance with Section 4.13 without complying with this Section 5.01 notwithstanding anything to the contrary in this Section 5.01 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Issuer under any other contract to which the Issuer is a party.

For the purpose of this Section 5.01, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Issuer or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole shall be made on a *pro forma* basis giving effect to such acquisition.

This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (3) and (4), (i) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary and (ii) the Issuer may merge with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

In the event of any transaction described in and complying with the conditions listed in the preceding paragraph in which the Issuer is not the continuing corporation, the successor Person formed or remaining shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer and the Issuer will be discharged from all obligations and covenants under this Indenture and the Notes.

(b) The Issuer will deliver to the Trustee prior to the consummation of each proposed transaction an Officer's Certificate certifying that the conditions set forth above are satisfied and an Opinion of Counsel, which opinion may contain customary exceptions and qualifications, that the proposed transaction and the supplemental indenture, if any, comply with this Indenture.

ARTICLE SIX DEFAULT AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following is an “**Event of Default**”:

(1) the Issuer defaults in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) the Issuer defaults in the payment when due of interest on or with respect to the Notes and such default continues for a period of 30 days;

(3) the Issuer defaults in the performance of, or breaches any covenant, warranty or other agreement contained in, this Indenture (other than a default in the performance or breach of a covenant, warranty or agreement which is specifically dealt with in clauses (1) or (2) above) and such default or breach continues for a period of 60 days after the notice specified in Section 6.02 below;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary or the payment of which is guaranteed by the Issuer or any Restricted Subsidiary (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the Issue Date, if (A) such default either (1) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or (2) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its Stated Maturity and (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$50.0 million (or its foreign currency equivalent) or more at any one time outstanding;

(5) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law;

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a Custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors,

(E) takes any comparable action under any foreign laws relating to insolvency,

(F) generally is not able to pay its debts as they become due, or

(G) takes any corporate action to authorize or effect any of the foregoing;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Subsidiary in an involuntary case,

(B) appoints a Custodian of the Issuer or any Significant Subsidiary or for all or substantially all of the property of the Issuer or any Significant Subsidiary, or

(C) orders the liquidation of the Issuer or any Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 days;

(7) the failure by the Issuer or any Significant Subsidiary to pay final judgments (net of amounts covered by insurance policies issued by reputable and creditworthy insurance companies) aggregating in excess of \$50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and, with respect to any judgments covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; or

(8) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof) or any Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee, other than by reason of the discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture, and such Default continues for 10 days.

SECTION 6.02. Acceleration.

If an Event of Default specified in Section 6.01(5) or (6) occurs with respect to the Issuer and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of each Trustee or any Holder.

If any other Event of Default shall occur and be continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes under this Indenture may declare the principal of and accrued interest on such Notes to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” (the “**Acceleration Notice**”), and the same shall become immediately due and payable.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, at any time after a declaration of acceleration with respect to the Notes as described in the two preceding paragraphs, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

- (1) if the rescission would not conflict with any judgment or decree;
- (2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration; and
- (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

(a) If a Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon a Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

(c) In the event of any Event of Default specified in Section 6.01(4), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officer’s Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured.

(d) Holders may not enforce this Indenture or the Notes except as provided in this Indenture and under the TIA, if provisions from the TIA are incorporated into this Indenture. Subject to the provisions of this Indenture relating to the duties of the Trustee, the Trustee is under no obligation to exercise any of its rights or powers under this Indenture at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against any loss, liability or expense. Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes issued under this Indenture have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

SECTION 6.04. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may on behalf of the Holders of all the Notes waive any past Default hereunder and its consequences, except a Default;

(a) in the payment of interest on or the principal of any Note (which may only be waived with the consent of each Holder affected), or

(b) in respect of a covenant or provision hereof that pursuant to Section 9.02(b) cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

In the case of any such waiver, the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, respectively; provided that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto; *provided, however*, that if any amendment, waiver or other modification will only affect the Notes then outstanding, only the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (and not the consent of at least a majority of all Notes), as the case may be, shall be required. This paragraph of this Section 6.04 shall be in lieu of § 316(a)(1)(B) of the TIA and such § 316(a)(1)(B) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA.

SECTION 6.05. Control by Majority.

The Holders of not less than a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.01, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Noteholder, or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits.

Subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the outstanding Notes have requested the Trustee in writing to pursue the remedy;
- (3) such Holder or Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity reasonably satisfactory to it; and
- (5) during such 60-day period the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to affect, disturb or prejudice the rights of another Holder, to obtain a preference or priority over another Holder or to enforce any right under this Indenture except in the manner herein provided and for the equal and ratable benefit of all Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of Holders to Receive Payment.

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the absolute and unconditional right to receive payment of the principal of and all interest on such Note on or after the respective Maturity Date or Interest Payment Dates expressed in such Note and to bring suit for the enforcement of any such payment on or after such respective Maturity Date or Interest Payment Dates, and such right shall not be impaired without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default in payment of principal or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount of principal and accrued interest and fees remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate *per annum* borne by the Notes and such further amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Issuer, its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee shall be entitled to participate as a member of any officer committee of creditors in the matters as it deems necessary or advisable.

SECTION 6.10. Priorities.

If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to the payment of the amounts then due and unpaid upon the Notes for principal (and premium, if any) and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal (and premium, if any) and interest, respectively; and

THIRD: to the Issuer.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Notes.

ARTICLE SEVEN
THE TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture or in the TIA, and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officer's Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of Section 7.01(b).

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and Section 7.02. In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

SECTION 7.02. Certain Rights of Trustee.

Subject to Section 7.01:

(a) the Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document;

(b) before the Trustee acts or refrains from acting, it may require an Officer's Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 11.05. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion;

(c) the Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care;

(d) the Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers;

(e) the Trustee may consult with counsel of its selection and the advice or opinion of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer;

(h) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(i) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties;

(j) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(l) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage regardless of the form of action; and

(m) the Trustee may request that the Issuer and any Guarantor deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers (with specimen signatures) authorized at such times to take specific actions pursuant to this Indenture, which Officer's Certificate may be signed by any person specified as so authorized in any such certificate previously delivered and not superseded.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of the Notes or any statement in the Notes other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

SECTION 7.05. Notice of Default.

If a Default occurs and is continuing and the Trustee receives actual notice of such Default, the Trustee shall mail to each Holder notice of the uncured Default within 60 days after such Default occurs. Except in the case of a Default in payment of principal of, or interest on, any Note, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or the Asset Sale Offer Payment Date pursuant to an Asset Sale Offer, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after each April 1, beginning with April 1, 2015, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Holder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA §§ 313(b), 313(c) and 313(d).

A copy of each report at the time of its mailing to Holders shall be mailed to the Issuer and filed with the Commission and each securities exchange, if any, on which the Notes are listed.

The Issuer shall notify the Trustee if the Notes become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with TIA § 313(d).

SECTION 7.07. Compensation and Indemnity.

(1) The Issuer shall pay to the Trustee from time to time such compensation as the Issuer and the Trustee shall from time to time agree in writing for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in accordance with any provision of this Indenture, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

(2) The Issuer shall indemnify the Trustee for, and hold it harmless against, any and all loss, damage, claims, liability or expense incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on the Trustee's part, arising out of or in connection with the acceptance or administration of this trust (including the costs and expenses of enforcing this Indenture or a Guarantee against the Issuer or a Guarantor (including this Section 7.07) and the reasonable costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its rights, powers or duties hereunder (whether asserted by the Issuer, any Guarantor or any other Person)). The Trustee shall notify the Issuer promptly of any claim asserted against the Trustee for which it may seek indemnity. The Issuer may, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel with respect to such claim and the Issuer shall pay the reasonable fees and expenses of such counsel; provided, however, that the Issuer will not be required to pay such fees and expenses if, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), it assumes the Trustee's defense and there is no conflict of interest between the Issuer and the Trustee subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer need not pay for any settlement made without its written consent. The Issuer need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

Notwithstanding Section 4.12, to secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes against all money or property held or collected by the Trustee, in its capacity as Trustee, except with respect to funds held in trust for the benefit of the holders of particular Notes.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01 (5) or (6), such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law and are intended to constitute expenses of administration under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or become incapable of acting, or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.07, all property held by it as Trustee to the successor Trustee, subject to the Lien provided in Section 7.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; provided that such corporation shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have a combined capital and surplus of at least \$150,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuer are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Issuer and any other obligor of the Notes.

SECTION 7.11. Preferential Collection of Claims Against the Issuer.

The Trustee, in its capacity as Trustee hereunder, shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE EIGHT
DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when:

(a) either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or will become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation of principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(b) the Issuer has paid or caused to be paid all sums payable by it under this Indenture;

(c) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be; and

(d) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.06, 2.07, 2.08, 2.09, 7.07, 8.05 and 8.06 shall survive until the Notes are no longer outstanding pursuant to the last paragraph of Section 2.09. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under the Notes and this Indenture except for those surviving obligations specified above.

SECTION 8.02. Legal Defeasance and Covenant Defeasance.

(a) The Issuer may, at its option and at any time, elect to have either paragraph (b) or (c) below applied to all outstanding Notes upon compliance with the conditions set forth in Section 8.03.

(b) Upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (b), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.04 and the other Sections of this Indenture (with respect to such Notes) referred to in (i) and (ii) below, and to have cured all then existing Events of Default and satisfied all its other obligations under such Notes and this Indenture (with respect to such Notes) and the Guarantors shall be deemed to have satisfied all of their obligations under the Subsidiary Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(4) this Article Eight.

Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02(b) notwithstanding the prior exercise of its option under Section 8.02(c).

(c) Upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (c), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03, be released from their obligations under the covenants contained in Sections 4.03 (with respect to Restricted Subsidiaries only), 4.04, 4.05, 4.06, 4.07 and 4.09 through 4.20 and clauses (3) and (4) of Section 5.01(a) with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.03 are satisfied (hereinafter, "**Covenant Defeasance**"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set

forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (c), subject to the satisfaction of the conditions set forth in Section 8.03, clauses (3), (4), (5), (6) and (7) of Section 6.01 shall not constitute Events of Default.

SECTION 8.03. Conditions to Legal Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of either Legal Defeasance or Covenant Defeasance described in Section 8.02 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. Legal Tender, non-callable Government Securities, or a combination of cash in U.S. Legal Tender and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular redemption date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the holders of the respective outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the holders of the respective outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Restricted Subsidiaries is a party or by which the Issuer or any of its Restricted Subsidiaries is bound (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(6) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

SECTION 8.04. Application of Trust Money.

All U.S. Legal Tender and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to this Article Eight shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Legal Tender and Government Securities deposited pursuant to Section 8.03 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the outstanding Notes.

Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender and Government Securities held by it as provided in Section 8.03 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.05. Repayment to the Issuer.

The Trustee shall pay to the Issuer upon an Issuer request any excess U.S. Legal Tender, and Government Securities held by it for the payment of principal or interest that remains unclaimed for two years after the Maturity Date or the Redemption Date, as the case may be. After payment to the Issuer, Holders entitled to money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person and all liability of the Trustee or any Paying Agent with respect to such money shall thereupon cease.

SECTION 8.06. Reinstatement.

If the Trustee or any Paying Agent is unable to apply any U.S. Legal Tender and/or Government Securities in accordance with this Article Eight, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Issuer and each of the Guarantors, if any, under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight, until such time as the Trustee or such Paying Agent is permitted to apply all such U.S. Legal Tender and Government Securities in accordance with this Article Eight; *provided, however*, that if the Issuer or any Guarantor make any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer or Guarantors, if any, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the U.S. Legal Tender and Government Securities held by the Trustee or the applicable Paying Agent.

ARTICLE NINE
AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 9.01. Without Consent of Holders.

Notwithstanding Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, any Note or any Guarantee without notice to or consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Issuer's obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuer's assets;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;

(5) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture (including any supplemental indenture or other instrument pursuant to which Notes are issued), the Guarantees or the Notes (including any Additional Notes) to any provision of the "Description of Senior Unsecured Notes" section of the Offering Circular or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the "Description of Notes" section of the offering circular relating to the issuance of such Additional Notes solely to the extent that such "Description of Notes" provides for terms of such Additional Notes that differ from the terms of the Initial Notes, as contemplated by Section 2.01;

(7) to add a Guarantee of the Notes, including, without limitation, by any parent company of the Issuer;

(8) to provide for the issuance of Initial Notes or Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date, or to provide for the issuance of Exchange Notes;

(9) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance, administration and book-entry transfer of the Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes;

(10) to evidence and provide for the acceptance of appointment of a successor trustee so long as the successor trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(11) to secure the Notes;

(12) [Reserved]; or

(13) to confirm and evidence the release, termination or discharge of any Guarantee with respect to the Notes when such release, termination or discharge is provided for under the Indenture;

provided that the Issuer has delivered to the Trustee an Opinion of Counsel and an Officer's Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.01.

SECTION 9.02. With Consent of Holders.

(a) Except as provided for in Section 9.01 and 9.02(b), this Indenture, the Notes or any Guarantee may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing default or compliance with any provision of this Indenture, the Notes or any Guarantee may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided*, that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under the Indenture, then only the consent of the Holders of not less than a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of not less than a majority in principal amount of the Notes of such series then Outstanding (including, in each case, consent obtained in connection with a tender offer or exchange offer for Notes) shall be required.

(b) Notwithstanding Section 9.02(a), without the consent of each Holder affected, an amendment or waiver of this Indenture, including a waiver pursuant to Section 6.04, may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed final maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than provisions of Sections 4.09 and 4.13);

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest, premium, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(5) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(6) modify the Guarantees of Significant Subsidiaries in any manner adverse to the Holders; or

(7) make any change in the preceding amendment and waiver provisions;

(c) [Reserved].

(d) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(e) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

SECTION 9.03. Reserved.

SECTION 9.04. Compliance with TIA.

From the date on which this Indenture is qualified under the TIA, if it is so qualified, every amendment, waiver or supplement of this Indenture, the Notes or the Guarantees shall comply with the TIA as then in effect.

SECTION 9.05. Revocation and Effect of Consents.

(a) Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent holder of a Note may revoke the consent as to his Note or portion of his Note by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date. The Issuer shall inform the Trustee in writing of the fixed record date if applicable.

(c) After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of Section 9.02(b)(1) through (7), in which case, the amendment, supplement or waiver shall bind only each Holder who has consented to it and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note; *provided* that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of and interest on a Note, on or after the respective due dates expressed in such Note, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

SECTION 9.06. Notation on or Exchange of Notes.

If an amendment, supplement or waiver changes the terms of a Note, the Trustee shall (if required by the Issuer and in accordance with the specific direction of the Issuer) request the holder of the Note to deliver it to the Trustee. The Trustee shall (if required by the Issuer and in accordance with the specific direction of the Issuer) place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.07. Trustee To Sign Amendments, Etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE TEN
GUARANTEES

SECTION 10.01. Unconditional Guarantee.

Subject to the provisions of this Article Ten, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees, on a senior unsecured basis to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer or any other Guarantors to the Holders or the Trustee hereunder or thereunder: (a) (x) the due and punctual payment of the principal of, premium, if any, and interest on the Notes when and as the same shall become due and payable, whether at maturity, upon redemption or repurchase, by acceleration or otherwise, (y) the due and punctual payment of interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Notes and (z) the due and punctual payment and performance of all other obligations of the Issuer and all other obligations of the other Guarantors (including under the Guarantees), in each case, to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07), all in accordance with the terms hereof and thereof (collectively, the “**Guarantee Obligations**”); and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the due and punctual payment and performance of Guarantee Obligations in accordance with the terms of the extension or renewal, whether at maturity, upon redemption or repurchase, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Notes, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture or the Notes shall constitute an event of default under the Guarantees, and shall entitle the Holders to accelerate the obligations of the Guarantors thereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Guarantors hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Guarantee is affixed to any particular Note, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, this Indenture and the Guarantee. The Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Guarantor, any amount paid by the Issuer or such Guarantor to the Trustee or such Holder, the Guarantee, to the extent theretofore discharged, shall be

reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (a) subject to this Article Ten, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of the Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of the Guarantee.

SECTION 10.02. Reserved.

SECTION 10.03. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under its Guarantee and this Article Ten shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Ten, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 10.04. Reserved.

SECTION 10.05. Release of a Guarantor.

The Guarantee of a Guarantor will be released in the event that:

(a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock or other transaction following which the applicable Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of the applicable Guarantor if such sale, disposition or other transfer is made in compliance with the applicable provisions of this Indenture;

(b) the Issuer designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.11 and the definition of "Unrestricted Subsidiary";

(c) the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness under the Senior Term Loan Agreement and Senior Revolving Credit Agreement, or the guarantee that resulted in the obligation of such Restricted Subsidiary to guarantee the Notes;

(d) the exercise of the Legal Defeasance and Covenant Defeasance by the Issuer pursuant to Section 8.02 or the Issuer's obligations under this Indenture being discharged in accordance with Section 8.01; or

(e) during any Suspension Period, upon the request of the Issuer.

The Trustee shall execute an appropriate instrument prepared by the Issuer evidencing the release of a Guarantor from its obligations under its Guarantee upon receipt of a request by the Issuer or such Guarantor accompanied by an Officer's Certificate and an Opinion of Counsel certifying as to the compliance with this Section 10.05; *provided, however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officer's Certificates of the Issuer.

Except as set forth in Articles Four and Five and this Section 10.05, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor or shall prevent any Guarantor from consolidating with or merging into or selling its assets to the Issuer or another Restricted Subsidiary without limitation, or with other Persons.

SECTION 10.06. Waiver of Subrogation.

Until this Indenture is discharged and all of the Notes are discharged and paid in full, each Guarantor, if any, hereby irrevocably waives any claim or other rights that it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the Issuer's obligations under the Notes and this Indenture or such Guarantor's obligations under its Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of any Holder against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other assets or by set off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this

Section 10.06 is knowingly made in contemplation of such benefits.

SECTION 10.07. Immediate Payment.

Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Guarantee Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

SECTION 10.08. No Setoff.

Each payment to be made by a Guarantor hereunder in respect of the Guarantee Obligations shall be payable in the currency or currencies in which such Guarantee Obligations are denominated, and shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.09. Guarantee Obligations Absolute.

Subject to the provisions of Section 10.02, the obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

SECTION 10.10. Guarantee Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all such obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder.

SECTION 10.11. Guarantee Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Notes or this Indenture.

SECTION 10.12. Guarantee Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the

obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer or any other Guarantor is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or such Guarantor, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

SECTION 10.13. Guarantee Obligations Not Affected.

The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

(a) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Issuer or any other Person;

(b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Notes or any other document or instrument;

(c) any failure of the Issuer or any other Guarantor, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture, the Notes or any Guarantee, or to give notice thereof to a Guarantor;

(d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;

(e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(f) any change in the time, manner or place of payment of, or in any other term of, any of the Notes, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Notes or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Notes;

(g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Guarantor;

(h) any merger or amalgamation of the Issuer or a Guarantor with any Person or Persons;

(i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Guarantee Obligations or the obligations of a Guarantor under its Guarantee; and

(j) any other circumstance, including release of the Guarantor pursuant to Section 10.05 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Notes or of a Guarantor in respect of its Guarantee hereunder.

SECTION 10.14. Waiver.

Without in any way limiting the provisions of Section 10.01, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or non-payment of any of the Guarantee Obligations, or other notice or formalities to the Issuer or any Guarantor of any kind whatsoever.

SECTION 10.15. No Obligation To Take Action Against the Issuer.

Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies against the Issuer or any other Person or any property of the Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

SECTION 10.16. Dealing with the Issuer and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

(a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(b) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Notes;

(c) accept compromises or arrangements from the Issuer;

(d) apply all monies at any time received from the Issuer or from any security upon such part of the Guarantee Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and

(e) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

SECTION 10.17. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 10.07, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

SECTION 10.18. Amendment, Etc.

No amendment, modification or waiver of any provision of this Indenture relating to any Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

SECTION 10.19. Acknowledgment.

Each Guarantor, if any, hereby acknowledges communication of the terms of this Indenture and the Notes and consents to and approves of the same.

SECTION 10.20. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, the reasonable fees and disbursements of counsel) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

SECTION 10.21. No Merger or Waiver; Cumulative Remedies.

No Guarantee shall operate by way of merger of any of the obligations of a Guarantor under any other agreement, including, without limitation, this Indenture. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Notes, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Notes preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Notes and any other document or instrument between a Guarantor and/or the Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

SECTION 10.22. Survival of Guarantee Obligations.

Without prejudice to the survival of any of the other obligations of each Guarantor hereunder, the obligations of each Guarantor under Section 10.01 shall survive the payment in full of the Guarantee Obligations and shall be enforceable against such Guarantor without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Guarantor.

SECTION 10.23. Guarantee in Addition to Other Guarantee Obligations.

The obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Notes and any guarantees or security at any time held by or for the benefit of any of them.

SECTION 10.24. Severability.

Any provision of this Article Ten which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Ten.

SECTION 10.25. Successors and Assigns.

Each Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other Holders and their respective successors and permitted assigns, except that no Guarantor may assign any of its obligations hereunder or thereunder.

The terms of the Notes include those stated in the Indenture and, subject to Section 1.03 of the Indenture and the Indenture being qualified under the TIA, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb) (the "**TIA**"). The Notes are subject to all such terms (except as aforementioned), and Holders are referred to the Indenture and the TIA, if applicable, for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. Additional Notes may be issued from time to time in one or more series under the Indenture and (except as provided in Section 9.02 of the Indenture) will vote (or consent) as a single class with the Notes and otherwise be treated as Notes for purposes of the Indenture. [].²

SECTION 5. Optional Redemption. The Notes will be redeemable, at the Company's option, in whole or in part, as provided in the Indenture.

SECTION 6. Mandatory Redemption. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.³

Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Notes to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency in the Indenture, provide for uncertificated Notes in addition to certificated Notes, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not materially adversely affect the rights of any Holder.

The Holders of a majority in principal amount of the Notes (as defined in the Indenture) then outstanding by notice in writing to the Trustee may on behalf of the Holders of all of the Notes waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of, the Notes or in respect of certain covenants set forth in the Indenture.

SECTION 12. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 13. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent company or any Subsidiary of the Company, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Guarantees[, the Registration Rights Agreement] or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture.

SECTION 9. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

SECTION 10. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Notes to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency in the Indenture, provide for uncertificated Notes in addition to certificated Notes, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not materially adversely affect the rights of any Holder.

SECTION 11. Defaults and Remedies. If a Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes (as defined in the Indenture) generally may declare all the Notes to be due and payable immediately by notice in writing. Notwithstanding the foregoing, in the case of a Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes (as defined in the Indenture) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in principal amount of the Notes (as defined in the Indenture) then outstanding by notice in writing to the Trustee may on behalf of the Holders of all of the Notes waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of, the Notes or in respect of certain covenants set forth in the Indenture.

SECTION 12. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on

dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 13. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent company or any Subsidiary of the Company, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

SECTION 14. Trustee Dealings with the Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company, its Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 15. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 17. Guarantees. The Notes will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 18. CUSIP Numbers and ISINs. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers and ISINs to be printed on the Notes and the Trustee may include CUSIP numbers and ISINs in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

SECTION 19. Governing Law. **This Note shall be governed by, and construed in accordance with, the laws of the State of New York.**

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture.

to the

INDENTURE

DATED AS OF APRIL 9, 2014

Providing for the Issuance of

6.750% Senior Notes Due 2022

FIRST SUPPLEMENTAL INDENTURE, dated as of April 9, 2014 (this “Supplemental Indenture”), among WMG Acquisition Corp. (together with its successors and assigns, the “Company”), as issuer, the Subsidiary Guarantors under the Indenture referred to below (the “Subsidiary Guarantors”), and Wells Fargo Bank, National Association, as Trustee.

WITNESSETH:

WHEREAS, the Company, the Subsidiary Guarantors and the Trustee are party to the Indenture, dated as of April 9, 2014 (as amended, supplemented, waived or otherwise modified from time to time, the “Indenture”), which provides for the issuance from time to time of Notes by the Company;

WHEREAS, Section 9.01(8) of the Indenture provides that the Company may provide for the issuance of Initial Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

WHEREAS, in connection with the issuance of the 2022 Notes (as defined herein), the Company has duly authorized the execution and delivery of this Supplemental Indenture to establish the forms and terms of the 2022 Notes as hereinafter described; and

WHEREAS, pursuant to Section 9.01 of the Indenture, the parties hereto are authorized to execute and deliver this Supplemental Indenture to amend the Indenture, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, the Subsidiary Guarantors and the Trustee mutually covenant and agree for the benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. Title of Notes. There shall be a series of Notes of the Company designated the “6.750% Senior Notes due 2022” (the “2022 Notes”).
3. Maturity Date. The Maturity Date of the 2022 Notes shall be April 15, 2022.

4. Interest and Interest Rates. Interest on the outstanding principal amount of the 2022 Notes will accrue at the rate of 6.750% per annum and will be payable semi-annually in arrears on April 15 and October 15 in each year, commencing on October 15, 2014, to holders of record on the immediately preceding April 1 and October 1, respectively (each such April 1 and October 1, a “Record Date”). Interest on the 2022 Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from April 9, 2014, except that interest on any Additional 2022 Notes (as defined below) issued on or after the first Interest Payment Date (and Exchange Notes issued in exchange therefor) will accrue (or will be deemed to have accrued)

from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2022 Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2022 Notes (or if the date of issuance of such Additional 2022 Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2022 Note and any Exchange Notes issued in exchange therefor are surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of 2022 Notes that may be authenticated and delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2022 Notes shall initially be \$660.0 million. The Company may from time to time, without the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the 2022 Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2022 Notes (any such Additional Notes, “Additional 2022 Notes”), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Company, as contemplated by Section 2.01 of the Indenture.

6. Redemption. (a) The 2022 Notes may be redeemed, in whole or in part, at any time prior to April 15, 2017, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2022 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date).

“Applicable Premium” means, with respect to any 2022 Note on any applicable Redemption Date, the greater of:

- (1) 1.0% of the then outstanding principal amount of such 2022 Note; and
- (2) the excess, if any, of:
 - (a) the present value at such redemption date of (i) the redemption price of the 2022 Note at April 15, 2017 (such redemption price being set forth in the table appearing in Section 6(b)) plus (ii) all required remaining scheduled interest payments due on the 2022 Note through April 15, 2017 (excluding accrued but unpaid interest to such redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 75.0 basis points; over
 - (b) the then outstanding principal amount of the 2022 Note.

“Treasury Rate” means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly

available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2017; *provided, however*, that if the period from such redemption date to April 15, 2017 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after April 15, 2017, the Company may redeem all or a part of the 2022 Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the 2022 Notes to be redeemed to the applicable Redemption Date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2017	105.063%
2018	103.375%
2019	101.688%
2020 and thereafter	100.000%

(c) At any time prior to April 15, 2017, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of 2022 Notes (including the aggregate principal amount of any Additional 2022 Notes) issued under the Indenture, at its option, at a redemption price equal to 106.750% of the principal amount of the 2022 Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of Holders on the relevant Record Date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings by the Company or any contribution to the Company's common equity capital made with the net cash proceeds of one or more Equity Offerings by the Company's direct or indirect parent; *provided that*:

(i) at least 50% of the aggregate principal amount of 2022 Notes originally issued under this Indenture (including the aggregate principal amount of any Additional 2022 Notes) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 90 days of the date of, and may be conditioned upon, the closing of such Equity Offering.

(d) The Company may acquire 2022 Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

(e) Any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity

Offering, other offering or other corporate transactions or events. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

7. Reserved.

8. Form. The 2022 Notes shall be issued substantially in the form set forth, or referenced, in Article Two of the Indenture, and Exhibit A or Exhibit C attached to the Indenture, in each case as provided for in Section 2.02 of the Indenture (as such form may be modified in accordance with Section 2.01 of the Indenture).

9. Governing Law. THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS SUPPLEMENTAL INDENTURE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

10. Ratification of Indenture; Supplemental Indentures Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder heretofore or hereafter authenticated and delivered shall be bound hereby. The Trustee makes no representation or warranty as to the validity or sufficiency of this Supplemental Indenture or as to the accuracy of the recitals to this Supplemental Indenture.

11. Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

12. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed as of the date first above written.
