The foregoing description of the Increase Supplement does not purport to be complete and is qualified in its entirety by reference to the full text of the Increase Supplement.

New Unsecured Notes Indenture

On March 14, 2018 (the “Closing Date”), Warner Music Group issued and sold \$325 million in aggregate principal amount of its 5.500% Senior Notes due 2026 (the “Senior Notes”) under the Indenture, dated as of April 9, 2014 (the “Secured Notes Base Indenture”), among the Issuer, the guarantors party thereto, and Wells Fargo Bank, National Association, as Trustee (the “Trustee”), as supplemented by the Fifth Supplemental Indenture, dated as of March 14, 2018 (together with the Senior Notes Base Indenture, the “Senior Notes Indenture”), among the Issuer, the guarantors party thereto and the Trustee.

Interest on the Senior Notes will accrue at the rate of 5.50% per annum and be payable semi-annually in arrears on April 15 and October 15, commencing on October 15, 2018.

Ranking

The Senior Notes will be Warner Music Group’s senior unsecured obligations. The Senior Notes will rank senior in right of payment to Warner Music Group’s subordinated indebtedness; rank equally in right of payment with all of Warner Music Group’s existing and future senior indebtedness, including the notes, the Existing Senior Secured Notes, the Existing Senior Notes to the extent the Existing Senior Notes are not repurchased, redeemed or discharged in full as described under “—Offering Circular Summary—Recent Developments—Tender Offers and Consent Solicitations” and indebtedness outstanding under the Senior Credit Facilities and any future senior secured credit facility; are effectively subordinated to Warner Music Group’s secured senior indebtedness, including the notes, the Existing Senior Secured Notes and indebtedness under the Senior Credit Facilities and any future senior secured credit facility, to the extent of the value of the collateral securing such indebtedness; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of Warner Music Group’s non-guarantor subsidiaries (other than indebtedness and liabilities owed to Warner Music Group or one of its subsidiary guarantors).

Guarantees

The Senior Notes will be fully and unconditionally guaranteed on a senior unsecured basis by the subsidiary guarantors. Each subsidiary guarantee will be a senior unsecured obligation of such subsidiary guarantor. Each subsidiary guarantee will rank senior in right of payment to all subordinated obligations of the subsidiary guarantor; will be effectively subordinated to the subsidiary guarantor’s existing secured obligations, including the subsidiary guarantor’s guarantee of the notes, the Existing Senior Secured Notes, obligations under the Senior Credit Facilities and any future senior secured credit facility, to the extent of the collateral securing such guarantee; will rank equally in right of payment with all of the subsidiary guarantor’s existing and future senior obligations, including the subsidiary guarantor’s guarantee of the notes, the Existing Senior Secured Notes, the Senior Credit Facilities and any future senior secured credit facility; and will be structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to Warner Music Group or one of its subsidiary guarantors). Any

subsidiary guarantee of the Senior Notes may be released in certain circumstances. In connection with the closing of the Senior Notes, Parent issued a guarantee whereby it fully and unconditionally guarantee (the "Guarantee") the payments of Warner Music Group on the Senior Notes. A copy of the Guarantee is attached as Exhibit 4.2 hereto and incorporated herein by reference. The foregoing description of the Guarantee does not purport to be complete and is qualified in its entirety by reference to the full text of the Guarantee.

Optional Redemption

At any time prior to April 15, 2021, Warner Music Group may on any one or more occasions redeem up to 40% of the aggregate principal amount of Senior Notes (including the aggregate principal amount of any additional securities constituting the same series) issued under the Senior Notes Indenture, at its option, at a redemption price equal to 105.500% of the principal amount of the Senior Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of holders of Senior Notes on the relevant record date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more equity offerings by Warner Music Group or any contribution to Warner Music Group's common equity capital made with the net cash proceeds of one or more equity offerings by Warner Music Group's direct or indirect parent; *provided that*: (1) at least 50% of the aggregate principal amount of Senior Notes originally issued under the Senior Notes Indenture (including the aggregate principal amount of any additional securities constituting Senior Notes issued under the Senior Notes Indenture) remains outstanding immediately after the occurrence of such redemption; and (2) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such equity offering.

The Senior Notes may be redeemed, in whole or in part, at any time prior to April 15, 2021, at the option of Warner Music Group, at a redemption price equal to 100% of the principal amount of the Senior Notes redeemed plus the applicable make-whole premium as of, and accrued and unpaid interest thereon, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after April 15, 2021, Warner Music Group may redeem all or a part of the Senior Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, on the Senior Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2021	102.750%
2022	101.375%
2023 and thereafter	100.000%

Change of Control

Upon the occurrence of a change of control, which is defined in the Senior Notes Base Indenture, each holder of the Senior Notes will have the right to require Warner Music Group to repurchase some or all of such holder's Senior Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The Senior Notes Indenture will contain covenants limiting, among other things, Warner Music Group's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; and enter into certain transactions with its affiliates.

Events of Default

The Senior Notes Indenture will also provide for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on Senior Notes to become or to be declared due and payable.

The Senior Notes were issued under the Base Indenture, a copy of which is attached as Exhibit 4.3 to Warner Music Group Corp.'s Current Report on Form 8-K filed on April 10, 2014 and the Fifth Supplemental Indenture, a copy of which is attached hereto as Exhibit 4.4, each of which is incorporated herein by reference. The foregoing description of the Fifth Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Fifth Supplemental Indenture.

FIFTH SUPPLEMENTAL INDENTURE, dated as of March 14, 2018 (this “Supplemental Indenture”), among WMG Acquisition Corp. (together with its successors and assigns, the “Company”), as issuer, the Subsidiary Guarantors under the Indenture referred to below (the “Subsidiary Guarantors”), and Wells Fargo Bank, National Association, as Trustee.

WITNESSETH:

WHEREAS, the Company, the Subsidiary Guarantors and the Trustee are party to the Indenture, dated as of April 9, 2014 (as amended, supplemented, waived or otherwise modified from time to time, the “Indenture”), which provides for the issuance from time to time of Notes by the Company;

WHEREAS, Section 9.01(8) of the Indenture provides that the Company may provide for the issuance of Initial Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

WHEREAS, in connection with the issuance of the 2026 Notes (as defined herein), the Company has duly authorized the execution and delivery of this Supplemental Indenture to establish the forms and terms of the 2026 Notes as hereinafter described; and

WHEREAS, pursuant to Section 9.01 of the Indenture, the parties hereto are authorized to execute and deliver this Supplemental Indenture to amend the Indenture, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, the Subsidiary Guarantors and the Trustee mutually covenant and agree for the benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. Title of Notes. There shall be a series of Notes of the Company designated the “5.500% Senior Notes due 2026” (the “2026 Notes”).
3. Maturity Date. The Maturity Date of the 2026 Notes shall be April 15, 2026.
4. Interest and Interest Rates. Interest on the outstanding principal amount of the 2026 Notes will accrue at the rate of 5.500% per annum and will be payable semi-annually in arrears on April 15 and October 15 in each year, commencing on October 15, 2018, to holders of record on the immediately preceding April 1 and October 1, respectively (each such April 1 and October 1, a “Record Date”). Interest on the 2026 Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from March 14, 2018, except that interest on any Additional 2026 Notes (as defined below) issued on or after the first Interest Payment Date (and Exchange Notes issued in exchange therefor) will accrue (or will be deemed to have

accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2026 Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2026 Notes (or if the date of issuance of such Additional 2026 Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2026 Note and any Exchange Notes issued in exchange therefor are surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of 2026 Notes that may be authenticated and delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2026 Notes shall initially be \$325.0 million. The Company may from time to time, without the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the 2026 Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2026 Notes (any such Additional Notes, "Additional 2026 Notes"), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Company, as contemplated by Section 2.01 of the Indenture.

6. Redemption. (a) The 2026 Notes may be redeemed, in whole or in part, at any time prior to April 15, 2021, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2026 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date).

"Applicable Premium" means, with respect to any 2026 Note on any applicable Redemption Date, the greater of:

- (1) 1.0% of the then outstanding principal amount of such 2026 Note; and
- (2) the excess, if any, of:

- (a) the present value at such redemption date of (i) the redemption price of the 2026 Note at April 15, 2021 (such redemption price being set forth in the table appearing in Section 6(b)) plus (ii) all required remaining scheduled interest payments due on the 2026 Note through April 15, 2021 (excluding accrued but unpaid interest to such redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 75.0 basis points; over

- (b) the then outstanding principal amount of the 2026 Note.

"Treasury Rate" means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly

available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2021; *provided, however*, that if the period from such redemption date to April 15, 2021 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after April 15, 2021, the Company may redeem all or a part of the 2026 Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the 2026 Notes to be redeemed to the applicable Redemption Date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2021	102.750%
2022	101.375%
2023 and thereafter	100.000%

(c) At any time prior to April 15, 2021, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of 2026 Notes (including the aggregate principal amount of any Additional 2026 Notes) issued under the Indenture, at its option, at a redemption price equal to 105.500% of the principal amount of the 2026 Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of Holders on the relevant Record Date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings by the Company or any contribution to the Company's common equity capital made with the net cash proceeds of one or more Equity Offerings by the Company's direct or indirect parent; *provided* that:

(i) at least 50% of the aggregate principal amount of 2026 Notes originally issued under this Indenture (including the aggregate principal amount of any Additional 2026 Notes) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such Equity Offering.

(d) The Company may acquire 2026 Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

(e) Any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering, other offering or other corporate transactions or events. If such redemption or notice is

subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

(f) Notwithstanding the foregoing, in connection with any tender for the 2026 Notes, if Holders of not less than 90% in the aggregate principal amount of the outstanding 2026 Notes validly tender and do not withdraw such 2026 Notes in such tender offer and the Company, or any other Person making such tender offer, purchases all of the 2026 Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the 2026 Notes that remain outstanding following such purchase at a price in cash equal to the price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the date of redemption (subject to the rights of Holders of the 2026 Notes on the relevant record date to receive interest on the relevant interest payment date).

“SECTION 1.05. FINANCIAL CALCULATIONS FOR LIMITED CONDITION TRANSACTION.

In connection with any Limited Condition Transaction, at the Issuer’s election, (a) for purposes of determining compliance with any provision of the Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given. For the avoidance of doubt, if the Issuer has

exercised its option under the first sentence of this clause (a), and any Default or Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder, and (b) in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of (1) determining compliance with any provision of the Indenture which requires the calculation of the Fixed Charge Coverage Ratio or the Senior Secured Indebtedness to EBITDA Ratio or (2) testing baskets set forth in the Indenture (including baskets measured as a percentage of Consolidated Tangible Assets), in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds of such incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio, basket or amount, such ratio, basket or amount shall be deemed to have been complied with.

For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in exchange rates or in EBITDA or Consolidated Tangible Assets of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or amount with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Sales, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the

earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or amount shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds thereof) have been consummated. As used herein, the term “Limited Condition Transaction” means (x) any acquisition, including by way of merger, amalgamation, consolidation or other business combination or the acquisition of Capital Stock or otherwise, by one or more of the Issuer and its Restricted Subsidiaries of any assets, business or Person or any other Investment permitted by the Indenture whose consummation is not conditioned on the availability of, or on obtaining, third party financing or (y) any redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock requiring irrevocable notice in advance of such redemption, repurchase, defeasance, satisfaction and discharge or prepayment.

equal to the face amount thereof) and other Indebtedness, up to an aggregate principal amount, not to exceed at any one time outstanding the greater of (A) \$2,275 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Issuer of 5.00 to 1.00 (it being understood that for purposes of determining compliance under this clause (1), any Indebtedness incurred under this clause (1) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio) and (II) Revolving Credit Agreement Indebtedness not to exceed at any time outstanding \$180.0 million;”

(j) Section 4.10(c) is amended to (i) insert the text “and” after the words “Senior Revolving Credit Agreement” in the ninth line of such provision and

“(5) amend or waive the legal right of any Holder of any Note to receive payment of principal of and interest on such Note on or after the respective Stated Maturity for such principal or interest payment date for such interest expressed in such Note, or to institute suit for the enforcement of any such payment on or after such respective Stated Maturity or interest payment date;”

(t) Section 9.01(6) is amended and restated in its entirety as follows:

“(6) to conform the text of the Indenture (including any supplemental indenture or other instrument pursuant to which Notes are issued), the Guarantees or the Notes to any provision of the “Description of Senior Unsecured Notes” of the offering circular, dated as of March 14, 2018, relating to the offering of the 2026 Notes, the Description of Notes in the offering circular relating to the offering of the Initial Notes or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the “Description of Notes” section of the offering circular relating to the issuance of such Additional Notes solely to the extent that such “Description of Notes” provides for terms of such Additional Notes that differ from the terms of the Notes, as contemplated by Section 2.01;”

(u) Section 8.01(a)(ii) is amended and restated in its entirety as follows:

“(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or will become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation of principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium (as defined in the applicable supplemental indenture with respect to each series of Notes), the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium (as defined in the applicable supplemental indenture with respect to each series of Notes) calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;”

(v) Section 8.01 is amended to add the following text after the last paragraph of the section:

“The Notes of any series will be discharged and will cease to be of further effect, when:

(1) either:

(a) all Notes of such series that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes of such series for whose payment money has been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) all Notes of such series that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or will become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes of such series not delivered to the Trustee for cancellation of principal, premium, if

any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium (as defined in the applicable supplemental indenture with respect to such series of Notes), the amount deposited shall be sufficient for purposes of the Notes of such series to the extent that an amount is deposited with the Trustee equal to the Applicable Premium (as defined in the applicable supplemental indenture with respect to such series of Notes) calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) the Issuer has paid or caused to be paid all sums payable by it under the Notes of such series; and

(3) the Issuer has delivered irrevocable instructions to the Trustee under the Notes of such series to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an opinion of counsel (which opinion of counsel may be subject to customary assumptions and exclusions) to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied."

(w) Section 10.05(c) is amended to replace the text "and" with the text "or".

(x) Section 11.08 is amended to add the following text at the end of the section:

"The Issuer has not qualified and does not expect to qualify the Indenture under the Trust Indenture Act.
