(11) the Transactions, the Prior Transactions and the payment of all fees and expenses related to the Transactions or the Prior Transactions, including, for the avoidance of doubt, any reimbursement on or after the Issue Date of fees and expenses related to the Transactions or the Prior Transactions paid by the Sponsor and its Affiliates;

(12) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Parent, any Permitted Holder or any director, officer, employee or consultant of the Issuer, any of its Subsidiaries or any of its direct or indirect parent companies;

(13) any transaction with a Securitization Subsidiary effected as part of a Qualified Securitization Financing;

(14) investments by any of the Permitted Holders in securities of the Issuer or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Permitted Holders in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(15) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(16) entering into, and performing the obligations under, any tax sharing agreement, consistent with the limitations imposed on Restricted Payments under Section 4.11; and

(17) intellectual property licenses in the ordinary course of business.

SECTION 4.15. Dividend and Other Payment Restrictions Affecting Subsidiaries.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Issuer or any of its Restricted Subsidiaries that are Guarantors, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries that are Guarantors;

(2) make loans or advances to the Issuer or any of its Restricted Subsidiaries that are Guarantors; or

(3) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries that are Guarantors;

provided that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction.

(b) However, Section 4.15(a) will not apply to encumbrances or restrictions consisting of, or existing under or by reason of:

(1) contractual encumbrances or restrictions in effect (x) pursuant to any Credit Agreement, the Existing Secured Notes, the New Secured Notes, any Hedging Obligations, or any related documents or (y) on the Issue Date, including, without limitation, pursuant to Existing Indebtedness and related documentation;

(2) this Indenture, the Notes and the Guarantees;

(3) purchase money obligations that impose encumbrances or restrictions on a property so acquired;

(4) applicable law or any applicable rule, regulation or order;

(5) any agreement or other instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Issuer or any Restricted Subsidiary, or which agreement or instrument is assumed by the Issuer or any Restricted Subsidiary in connection with an acquisition from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); *provided* that, for purposes of this clause (5), if a Person other than the Issuer is the Successor Company with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Issuer or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Company;

(6) any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Issuer or any Restricted Subsidiary not otherwise prohibited by this Indenture, including without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or other disposition of the Capital Stock or assets of such Subsidiary;

(7) Secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.10 and 4.12 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(8) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(9) other Indebtedness or Preferred Stock (i) of the Issuer or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Issue Date pursuant to Section 4.10 or (ii) that is incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to Section 4.10;

(10) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(11) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(12) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a "**Refinancing Agreement**") effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in Section 4.15(b)(1) through (11) (an "**Initial Agreement**") or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an "**Amendment**"); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Holders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Issuer);

(13) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; *provided, however,* that such restrictions apply only to any Securitization Subsidiary;

(14) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness;

(15) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Issuer or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Issuer or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Issuer or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(16) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(17) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(18) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 4.12;

(19) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Issuer or any Restricted Subsidiary in any manner material to the Issuer or such Restricted Subsidiary;

(20) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Issuer or any Restricted Subsidiary; or

(21) an agreement or instrument relating to any Indebtedness incurred subsequent to the Issue Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in agreements in effect on the Issue Date (as determined in good faith by the Issuer) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Holders than is customary in comparable financings (as determined in good faith by the Issuer) and either (x) the Issuer determines in good faith that such encumbrance or restriction will not materially affect the Issuer's ability to make principal or interest payments on the Notes or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

SECTION 4.16. Additional Subsidiary Guarantees.

(a) The Issuer will cause each Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Securitization Subsidiary) that guarantees any Indebtedness of the Issuer or any Guarantor under the Senior Term Loan Agreement or Senior Revolving Credit Agreement to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Notes, substantially in the form of Exhibit I hereto. Each Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) Each Guarantee shall be released in accordance with Article Ten.

SECTION 4.17. Reports to Holders.

(a) The Issuer will furnish to the Trustee and the Holders of Notes, as their names and addresses appear in the note register, or make available on the Issuer's website:

(1) within 90 days after the end of each fiscal year, annual audited consolidated financial statements for such fiscal year prepared in accordance with GAAP, together with a report on the annual financial statements by the Issuer's certified independent accountants and a "Management's Discussion and Analysis of Financial Condition and Results of Operations" substantially similar to that which would be included in an Annual Report on Form 10-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, unaudited consolidated financial statements for such fiscal quarter prepared in accordance with GAAP, together with a "Management's Discussion and Analysis of Financial Condition and Results of Operations" substantially similar to that which would be included in a Quarterly Report on Form 10-Q (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form); it being understood that the Issuer shall not be required to include any separate consolidating financial information with respect to the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer, or any separate financial statements or information for the Issuer, any Subsidiary Guarantor or any other affiliate of the Issuer; and

(3) information substantially similar to the information that would be required to be included in a Current Report on Form 8-K (as in effect on the Issue Date) filed with the SEC by the Issuer (if the Issuer were required to prepare and file such form) pursuant to Item 1.01 (Entry Into a Material Definitive Agreement) (with respect to acquisitions and dispositions only), 1.03 (Bankruptcy or Receivership), 2.01 (Completion of Acquisition or Disposition of Assets), 4.01 (Changes in Registrant's Certifying Accountants) or 5.01 (Changes in Control of Registrant) of such form (and in any event excluding, for the avoidance of doubt, the financial statements, pro forma financial information and exhibits, if any, that would be required by Item 9.01 (Financial Statements and Exhibits) of such form), within 15 days after the date of filing that would have been required for a current report on Form 8-K; provided that no such information shall be required to be furnished if the Issuer determines in its good faith judgment that such information is not material to the Holders of the Notes or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole.

(b) In addition, the Issuer will make such information available to securities analysts and prospective investors upon request. In addition, the Issuer has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing provisions of this Section 4.17, the Issuer will be deemed to have furnished the information referred to in clauses (1), (2) and (3) above to the Trustee and the Holders of the Notes if the Issuer (or any parent company of the Issuer) has filed reports containing such information with the Commission via the EDGAR filing system and such reports are publicly available (it being understood that the Trustee shall not be responsible for determining whether such filings have been made, that delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable therefrom).

(d) In addition, if at any time any parent company of the Issuer incurs a guarantee of the Notes (there being no obligation of any parent company of the Issuer to do so) and complies with the requirements of Rule 3-10 of Regulation S-X promulgated by the Commission (or any successor provision), the reports, information and other documents required to be furnished to Holders of the Notes pursuant to this Section 4.17 may, at the option of the Issuer, be those of such parent company rather than the Issuer.

SECTION 4.18. [RESERVED].

SECTION 4.19. [RESERVED].

SECTION 4.20. Payments for Consent.

The Issuer will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SECTION 4.21. Changes in Covenants When Notes Rated Investment Grade.

(a) If on any date following the Issue Date, (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "**Covenant Suspension Event**" and the date thereof being referred to as the "**Suspension Date**") then the covenants listed under Sections 4.10, 4.11, 4.13, 4.14, 4.15, 4.16, 5.01(a)(4) and 5.01(a)(5) will not be applicable to the Notes (collectively, the "**Suspended Covenants**").

Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero. During any period that the Suspended Covenants have been suspended, the Board of Directors of the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries unless such designation would have complied with Section 4.11 as if Section 4.11 would have been in effect during such period. The Guarantees of the Guarantors shall be suspended during the Suspension Period.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "**Reversion Date**") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is the "**Suspension Period**."

(c) In the event of any reinstatement of the Suspended Covenants on a Reversion Date, (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 4.11 had been in effect prior to, but not during, the Suspension Period; (ii) all Indebtedness incurred, or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to Section 4.10(b)(3); (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to Section 4.14(b)(8); and (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in Section 4.15(a)(1) through (3) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 4.15(b)(1).

(d) During the Suspension Period, any reference in the definitions of "Permitted Liens" and "Unrestricted Subsidiary" to Section 4.10 or any provision thereof shall be construed as if such covenant were in effect during the Suspension Period.

(e) Notwithstanding that the Suspended Covenants may be reinstated, (1) no Default, Event of Default or breach of any kind will be deemed to exist or have occurred as a result of any failure by the Issuer or any Subsidiary to comply with the Suspended Covenants during any Suspension Period (or upon termination of the Suspension Period or after that time arising out of actions taken or events that occurred during the Suspension Period), and (2) following a Reversion Date the Issuer and any Subsidiary will be permitted, without causing a Default, Event of Default or breach of any kind, to honor, comply with or otherwise perform any contractual commitments or obligations arising prior to such Reversion Date and to consummate the transactions contemplated thereby, and shall have no liability for any actions taken or events that occurred during the Suspension Period, or for any actions taken or events occurring at any time pursuant to any such commitment or obligation.

(f) The Issuer shall promptly notify the Trustee in writing of the occurrence of any Suspension Date or any Reversion Date. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated or to notify Holders regarding the same.

ARTICLE FIVE
SUCCESSOR CORPORATION

SECTION 5.01. Merger, Consolidation, or Sale of Assets.

(a) The Issuer may not (1) consolidate or merge with or into another Person (whether or not the Issuer is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(1) either: (a) the Issuer is the surviving Person; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Issuer or such Person, as the case may be, being herein called the "**Successor Company**");

(2) the Successor Company (if other than the Issuer) assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to agreements in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction no Default or Event of Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(a) the Successor Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception; or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction; and

(5) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Notes;

provided that, for the purposes of this Section 5.01 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Issuer may therefore consummate a Music Publishing Sale in accordance with Section 4.13 without complying with this Section 5.01 notwithstanding anything to the contrary in this Section 5.01, (2) the Issuer may therefore consummate a Recorded Music Sale in accordance with Section 4.13 without complying with this Section 5.01 notwithstanding anything to the contrary in this Section 5.01 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Issuer under any other contract to which the Issuer is a party.

For the purpose of this Section 5.01, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Issuer or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole shall be made on a *pro forma* basis giving effect to such acquisition.

This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (3) and (4), (i) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary and (ii) the Issuer may merge with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

In the event of any transaction described in and complying with the conditions listed in the preceding paragraph in which the Issuer is not the continuing corporation, the successor Person formed or remaining shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer and the Issuer will be discharged from all obligations and covenants under this Indenture and the Notes.

(b) The Issuer will deliver to the Trustee prior to the consummation of each proposed transaction an Officer's Certificate certifying that the conditions set forth above are satisfied and an Opinion of Counsel, which opinion may contain customary exceptions and qualifications, that the proposed transaction and the supplemental indenture, if any, comply with this Indenture.

ARTICLE SIX
DEFAULT AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following is an "**Event of Default**":

(1) the Issuer defaults in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) the Issuer defaults in the payment when due of interest on or with respect to the Notes and such default continues for a period of 30 days;

(3) the Issuer defaults in the performance of, or breaches any covenant, warranty or other agreement contained in, this Indenture (other than a default in the performance or breach of a covenant, warranty or agreement which is specifically dealt with in clauses (1) or (2) above) and such default or breach continues for a period of 60 days after the notice specified in Section 6.02 below;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary or the payment of which is guaranteed by the Issuer or any Restricted Subsidiary (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the Issue Date, if (A) such default either (1) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or (2) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its Stated Maturity and (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $50.0 million (or its foreign currency equivalent) or more at any one time outstanding;

(5) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law;

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a Custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors,

(E) takes any comparable action under any foreign laws relating to insolvency,

(F) generally is not able to pay its debts as they become due, or

(G) takes any corporate action to authorize or effect any of the foregoing;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Subsidiary in an involuntary case,

(B) appoints a Custodian of the Issuer or any Significant Subsidiary or for all or substantially all of the property of the Issuer or any Significant Subsidiary, or

(C) orders the liquidation of the Issuer or any Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 days;

(7) the failure by the Issuer or any Significant Subsidiary to pay final judgments (net of amounts covered by insurance policies issued by reputable and creditworthy insurance companies) aggregating in excess of $50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and, with respect to any judgments covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; or

(8) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof) or any Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee, other than by reason of the discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture, and such Default continues for 10 days.

SECTION 6.02. Acceleration.

If an Event of Default specified in Section 6.01(5) or (6) occurs with respect to the Issuer and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of each Trustee or any Holder.

If any other Event of Default shall occur and be continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes under this Indenture may declare the principal of and accrued interest on such Notes to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a "notice of acceleration" (the "**Acceleration Notice**"), and the same shall become immediately due and payable.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.01, at any time after a declaration of acceleration with respect to the Notes as described in the two preceding paragraphs, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration; and

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

(a) If a Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon a Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

(c) In the event of any Event of Default specified in Section 6.01(4), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured.

(d) Holders may not enforce this Indenture or the Notes except as provided in this Indenture and under the TIA, if provisions from the TIA are incorporated into this Indenture. Subject to the provisions of this Indenture relating to the duties of the Trustee, the Trustee is under no obligation to exercise any of its rights or powers under this Indenture at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against any loss, liability or expense. Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes issued under this Indenture have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

SECTION 6.04. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may on behalf of the Holders of all the Notes waive any past Default hereunder and its consequences, except a Default;

(a) in the payment of interest on or the principal of any Note (which may only be waived with the consent of each Holder affected), or

(b) in respect of a covenant or provision hereof that pursuant to Section 9.02(b) cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

In the case of any such waiver, the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, respectively; provided that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto; *provided*, *however*, that if any amendment, waiver or other modification will only affect the Notes then outstanding, only the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (and not the consent of at least a majority of all Notes), as the case may be, shall be required. This paragraph of this Section 6.04 shall be in lieu of § 316(a)(1)(B) of the TIA and such § 316(a)(1)(B) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA.

SECTION 6.05. Control by Majority.

The Holders of not less than a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.01, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Noteholder, or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits.

Subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in principal amount of the outstanding Notes have requested the Trustee in writing to pursue the remedy;

(3) such Holder or Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity reasonably satisfactory to it; and

(5) during such 60-day period the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to affect, disturb or prejudice the rights of another Holder, to obtain a preference or priority over another Holder or to enforce any right under this Indenture except in the manner herein provided and for the equal and ratable benefit of all Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of Holders to Receive Payment.

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the absolute and unconditional right to receive payment of the principal of and all interest on such Note on or after the respective Maturity Date or Interest Payment Dates expressed in such Note and to bring suit for the enforcement of any such payment on or after such respective Maturity Date or Interest Payment Dates, and such right shall not be impaired without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default in payment of principal or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount of principal and accrued interest and fees remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate *per annum* borne by the Notes and such further amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Issuer, its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee shall be entitled to participate as a member of any officer committee of creditors in the matters as it deems necessary or advisable.

SECTION 6.10. Priorities.

If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to the payment of the amounts then due and unpaid upon the Notes for principal (and premium, if any) and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal (and premium, if any) and interest, respectively; and

THIRD: to the Issuer.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Notes.

ARTICLE SEVEN
THE TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture or in the TIA, and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officer's Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of Section 7.01(b).

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and Section 7.02. In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

SECTION 7.02. Certain Rights of Trustee.

Subject to Section 7.01:

(a) the Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document;

(b) before the Trustee acts or refrains from acting, it may require an Officer’s Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 11.05. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion;

(c) the Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care;

(d) the Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers;

(e) the Trustee may consult with counsel of its selection and the advice or opinion of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer;

(h) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(i) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties;

(j) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(l) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage regardless of the form of action; and

(m) the Trustee may request that the Issuer and any Guarantor deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers (with specimen signatures) authorized at such times to take specific actions pursuant to this Indenture, which Officer's Certificate may be signed by any person specified as so authorized in any such certificate previously delivered and not superseded.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of the Notes or any statement in the Notes other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

SECTION 7.05. Notice of Default.

If a Default occurs and is continuing and the Trustee receives actual notice of such Default, the Trustee shall mail to each Holder notice of the uncured Default within 60 days after such Default occurs. Except in the case of a Default in payment of principal of, or interest on, any Note, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or the Asset Sale Offer Payment Date pursuant to an Asset Sale Offer, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after each April 1, beginning with April 1, 2015, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Holder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA §§ 313(b), 313(c) and 313(d).

A copy of each report at the time of its mailing to Holders shall be mailed to the Issuer and filed with the Commission and each securities exchange, if any, on which the Notes are listed.

The Issuer shall notify the Trustee if the Notes become listed on any securities exchange or of any delisting thereof and the Trustee shall comply with TIA § 313(d).

SECTION 7.07. Compensation and Indemnity.

(1) The Issuer shall pay to the Trustee from time to time such compensation as the Issuer and the Trustee shall from time to time agree in writing for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in accordance with any provision of this Indenture, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

(2) The Issuer shall indemnify the Trustee for, and hold it harmless against, any and all loss, damage, claims, liability or expense incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on the Trustee's part, arising out of or in connection with the acceptance or administration of this trust (including the costs and expenses of enforcing this Indenture or a Guarantee against the Issuer or a Guarantor (including this Section 7.07) and the reasonable costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its rights, powers or duties hereunder (whether asserted by the Issuer, any Guarantor or any other Person)). The Trustee shall notify the Issuer promptly of any claim asserted against the Trustee for which it may seek indemnity. The Issuer may, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel with respect to such claim and the Issuer shall pay the reasonable fees and expenses of such counsel; provided, however, that the Issuer will not be required to pay such fees and expenses if, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), it assumes the Trustee's defense and there is no conflict of interest between the Issuer and the Trustee subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer need not pay for any settlement made without its written consent. The Issuer need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

Notwithstanding Section 4.12, to secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes against all money or property held or collected by the Trustee, in its capacity as Trustee, except with respect to funds held in trust for the benefit of the holders of particular Notes.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01 (5) or (6), such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law and are intended to constitute expenses of administration under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or become incapable of acting, or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.07, all property held by it as Trustee to the successor Trustee, subject to the Lien provided in Section 7.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; provided that such corporation shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have a combined capital and surplus of at least $150,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuer are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Issuer and any other obligor of the Notes.

SECTION 7.11. Preferential Collection of Claims Against the Issuer.

The Trustee, in its capacity as Trustee hereunder, shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE EIGHT
DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when:

(a) either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or will become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation of principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(b) the Issuer has paid or caused to be paid all sums payable by it under this Indenture;

(c) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be; and

(d) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.06, 2.07, 2.08, 2.09, 7.07, 8.05 and 8.06 shall survive until the Notes are no longer outstanding pursuant to the last paragraph of Section 2.09. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under the Notes and this Indenture except for those surviving obligations specified above.

SECTION 8.02. Legal Defeasance and Covenant Defeasance.

(a) The Issuer may, at its option and at any time, elect to have either paragraph (b) or (c) below applied to all outstanding Notes upon compliance with the conditions set forth in Section 8.03.

(b) Upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (b), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.04 and the other Sections of this Indenture (with respect to such Notes) referred to in (i) and (ii) below, and to have cured all then existing Events of Default and satisfied all its other obligations under such Notes and this Indenture (with respect to such Notes) and the Guarantors shall be deemed to have satisfied all of their obligations under the Subsidiary Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(4) this Article Eight.

Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02(b) notwithstanding the prior exercise of its option under Section 8.02(c).

(c) Upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (c), the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03, be released from their obligations under the covenants contained in Sections 4.03 (with respect to Restricted Subsidiaries only), 4.04, 4.05, 4.06, 4.07 and 4.09 through 4.20 and clauses (3) and (4) of Section 5.01(a) with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.03 are satisfied (hereinafter, "**Covenant Defeasance**"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set

forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under paragraph (a) above of the option applicable to this paragraph (c), subject to the satisfaction of the conditions set forth in Section 8.03, clauses (3), (4), (5), (6) and (7) of Section 6.01 shall not constitute Events of Default.

SECTION 8.03. Conditions to Legal Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of either Legal Defeasance or Covenant Defeasance described in Section 8.02 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. Legal Tender, non-callable Government Securities, or a combination of cash in U.S. Legal Tender and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular redemption date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, (*a*) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (*b*) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the holders of the respective outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the holders of the respective outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Restricted Subsidiaries is a party or by which the Issuer or any of its Restricted Subsidiaries is bound (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(6) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

SECTION 8.04. Application of Trust Money.

All U.S. Legal Tender and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to this Article Eight shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Legal Tender and Government Securities deposited pursuant to Section 8.03 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the outstanding Notes.

Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender and Government Securities held by it as provided in Section 8.03 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.05. Repayment to the Issuer.

The Trustee shall pay to the Issuer upon an Issuer request any excess U.S. Legal Tender, and Government Securities held by it for the payment of principal or interest that remains unclaimed for two years after the Maturity Date or the Redemption Date, as the case may be. After payment to the Issuer, Holders entitled to money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person and all liability of the Trustee or any Paying Agent with respect to such money shall thereupon cease.

SECTION 8.06. Reinstatement.

If the Trustee or any Paying Agent is unable to apply any U.S. Legal Tender and/or Government Securities in accordance with this Article Eight, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Issuer and each of the Guarantors, if any, under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight, until such time as the Trustee or such Paying Agent is permitted to apply all such U.S. Legal Tender and Government Securities in accordance with this Article Eight; *provided, however,* that if the Issuer or any Guarantor make any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer or Guarantors, if any, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the U.S. Legal Tender and Government Securities held by the Trustee or the applicable Paying Agent.

ARTICLE NINE
AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 9.01. Without Consent of Holders.

Notwithstanding Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, any Note or any Guarantee without notice to or consent of any Holder:

(1) to cure any ambiguity, omission, mistake, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Issuer's obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuer's assets;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;

(5) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture (including any supplemental indenture or other instrument pursuant to which Notes are issued), the Guarantees or the Notes (including any Additional Notes) to any provision of the "Description of Senior Unsecured Notes" section of the Offering Circular or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the "Description of Notes" section of the offering circular relating to the issuance of such Additional Notes solely to the extent that such "Description of Notes" provides for terms of such Additional Notes that differ from the terms of the Initial Notes, as contemplated by Section 2.01;

(7) to add a Guarantee of the Notes, including, without limitation, by any parent company of the Issuer;

(8) to provide for the issuance of Initial Notes or Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date, or to provide for the issuance of Exchange Notes;

(9) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance, administration and book-entry transfer of the Notes; *provided, however,* that (*i*) compliance with this Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (*ii*) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes;

(10) to evidence and provide for the acceptance of appointment of a successor trustee so long as the successor trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(11) to secure the Notes;

(12) [Reserved]; or

(13) to confirm and evidence the release, termination or discharge of any Guarantee with respect to the Notes when such release, termination or discharge is provided for under the Indenture;

provided that the Issuer has delivered to the Trustee an Opinion of Counsel and an Officer's Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.01.

SECTION 9.02. With Consent of Holders.

(a) Except as provided for in Section 9.01 and 9.02(b), this Indenture, the Notes or any Guarantee may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing default or compliance with any provision of this Indenture, the Notes or any Guarantee may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided*, that (*x*) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under the Indenture, then only the consent of the Holders of not less than a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required and (*y*) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of not less than a majority in principal amount of the Notes of such series then Outstanding (including, in each case, consent obtained in connection with a tender offer or exchange offer for Notes) shall be required.

(b) Notwithstanding Section 9.02(a), without the consent of each Holder affected, an amendment or waiver of this Indenture, including a waiver pursuant to Section 6.04, may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed final maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than provisions of Sections 4.09 and 4.13);

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest, premium, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(5) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(6) modify the Guarantees of Significant Subsidiaries in any manner adverse to the Holders; or

(7) make any change in the preceding amendment and waiver provisions;

(c) [Reserved].

(d) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(e) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

SECTION 9.03. Reserved.

SECTION 9.04. Compliance with TIA.

From the date on which this Indenture is qualified under the TIA, if it is so qualified, every amendment, waiver or supplement of this Indenture, the Notes or the Guarantees shall comply with the TIA as then in effect.

SECTION 9.05. Revocation and Effect of Consents.

(a) Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent holder of a Note may revoke the consent as to his Note or portion of his Note by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date. The Issuer shall inform the Trustee in writing of the fixed record date if applicable.

(c) After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of Section 9.02(b)(1) through (7), in which case, the amendment, supplement or waiver shall bind only each Holder who has consented to it and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note; *provided* that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of and interest on a Note, on or after the respective due dates expressed in such Note, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

SECTION 9.06. Notation on or Exchange of Notes.

If an amendment, supplement or waiver changes the terms of a Note, the Trustee shall (if required by the Issuer and in accordance with the specific direction of the Issuer) request the holder of the Note to deliver it to the Trustee. The Trustee shall (if required by the Issuer and in accordance with the specific direction of the Issuer) place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.07. Trustee To Sign Amendments, Etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE TEN
GUARANTEES

SECTION 10.01. Unconditional Guarantee.

Subject to the provisions of this Article Ten, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees, on a senior unsecured basis to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer or any other Guarantors to the Holders or the Trustee hereunder or thereunder: (*a*) (*x*) the due and punctual payment of the principal of, premium, if any, and interest on the Notes when and as the same shall become due and payable, whether at maturity, upon redemption or repurchase, by acceleration or otherwise, (*y*) the due and punctual payment of interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Notes and (*z*) the due and punctual payment and performance of all other obligations of the Issuer and all other obligations of the other Guarantors (including under the Guarantees), in each case, to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07), all in accordance with the terms hereof and thereof (collectively, the "**Guarantee Obligations**"); and (*b*) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the due and punctual payment and performance of Guarantee Obligations in accordance with the terms of the extension or renewal, whether at maturity, upon redemption or repurchase, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Notes, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture or the Notes shall constitute an event of default under the Guarantees, and shall entitle the Holders to accelerate the obligations of the Guarantors thereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Guarantors hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Guarantee is affixed to any particular Note, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, this Indenture and the Guarantee. The Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Guarantor, any amount paid by the Issuer or such Guarantor to the Trustee or such Holder, the Guarantee, to the extent theretofore discharged, shall be

reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (*a*) subject to this Article Ten, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of the Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (*b*) in the event of any acceleration of such obligations as provided in Article Six, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of the Guarantee.

SECTION 10.02. Reserved.

SECTION 10.03. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under its Guarantee and this Article Ten shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Ten, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 10.04. Reserved.

SECTION 10.05. Release of a Guarantor.

The Guarantee of a Guarantor will be released in the event that:

(a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock or other transaction following which the applicable Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of the applicable Guarantor if such sale, disposition or other transfer is made in compliance with the applicable provisions of this Indenture;

(b) the Issuer designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.11 and the definition of “Unrestricted Subsidiary”;

(c) the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness under the Senior Term Loan Agreement and Senior Revolving Credit Agreement, or the guarantee that resulted in the obligation of such Restricted Subsidiary to guarantee the Notes;

(d) the exercise of the Legal Defeasance and Covenant Defeasance by the Issuer pursuant to Section 8.02 or the Issuer's obligations under this Indenture being discharged in accordance with Section 8.01; or

(e) during any Suspension Period, upon the request of the Issuer.

The Trustee shall execute an appropriate instrument prepared by the Issuer evidencing the release of a Guarantor from its obligations under its Guarantee upon receipt of a request by the Issuer or such Guarantor accompanied by an Officer's Certificate and an Opinion of Counsel certifying as to the compliance with this Section 10.05; *provided*, *however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officer's Certificates of the Issuer.

Except as set forth in Articles Four and Five and this Section 10.05, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor or shall prevent any Guarantor from consolidating with or merging into or selling its assets to the Issuer or another Restricted Subsidiary without limitation, or with other Persons.

SECTION 10.06. Waiver of Subrogation.

Until this Indenture is discharged and all of the Notes are discharged and paid in full, each Guarantor, if any, hereby irrevocably waives any claim or other rights that it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the Issuer's obligations under the Notes and this Indenture or such Guarantor's obligations under its Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of any Holder against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other assets or by set off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this

Section 10.06 is knowingly made in contemplation of such benefits.

SECTION 10.07. Immediate Payment.

Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Guarantee Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

SECTION 10.08. No Setoff.

Each payment to be made by a Guarantor hereunder in respect of the Guarantee Obligations shall be payable in the currency or currencies in which such Guarantee Obligations are denominated, and shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.09. Guarantee Obligations Absolute.

Subject to the provisions of Section 10.02, the obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

SECTION 10.10. Guarantee Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all such obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder.

SECTION 10.11. Guarantee Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Notes or this Indenture.

SECTION 10.12. Guarantee Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the

obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer or any other Guarantor is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or such Guarantor, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

SECTION 10.13. Guarantee Obligations Not Affected.

The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

(a) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Issuer or any other Person;

(b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Notes or any other document or instrument;

(c) any failure of the Issuer or any other Guarantor, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture, the Notes or any Guarantee, or to give notice thereof to a Guarantor;

(d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;

(e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(f) any change in the time, manner or place of payment of, or in any other term of, any of the Notes, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Notes or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Notes;

(g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Guarantor;

(h) any merger or amalgamation of the Issuer or a Guarantor with any Person or Persons;

(i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Guarantee Obligations or the obligations of a Guarantor under its Guarantee; and

(j) any other circumstance, including release of the Guarantor pursuant to Section 10.05 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Notes or of a Guarantor in respect of its Guarantee hereunder.

SECTION 10.14. Waiver.

Without in any way limiting the provisions of Section 10.01, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or non-payment of any of the Guarantee Obligations, or other notice or formalities to the Issuer or any Guarantor of any kind whatsoever.

SECTION 10.15. No Obligation To Take Action Against the Issuer.

Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies against the Issuer or any other Person or any property of the Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

SECTION 10.16. Dealing with the Issuer and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

(a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(b) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Notes;

(c) accept compromises or arrangements from the Issuer;

(d) apply all monies at any time received from the Issuer or from any security upon such part of the Guarantee Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and

(e) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

SECTION 10.17. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 10.07, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

SECTION 10.18. Amendment, Etc.

No amendment, modification or waiver of any provision of this Indenture relating to any Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

SECTION 10.19. Acknowledgment.

Each Guarantor, if any, hereby acknowledges communication of the terms of this Indenture and the Notes and consents to and approves of the same.

SECTION 10.20. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, the reasonable fees and disbursements of counsel) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

SECTION 10.21. No Merger or Waiver; Cumulative Remedies.

No Guarantee shall operate by way of merger of any of the obligations of a Guarantor under any other agreement, including, without limitation, this Indenture. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Notes, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Notes preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Notes and any other document or instrument between a Guarantor and/or the Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

SECTION 10.22. Survival of Guarantee Obligations.

Without prejudice to the survival of any of the other obligations of each Guarantor hereunder, the obligations of each Guarantor under Section 10.01 shall survive the payment in full of the Guarantee Obligations and shall be enforceable against such Guarantor without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Guarantor.

SECTION 10.23. Guarantee in Addition to Other Guarantee Obligations.

The obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Notes and any guarantees or security at any time held by or for the benefit of any of them.

SECTION 10.24. Severability.

Any provision of this Article Ten which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Ten.

SECTION 10.25. Successors and Assigns.

Each Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other Holders and their respective successors and permitted assigns, except that no Guarantor may assign any of its obligations hereunder or thereunder.

The terms of the Notes include those stated in the Indenture and, subject to Section 1.03 of the Indenture and the Indenture being qualified under the TIA, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb) (the "**TIA**"). The Notes are subject to all such terms (except as aforementioned), and Holders are referred to the Indenture and the TIA, if applicable, for a statement of such terms. 2 For an Initial Additional Note, add a registration rights provision if any, as may be agreed by the Company with respect to additional interest on such Initial Additional Note.

The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture.

SECTION 9. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

SECTION 10. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Notes to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency in the Indenture, provide for uncertificated Notes in addition to certificated Notes, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not materially adversely affect the rights of any Holder.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes (as defined in the Indenture) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in principal amount of the Notes (as defined in the Indenture) then outstanding by notice in writing to the Trustee may on behalf of the Holders of all of the Notes waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of, the Notes or in respect of certain covenants set forth in the Indenture.

SECTION 12. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 13. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent company or any Subsidiary of the Company, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Guarantees[, the Registration Rights Agreement] or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Principal, premium, if any, and interest [and special interest], if any, on the Notes will be payable at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders or otherwise; *provided* that all payments of principal, premium and interest with respect to Notes the Holders of which have given wire transfer instructions to the Company prior to the Record Date will be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Company, the Company's office or agency in New York will be the office of the Trustee maintained for such purpose.

SECTION 3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any Affiliate may act in any such capacity.

SECTION 4. Indenture. The Company issued this [ ]% Senior Note due [ ] of the Company (hereinafter called the "**Notes**") under an Indenture dated as of April 9, 2014 (the "**Base Indenture**") among the Company, the Guarantors, if any, from time to time parties thereto and the Trustee, as supplemented by a First Supplemental Indenture, dated as of April 9, 2014 (the "**Supplemental Indenture**" and, together with the Base Indenture, the "**Indenture**"), among the Company, the Subsidiary Guarantors party thereto and the Trustee. The terms of the Notes include those stated in the Indenture and, subject to Section 1.03 of the Indenture and the Indenture being qualified under the TIA, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb) (the "**TIA**"). The Notes are subject to all such terms (except as aforementioned), and Holders are referred to the Indenture and the TIA, if applicable, for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. Additional Notes may be issued from time to time in one or more series under the Indenture and (except as provided in Section 9.02 of the Indenture) will vote (or consent) as a single class with the Notes and otherwise be treated as Notes for purposes of
the Indenture.

SECTION 5. Optional Redemption. The Notes will be redeemable, at the Company's option, in whole or in part, as provided in the Indenture.

SECTION 6. [Mandatory Redemption. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.][6]

SECTION 7. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Sale and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

6 Include unless otherwise provided in the Notes Supplemental Indenture establishing the applicable series of Notes.

SECTION 8. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture.

SECTION 9. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

SECTION 10. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding, and any existing Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes (as defined in the Indenture) then outstanding. Without notice to or consent of any Holder, the parties thereto may amend or supplement the Indenture and the Notes to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency in the Indenture, provide for uncertificated Notes in addition to certificated Notes, comply with any requirements of the Commission in connection with the qualification of the Indenture under the TIA, or make any change that does not materially adversely affect the rights of any Holder.

SECTION 11. Defaults and Remedies. If a Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes (as defined in the Indenture) generally may declare all the Notes to be due and payable immediately by notice in writing. Notwithstanding the foregoing, in the case of a Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes (as defined in the Indenture) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in principal amount of the Notes (as defined in the Indenture) then outstanding by notice in writing to the Trustee may on behalf of the Holders of all of the Notes waive any Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of, the Notes or in respect of certain covenants set forth in the Indenture.

SECTION 12. Restrictive Covenants. The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on

dividends and other payments by Restricted Subsidiaries of the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

SECTION 13. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any direct or indirect parent company or any Subsidiary of the Company, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

SECTION 14. Trustee Dealings with the Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company, its Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 15. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 17. Guarantees. The Notes will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 18. CUSIP Numbers and ISINs. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers and ISINs to be printed on the Notes and the Trustee may include CUSIP numbers and ISINs in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

SECTION 19. Governing Law. **This Note shall be governed by, and construed in accordance with, the laws of the State of New York.**

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture.

Providing for the Issuance of

5.500% Senior Notes Due 2026

FIFTH SUPPLEMENTAL INDENTURE, dated as of March 14, 2018 (this "Supplemental Indenture"), among WMG Acquisition Corp. (together with its successors and assigns, the "Company"), as issuer, the Subsidiary Guarantors under the Indenture referred to below (the "Subsidiary Guarantors"), and Wells Fargo Bank, National Association, as Trustee.

W I T N E S S E T H:

WHEREAS, the Company, the Subsidiary Guarantors and the Trustee are party to the Indenture, dated as of April 9, 2014 (as amended, supplemented, waived or otherwise modified from time to time, the "Indenture"), which provides for the issuance from time to time of Notes by the Company;

WHEREAS, Section 9.01(8) of the Indenture provides that the Company may provide for the issuance of Initial Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

WHEREAS, in connection with the issuance of the 2026 Notes (as defined herein), the Company has duly authorized the execution and delivery of this Supplemental Indenture to establish the forms and terms of the 2026 Notes as hereinafter described; and

WHEREAS, pursuant to Section 9.01 of the Indenture, the parties hereto are authorized to execute and deliver this Supplemental Indenture to amend the Indenture, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, the Subsidiary Guarantors and the Trustee mutually covenant and agree for the benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Title of Notes. There shall be a series of Notes of the Company designated the "5.500% Senior Notes due 2026" (the "2026 Notes").

3. Maturity Date. The Maturity Date of the 2026 Notes shall be April 15, 2026.

4. Interest and Interest Rates. Interest on the outstanding principal amount of the 2026 Notes will accrue at the rate of 5.500% per annum and will be payable semi-annually in arrears on April 15 and October 15 in each year, commencing on October 15, 2018, to holders of record on the immediately preceding April 1 and October 1, respectively (each such April 1 and October 1, a "Record Date"). Interest on the 2026 Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from March 14, 2018, except that interest on any Additional 2026 Notes (as defined below) issued on or after the first Interest Payment Date (and Exchange Notes issued in exchange therefor) will accrue (or will be deemed to have

accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2026 Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2026 Notes (or if the date of issuance of such Additional 2026 Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2026 Note and any Exchange Notes issued in exchange therefor are surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of 2026 Notes that may be authenticated and delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2026 Notes shall initially be $325.0 million. The Company may from time to time, without the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the 2026 Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2026 Notes (any such Additional Notes, "Additional 2026 Notes"), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Company, as contemplated by Section 2.01 of the Indenture.

6. Redemption. (a) The 2026 Notes may be redeemed, in whole or in part, at any time prior to April 15, 2021, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2026 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date).

"Applicable Premium" means, with respect to any 2026 Note on any applicable Redemption Date, the greater of:

(1) 1.0% of the then outstanding principal amount of such 2026 Note; and

(2) the excess, if any, of:

(a) the present value at such redemption date of (*i*) the redemption price of the 2026 Note at April 15, 2021 (such redemption price being set forth in the table appearing in Section 6(b)) plus (*ii*) all required remaining scheduled interest payments due on the 2026 Note through April 15, 2021 (excluding accrued but unpaid interest to such redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 75.0 basis points; over

(b) the then outstanding principal amount of the 2026 Note.

"Treasury Rate" means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly

available at least two business days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 15, 2021; *provided*, *however*, that if the period from such redemption date to April 15, 2021 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) On or after April 15, 2021, the Company may redeem all or a part of the 2026 Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the 2026 Notes to be redeemed to the applicable Redemption Date, if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Percentage
2021	102.750%
2022	101.375%
2023 and thereafter	100.000%

(c) At any time prior to April 15, 2021, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of 2026 Notes (including the aggregate principal amount of any Additional 2026 Notes) issued under the Indenture, at its option, at a redemption price equal to 105.500% of the principal amount of the 2026 Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of Holders on the relevant Record Date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings by the Company or any contribution to the Company's common equity capital made with the net cash proceeds of one or more Equity Offerings by the Company's direct or indirect parent; *provided* that:

(i) at least 50% of the aggregate principal amount of 2026 Notes originally issued under this Indenture (including the aggregate principal amount of any Additional 2026 Notes) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such Equity Offering.

(d) The Company may acquire 2026 Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

(e) Any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering, other offering or other corporate transactions or events. If such redemption or notice is

subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

(f) Notwithstanding the foregoing, in connection with any tender for the 2026 Notes, if Holders of not less than 90% in the aggregate principal amount of the outstanding 2026 Notes validly tender and do not withdraw such 2026 Notes in such tender offer and the Company, or any other Person making such tender offer, purchases all of the 2026 Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the 2026 Notes that remain outstanding following such purchase at a price in cash equal to the price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the date of redemption (subject to the rights of Holders of the 2026 Notes on the relevant record date to receive interest on the relevant interest payment date).

“SECTION 1.05. FINANCIAL CALCULATIONS FOR LIMITED CONDITION TRANSACTION.

In connection with any Limited Condition Transaction, at the Issuer’s election, (a) for purposes of determining compliance with any provision of the Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given. For the avoidance of doubt, if the Issuer has

exercised its option under the first sentence of this clause (a), and any Default or Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder, and (b) in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of (1) determining compliance with any provision of the Indenture which requires the calculation of the Fixed Charge Coverage Ratio or the Senior Secured Indebtedness to EBITDA Ratio or (2) testing baskets set forth in the Indenture (including baskets measured as a percentage of Consolidated Tangible Assets), in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds of such incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio, basket or amount, such ratio, basket or amount shall be deemed to have been complied with.

For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in exchange rates or in EBITDA or Consolidated Tangible Assets of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or amount with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Sales, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the

earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or amount shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds thereof) have been consummated. As used herein, the term "Limited Condition Transaction" means (x) any acquisition, including by way of merger, amalgamation, consolidation or other business combination or the acquisition of Capital Stock or otherwise, by one or more of the Issuer and its Restricted Subsidiaries of any assets, business or Person or any other Investment permitted by the Indenture whose consummation is not conditioned on the availability of, or on obtaining, third party financing or (y) any redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock requiring irrevocable notice in advance of such redemption, repurchase, defeasance, satisfaction and discharge or prepayment.

(c) Section 3.03 is amended to (i) delete the text "30 days" and insert "10 days" in lieu thereof in the second line of such provision and (ii) add "or a satisfaction and discharge of any Notes of a series" following the word "Indenture" in the eighth line of such provision.

(d) Section 4.09(b) is amended to delete the text "no earlier than 30 days" and insert "no earlier than 10 days" in lieu thereof in the fifth line of such provision.

(e) Section 4.09 is amended to add the following Section 4.09(h):

"(h) If Holders of not less than 90% in aggregate principal amount of the outstanding 2026 Notes validly tender and do not withdraw such 2026 Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described in this Section 4.09, purchases all of the 2026 Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to such Change of Control Offer, to redeem all 2026 Notes that remain outstanding following such purchase at a price in cash equal to 101.0% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of such redemption (subject to the rights of Holders of 2026 Notes on the relevant record date to receive interest on the relevant interest payment date)."

(f) Section 4.10(b)(1) is amended and restated in its entirety as follows:

"(1) (I) Indebtedness under the Existing Secured Notes and one or more Credit Agreements together with the incurrence of the guarantees thereunder and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount

equal to the face amount thereof) and other Indebtedness, up to an aggregate principal amount, not to exceed at any one time outstanding the greater of (A) $2,275 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Issuer of 5.00 to 1.00 (it being understood that for purposes of determining compliance under this clause (1), any Indebtedness incurred under this clause (1) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio) and (II) Revolving Credit Agreement Indebtedness not to exceed at any time outstanding $180.0 million;"

(g) Section 4.10(b)(2) is amended and restated in its entirety as follows:

In the event of any conflict or inconsistency between the grant of security provided in this Section 2.01 and the provisions of any Intellectual Property Security Agreements, the provisions of this Section 2.01 shall control.

Section 2.02. Pledged Collateral. Each Grantor that is a Pledgor hereby grants to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, a security interest in all of the Pledged Collateral of such Pledgor now owned or at any time hereafter acquired by such Pledgor, wherever located and whether now or herafter existing or arising, and any Proceeds thereof, except as provided in Section 2.03.

Notwithstanding anything else contained in this Agreement, in the event that Rule 3-16 of Regulation S-X under the United States Securities Act of 1933 would require (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would require) (such law, rule or regulation, as amended or replaced with another rule or regulation, "**Rule 3-16**") the filing with the SEC of separate financial statements of any Affiliate of the Company due to the fact that a security interest in such Affiliate's Equity Interests has been granted hereunder as security for the payment or performance, as the case may be, of any Additional Secured First Lien Obligations (the "**Rule 3-16 Additional Secured First Lien Obligations**"), then, solely to the extent securing such Rule 3-16 Additional Secured First Lien Obligations, the Lien granted pursuant to this Agreement or any other Security Document in such Equity Interests (the "**Rule 3-16 Excluded Collateral**") shall be deemed not to secure, or to constitute "Collateral" with respect to, such Rule 3-16 Additional Secured First Lien Obligations, in any event solely to the extent necessary and only for so long as required to cause the Company and its Affiliates to not be subject to such requirement. In such event, this Agreement may be amended or modified by the Company and the Collateral Agent, without the consent of any Additional Secured First Lien Party, to the extent necessary to release the Lien granted hereunder in favor of the Collateral Agent on the Rule 3-16 Excluded Collateral solely with respect to the Rule 3-16 Additional Secured First Lien Obligations. In the event that Rule 3-16 is amended, modified or interpreted by the SEC to permit (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would permit) any Rule 3-16 Excluded Collateral to secure the Additional Secured First Lien Obligations in excess of the amount then pledged without the filing with the SEC (or any other Governmental Authority) of separate financial statements for such Affiliate of the Company, then the Equity Interest of such Affiliate will automatically be deemed to be a part of the Collateral for the relevant Additional Secured First Lien Obligations to the extent otherwise required by this Agreement.

Section 2.03. Certain Limited Exceptions. No security interest is or will be granted pursuant to this Agreement or any other First Lien Security Document in any right, title or interest of any Grantor under or in, and "Personal Property Collateral", "Real Property Collateral" and "Pledged Collateral" shall not include, the following (collectively, the "**Excluded Assets**"):

(3) any Vehicles, any assets subject to certificate of title and any aircraft, airframes, aircraft engines, helicopters, vessels or rolling stock or any Equipment or other assets constituting a part thereof;

(4) Foreign Intellectual Property;

(5) Letter-of-Credit Rights and Commercial Tort Claims individually with a value of less than $10,000,000;

(7) margin stock and those assets over which the granting of security interests in such assets would be prohibited by contract, applicable law or regulation or the organizational or joint venture documents of any non-wholly owned Subsidiary (including permitted liens, leases and licenses) (in each case, after giving effect to the applicable anti-assignment provisions of the UCC, other than Proceeds and receivables thereof to the extent that their assignment is expressly deemed effective under the UCC notwithstanding such prohibitions) or to the extent that such security interests would result in material adverse tax consequences (including as a result of the operation of Section 956 of the Code or any similar Law in any applicable jurisdiction) as reasonably determined by the Company and notified in writing to the Administrative Agent (it being understood that neither the Company nor any of its Subsidiaries shall be required to enter into any security agreements or pledge agreements governed by foreign law);

(8) Capital Stock (including for these purposes any investment deemed to be Capital Stock for United States tax purposes) which is described in the proviso to the definition of Pledged Stock;

Secured Agreements provided that, notwithstanding the foregoing, a security interest of the Collateral Agent shall attach to any money, securities or other consideration received by any Grantor as consideration for the sale or other disposition of such property as and to the extent such consideration would otherwise constitute Collateral;

(10) assets to the extent the granting or perfecting of a security interest in such assets would result in costs or other consequences to Holdings or any of its Subsidiaries as reasonably determined by the Company and the Administrative Agent that are excessive in view of the benefits that would be obtained by the Secured First Lien Parties;

(11) any money, cash, checks, other negotiable instruments, funds and other evidence of payment held in any Deposit Account of the Company or any of its Subsidiaries in the nature of a security deposit with respect to obligations for the benefit of the Company or any of its Subsidiaries, which must be held for or returned to the applicable counterparty under applicable law or pursuant to Contractual Obligations;

(12) any asset held for sale or other disposition following an acquisition of any assets, business or Person, that (in the good faith determination of the Company) would not be material to the business or operations of the Company and its Subsidiaries; provided that such asset so held shall be sold or otherwise disposed of within 180 days of the consummation of such acquisition (as may be extended by the Collateral Agent in its reasonable discretion);

(13) any Instruments, Contracts, Chattel Paper, General Intangibles, Goods, Copyright Licenses, Patent Licenses, Trademark Licenses, Trade Secret Licenses or other contracts or agreements with or issued by Persons (other than Holdings), a Subsidiary of Holdings or the Company or an Affiliate of any of the foregoing (collectively, "**Restrictive Agreements**") that would otherwise be included in the Collateral (and such Restrictive Agreements shall not be deemed to constitute a part of the Collateral) for so long as, and to the extent that, the granting of such a security interest pursuant hereto would result in a breach, default or termination of such Restrictive Agreements (in each case, except to the extent that, pursuant to the UCC or other applicable law, the granting of security interests therein can be made without resulting in a breach, default or termination of such Restrictive Agreements);

(14) any Equipment or other property that would otherwise be included in the Collateral (and such Equipment or other property shall not be deemed to constitute a part of the Collateral) if such Equipment or other property (x) is subject to a Lien described in clause (19)(B) or clause (25) of the definition of "Permitted Liens" in the Term Loan Credit Agreement securing Indebtedness incurred pursuant to Section 8.1(b)(iv) of the Term Loan Credit Agreement and any refinancing thereof permitted by Section 8.01(b)(xiii) (or any corresponding provisions of any other Secured First Lien Agreement) or (y) is subject to any Lien described in clause (27)(A) of the definition of "Permitted Liens" (or any corresponding provision of any other First Lien Secured Agreement);

(15) any assets or property of Holdings, other than the Pledged Stock of the Company; and

(16) any Goods in which a security interest is not perfected by filing a financing statement in the applicable Grantor's jurisdiction of organization.

Section 2.04. Security for Secured First Lien Obligations. This Agreement secures, in the case of each Grantor, the payment of all Secured First Lien Obligations of such Grantor (or, in the case of Holdings, of the Company) now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, fees, premiums, penalties, indemnifications, contract causes of action, costs, expenses or otherwise.

Section 2.05. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under the contracts and agreements included in such Grantor's Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured First Lien Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Secured First Lien Agreement, nor shall any Secured First Lien Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 2.06. Delivery and Control of Pledged Collateral. (a) All certificates representing or evidencing the Pledged Stock and all instruments representing or evidencing the Pledged Notes shall be delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent. During the continuation of an Event of Default and subject to Section 2.06(c), the Collateral Agent shall have the right, at any time in its discretion and without notice to any Grantor, to (i) transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Collateral, subject only to the revocable rights specified in Section 2.12(a), (ii) exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations, and (iii) convert Pledged Collateral consisting of Financial Assets credited to any Securities Account to Pledged Collateral consisting of Financial Assets held directly by the Collateral Agent, and to convert Pledged Collateral consisting of Financial Assets held

directly by the Collateral Agent to Pledged Collateral consisting of Financial Assets credited to any Securities Account. For the avoidance of doubt, delivery of a certificate representing or evidencing Capital Stock of a Foreign Subsidiary in excess of such Foreign Subsidiary's Pledged Stock shall confer no right to the Collateral Agent with respect to such excess Capital Stock (including the right to vote such excess Capital Stock), the Collateral Agent shall not have the right to take any action to sell such excess Capital Stock and all rights with respect to such excess Capital Stock shall be retained by the Pledgor. In addition, all representations and warranties in any Secured First Lien Agreement with respect to the security interest in Capital Stock of a Foreign Subsidiary shall be qualified by the fact that no action will be taken under the laws of any jurisdiction other than the United States of America.

(b) During the continuation of an Event of Default and subject to Section 2.06(c), promptly upon the request of the Collateral Agent, with respect to any Pledged Collateral in which any Grantor has any right, title or interest and that constitutes an Uncertificated Security, such Grantor will cause the issuer thereof either (i) to register the Collateral Agent as the registered owner of such Security or (ii) to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such Security originated by the Collateral Agent without further consent of such Grantor, such authenticated record to be in form and substance satisfactory to the Collateral Agent. During the continuation of an Event of Default and subject to Section 2.06(c), with respect to any Pledged Collateral in which any Grantor has any right, title or interest and that is not an Uncertificated Security, promptly upon the request of the Collateral Agent, such Grantor will notify each such issuer of Pledged Stock that such Pledged Stock is subject to the security interest granted hereunder.

(c) Nothing in Section 2.06(a) or Section 2.06(b) shall be construed to require any Grantor to enter into any control agreement with respect to any Deposit Account or Securities Account.

Section 2.07. Maintaining Electronic Chattel Paper, Transferable Records and Letter-of-Credit Rights and Giving Notice of Commercial Tort Claims. So long as the Discharge of each of the Secured First Lien Obligations has not occurred:

A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law. Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements, continuation statements or amendments filed prior to the date hereof.

(c) Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed and/or recorded all financing statements, instruments and documents and take all such actions to perfect the security interests and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the security interests and the filing of any financing statements (including fixture filings) or other documents in connection herewith, all in accordance with the terms hereof and the Secured First Lien Agreements.

(g) Each Grantor agrees that in connection with any Additional Secured First Lien Obligations, if Collateral Agent determines in its reasonable discretion that modification of the Mortgages or, alternatively, replacements of the Mortgages encumbering the Real Estate Collateral pursuant to the First Lien Security Documents (such modifications or replacements, collectively, the "**Mortgage Modifications**"), is necessary or desirable to create or continue the Lien on the Real Estate Collateral following the issuance of such Additional Secured First Lien Obligations, then such Grantor shall deliver the Mortgage Modifications covering the Real Estate Collateral duly executed by such Grantor as of the closing date under the applicable Additional First Lien Secured Agreement. If reasonably requested by the Collateral Agent, the applicable Grantor shall also provide Collateral Agent in connection with the Mortgage Modifications, with endorsements to the lender's title insurance policies or if endorsements are not available new lender's pro-forma title insurance policies and local law enforceability opinions with respect to the enforceability of the Mortgage Modifications, in each case in form and substance reasonably satisfactory to Collateral Agent, and such other evidence that all other actions that the Collateral Agent may reasonably deem necessary in order to continue the Liens on the Real Estate Collateral described in the Mortgages has been taken.

Section 2.10. Post-Closing Changes; Bailees; Collections on Covered Agreements and Accounts. (a) Each Grantor will give prompt written notice to the Collateral Agent of any change in its name, type of organization, jurisdiction of organization, from those set forth in Section 2.08(a) of this Agreement, provided that such written notice shall be given no later than the earlier of (x) 10 Business Days after such change and (y) 10 days prior to the date on which the perfection of the Liens under this Agreement would (absent additional filings or other actions) lapse, in whole or in part, by reason of such change, and will take all action reasonably required by the Collateral Agent for the purpose of perfecting or protecting the security interest granted by this Agreement.

(b) During the continuation of an Event of Default, if any Collateral of any Grantor is at any time in the possession or control of a warehouseman, bailee or agent, upon the request of the Collateral Agent such Grantor will (i) notify such warehouseman, bailee or agent of the security interest created hereunder and (ii) instruct such warehouseman, bailee or agent to hold all such Collateral solely for the Collateral Agent's account subject only to the Collateral Agent's instructions.

(c) Except as otherwise provided in this subsection (c), each Grantor will continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, at the Collateral Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or the Collateral Agent) may deem necessary or advisable to enforce collection thereof; *provided* that the Collateral Agent shall have the right, at any time upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the obligors under any Accounts of the assignment of such Accounts to the Collateral Agent and to direct such obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Collateral Agent referred to in the proviso to the preceding sentence, all amounts and Proceeds (including, without limitation, instruments) received by such Grantor in respect of the Accounts of such Grantor shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Secured First Lien Agreements so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 3.02.

Section 2.11. As to Intellectual Property Collateral. (a) Except to the extent failure to act could not reasonably be expected to have a Material Adverse Effect, or except as permitted by each Secured First Lien Agreement, with respect to the registration or pending application of each item of its Patents, Trademarks or Copyrights for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, commercially reasonable steps, including, without limitation, in the U.S. Patent and Trademark Office and the U.S. Copyright Office, to (i) maintain the validity and enforceability of any of its registered Patents, Trademarks or Copyrights and maintain such Patents, Trademarks or Copyrights in full force and effect, and (ii) pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office or the U.S. Copyright Office, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(b) Except as could not be reasonably expected to have a Material Adverse Effect, or except as permitted by each Secured First Lien Agreement, no Grantor shall do or knowingly permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, or except as permitted by each Secured First Lien Agreement, each Grantor shall take commercially reasonable steps which it (or the Collateral Agent during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of its Trademarks, consistent with the quality of the products and services as of the date hereof, and taking commercially reasonable steps necessary to ensure that the licensed users of any of its Trademarks abide by the applicable license's terms with respect to the standards of quality.

(d) Each Grantor agrees that, should it obtain an ownership interest in any Intellectual Property Collateral after the date hereof ("**After-Acquired Intellectual Property**") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto.

(e) Each Grantor shall, not more than 95 days following the last day of every fiscal year of the Company, sign and deliver to the Collateral Agent an appropriate Intellectual Property Security Agreement with respect to all Material Recordable Intellectual Property owned by it, except for immaterial omissions, as of the last day of the most recently ended fiscal year, to the extent that such Material Recordable Intellectual Property is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it. In each case, it will promptly cooperate as necessary to enable the Collateral Agent to make any necessary or reasonably desirable recordations with the U.S. Copyright Office or the U.S. Patent and Trademark Office, as applicable.

Section 2.12. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing:

(i) Each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Pledged Collateral of such Grantor or any part thereof for any purpose.

(ii) Each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Pledged Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Secured First Lien Agreements; *provided* that any and all non-cash dividends, interest and other distributions paid or payable in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Collateral, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Pledged Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Grantor and be forthwith delivered to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

(iii) The Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 2.12(a)(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 2.12(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Pledged Collateral such dividends, interest and other distributions.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 2.12(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

ARTICLE 3
REMEDIES AND APPLICATION OF PROCEEDS

Section 3.01. Remedies. Subject to Section 4.02, if any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, but subject to pre-existing rights and permitted licenses, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Covered Agreements, the Accounts and the other

Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Deposit Accounts and (C) exercise all other rights and remedies with respect to the Covered Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. The Collateral Agent shall give the applicable Grantors at least ten (10) Business Days' written notice of the time and place of any public sale or the time after which any private sale is to be made and each Grantor agrees that such notice shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any Grantor under or in connection with any Covered Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary endorsement).

(c) During the continuation of an Event of Default, the Collateral Agent may, without notice to any Grantor except as required by law, charge, set off and otherwise apply all or any part of the Secured First Lien Obligations against any funds held with respect to any Deposit Account.

(d) If the Collateral Agent shall determine to exercise its right to sell all or any of the Pledged Collateral of any Grantor pursuant to this Section 3.01, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Pledged Collateral or any part thereof valid and binding and in compliance with applicable law.

(e) The Collateral Agent is authorized, in connection with any sale of the Pledged Collateral pursuant to this Section 3.01, to deliver or otherwise disclose to any prospective purchaser of the Pledged Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Pledged Collateral.

(f) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured First Lien Parties by reason of the failure by such Grantor to perform any of the covenants contained in subsection (d) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Pledged Collateral on the date the Collateral Agent shall demand compliance with subsection (d) above.

Section 3.02. Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral of a Grantor, including any Collateral consisting of cash, in the following order of priority:

first, to the payment of all amounts owing to the Collateral Agent (in its capacity as such) pursuant to this Agreement or the terms of any First Lien Security Document or Secured First Lien Agreements; and

second, to the payment in full of the Secured First Lien Obligation of each Series on a ratable basis in accordance with the applicable amounts thereof, to be applied by the applicable Authorized Representative in accordance with the terms of the applicable Secured First Lien Agreement;

provided that (i) in no event shall the proceeds of any collection or sale of Rule 3-16 Excluded Collateral (the "**Rule 3-16 Proceeds**") be applied to the payment of any Rule 3-16 Additional Secured First Lien Obligations and (ii) the Secured First Lien Obligations of any Series shall not be reduced by the amount of Rule 3-16 Proceeds for the purpose of determining its ratable share of the proceeds of any collection or sale of Collateral.

ARTICLE 4
INTERCREDITOR MATTERS

Section 4.01. Priority of Claims.

(a) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Secured First Lien Obligations granted on the Collateral and notwithstanding any provision of the UCC, or any other applicable law or the Secured First Lien Agreements or any defect or deficiencies in the Liens securing the Secured First Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 4.01(b), and subject, in the case of Rule 3-16 Collateral, to the last paragraph of Section 2.02), each Secured First Lien Party hereby agrees that the Liens securing each Series of Secured First Lien Obligations on any Collateral shall be of equal priority.

(b) It is acknowledged that the Secured First Lien Obligations of any Series may, subject to the limitations set forth in the then extant Secured First Lien Agreements, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 4.01(a) above or Section 3.02 or the provisions of this Agreement defining the relative rights of the Secured First Lien Parties of any Series.

Section 4.02. Actions with Respect to Collateral.

(a) The Secured First Lien Parties, through their Authorized Representatives and as a condition of accepting the benefits of the security interests granted herein, agree that (i) only the Collateral Agent shall act or refrain from acting with respect to the Collateral, and then only on the instructions of the Applicable Authorized Representative, (ii) the Collateral Agent shall not follow any instructions with respect to such Collateral from any Non-Controlling Authorized Representative (or any other Secured First Lien Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other Secured First Lien Party (other than the Applicable Authorized Representative) shall or shall instruct the Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Collateral, whether under any First Lien Security Document, applicable law or otherwise, it being agreed that only the Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable First Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Collateral. Notwithstanding the equal priority of the Liens, the Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured First Lien Party will contest, protest or object to any foreclosure proceeding or action brought by the Collateral Agent, Applicable Authorized Representative or Controlling Secured First Lien Party or any other exercise by the Collateral Agent, Applicable Authorized Representative or Controlling Secured First Lien Party of any rights and remedies relating to the Collateral, or to cause the Collateral Agent to do so.

(b) Each of the Authorized Representatives agrees that it will not accept any Lien on any Collateral for the benefit of any Series of Secured First Lien Obligations (other than funds deposited for the discharge or defeasance of any Secured First Lien Agreement and funds deposited to cash collateralize letters of credit) other than pursuant to the First Lien Security Documents, and upon executing this Agreement or an Additional Secured First Lien Party Consent, each Authorized Representative and the Series of Secured First Lien Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First Lien Security Documents applicable to it.

(c) Each of the Secured First Lien Parties agrees that (i) it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any proceeding under any Debtor Relief Law), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Secured First Lien Parties in all or any part of the Collateral, or the provisions of this Agreement; *provided* that

nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any Authorized Representative to enforce this Agreement and that (ii) if, notwithstanding clause (i), such Secured First Lien Party shall obtain possession of any Collateral or shall realize any proceeds or payment in respect of any such Collateral, pursuant to any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any proceeding under any Debtor Relief Law or through any other exercise of remedies at any time prior to the Discharge of each of the Secured First Lien Obligations, then it shall hold such Collateral, proceeds or payment in trust for the other Secured First Lien Parties and promptly transfer such Collateral, proceeds or payment, as the case may be, to the Collateral Agent, to be distributed in accordance with the provisions of Section 3.02 hereof.

Section 4.03. Reinstatement. In the event that any of the Secured First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under any Debtor Relief Law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto until all such Secured First Lien Obligations shall again have been paid in full in cash.

Section 4.04. Insurance. As between the Secured First Lien Parties, the Collateral Agent, acting at the direction of the Applicable Authorized Representative, shall have the right to adjust or settle any insurance policy or claim covering or constituting Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Collateral.

Section 4.05. Refinancings. The Secured First Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the refinancing transaction under any Secured First Lien Agreements) of any Secured First Lien Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof.

Section 4.06. Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Collateral Agent agrees to hold any Collateral constituting Possessory Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Secured First Lien Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 4.06. Pending delivery to the Collateral Agent, each other Authorized Representative agrees to hold any Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Secured First Lien Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 4.06.

(b) The duties or responsibilities of the Collateral Agent and each other Authorized Representative under this Section 4.06 shall be limited solely to holding any Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Secured First Lien Party for purposes of perfecting the Lien held by such Secured First Lien Parties therein.

Section 4.07. Existence and Amount of Liens and Obligations. Whenever the Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Secured First Lien Obligations of any Series, or the Collateral subject to any Lien securing the Secured First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination on the basis of the information so furnished; *provided* that if an Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Secured First Lien Party or any other person as a result of such determination.

Section 4.08. Provisions Solely to Define Relative Rights. The provisions of this Article 4 are and are intended solely for the purpose of defining the relative rights of the Secured First Lien Parties in relation to one another. None of the Company, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement. Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Secured First Lien Obligations as and when the same shall become due and payable in accordance with their terms.

Section 4.09. Acknowledgement. As of the Effective Date, the Applicable Authorized Representative shall be the Revolving Authorized Representative.

ARTICLE 5
COLLATERAL AGENT

Section 5.01. Appointment and Authority.

(a) Each Authorized Representative on behalf of itself and of the Secured First Lien Parties represented by it hereby appoints Credit Suisse AG to act on its behalf as the Collateral Agent hereunder and under each of the other First Lien Security Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the Secured First Lien Obligations, together with such powers and discretion as are reasonably incidental thereto. The Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 5.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the First Lien Security Documents, or for exercising any rights and remedies thereunder at the direction of the Applicable Authorized Representative, shall be entitled to the benefits of all provisions of this Article 5 (as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" or "Administrative Agent" under the First Lien Security Documents) as if set forth in full herein with respect thereto.

(b) Each Non-Controlling Secured First Lien Party acknowledges and agrees that the Collateral Agent shall be entitled, for the benefit of the Secured First Lien Parties, to sell, transfer or otherwise dispose of or deal with any Collateral as provided herein and in the First Lien Security Documents, without regard to any rights to which the holders of the Secured First Lien Obligations of the applicable Series would otherwise be entitled as a result of such Secured First Lien Obligations. Without limiting the foregoing, each Non-Controlling Secured First Lien Party agrees that none of the Collateral Agent, the Applicable Authorized Representative or any other Secured First Lien Party shall have any duty or obligation first to marshal or realize upon any type of Collateral (or any other Collateral securing any of the Secured First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Collateral (or any other Collateral securing any Secured First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured First Lien Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured First Lien Parties from such realization, sale, disposition or liquidation.

(c) Each of the Secured First Lien Parties waives any claim it may now or hereafter have against the Collateral Agent or the Authorized Representative of any other Series of Secured First Lien Obligations or any other Secured First Lien Party of any other Series arising out of any actions which the Collateral Agent, any Authorized Representative or any Secured First Lien Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Secured First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the Secured First Lien Obligations or the valuation, use, protection or release of any security for the Secured First Lien Obligations.

Section 5.02. Rights as a Secured First Lien Party. The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured First Lien Party under any Series of Secured First Lien Obligations that it holds as any other Secured First Lien Party of such Series and may exercise the same as though it were not the Collateral Agent and the term "Secured First Lien Party" or "Secured First Lien Parties" or (as applicable) "Indenture Secured Party", "Indenture Secured Parties", "Term Loan Secured Party", "Term Loan Secured Parties", "Revolving Secured Party", "Revolving Secured Parties", "Additional Secured First Lien Party" or "Additional Secured First Lien Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to any other Secured First Lien Party.

Section 5.03. Exculpatory Provisions.

(a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other First Lien Security Documents. Without limiting the generality of the foregoing, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other First Lien Security Documents that the Collateral Agent is required to exercise as directed in writing by the Applicable Authorized Representative; *provided* that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any First Lien Security Document or applicable law;

(iii) shall not, except as expressly set forth herein and in the other First Lien Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Applicable Authorized Representative, (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company stating that such action is permitted by the terms of this Agreement. The Collateral Agent shall be deemed not to have knowledge of any Event of Default under any Series of Secured First Lien Obligations unless and until notice describing such Event of Default is given to the Collateral Agent by the Authorized Representative of such Secured First Lien Obligations or the Company; and

(v) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other First Lien Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any event or condition that constitutes an Event of Default, or that, with the giving of any notice, the passage of time, or both, would be an Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First Lien Security Documents, (v) the value or the sufficiency of any Collateral for any Series of Secured First Lien Obligations, or (vi) the satisfaction of any condition set forth in any Secured First Lien Agreement, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent.

Section 5.04. Reliance by Collateral Agent. The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 5.05. Delegation of Duties. The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other First Lien Security Document by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent.

Section 5.06. Resignation and Removal of Collateral Agent. Subject to the appointment of a successor as and to the extent set forth herein, (i) the Applicable Authorized Representative may by notice to the Collateral Agent, each other Authorized Representative and the Company and upon obtaining the prior consent of the Term Loan Authorized Representative, the Revolving Authorized Representative and each other Authorized Representative of a Series of Secured First Lien Obligations consisting of term or revolving credit facilities remove the Collateral Agent and (ii) the Collateral Agent may at any time give notice of its resignation as Collateral Agent under this Agreement and the other First Lien Security Documents to each Authorized Representative and the Company. Upon receipt of any such notice of removal or resignation, the Applicable Authorized Representative shall have the right, upon obtaining the written consent of the Company (which consent shall not be unreasonably withheld), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Applicable Authorized Representative and shall have accepted such appointment within 30 days after such notice of removal or after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the Secured First Lien Parties, appoint a successor Collateral Agent meeting the qualifications set forth above; *provided* that if the Collateral Agent shall notify the Company and each Authorized Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Collateral Agent shall be discharged from its duties and obligations hereunder and under the other First Lien Security Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Secured First Lien Parties under any of the First Lien Security Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the perfection of the security interests of the Secured First Lien Parties therein until such time as a successor Collateral Agent is appointed but with no obligation to take any further action at the request of the Applicable Authorized Representative or any other Secured First Lien Parties) and (b) all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by or to each Authorized Representative directly, until such time as the Applicable Authorized Representative appoints a successor Collateral Agent as provided for above in this Section 5.06. Upon the acceptance of a successor's appointment as Collateral Agent hereunder and under the First Lien Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other First Lien Security Documents (if not already discharged therefrom as

provided above in this Section 5.06). After the retiring Collateral Agent's removal or resignation hereunder and under the other First Lien Security Documents, the provisions of this Article shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of removal or resignation of the Collateral Agent hereunder and under the other First Lien Security Documents, the Company agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the First Lien Security Documents to the successor Collateral Agent.

Section 5.07. Non-Reliance on Collateral Agent and Other Secured First Lien Parties. Each Secured First Lien Party acknowledges that it has, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other Secured First Lien Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured First Lien Agreements to which it is a party. Each Secured First Lien Party also acknowledges that it will, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other Secured First Lien Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Secured First Lien Agreements or any related agreement or any document furnished hereunder or thereunder.

Section 5.08. Collateral and Guaranty Matters. Each of the Secured First Lien Parties irrevocably authorizes the Collateral Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Collateral Agent under any First Lien Security Document in accordance with Section 6.05 or upon receipt of a written request from the Company stating that the releases of such Lien is permitted by the terms of each then extant Secured First Lien Agreement;

(b) to release or subordinate any Grantor from its obligations under the First Lien Security Documents upon receipt of a written request from the Company stating that such release is permitted by the terms of each then extant Secured First Lien Agreement.

MISCELLANEOUS

Section 6.01. Indemnity and Expenses. (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured First Lien Party and each of their Affiliates and their respective officers, directors, employees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims,

damages, losses, liabilities and expenses (including, without limitation, reasonable and documented fees and expenses of counsel (which shall be limited to one (1) counsel to the Collateral Agent and the Secured First Lien Parties in addition to one local counsel per relevant jurisdiction, and in the case of a conflict of interest, one additional counsel per relevant jurisdiction for all similarly situated persons) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense has resulted from such Indemnified Party's gross negligence or willful misconduct or breach of this Agreement by the Secured First Lien Party.

(b) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable out-of-pocket expenses, including, without limitation, the reasonable and documented fees and expenses of its counsel and of any experts and agents, that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured First Lien Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 6.02. Amendments; Waivers; Additional Grantors; Etc. (a) No amendment or waiver of any provision of this Agreement (other than pursuant to any Additional Secured First Lien Party Consent and as contemplated in the last paragraph of Section 2.02 or in Section 6.11), and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by each Grantor to which such amendment, waiver, or consent is to apply, by the Collateral Agent and by each Authorized Representative of any Series of Secured First Lien Obligations (with the consent of the requisite number of debt holders or Secured First Lien Parties specified in the applicable Secured First Lien Agreement, if any), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured First Lien Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The Collateral Agent and the Applicable Authorized Representative may amend this Agreement to cure any ambiguity, mistake, omission, default or inconsistency or to correct administrative or manifest errors or omissions or inconsistencies, or to effect administrative changes or to effect administrative changes that are not directly adverse to any Secured First Lien Party or in connection with the incurrence of Additional Secured First Obligations or Junior Lien Obligations. Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to this Agreement.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "**Security Agreement Supplement**"), (i) such Person shall be referred to as an "**Additional Grantor**" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other First Lien Security Documents and Secured First Lien Agreements to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other First Lien Security Documents or Secured First Lien Agreements to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental Schedules I through V attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through V, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

(c) Each Secured First Lien Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document, so long as the Collateral Agent (i) receives a certificate of the Company stating that such amendment is permitted by the terms of each then extant Secured First Lien Agreement or (ii) subject to Section 6.02(a), is directed to enter into such an amendment by the Applicable Authorized Representative or each Authorized Representative of any Series of Secured First Lien Obligations (as applicable). Additionally, each Secured First Lien Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document solely as such First Lien Security Document relates to a particular Series of Secured First Lien Obligations so long as (x) such amendment is in accordance with the Secured First Lien Agreements pursuant to which such Series of Secured First Lien Obligations was incurred and (y) such amendment does not adversely affect the Secured First Lien Parties of any other Series.

(d) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Collateral Agent to evidence and confirm any release of Collateral or amendment to any First Lien Security Document provided for in this Section or Section 6.05.

Section 6.03. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including by any means of electronic transmission) and mailed, e-mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the Company at the Company's address specified in Section 10.01 of the Revolving Credit Agreement, if to the Collateral Agent, the address

specified in Annex C hereto, if to the Revolving Authorized Representative, the address specified in Section 10.01 of the Revolving Credit Agreement, if to the Indenture Authorized Representative, the address specified in 11.02 of the Indenture, if to the Term Loan Authorized Representative, the address specified in Section 11.2 of the Term Loan Credit Agreement and if to any holder of obligations under any Additional First Lien Secured Agreement, to such holder's Authorized Representative at its address set forth in the Additional Secured First Lien Party Consent, as such address may be changed by written notice to the Collateral Agent and the Company. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.01 of the Revolving Credit Agreement, Section 11.2 of the Term Loan Credit Agreement, Section 12.02 of the Indenture or the Additional First Lien Secured Agreement, as applicable. Delivery by telecopier or any other means of electronic transmission of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 6.04. Continuing Security Interest; Assignments Under the Secured First Lien Agreements. This Agreement shall create a continuing security interest in the Personal Property Collateral and Pledged Collateral and shall (a) remain in full force and effect until the Discharge of each of the Secured First Lien Obligations, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured First Lien Parties and their permitted respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Secured First Lien Party may assign or otherwise transfer all or any portion of its rights and obligations under the applicable Secured First Lien Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured First Lien Party herein or otherwise, in each case as provided in the applicable Secured First Lien Agreements.

Section 6.05. Release; Termination.

(a) The Collateral Agent acting on the instructions of the Applicable Authorized Representative shall have the right to release Liens on the Collateral (other than releases of all or substantially all of the Collateral). In addition, the Lien granted hereby in any Collateral (but not any Proceeds thereof) shall automatically be released:

(i) to enable the disposition of such property or assets to any Person (other than the Company or a Grantor) to the extent not prohibited under the Secured First Lien Agreements;

(ii) in the case of Collateral of a Grantor other than Holdings and the Company, (w) as it relates to the Term Loan Obligations, upon the release of the Guarantee of the Term Loan Obligations by such Grantor in accordance with the terms thereof, (x) as it relates to the Indenture Obligations, upon the release of the Guarantee of the Indenture Obligations by such Grantor in accordance with the terms thereof, (y) as it relates to the Revolving Obligations, upon the release of the Guarantee of the Revolving Obligations by such Grantor in accordance with the terms thereof; and (z) as it relates to any Additional Secured First Lien Obligations, upon the release of the Guarantee of such Additional Secured First Lien Obligations by such Grantor in accordance with the terms thereof;

(iii) in the case of Collateral that is Equity Interests, upon the dissolution or liquidation of the issuer of that Equity Interest that is not prohibited by the Secured First Lien Documents;

(iv) as it relates to the Indenture Obligations, if the Notes (as defined in the Indenture) have Investment Grade Ratings (as defined in the Indenture) from both Rating Agencies (as defined in the Indenture) and the Company, as the issuer under the Indenture or any successor in interest thereto has delivered a notice of such Investment Grade Ratings to the Trustee and the Collateral Agent and no Default (as defined in the Indenture) has occurred and is continuing under the Indenture;

(v) (w) as it relates to the Term Loan Obligations, upon the Discharge of the Term Loan Obligations, (x) as it relates to the Indenture Obligations, upon the Discharge of the Indenture Obligations, (y) as it relates to the Revolving Obligations, upon the Discharge of the Revolving Obligations; and (z) as it relates to any Additional Secured First Lien Obligations, upon the Discharge of such Additional Secured First Lien Obligations;

(vi) as it relates to the Indenture Obligations, upon the Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Indenture (in each case as defined in the Indenture); and

(vii) as it relates to any Secured First Lien Obligations, such other circumstances contemplated in the relevant Secured First Lien Agreement.

(b) The Collateral Agent will, at such Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence any release of the Lien created under this Agreement on any Collateral pursuant to this Section 6.05; *provided* that such Grantor shall have delivered to the Collateral Agent a written request therefor and a certificate of such Grantor to the effect that the transaction is in compliance with the First Lien Security Documents and any Secured First Lien Agreements and as to such other matters as the Collateral Agent may reasonably request. The Collateral Agent shall be authorized to rely on any such certificate without independent investigation.

Section 6.06. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or any other means of electronic transmission shall be effective as delivery of an original executed counterpart of this Agreement.

Section 6.07. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of Fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 6.08. Governing Law; Jurisdiction; Waiver of Jury Trial, Etc. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER FIRST LIEN SECURITY DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH GRANTOR CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH GRANTOR IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY FIRST LIEN SECURITY DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) EACH GRANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE FIRST LIEN SECURED AGREEMENTS OR THE TRANSACTIONS RELATED THERETO.

Section 6.09. Severability. If any provision of any First Lien Security Document is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of the First Lien Security Documents shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Collateral Agent and the Secured First Lien Parties in order to carry out the intentions of the parties thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.

Section 6.10. Additional Secured First Lien Obligations. On or after the date hereof and so long as not prohibited by any Secured First Lien Agreement then outstanding, the Company may from time to time designate indebtedness at the time of incurrence to be secured as Additional Secured First Lien Obligations on the terms and conditions set forth in this Agreement by delivering to the Collateral Agent and each Authorized Representative (a) a certificate signed by a Responsible Officer (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Additional Secured First Lien Obligations for the purposes hereof, (iii) representing that the incurrence of such obligation and the designation of such obligations as Additional Secured First Lien Obligations complies with the terms of the Secured First Lien Secured Documents then in effect and any Additional First Lien Secured Agreements, and (iv) specifying the name and address of the Authorized Representative for such obligations and (b) a fully executed Additional Secured First Lien Party Consent. Each Authorized Representative agrees that upon the satisfaction of all conditions set forth in the preceding sentence, the Collateral Agent shall act as collateral agent under and subject to the terms of the First Lien Security Documents for the benefit of all Secured First Lien Parties, including without limitation, any Secured First Lien Parties that hold any such Additional Secured First Lien Obligations, and each Authorized Representative agrees to the appointment, and acceptance of the appointment, of the Collateral Agent as collateral agent for the holders of such Additional Secured First Lien Obligations as set forth in each Additional Secured First Lien Party Consent and agrees, on behalf of itself and each Secured First Lien Party it represents, to be bound by this Agreement.

Section 6.11. Additional Junior Lien Obligations. So long as permitted by the Secured First Lien Documents then in effect, the Company may from time to time designate Indebtedness and other obligations at the time of incurrence to be secured on a junior priority basis to the Secured First Lien Obligations then outstanding (such Indebtedness and other obligations, the "**Junior Lien Obligations**"). Upon such designation, the Applicable Authorized Representative shall direct the Collateral Agent to (x) enter into an intercreditor agreement with the holders of such Junior Lien Obligations (or a trustee or other authorized representative thereof), substantially in the form attached as Annex B or such other form as the parties may reasonably agree, (y) execute and deliver amendments, waivers, supplements or other modifications to any First Lien

Security Documents (including but not limited to any Mortgages and UCC fixture filings), and (z) make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Company to be necessary or reasonably desirable for any Lien on the assets of any Grantor permitted to secure such Junior Lien Obligations to become a valid, perfected lien.

Section 6.12. Replacement of Authorized Representatives. The Company may replace the Authorized Representative for any Series of Secured First Lien Obligations by delivering to the Collateral Agent (a) a certificate from a Responsible Officer representing that the appointment of the replacement Authorized Representative is in accordance with the requirements of the Secured First Lien Agreements for such Series of Secured First Lien Obligations and (b) an Additional Secured First Lien Party Consent duly executed by the replacement Authorized Representative. Such replacement Authorized Representative shall become the sole Authorized Representative for the applicable Series of Secured First Lien Obligations with effect from the date of delivery of the foregoing documents.

Section 6.13. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured First Lien Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

Section 6.14. Survival. This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under any Debtor Relief Law by or against the Company or any of its Subsidiaries.

Section 6.15. Transfer Tax Acknowledgement. Each party hereto acknowledges that the shares delivered hereunder are being transferred to and deposited with the Collateral Agent (or other Person in accordance with any applicable Intercreditor Agreement) as security for the Secured First Lien Obligations and that this Section 6.15 is intended to be the certificate of exemption from New York stock transfer taxes for the purposes of complying with Section 270.5(b) of the Tax Law of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this SECURITY AGREEMENT to be duly executed as of the date first above written.

EXECUTION VERSION

COPYRIGHT SECURITY AGREEMENT

This Copyright Security Agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"), dated as of November 1, 2012, is made by the Persons listed on the signature pages hereof (collectively, the "**Grantors**") in favor of Credit Suisse AG, as collateral agent (the "**Collateral Agent**") for the Secured First Lien Parties (as defined in the Security Agreement referred to below).

WHEREAS, WMG Acquisition Corp., a Delaware corporation, has entered into a Security Agreement, dated as of November 1, 2012, made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**General Security Agreement**"). Capitalized terms not otherwise defined herein have the meanings set forth in the General Security Agreement.

WHEREAS, under the terms of the General Security Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, a security interest in, among other property, certain Copyrights (as defined below) of the Grantors, and have agreed as a condition thereof to execute this Security Agreement for recording with the U.S. Copyright Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. *Grant of Security*. Each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, a security interest in such Grantor's right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Copyright Collateral**"), whether now owned or existing or hereafter acquired or arising:

(i) each copyright, whether registered or unregistered ("**Copyrights**") owned by the Grantor, including, without limitation, copyrights in (A) all recordings of sound, whether or not coupled with a visual image, by any method or format and on any substance or material, whether now or hereafter known, which is used in the recording, production and/or manufacture of records or for any other exploitation of sound ("**Recorded Music Copyrights**") and (B) all music compositions consisting of words and music, or any dramatic material and bridging passages, whether in form of instrumental and/or vocal music, prose or otherwise, irrespective of length ("**Publishing Copyrights**"), including, without limitation, each Copyright registration referred to in Schedule 1 hereto;

(ii) each exclusive written Copyright license to which the Grantor is a party, including, without limitation, each exclusive Copyright license referred to in Schedule 1 hereto;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) any and all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and Supporting Obligations relating to, any and all of the foregoing.

SECTION 2. *Security for Secured First Lien Obligations*. The grant of continuing security interest in the Copyright Collateral by each Grantor under this Security Agreement secures the payment of all Secured First Lien Obligations of such Grantor, now or hereafter existing under or in respect of the Secured First Lien Agreements, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. *Recordation*. Each Grantor authorizes and requests that the Register of Copyrights record this Security Agreement.

SECTION 4. *Execution in Counterparts*. This Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. *Grants, Rights and Remedies*. This Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the U.S. Copyright Office. The security interest granted hereby has been granted to the Collateral Agent in connection with the General Security Agreement and is expressly subject to the terms and conditions thereof and does not create any additional rights or obligations for any party hereto. The General Security Agreement (and all rights and remedies of the Collateral Agent thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 6. *Governing Law*. This Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be duly executed, all as of the date first written.

PATENT SECURITY AGREEMENT

This Patent Security Agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement"),** dated as of November 1, 2012, is made by the Persons listed on the signature pages hereof (collectively, the "**Grantors**") in favor of Credit Suisse AG, as collateral agent (the "**Collateral Agent")** for the Secured First Lien Parties (as defined in the Security Agreement referred to below).

WHEREAS, WMG Acquisition Corp., a Delaware corporation, has entered into a Security Agreement, dated as of November 1, 2012, made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**General Security Agreement")**. Capitalized terms not otherwise defined herein have the meanings set forth in the General Security Agreement.

WHEREAS, under the terms of the General Security Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, a security interest in, among other property, certain Patents (as defined below) of the Grantors, and have agreed as a condition thereof to execute this Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

Section 1. *Grant of Security.* Each Grantor hereby confirms the grant to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, of a security interest in such Grantor's right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Patent Collateral"),** whether now owned or existing or hereafter acquired or arising:

(i) each patent, patent application, utility model and statutory invention registration, all inventions claimed or disclosed therein and all improvements thereto ("**Patents**") owned by the Grantor, including, without limitation, each Patent referred to in Schedule 1 hereto;

(ii) applications for any Patent together with all reissues, divisions, continuations, continuations-in-part, extensions and reexaminations thereof;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) any and all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and Supporting Obligations relating to, any and all of the foregoing.

Section 2. *Security for Secured First Lien Obligations.* The confirmation of the grant of continuing security interest in the Patent Collateral by each Grantor under this Security Agreement secures the payment of all Secured First Lien Obligations of such Grantor, now or hereafter existing under or in respect of the Secured First Lien Agreements, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

Section 3. *Recordation.* Each Grantor authorizes and requests that the Commissioner for Patents record this Security Agreement.

Section 4. *Execution in Counterparts.* This Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 5. *Grants, Rights and Remedies*. This Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest with the U.S. Patent and Trademark Office. The security interest confirmed hereby has been granted to the Collateral Agent in connection with the General Security Agreement and is expressly subject to the terms and conditions thereof and does not create any additional rights or obligations for any party hereto. The General Security Agreement (and all rights and remedies of the Collateral Agent thereunder) shall remain in full force and effect in accordance with its terms.

Section 6. *Governing Law.* This Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be duly executed, all as of the date first written.

WHEREAS, WMG Acquisition Corp., a Delaware corporation, has entered into a Security Agreement, dated as of November 1, 2012, made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**General Security Agreement**"). NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. *Grant of Security.* Each Grantor hereby confirms the grant to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, of a security interest in such Grantor's right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter acquired or arising:

(i) all trademarks, service marks, domain names, trade dress, logos, slogans, trade names, and other source identifiers, whether registered or unregistered, owned by the Grantor, (provided that no security interest shall be granted in United States intent-to-use trademark applications or service mark applications filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed and accepted), including, without limitation, each Trademark registration and application therefor, referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) all registrations and applications for registration for any Trademark, together with all renewals thereof;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and Supporting Obligations relating to, any and all of the foregoing.

SECTION 2. *Security for Secured First Lien Obligations.* The confirmation of the grant of continuing security interest in the Trademark Collateral by each Grantor under this Security Agreement secures the payment of all Secured First Lien Obligations of such Grantor, now or hereafter existing under or in respect of the Secured First Lien Agreements, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. *Recordation.* Each Grantor authorizes and requests that the Commissioner for Trademarks record this Security Agreement.

SECTION 4. *Execution in Counterparts.* This Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

In the event that such Person or any Restricted Subsidiary thereof incurs, issues, assumes, enters into any guarantee of, redeems, repays, retires or extinguishes any Indebtedness or issues or repays Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or concurrently with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the date of such event, the "Calculation Date"), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness, or such issuance or repayment of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above with respect to any specified Person, if any Specified Transaction has been made by such specified Person or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, the Fixed Charge Coverage Ratio shall be calculated on a pro forma basis assuming that all such Specified Transactions (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of such specified Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as such specified Person may designate.

2.5 Repayment of Loans. (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent (in the currency in which such Term Loan is denominated) for the account of each Lender the then unpaid principal amount of each Initial Term Loan of such Lender made to the Borrower, on the Maturity Date (or such earlier date on which the Initial Term Loans become due and payable pursuant to Section 9). The Borrower hereby further agrees to pay interest on the unpaid principal amount of such Initial Term Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 4.1.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain the Register pursuant to Section 11.6(b), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each applicable Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each applicable Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.5(c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Incremental Facilities. (a) So long as no Event of Default under Section 9.1 (a) or (f) exists or would arise therefrom (provided that, to the extent the proceeds of Term Loans made pursuant to any Incremental Commitment will be used to consummate a Limited Condition Acquisition, the requirement that there be no Event of Default under Section 9.1(a) or (f) shall only be required to be satisfied on the date on which definitive agreements with respect to such Limited Condition Acquisition are entered into), the Borrower shall have the right, at any time and from time to time after the Closing Date, (i) to request new term loan commitments under one or more new term loan credit facilities to be included in this Agreement (the "Incremental Term Loan Commitments") and (ii) to increase the Existing Term Loans by

requesting new term loan commitments to be added to an Existing Term Tranche of Term Loans (the "Supplemental Term Loan Commitments" and, together with the Incremental Term Loan Commitments, the "Incremental Commitments"), provided that, (i) the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.6 shall not exceed, at the time the respective Incremental Commitment becomes effective the greater of (A) $300.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of 3.50 to 1.00 (it being understood that for purposes of determining compliance under this clause (i), any Indebtedness incurred under this clause (i) and Section 8.1(b)(i) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio), (ii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(B) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying compliance with the financial test set forth in such clause (together with calculations demonstrating compliance with such test) and (iii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(A) above, the Borrower Representative shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment. Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments) shall be made by creating a new Tranche. Each Incremental Commitment made available pursuant to this Section 2.6 shall be in a minimum aggregate amount of at least $15.0 million and in integral multiples of $5.0 million in excess thereof.

(b) Each request from the Borrower pursuant to this Section 2.6 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Lender"); provided that if such Additional Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder or an Approved Fund, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (it being understood that any such Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 11.6(h), *mutatis mutandis*, to the same extent as if such Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment).

(c) Supplemental Term Loan Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit G (the "Increase Supplement") or by each Additional Lender substantially in the form attached hereto as Exhibit H (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan.

(d) Incremental Commitments (other than Supplemental Term Loan Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.6; provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a pari passu or (at the Borrower's option) junior basis by the same Collateral securing the Initial Term Loans (so long as any such Incremental Commitments (and related Obligations) secured on a junior basis are subject to the Junior Lien Intercreditor Agreement or an Other Intercreditor Agreement, as applicable), (B) the Incremental Commitments and any incremental loans drawn thereunder (the "Incremental Loans") shall rank pari passu in right of payment with or (at the Borrower's option) junior to the Initial Term Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Term Loans and (II) so long as any Initial Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the Initial Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the Initial Term Loans, (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date and the weighted average life to maturity of such Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the Maturity Date or the weighted average life to maturity of the Initial Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Maturity Date of the Initial Term Loans or the weighted average life to maturity of the Initial Term Loans, as applicable); (iv) the interest rate margins and amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; provided that in the event that the applicable interest rate margins for any term loans incurred by the Borrower under any Incremental Term Loan Commitment are higher than the applicable interest rate margin for the Initial Term Loans by more than 50 basis points, then the Applicable Margin for the Initial Term Loans shall be increased to the extent necessary so that the applicable interest rate margin for the Initial Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 50 basis points; provided, further that, in determining the applicable interest rate margins for the Initial Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront fees payable generally to all participating Additional Lenders in lieu of OID (which shall be deemed

to constitute like amounts of OID) payable by the Borrower to the Lenders under the Initial Term Loans or any Incremental Term Loan in the initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest based on an assumed four-year life to maturity); (B) any arrangement, structuring or other fees payable in connection with the Incremental Term Loans that are not shared with all Additional Lenders providing such Incremental Term Loans shall be excluded; (C) any amendments to the Applicable Margin on the Initial Term Loans that became effective subsequent to the Closing Date but prior to the time of such Incremental Term Loans shall also be included in such calculations and (D) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Initial Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Initial Term Loans shall be required, to the extent an increase in the interest rate floor for the Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Initial Term Loans shall be increased by such amount; (v) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder, (2) for class voting and other class protections for any additional credit facilities, and (3) for the amendment of the definition of "Disqualified Stock," in each case only to extend the maturity date and the weighted average life to maturity requirements, from the Maturity Date of the Initial Term Loans and weighted average life to maturity of the Initial Term Loans to the extended maturity date and the weighted average life to maturity of such Incremental Term Loans, as applicable; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower, provided that to the extent such terms and documentation are not consistent with, in the case of Incremental Term Loans, the terms and documentation governing the Initial Term Loans (except to the extent permitted by clause (iii), (iv) or (v) above), they shall be reasonably satisfactory to the Borrower and the Administrative Agent.

2.7 Permitted Debt Exchanges. (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans of such Tranche for Indebtedness in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and

Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) such Permitted Debt Exchange Notes do not provide for a maturity date or weighted average life to maturity earlier than the Maturity Date of the Term Loans subject to such Permitted Debt Exchange or shorter than the weighted average life to maturity of the Term Loans subject to such Permitted Debt Exchange.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.7, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 4.4 and (ii) such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "Minimum Exchange Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least ten Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.7 and without conflict with Section 2.7(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.7(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.8 Extension of Term Loans. (a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches (including any Extended Term Loans) existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Term Tranche (any such Existing Term Tranche which has been so extended, an "Extended Term Tranche" and the Term Loans of such Tranche, the "Extended Term Loans") and to provide for other terms consistent with this Section 2.8; provided that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans), and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any Extended Term Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Term Tranche to be established, which terms shall be identical to those applicable to the Existing Term Tranche from which they are to be extended (the "Specified Existing Term Tranche"), except (w) all or any of the final maturity dates of such Extended Term Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Term Tranche, (x) (A) the interest margins with respect to the Extended Term Tranche may be higher or lower than the interest margins for the Specified Existing Term Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Term Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case to the extent provided in the applicable Extension Amendment, (y) any optional or mandatory prepayment applicable to any Extended Term Tranche may be directed first to the prepayment of the Existing Term Loans and (z) amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Term Tranche, so long as the Extended Term Tranche does not have a weighted average life to maturity shorter than the remaining weighted average life to maturity of the Specified Existing Term Tranche; provided that, notwithstanding anything to the contrary in this Section 2.8 or otherwise, (1) assignments and participations of Extended Term Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Initial Term Loans set forth in Section 11.6, and (2) subject to clause (z) above, no repayment of Extended Term Tranches shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Tranches (including Extended Term Tranches) (or all earlier maturing Tranches (including Extended Term Tranches) shall otherwise be or have been terminated and repaid in full). No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into an Extended Term Tranche pursuant to any Extension Request. Any Extended Term Tranche shall constitute a separate Tranche of Term Loans from the Specified Existing Term Tranches and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten Business Days prior to the date on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Term Tranche converted into an Extended Term Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Term Tranche that it has elected to convert into an Extended Term Tranche. In the event that the aggregate amount of the Specified Existing Term Tranche subject to Extension Elections exceeds the amount of Extended Term Tranches requested pursuant to the Extension Request, the Specified Existing Term Tranches subject to Extension Elections shall be converted to Extended Term Tranches on a pro rata basis based on the amount of Specified Existing Term Tranches included in each such Extension Election. In connection with any extension of Term Loans pursuant to this Section 2.8 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.8.

(c) Extended Term Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to (i) provisions related to maturity, interest margins, fees, amortization or prepayments referenced in clauses (w) through (z) of Section 2.8(a) and (ii) the definition of "Disqualified Stock" to amend the maturity date and the weighted average life to maturity requirements, from the Maturity Date of the Initial Term Loans and weighted average life to maturity of the Initial Term Loans to the extended maturity date and the weighted average life to maturity of such Extended Term Tranche, as applicable, and which, in each case, except to the extent expressly contemplated by the third to last sentence of this Section 2.8(c) and notwithstanding anything to the contrary set forth in Section 11.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. No Extension Amendment shall provide for any Extended Term Tranche in an aggregate principal amount that is less than $15.0 million. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 11.1 to any Section 2.8 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.8 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.8 Additional Amendments do not become effective prior to the time that such Section 2.8 Additional Amendments have been consented to (including, without limitation, pursuant to consents applicable to holders of any Extended Term Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.8 Additional Amendments to become effective in accordance with Section 11.1; provided, further, that no Extension Amendment may provide for any Extended Term Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Term Tranches. It is understood and agreed that each Lender has consented

for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.8 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.8 Additional Amendment. In connection with any Extension Amendment, at the request of the Administrative Agent or the Extending Lenders, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of this Agreement as amended by such Extension Amendment, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Term Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Term Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Tranche so converted by such Lender on such date, and such Extended Term Tranches shall be established as a separate Tranche from the Specified Existing Term Tranche and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (i) replace such Non- Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non- Extending Lender concurrently with such Assignment and Acceptance or (ii) if no Event of Default exists under Section 9.1(a) or (f), upon notice to the Administrative Agent, prepay the Existing Term Loans, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 2.8, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (B) the date as of which all obligations of the Borrower owing to the Non- Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date, the Administrative Agent shall record such assignment in the Register and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Term Loans deemed to be an Extended Term Loan under the applicable Extended Term Tranche on any date (each date a "Designation Date") prior to the maturity date of such Extended Term Tranche; provided that (i) such Lender shall have provided written notice to the Borrower and the Administrative Agent at least ten Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion) and (ii) except as set forth in Section 2.8(c), no more than three Designation Dates may occur in any one year period without the written consent of the Administrative Agent. Following a Designation Date, the Existing Term Loans held by such Lender so elected to be extended will be deemed to be Extended Term Loans of the applicable Extended Term Tranche, and any Existing Term Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Term Loans" of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.8, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Section 4.4 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and may be waived by the Borrower) of Existing Term Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.8 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 4.4 and 4.8) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.8.

SECTION 3

[Reserved]

SECTION 4

General Provisions Applicable to Loans

4.1 Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted LIBOR Rate determined for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) If all or a portion of (i) the principal amount of any Term Loan, (ii) any interest payable thereon or (iii) any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Section 4.1, plus 2.00%, (y) in the case of overdue interest, the rate that would be otherwise applicable to principal of the related Term Loan pursuant to the relevant foregoing provisions of this Section 4.1 (other than clause (x) above) plus 2.00% and (z) in the case of other amounts, the rate described in clause (b) of this Section 4.1 for ABR Loans accruing interest at the Alternate Base Rate plus 2.00%, in each case from the date of such nonpayment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (c) of this Section 4.1 shall be payable from time to time on demand.

(e) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

4.2 Conversion and Continuation Options. (a) Subject to its obligations pursuant to Section 4.12(c), the Borrower may elect from time to time to convert outstanding Loans of a given Tranche from Eurodollar Loans to ABR Loans by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time two Business Days prior to such election. The Borrower may elect from time to time to convert outstanding Term Loans of a given Tranche from ABR Loans to Eurodollar Loans, by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time at least three Business Day prior to such election. Any such notice of conversion to Eurodollar Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of outstanding Eurodollar Loans or ABR Loans may be converted as provided herein, provided that (i) (unless the Required Lenders otherwise consent) no Loan may be converted into a Eurodollar Loan when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such conversions may be made and (ii) no Term Loan may be converted into a Eurodollar Loan after the date that is one month prior to the Maturity Date.

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving the Administrative Agent irrevocable notice of such continuation prior to 1:00 P.M., New York City time three Business Days prior to such continuation, including the length of the next Interest Period to be applicable to such Eurodollar Loan, determined in accordance with the applicable provisions of

the term "Interest Period" set forth in Section 1.1, provided that no Eurodollar Loan may be continued as such (i) (unless the Required Lenders otherwise consent) when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that if the Borrower shall fail to give any required notice as described above in this clause (b) or if such continuation is not permitted pursuant to the preceding proviso such Eurodollar Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice of continuation pursuant to this Section 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

4.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Term Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Set shall be equal to $1.0 million or a whole multiple of $250,000 in excess thereof and so that there shall not be more than 10 Sets at any one time outstanding.

4.4 Optional and Mandatory Prepayments. (a) The Borrower may at any time and from time to time prepay the Term Loans made to it, in whole or in part, subject to Section 4.12, without premium or penalty (except as provided in Section 4.5(b)), upon notice by the Borrower to the Administrative Agent prior to 2:00 P.M., New York City time at least three Business Days prior to the date of prepayment (in the case of Eurodollar Loans), or prior to 2:00 P.M., New York City time at least one Business Day prior to the date of prepayment (in the case of ABR Loans). Such notice shall specify, in the case of any prepayment of Term Loans, the applicable Tranche being repaid, and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or ABR Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Eurodollar Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Section 4.12. Partial prepayments pursuant to this Section 4.4(a) shall be equal to $1.0 million or a whole multiple of $500,000 in excess thereof; provided that, notwithstanding the foregoing, any Term Loan may be prepaid in its entirety. Each prepayment of Initial Term Loans pursuant to this Section 4.4(a) made on or prior to the first anniversary of the Closing Date in connection with a Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(b).

(b) (i) The Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans to the extent required by Section 8.3; (ii) if on or after the Closing Date, the Borrower or any of its Restricted Subsidiaries shall incur Indebtedness for borrowed money (excluding

Indebtedness permitted pursuant to Section 8.1), the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans in an amount equal to 100.0% of the Net Cash Proceeds thereof minus the portion of such Net Cash Proceeds applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans, in each case with such prepayment to be made on or before the fifth Business Day following notice given to each Lender of the Prepayment Date, as contemplated by Section 4.4(d), and (iii) the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans within 120 days following the last day of the immediately preceding Fiscal Year (commencing with the Fiscal Year ending on or about September 30, 2014) (each, an "ECF Payment Date"), in an amount equal to (A) (1) 50.0% (as may be adjusted pursuant to the last proviso of this clause (iii)) of the Borrower's Excess Cash Flow for such Fiscal Year minus (2) the sum of (w) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid pursuant to Section 2.2 (b) or prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the Revolving Facility Loans) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid pursuant to a scheduled principal payment, in each case during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (x) below), (x) the aggregate principal amount of Term Loans (including Incremental Term Loans) prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the Revolving Facility Loans) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii) (provided that no prepayments made pursuant to Section 4.4(h) or the other clauses of this Section 4.4(b) shall be included in Section 4.4(b)(iii)(A)(2)(w) or (x)), (y) any Revolving Facility Loans prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Revolving Facility during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (z) below), and (z) the aggregate principal amount of Revolving Facility Loans prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Revolving Facility during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii), in each case, excluding prepayments funded with proceeds from the incurrence of long-term Indebtedness (the amount described in this clause (A), the "ECF Prepayment Amount") minus (B) the portion of such ECF Prepayment Amount applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans; provided that such percentage in clause (1) above shall be reduced to (x) 25% if the Senior Secured Debt to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 2.00:1.00 and greater than 1.50:1.00 and (y) 0% if the Senior Secured Debt to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 1.50:1.00. Nothing in this Section 4.4(b) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(c) Subject to the last sentence of Section 4.4(d) and Section 4.4(g), each prepayment of Term Loans pursuant to Section 4.4(b) shall be allocated pro rata among the Initial Term Loans, the Incremental Term Loans and the Extended Term Loans; provided, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Tranches of

Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis. Each prepayment of Term Loans pursuant to Section 4.4(a) and (b) shall be applied within each Tranche of Term Loans to the respective installments of principal thereof in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity). Notwithstanding any other provision of this Section 4.4, a Lender may, at its option, and if agreed by the Borrower, in connection with any prepayment of Term Loans pursuant to Section 4.4(a) or (b), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents); provided that the Administrative Agent shall have no duties or obligations to manage such Rollover Indebtedness.

(d) The Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans (x) pursuant to Section 4.4(b)(iii), three Business Days prior to the date on which such payment is due and (y) pursuant to Section 4.4 (b)(i) or (ii), promptly (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state that the Borrower is offering to make or will make such mandatory prepayment (i) in the case of mandatory prepayments pursuant to Section 4.4(b)(i), on or before the date specified in Section 8.3(c), and (ii) in the case of mandatory prepayments pursuant to Section 4.4(b)(ii) or (iii), on or before the date specified in Section 4.4(b)(ii) or (iii), as the case may be (each, a "Prepayment Date"). Once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Section 4.4(d)). Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Borrower (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment pursuant to Section 4.4(b)(i) or (iii) by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower of such election. Any amount so declined by any Lender may, at the option of the Borrower, be applied to the payment or prepayment of Indebtedness, including the Holdings Notes, the Existing Unsecured Notes and any Subordinated Indebtedness, or otherwise be retained by the Borrower and its Restricted Subsidiaries and/or applied by the Borrower or any of its Restricted Subsidiaries in any manner not inconsistent with this Agreement. In connection with any mandatory prepayments by the Borrower pursuant to Section 4.4(b), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans; provided that if no Lenders exercise the right to decline a mandatory prepayment pursuant to Section 4.4(b), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurodollar Loans.

(e) Amounts prepaid on account of Term Loans pursuant to Section 4.4(a), (b) or (h) may not be reborrowed.

(f) Notwithstanding the foregoing provisions of this Section 4.4, if at any time any prepayment of the Term Loans pursuant to Section 4.4(a) or (b) would result, after giving effect to the procedures set forth in this Agreement, in the Borrower incurring breakage costs under Section 4.12 as a result of Eurodollar Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, the Borrower may, so long as no Default or Event of Default shall have occurred and be continuing, in its sole discretion, initially (i) deposit a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid), to be held as security for the obligations of the Borrower to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurodollar Loans (or such earlier date or dates as shall be requested by the Borrower) or (ii) make a prepayment of the Term Loans in accordance with Section 4.4(a) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid); provided that, in the case of either clause (i) or (ii) above, such unpaid Eurodollar Loans shall continue to bear interest in accordance with Section 4.1 until such unpaid Eurodollar Loans or the related portion of such Eurodollar Loans, as the case may be, have or has been prepaid. In addition, if the Borrower reasonably determines in good faith that any amounts attributable to Foreign Subsidiaries that are required to be applied to prepay Term Loans pursuant to Section 4.4(b)(i) or (iii) would violate applicable Laws or result in material adverse tax consequences to the Borrower or any of its Restricted Subsidiaries, then the Borrower shall not be required to prepay such amounts as required thereunder; provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to repatriate the proceeds subject to such prepayments in order to effect such prepayments without violating applicable Laws or incurring material adverse tax consequences.

(g) Notwithstanding anything to the contrary herein, this Section 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Sections 2.6 and 2.8, as applicable, or pursuant to any other credit facility added pursuant to Section 2.6 or 11.1(e).

(h) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation

of Discounted Prepayment Offers, in each case made in accordance with this Section 4.4(h); provided that the Borrower shall not initiate any action under this Section 4.4(h) in order to make a Discounted Term Loan Prepayment unless (1) at least ten Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date or (2) at least three Business Days shall have passed since the date the Borrower was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers made by a Lender. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders. Any Term Loans prepaid pursuant to this Section 4.4(h) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment.

(1) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with three Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Term Loans to be prepaid, (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount

Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date designated by the Administrative Agent and approved by the Borrower) (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this Section 4.4(h)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers.

(1) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrower is willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrower, (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by the Borrower) (the "Discount Range Prepayment Response Date"). Each relevant Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Section 4.4(h)(iii). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Administrative Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that

is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following Section 4.4(h)(iii)(3)) at the Applicable Discount (each such Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discounted Range Prepayment Amount, prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Discount Range Prepayment Response Date, notify (w) the Borrower of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by such Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers.

(1) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrower is willing to prepay at a discount (the "Solicited Discounted Prepayment Amount"), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by Borrower) (the "Solicited Discounted Prepayment Response Date"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select, at its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that the Borrower is willing to accept (the "Acceptable Discount"), if any; provided that the Acceptable Discount shall not be an Offered Discount that is larger than the smallest Offered Discount for which the sum of all Offered Amounts affiliated with Offered Discounts that are larger than or equal to such smallest Offered Discount would, if purchased at such smallest Offered Discount, yield an amount at least equal to the Solicited Discounted Prepayment Amount. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Administrative

Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower shall submit an Acceptance and Prepayment Notice to the Administrative Agent setting forth the Acceptable Discount. If the Administrative Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Administrative Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 4.4(h)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrower will prepay outstanding Term Loans pursuant to this Section 4.4(h)(iv) to each Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior to the Discounted Prepayment Determination Date, the Administrative Agent shall promptly notify (w) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such

date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrower and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable out-of-pocket costs and expenses from the Borrower in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Sections 4.4(h)(ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 A.M. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans in inverse order of maturity. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 4.4(h) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Section 4.4(h) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Term Loans to reflect the payment of accrued interest to certain Lenders as provided in this Section 4.4(h)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Section 4.4(h) as if made at par. It is also understood and agreed that prepayments pursuant to this Section 4.4(h) shall not be subject to Section 4.4(a), or, for the avoidance of doubt, Section 11.7(a) or the pro rata allocation requirements of Section 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 4.4(h), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 4.4(h), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrower and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 4.4(h) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h).

(x) Revocation. The Borrower shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Payment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is so revoked, any failure by the Borrower to make any prepayment to a Lender pursuant to this Section 4.4(h) shall not constitute a Default or Event of Default under Section 9.1 or otherwise).

(xi) No Obligation. This Section 4.4(h) shall not (i) require the Borrower to undertake any prepayment pursuant to this Section 4.4(h) or (ii) limit or restrict the Borrower from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

4.5 Administrative Agent's Fee; Other Fees. (a) The Borrower agrees to pay to the Administrative Agent the fees set forth in clause (x) of the second to last paragraph of Section 5 of the Engagement Letter.

(b) If on or prior to the first anniversary of the Closing Date the Borrower makes an optional prepayment in full of the Initial Term Loans pursuant to a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender, a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans being prepaid. If, on or prior to the first anniversary of the Closing Date, any Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans

or Commitments under any Facility or Tranche) that results in a Repricing Transaction, such Lender (and not any Person who replaces such Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

4.6 Computation of Interest and Fees. (a) Interest (other than interest based on the Prime Rate) shall be calculated on the basis of a 360-day year for the actual days elapsed; and interest based on the Prime Rate shall be calculated on the basis of a 365 day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of each determination of an Adjusted LIBOR Rate. Any change in the interest rate on a Term Loan resulting from a change in the Alternate Base Rate or the Statutory Reserves shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Section 4.1, excluding any LIBOR Rate which is based upon the Reuters Monitor Money Rates Service page and any ABR Loan which is based upon the Alternate Base Rate.

4.7 Inability to Determine Interest Rate. If prior to the first day of any Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Adjusted LIBOR Rate with respect to any Eurodollar Loan for such Interest Period (the "Affected Eurodollar Rate"), the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the Lenders as soon as practicable thereafter. If such notice is given (a) any Eurodollar Loans the rate of interest applicable to which is based on the Affected Eurodollar Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans and (b) any Term Loans that were to have been converted on the first day of such Interest Period to or continued as Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be converted to or continued as ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to Eurodollar Loans, the rate of interest applicable to which is based upon the Affected Eurodollar Rate.

4.8 Pro Rata Treatment and Payments. (a) Except as expressly otherwise provided herein, each payment (including each prepayment, but excluding payments made pursuant to Section 2.7, 2.8, 4.5(b), 4.9, 4.10, 4.11, 4.12, 4.13(d), 11.1(g) or 11.6) by the Borrower on account of principal of and interest on account of any Term Loans of a given Tranche (other than (w) payments in respect of any difference in the Applicable Margin,

Adjusted LIBOR Rate or Alternate Base Rate in respect of any Tranche, (x) any payments pursuant to Section 4.4(b) to the extent declined by any Lender in accordance with Section 4.4(d) and (y) any payments pursuant to Section 4.4(h) which shall be allocated as set forth in Section 4.4(h)) shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Term Loans of such Tranche then held by the respective Lenders; provided that a Lender may, at its option, and if agreed by the Borrower, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of Subsection 4.4(c). All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time), on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Term Loans, the Lenders, the Administrative Agent, or the Other Representatives, as the case may be, at the Administrative Agent's office specified in Section 11.2, in Dollars in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Other Representatives, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders or Other Representatives, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. This Section 4.8(a) may be amended in accordance with Section 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.6 and 2.8, as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Closing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.8(b) shall be conclusive in the absence of manifest error.

4.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the Closing Date shall make it unlawful for any Lender to make or maintain any Eurodollar Loans as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan when an Affected Loan is requested and (c) such Lender's Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law. If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 4.12.

4.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Closing Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the LIBOR Rate hereunder (excluding any Tax of any kind whatsoever); or

(ii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower from such Lender, through the Administrative Agent in accordance herewith, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Eurodollar Loans; provided that, in any such case, the Borrower may elect to convert the Eurodollar Loans made by such Lender hereunder to ABR Loans by giving the Administrative Agent at least one Business Day's notice of such election, in which case the Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 4.10(a) and such amounts, if any, as may be required pursuant to Section 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10(a), it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events

described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(a), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(a) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(b) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(b), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(b) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case, shall be deemed to have been enacted, adopted, promulgated or issued, as applicable, subsequent to the Closing Date for all purposes herein.

4.11 Taxes. (a) Except as provided below in this Section 4.11 or as required by law (which, for purposes of this Section 4.11, shall include FATCA), all payments made by the Borrower or the Agents under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that if any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrower to any Agent or any Lender hereunder or under any Notes, the amounts so payable by the Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall be entitled to deduct and withhold, and the Borrower shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by the Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c) or (d) of this Section 4.11 or with the requirements of Section 4.13, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or (z) with respect to any Non-Excluded Taxes imposed by the United States or any state or political subdivision thereof, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after such Agent became an Agent hereunder or such Lender became a Lender hereunder (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later) (any such change, at such time, a "Change in Law"). Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Section 4.11 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall:

(i) (1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the

Borrower and the Administrative Agent (A) two accurate and complete original signed Internal Revenue Service Forms W- 8BEN (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes, and (B) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further original signed forms or certifications provided in Section 4.11(b)(i)(1) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower;

(3) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent; and

(4) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (4), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption",

(1) represent to the Borrower and the Administrative Agent that it is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881 (c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(2) deliver to the Borrower on or before the date of any payment by the Borrower with a copy to the Administrative Agent, (A) two certificates substantially in the form of Exhibit D hereto (any such certificate a "U.S. Tax Compliance Certificate") and (B) two accurate and complete original signed Internal Revenue Service Forms W-8BEN, or successor applicable form, certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or

Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes and (C) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes (and shall also deliver to the Borrower and the Administrative Agent two further original signed forms or certificates on or before the date the previous forms or certificates expire or become obsolete and after the occurrence of any event requiring a change in the most recently provided forms or certificates and, if necessary, obtain any extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (3), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such Lender is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates certifying to such Lender's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes; and

(A) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called "portfolio interest exemption", also deliver to the Borrower and the Administrative Agent (I) two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W- 8BEN (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI or Form W-9, or successor applicable form, as the case may be,

in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(B) with respect to each beneficiary or member of such Lender that is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates with respect to each beneficiary or member (which may be provided by such Lender on behalf of such beneficiary or member) and two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN, or successor applicable form, certifying to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes, and (III) also deliver to the Borrower and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further signed copies or originals (as applicable) of any forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that in determining the reasonableness of a request under this clause (3) such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request;

unless, in any such case, there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by the Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by the Borrower under this Agreement or any Notes to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower (A) two accurate and complete original signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete original signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by the Borrower under this Agreement or any Notes (whether for its own account or for the account of others) without deduction or withholding of any United States federal income taxes;

(ii) deliver to the Borrower two further original signed forms or certifications provided in Section 4.11(d)(i) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Administrative Agent and the Borrower, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Administrative Agent or the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For the avoidance of doubt, the Borrower and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

4.12 Indemnity. The Borrower agrees to indemnify each Lender in respect of Extensions of Credit made, or requested to be made, to the Borrower, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable decision) as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment or conversion of Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement, (c) the making of a payment or prepayment of Eurodollar Loans or the conversion of Eurodollar Loans on a day which is not the last day of an Interest Period with respect thereto or (d) the revocation of a redemption notice in respect of Eurodollar Loans delivered by the Borrower in accordance with the provisions of Section 4.4(a). Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Eurodollar Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurodollar market. If any Lender becomes entitled to claim any amounts under the indemnity contained in this Section 4.12, it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b), (c) or (d) has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Section 4.12 submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within five Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

4.13 Certain Rules Relating to the Payment of Additional Amounts. (a) Upon the request, and at the expense of the Borrower, each Lender and Agent to which the Borrower is required to pay any additional amount pursuant to Section 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower the opportunity to so contest unless the Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrower shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower the opportunity to contest, or cooperate with the Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than (i) pursuant to clause (c) below or (ii) after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing) and the effect of such change, as of the date of such change, would be to cause the Borrower to become obligated to pay any additional amount under Section 4.10 or 4.11, the Borrower shall not be obligated to pay such additional amount.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by the Borrower pursuant to Section 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, pursuant to Section 4.9, such Lender or Agent shall promptly notify the Borrower and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Term Loans held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrower agrees to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If the Borrower shall become obligated to pay additional amounts pursuant to Section 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Section 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, under Section 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Section 4.9, the Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower to purchase the affected Term Loan, in whole or in part, at an aggregate price no less than such Term Loan's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default

under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Term Loan, in whole or in part, subject to Section 4.12, without premium or penalty. In the case of the substitution of a Lender, then, the Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Section 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 11.6(b) in connection with such assignment shall be paid by the Borrower or the substitute Lender. In the case of a prepayment of an affected Term Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Term Loan, the Borrower shall first pay the affected Lender any additional amounts owing under Sections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Section 4.13(d), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to such replaced Lender relating to the Term Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrower to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which the Borrower has made additional payments pursuant to Section 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to the Borrower; provided, however, that the Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(f) The obligations of any Agent, Lender or Participant under this Section 4.13 shall survive the termination of this Agreement and the payment of the Term Loans and all amounts payable hereunder.

SECTION 5

5.2 Authorization; No Contravention. (a) The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, (i) are within such Loan Party's corporate or other powers and have been duly authorized by all necessary corporate or other organizational action and (ii) do not and will not (A) contravene the terms of any of such Person's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under (in each case other than in respect of Indebtedness to be repaid in connection with the Transactions), (x) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (C) violate any Law; in the case of clauses (ii)(A) (other than as to the Borrower), (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (b) the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions do not or will not result in the creation of any Lien under any Contractual Obligation to which such Person is a party or by which such Person or the properties of such Person or any of its Restricted Subsidiaries is bound (other than as permitted by Section 8.5).

5.3 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, or for the consummation of the Transactions, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Security Documents, (c) the perfection or maintenance of the Liens created under the Security Documents (including the priority thereof) or (d) the exercise by the Collateral Agent, Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Security Documents, except for (i) actions, filings and registrations necessary to perfect the

Liens on the Collateral and the priority thereof granted by the Loan Parties in favor of the Secured Parties, (ii) the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and (iii) those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain, take, give or make would not reasonably be expected to have a Material Adverse Effect.

5.4 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by Holdings and each Loan Party that is a party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of Holdings and such Loan Party, enforceable against Holdings and each Loan Party that is party thereto in accordance with its terms, in each case except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

5.6 Litigation. There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Borrower, threatened in writing, at law, in equity, in arbitration or before any Governmental Authority, by or against the Borrower or any of its Restricted Subsidiaries or against any of their properties or revenues (i) as of the Closing Date, that pertain to this Agreement, any other Loan Document or the consummation of the Transactions or (ii) that would reasonably be expected to have a Material Adverse Effect.

5.7 No Default. Neither the Borrower nor any Restricted Subsidiary is in default under or with respect to any Contractual Obligation that would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.8 Ownership of Property; Liens. Each of the Borrower and its Restricted Subsidiaries has good title in fee simple to, or valid leasehold interests in, or easements or other limited property interests in, all real property necessary in the ordinary conduct of its business, free and clear of all Liens except for minor defects in title that do not materially interfere with its ability to conduct its business or to utilize such assets for their intended purposes and Liens permitted by Section 8.5 and except where the failure to have such title or other interests would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

5.9 Environmental Compliance.

(a) There are no claims against the Borrower or its Restricted Subsidiaries alleging potential liability or responsibility for violation of any Environmental Law binding on their respective businesses, operations and properties that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) Neither the Borrower nor any of its Restricted Subsidiaries is undertaking, and has not completed, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

5.18 Disclosure. No report, financial statement, certificate or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or any other Loan Document (as modified or supplemented by other information so furnished), in each case on or prior to the Closing Date, when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, (A) with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time of preparation, it being understood that projections are as to future events and are not to be viewed as facts, that such projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Borrower and its Subsidiaries, that no assurance can be given that any particular projection will be realized and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and such differences may be material and that such projections are not a guarantee of future financial performance and (B) that no representation is made with respect to information of a general economic or general industry nature.

5.19 Intellectual Property; Licenses, Etc. Each Loan Party and its Restricted Subsidiaries own or possess the right to use all of the trademarks, service marks, trade names, logos, trade dress, goodwill associated with the foregoing, domain names, copyrights, patents, trade secrets, know-how and other intellectual property rights (including all registrations and applications for registration of the foregoing) (collectively, "IP Rights") that are necessary for

(a) When financing statements and other filings in appropriate form are filed in the offices of the Secretary of State of each Loan Party's jurisdiction of organization or formation and applicable documents are filed and recorded in the United States Copyright Office and the United States Patent and Trademark Office, and (b) upon the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Collateral Agent to the extent possession or control by the Collateral Agent is required by the Security Agreement), the Liens created by the Security Documents (other than the Mortgages) shall constitute to the extent required by the terms thereof fully perfected Liens on, and security interests in, all right, title and interest of the grantors in such Collateral, in each case free and clear of any Liens other than Permitted Liens.

(iii) (x) cause each such Subsidiary to deliver (i) any and all certificates representing Capital Stock directly owned by such Subsidiary (limited, in the case of Capital Stock of a Foreign Subsidiary, to 65% of each class of the outstanding Capital Stock (including for these purposes any investment deemed to be Capital Stock for United States Tax purposes) in such Foreign Subsidiary) accompanied by undated stock powers or other appropriate instruments of transfer executed in blank and (ii) instruments evidencing the Pledged Debt in each case in excess of $5.0 million held by such Subsidiary, indorsed in blank to the Collateral Agent and (y) cause each direct parent of such Subsidiary that is a Guarantor or is required to become a Guarantor pursuant to Section 7.12(a)(i), to deliver any and all certificates representing the outstanding Capital Stock of such Subsidiary owned by such parent accompanied by undated stock powers or other appropriate instruments of transfer executed in blank; and

SECTION 8

Negative Covenants

The Borrower hereby agrees that, from and after the Closing Date until payment in full of the Term Loans and all other Term Loan Facility Obligations then due and owing to any Lender or any Agent hereunder:

8.1 Limitation on Indebtedness.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, enter into any guarantee of, or otherwise become directly or indirectly liable, contingently or otherwise, for (collectively, "incur") any Indebtedness (including Acquired Debt), and the Borrower will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; provided, however, that the Borrower and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and any Restricted Subsidiary may issue Preferred Stock if the Fixed Charge Coverage Ratio for the Borrower's most recently ended four full fiscal quarters for which internal financial statements are available (or, if earlier, were required to be delivered pursuant to Section 7.1(a) or (b)) immediately preceding the date on which such additional Indebtedness is incurred or such Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; provided further that the aggregate principal amount of Indebtedness that may be incurred and the liquidation preference of Preferred Stock that may be issued pursuant to the foregoing by Restricted Subsidiaries that are not Guarantors shall not exceed $100.0 million at any one time outstanding.

(b) Notwithstanding the foregoing Section 8.1(a), the Borrower and its Restricted Subsidiaries may incur the following Indebtedness (collectively, "Permitted Debt"):

(i) Indebtedness (a) pursuant to this Agreement and the other Loan Documents, (b) pursuant to any other Credit Agreement, (c) pursuant to the New Notes, (d) constituting Rollover Indebtedness and (e) in respect of Permitted Debt Exchange Notes incurred pursuant to a Permitted Debt Exchange in accordance with Section 2.7 (and which does not generate any additional proceeds), in a maximum principal amount for all such Indebtedness at any time outstanding not exceeding in the aggregate the amount, together with amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (xvii) below, not to exceed at any one time outstanding the greater of (A) $1,550.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of 3.50 to 1.00 (it being understood that for purposes of determining compliance under this clause (i) and under Section 2.6(a)(i), any Indebtedness incurred under this clause (i) and under Section 2.6(a)(i) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio);

(ii) [Reserved];

(iii) the Existing Unsecured Notes and other Existing Indebtedness (other than Indebtedness described in clauses (i) and (vii));

(iv) Indebtedness (including Capitalized Lease Obligations) incurred by the Borrower or any Restricted Subsidiary and Preferred Stock issued by a Restricted Subsidiary to finance the purchase, lease or improvement of property (real or personal) or equipment that is used or useful in a Permitted Business (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness and/or Preferred Stock then outstanding and incurred or issued pursuant to this clause (iv), does not exceed the greater of (x) $50.0 million and (y) 5.0% of Consolidated Tangible Assets;

(v) Indebtedness incurred by the Borrower or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance; provided that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(vi) Indebtedness arising from agreements of the Borrower or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earnouts or similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; provided that such Indebtedness is not reflected on the balance sheet of the Borrower or any Restricted Subsidiary (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause);

(vii) Indebtedness of the Borrower owed to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owed to and held by the Borrower or any Restricted Subsidiary; provided, however, that (A) any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness (except to the Borrower or a Restricted Subsidiary) shall be deemed, in each case, to constitute the incurrence of such Indebtedness by the issuer thereof and (B) if the Borrower is the obligor on such Indebtedness (other than any Existing Indebtedness) owing to a Restricted Subsidiary that is not a Guarantor, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of the Borrower with respect to the Notes;

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Borrower or a Restricted Subsidiary; provided that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Borrower or a Restricted Subsidiary) shall be deemed in each case to be an issuance of such shares of Preferred Stock;

(ix) Hedging Obligations of the Borrower or any Restricted Subsidiary (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting (A) interest rate risk with respect to any Indebtedness that is permitted to be incurred by the terms of this Agreement, (B) exchange rate risk with respect to any currency exchange or (C) commodity price risk;

8.3 Asset Sales.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Borrower or such Restricted Subsidiary, as the case may be, receives consideration at the time of the Asset Sale at least equal to the fair market value (as determined, as of the time of contractually agreeing to such Asset Sale, in good faith by senior management or the Board of Directors of the Borrower, whose determination shall be conclusive, provided that in the case of any Asset Sale involving consideration in excess of $50.0 million, such determination shall be made by the Board of Directors of the Borrower) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) except for any Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) For purposes of Section 8.3(a)(ii), the amount of (i) any liabilities (as shown on the Borrower's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on such balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Borrower) of the Borrower or any Restricted Subsidiary (other than liabilities that are by their terms subordinated in right of payment to the Term Loan Facility Obligations) that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale), if such liabilities are not Indebtedness, or the Borrower or such Restricted Subsidiary has been released from all liability on payment of the principal amount of such liabilities in connection with such Asset Sale, (ii) any securities, notes or other obligations received by the Borrower or such Restricted Subsidiary from such transferee that are converted by the Borrower or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale and (iii) any Designated Noncash Consideration received by the Borrower or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value (as determined in good faith by the Board of Directors of the Borrower), taken together with all other Designated Noncash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) $100.0 million and (y) 9.0% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value), shall be deemed to be cash for purposes of this Section 8.3 and for no other purpose.

(c) Within 365 days after the receipt of any Net Proceeds from an Asset Sale or Recovery Event, the Borrower or such Restricted Subsidiary may apply an amount equal to those Net Proceeds at its option:

(i) to permanently reduce (A) Obligations having Pari Passu Lien Priority and, if applicable, to correspondingly reduce commitments with respect thereto; provided that if the Borrower shall so reduce such Obligations, it will prepay a pro rata principal amount of the Term Loans in accordance with Section 4.4(b)(i) (subject to Section 4.4(d)); or (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Borrower or an Affiliate of the Borrower;

(ii) to make an investment in (A) any one or more businesses (provided that such investment in any business is in the form of the acquisition of Capital Stock and results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary), (B) capital expenditures or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), are used or useful in a Permitted Business; and/or

(iii) to make an investment in (A) any one or more businesses; provided that such investment in any business is in the form of the acquisition of Capital Stock and it results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) properties or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that the Borrower or such Restricted Subsidiary will be deemed to have complied with Section 8.3(c)(ii) or (iii) if and to the extent that, within 365 days after the Asset Sale or Recovery Event that generated the Net Proceeds, the Borrower or such Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment described in Section 8.3(c)(ii) or (iii), and such investment is thereafter completed within 180 days after the end of such 365-day period.

(d) When the aggregate amount of Net Proceeds from an Asset Sale or Recovery Event or equivalent amount not applied or invested in accordance with Section 8.3(c) ("Excess Proceeds") exceeds $75.0 million, the Borrower will prepay the Term Loans in accordance with Section 4.4(b)(i) (subject to Section 4.4(d)) and, if required under the terms of any Pari Passu Indebtedness, on a pro rata basis, purchase, prepay or redeem the maximum aggregate principal amount of Term Loans and such Pari Passu Indebtedness that may be purchased out of the Excess Proceeds in an amount equal to 100% of the principal amount thereof, or, in the case of Pari Passu Indebtedness that is issued or sold at a discount, the amount of the accreted value thereof at such time, plus accrued and unpaid interest, if any, to the date of purchase (or such lesser price, if any, as may be provided under the terms of such Pari Passu Indebtedness).

(e) Pending the final application of any Net Proceeds or equivalent amount, the Borrower may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Agreement.

8.4 Transactions with Affiliates.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "Affiliate Transaction") involving aggregate consideration in excess of $15.0 million, unless:

(i) the Affiliate Transaction is on terms that are not materially less favorable to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $30.0 million, a resolution adopted by the Board of Directors of the Borrower approving such Affiliate Transaction and a certificate of a Responsible Officer certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 8.4(a) will not apply to the following:

(i) transactions between or among the Borrower and/or any Restricted Subsidiary and/or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(ii) Restricted Payments (including any transaction specifically excluded from the definition of the term "Restricted Payment," including pursuant to the exceptions contained in the definition thereof and the parenthetical exclusions of such definition) and Permitted Investments, in each case permitted by this Agreement;

(iii) the payment to any of the Sponsor and its Affiliates of annual management, consulting, monitoring and advisory fees in an aggregate amount in any fiscal year not to exceed the Maximum Management Fee Amount, and related expenses and indemnities, pursuant to the Management Agreement or otherwise;

(iv) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements provided on behalf of, officers, directors, employees or consultants of the Borrower, any of its direct or indirect parent companies or any Restricted Subsidiary;

(v) the payments by the Borrower or any Restricted Subsidiary to the Sponsor and any of its Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the members of the Board of Directors of the Borrower in good faith;

(vi) transactions in which the Borrower or any Restricted Subsidiary delivers to the Administrative Agent a letter from an Independent Financial Advisor stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Borrower or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(vii) payments or loans (or cancellations of loans) to employees or consultants of the Borrower or any of its direct or indirect parent companies or any Restricted Subsidiary which are approved by a majority of the Board of Directors of the Borrower in good faith and which are otherwise permitted under this Agreement;

(viii) payments made or performance under any agreement as in effect on the Closing Date (including, without limitation, each of the agreements entered into in

connection with the Transactions or the 2011 Transactions) or any amendment thereto (so long as any such amendment taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than the applicable agreement as in effect on the Closing Date);

(ix) payments made or performance under any agreement to which Warner Music Group Corp. and/or Holdings is a party as of the Closing Date (including, without limitation, each of the agreements entered into in connection with the Transactions or the 2011 Transactions, but excluding the indenture governing the Holdings Notes) and to or by which the Borrower becomes a party or otherwise bound after the Closing Date, any amendment thereto by which the Borrower becomes a party thereto or otherwise bound thereby, and any other amendment thereto (so long as any such other amendment (other than an amendment to effect the Borrower becoming a party to or otherwise bound by such agreement) taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than such agreement as in effect on the Closing Date);

(x) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement that are fair to the Borrower and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Borrower or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(xi) the Transactions, the 2011 Transactions and the payment of all fees and expenses related to the Transactions or the 2011 Transactions, including, for the avoidance of doubt, any reimbursement on or after the Closing Date of fees and expenses related to the Transactions or the 2011 Transactions paid by the Sponsor and its Affiliates;

(xii) the issuance of Equity Interests (other than Disqualified Stock) of the Borrower to any Parent, any Permitted Holder, or any director, officer, employee or consultant of the Borrower, any of its Subsidiaries or any of its direct or indirect parent companies;

(xiii) any transaction with a Securitization Subsidiary effected as part of a Qualified Securitization Financing;

(xiv) investments by any of the Permitted Holders in securities of the Borrower or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Permitted Holders in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(xv) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(xvi) entering into, and performing the obligations under, any tax sharing agreement, consistent with the limitations imposed on Restricted Payments in Section 8.2; and

(xvii) intellectual property licenses in the ordinary course of business.

8.5 Liens. (a) The Borrower will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness of the Borrower or of a Guarantor, on any asset or property of the Borrower or any Guarantor, or any income or profits therefrom, or on any right to receive income therefrom (the "Initial Lien"), unless (a) in the case of an Initial Lien on any Collateral, such Initial Lien expressly has Junior Lien Priority on such Collateral in relation to the Term Loan Facility Obligations and the Guarantees, as applicable or (b) in the case of an Initial Lien on any other asset or property, the Term Loan Facility Obligations (or a Guarantee in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of the Lenders pursuant to Section 8.5(a) shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to secure the Term Loan Facility Obligations.

8.6 Fundamental Changes. The Borrower may not (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(a) either: (i) the Borrower is the surviving Person; or (ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Borrower or such Person, as the case may be, being herein called the "Successor Borrower");

(b) the Successor Borrower (if other than the Borrower) assumes all the obligations of the Borrower under this Agreement and the other Loan Documents to which it is a party by executing a joinder or one or more other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(c) immediately after such transaction no Default or Event of Default exists;

(d) immediately after giving pro forma effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(i) the Successor Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 8.1(a); or

(ii) the Fixed Charge Coverage Ratio for the Successor Borrower and its Restricted Subsidiaries would be equal to or greater than such ratio for the Borrower and its Restricted Subsidiaries immediately prior to such transaction;

(e) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have delivered a joinder or other document or instrument in form reasonably satisfactory to the Administrative Agent, confirming its Subsidiary Guarantee; and

(f) each Subsidiary Guarantor (other than (x) any Subsidiary that will be released from its grant or pledge of Collateral under the Security Agreement in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have by a supplement to the Security Agreement or another document or instrument in form reasonably satisfactory to the Administrative Agent affirmed that its obligations thereunder shall apply to its Guarantee as confirmed pursuant to clause (e) above;

provided that, for the purposes of this Section 8.6 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Borrower may therefore consummate a Music Publishing Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6, (2) the Borrower may therefore consummate a Recorded Music Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Borrower under any other contract to which the Borrower is a party.

For the purpose of this Section 8.6, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Borrower or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole shall be made on a pro forma basis giving effect to such acquisition.

This Section 8.6 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (c) and (d), (x) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary and (y) the Borrower may merge with an Affiliate incorporated solely for the purpose of reincorporating the Borrower in another state of the United States so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby.

8.7 Subsidiary Distributions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to the Borrower or any of its Restricted Subsidiaries that are Guarantors, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

(ii) make loans or advances to the Borrower or any of its Restricted Subsidiaries that are Guarantors; or

(iii) sell, lease or transfer any of its properties or assets to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

provided that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction.

(b) However, the restrictions in Section 8.7(a) will not apply to encumbrances or restrictions consisting of, or existing under or by reason of:

(i) contractual encumbrances or restrictions in effect (x) pursuant to this Agreement or the other Loan Documents, the Senior Revolving Credit Facility Documents, the New Notes, the Existing Unsecured Notes, any Hedging Obligations, and, on or after the execution and delivery thereof, the Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement, any Permitted Debt Exchange Notes (and any related documents), any Rollover Indebtedness (and any related documents) and any other Credit Agreement or any related documents or (y) on the Closing Date, including, without limitation, pursuant to Existing Indebtedness and related documentation;

(ii) [Reserved]

(iii) purchase money obligations that impose encumbrances or restrictions on the property so acquired;

(iv) applicable law or any applicable rule, regulation or order;

(v) any agreement or other instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Borrower or any Restricted Subsidiary, or which agreement or instrument is assumed by the Borrower or any Restricted Subsidiary in connection with an acquisition from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); provided that, for purposes of this clause (v), if a Person other than the Borrower is the Successor Borrower with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Borrower or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Borrower;

(vi) any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Borrower or any Restricted Subsidiary not otherwise prohibited by this Agreement, including without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or other disposition of the Capital Stock or assets of such Subsidiary;

(vii) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenants described in Section 8.1 and 8.5 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(viii) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(ix) other Indebtedness or Preferred Stock (x) of the Borrower or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Closing Date pursuant to Section 8.1 or (y) that is incurred by a Foreign Subsidiary of the Borrower subsequent to the Closing Date pursuant to Section 8.1;

(x) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(xi) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements; (xii) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a "Refinancing Agreement") effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in clauses (i) through (xi) above (an "Initial Agreement") or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an "Amendment"); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Lenders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Borrower);

(xiii) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; provided, however, that such restrictions apply only to any Securitization Subsidiary;

(xiv) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non- Recourse Acquisition Financing Indebtedness;

(xv) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; provided that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(xvi) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(xvii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(xviii) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 8.5;

(xix) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Borrower or any Restricted Subsidiary in any manner material to the Borrower or such Restricted Subsidiary;

(xx) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Borrower or any Restricted Subsidiary; or

(xxi) an agreement or instrument relating to any Indebtedness incurred subsequent to the Closing Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in agreements in effect on the Closing Date (as determined in good faith by the Borrower) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Lenders than is customary in comparable financings (as determined in good faith by the Borrower) and either (x) the Borrower determines in good faith that such encumbrance or restriction will not materially affect the Borrower's ability to make principal or interest payments on the Term Loans or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

8.8 Change of Control. The Borrower shall not and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, in the event of the occurrence of a Change of Control, repurchase or repay any Indebtedness then outstanding pursuant to any Subordinated Indebtedness or the Existing Unsecured Notes or any portion thereof, unless the Borrowers shall have (i) made payment in full of the Term Loan Facility Obligations and any other amounts then due and owing to any Lender or the Administrative Agent hereunder and under any Note or (ii) made an offer to pay the Term Loan Facility Obligations and any amounts then due and owing to each Lender and the Administrative Agent hereunder and under any Note and shall have made payment in full thereof to each such Lender or the Administrative Agent which has accepted such offer. For so long as the Borrower shall have complied with the terms of this Section 8.8, any Event of Default arising under Section 9.1(k) by reason of such Change of Control shall be deemed not to have occurred or be continuing.

SECTION 9

Events of Default

9.1 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default:

(a) The Borrower shall fail to pay any principal of any Term Loan when due in accordance with the terms hereof (whether at stated maturity, by mandatory prepayment or otherwise); or the Borrower shall fail to pay any interest on any Term Loan, or any other amount payable hereunder, within five Business Days after any such interest or other amount becomes due in accordance with the terms hereof; or

(b) Any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document (or in any amendment, modification or supplement hereto or thereto) or which is contained in any certificate furnished at any time by or on behalf of any Loan Party pursuant to this Agreement or any such other Loan Document shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or

(c) Any Loan Party shall default in the payment, observance or performance of any term, covenant or agreement contained in Section 8; or

(d) Any Loan Party shall default in the observance or performance of any other agreement contained in this Agreement or any other Loan Document (other than as provided in clauses (a) through (c) of this Section 9.1), and such default shall continue unremedied for a period of 30 days after the earlier of (A) the date on which a Responsible Officer of the Borrower becomes aware of such failure and (B) the date on which written notice thereof shall have been given to the Borrower by the Administrative Agent or the Required Lenders; or

(e) Any Loan Party or any of its Restricted Subsidiaries shall (i) default in (x) any payment of principal of or interest on any Indebtedness (excluding the Term Loans) in excess of the Threshold Amount or (y) in the payment of any Guarantee Obligation in excess of the Threshold Amount, beyond the period of grace, if any, provided in the instrument or agreement under which such Indebtedness or Guarantee Obligation was created; (ii) default in the observance or performance of any other agreement or condition relating to any Indebtedness (excluding the Term Loans) or Guarantee Obligation referred to in clause (i) above or contained in any instrument or agreement evidencing, securing or relating thereto (other than a failure to provide notice of a default or an event of default under such instrument or agreement or default in the observance of or compliance with any financial maintenance covenant), or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders of such Indebtedness or beneficiary or beneficiaries of such Guarantee Obligation (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice or lapse of time if required, such Indebtedness to become due prior to its stated maturity or such Guarantee Obligation to become payable (an "Acceleration"; and the term "Accelerated" shall have a correlative meaning), and such time shall have lapsed and, if any notice (a "Default Notice") shall be required to commence a grace period or declare the occurrence of an event of default before notice of Acceleration may be delivered, such Default Notice shall have been given and such default shall not have been remedied or waived by or on behalf of such holder or holders (provided that this clause (ii) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder) or (iii) in the case of any Indebtedness or Guarantee Obligations referred to in clause (i) above containing or otherwise requiring observance or compliance with any financial maintenance covenant, such Indebtedness or Guarantee Obligation shall have been Accelerated and such Acceleration shall not have been rescinded; or

(f) If (i) the Borrower or any Material Subsidiary of the Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts (excluding, in each case, the solvent liquidation or reorganization of any Foreign Subsidiary of the Borrower that is not a Loan Party), or (B) seeking appointment of a receiver, interim receiver, receivers, receiver and manager, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or the Borrower or any Material Subsidiary of the Borrower shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Borrower or any Material Subsidiary of the Borrower any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged, unstayed or unbonded for a period of 60 days; or (iii) there shall be commenced against the Borrower or any Material Subsidiary of the Borrower any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of an order for any such relief which shall not have

been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) the Borrower or any Material Subsidiary of the Borrower shall take any corporate or other similar organizational action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) the Borrower or any Material Subsidiary of the Borrower shall be generally unable to, or shall admit in writing its general inability to, pay its debts as they become due; or

(g) (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or would reasonably be expected to result in liability of the Borrower under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) a Foreign Benefit Event occurs which, either individually or together with other Foreign Benefit Events that have occurred, would reasonably be expected to result in a Material Adverse Effect; or

(h) One or more judgments or decrees shall be entered against the Borrower or any of its Restricted Subsidiaries involving in the aggregate at any time a liability (net of any insurance or indemnity payments actually received in respect thereof prior to or within 60 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) of the Threshold Amount or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or

(i) with respect to any Collateral, individually, having a fair market value in excess of the Threshold Amount, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Lenders the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Borrower or any Guarantor denies in writing that it has any further liability under any Security Document (in each case other than in accordance with the terms of this Agreement or any of the Security Documents), except to the extent that any loss of perfection or priority results from the failure of the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) to maintain possession of certificates actually delivered to it representing securities, promissory notes or other instruments pledged under the Security Documents, or otherwise results from the gross negligence or willful misconduct of the Administrative Agent or the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) and except, as to Collateral consisting of real property, to the extent that such failure is covered by a lender's title insurance policy and the Collateral Agent is reasonably satisfied with the credit of such insurer; provided, that if a failure of the sort described in this Section 9.1(i) is susceptible of cure (including with respect to any loss of Lien priority on material portions of the Collateral), no Event of Default shall arise under this Section 9.1(i) with respect thereto until 30 days after a Responsible Officer becomes aware of such failure; or

(j) Subject to the Borrower's option to make an offer to prepay the Term Loans pursuant to Section 8.8, a Change of Control shall have occurred.

9.2 Remedies Upon an Event of Default. SECTION 10

The Agents and the Other Representatives

10.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to or required of such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Each Lender further authorizes the Administrative Agent to act as representative of the Lenders under the Security Agreement and each other Security Document, as applicable. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents and the Other Representatives shall not have any duties or responsibilities, except, in the case of the Administrative Agent and the Collateral Agent, those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent or the Other Representatives.

(b) Each of the Agents may perform any of their respective duties under this Agreement, the other Loan Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and the Collateral Agent may perform

any of their respective duties under the Security Documents by or through one or more of their respective affiliates). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 10 shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

(c) Except for Sections 10.5, 10.8(a), (b), (c) and (e) and (to the extent of the Borrower's rights thereunder and the conditions included therein) 10.9, the provisions of this Section 10 are solely for the benefit of the Agents and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

10.2 The Administrative Agent and Affiliates. Each person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any Subsidiary or other Affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.3 Action by an Agent. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Collateral Agent in the case of the Administrative Agent), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact or counsel selected by it with reasonable care.

10.4 Exculpatory Provisions. (a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirement of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 11.1) or (y) in the absence of its own gross negligence, bad faith or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until written notice describing such Default is given to such Agent by the Borrower or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term as used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) Each party to this Agreement acknowledges and agrees that the Administrative Agent may use an outside service provider for the tracking of all UCC financing statements required to be filed pursuant to the Loan Documents and notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that any such service provider will be deemed to be acting at the request and on behalf of the Borrower and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider.

10.5 Acknowledgement and Representations by Lenders. Each Lender expressly acknowledges that none of the Agents or the Other Representatives nor any of their officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by any Agent or any Other Representative hereafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by such Agent or such Other Representative to any Lender. Each Lender further represents and warrants to the Agents, the Other Representatives and each of the Loan Parties that it has had the opportunity to review each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof. Each Lender acknowledges that, independently and without reliance upon any Agent, the Other

Representatives or any other Lender, and based on such documents and information as it has deemed appropriate, it has made and will make, its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties, it has made its own decision to make its Loans hereunder and enter into this Agreement and it will make its own decisions in taking or not taking any action under this Agreement and the other Loan Documents and, except as expressly provided in this Agreement, neither the Agents nor any Other Representative shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender acknowledges and agrees to comply with the provisions of Section 11.6 applicable to the Lenders hereunder.

10.6 Indemnity; Reimbursement by Lenders. (a) To the extent that the Borrower or any other Loan Party for any reason fails to indefeasibly pay any amount required under Section 11.5 to be paid by it to the Administrative Agent (or any sub-agent thereof) or the Collateral Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay ratably according to their respective outstanding Term Loans on the date on which the applicable unreimbursed expense or indemnity payment is sought under this Section 10.6 such unpaid amount (such indemnity shall be effective whether or not the related losses, claims, damages, liabilities and related expenses are incurred or asserted by any party hereto or any third party); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub- agent thereof) in connection with such capacity. The obligations of the Lenders under this Section 10.6 are subject to the provisions of Section 4.8.

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) All amounts due under this Section 10.6 shall be payable not later than three Business Days after demand therefor. The agreements in this Section 10.6 shall survive the payment of the Loans and all other amounts payable hereunder.

10.7 Right to Request and Act on Instructions; Reliance. (a) Each Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents an Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, the requesting Agent shall be absolutely entitled as between itself and the Lenders to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Lender for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from Required Lenders or all or such other portion of the

Lenders as shall be prescribed by this Agreement. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of an Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of Required Lenders (or all or such other portion of the Lenders as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required Lenders (or such other applicable portion of the Lenders), an Agent shall have no obligation to any Lender to take any action if it believes, in good faith, that such action would violate applicable law or exposes an Agent to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 10.6.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall be entitled to rely upon the advice of any such counsel, accountants or experts and shall not be liable for any action taken or not taken by it in accordance with such advice.

agreement required in connection with a Permitted Debt Exchange Offer or any Extension Amendment and the exercise by the Agents or the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. Each Lender further agrees that the Collateral Agent may act pursuant to the Security Documents as instructed by the representative of the First Lien Obligations (as defined in the Security Agreement) then having authority to direct actions of the Collateral Agent pursuant to the Security Documents. (b) The Lenders hereby authorize each Agent, in each case at its option and in its discretion, (A) to release any Lien granted to or held by such Agent upon any Collateral (i) upon termination of the Initial Term Loan Commitments and payment and satisfaction of all of the Term Loan Facility Obligations under the Loan Documents at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby that are then due and unpaid, (ii) constituting property being sold or otherwise disposed of (to Persons other than a Loan Party) upon the sale or other disposition thereof, (iii) owned by any Subsidiary Guarantor designated as an Excluded Subsidiary or constituting Equity Interests of an Excluded Subsidiary, (iv) if approved, authorized or ratified in writing by the Required Lenders (or such greater amount, to the extent required by Section 11.1) or (v) as otherwise may be expressly provided in the relevant Security Documents and (B) at the written request of the Borrower to subordinate any Lien on any Excluded Assets or any other property granted to or held by such Agent, as the case may be under any Loan Document to the holder of any Permitted Lien. (c) The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as the case may be, in each case at its option and in its discretion, to enter into any amendment, amendment and restatement, restatement, waiver, supplement or modification, and to make or consent to any filings or to take any other actions, in each case as contemplated by Section 11.17. (f) The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the collateral as such Agents may from time to time agree.

10.9 Successor Agent. Subject to the appointment of a successor as set forth herein, (i) the Administrative Agent or the Collateral Agent may be removed by the Borrower or the Required Lenders (in the case of the Collateral Agent, subject to the Security Agreement) if the Administrative Agent, the Collateral Agent or a controlling affiliate of the Administrative Agent or the Collateral Agent is a Defaulting Lender and (ii) the Administrative Agent and the Collateral Agent may resign as Administrative Agent or Collateral Agent, respectively, in each case upon ten days' notice to the Administrative Agent, the Lenders and the Borrower, as applicable. If the Administrative Agent or the Collateral Agent shall be removed by the Borrower or the Required Lenders pursuant to clause (i) above or if the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such successor agent shall be subject to approval by the Borrower; provided that such approval by the Borrower in connection with the appointment of any successor Administrative Agent shall only be required so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing; provided further, that the Borrower shall not unreasonably withhold its approval of any successor Administrative Agent if such successor is a commercial bank with a consolidated combined capital and surplus of at least $5.0 billion. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. In the case of the Collateral Agent, the provision of this Section 10.9 shall in all respects be subject to the provisions of the Security Agreement.

10.10 Withholding Tax. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax, and in no event shall such Agent be required to be responsible for or pay any additional amount with respect to any such withholding. If the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify such Agent of a change in circumstances which rendered the exemption from or reduction of withholding tax ineffective or for any other reason, without limiting the provisions of Section 4.11(a) or 4.12, such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred and shall make payable in respect thereof within 30 days after demand therefor. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 10.10. The agreements in this Section 10.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Term Loan Facility Obligations.

10.11 Other Representatives. None of the entities identified as joint bookrunners and joint lead arrangers or syndication agents pursuant to the definition of Other Representative contained herein, shall have any duties or responsibilities hereunder or under any other Loan Document in its capacity as such. Without limiting the foregoing, no Other Representative shall have nor be deemed to have a fiduciary relationship with any Lender. At any time that any Lender serving as an Other Representative shall have transferred to any other Person (other than any of its affiliates) all of its interests in the Loans, such Lender shall be deemed to have concurrently resigned as such Other Representative.

10.12 Application of Proceeds. The Lenders and the Administrative Agent agree, as among such parties, as follows: subject to the terms of the Security Agreement, any Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement or any Intercreditor Agreement Supplement, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Administrative Agent or any Lender on account of amounts then due and outstanding under any of the Loan Documents shall, except as otherwise expressly provided herein, be applied as follows: first, to pay all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of the Administrative Agent and the Collateral Agent in connection with enforcing the rights of the Agents and the Lenders under the Loan Documents (including all expenses of sale or other realization of or in respect of the Collateral and any sums advanced to the Collateral Agent or to preserve its security interest in the Collateral), second, to pay all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of each of the Lenders in connection with enforcing such Lender's rights under the Loan Documents, third, to pay interest on Loans then outstanding; fourth, to pay principal of Loans then outstanding and obligations under Secured Hedge Agreements and Cash Management Obligations permitted hereunder and secured by the Security Agreement as Term Loan Facility Obligations, ratably among the applicable Secured Parties in proportion to the respective amounts described in this clause "fourth" payable to them, and fifth, to pay the surplus, if any, to whomever may be lawfully entitled to receive such surplus. To the extent any amounts available for distribution pursuant to clause "third" or "fourth" above are insufficient to pay all obligations described therein in full, such moneys shall be allocated pro rata among the applicable Secured Parties in proportion to the respective amounts described in the applicable clause at such time. This Section 10.12 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendment) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of loans added pursuant to Sections 2.6 and 2.8, as applicable.

SECTION 11

(ii) amend, modify or waive any provision of this Section 11.1(a) or reduce the percentage specified in the definition of "Required Lenders," or consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents (other than pursuant to Section 8.6 or 11.6(a)), in each case without the written consent of all the Lenders;

Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Section 4.4, 4.8 or 10.14 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment or any Extension Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Term Loans, any Incremental Commitments or Incremental Loans and any Extended Term Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Extended Term Tranche or Incremental Commitments or Incremental Loans in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower) to execute any amendment referred to in this clause (d) or an acknowledgement thereof.

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional

credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facilities and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility hereunder and (z) to provide class protection for any additional credit facilities.

(f) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by Section 11.17 with the written consent of the Agent party thereto and the Loan Party party thereto.

(g) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Section 11.1(a), the consent of each Lender or each directly and adversely affected Lender, as applicable, is required and the consent of the Required Lenders at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such Lender, a "Non-Consenting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) so long as no Event of Default under Section 9.1 (a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, prepay the Loans and, if applicable, terminate the commitments of such Non-Consenting Lender, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender, and the Administrative Agent shall record such assignment in the Register.

11.2 Notices. (a) All notices, requests, and demands to or upon the respective parties hereto to be effective shall be in writing (including telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand, or three days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, or, in the case of delivery by a nationally recognized overnight courier, when received, addressed as follows in the case of the Borrower, the Administrative Agent and the Collateral Agent, and as set forth in Schedule A in the case of the other parties hereto, or to such other address as may be hereafter notified by the respective parties hereto and any future holders of the Loans:

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders pursuant to Section 4.2, 4.4 or 4.8 shall not be effective until received.

(b) Without in any way limiting the obligation of any Loan Party and its Subsidiaries to confirm in writing any telephonic notice permitted to be given hereunder, the Administrative Agent may prior to receipt of written confirmation act without liability upon the basis of such telephonic notice, believed by the Administrative Agent in good faith to be from a Responsible Officer of a Loan Party.

(c) Loan Documents may be transmitted and/or signed by facsimile or other electronic means (e.g., a "pdf" or "tiff"). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile or other electronic document or signature.

(d) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Section 2 if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. Unless the Administrative Agent otherwise prescribes (with the Borrower's consent), (i) notices and other communications sent to an e-mail address shall be deemed to have been duly made or given when delivered, provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the posting thereof.

(e) (i) The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on a Platform and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees to clearly and conspicuously mark all Borrower Materials that the Borrower intends to be made available to Public Lenders; provided that the Borrower agrees that the Disqualified Institution List will be deemed to be "public-side" Borrower Materials and may be made available to Public Lenders.

(ii) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities laws.

11.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent, any Lender or any Loan Party, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Loan Documents (or in any amendment, modification or supplement hereto or thereto) and in any certificate delivered pursuant hereto or such other Loan Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

11.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents and the Other Representatives for (1) all their reasonable and documented out-of-pocket costs and expenses incurred in connection with (i) the syndication of the Facilities and the development, preparation, execution and delivery of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions (including the syndication of the Initial Term Loan Commitments) contemplated hereby and thereby and (iii) efforts to monitor the Loans and verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral, and (2) the reasonable and documented fees and disbursements of Davis Polk and Wardwell LLP, and such other special or local counsel, consultants, advisors, appraisers and auditors whose retention (other than during the continuance of an Event of Default) is approved by the Borrower, (b) to pay or reimburse each Lender, each Other Representative and the Agents for all their reasonable costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including the fees and disbursements of counsel to the Agents and the Lenders, (c) to pay, indemnify, or reimburse each Lender, each Other Representative and the Agents for, and hold each Lender, each Other Representative and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, any stamp, documentary, excise and other similar taxes, if any, which may be payable or determined to be payable in connection with the execution, delivery or enforcement of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify or reimburse each Lender, each Other Representative, each Agent (and any sub-agent thereof) and each Related Party of any of the foregoing Persons (each, an "Indemnitee") for, and hold each Indemnitee harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans, the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower or any of its Restricted Subsidiaries or any of the property of the Borrower or any of its Restricted Subsidiaries, of any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party and regardless of whether any Indemnitee is a party thereto (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided that the Borrower shall not have any obligation hereunder to any Lead Arranger, any Other Representative, any Agent (or any sub-agent thereof) or any Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender) with respect to Indemnified Liabilities arising from (i) the gross

negligence, bad faith or willful misconduct of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision, (ii) a material breach of the Loan Documents by any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (iii) claims against such Indemnitee or any Related Party brought by any other Indemnitee that do not involve claims against any Lead Arranger or Agent in its capacity as such. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 11.5 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. All amounts due under this Section 11.5 shall be payable not later than 30 days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 11.5 shall be submitted to the address of the Borrower set forth in Section 11.2, or to such other Person or address as may be hereafter designated by the Borrower in a notice to the Administrative Agent. Notwithstanding the foregoing, except as provided in Sections 11.5(b) and (c) above, the Borrower shall have no obligation under this Section 11.5 to any Indemnitee with respect to any tax, levy, impost, duty, charge, fee, deduction or withholding imposed, levied, collected, withheld or assessed by any Governmental Authority. The agreements in this Section 11.5 shall survive repayment of the Loans and all other amounts payable hereunder.

11.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) other than in accordance with Section 8.6, the Borrower shall not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 11.6.

(b) (i) Subject to the conditions set forth in Section 11.6(b)(ii) below, any Lender other than a Conduit Lender may, in the ordinary course of business and in accordance with applicable law, assign (other than to a Disqualified Institution or any natural person) to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including its Term Loans, pursuant to an Assignment and Acceptance) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower (not to be unreasonably withheld), provided that no consent of the Borrower shall be required for an assignment (x) to a Lender, an Affiliate of a Lender, or an Approved Fund (as defined below); provided, that if any Lender assigns all or a portion of its rights and obligations under this Agreement to one of its Affiliates in connection with or in contemplation of the

sale or other disposition of its interest in such Affiliate, the Borrower's prior written consent shall be required for such assignment, (y) if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing, to any other Person, and (z) in connection with the primary syndication of the Initial Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower; and

(B) the Administrative Agent (such consent not to be unreasonably withheld); provided that no consent of the Administrative Agent shall be required for an assignment to a Lender or an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Initial Term Loan Commitments, Incremental Commitments or Loans under any Facility, the amount of the Initial Term Loan Commitments, Incremental Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1.0 million unless the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of $3,500; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall only be required to be paid once in respect of and at the time of such assignments;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire;

(D) any assignment of Incremental Commitments or Loans to an Affiliated Lender shall also be subject to the requirements of Sections 11.6(h) and (i); and

(E) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon acquisition thereof.

For the purposes of this Section 11.6, the term "Approved Fund" has the following meaning: "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such assignment in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5, and bound by its continuing obligations under Section 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.6(b) shall, to the extent it would comply with Section 11.6(c), be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 11.6.

(iv) The Borrower hereby designates the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrower's agent, solely for purposes of this Section 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Initial Term Loan Commitments or Incremental Commitments of, and interest and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower (and, solely with respect to entries applicable to such Lender, any Lender), at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity) against the Lender and such Disqualified Institution. Notwithstanding the foregoing, in no event shall the Administrative Agent (in its capacity as such) (x) be obligated to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution or (y) have any liability with respect to any assignment or participation of Loans to any Disqualified Institution (other than through the Administrative Agent's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable

decision; provided that in no event shall the Administrative Agent have any liability for any failure to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution).

(v) Each Lender that sells a participation shall, acting for itself and, solely for this purpose, as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for the Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and a Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 11.6(b) and any written consent to such assignment required by Section 11.6(b), the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Borrower. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (vi).

(vii) On or prior to the effective date of any assignment pursuant to this Section 11.6(b), the assigning Lender shall surrender any outstanding Notes held by it all or a portion of which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Borrower marked "cancelled".

Notwithstanding the foregoing provisions of this Section 11.6(b) or any other provision of this Agreement, if the Borrower shall have consented thereto in writing in its sole discretion, the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments and Initial Term Loan Commitments via an electronic settlement system acceptable to Administrative Agent and the Borrower as designated in writing from time to time to the Lenders by Administrative Agent (the "Settlement Service"). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be subject to the prior written approval of the Borrower and shall be consistent with the other provisions of this Section 11.6(b). Each assigning Lender and proposed Assignee

shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans, Incremental Commitments and Initial Term Loan Commitments pursuant to the Settlement Service. Assignments and assumptions of Loans, Incremental Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein. The Borrower may withdraw its consent to the use of the Settlement Service at any time upon notice to the Administrative Agent, and thereafter assignments and assumptions of the Loans, Incremental Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein. Notwithstanding the foregoing, it is understood and agreed that the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments and Initial Term Loan Commitments via the Clearpar electronic settlement system pursuant to procedures consistent with this Section 11.6(b).

Furthermore, no Assignee, which as of the date of any assignment to it pursuant to this Section 11.6(b) would be entitled to receive any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such Sections with respect to the rights assigned, shall, notwithstanding anything to the contrary in this Agreement, be entitled to receive such greater payments unless the assignment was made after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing or the Borrower has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c) (i) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the consent of the Borrower or the Administrative Agent, sell participations (other than to any Disqualified Institution or a natural person) to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Initial Term Loan Commitments, Incremental Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, (D) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (E) in the case of any participation to a Permitted Affiliated Assignee, such participation shall be governed by the provisions of Section 11.6(h)(ii) to the same extent as if each reference therein to an assignment of a Loan were to a participation of a Loan and the references to Affiliated Lender were to such Permitted Affiliated Assignee in its capacity as a participant. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the second proviso to the second sentence of Section 11.1(a)

and (2) directly affects such Participant. Subject to Section 11.6(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7(b) as though it were a Lender, provided that such Participant shall be subject to Section 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such participation in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular participation).

(ii) No Loan Party shall be obligated to make any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Borrower and the Borrower expressly waives the benefit of this provision at the time of such participation. A Participant shall not be entitled to the benefits of Section 4.11 unless such Participant complies with Section 4.11(b) or Section 4.11(c), as applicable, and provides the forms and certificates referenced therein to the Lender that granted such participation.

(d) Any Lender, without the consent of the Borrower or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(e) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 11.6(b). The Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender

hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from the Borrower pursuant to this Section 11.6(f) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Borrower specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Section 11.6(f), in the event that the indemnifying Lender fails timely to compensate the Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Borrower, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(g) If the Borrower wishes to replace the Loans under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 11.1. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 4.12. By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) (i) Notwithstanding anything to the contrary contained herein, any Parent, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Administrative Agent (or other applicable agent managing such auction); provided that (A) any such Dutch auction by the Borrower or its Subsidiaries shall be made in accordance with Section 4.4(h) and (B) any such Dutch auction by any Parent shall be made on terms substantially similar to Section 4.4(h) or on other terms to be agreed between such Parent and the Administrative Agent (or other applicable agent managing such auction) or (2) open market purchases; provided further that:

(1) such Affiliated Lender and such other Lender shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit I hereto (an "Affiliated Lender Assignment and Assumption") and the Administrative Agent shall record such assignment in the Register;

(2) at the time of such assignment after giving affect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement;

(3) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower, whether through a Parent or otherwise, and exchanged for debt or equity securities of the Borrower or such Parent that are otherwise permitted to be issued at such time pursuant to the terms of this Agreement, so long as any Term Loans so acquired by the Borrower shall be retired and cancelled promptly upon the acquisition thereof;

(4) any Term Loans acquired by Holdings or any of its Subsidiaries shall be cancelled and retired immediately upon the acquisition thereof;

(5) each Lender making such assignment to such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lender, the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(ii) Notwithstanding anything to the contrary in this Agreement, no Affiliated Lender that is not an Affiliated Debt Fund shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives or (C) receive advice of counsel to the Administrative Agent, the Collateral Agent or any other Lender or challenge their attorney client privilege.

(iii) Notwithstanding anything in Section 11.1 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment

or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, an Affiliated Lender that is not an Affiliated Debt Fund shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not such Affiliated Lenders; provided that no amendment, modification, waiver, consent or other action with respect to any Loan Document shall deprive such Affiliated Lender of its ratable share of any payments of Term Loans of any class to which such Affiliated Lender is entitled under the Loan Documents without such Affiliated Lender providing its consent; provided, further, that such Affiliated Lender shall have the right to approve any amendment, modification, waiver or consent that (x) disproportionately and adversely affects such Affiliated Lender or affects such Affiliated Lender differently than other Lenders or (y) is of the type described in Sections 11.1(a)(i) through (ix) (other than subclauses (v) and (vi)); and in furtherance of the foregoing, (x) the Affiliated Lender agrees to execute and deliver to the Administrative Agent any instrument reasonably requested by the Administrative Agent to evidence the voting of its interest as a Lender in accordance with the provisions of this Section 11.6(h)(iii); provided that if the Affiliated Lender fails to promptly execute such instrument such failure shall in no way prejudice any of the Administrative Agent's rights under this Section 11.6(h)(iii) and (y) the Administrative Agent is hereby appointed (such appointment being coupled with an interest) by such Affiliated Lender as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iii).

(iv) Each Affiliated Lender that is not an Affiliated Debt Fund, solely in its capacity as a Lender, hereby agrees, and each Affiliated Lender Assignment and Assumption agreement shall provide a confirmation that, if any of the Borrower or any Restricted Subsidiary shall be subject to any voluntary or involuntary bankruptcy, reorganization, insolvency or liquidation proceeding (each, a "Bankruptcy Proceeding"), (i) such Affiliated Lender shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Affiliated Lender's claim with respect to its Term Loans ("Claim") (including objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Affiliated Lender is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including voting on any plan of reorganization), the Term Loans held by such Affiliated Lender (and any Claim with respect thereto) shall be deemed to be voted in accordance with Section 11.6(h)(iii) above, so long as such Affiliate Lender is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each

Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Section 11.6(h)(iv) and the related provisions set forth in each Affiliated Lender Assignment and Assumption constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, it is their intention that this Section 11.6(h)(iv) would be enforceable for all purposes in any case where the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to the Borrower or such Restricted Subsidiary, as applicable. Each Affiliated Lender that is not an Affiliated Debt Fund hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iv).

(i) Notwithstanding anything to the contrary in this Agreement, Section 11.1 or the definition of "Required Lenders" (x) with respect to any assignment or participation to or by an Affiliated Debt Fund, such assignment or participation shall be made pursuant to an open market purchase and (y) for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or

(iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Affiliated Lenders (including Affiliated Debt Funds), combined, may not account for more than 50.0% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 11.1. Notwithstanding anything to the contrary in this Agreement, with respect to any assignment to or by an Affiliated Debt Fund, at the time of such assignment after giving affect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement.

(j) Notwithstanding the foregoing provisions of this Section 11.6, nothing in this Section 11.6 is intended to or should be construed to limit the Borrower's right to prepay the Term Loans as provided hereunder, including under Section 4.4.

11.7 Adjustments; Set-off; Calculations; Computations. (a) If any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise (except pursuant to Section 2.7, 2.8, 4.4, 4.9, 4.10, 4.11, 4.12, 4.13(d), 11.1(g) or 11.6)), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans owing to it, or interest thereon, such Benefited Lender shall

purchase for cash from the other Lenders an interest (by participation, assignment or otherwise) in such portion of each such other Lender's Loans owing to it, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon the occurrence of an Event of Default under Section 9.1(a) or the Loans becoming due and payable pursuant to Section 9.2 to set-off and appropriate and apply against any amount then due and payable under Section 9.1(a) by the Borrower any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

11.8 Judgment. (a) If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 11.8 referred to as the "Judgment Currency") an amount due under any Loan Document in any currency (the "Obligation Currency") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 11.8 being hereinafter in this Section 11.8 referred to as the "Judgment Conversion Date").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 11.8(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

(c) The term "rate of exchange" in this Section 11.8 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

11.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of such counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be delivered to the Borrower and the Administrative Agent.

11.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.11 Integration. This Agreement and the other Loan Documents represent the entire agreement of each of the Loan Parties party hereto, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any of the Loan Parties party hereto, the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

11.12 Governing Law. THIS AGREEMENT AND ANY NOTES AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY NOTES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

11.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Term Loan Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 11.13 would otherwise require to be asserted in a

legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 11.13(a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding.

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to Section 11.13(a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 11.2 or at such other address of which the Administrative Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 11.13 any consequential or punitive damages.

11.14 Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Other Representative or Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of creditor and debtor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among the Borrower and the Lenders.

11.15 Waiver Of Jury Trial. EACH OF THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

11.16 Confidentiality. (a) Each Agent and each Lender agrees to keep confidential any information (a) provided to it by or on behalf of the Borrower or any of their respective Subsidiaries pursuant to or in connection with the Loan Documents or (b) obtained by such Lender based on a review of the books and records of the Borrower or any of their respective Subsidiaries; provided that nothing herein shall prevent any Lender from disclosing any such information (i) to any Agent, any Other Representative or any other Lender, (ii) to any Transferee, or prospective Transferee or any creditor or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations which agrees to comply with the provisions of this Section 11.16 pursuant to a written instrument (or electronically recorded agreement from any Person listed above in this clause (ii), in respect to any electronic information (whether posted or otherwise distributed on any Platform)) for the benefit of the Borrower (it being understood that each relevant Lender shall be solely responsible for obtaining such instrument (or such electronically recorded agreement)), (iii) to its Affiliates and the employees, officers, partners, directors, agents, attorneys, accountants and other professional advisors of it and its Affiliates, provided that such Lender shall inform each such Person of the agreement under this Section 11.16 and take reasonable actions to cause compliance by any such Person referred to in this clause (iii) with this agreement (including, where appropriate, to cause any such Person to acknowledge its agreement to be bound by the agreement under this Section 11.16), (iv) upon the request or demand of any Governmental Authority having jurisdiction over such Lender or its affiliates or to the extent required in response to any order of any court or other Governmental Authority or as shall otherwise be required pursuant to any Requirement of Law, provided that, other than with respect to any disclosure to any bank regulatory authority, such Lender shall, unless prohibited by any Requirement of Law, notify the Borrower of any disclosure pursuant to this clause (iv) as far in advance as is reasonably practicable under such circumstances, (v) which has been publicly disclosed other than in breach of this Agreement, (vi) in connection with the exercise of any remedy hereunder, under any Loan Document or under any Interest Rate Agreement, (vii) in connection with periodic regulatory examinations and reviews conducted by the National Association of Insurance Commissioners or any Governmental Authority having jurisdiction over such Lender or its affiliates (to the extent applicable), (viii) in connection with any litigation to which such Lender (or, with respect to any Interest Rate Agreement, any Affiliate of any Lender party thereto) may be a party subject to the proviso in clause (iv) above, and (ix) if, prior to such information having been so provided or obtained, such information was already in an Agent's or a Lender's possession on a non-confidential basis without a duty of confidentiality to the Borrower being violated. In addition, the Administrative Agent may disclose (i) the existence of this Agreement, the global amount, currency and maturity date of any Facility hereunder, and the legal name, country of domicile and jurisdiction of organization of the Borrower, to (i) the

CUSIP Bureau and other similar market data collectors or service providers to the lending industry, provided that either such information shall have been previously made publicly available by the Borrower, or the Administrative Agent shall have obtained the written consent of the Borrower (such consent not to be unreasonably withheld or delayed), prior to making such disclosure, and (ii) information about this Agreement to service providers to the Administrative Agent to the extent customary in connection with the administration and management of this Agreement, the other Loan Documents, the Initial Term Loan Commitments, the Incremental Commitments, and the Loans, provided that any such Person is advised of and agrees to be bound by the provisions of this Section 11.16 and the Administrative Agent takes reasonable actions to cause such Person to comply herewith. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 11.16 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

(b) Each Lender acknowledges that any such information referred to in Section 11.16(a), and any information (including requests for waivers and amendments) furnished by the Borrower or the Administrative Agent pursuant to or in connection with this Agreement and the other Loan Documents, may include material non-public information concerning the Borrower, the other Loan Parties and their respective Affiliates or their respective securities. Each Lender represents and confirms that such Lender has developed compliance procedures regarding the use of material non-public information; that such Lender will handle such material non-public information in accordance with those procedures and applicable law, including United States federal and state securities laws; and that such Lender has identified to the Administrative Agent a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law.

11.17 Incremental Indebtedness; Additional Indebtedness. In connection with the incurrence by any Loan Party or any Subsidiary thereof of any Incremental Indebtedness or Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agree to execute and deliver amendments, waivers, supplements or other modifications to the Security Agreement, the Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement or any Intercreditor Agreement Supplement and amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Security Document (including but not limited to any Mortgages and UCC fixture filings), and to make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Borrower to be necessary or reasonably desirable for any Lien on the assets of any Loan Party permitted to secure such Incremental Indebtedness or Additional Indebtedness to become a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan Documents) pursuant to the Security Document being so amended, amended and restated, restated, waived, supplemented or otherwise modified or otherwise.

11.18 USA Patriot Act Notice. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies the Borrower and the other Loan Parties, which information includes the name of the Borrower and the other Loan Parties and other information that will allow such Lender to identify the Borrower and the other Loan Parties in accordance with the Patriot Act, and the Borrower agrees to provide such information from time to time to any Lender.

11.19 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance or Affiliated Lender Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.20 Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition or other proceeding be filed by or against any Loan Party for liquidation or reorganization, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should an interim receiver, receiver, receiver and manager or trustee be appointed for all or any significant part of any Loan Party's assets, and shall continue to be effective or to be reinstated, as the case may be, if at any time payment and performance of the obligations of the Borrower under the Loan Documents, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the obligations, whether as a fraudulent preference, reviewable transaction or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the obligations of the Borrower hereunder shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

It is further understood and agreed that this Incremental Amendment and the Credit Agreement are each a "Loan Document", as defined in the Existing Credit Agreement. The Borrower and the Administrative Agent hereby consent, pursuant to Section 2.6(b) of the Existing Credit Agreement, to the inclusion as an "Additional Lender" of each Tranche B Term Lender that is party to this Incremental Amendment that is not an existing Lender or Affiliate of an existing Lender or an Approved Fund.

(b) Effective as of the making of the Tranche B Refinancing Term Loans and the prepayment of the Initial Term Loans, the Existing Credit Agreement (excluding Exhibits and Schedules thereto) is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the bold and double-underlined text (indicated textually in the same manner as the following example: **double underlined text**) as set forth in the pages of the Existing Credit Agreement attached as Annex I hereto.

(c) Exhibits G, J, K, L, M, N, O and P to Existing Credit Agreement are hereby amended to read as set forth in Annex II hereto.

(c) Representations and Warranties. All representations and warranties set forth in Section 9 of this Incremental Amendment shall be true and correct in all material respects on and as of the First Incremental Amendment Effective Date with the same effect as though made on and as of such date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(d) PATRIOT Act and Anti-Money Laundering. The Administrative Agent shall have received, at least 5 days prior to the First Incremental Amendment Effective Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act, as has been reasonably requested in writing at least 10 days prior to the First Incremental Amendment Effective Date by the Administrative Agent or any Tranche B Lead Arranger (as defined below).

The Administrative Agent shall give prompt notice in writing to the Borrower of the occurrence of the First Incremental Amendment Effective Date. (a) PLG Acquisition. The PLG Acquisition shall have been consummated, or substantially simultaneously with the borrowing of the Tranche B Initial Term Loans, shall be consummated, in all material respects in accordance with the terms of the PLG Purchase Agreement, after giving effect to any modifications, amendments, consents or waivers thereto, other than those modifications, amendments, consents or waivers that are materially adverse to the interests of the Tranche B Term Lenders in their capacities as such, unless consented to in writing by the Required Tranche B Lenders (as defined below) (such consent not to be unreasonably withheld, delayed or conditioned); provided that any reduction in the acquisition price shall not be deemed to be materially adverse to the Tranche B Term Lenders, provided further that any reduction of the acquisition price shall be allocated dollar for dollar and ratably to a reduction of the Tranche B Initial Term Loan Commitment of each Tranche B Term Lender.

(b) Specified Representations. The Specified Representations shall be true and correct in all material respects on and as of the date of the borrowing (although any Specified Representation that expressly relates to a given date or period shall be required only to be true and correct in all material respects as of the respective date or for the respective period, as the case may be). For purposes hereof, "Specified Representations" means the representations and warranties set forth in (x) Section 9(a), 9(b), 9(c) and 9(d) of this Incremental Amendment and (y) Sections 5.13, 5.14(b) (with respect to the use of proceeds of the Tranche B Term Loans and without regard to the "Material Adverse Effect" qualification therein), 5.15 (with respect to the use of proceeds of the Tranche B Term Loans), 5.20 (as of the First Incremental Amendment Closing Date and after giving effect to the Transactions (as defined herein, including the EMI France Acquisition if the EMI France Acquisition is consummated on the First Incremental Amendment Closing Date)), 5.21 and 5.22 of the Credit Agreement.

(c) Compliance Certificate. The Administrative Agent shall have received a certificate of the Borrower certifying compliance with the financial test set forth in clause (i)(B) of the proviso to Section 2.6(a) of the Credit Agreement (together with calculations demonstrating compliance with such test).

The making of the Tranche B Initial Term Loans by the Tranche B Initial Term Lenders hereunder shall conclusively be deemed to constitute an acknowledgement by the Administrative Agent and each Tranche B Term Lender that has made its respective Tranche B Initial Term

Loan that each of the conditions precedent set forth in Sections 3 and 5 of this Incremental Amendment shall have been satisfied in accordance with its respective terms or shall have been irrevocably waived by such Person.

(i) The Tranche B Lead Arrangers and the Tranche B Initial Committed Lenders shall have received all fees and expenses required to be paid or delivered by the Borrower to them on or prior to such date pursuant to the Fee Letter and (ii) the Tranche B Term Lenders having a Tranche B Delayed Draw Commitment shall have received all fees required to be paid or delivered by the Borrower to them on or prior to such date pursuant to Section 4.5(d) of the Credit Agreement.

The making of the Tranche B Delayed Draw Term Loans by the Tranche B Delayed Draw Term Lenders hereunder shall conclusively be deemed to constitute an acknowledgement by the Administrative Agent and each Tranche B Term Lender that has made its respective Tranche B Delayed Draw Term Loan that each of the conditions precedent set forth in Sections 5 and 6 of this Incremental Amendment shall have been satisfied in accordance with its respective terms or shall have been irrevocably waived by such Person.

Section 7. Outside Dates.

(a) Notwithstanding anything herein to the contrary, if the Tranche B Initial Outside Date (as defined below) occurs prior to the First Incremental Amendment Closing Date, all Tranche B Term Loan Commitments hereunder and under the Credit Agreement shall automatically terminate. Section 9. Representations and Warranties. To induce the other parties hereto to enter into this Incremental Amendment and the Tranche B Term Lenders to make the Tranche B Term Loans, the Borrower hereby represents and warrants, with respect to itself and its Restricted Subsidiaries, on the First Incremental Amendment Effective Date, to the Administrative Agent and each Tranche B Term Lender that:

(a) Each Loan Party (1) is a Person (i) duly organized or formed and validly existing and (ii) in good standing (to the extent such concept has a legally recognized meaning in its jurisdiction of organization) under the Laws of the jurisdiction of its organization, (2) has all requisite corporate or other organizational power and authority to (i) own or lease its assets and carry on its business and (ii) execute and deliver this Incremental Amendment and perform its obligations under this Incremental Amendment and, solely in the case of the Borrower, the Credit Agreement; except in each case referred to in clause (1)(i) (other than as to the Borrower and any Material Subsidiary that is a Loan Party), clause (1)(ii) (other than as to the Borrower) or clause (2)(i), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

(b) The execution and delivery by each Loan Party of this Incremental Amendment, the performance of this Incremental Amendment by each Loan Party, the performance of the Credit Agreement by the Borrower and the consummation of the Transactions, (i) are within such Loan Party's corporate or other powers and have been duly authorized by all necessary corporate or other organizational action and (ii) do not and will not contravene the terms of any of such Person's Organization Documents; except in the case of this clause (ii) (other than as to the Borrower), to the extent that such contravention would not reasonably be expected to have a Material Adverse Effect.

(c) This Incremental Amendment has been duly executed and delivered by the Borrower and each other Loan Party. This Incremental Amendment and, solely in the case of the Borrower, the Credit Agreement constitute legal, valid and binding obligations of the Borrower and such other Loan Party, enforceable against the Borrower and each other Loan Party that is party hereto in accordance with their terms, in each case except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

(d) The Borrower will use the proceeds of the Tranche B Refinancing Term Loans to prepay in full the Initial Term Loans. The Borrower will use the proceeds of the Tranche B Initial Term Loans to consummate the PLG Acquisition, to pay fees, costs and expenses related to the Transactions and for general corporate purposes of the Borrower and its Subsidiaries. The Borrower will use the proceeds of the Tranche B Delayed Draw Term Loans to consummate the EMI France Acquisition, to pay fees, costs and expenses related to the Transactions and for general corporate purposes of the Borrower and its Subsidiaries.

Except as expressly set forth herein, each and every term, condition, obligation, covenant and agreement contained in the Existing Credit Agreement or any other Loan Document is hereby ratified and re-affirmed in all respects and shall continue in full force and effect and nothing herein can or may be construed as a novation thereof. Each Loan Party and Holdings reaffirms its obligations under the Loan Documents to which it is party and the validity, enforceability and perfection of the Liens granted by it pursuant to the Security Agreement on the First Incremental Amendment Effective Date. This Incremental Amendment shall constitute a Loan Document for purposes of the Credit Agreement and from and after the First Incremental Amendment Effective Date, all references to the "Credit Agreement" in any Loan Document and all references in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Credit Agreement as amended by this Incremental Amendment. Each of the Loan Parties and Holdings hereby consents to this Incremental Amendment and confirms that all obligations of such Loan Party or Holdings under the Loan Documents to which such Loan Party or Holdings is a party shall continue to apply to the Credit Agreement, as amended hereby.

(b) Without limiting the foregoing, each of the Loan Parties party to the Guarantee Agreement and the Security Agreement hereby (i) acknowledges and agrees that the Tranche B Term Loans are Loans and the Tranche B Term Lenders are Lenders, (ii) acknowledges and agrees that all of its obligations under the Guarantee Agreement and the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (iii) reaffirms each Lien granted by each Loan Party to the Collateral Agent for the benefit of the Secured Parties (including the Tranche B Term Lenders) and reaffirms the guaranties made pursuant to the Guarantee Agreement, (iv) acknowledges and agrees that the grants of security interests by and the guaranties of the Loan Parties contained in the Guarantee Agreement and the Security Agreement are, and shall remain, in full force and effect after giving effect to the Incremental Amendment, (v) agrees that the Secured Obligations include, among other things and without

limitation, the prompt and complete payment and performance by the Borrower when due and payable (whether at the stated maturity, by acceleration or otherwise) of principal and interest on, the Tranche B Term Loans, and (vi) agrees that all Secured Obligations are Guaranteed Obligations (as defined in the Guarantee Agreement).

(c) Without limiting the foregoing, Holdings, as party to the Security Agreement hereby (i) acknowledges and agrees that the Tranche B Term Loans are Loans and the Tranche B Term Lenders are Lenders, (ii) acknowledges and agrees that all of its obligations under the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (iii) reaffirms each Lien granted it to the Collateral Agent for the benefit of the Secured Parties (including the Tranche B Term Lenders), (iv) acknowledges and agrees that the grants of security interests by it contained in the Security Agreement are, and shall remain, in full force and effect after giving effect to the Incremental Amendment and (v) agrees that the Secured Obligations include, among other things and without limitation, the prompt and complete payment and performance by the Borrower when due and payable (whether at the stated maturity, by acceleration or otherwise) of principal and interest on, the Tranche B Term Loans.

Section 11. Amendments and Waivers.

(a) The Required Tranche B Lenders may, or, with the written consent of the Required Tranche B Lenders, the Administrative Agent may, from time to time prior to the First Incremental Amendment Closing Date, waive at any Loan Party's request any condition precedent set forth in Section 5 or Section 6 of this Incremental Amendment. For purposes of this Incremental Amendment, "Required Tranche B Lenders" means each Tranche B Term Lender signatory hereto.

(b) The Required Tranche B Lenders may, or, with the written consent of the Required Tranche B Lenders, the Administrative Agent may, from time to time prior to the Tranche B Delayed Draw Closing Date, waive at any Loan Party's request any condition precedent set forth in Section 6 of this Incremental Amendment.

Any waiver and any amendment, supplement or modification pursuant to this Section 11 shall apply to each of the Tranche B Term Lenders and shall be binding upon the Loan Parties, the Tranche B Term Lenders, the Administrative Agent and all future holders of the Tranche B Term Loans. For the avoidance of doubt, this Incremental Amendment and the Credit Agreement may also be amended, supplemented or modified in accordance with the Fee Letter solely with respect to the terms of the Tranche B Initial Term Loans and the Tranche B Delayed Draw Term Loans.

Section 12. Expenses. The Borrower agrees to pay or reimburse the Administrative Agent for (1) all of its reasonable out-of-pocket costs and expenses incurred in connection with this Incremental Amendment, any other documents prepared in connection herewith and the transactions contemplated hereby, and (2) the reasonable documented fees, charges and disbursements of Davis Polk & Wardwell LLP, as counsel to the Administrative Agent.

For purposes of making the computation referred to above with respect to any specified Person, if any Specified Transaction has been made by such specified Person or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, the Fixed Charge Coverage Ratio shall be calculated on a pro forma basis assuming that all such Specified Transactions (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If, since the beginning of such period, any other Person became a Restricted Subsidiary of such specified Person or was merged with or into such specified Person or any of its Restricted Subsidiaries and, since the beginning of such period, such other Person shall have made any Specified Transaction that would have required adjustment pursuant to the immediately preceding sentence if made by such specified Person or a Restricted Subsidiary thereof since the beginning of such period, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Specified Transaction had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition with respect to any specified Person, whenever pro forma effect is to be given to any Specified Transaction (including the Transactions and the 2011 Transactions), the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of such specified Person and may include, for the avoidance of doubt, cost savings and synergies resulting from or related to any such Specified Transaction (including the Transactions and the 2011 Transactions) which is being given pro forma effect that have been or are expected to be realized and for which the actions necessary to realize such cost savings and synergies are taken or expected to be taken no later than 12 months after the date of any such Specified Transaction (in each case as though such cost savings and synergies had been realized on the first day of the applicable period). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of such specified Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as such specified Person may designate.

2.5 Repayment of Loans. (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent (in the currency in which such Term Loan is denominated) for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender made to the Borrower, on the **Initial Term Loan Maturity Date (in the case of Initial Term Loans) or the Tranche B Term Loan Maturity Date (in the case of Tranche B Term Loans)** (or such earlier date on which the Term Loans become due and payable pursuant to Section 9). (b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain the Register pursuant to Section 11.6(b), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each applicable Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each applicable Lender's share thereof.

2.6 Incremental Facilities. (a) So long as no Event of Default under Section 9.1 (a) or (f) exists or would arise therefrom (provided that, to the extent the proceeds of Term Loans made pursuant to any Incremental Commitment will be used to consummate a Limited Condition Acquisition, the requirement that there be no Event of Default under Section 9.1(a) or (f) shall only be required to be satisfied on the date on which definitive agreements with respect to such Limited Condition Acquisition are entered into), the Borrower shall have the right, at any time and from time to time after the **First Incremental Amendment Effective** Date, (i) to request new term loan commitments under one or more new term loan credit facilities to be included in this Agreement (the "Incremental Term Loan Commitments") and (ii) to increase the Existing Term Loans by requesting new term loan commitments to be added to an Existing Term Tranche of Term Loans (the "Supplemental Term Loan Commitments" and, together with the Incremental Term Loan Commitments, the "Incremental Commitments"), provided that, (i) the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.6 shall not exceed, at the time the respective Incremental Commitment becomes effective the greater of (A) $300.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of 3.50 to 1.00 (it being understood that for purposes of determining compliance under this clause (i), any Indebtedness incurred under this clause (i) and Section 8.1(b)(i) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for

purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio), (ii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(B) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying compliance with the financial test set forth in such clause (together with calculations demonstrating compliance with such test) and (iii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(A) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment. Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments) shall be made by creating a new Tranche. (b) Each request from the Borrower pursuant to this Section 2.6 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Lender"); provided that if such Additional Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder or an Approved Fund, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (it being understood that any such Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 11.6(h), *mutatis mutandis*, to the same extent as if such Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment).

(c) Supplemental Term Loan Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit G (the "Increase Supplement") or by each Additional Lender substantially in the form attached hereto as Exhibit H (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan.

(d) Incremental Commitments (other than Supplemental Term Loan Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.6; provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a pari passu or (at the Borrower's option) junior basis by the same Collateral securing the **Tranche B** Term Loans (so long as any such Incremental Commitments (and related Obligations) secured on a junior basis are subject to the Junior Lien Intercreditor Agreement or an Other Intercreditor

Agreement, as applicable), (B) the Incremental Commitments and any incremental loans drawn thereunder (the "Incremental Loans") shall rank pari passu in right of payment with or (at the Borrower's option) junior to the **Tranche B** Term Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Term Loans and (II) so long as any **Tranche B** Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the **Tranche B** Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the **Tranche B** Term Loans, (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date and the weighted average life to maturity of such Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the **Tranche B Term Loan** Maturity Date or the weighted average life to maturity of the **Tranche B** Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the **Tranche B Term Loan** Maturity Date or the weighted average life to maturity of the **Tranche B** Term Loans, as applicable); (iv) the interest rate margins and amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; provided that in the event that the applicable interest rate margins for any term loans incurred by the Borrower under any Incremental Term Loan Commitment are higher than the applicable interest rate margin for the **Tranche B** Term Loans by more than 50 basis points, then the Applicable Margin for the **Tranche B** Term Loans shall be increased to the extent necessary so that the applicable interest rate margin for the **Tranche B** Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 50 basis points; provided, further that, in determining the applicable interest rate margins for the **Tranche B** Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront fees payable generally to all participating Additional Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Borrower to the Lenders under the **Tranche B** Term Loans or any Incremental Term Loan in the initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest based on an assumed four-year life to maturity); (B) any arrangement, structuring or other fees payable in connection with the Incremental Term Loans that are not shared with all Additional Lenders providing such Incremental Term Loans shall be excluded; (C) any amendments to the Applicable Margin on the **Tranche B** Term Loans that became effective subsequent to the **First Incremental Amendment Effective** Date but prior to the time of such Incremental Term Loans shall also be included in such calculations and (D) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the **Tranche B** Term Loans, such increased amount shall be equated to the

applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the **Tranche B** Term Loans shall be required, to the extent an increase in the interest rate floor for the **Tranche B** Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the **Tranche B** Term Loans shall be increased by such amount; (v) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder, (2) for class voting and other class protections for any additional credit facilities, and (3) for the amendment of the definition of "Disqualified Stock," in each case only to extend the maturity date and the weighted average life to maturity requirements, from the **Tranche B Term Loan** Maturity Date and weighted average life to maturity of the **Tranche B** Term Loans to the extended maturity date and the weighted average life to maturity of such Incremental Term Loans, as applicable; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower, provided that to the extent such terms and documentation are not consistent with, in the case of Incremental Term Loans, the terms and documentation governing the **Tranche B** Term Loans (except to the extent permitted by clause (iii), (iv) or (v) above), they shall be reasonably satisfactory to the Borrower and the Administrative Agent.

(e) For the avoidance of doubt, the Tranche B Initial Term Loans or the Tranche B Delayed Draw Term Loans, in each case, incurred after the First Incremental Effective Date shall not constitute "Incremental Term Loans" incurred pursuant to this Section 2.6 but shall be incurred pursuant to Section 2.1(b) or (c) (as applicable) and accordingly the requirements of this Section 2.6, including clause (iv) of the first proviso of Section 2.6(d), shall not apply thereto.

2.7 Permitted Debt Exchanges. (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Borrower, the Borrower may from time to time following the **First Incremental Amendment Effective** Date consummate one or more exchanges of Term Loans of such Tranche for Indebtedness in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective

Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) such Permitted Debt Exchange Notes do not provide for a maturity date or weighted average life to maturity earlier than the Maturity Date of the Term Loans subject to such Permitted Debt Exchange or shorter than the weighted average life to maturity of the Term Loans subject to such Permitted Debt Exchange.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.7, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 4.4 and (ii) such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "Minimum Exchange Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least ten Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.7 and without conflict with Section 2.7(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any

Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.7(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.8 Extension of Term Loans. (a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches (including any Extended Term Loans) existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Term Tranche (any such Existing Term Tranche which has been so extended, an "Extended Term Tranche" and the Term Loans of such Tranche, the "Extended Term Loans") and to provide for other terms consistent with this Section 2.8; provided that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans), and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any Extended Term Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Term Tranche to be established, which terms shall be identical to those applicable to the Existing Term Tranche from which they are to be extended (the "Specified Existing Term Tranche"), except (w) all or any of the final maturity dates of such Extended Term Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Term Tranche, (x) (A) the interest margins with respect to the Extended Term Tranche may be higher or lower than the interest margins for the Specified Existing Term Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Term Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case to the extent provided in the applicable Extension Amendment, (y) any optional or mandatory prepayment applicable to any Extended Term Tranche may be directed first to the prepayment of the Existing Term Loans and (z) amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Term Tranche, so long as the Extended Term Tranche does not have a weighted average life to maturity shorter than the remaining weighted average life to maturity of the Specified Existing Term Tranche; provided that, notwithstanding anything to the contrary in this Section 2.8 or otherwise, (1) assignments and participations of Extended Term Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Term Loans set forth in Section 11.6, and (2) subject to clause (z) above, no repayment of Extended Term Tranches shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Tranches (including Extended Term Tranches) (or all earlier maturing Tranches (including Extended Term Tranches) shall otherwise be or have been terminated and repaid in full). No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into an Extended Term Tranche pursuant to any Extension Request. Any Extended Term Tranche shall constitute a separate Tranche of Term Loans from the Specified Existing Term Tranches and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten Business Days prior to the date on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Term Tranche converted into an Extended Term Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Term Tranche that it has elected to convert into an Extended Term Tranche. In the event that the aggregate amount of the Specified Existing Term Tranche subject to Extension Elections exceeds the amount of Extended Term Tranches requested pursuant to the Extension Request, the Specified Existing Term Tranches subject to Extension Elections shall be converted to Extended Term Tranches on a pro rata basis based on the amount of Specified Existing Term Tranches included in each such Extension Election. In connection with any extension of Term Loans pursuant to this Section 2.8 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.8.

(c) Extended Term Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to (i) provisions related to maturity, interest margins, fees, amortization or prepayments referenced in clauses (w) through (z) of Section 2.8(a) and (ii) the definition of "Disqualified Stock" to amend the maturity date and the weighted average life to maturity requirements, from the **Tranche B Term Loan** Maturity Date and weighted average life to maturity of the **Tranche B** Term Loans to the extended maturity date and the weighted average life to maturity of such Extended Term Tranche, as applicable, and which, in each case, except to the extent expressly contemplated by the third to last sentence of this Section 2.8(c) and notwithstanding anything to the contrary set forth in Section 11.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. No Extension Amendment shall provide for any Extended Term Tranche in an aggregate principal amount that is less than $15.0 million. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 11.1 to any Section 2.8 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.8 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.8 Additional Amendments do not become effective prior to the time that such Section 2.8 Additional Amendments have been consented to (including, without limitation, pursuant to consents applicable to holders of any Extended Term Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.8 Additional Amendments to become effective in accordance with Section 11.1; provided, further, that no Extension Amendment may provide for any Extended Term Tranche to be secured by any

Collateral or other assets of any Loan Party that does not also secure the Existing Term Tranches. It is understood and agreed that each Lender has consented for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.8 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.8 Additional Amendment. In connection with any Extension Amendment, at the request of the Administrative Agent or the Extending Lenders, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of this Agreement as amended by such Extension Amendment, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Term Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Term Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Tranche so converted by such Lender on such date, and such Extended Term Tranches shall be established as a separate Tranche from the Specified Existing Term Tranche and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (i) replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended **Term** Loans on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Acceptance or (ii) if no Event of Default exists under Section 9.1(a) or (f), upon notice to the Administrative Agent, prepay the Existing Term Loans, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 2.8, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other

documentation as of such date, the Administrative Agent shall record such assignment in the Register and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Term Loans deemed to be an Extended Term Loan under the applicable Extended Term Tranche on any date (each date a "Designation Date") prior to the maturity date of such Extended Term Tranche; provided that (i) such Lender shall have provided written notice to the Borrower and the Administrative Agent at least ten Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion) and (ii) except as set forth in Section 2.8(c), no more than three Designation Dates may occur in any one year period without the written consent of the Administrative Agent. Following a Designation Date, the Existing Term Loans held by such Lender so elected to be extended will be deemed to be Extended Term Loans of the applicable Extended Term Tranche, and any Existing Term Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Term Loans" of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.8, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Section 4.4 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and may be waived by the Borrower) of Existing Term Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.8 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 4.4 and 4.8) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.8.

SECTION 3

[Reserved]

SECTION 4

General Provisions Applicable to Loans

4.1 Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted LIBOR Rate determined for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) If all or a portion of (i) the principal amount of any Term Loan, (ii) any interest payable thereon or (iii) any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Section 4.1, plus 2.00%, (y) in the case of overdue interest, the rate that would be otherwise applicable to principal of the related Term Loan pursuant to the relevant foregoing provisions of this Section 4.1 (other than clause (x) above) plus 2.00% and (z) in the case of other amounts, the rate described in clause (b) of this Section 4.1 for ABR Loans accruing interest at the Alternate Base Rate plus 2.00%, in each case from the date of such nonpayment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (c) of this Section 4.1 shall be payable from time to time on demand.

(e) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

4.2 Conversion and Continuation Options. (a) Subject to its obligations pursuant to Section 4.12(c), the Borrower may elect from time to time to convert outstanding Loans of a given Tranche from Eurodollar Loans to ABR Loans by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time two Business Days prior to such election. The Borrower may elect from time to time to convert outstanding Term Loans of a given Tranche from ABR Loans to Eurodollar Loans, by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time at least three Business Day prior to such election. Any such notice of conversion to Eurodollar Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of outstanding Eurodollar Loans or ABR Loans may be converted as provided herein, provided that (i) (unless the Required Lenders otherwise consent) no Loan may be converted into a Eurodollar Loan when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such conversions may be made and (ii) no Term Loan may be converted into a Eurodollar Loan after

the date that is one month prior to the **Initial Term Loan** Maturity Date (**in the case of Initial Term Loans**) **or the Tranche B Term Loan Maturity Date** (**in the case of Tranche B Term Loans**).

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving the Administrative Agent irrevocable notice of such continuation prior to 1:00 P.M., New York City time three Business Days prior to such continuation, including the length of the next Interest Period to be applicable to such Eurodollar Loan, determined in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, provided that no Eurodollar Loan may be continued as such (i) (unless the Required Lenders otherwise consent) when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that if the Borrower shall fail to give any required notice as described above in this clause (b) or if such continuation is not permitted pursuant to the preceding proviso such Eurodollar Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice of continuation pursuant to this Section 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

(c) Notwithstanding any other provision of this Agreement, it is understood and agreed that on the First Incremental Amendment Closing Date and the Tranche B Delayed Draw Closing Date (each, a "Required Conversion Date"), the Borrower shall elect to convert any then outstanding Tranche B Term Loans that are Eurodollar Loans to either (i) ABR Loans or (ii) Eurodollar Loans having an Interest Period designated by the Borrower, in each case regardless of whether such Required Conversion Date is the last day of an Interest Period with respect to such Tranche B Term Loans, and each Required Conversion Date shall constitute an Interest Payment Date with respect to all outstanding Tranche B Term Loans. On each Required Conversion Date, the new Tranche B Term Loans incurred on such date shall be allocated ratably to the then outstanding Borrowings of ABR Loans and Eurodollar Loans after giving effect to such conversion (based upon the relative amount that the aggregate principal amount of Tranche B Term Loans that are ABR Loans or Tranche B Term Loans that are Eurodollar Loans, respectively, outstanding on such Required Conversion Date (after giving effect to such conversion) bears to the aggregate principal amount of Tranche B Term Loans outstanding on such Required Conversion Date), with the effect that: (A) the new Tranche B Term Loans allocated to Eurodollar Loans shall be added to (and thereafter be deemed to constitute a part of) such Eurodollar Loans, and be subject to the same Adjusted LIBOR Rates and Interest Periods (in each case after giving effect to such conversion) as such Eurodollar Loans to which they are added and (B) the new Tranche B Term Loans allocated to ABR Loans shall be added to (and thereafter be deemed to constitute part of) such ABR Loans, and be subject to the same Alternate Base Rate as such ABR Loans to which they are added. The Administrative Agent shall (and is hereby authorized to) take all appropriate actions in connection with the incurrence of new Tranche B Term Loans on each Required Conversion Date to ensure that all Lenders

with Tranche B Term Loans outstanding on such Required Conversion Date (after giving effect to the incurrence of new Tranche B Term Loans on such Required Conversion Date) participate pro rata in accordance with this Section 4.2(c) in each Borrowing of Tranche B Term Loans (as increased by the amount of new Tranche B Term Loans incurred on such Required Conversion Date). Each Tranche B Term Lender agrees that the provisions of Section 4.12 shall not apply to any conversion of Eurodollar Loans of such Lender on any Required Conversion Date pursuant to this Section 4.2(c). From the First Incremental Amendment Closing Date, the Tranche B Refinancing Term Loans and the Tranche B Initial Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein and from the Tranche B Delayed Draw Closing Date, the Tranche B Refinancing Term Loans, the Tranche B Initial Term Loans and the Tranche B Delayed Draw Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein.

4.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Term Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Set shall be equal to $1.0 million or a whole multiple of $250,000 in excess thereof and so that there shall not be more than **12** Sets at any one time outstanding.

4.4 Optional and Mandatory Prepayments. (a) The Borrower may at any time and from time to time prepay the Term Loans made to it, in whole or in part, subject to Section 4.12, without premium or penalty (except as provided in Section 4.5(b) **and** (**c**)), upon notice by the Borrower to the Administrative Agent prior to 2:00 P.M., New York City time at least three Business Days prior to the date of prepayment (in the case of Eurodollar Loans), or prior to 2:00 P.M., New York City time at least one Business Day prior to the date of prepayment (in the case of ABR Loans). Such notice shall specify, in the case of any prepayment of Term Loans, the applicable Tranche being repaid (**which, at the discretion of the Borrower, may be the Initial Term Loans, the Tranche B Term Loans any Incremental Loans or any Extended Term Loans and/or a combination thereof**), and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or ABR Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Eurodollar Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Section 4.12. Partial prepayments pursuant to this Section 4.4(a) shall be equal to $1.0 million or a whole multiple of $500,000 in excess thereof; provided that, notwithstanding the foregoing, any Term Loan may be prepaid in its entirety. Each prepayment of Initial Term Loans pursuant to this Section 4.4(a) made on or prior to the first anniversary of the Closing Date in connection with **an Initial Term Loan** Repricing

Transaction shall be accompanied by the payment of the fee required by Section 4.5(b). **Each prepayment of Tranche B Term Loans pursuant to this Section 4.4(a) (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) made on or prior to December 31, 2013 in connection with a Tranche B Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(c).**

(b) (i) The Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans to the extent required by Section 8.3; (ii) if on or after the Closing Date, the Borrower or any of its Restricted Subsidiaries shall incur Indebtedness for borrowed money (excluding Indebtedness permitted pursuant to Section 8.1), the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans in an amount equal to 100.0% of the Net Cash Proceeds thereof minus the portion of such Net Cash Proceeds applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans, in each case with such prepayment to be made on or before the fifth Business Day following notice given to each Lender of the Prepayment Date, as contemplated by Section 4.4(d), and (iii) the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans within 120 days following the last day of the immediately preceding Fiscal Year (commencing with the Fiscal Year ending on or about September 30, 2014) (each, an "ECF Payment Date"), in an amount equal to (A) (1) 50.0% (as may be adjusted pursuant to the last proviso of this clause (iii)) of the Borrower's Excess Cash Flow for such Fiscal Year minus (2) the sum of (w) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid pursuant to Section 2.2(b) **and 2.2(c)** or prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the **loans under the Senior** Revolving **Credit** Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid pursuant to a scheduled principal payment, in each case during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (x) below), (x) the aggregate principal amount of Term Loans (including Incremental Term Loans) prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the **loans under the Senior** Revolving **Credit** Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii) (provided that no prepayments made pursuant to Section 4.4(h) or the other clauses of this Section 4.4(b) shall be included in Section 4.4(b)(iii)(A)(2)(w) or (x)), (y) any **loans under the Senior** Revolving **Credit** Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the **Senior** Revolving **Credit** Facility during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (z) below), and (z) the aggregate principal amount of **loans under the Senior** Revolving **Credit** Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the **Senior** Revolving **Credit** Facility during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii), in each case, excluding prepayments funded with proceeds from the incurrence of long-term Indebtedness (the amount described in this clause (A), the

"ECF Prepayment Amount") minus (B) the portion of such ECF Prepayment Amount applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans; provided that such percentage in clause (1) above shall be reduced to (x) 25% if the Senior Secured **Indebtedness** to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 2.00:1.00 and greater than 1.50:1.00 and (y) 0% if the Senior Secured **Indebtedness** to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 1.50:1.00. Nothing in this Section 4.4(b) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(c) Subject to the last sentence of Section 4.4(d) and Section 4.4(g), each prepayment of Term Loans pursuant to Section 4.4(b) shall be allocated pro rata among the Initial **Term Loans, Tranche B** Term Loans, the Incremental Term Loans and the Extended Term Loans; provided, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis. Each prepayment of Term Loans pursuant to Section 4.4(a) and (b) shall be applied within each Tranche of Term Loans to the respective installments of principal thereof in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity). Notwithstanding any other provision of this Section 4.4, a Lender may, at its option, and if agreed by the Borrower, in connection with any prepayment of Term Loans pursuant to Section 4.4(a) or (b), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents); provided that the Administrative Agent shall have no duties or obligations to manage such Rollover Indebtedness.

(d) The Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans (x) pursuant to Section 4.4(b)(iii), three Business Days prior to the date on which such payment is due and (y) pursuant to Section 4.4 (b)(i) or (ii), promptly (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state that the Borrower is offering to make or will make such mandatory prepayment (i) in the case of mandatory prepayments pursuant to Section 4.4(b)(i), on or before the date specified in Section 8.3(c), and (ii) in the case of mandatory prepayments pursuant to Section 4.4(b)(ii) or (iii), on or before the date specified in Section 4.4(b)(ii) or (iii), as the case may be (each, a "Prepayment Date"). Once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Section 4.4(d)). Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Borrower (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment pursuant to Section 4.4(b)(i) or (iii) by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on

the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower of such election. Any amount so declined by any Lender may, at the option of the Borrower, be applied to the payment or prepayment of Indebtedness, including the Holdings Notes, the Existing Unsecured Notes and any Subordinated Indebtedness, or otherwise be retained by the Borrower and its Restricted Subsidiaries and/or applied by the Borrower or any of its Restricted Subsidiaries in any manner not inconsistent with this Agreement. In connection with any mandatory prepayments by the Borrower pursuant to Section 4.4(b), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans; provided that if no Lenders exercise the right to decline a mandatory prepayment pursuant to Section 4.4(b), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurodollar Loans.

(e) Amounts prepaid on account of Term Loans pursuant to Section 4.4(a), (b) or (h) may not be reborrowed.

(f) Notwithstanding the foregoing provisions of this Section 4.4, if at any time any prepayment of the Term Loans pursuant to Section 4.4(a) or (b) would result, after giving effect to the procedures set forth in this Agreement, in the Borrower incurring breakage costs under Section 4.12 as a result of Eurodollar Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, the Borrower may, so long as no Default or Event of Default shall have occurred and be continuing, in its sole discretion, initially (i) deposit a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid), to be held as security for the obligations of the Borrower to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurodollar Loans (or such earlier date or dates as shall be requested by the Borrower) or (ii) make a prepayment of the Term Loans in accordance with Section 4.4(a) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid); provided that, in the case of either clause (i) or (ii) above, such unpaid Eurodollar Loans shall continue to bear interest in accordance with Section 4.1 until such unpaid Eurodollar Loans or the related portion of such Eurodollar Loans, as the case may be, have or has been prepaid. In addition, if the Borrower reasonably determines in good faith that any amounts attributable to Foreign Subsidiaries that are required to be applied to prepay Term Loans pursuant to Section 4.4(b)(i) or (iii) would violate applicable Laws or result in material adverse tax consequences to the Borrower or any of its Restricted Subsidiaries, then the Borrower shall not be required to prepay such amounts as required thereunder; provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to repatriate the proceeds subject to such prepayments in order to effect such prepayments without violating applicable Laws or incurring material adverse tax consequences.

(g) Notwithstanding anything to the contrary herein, this Section 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Sections 2.6 and 2.8, as applicable, or pursuant to any other credit facility added pursuant to Section 2.6 or 11.1(e).

(h) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 4.4(h); provided that the Borrower shall not initiate any action under this Section 4.4(h) in order to make a Discounted Term Loan Prepayment unless (1) at least ten Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date or (2) at least three Business Days shall have passed since the date the Borrower was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers made by a Lender. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders. Any Term Loans prepaid pursuant to this Section 4.4(h) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment.

(1) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with three Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Term Loans to be prepaid, (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date designated by the Administrative Agent and approved by the Borrower) (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this Section 4.4(h)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (in

consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers.

(1) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrower is willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrower, (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by the Borrower) (the "Discount Range Prepayment Response Date"). Each relevant Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to

allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Section 4.4(h)(iii). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Administrative Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following Section 4.4(h)(iii)(3)) at the Applicable Discount (each such Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the **Discount** Range Prepayment Amount, prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the

Discount Range Prepayment Response Date, notify (w) the Borrower of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by such Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers.

(1) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrower is willing to prepay at a discount (the "Solicited Discounted Prepayment Amount"), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by Borrower) (the "Solicited Discounted Prepayment Response Date"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select, at its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that the Borrower is willing to accept (the "Acceptable Discount"), if any; provided that the Acceptable Discount shall not be an Offered Discount that is larger than the smallest Offered Discount for which the sum of all Offered Amounts affiliated with Offered Discounts that are larger than or equal to such smallest Offered Discount would, if purchased at such smallest Offered Discount, yield an amount at least equal to the Solicited Discounted Prepayment Amount. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Administrative Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower shall submit an Acceptance and Prepayment Notice to the Administrative Agent setting forth the Acceptable Discount. If the Administrative Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Administrative Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 4.4(h)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrower will prepay outstanding Term Loans pursuant to this Section 4.4(h)(iv) to each

Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior to the Discounted Prepayment Determination Date, the Administrative Agent shall promptly notify (w) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrower and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable out-of-pocket costs and expenses from the Borrower in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Sections 4.4(h)(ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 A.M. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans in inverse order of maturity. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the

outstanding Term Loans pursuant to this Section 4.4(h) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Section 4.4(h) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Term Loans to reflect the payment of accrued interest to certain Lenders as provided in this Section 4.4(h)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Section 4.4(h) as if made at par. It is also understood and agreed that prepayments pursuant to this Section 4.4(h) shall not be subject to Section 4.4(a), or, for the avoidance of doubt, Section 11.7(a) or the pro rata allocation requirements of Section 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 4.4(h), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 4.4(h), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrower and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 4.4(h) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h).

(x) Revocation. The Borrower shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a

Discounted Term Loan **Prepayment** and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is so revoked, any failure by the Borrower to make any prepayment to a Lender pursuant to this Section 4.4(h) shall not constitute a Default or Event of Default under Section 9.1 or otherwise).

(xi) No Obligation. This Section 4.4(h) shall not (i) require the Borrower to undertake any prepayment pursuant to this Section 4.4(h) or (ii) limit or restrict the Borrower from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

(i) Upon at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to reduce either or both of the Tranche B Initial Term Loan Commitments and the Tranche B Delayed Draw Commitments, in whole or in part. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

4.5 Administrative Agent's Fee; Other Fees. (a) The Borrower agrees to pay to the Administrative Agent the fees set forth in clause (x) of the second to last paragraph of Section 5 of the Engagement Letter.

(b) If on or prior to the first anniversary of the Closing Date the Borrower makes an optional prepayment in full of the Initial Term Loans pursuant to **an Initial Term Loan** Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender, a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans being prepaid. If, on or prior to the first anniversary of the Closing Date, any Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in **an Initial Term Loan** Repricing Transaction, such Lender (and not any Person who replaces such Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(c) If on or prior to December 31, 2013 the Borrower makes an optional prepayment in full of the Tranche B Term Loans (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) pursuant to a Tranche B Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche B Term Loans being prepaid. If, on or prior December 31, 2013, any Tranche B Term Lender is replaced pursuant to

Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche B Term Loan Repricing Transaction, such Tranche B Term Lender (and not any Person who replaces such Tranche B Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(d) The Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender having a Tranche B Initial Term Loan Commitment or a Tranche B Delayed Draw Commitment, as the case may be, (i) a commitment fee (the "Tranche B Initial Term Loan Commitment Fee") in Dollars, which shall accrue on each day of the Tranche B Initial Term Loan Ticking Fee Period at a rate per annum equal to the Ticking Fee Rate in effect for such day on the amount of the unutilized Tranche B Initial Term Loan Commitment of such Tranche B Term Lender as of such day and (ii) a commitment fee (the "Tranche B Delayed Draw Commitment Fee", and together with the Tranche B Initial Term Loan Commitment Fee, the "Commitment Fee") in Dollars, which shall accrue on each day of the Tranche B Delayed Draw Ticking Fee Period at a rate per annum equal to the Ticking Fee Rate in effect for such day on the amount of the unutilized Tranche B Delayed Draw Commitment of such Tranche B Term Lender as of such day.

The Tranche B Initial Term Loan Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Initial Term Loan Ticking Fee Period and on the last day of the Tranche B Initial Term Loan Ticking Fee Period. The Tranche B Delayed Draw Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Delayed Draw Ticking Fee Period and on the last day of the Tranche B Delayed Draw Ticking Fee Period. The Commitment Fee shall be calculated quarterly in arrears on the basis of a 360-day year for the actual days elapsed. Notwithstanding anything to the contrary in this Agreement, (A) no Commitment Fee shall accrue on the Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (B) any Commitment Fee accrued with respect to the Commitment of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender.

4.6 Computation of Interest and Fees. (a) Interest (other than interest based on the Prime Rate) shall be calculated on the basis of a 360-day year for the actual days elapsed; and interest based on the Prime Rate shall be calculated on the basis of a 365 day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of each determination of an Adjusted LIBOR Rate. Any change in the interest rate on a Term Loan resulting from a change in the Alternate Base Rate or the Statutory Reserves shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Section 4.1, excluding any LIBOR Rate which is based upon the Reuters Monitor Money Rates Service page and any ABR Loan which is based upon the Alternate Base Rate.

4.7 Inability to Determine Interest Rate. If prior to the first day of any Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Adjusted LIBOR Rate with respect to any Eurodollar Loan for such Interest Period (the "Affected Eurodollar Rate"), the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the Lenders as soon as practicable thereafter. If such notice is given (a) any Eurodollar Loans the rate of interest applicable to which is based on the Affected Eurodollar Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans and (b) any Term Loans that were to have been converted on the first day of such Interest Period to or continued as Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be converted to or continued as ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to Eurodollar Loans, the rate of interest applicable to which is based upon the Affected Eurodollar Rate.

4.8 Pro Rata Treatment and Payments. (a) Except as expressly otherwise provided herein, each payment (including each prepayment, but excluding payments made pursuant to Section 2.7, 2.8, 4.5(b), **4.5(c), 4.5(d),** 4.9, 4.10, 4.11, 4.12, 4.13(d), **4.14**, 11.1(g) or 11.6) by the Borrower on account of principal of and interest on account of any Term Loans of a given Tranche (other than (w) payments in respect of any difference in the Applicable Margin, Adjusted LIBOR Rate or Alternate Base Rate in respect of any Tranche, (x) any payments pursuant to Section 4.4(b) to the extent declined by any Lender in accordance with Section 4.4(d) and (y) any payments pursuant to Section 4.4(h) which shall be allocated as set forth in Section 4.4(h)) shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Term Loans of such Tranche then held by the respective Lenders; provided that a Lender may, at its option, and if agreed by the Borrower, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of **Section** 4.4(c). All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time), on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Term Loans, the Lenders, the Administrative Agent, or the Other Representatives, as the case may be, at the Administrative Agent's office specified in

Section 11.2, in Dollars in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Other Representatives, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders or Other Representatives, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. This Section 4.8(a) may be amended in accordance with Section 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.6 and 2.8, as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on, **as applicable**, the Closing Date, **the First Incremental Amendment Effective Date, the First Incremental Amendment Closing Date or the Tranche B Delayed Draw Closing** therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.8(b) shall be conclusive in the absence of manifest error.

4.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the **First Incremental Amendment Effective** Date shall make it unlawful for any Lender to make or maintain any Eurodollar Loans as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan when an Affected Loan is requested and (c) such Lender's Loans then outstanding

as Affected Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law. If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 4.12.

4.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the **First Incremental Amendment Effective** Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the LIBOR Rate hereunder (excluding any Tax of any kind whatsoever); or

(ii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower from such Lender, through the Administrative Agent in accordance herewith, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Eurodollar Loans; provided that, in any such case, the Borrower may elect to convert the Eurodollar Loans made by such Lender hereunder to ABR Loans by giving the Administrative Agent at least one Business Day's notice of such election, in which case the Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 4.10(a) and such amounts, if any, as may be required pursuant to Section 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10(a), it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(a), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(a) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if

the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the **First Incremental Amendment Effective** Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(b) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(b), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(b) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case, shall be deemed to have been enacted, adopted, promulgated or issued, as applicable, subsequent to the Closing Date for all purposes herein.

4.11 Taxes. (a) Except as provided below in this Section 4.11 or as required by law (which, for purposes of this Section 4.11, shall include FATCA), all payments made by the Borrower or the Agents under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that if any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrower to any Agent or any Lender hereunder or under any Notes, the amounts so payable by the Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall be entitled to deduct and withhold, and the Borrower shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by the Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c) or (d) of this Section 4.11 or with the requirements of Section 4.13, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or
(z) with respect to any Non-Excluded Taxes imposed by the United States or any state or political subdivision thereof, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after **the later of (i) the date that** such Agent became an Agent hereunder or such Lender became a Lender hereunder (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later) **and (ii) the First Incremental Amendment Effective Date** (any such change, at such time, a "Change in Law"). Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Section 4.11 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall:

(i) (1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent (A) two accurate and complete original signed Internal Revenue Service Forms W-8BEN (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement

and any Notes without deduction or withholding of any United States federal income taxes, and (B) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further original signed forms or certifications provided in Section 4.11(b)(i)(1) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower;

(3) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent; and

(4) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (4), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption",

(1) represent to the Borrower and the Administrative Agent that it is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881 (c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(2) deliver to the Borrower on or before the date of any payment by the Borrower with a copy to the Administrative Agent, (A) two certificates substantially in the form of Exhibit D hereto (any such certificate a "U.S. Tax Compliance Certificate") and (B) two accurate and complete original signed Internal Revenue Service Forms W-8BEN, or successor applicable form, certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes and (C) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes (and shall also deliver to the Borrower and the

Administrative Agent two further original signed forms or certificates on or before the date the previous forms or certificates expire or become obsolete and after the occurrence of any event requiring a change in the most recently provided forms or certificates and, if necessary, obtain any extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (3), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such Lender is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates certifying to such Lender's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes; and

(A) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called "portfolio interest exemption", also deliver to the Borrower and the Administrative Agent (I) two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI or Form W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(B) with respect to each beneficiary or member of such Lender that is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates with respect to each beneficiary or member (which may be provided by such Lender on behalf of such beneficiary or member) and two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN, or successor applicable form, certifying to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes, and (III) also deliver to the Borrower and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further signed copies or originals (as applicable) of any forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that in determining the reasonableness of a request under this clause (3) such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request;

unless, in any such case, there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by the Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by the Borrower under this Agreement or any Notes to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower (A) two accurate and complete original signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete original signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by the Borrower under this Agreement or any Notes (whether for its own account or for the account of others) without deduction or withholding of any United States federal income taxes;

(ii) deliver to the Borrower two further original signed forms or certifications provided in Section 4.11(d)(i) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Administrative Agent and the Borrower, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower, such documentation prescribed by applicable law and such additional documentation reasonably

requested by the Administrative Agent or the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For the avoidance of doubt, the Borrower and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

4.12 Indemnity. The Borrower agrees to indemnify each Lender in respect of Extensions of Credit made, or requested to be made, to the Borrower, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable decision) as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment or conversion of Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement, (c) the making of a payment or prepayment of Eurodollar Loans or the conversion of Eurodollar Loans on a day which is not the last day of an Interest Period with respect thereto or (d) the revocation of a redemption notice in respect of Eurodollar Loans delivered by the Borrower in accordance with the provisions of Section 4.4(a). Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Eurodollar Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurodollar market. If any Lender becomes entitled to claim any amounts under the indemnity contained in this Section 4.12, it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b), (c) or (d) has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Section 4.12 submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within five Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

4.13 Certain Rules Relating to the Payment of Additional Amounts. (a) Upon the request, and at the expense of the Borrower, each Lender and Agent to which the Borrower is required to pay any additional amount pursuant to Section 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford the Borrower the

opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower the opportunity to so contest unless the Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrower shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower the opportunity to contest, or cooperate with the Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than (i) pursuant to clause (c) below or (ii) after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing) and the effect of such change, as of the date of such change, would be to cause the Borrower to become obligated to pay any additional amount under Section 4.10 or 4.11, the Borrower shall not be obligated to pay such additional amount.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by the Borrower pursuant to Section 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, pursuant to Section 4.9, such Lender or Agent shall promptly notify the Borrower and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Term Loans held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrower agrees to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If the Borrower shall become obligated to pay additional amounts pursuant to Section 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Section 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, under Section 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Section 4.9, the Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower to purchase the affected Term Loan, in whole or in part, at an aggregate price no less than such Term Loan's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Term Loan, in whole or in part, subject to Section 4.12, without premium or penalty. In the case of the substitution of a Lender, then, the Borrower, the Administrative

Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Section 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 11.6(b) in connection with such assignment shall be paid by the Borrower or the substitute Lender. In the case of a prepayment of an affected Term Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Term Loan, the Borrower shall first pay the affected Lender any additional amounts owing under Sections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Section 4.13(d), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to such replaced Lender relating to the Term Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrower to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which the Borrower has made additional payments pursuant to Section 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to the Borrower; provided, however, that the Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(f) The obligations of any Agent, Lender or Participant under this Section 4.13 shall survive the termination of this Agreement and the payment of the Term Loans and all amounts payable hereunder.

4.14 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Tranche B Term Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Tranche B Term Lender is a Defaulting Lender:

(a) the Borrower shall have the right, at its sole expense and effort to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower to each become a substitute Tranche B Term Lender and assume all or part of the Tranche B Term Loan Commitment of any such Defaulting Lender and the Borrower, the

Administrative Agent and any such substitute Tranche B Term Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Acceptance to effect such substitution; and

(b) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 11.7) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable Requirement of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iii) third, if so determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (iv) fourth, pro rata, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

The rights and remedies against a Defaulting Lender under this Section 4.14 are in addition to other rights and remedies that the Borrower may have against such Defaulting Lender. The arrangements permitted or required by this Section 4.14 shall be permitted under this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

SECTION 5

Representations and Warranties

To induce the Administrative Agent and each Lender to make the Extensions of Credit requested to be made by it on the Closing Date, the Borrower with respect to itself and its Restricted Subsidiaries, hereby represents and warrants, on the Closing Date, in each case after giving effect to the Transactions, to the Administrative Agent and the Lenders that:

5.1 Existence, Qualification and Power; Compliance with Laws. licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case referred to in clause (a)(i) (other than as to the Borrower and any Material Subsidiary that is a Loan Party), clause (a)(ii) (other than as to the Borrower) or clauses (b)(i), (c), (d) or (e), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

5.2 Authorization; No Contravention. (a) The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, (i) are within such Loan Party's corporate or other powers and have been duly authorized by all necessary corporate or other organizational action and (ii) do not and will not (A) contravene the terms of any of such Person's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under (in each case other than in respect of Indebtedness to be repaid in connection with the Transactions), (x) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (C) violate any Law; **except**, in the case of clauses (ii)(A) (other than as to the Borrower), (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (b) the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions do not or will not result in the creation of any Lien under any Contractual Obligation to which such Person is a party or by which such Person or the properties of such Person or any of its Restricted Subsidiaries is bound (other than as permitted by Section 8.5).

5.3 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, or for the consummation of the Transactions, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Security Documents, (c) the perfection or maintenance of the Liens created under the Security Documents (including the priority thereof) or (d) the exercise by the Collateral Agent, Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Security Documents, except for (i) actions, filings and registrations necessary to perfect the Liens on the Collateral and the priority thereof granted by the Loan Parties in favor of the Secured Parties, (ii) the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and (iii) those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain, take, give or make would not reasonably be expected to have a Material Adverse Effect.

5.4 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by Holdings and each Loan Party that is a party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of Holdings and such Loan Party, enforceable against Holdings and each Loan Party that is party thereto in accordance with its terms, in each case except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

5.5 Financial Statements; No Material Adverse Effect.

(a) The Audited Financial Statements fairly present in all material respects the financial condition of the Borrower and its consolidated Subsidiaries as of the date thereof and their results of operations for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein.

5.6 Litigation. There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Borrower, threatened in writing, at law, in equity, in arbitration or before any Governmental Authority, by or against the Borrower or any of its Restricted Subsidiaries or against any of their properties or revenues (i) as of the Closing Date, that pertain to this Agreement, any other Loan Document or the consummation of the Transactions or (ii) that would reasonably be expected to have a Material Adverse Effect.

5.7 No Default. Neither the Borrower nor any Restricted Subsidiary is in default under or with respect to any Contractual Obligation that would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.8 Ownership of Property; Liens. Each of the Borrower and its Restricted Subsidiaries has good title in fee simple to, or valid leasehold interests in, or easements or other limited property interests in, all real property necessary in the ordinary conduct of its business, free and clear of all Liens except for minor defects in title that do not materially interfere with its ability to conduct its business or to utilize such assets for their intended purposes and Liens permitted by Section 8.5 and except where the failure to have such title or other interests would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

5.9 Environmental Compliance.

(a) There are no claims against the Borrower or its Restricted Subsidiaries alleging potential liability or responsibility for violation of any Environmental Law binding on their respective businesses, operations and properties that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) The properties currently or formerly owned or leased by the Borrower or its Restricted Subsidiaries do not contain any Hazardous Materials in amounts or concentrations which (i) constitute a violation of, (ii) require remedial action under, or (iii) would reasonably be expected to give rise to liability under, Environmental Laws, except for violations, remedial actions and liabilities that, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(d) Neither the Borrower nor any of its Restricted Subsidiaries is undertaking, and has not completed, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(e) All Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or, to the knowledge of the Borrower, formerly owned or operated by the Borrower or any of its Restricted Subsidiaries have been disposed of in a manner not reasonably expected to result in a Material Adverse Effect.

Each Plan that is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS or an application for such a letter will be submitted to the IRS within the applicable required time period with respect thereto and, to the knowledge of the Borrower, nothing has occurred which would prevent, or cause the loss of, such qualification. Each Loan Party and each ERISA Affiliate have made all required contributions to each Plan subject to Section 412 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code has been made with respect to any Plan.

5.12 Subsidiaries; Equity Interests. As of the date hereof, no Loan Party has any Restricted Subsidiaries other than those disclosed in Schedule 5.12, and all of the outstanding Equity Interests in such Restricted Subsidiaries that are owned by a Loan Party are owned free and clear of all Liens except for Permitted Liens. As of the date hereof, Schedule 5.12 (a) sets forth the name and jurisdiction of each Restricted Subsidiary, (b) sets forth the ownership interest of the Borrower and any other Restricted Subsidiary in each Restricted Subsidiary, including the percentage of such ownership and (c) identifies each Restricted Subsidiary that is a Restricted Subsidiary the Equity Interests of which are required to be pledged hereunder or under the Security Documents.

(b) Neither the Borrower nor any other Loan Party is or is required to be registered as an "investment company" under the Investment Company Act.

5.14 Anti-Terrorism Law. Except to the extent it would not reasonably be expected to have a Material Adverse Effect, to the extent applicable, each Loan Party is in compliance with the (a) Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto and (b) the Patriot Act.

5.15 Sanctioned Persons. None of the Borrower or any Restricted Subsidiary nor, to the knowledge of the Borrower, any director, officer or employee of the Borrower or any Restricted Subsidiary is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC"); and the Borrower will not directly, or to its knowledge, indirectly use the proceeds of the Initial Term Loans **or Tranche B Term Loans** for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

5.16 Foreign Corrupt Practices Act. Except to the extent it would not reasonably be expected to have a Material Adverse Effect, the Borrower has, and to the knowledge of the Borrower each of its directors, officers, agents, employees, and any person acting for or on behalf of the Borrower has, complied with, and will comply with, the U.S. Foreign Corrupt Practices Act, as amended from time to time, or any other applicable antibribery or anticorruption law; and except to the extent it would not reasonably be expected to have a Material Adverse Effect, the Borrower has not, and to the knowledge of the Borrower none of its directors, officers, agents, employees, and any person acting for or on behalf of the Borrower, its directors, officers, agents or employees have, made, offered, promised, or authorized, and the Borrower will not, and will use its commercially reasonable efforts to cause each of its directors, officers, agents, employees, and any person acting for or on its behalf to not, make, offer, promise, or authorize, whether directly or indirectly, any payment, of anything of value to: (i) an executive, official, employee or agent of a governmental department, agency or instrumentality, (ii) a director, officer, employee or agent of a wholly or partially government-owned or -controlled company or business, (iii) a political party or official thereof, or candidate for political office or (iv) an executive, official, employee or agent of a public international organization (e.g., the International Monetary Fund or the World Bank) ("Government Official"); in each case while knowing or having a reasonable belief that all or some portion will be used for the purpose of: (a) influencing any act, decision or failure to act by a Government Official in his or her official capacity, (b) inducing a Government Official to use his or her influence with a government or instrumentality to affect any act or decision of such government or entity, or (c) securing an improper advantage; in each case in order to obtain, retain, or direct business.

5.17 Labor Matters. As of the date hereof, (a) there are no strikes, lockouts or slowdowns against the Borrower or any Restricted Subsidiary pending or, to the knowledge of the Borrower, threatened; (b) the hours worked by and payments made to employees of the Borrower and the Restricted Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters; (c) all payments due from the Borrower or any Restricted Subsidiary on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability (if required in accordance with GAAP) on the books of the Borrower or such Restricted Subsidiary; and (d) the consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Restricted Subsidiary is bound, except, with respect to each of clauses (a) through (d), as would not reasonably be expected to result in a Material Adverse Effect.

5.18 Disclosure. No report, financial statement, certificate or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or any other Loan Document (as modified or supplemented by other information so furnished), in each case on or prior to the Closing Date, when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, (A) with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time of preparation, it being understood that projections are as to future events and are not to be viewed as facts, that such projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Borrower and its Subsidiaries, that no assurance can be given that any particular projection will be realized and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and such differences may be material and that such projections are not a guarantee of future financial performance and (B) that no representation is made with respect to information of a general economic or general industry nature.

5.19 Intellectual Property; Licenses, Etc. Each Loan Party and its Restricted Subsidiaries own or possess the right to use all of the trademarks, service marks, trade names, logos, trade dress, goodwill associated with the foregoing, domain names, copyrights, patents, trade secrets, know-how and other intellectual property rights (including all registrations and applications for registration of the foregoing) (collectively, "IP Rights") that are necessary for the operation of their respective businesses, except to the extent that the failure to so own or possess the right to use such IP Rights, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. To the knowledge of the Borrower, the conduct of the business of each Loan Party and its Restricted Subsidiaries does not infringe, misappropriate or otherwise violate any IP Rights of any other Person except for such infringements, misappropriations or violations, which, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. There is no claim, investigation, suit or proceeding pending or, to the knowledge of the Borrower, threatened in

writing, against any Loan Party or any of its Restricted Subsidiaries (i) challenging the validity, ownership or use of any IP Rights of such Loan Party or any of its Restricted Subsidiaries or (ii) alleging that the conduct of their respective businesses infringes, misappropriates, or otherwise violates the IP Rights of any other Person, in each case which, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.20 Solvency. On the Closing Date after giving effect to the Transactions and the other transactions contemplated hereby, the Borrower and its Subsidiaries, on a consolidated basis, are Solvent.

5.21 Senior Debt Status. The Loans will be treated as senior debt under the relevant documentation for any Subordinated Indebtedness of the Borrower or any Guarantor.

(c) For purposes of determining compliance with this covenant:

(i) in the event that an item of Indebtedness or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or Preferred Stock described in clauses (i) through (xxiii) above or is entitled to be incurred pursuant to the Section 8.1(a), the Borrower, in its sole discretion, will be permitted to classify or reclassify such item of Indebtedness or Preferred Stock (or any portion thereof) in any manner that complies with this covenant and will only be required to include the amount and type of such Indebtedness or Preferred Stock (or portion thereof) in one of the above clauses or paragraphs; provided that Indebtedness outstanding on the Closing Date hereunder and under the Senior Revolving Credit Agreement, the New Notes and the Existing Unsecured Notes shall be classified as incurred under Section 8.1(b), and not under Section 8.1(a); and

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the

date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of, premium, if any, and accrued interest on, the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased plus any fees, premiums, underwriting discounts, costs and expenses relating to such extension, replacement, refunding, refinancing, renewal or defeasance.

(xvi) the declaration and payment of dividends to, or the making of loans to, Holdings from declined amounts as contemplated by Section 4.4(d), the proceeds of which are applied solely to the repurchase, redemption, defeasance or other acquisition or retirement for value of any Holdings Notes;

(xvii) the declaration and payment of dividends to, or the making of loans to, Holdings the proceeds of which are applied solely to pay interest and principal when due on the Holdings Notes;

(xviii) the repurchase, redemption or other acquisition or retirement for value of Equity Interests of the Borrower deemed to occur in connection with paying cash in lieu of fractional shares of such Equity Interests in connection with a share dividend, distribution, share split, reverse share split, merger, consolidation, amalgamation or other business combination of the Borrower, in each case, permitted under this Agreement;

(xix) the distribution, by dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Borrower or a Restricted Subsidiary by, Unrestricted Subsidiaries (other than Unrestricted Subsidiaries, the primary assets of which are cash and/or Cash Equivalents); **and**

provided that at the time of, and immediately after giving effect to, any Restricted Payment permitted under Section 8.2(b)(vii), (xi) and (xvi), no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) The amount of all Restricted Payments (other than cash) will be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Borrower or such Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this Section 8.2 will be determined in good faith by the Board of Directors of the Borrower.

(d) As of the Closing Date, all of the Borrower's Subsidiaries will be Restricted Subsidiaries except WMG Kensington Ltd and its Subsidiaries. The Borrower will

not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the second to last sentence of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Borrower and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the second paragraph of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time under this Section 8.2 or the definition of Permitted Investments and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the covenants in this Agreement.

8.3 Asset Sales.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Borrower or such Restricted Subsidiary, as the case may be, receives consideration at the time of the Asset Sale at least equal to the fair market value (as determined, as of the time of contractually agreeing to such Asset Sale, in good faith by senior management or the Board of Directors of the Borrower, whose determination shall be conclusive, provided that in the case of any Asset Sale involving consideration in excess of $50.0 million, such determination shall be made by the Board of Directors of the Borrower) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) except for any Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) For purposes of Section 8.3(a)(ii), the amount of (i) any liabilities (as shown on the Borrower's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on such balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Borrower) of the Borrower or any Restricted Subsidiary (other than liabilities that are by their terms subordinated in right of payment to the Term Loan Facility Obligations) that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale), if such liabilities are not Indebtedness, or the Borrower or such Restricted Subsidiary has been released from all liability on payment of the principal amount of such liabilities in connection with such Asset Sale, (ii) any securities, notes or other obligations received by the Borrower or such Restricted Subsidiary from such transferee that are converted by the Borrower or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale and (iii) any Designated Noncash Consideration received by the Borrower or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value (as determined in good faith by the Board of Directors of the Borrower), taken together with all other Designated Noncash Consideration received pursuant to

this clause (iii) that is at that time outstanding, not to exceed the greater of (x) $100.0 million and (y) 9.0% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value), shall be deemed to be cash for purposes of this Section 8.3 and for no other purpose.

(c) Within 365 days after the receipt of any Net Proceeds from an Asset Sale or Recovery Event, the Borrower or such Restricted Subsidiary may apply an amount equal to those Net Proceeds at its option:

(i) to permanently reduce (A) Obligations having Pari Passu Lien Priority and, if applicable, to correspondingly reduce commitments with respect thereto; provided that if the Borrower shall so reduce such Obligations, it will prepay a pro rata principal amount of the Term Loans in accordance with Section 4.4(b)(i) (subject to Section 4.4(d)); or (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Borrower or an Affiliate of the Borrower;

(ii) to make an investment in (A) any one or more businesses (provided that such investment in any business is in the form of the acquisition of Capital Stock and results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary), (B) capital expenditures or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), are used or useful in a Permitted Business; and/or

(iii) to make an investment in (A) any one or more businesses; provided that such investment in any business is in the form of the acquisition of Capital Stock and it results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) properties or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that the Borrower or such Restricted Subsidiary will be deemed to have complied with Section 8.3(c)(ii) or (iii) if and to the extent that, within 365 days after the Asset Sale or Recovery Event that generated the Net Proceeds, the Borrower or such Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment described in Section 8.3(c)(ii) or (iii), and such investment is thereafter completed within 180 days after the end of such 365-day period.

(d) When the aggregate amount of Net Proceeds from an Asset Sale or Recovery Event or equivalent amount not applied or invested in accordance with Section 8.3(c) ("Excess Proceeds") exceeds $75.0 million, the Borrower will prepay the Term Loans in accordance with Section 4.4(b)(i) (subject to Section 4.4(d)) and, if required under the terms of any Pari Passu Indebtedness, on a pro rata basis, purchase, prepay or redeem the maximum aggregate principal amount of Term Loans and such Pari Passu Indebtedness that may be purchased out of the Excess Proceeds in an amount equal to 100% of the principal amount thereof, or, in the case of Pari Passu Indebtedness that is issued or sold at a discount, the amount

of the accreted value thereof at such time, plus accrued and unpaid interest, if any, to the date of purchase (or such lesser price, if any, as may be provided under the terms of such Pari Passu Indebtedness).

(e) Pending the final application of any Net Proceeds or equivalent amount, the Borrower may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Agreement.

8.4 Transactions with Affiliates.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "Affiliate Transaction") involving aggregate consideration in excess of $15.0 million, unless:

(i) the Affiliate Transaction is on terms that are not materially less favorable to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $30.0 million, a resolution adopted by the Board of Directors of the Borrower approving such Affiliate Transaction and a certificate of a Responsible Officer certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 8.4(a) will not apply to the following:

(i) transactions between or among the Borrower and/or any Restricted Subsidiary and/or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(ii) Restricted Payments (including any transaction specifically excluded from the definition of the term "Restricted Payment," including pursuant to the exceptions contained in the definition thereof and the parenthetical exclusions of such definition) and Permitted Investments, in each case permitted by this Agreement;

(iii) the payment to any of the Sponsor and its Affiliates of annual management, consulting, monitoring and advisory fees in an aggregate amount in any fiscal year not to exceed the Maximum Management Fee Amount, and related expenses and indemnities, pursuant to the Management Agreement or otherwise;

(iv) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements provided on behalf of, officers, directors, employees or consultants of the Borrower, any of its direct or indirect parent companies or any Restricted Subsidiary;

(v) the payments by the Borrower or any Restricted Subsidiary to the Sponsor and any of its Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the members of the Board of Directors of the Borrower in good faith;

(vi) transactions in which the Borrower or any Restricted Subsidiary delivers to the Administrative Agent a letter from an Independent Financial Advisor stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Borrower or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(vii) payments or loans (or cancellations of loans) to employees or consultants of the Borrower or any of its direct or indirect parent companies or any Restricted Subsidiary which are approved by a majority of the Board of Directors of the Borrower in good faith and which are otherwise permitted under this Agreement;

(viii) payments made or performance under any agreement as in effect on the Closing Date (including, without limitation, each of the agreements entered into in connection with the Transactions or the 2011 Transactions) or any amendment thereto (so long as any such amendment taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than the applicable agreement as in effect on the Closing Date);

(ix) payments made or performance under any agreement to which Warner Music Group Corp. and/or Holdings is a party as of the Closing Date (including, without limitation, each of the agreements entered into in connection with the Transactions or the 2011 Transactions, but excluding the indenture governing the Holdings Notes) and to or by which the Borrower becomes a party or otherwise bound after the Closing Date, any amendment thereto by which the Borrower becomes a party thereto or otherwise bound thereby, and any other amendment thereto (so long as any such other amendment (other than an amendment to effect the Borrower becoming a party to or otherwise bound by such agreement) taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than such agreement as in effect on the Closing Date);

(x) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement that are fair to the Borrower and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Borrower or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(xi) the Transactions, the 2011 Transactions and the payment of all fees and expenses related to the Transactions or the 2011 Transactions, including, for the avoidance of doubt, any reimbursement on or after the Closing Date of fees and expenses related to the Transactions or the 2011 Transactions paid by the Sponsor and its Affiliates;

(xii) the issuance of Equity Interests (other than Disqualified Stock) of the Borrower to any Parent, any Permitted Holder, or any director, officer, employee or consultant of the Borrower, any of its Subsidiaries or any of its direct or indirect parent companies;

(xiii) any transaction with a Securitization Subsidiary effected as part of a Qualified Securitization Financing;

(xiv) investments by any of the Permitted Holders in securities of the Borrower or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Permitted Holders in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(xv) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(xvi) entering into, and performing the obligations under, any tax sharing agreement, consistent with the limitations imposed on Restricted Payments in Section 8.2; and

(xvii) intellectual property licenses in the ordinary course of business.

8.5 Liens. (a) The Borrower will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness of the Borrower or of a Guarantor, on any asset or property of the Borrower or any Guarantor, or any income or profits therefrom, or on any right to receive income therefrom (the "Initial Lien"), unless (a) in the case of an Initial Lien on any Collateral, such Initial Lien expressly has Junior Lien Priority on such Collateral in relation to the Term Loan Facility Obligations and the Guarantees, as applicable or (b) in the case of an Initial Lien on any other asset or property, the Term Loan Facility Obligations (or a Guarantee in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of the Lenders pursuant to Section 8.5(a) shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to secure the Term Loan Facility Obligations.

8.6 Fundamental Changes. The Borrower may not (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(a) either: (i) the Borrower is the surviving Person; or (ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Borrower or such Person, as the case may be, being herein called the "Successor Borrower");

(b) the Successor Borrower (if other than the Borrower) assumes all the obligations of the Borrower under this Agreement and the other Loan Documents to which it is a party by executing a joinder or one or more other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(c) immediately after such transaction no Default or Event of Default exists;

(d) immediately after giving pro forma effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(i) the Successor Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 8.1(a); or

(ii) the Fixed Charge Coverage Ratio for the Successor Borrower and its Restricted Subsidiaries would be equal to or greater than such ratio for the Borrower and its Restricted Subsidiaries immediately prior to such transaction;

(e) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have delivered a joinder or other document or instrument in form reasonably satisfactory to the Administrative Agent, confirming its Subsidiary Guarantee; and

(f) each Subsidiary Guarantor (other than (x) any Subsidiary that will be released from its grant or pledge of Collateral under the Security Agreement in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have by a supplement to the Security Agreement or

another document or instrument in form reasonably satisfactory to the Administrative Agent affirmed that its obligations thereunder shall apply to its Guarantee as confirmed pursuant to clause (e) above;

provided that, for the purposes of this Section 8.6 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Borrower may therefore consummate a Music Publishing Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6, (2) the Borrower may therefore consummate a Recorded Music Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Borrower under any other contract to which the Borrower is a party.

For the purpose of this Section 8.6, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Borrower or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole shall be made on a pro forma basis giving effect to such acquisition.

This Section 8.6 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (c) and (d), (x) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary and (y) the Borrower may merge with an Affiliate incorporated solely for the purpose of reincorporating the Borrower in another state of the United States so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby.

8.7 Subsidiary Distributions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to the Borrower or any of its Restricted Subsidiaries that are Guarantors, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

(ii) make loans or advances to the Borrower or any of its Restricted Subsidiaries that are Guarantors; or

(iii) sell, lease or transfer any of its properties or assets to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

provided that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction.

(b) However, the restrictions in Section 8.7(a) will not apply to encumbrances or restrictions consisting of, or existing under or by reason of:

(i) contractual encumbrances or restrictions in effect (x) pursuant to this Agreement or the other Loan Documents, the Senior Revolving Credit Facility Documents, the New Notes, the Existing Unsecured Notes, any Hedging Obligations, and, on or after the execution and delivery thereof, the Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement, any Permitted Debt Exchange Notes (and any related documents), any Rollover Indebtedness (and any related documents) and any other Credit Agreement or any related documents or (y) on the Closing Date, including, without limitation, pursuant to Existing Indebtedness and related documentation;

(ii) [Reserved]

(iii) purchase money obligations that impose encumbrances or restrictions on the property so acquired;

(iv) applicable law or any applicable rule, regulation or order;

(v) any agreement or other instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Borrower or any Restricted Subsidiary, or which agreement or instrument is assumed by the Borrower or any Restricted Subsidiary in connection with an acquisition from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); provided that, for purposes of this clause (v), if a Person other than the Borrower is the Successor Borrower with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Borrower or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Borrower;

(vi) any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Borrower or any Restricted Subsidiary not otherwise prohibited by this Agreement, including without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or other disposition of the Capital Stock or assets of such Subsidiary;

(vii) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenants described in Section 8.1 and 8.5 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(viii) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(ix) other Indebtedness or Preferred Stock (x) of the Borrower or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Closing Date pursuant to Section 8.1 or (y) that is incurred by a Foreign Subsidiary of the Borrower subsequent to the Closing Date pursuant to Section 8.1;

(x) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(xi) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(xii) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a "Refinancing Agreement") effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in clauses (i) through (xi) above (an "Initial Agreement") or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an "Amendment"); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Lenders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Borrower);

(xiii) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; provided, however, that such restrictions apply only to any Securitization Subsidiary;

(xiv) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness;

(xv) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; provided that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(xvi) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(xvii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(xviii) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 8.5;

(xix) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Borrower or any Restricted Subsidiary in any manner material to the Borrower or such Restricted Subsidiary;

(xx) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Borrower or any Restricted Subsidiary; or

(xxi) an agreement or instrument relating to any Indebtedness incurred subsequent to the Closing Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in agreements in effect on the Closing Date (as determined in good faith by the Borrower) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Lenders than is customary in comparable financings (as determined in good faith by the Borrower) and either (x) the Borrower determines in good faith that such encumbrance or restriction will not materially affect the Borrower's ability to make principal or interest payments on the Term Loans or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

8.8 Change of Control. The Borrower shall not and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, in the event of the occurrence of a Change of Control, repurchase or repay any Indebtedness then outstanding pursuant to any Subordinated Indebtedness or the Existing Unsecured Notes or any portion thereof, unless the Borrowers shall have (i) made payment in full of the Term Loan Facility Obligations and any other amounts then due and owing to any Lender or the Administrative Agent hereunder and under any Note or (ii) made an offer to pay the Term Loan Facility Obligations and any amounts then due and owing to each Lender and the Administrative Agent hereunder and under any Note and shall have made payment in full thereof to each such Lender or the Administrative Agent which has accepted such offer. For so long as the Borrower shall have complied with the terms of this Section 8.8, any Event of Default arising under Section 9.1(k) by reason of such Change of Control shall be deemed not to have occurred or be continuing.

SECTION 9

Events of Default

9.1 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default:

(a) The Borrower shall fail to pay any principal of any Term Loan when due in accordance with the terms hereof (whether at stated maturity, by mandatory prepayment or otherwise); or the Borrower shall fail to pay any interest on any Term Loan, or any other amount payable hereunder, within five Business Days after any such interest or other amount becomes due in accordance with the terms hereof; or

(b) Any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document (or in any amendment, modification or supplement hereto or thereto) or which is contained in any certificate furnished at any time by or on behalf of any Loan Party pursuant to this Agreement or any such other Loan Document shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or

(c) Any Loan Party shall default in the payment, observance or performance of any term, covenant or agreement contained in Section 8; or

SECTION 10

The Agents and the Other Representatives

10.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to or required of such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Each Lender further authorizes the Administrative Agent to act as representative of the Lenders under the Security Agreement and each other Security Document, as applicable. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents and the Other Representatives shall not have any duties or responsibilities, except, in the case of the Administrative Agent and the Collateral Agent, those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent or the Other Representatives.

(b) Each of the Agents may perform any of their respective duties under this Agreement, the other Loan Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and the Collateral Agent may perform any of their respective duties under the Security Documents by or through one or more of their respective affiliates). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 10 shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

(c) Except for Sections 10.5, 10.8(a), (b), (c) and (e) and (to the extent of the Borrower's rights thereunder and the conditions included therein) 10.9, the provisions of this Section 10 are solely for the benefit of the Agents and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

10.2 The Administrative Agent and Affiliates. Each person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any Subsidiary or other Affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.3 Action by an Agent. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Collateral Agent in the case of the Administrative Agent), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact or counsel selected by it with reasonable care.

10.4 Exculpatory Provisions. (a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirement of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 11.1) or (y) in the absence of its own gross negligence, bad faith or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until written notice describing such Default is given to such Agent by the Borrower or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term as used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) Each party to this Agreement acknowledges and agrees that the Administrative Agent may use an outside service provider for the tracking of all UCC financing statements required to be filed pursuant to the Loan Documents and notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that any such service provider will be deemed to be acting at the request and on behalf of the Borrower and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider.

10.5 Acknowledgement and Representations by Lenders. Each Lender expressly acknowledges that none of the Agents or the Other Representatives nor any of their officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by any Agent or any Other Representative hereafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by such Agent or such Other Representative to any Lender. Each Lender further represents and warrants to the Agents, the Other Representatives and each of the Loan Parties that it has had the opportunity to review each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof. Each Lender acknowledges that, independently and without reliance upon any Agent, the Other Representatives or any other Lender, and based on such documents and information as it has deemed appropriate, it has made and will make, its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties, it has made its own decision to make its Loans hereunder and enter into this Agreement and it will make its own decisions in taking or not taking any action under this Agreement and the other Loan Documents and, except as expressly provided in this Agreement, neither the Agents nor any Other Representative shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender acknowledges and agrees to comply with the provisions of Section 11.6 applicable to the Lenders hereunder.

10.6 Indemnity; Reimbursement by Lenders. (a) To the extent that the Borrower or any other Loan Party for any reason fails to indefeasibly pay any amount required under Section 11.5 to be paid by it to the Administrative Agent (or any sub-agent thereof) or the Collateral Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay ratably according to their respective outstanding Term Loans on the date on which the applicable unreimbursed expense or indemnity payment is sought under this Section 10.6 such unpaid amount (such indemnity shall be effective whether or not the related losses, claims, damages, liabilities and related expenses are incurred or asserted by any party hereto or any third party); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) in connection with such capacity. The obligations of the Lenders under this Section 10.6 are subject to the provisions of Section 4.8.

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) All amounts due under this Section 10.6 shall be payable not later than three Business Days after demand therefor. The agreements in this Section 10.6 shall survive the payment of the Loans and all other amounts payable hereunder.

10.7 Right to Request and Act on Instructions; Reliance. (a) Each Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents an Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, the requesting Agent shall be absolutely entitled as between itself and the Lenders to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Lender for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from Required Lenders or all or such other portion of the Lenders as shall be prescribed by this Agreement. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of an Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of Required Lenders (or all or such other portion of the Lenders as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required Lenders (or such other applicable portion of the Lenders), an Agent shall have no obligation to any Lender to take any action if it believes, in good faith, that such action would violate applicable law or exposes an Agent to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 10.6.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other

distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall be entitled to rely upon the advice of any such counsel, accountants or experts and shall not be liable for any action taken or not taken by it in accordance with such advice.

Each Lender further agrees that the Collateral Agent may act pursuant to the Security Documents as instructed by the representative of the First Lien Obligations (as defined in the Security Agreement) then having authority to direct actions of the Collateral Agent pursuant to the Security Documents. Each Lender agrees that it will not have any right individually to enforce or seek to enforce any

(b) The Lenders hereby authorize each Agent, in each case at its option and in its discretion, (A) to release any Lien granted to or held by such Agent upon any Collateral (i) upon termination of the Initial **Term Loan Commitments, Tranche B** Term Loan Commitments and payment and satisfaction of all of the Term Loan Facility Obligations under the Loan Documents at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby that are then due and unpaid, (ii) constituting property being sold or otherwise disposed of (to Persons other than a Loan Party) upon the sale or other disposition thereof, (iii) owned by any Subsidiary Guarantor designated as an Excluded Subsidiary or constituting Equity Interests of an Excluded Subsidiary, (iv) if approved, authorized or ratified in writing by the Required Lenders (or such greater amount, to the extent required by Section 11.1) or (v) as otherwise may be expressly provided in the relevant Security Documents and (B) at the written request of the Borrower to subordinate any Lien on any Excluded Assets or any other property granted to or held by such Agent, as the case may be under any Loan Document to the holder of any Permitted Lien. (c) The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as the case may be, in each case at its option and in its discretion, to enter into any amendment, amendment and restatement, restatement, waiver, supplement or modification, and to make or consent to any filings or to take any other actions, in each case as contemplated by Section 11.17. Upon request by any Agent, at any time, the Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority under this Section 10.8(c).

(d) No Agent shall have any obligation whatsoever to the Lenders to assure that the Collateral exists or is owned by Holdings, the Borrower or any of its Restricted Subsidiaries or is cared for, protected or insured or that the Liens granted to any Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Section 10.8 or in any of the Security Documents, it being understood and agreed by the Lenders that in respect of the Collateral, or any act, omission or event related thereto, each Agent may act in any manner it may deem appropriate, in its sole discretion, given such Agent's own interest in the Collateral as a Lender and that no Agent shall have any duty or liability whatsoever to the Lenders, except for its bad faith, gross negligence or willful misconduct.

(f) The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the collateral as such Agents may from time to time agree.

Subject to the appointment of a successor as set forth herein, (i) the Administrative Agent or the Collateral Agent may be removed by the Borrower or the Required Lenders (in the case of the Collateral Agent, subject to the Security Agreement) if the Administrative Agent, the Collateral Agent or a controlling affiliate of the Administrative Agent or the Collateral Agent is a Defaulting Agent and (ii) the Administrative Agent and the Collateral Agent may resign as Administrative Agent or Collateral Agent, respectively, in each case upon ten days' notice to the Administrative Agent, the Lenders and the Borrower, as applicable. If the Administrative Agent or the Collateral Agent shall be removed by the Borrower or the Required Lenders pursuant to clause (i) above or if the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such successor agent shall be subject to approval by the Borrower; provided that such approval by the Borrower in connection with the appointment of any successor Administrative Agent shall only be required so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing; provided further, that the Borrower shall not unreasonably withhold its approval of any successor Administrative Agent if such successor is a commercial bank with a consolidated combined capital and surplus of at least $5.0 billion. If no successor shall have been so appointed by the Required Lenders and approved by the Borrower (to the extent required) and shall have accepted such appointment within 45 days after the Administrative Agent or the Collateral Agent, as the case may be, gives notice of its resignation or is notified that it is being removed, then the Administrative Agent or Collateral Agent, as the case may be, may, on behalf of the Lenders appoint a successor Administrative Agent or Collateral Agent, as the case may be,, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax, and in no event shall such Agent be required to be responsible for or pay any additional amount with respect to any such withholding. If the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify such Agent of a change in circumstances which rendered the exemption from or reduction of withholding tax ineffective or for any other reason, without limiting the provisions of Section 4.11(a) or 4.12, such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred and shall make payable in respect thereof within 30 days after demand therefor. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 10.10. Without limiting the foregoing, no Other Representative shall have nor be deemed to have a fiduciary relationship with any Lender. At any time that any Lender serving as an Other Representative shall have transferred to any other Person (other than any of its affiliates) all of its interests in the Loans, such Lender shall be deemed to have concurrently resigned as such Other Representative.

10.12 Application of Proceeds. The Lenders and the Administrative Agent agree, as among such parties, as follows: subject to the terms of the Security Agreement, any Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement or any Intercreditor Agreement Supplement, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Administrative Agent or any Lender on account of amounts then due and outstanding under any of the Loan Documents shall, except as otherwise expressly provided herein, be applied as follows: first, to pay all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of the Administrative Agent and the Collateral Agent in connection with enforcing the

rights of the Agents and the Lenders under the Loan Documents (including all expenses of sale or other realization of or in respect of the Collateral and any sums advanced to the Collateral Agent or to preserve its security interest in the Collateral), second, to pay all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees to the extent provided herein) due and owing hereunder of each of the Lenders in connection with enforcing such Lender's rights under the Loan Documents, third, to pay interest on Loans then outstanding; fourth, to pay principal of Loans then outstanding and obligations under Secured Hedge Agreements and Cash Management Obligations permitted hereunder and secured by the Security Agreement as Term Loan Facility Obligations, ratably among the applicable Secured Parties in proportion to the respective amounts described in this clause "fourth" payable to them, and fifth, to pay the surplus, if any, to whomever may be lawfully entitled to receive such surplus. To the extent any amounts available for distribution pursuant to clause "third" or "fourth" above are insufficient to pay all obligations described therein in full, such moneys shall be allocated pro rata among the applicable Secured Parties in proportion to the respective amounts described in the applicable clause at such time. This Section 10.12 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendment) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of loans added pursuant to Sections 2.6 and 2.8, as applicable.

SECTION 11

Miscellaneous

11.1 Amendments and Waivers. (a) Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof, may be amended, supplemented, modified or waived except in accordance with the provisions of this Section 11.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (x) enter into with the respective Loan Parties hereto or thereto, as the case may be, written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or to the other Loan Documents or changing, in any manner the rights or obligations of the Lenders or the Loan Parties hereunder or thereunder or (y) waive at any Loan Party's request, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that amendments pursuant to Sections 11.1(d) and (f) may be effected without the consent of the Required Lenders to the extent provided therein; provided further, that no such waiver and no such amendment, supplement or modification shall:

(i) (A) reduce or forgive the amount or extend the scheduled date of maturity of any Loan or of any scheduled installment thereof (including extending the **Initial Term Loan Maturity Date or the Tranche B Term Loan** Maturity Date), (B) reduce the stated rate of any interest, commission or fee payable hereunder (other than as a result of any waiver of the applicability of any post-default increase in interest rates), (C) extend the scheduled date of any payment of any Lenders' Loans, (D) change the currency in which any Loan is payable or (E) increase any Lender's Initial **Term Loan Commitment, Tranche B** Term Loan Commitment or Incremental Commitment, in each

case without the consent of each Lender directly and adversely affected thereby (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory repayment of the Loans of all Lenders shall not constitute an extension of the scheduled date of maturity, any scheduled installment, or the scheduled date of payment of the Loans of any Lender or an increase in the Initial Term Loan Commitment, **Tranche B Term Loan Commitment,** or Incremental Commitment of any Lender);

(ii) amend, modify or waive any provision of this Section 11.1(a) or reduce the percentage specified in the definition of "Required Lenders," or consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents (other than pursuant to Section 8.6 or 11.6(a)), in each case without the written consent of all the Lenders;

(iii) release Guarantors accounting for all or substantially all of the value of the Guarantee of the Term Loan Facility Obligations pursuant to the Guarantee Agreement, or, in the aggregate (in a single transaction or a series of related transactions), all or substantially all of the Collateral without the consent of all of the Lenders, except as expressly permitted hereby or by any Security Document (as such documents are in effect on the date hereof or, if later, the date of execution and delivery thereof in accordance with the terms hereof);

(iv) require any Lender to make Loans having an Interest Period of longer than six months or shorter than one month without the consent of such Lender;

(v) amend, modify or waive any provision of Section 10 without the written consent of the then Agents;

(vi) amend, modify or waive any provision of Section 10.1(a), 10.5 or 10.11 without the written consent of any Other Representative directly and adversely affected thereby;

(vii) [reserved];

(viii) [reserved]; or

(ix) amend, modify or waive the order of application of payments set forth in Section 4.4(c), 4.8(a), 10.12 or 11.7, in each case without the consent of all the Lenders;

provided further that, notwithstanding and in addition to the foregoing, and in addition to Liens the Collateral Agent is authorized to release pursuant to Section 10.8(b), the Collateral Agent may, in its discretion, release the Lien on Collateral valued in the aggregate not in excess of $10.0 million in any Fiscal Year without the consent of any Lender and the Collateral Agent may release Liens on Collateral upon instructions of the Authorized Applicable Representative (as defined in the Security Agreement) pursuant to the Security Agreement.

(b) Any waiver and any amendment, supplement or modification pursuant to this Section 11.1 shall apply to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, each of the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(c) **Notwithstanding any provision herein to the contrary, this Agreement may be amended at any time on or prior to the Tranche B Delayed Draw Closing Date as contemplated by Section 11 of the First Incremental Amendment.**

(d) Notwithstanding any provision herein to the contrary, this Agreement and the other Loan Documents may be amended (i) to cure any ambiguity, mistake, omission, defect, or inconsistency with the consent of the Borrower and the Administrative Agent, (ii) in accordance with Section 2.6 to incorporate the terms of any Incremental Commitments with the written consent of the Borrower and Lenders providing such Incremental Commitments, (iii) in accordance with Section 2.8 to effectuate an Extension with the written consent of the Borrower and the Extending Lenders and (iv) with the consent of the Borrower and the Administrative Agent (in each case such consent not to be unreasonably withheld or delayed), in the event any mandatory prepayment or redemption provision in respect of asset sales, casualty or condemnation events or excess cash flow included or to be included in any Indebtedness constituting Pari Passu Indebtedness would result in such Indebtedness being prepaid or redeemed on a more than ratable basis with the Term Loans in respect of such asset sale, casualty or condemnation event or excess cash flow prepayment, to provide for mandatory prepayments of the Term Loans such that, after giving effect thereto, the prepayments and redemptions made in respect of such Indebtedness are not on more than a ratable basis. Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Section 4.4, 4.8 or 10.14 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment or any Extension Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Term Loans, any Incremental Commitments or Incremental Loans and any Extended Term Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Extended Term Tranche or Incremental Commitments or Incremental Loans in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower) to execute any amendment referred to in this clause (d) or an acknowledgement thereof.

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facilities and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility hereunder and (z) to provide class protection for any additional credit facilities.

(f) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by Section 11.17 with the written consent of the Agent party thereto and the Loan Party party thereto.

(g) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Section 11.1(a), the consent of each Lender or each directly and adversely affected Lender, as applicable, is required and the consent of the Required Lenders at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such Lender, a "Non-Consenting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, prepay the Loans and, if applicable, terminate the commitments of such Non-Consenting Lender, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender, and the Administrative Agent shall record such assignment in the Register.

11.2 Notices. (a) All notices, requests, and demands to or upon the respective parties hereto to be effective shall be in writing (including telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand, or three days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, or, in the case of delivery by a nationally recognized overnight courier, when received, addressed as follows in the case of the Borrower, the Administrative Agent and

the Collateral Agent, and as set forth in Schedule A in the case of the other parties hereto, or to such other address as may be hereafter notified by the respective parties hereto and any future holders of the Loans:

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders pursuant to Section 4.2, 4.4 or 4.8 shall not be effective until received.

(b) Without in any way limiting the obligation of any Loan Party and its Subsidiaries to confirm in writing any telephonic notice permitted to be given hereunder, the Administrative Agent may prior to receipt of written confirmation act without liability upon the basis of such telephonic notice, believed by the Administrative Agent in good faith to be from a Responsible Officer of a Loan Party.

(c) Loan Documents may be transmitted and/or signed by facsimile or other electronic means (e.g., a “pdf” or “tiff”). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The

Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile or other electronic document or signature.

(d) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Section 2 if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. Unless the Administrative Agent otherwise prescribes (with the Borrower's consent), (i) notices and other communications sent to an e-mail address shall be deemed to have been duly made or given when delivered, provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the posting thereof.

(e) (i) The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on a Platform and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees to clearly and conspicuously mark all Borrower Materials that the Borrower intends to be made available to Public Lenders; provided that the Borrower agrees that the Disqualified Institution List will be deemed to be "public-side" Borrower Materials and may be made available to Public Lenders.

(ii) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities laws.

11.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent, any Lender or any Loan Party, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Loan Documents (or in any amendment, modification or supplement hereto or thereto) and in any certificate delivered pursuant hereto or such other Loan Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

11.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents and the Other Representatives for (1) all their reasonable and documented out-of-pocket costs and expenses incurred in connection with (i) the syndication of the Facilities and the development, preparation, execution and delivery of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions (including the syndication of the Initial **Term Loan Commitments and the Tranche B** Term Loan Commitments) contemplated hereby and thereby and (iii) efforts to monitor the Loans and verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral, and (2) the reasonable and documented fees and disbursements of Davis Polk and Wardwell LLP, and such other special or local counsel, consultants, advisors, appraisers and auditors whose retention (other than during the continuance of an Event of Default) is approved by the Borrower, (b) to pay or reimburse each Lender, each Other Representative and the Agents for all their reasonable costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including the fees and disbursements of counsel to the Agents and the Lenders, (c) to pay, indemnify, or reimburse each Lender, each Other Representative and the Agents for, and hold each Lender, each Other Representative and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, any stamp, documentary, excise and other similar taxes, if any, which may be payable or determined to be payable in connection with the execution, delivery or enforcement of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify or reimburse each Lender, each Other Representative, each Agent (and any sub-agent thereof) and each Related Party of any of the foregoing Persons (each, an "Indemnitee") for, and hold each Indemnitee harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans, the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower or any of its Restricted Subsidiaries or any of the property of the Borrower or any of its Restricted Subsidiaries, of any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party and regardless of whether any Indemnitee is a party thereto (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided that the Borrower shall not have any obligation hereunder to any Lead Arranger, any Other Representative, any Agent (or any sub-agent thereof) or any Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender) with respect to Indemnified Liabilities arising from (i) the gross negligence, bad faith or willful misconduct of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof)

or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision, (ii) a material breach of the Loan Documents by any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (iii) claims against such Indemnitee or any Related Party brought by any other Indemnitee that do not involve claims against any Lead Arranger or Agent in its capacity as such. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 11.5 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. All amounts due under this Section 11.5 shall be payable not later than 30 days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 11.5 shall be submitted to the address of the Borrower set forth in Section 11.2, or to such other Person or address as may be hereafter designated by the Borrower in a notice to the Administrative Agent. Notwithstanding the foregoing, except as provided in Sections 11.5(b) and (c) above, the Borrower shall have no obligation under this Section 11.5 to any Indemnitee with respect to any tax, levy, impost, duty, charge, fee, deduction or withholding imposed, levied, collected, withheld or assessed by any Governmental Authority. The agreements in this Section 11.5 shall survive repayment of the Loans and all other amounts payable hereunder.

11.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) other than in accordance with Section 8.6, the Borrower shall not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 11.6.

(b) (i) Subject to the conditions set forth in Section 11.6(b)(ii) below, any Lender other than a Conduit Lender may, in the ordinary course of business and in accordance with applicable law, assign (other than to a Disqualified Institution or any natural person) to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including its **Tranche B Term Loan Commitment and/or any Tranche of** Term Loans, pursuant to an Assignment and Acceptance) with the prior written consent of:

(A) **(1) with respect to the Tranche B Term Loan Commitments, the Borrower and (2) with respect to any Tranche of Loans,** the Borrower (**such consent, in the case of this clause (2)**, not to be unreasonably withheld), provided, that **with respect to any assignment of any Tranche of Term Loans,** no consent of the Borrower shall be required for an assignment (x) to a Lender, an Affiliate of a Lender, or an Approved Fund (as defined below); provided, that if any Lender assigns all or a portion of its rights and obligations under this

Agreement to one of its Affiliates in connection with or in contemplation of the sale or other disposition of its interest in such Affiliate, the Borrower's prior written consent shall be required for such assignment, (y) if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing, to any other Person, and (z) in connection with the primary syndication of **(A)** the Initial Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower **and (B) the Tranche B Term Loans by the Tranche B Initial Committed Lenders (as defined in the First Incremental Amendment) to Persons previously disclosed by them to the Borrower on or prior to the First Incremental Amendment Effective Date; and**

(B) the Administrative Agent (such consent not to be unreasonably withheld); provided that no consent of the Administrative Agent shall be required for an assignment to a Lender or an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Initial Term Loan Commitments, **Tranche B Term Loan Commitments,** Incremental Commitments or Loans under any Facility, the amount of the Initial **Term Loan Commitments, Tranche B** Term Loan Commitments, Incremental Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1.0 million unless the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of $3,500; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall only be required to be paid once in respect of and at the time of such assignments;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire;

(D) any assignment of Incremental Commitments or Loans to an Affiliated Lender shall also be subject to the requirements of Sections 11.6(h) and (i); and

(E) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon acquisition thereof.

For the purposes of this Section 11.6, the term "Approved Fund" has the following meaning: "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such assignment in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5, and bound by its continuing obligations under Section 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.6(b) shall, to the extent it would comply with Section 11.6(c), be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 11.6.

(iv) The Borrower hereby designates the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrower's agent, solely for purposes of this Section 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Initial Term Loan Commitments, **Tranche B Term Loan Commitments,** or Incremental Commitments of, and interest and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower (and, solely with respect to entries applicable to such Lender, any Lender), at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, the Borrower shall be

entitled to pursue any remedy available to it (whether at law or in equity) against the Lender and such Disqualified Institution. Notwithstanding the foregoing, in no event shall the Administrative Agent (in its capacity as such) (x) be obligated to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution or (y) have any liability with respect to any assignment or participation of Loans to any Disqualified Institution (other than through the Administrative Agent's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision; provided that in no event shall the Administrative Agent have any liability for any failure to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution).

(v) Each Lender that sells a participation shall, acting for itself and, solely for this purpose, as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for the Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and a Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 11.6(b) and any written consent to such assignment required by Section 11.6(b), the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Borrower. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (vi).

(vii) On or prior to the effective date of any assignment pursuant to this Section 11.6(b), the assigning Lender shall surrender any outstanding Notes held by it all or a portion of which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Borrower marked "cancelled".

Notwithstanding the foregoing provisions of this Section 11.6(b) or any other provision of this Agreement, if the Borrower shall have consented thereto in writing in its sole discretion, the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, **Tranche B Term Loan**

Commitments, and Initial Term Loan Commitments via an electronic settlement system acceptable to Administrative Agent and the Borrower as designated in writing from time to time to the Lenders by Administrative Agent (the "Settlement Service"). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be subject to the prior written approval of the Borrower and shall be consistent with the other provisions of this Section 11.6(b). Each assigning Lender and proposed Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans, Incremental Commitments, **Tranche B Term Loan Commitments,** and Initial Term Loan Commitments pursuant to the Settlement Service. Assignments and assumptions of Loans, Incremental **Commitments, Tranche B Term Loan** Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein. The Borrower may withdraw its consent to the use of the Settlement Service at any time upon notice to the Administrative Agent, and thereafter assignments and assumptions of the Loans, Incremental Commitments, **Tranche B Term Loan Commitments** and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein. Notwithstanding the foregoing, it is understood and agreed that the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, **Tranche B Term Loan Commitments,** and Initial Term Loan Commitments via the Clearpar electronic settlement system pursuant to procedures consistent with this Section 11.6(b).

Furthermore, no Assignee, which as of the date of any assignment to it pursuant to this Section 11.6(b) would be entitled to receive any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such Sections with respect to the rights assigned, shall, notwithstanding anything to the contrary in this Agreement, be entitled to receive such greater payments unless the assignment was made after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing or the Borrower has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c) (i) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the consent of the Borrower or the Administrative Agent, sell participations (other than to any Disqualified Institution or a natural person) to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Initial Term Loan Commitments, Incremental Commitments, **Tranche B Term Loan Commitments,** and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, (D) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection

with such Lender's rights and obligations under this Agreement and (E) in the case of any participation to a Permitted Affiliated Assignee, such participation shall be governed by the provisions of Section 11.6(h)(ii) to the same extent as if each reference therein to an assignment of a Loan were to a participation of a Loan and the references to Affiliated Lender were to such Permitted Affiliated Assignee in its capacity as a participant. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the second proviso to the second sentence of Section 11.1(a) and (2) directly affects such Participant. Subject to Section 11.6(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7(b) as though it were a Lender, provided that such Participant shall be subject to Section 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such participation in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular participation).

(ii) No Loan Party shall be obligated to make any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Borrower and the Borrower expressly waives the benefit of this provision at the time of such participation. A Participant shall not be entitled to the benefits of Section 4.11 unless such Participant complies with Section 4.11(b) or Section 4.11(c), as applicable, and provides the forms and certificates referenced therein to the Lender that granted such participation.

(d) Any Lender, without the consent of the Borrower or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(e) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 11.6(b). The Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from the Borrower pursuant to this Section 11.6(f) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Borrower specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Section 11.6(f), in the event that the indemnifying Lender fails timely to compensate the Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Borrower, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(g) If the Borrower wishes to replace the Loans under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 11.1. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 4.12. By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) (i) Notwithstanding anything to the contrary contained herein, any Parent, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Administrative Agent (or other applicable agent managing such

auction); provided that (A) any such Dutch auction by the Borrower or its Subsidiaries shall be made in accordance with Section 4.4(h) and (B) any such Dutch auction by any Parent shall be made on terms substantially similar to Section 4.4(h) or on other terms to be agreed between such Parent and the Administrative Agent (or other applicable agent managing such auction) or (2) open market purchases; provided further that:

(1) such Affiliated Lender and such other Lender shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit I hereto (an "Affiliated Lender Assignment and Assumption") and the Administrative Agent shall record such assignment in the Register;

(2) at the time of such assignment after giving affect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement;

(3) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower, whether through a Parent or otherwise, and exchanged for debt or equity securities of the Borrower or such Parent that are otherwise permitted to be issued at such time pursuant to the terms of this Agreement, so long as any Term Loans so acquired by the Borrower shall be retired and cancelled promptly upon the acquisition thereof;

(4) any Term Loans acquired by Holdings or any of its Subsidiaries shall be cancelled and retired immediately upon the acquisition thereof;

(5) each Lender making such assignment to such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lender, the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(ii) Notwithstanding anything to the contrary in this Agreement, no Affiliated Lender that is not an Affiliated Debt Fund shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the

Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives or (C) receive advice of counsel to the Administrative Agent, the Collateral Agent or any other Lender or challenge their attorney client privilege.

(iii) Notwithstanding anything in Section 11.1 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, an Affiliated Lender that is not an Affiliated Debt Fund shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not such Affiliated Lenders; provided that no amendment, modification, waiver, consent or other action with respect to any Loan Document shall deprive such Affiliated Lender of its ratable share of any payments of Term Loans of any class to which such Affiliated Lender is entitled under the Loan Documents without such Affiliated Lender providing its consent; provided, further, that such Affiliated Lender shall have the right to approve any amendment, modification, waiver or consent that (x) disproportionately and adversely affects such Affiliated Lender or affects such Affiliated Lender differently than other Lenders or (y) is of the type described in Sections 11.1(a)(i) through (ix) (other than subclauses (v) and (vi)); and in furtherance of the foregoing, (x) the Affiliated Lender agrees to execute and deliver to the Administrative Agent any instrument reasonably requested by the Administrative Agent to evidence the voting of its interest as a Lender in accordance with the provisions of this Section 11.6(h)(iii); provided that if the Affiliated Lender fails to promptly execute such instrument such failure shall in no way prejudice any of the Administrative Agent's rights under this Section 11.6(h)(iii) and (y) the Administrative Agent is hereby appointed (such appointment being coupled with an interest) by such Affiliated Lender as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iii).

(iv) Each Affiliated Lender that is not an Affiliated Debt Fund, solely in its capacity as a Lender, hereby agrees, and each Affiliated Lender Assignment and Assumption agreement shall provide a confirmation that, if any of the Borrower or any Restricted Subsidiary shall be subject to any voluntary or involuntary bankruptcy, reorganization, insolvency or liquidation proceeding (each, a "Bankruptcy Proceeding"), (i) such Affiliated Lender shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the

Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Affiliated Lender's claim with respect to its Term Loans ("Claim") (including objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Affiliated Lender is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including voting on any plan of reorganization), the Term Loans held by such Affiliated Lender (and any Claim with respect thereto) shall be deemed to be voted in accordance with Section 11.6(h)(iii) above, so long as such Affiliate Lender is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Section 11.6(h)(iv) and the related provisions set forth in each Affiliated Lender Assignment and Assumption constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, it is their intention that this Section 11.6(h)(iv) would be enforceable for all purposes in any case where the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to the Borrower or such Restricted Subsidiary, as applicable. Each Affiliated Lender that is not an Affiliated Debt Fund hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iv).

(i) Notwithstanding anything to the contrary in this Agreement, Section 11.1 or the definition of "Required Lenders" (x) with respect to any assignment or participation to or by an Affiliated Debt Fund, such assignment or participation shall be made pursuant to an open market purchase and (y) for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Affiliated Lenders (including Affiliated Debt Funds), combined, may not account for more than 50.0% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 11.1. Notwithstanding anything to the contrary in this Agreement, with respect to any assignment to or by an Affiliated Debt Fund, at the time of such assignment after giving affect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement.

(j) Notwithstanding the foregoing provisions of this Section 11.6, nothing in this Section 11.6 is intended to or should be construed to limit the Borrower's right to prepay the Term Loans as provided hereunder, including under Section 4.4.

11.7 Adjustments; Set-off; Calculations; Computations. (a) If any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise (except pursuant to Section 2.7, 2.8, 4.4, 4.9, 4.10, 4.11, 4.12, 4.13(d), 11.1(g) or 11.6)), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans owing to it, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders an interest (by participation, assignment or otherwise) in such portion of each such other Lender's Loans owing to it, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon the occurrence of an Event of Default under Section 9.1(a) or the Loans becoming due and payable pursuant to Section 9.2 to set-off and appropriate and apply against any amount then due and payable under Section 9.1(a) by the Borrower any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

11.8 Judgment. (a) If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 11.8 referred to as the "Judgment Currency") an amount due under any Loan Document in any currency (the "Obligation Currency") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 11.8 being hereinafter in this Section 11.8 referred to as the "Judgment Conversion Date").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 11.8(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

(c) The term "rate of exchange" in this Section 11.8 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

11.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of such counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be delivered to the Borrower and the Administrative Agent.

11.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.11 Integration. This Agreement and the other Loan Documents represent the entire agreement of each of the Loan Parties party hereto, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any of the Loan Parties party hereto, the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

11.12 Governing Law. THIS AGREEMENT AND ANY NOTES AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY NOTES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

11.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Term Loan Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 11.13 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 11.13(a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding.

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to Section 11.13(a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 11.2 or at such other address of which the Administrative Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 11.13 any consequential or punitive damages.

11.14 Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Other Representative or Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of creditor and debtor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among the Borrower and the Lenders.

11.15 Waiver Of Jury Trial. EACH OF THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

11.16 Confidentiality. (a) Each Agent and each Lender agrees to keep confidential any information (a) provided to it by or on behalf of the Borrower or any of their respective Subsidiaries pursuant to or in connection with the Loan Documents or (b) obtained by such Lender based on a review of the books and records of the Borrower or any of their respective Subsidiaries; provided that nothing herein shall prevent any Lender from disclosing any such information (i) to any Agent, any Other Representative or any other Lender, (ii) to any Transferee, or prospective Transferee or any creditor or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations which agrees to comply with the provisions of this Section 11.16 pursuant to a written instrument (or electronically recorded agreement from any Person listed above in this clause (ii), in respect to any electronic information (whether posted or otherwise distributed on any Platform)) for the benefit of the Borrower (it being understood that each relevant Lender shall be solely responsible for obtaining such instrument (or such electronically recorded agreement)), (iii) to its Affiliates and the employees, officers, partners, directors, agents, attorneys, accountants and other professional advisors of it and its Affiliates, provided that such Lender shall inform each such Person of the agreement under this Section 11.16 and take reasonable actions to cause compliance by any such Person referred to in this clause (iii) with this agreement (including, where appropriate, to cause any such Person to acknowledge its agreement to be bound by the agreement under this Section 11.16), (iv) upon the request or demand of any Governmental Authority having jurisdiction over such Lender or its affiliates or to the extent required in response to any order of any court or other Governmental Authority or as shall otherwise be required pursuant to any Requirement of Law, provided that, other than with respect to any

disclosure to any bank regulatory authority, such Lender shall, unless prohibited by any Requirement of Law, notify the Borrower of any disclosure pursuant to this clause (iv) as far in advance as is reasonably practicable under such circumstances, (v) which has been publicly disclosed other than in breach of this Agreement, (vi) in connection with the exercise of any remedy hereunder, under any Loan Document or under any Interest Rate Agreement, (vii) in connection with periodic regulatory examinations and reviews conducted by the National Association of Insurance Commissioners or any Governmental Authority having jurisdiction over such Lender or its affiliates (to the extent applicable), (viii) in connection with any litigation to which such Lender (or, with respect to any Interest Rate Agreement, any Affiliate of any Lender party thereto) may be a party subject to the proviso in clause (iv) above, and (ix) if, prior to such information having been so provided or obtained, such information was already in an Agent's or a Lender's possession on a non-confidential basis without a duty of confidentiality to the Borrower being violated. In addition, the Administrative Agent may disclose (i) the existence of this Agreement, the global amount, currency and maturity date of any Facility hereunder, and the legal name, country of domicile and jurisdiction of organization of the Borrower, to (i) the CUSIP Bureau and other similar market data collectors or service providers to the lending industry, provided that either such information shall have been previously made publicly available by the Borrower, or the Administrative Agent shall have obtained the written consent of the Borrower (such consent not to be unreasonably withheld or delayed), prior to making such disclosure, and (ii) information about this Agreement to service providers to the Administrative Agent to the extent customary in connection with the administration and management of this Agreement, the other Loan Documents, the Initial Term Loan Commitments, the **Tranche B Term Loan Commitments, the** Incremental Commitments, and the Loans, provided that any such Person is advised of and agrees to be bound by the provisions of this Section 11.16 and the Administrative Agent takes reasonable actions to cause such Person to comply herewith. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 11.16 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

(b) Each Lender acknowledges that any such information referred to in Section 11.16(a), and any information (including requests for waivers and amendments) furnished by the Borrower or the Administrative Agent pursuant to or in connection with this Agreement and the other Loan Documents, may include material non-public information concerning the Borrower, the other Loan Parties and their respective Affiliates or their respective securities. Each Lender represents and confirms that such Lender has developed compliance procedures regarding the use of material non-public information; that such Lender will handle such material non-public information in accordance with those procedures and applicable law, including United States federal and state securities laws; and that such Lender has identified to the Administrative Agent a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law.

11.17 Incremental Indebtedness; Additional Indebtedness. In connection with the incurrence by any Loan Party or any Subsidiary thereof of any Incremental Indebtedness or Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agree to

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

If the Administrative Agent shall have determined (which determination shall be conclusive absent manifest error) that it is unable to ascertain the Federal Funds Effective Rate for any reason, including the inability or failure of the Administrative Agent to obtain sufficient quotations in accordance with the terms of the definition thereof, the Alternate Base Rate shall be determined without regard to clause (b) of the preceding sentence until the circumstances giving rise to such inability no longer exist. Any change in the Alternate Base Rate due to a change in the Prime Rate, the Federal Funds Effective Rate or the Adjusted LIBOR Rate shall be effective on the effective date of such change in the Prime Rate, the Federal Funds Effective Rate or the Adjusted LIBOR Rate, as the case may be.

(13) Section 2.6(a) of the Existing Credit Agreement is hereby amended by replacing the words "3.50 to 1.00" with "(x) prior to the occurrence of the Trigger Date 3.50 to 1.00 and (y) on and after the occurrence of the Trigger Date 4.00 to 1.00" in the 21st line of such provision.

(14) Section 4.4(b)(iii) of the Existing Credit Agreement is hereby amended by adding the words "or in the case of voluntary prepayments of Tranche B Term Loans pursuant to Section 4.4(a) made on or after the Second Amendment Date and on or prior to the Trigger Date, during a previous Fiscal Year (to the extent such voluntary prepayments have not previously been applied to reduce the amount of prepayment required to be made by the Borrower pursuant to Section 4.4(b)(iii) in a previous Fiscal Year or to reduce scheduled amortization of the Tranche B Term Loans)" after the words "during such Fiscal Year" and before the words "(which, in any event, shall not include" in the 21st line of such provision.

(15) Section 8.1(b)(i) of the Existing Credit Agreement is hereby amended by inserting the following words "(A) prior to the occurrence of the Trigger Date," at the beginning of such provision and inserting the following words at the end of such provision:

> (B) on and after the occurrence of the Trigger Date, (I) Indebtedness (a) pursuant to this Agreement and the other Loan Documents, (b) pursuant to any other Credit Agreement, (c) pursuant to the New Notes and the 2014 Senior Secured Notes, (d) constituting Rollover Indebtedness and (e) in respect of Permitted Debt Exchange Notes incurred pursuant to a Permitted Debt Exchange in accordance with Section 2.7 (and which does not generate any additional proceeds), up to an aggregate principal amount, together with amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (xvii) below, not to exceed at any one time outstanding the greater of (A) $2,275.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of 4.00 to 1.00 (it being understood that for purposes of determining compliance under this clause (i) and under Section 2.6(a)(i), any Indebtedness incurred under this clause (i) and under Section 2.6(a)(i) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio) and (II) Revolving Credit Agreement Indebtedness not to exceed at any time outstanding $180.0 million;

(16) Section 8.2(a) of the Existing Credit Agreement is hereby amended by (i) replacing the words "no Default or Event of Default" with the words "no Event of Default" in the first line of clause (1) of such provision and (ii) inserting the words "if such Restricted Payment is made in reliance on clause (A) of paragraph (3) below," at the beginning of clause (2) of such provision immediately prior to the words "the Borrower would, at the time of such Restricted Payment".

Section 11.21. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION TWO - Conditions to Effectiveness of Second Amendment. This Second Amendment shall become effective on the date (the "Second Amendment Effective Date") when each of the following conditions shall have been satisfied:

(1) The Administrative Agent shall have received counterparts of this Second Amendment executed by the Borrower and the Required Lenders (determined immediately prior to giving effect to this Second Amendment).

(2) The Administrative Agent shall have received (i) true and complete copies of the resolutions duly adopted by the Board of Directors or a duly authorized committee thereof of the Borrower authorizing the execution, delivery and performance of this Second Amendment, and the performance of the Credit Agreement as amended by this Second Amendment, certified as of the Second Amendment Effective Date by a Responsible Officer, secretary or assistant secretary of the Borrower as being in full force and effect without modification or amendment and (ii) a good standing certificate for the Borrower from its jurisdiction of formation.

(3) The Borrower shall have reimbursed the Administrative Agent for (i) all of its reasonable out-of-pocket costs and expenses incurred in connection with this Second Amendment, any other documents prepared in connection herewith and the transactions contemplated hereby, and (ii) the reasonable documented fees, charges and disbursements of counsel to the Administrative Agent.

The Administrative Agent shall give prompt notice in writing to the Borrower of the occurrence of the Second Amendment Effective Date. Each Lender hereby authorizes the Administrative Agent to provide such notice and agrees that such notice shall be irrevocably conclusive and binding upon such Lender. Each Lender also hereby authorizes the Administrative Agent, acting at the direction of the Required Lenders, to execute a counterpart to this Second Amendment.

SECTION THREE - Representations and Warranties; No Default. In order to induce the Lenders to consent to this Second Amendment, the Borrower represents and warrants to each of the Lenders and the Administrative Agent that on and as of the date hereof after giving effect to this Second Amendment:

(1) No Default or Event of Default has occurred and is continuing.

(2) The representations and warranties of the Loan Parties set forth in Article V of the Credit Agreement are true and correct in all material respects on and as of the date hereof with the same effect as though made on and as of such date, except that (i) to the extent that such representations and warranties specifically refer to an earlier date, they are true and correct in all material respects as of such earlier date, (ii) the representations and warranties contained in Section 5.5(a) of the Credit Agreement shall be deemed to refer to the most recent statements furnished pursuant to Section 7.1(a) of the Credit Agreement and (iii) any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified.

(3) The execution, delivery and performance of this Second Amendment (i) are within the Borrower's corporate powers and have been duly authorized by all necessary corporate action and (ii) do not and will not (A) contravene the terms of the Borrower's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under, (x) any Contractual Obligation to which the Borrower is a party or affecting the Borrower or the properties of the Borrower or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which the Borrower or its property is subject; or (C) violate any Law; except in the case of clauses (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

(4) The Second Amendment has been duly executed and delivered by the Borrower and constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

SECTION FOUR - Reference to and Effect on the Credit Agreement and the Notes; Acknowledgements.

(1) On and after the effectiveness of this Second Amendment, each reference in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to "the Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by this Second Amendment. The Credit Agreement and each of the other

Loan Documents, as specifically amended by this Second Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. The execution, delivery and effectiveness of this Second Amendment shall not, except as expressly provided herein, operate as an amendment or waiver of any right, power or remedy of any Lender or any Agent under any of the Loan Documents, nor constitute an amendment or waiver of any provision of any of the Loan Documents. For the avoidance of doubt, this Second Amendment shall constitute a Loan Document for all purposes of the Loan Documents.

(2) Without limiting the foregoing, each of the Loan Parties party to the Guarantee Agreement and the Security Agreement hereby (i) acknowledges and agrees that all of its obligations under the Guarantee Agreement and the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (ii) reaffirms each Lien granted by each Loan Party to the Collateral Agent for the benefit of the Secured Parties and reaffirms the guaranties made pursuant to the Guarantee Agreement, (iii) acknowledges and agrees that the grants of security interests by and the guaranties of the Loan Parties contained in the Guarantee Agreement and the Security Agreement are, and shall remain, in full force and effect after giving effect to this Second Amendment, and (iv) agrees that all Secured Obligations are Guaranteed Obligations (as defined in the Guarantee Agreement).

SECTION SEVEN - Execution in Counterparts. This Second Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which, when taken together, shall constitute a single contract. Delivery of an executed counterpart of this Second Amendment by facsimile transmission or electronic photocopy (i.e., “pdf”) shall be effective as delivery of a manually executed counterpart of this Second Amendment.

SECTION EIGHT - Governing Law. THIS SECOND AMENDMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS SECOND AMENDMENT (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

RECITALS

WHEREAS, the Borrower has entered into that certain Credit Agreement, dated as of November 1, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, prior to the date hereof, the "Existing Credit Agreement", and as amended hereby, the "Credit Agreement"), among the Borrower; the several lenders party thereto from time to time; Credit Suisse AG, as administrative agent for the Lenders (in such capacity, the "Administrative Agent"); Barclays Bank PLC and UBS Securities LLC, as syndication agents, joint lead arrangers and joint bookrunners; and Credit Suisse Securities (USA) LLC, Macquarie Capital (USA) Inc. and Nomura Securities International, Inc., as joint lead arrangers and joint bookrunners;

WHEREAS, pursuant to and in accordance with Section 2.6 of the Existing Credit Agreement, the Borrower has requested that Incremental Term Loan Commitments be made available to the Borrower, and the Tranche C Term Lender and the Administrative Agent have agreed, upon the terms and subject to the conditions set forth herein, that the Tranche C Term Lender will make Incremental Loans in the form of the Tranche C Term Loans in an aggregate principal amount of $1,005,975,000, the proceeds of which will be used to repay the Tranche B Term Loans in full and to pay fees and expenses relating thereto (the entry into this Second Incremental Amendment and the borrowing of the Tranche C Term Loans hereunder and any or all of the foregoing transactions referred to in this paragraph, collectively, the "Transactions"); and

WHEREAS, Credit Suisse Securities (USA) LLC is acting as sole lead arranger and bookrunner (the "Tranche C Lead Arranger") for the Tranche C Term Loans;

WHEREAS, effective as of the making of the Tranche C Term Loans, each Lender party hereto has agreed to the amendment of the Existing Credit Agreement as set forth herein.

NOW, THEREFORE, in consideration of the covenants and agreements contained herein, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Defined Terms. Capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Credit Agreement.

Section 2. Amendment of the Existing Credit Agreement.

(a) It is understood and agreed that the Tranche C Term Loans are "Incremental Loans", the Tranche C Term Lender is an "Additional Lender," the Tranche C Term Loan Commitment is an "Incremental Term Loan Commitment" and this Second Incremental Amendment is an "Incremental Commitment Amendment", in each case, as defined in the Existing Credit Agreement. It is further understood and agreed that this Second Incremental Amendment and the Credit Agreement are each a "Loan Document", as defined in the Existing Credit Agreement.

(b) Exhibits J, K, L, M, N, O and P to the Existing Credit Agreement are hereby amended to read as set forth in Annex II hereto.

(c) The Schedules to the Existing Credit Agreement are hereby amended by adding as new Schedule A-2 Annex III hereto.

Section 3A. Conditions to Effectiveness of Amendment. The effectiveness of this Second Incremental Amendment, including the obligation of the Tranche C Term Lender to make a Tranche C Term Loan, is subject to the satisfaction or waiver of the following conditions (the date of such satisfaction or waiver of such conditions being referred to herein as the "Second Incremental Amendment Effective Date"):

(a) Second Incremental Amendment. The Administrative Agent shall have received this Second Incremental Amendment executed and delivered by a duly authorized officer of the Borrower, each other Loan Party, Holdings and the Tranche C Term Lender.

(b) Legal Opinions, Officer's Certificates, Corporate Authorizations. The Administrative Agent shall have received, on behalf of itself and the Tranche C Term Lender, customary legal opinions, customary officer's closing certificates, organizational documents, customary evidence of authorization and good standing certificates in jurisdictions of formation or organization, in each case, with respect to the Borrower, the other Loan Parties and Holdings (to the extent applicable), in each case (to the extent applicable) substantially similar to the corresponding opinions, certificates and documents delivered in connection with the closing of the Existing Credit Agreement on the Closing Date and described in Section 6.1(c) and Section 6.1(d) of the Existing Credit Agreement.

(c) Officer's Certificate. A certificate of a Responsible Officer of the Borrower certifying to the representations and warranties set forth in Section 4.

(e) Fees and Other Amounts. (i) The Tranche C Lead Arranger shall have received all fees and expenses required to be paid or delivered by the Borrower to it on or prior to such date pursuant to that certain engagement letter, dated as of October 17, 2016 among the Tranche C Lead Arranger and the Borrower, (ii) the Administrative Agent shall have received all fees and other amounts due and payable for the account of any Lender having a Tranche B Term Loan outstanding under the Existing Credit Agreement on or before the Second Incremental Amendment Effective Date, including accrued and unpaid interest with respect to the Tranche B Term Loans and (iii) the Administrative Agent shall have received, for the ratable account of each Lender that delivers an executed counterpart of this Second Incremental Amendment, a fee in an amount equal to 0.50% of the Tranche C Term Loan Commitment of such Lender.

(f) Borrowing Notice. The Administrative Agent shall have received a notice in respect of the Tranche C Term Loans as required by Section 2.3 of the Credit Agreement.

(g) Compliance Certificate. The Administrative Agent shall have received a certificate of the Borrower certifying compliance with the financial test set forth in clause (i)(B) of the proviso to Section 2.6(a) of the Credit Agreement (together with calculations demonstrating compliance with such test).

The making of the Tranche C Term Loans by the Tranche C Term Lender shall conclusively be deemed to constitute an acknowledgement by the Administrative Agent and the Tranche C Term Lender that each of the conditions precedent set forth in this Section 3A shall have been satisfied in accordance with its respective terms or shall have been irrevocably waived by such Person.

Section 3B. Amendment and Restatement of Exiting Credit Agreement.

(a) Subject to satisfaction of the condition set forth in paragraph (b) below, effective as of the Amendment and Restatement Effective Date (as defined below), the Existing Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the bold and double-underlined text (indicated textually in the same manner as the following example: **double underlined text**) as set forth in the pages of the Existing Credit Agreement attached as Annex I hereto.

(b) The amendments to the Existing Credit Agreement set forth in Section 3B(a) shall become effective on the date (the "Amendment and Restatement Effective Date") on which the Administrative Agent shall have received the written consent to this Agreement of Lenders constituting the Required Lenders as of such date, provided that the Amendment and Restatement Effective Date shall not occur prior to the Second Incremental Amendment Effective Date. For purposes of the foregoing, the parties hereto acknowledge that if the Lenders executing this Agreement would constitute the Required Lenders after giving effect to the repayment of Tranche B Term Loans described in the Recitals hereof, the Amendment and Restatement Effective Date shall occur on the date of such repayment.

Section 4. Representations and Warranties. To induce the other parties hereto to enter into this Second Incremental Amendment and the Tranche C Term Lender to make the Tranche C Term Loans, the Borrower hereby represents and warrants, with respect to itself and its Restricted Subsidiaries, to the Administrative Agent and the Tranche C Term Lender that on and as of the date hereof after giving effect to this Second Incremental Amendment:

(a) No Default or Event of Default has occurred and is continuing.

(b) The representations and warranties of the Loan Parties set forth in Article V of the Existing Credit Agreement are true and correct in all material respects on and as of the Second Incremental Amendment Effective Date with the same effect as though made on and as of such date, except that (i) to the extent that such representations and warranties specifically refer to an earlier date, they are true and correct in all material respects as of such earlier date and (ii) the representations and warranties contained in Section 5.5(a) of the Existing Credit Agreement shall be deemed to refer to the most recent statements furnished pursuant to Section 7.1(a) of the Existing Credit Agreement.

(c) The execution and delivery by each Loan Party of this Second Incremental Amendment, the performance of this Second Incremental Amendment by each Loan Party, the performance of the Credit Agreement by the Borrower and the consummation of the Transactions, (i) are within such Loan Party's corporate or other powers and have been duly authorized by all necessary corporate or other organizational action and (ii) (A) do not and will not contravene the terms of any of such Person's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under, (x) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which the Borrower or its property is subject; or (C) violate any Law; except in the case of clauses (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

(d) This Second Incremental Amendment has been duly executed and delivered by the Borrower and each other Loan Party. This Second Incremental Amendment and, solely in the case of the Borrower, the Credit Agreement constitute legal, valid and binding obligations of the Borrower and such other Loan Party, enforceable against the Borrower and each other Loan Party that is party hereto in accordance with their terms, in each case except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

(e) The Borrower will use the proceeds of the Tranche C Term Loans to (i) prepay in full the Tranche B Term Loans, (ii) redeem up to $27,500,000 of the 2014 Senior Secured Notes and (iii) to pay fees, costs and expenses related to the Transactions.

Section 5. Effects on Loan Documents; Acknowledgement.

(a) Except as expressly set forth herein, this Second Incremental Amendment shall not (i) by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent, the Collateral Agent, Holdings or the Loan Parties under the Existing Credit Agreement or any other Loan Document or (ii) alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Existing Credit Agreement or any other provision of the Existing Credit Agreement or any other Loan Document. Except as expressly set forth herein, each and every term, condition, obligation, covenant and agreement contained in the Existing Credit Agreement or any other Loan Document is hereby ratified and re-affirmed in all respects and shall continue in full force and effect and nothing herein can or may be construed as a novation thereof. Each Loan Party and Holdings reaffirms its obligations under the Loan Documents to which it is party and the validity, enforceability and perfection of the Liens granted by it pursuant to the Security Agreement on the Second Incremental Amendment Effective Date. This Second Incremental Amendment shall constitute a Loan Document for purposes of the Credit Agreement and from and after the Second Incremental Amendment Effective Date, all references to the "Credit Agreement" in any Loan Document and all references in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Credit Agreement as amended by this Second Incremental Amendment. Each of the Loan Parties and Holdings hereby consents to this Second Incremental Amendment and confirms that all obligations of such Loan Party or Holdings under the Loan Documents to which such Loan Party or Holdings is a party shall continue to apply to the Credit Agreement, as amended hereby.

(b) Without limiting the foregoing, each of the Loan Parties party to the Guarantee Agreement and the Security Agreement hereby (i) acknowledges and agrees that the Tranche C Term Loans are Loans and the Tranche C Term Lender is a Lender, (ii) acknowledges and agrees that all of its obligations under the Guarantee Agreement and the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (iii) reaffirms each Lien granted by each Loan Party to the Collateral Agent for the benefit of the Secured Parties (including the Tranche C Term Lender) and reaffirms the guaranties made pursuant to the Guarantee Agreement, (iv) acknowledges and agrees that the grants of security interests by and the guaranties of the Loan Parties contained in the Guarantee Agreement and the Security Agreement are, and shall remain, in full force and effect after giving effect to the Second Incremental Amendment, (v) agrees that the Secured Obligations include, among other things and without limitation, the prompt and complete payment and performance by the Borrower when due and payable (whether at the stated maturity, by acceleration or otherwise) of principal and interest on, the Tranche C Term Loans, and (vi) agrees that all Secured Obligations are Guaranteed Obligations (as defined in the Guarantee Agreement).

(c) Without limiting the foregoing, Holdings, as party to the Security Agreement hereby (i) acknowledges and agrees that the Tranche C Term Loans are Loans and the Tranche C Term Lender is a Lender, (ii) acknowledges and agrees that all of its obligations under the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis,

(iii) reaffirms each Lien granted it to the Collateral Agent for the benefit of the Secured Parties (including the Tranche C Term Lender), (iv) acknowledges and agrees that the grants of security interests by it contained in the Security Agreement are, and shall remain, in full force and effect after giving effect to the Second Incremental Amendment and (v) agrees that the Secured Obligations include, among other things and without limitation, the prompt and complete payment and performance by the Borrower when due and payable (whether at the stated maturity, by acceleration or otherwise) of principal and interest on, the Tranche C Term Loans.

Section 6. Expenses. The Borrower agrees to pay or reimburse the Administrative Agent for (1) all of its reasonable and documented out-of-pocket costs and expenses incurred in connection with this Second Incremental Amendment, any other documents prepared in connection herewith and the transactions contemplated hereby, and (2) the reasonable documented fees, charges and disbursements of Davis Polk & Wardwell LLP, as counsel to the Administrative Agent.

Section 7. Counterparts. This Second Incremental Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Delivery of an executed counterpart of a signature page of this Second Incremental Amendment by facsimile or any other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

Section 8. Applicable Law. THIS INCREMENTAL AMENDMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS SECOND INCREMENTAL AMENDMENT (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAWS THEREOF, TO THE EXTENT THAT THE SAME ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAW OF ANOTHER JURISDICTION.

Section 9. Headings. The headings of this Second Incremental Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

[*Remainder of page intentionally left blank.*]

IN WITNESS WHEREOF, the parties hereto have caused this Second Incremental Amendment to be executed and delivered by their respective duly authorized officers as of the date first above written.

In the event that such Person or any Restricted Subsidiary thereof incurs, issues, assumes, enters into any guarantee of, redeems, repays, retires or extinguishes any Indebtedness or issues or repays Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or concurrently with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the date of such event, the "Calculation Date"), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness, or such issuance or repayment of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above with respect to any specified Person, if any Specified Transaction has been made by such specified Person or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, the Fixed Charge Coverage Ratio shall be calculated on a pro forma basis assuming that all such Specified Transactions (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a

responsible financial or accounting officer of such specified Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. (d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.5(c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Incremental Facilities. (a) So long as no Event of Default under Section 9.1 (a) or (f) exists or would arise therefrom (provided that, to the extent the proceeds of Term Loans made pursuant to any Incremental Commitment will be used to consummate a Limited Condition ~~Acquisition~~Transaction, the requirement that there be no Event of Default under Section 9.1(a) or (f) shall only be required to be satisfied on the date on which definitive agreements with respect to such Limited Condition ~~Acquisition~~Transaction are entered into), the Borrower shall have the right, at any time and from time to time after the First Incremental Amendment Effective Date, (i) to request new term loan commitments under one or more new term loan credit facilities to be included in this Agreement (the "Incremental Term Loan Commitments") and (ii) to increase the Existing Term Loans by requesting new term loan commitments to be added to an Existing Term Tranche of Term Loans (the "Supplemental Term Loan Commitments" and, together with the Incremental Term Loan Commitments, the "Incremental Commitments"), provided that, (i) the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.6 shall not exceed, at the time the respective Incremental Commitment becomes effective ~~the greater of~~ (A) $~~300.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of (x) prior to the occurrence of the Trigger Date 3.50 to 1.00 and (y) on and after the occurrence of the Trigger Date 4.00 to 1.00 (it being understood that for purposes of determining compliance under this clause (i), any Indebtedness incurred under this clause (i) and~~300 million plus (B) the amount that could be incurred pursuant to Section 8.1(b)(i) ~~(whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio),~~; (ii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(B) above, the Borrower shall

have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment or compliance with the financial test set forth in such clause (together with calculations demonstrating compliance with such test), as applicable, and (iii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(A) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment; provided further that (x) the Borrower may elect to use capacity under (i)(B) above prior to using capacity under (i)(A) above, (y) that any portion of any Incremental Commitments incurred in reliance on (i)(A) above shall be reclassified, as the Borrower may elect from time to time, as incurred under clause (i)(B) if the Borrower meets the applicable Senior Secured Indebtedness to EBITDA Ratio at such time, on a pro forma basis and (z) any amounts incurred under (i)(A) above, concurrently incurred with, or in a single transaction or series of related transactions with, amounts incurred under (i)(B) above or under Section 8.1(b)(i) or under clause (26) of the definition of "Permitted Liens" will not count as indebtedness for the purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio to determine availability at such time under clause (i)(B), Section 8.1(b)(i) or capacity under clause (26) of the definition of "Permitted Liens"). Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments) shall be made by creating a new Tranche. Each Incremental Commitment made available pursuant to this Section 2.6 shall be in a minimum aggregate amount of at least $15.0 million and in integral multiples of $5.0 million in excess thereof or such lower minimum amounts or multiples as agreed to by the Administrative Agent, in its reasonably discretion from time to time.

(b) Each request from the Borrower pursuant to this Section 2.6 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Lender"); provided that if such Additional Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder or an Approved Fund, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (it being understood that any such Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 11.6(h), *mutatis mutandis*, to the same extent as if such Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment).

(c) Supplemental Term Loan Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit G (the "Increase Supplement") or by each Additional Lender substantially in the form attached hereto as Exhibit H (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan.

(d) Incremental Commitments (other than Supplemental Term Loan Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental

Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.6; provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a pari passu or (at the Borrower's option) junior basis by the same Collateral securing the Tranche ~~B~~C Term Loans (so long as any such Incremental Commitments (and related Obligations) secured on a junior basis are subject to the Junior Lien Intercreditor Agreement or an Other Intercreditor Agreement, as applicable), (B) the Incremental Commitments and any incremental loans drawn thereunder (the "Incremental Loans") shall rank pari passu in right of payment with or (at the Borrower's option) junior to the Tranche ~~B~~C Term Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Term Loans (other than the proceeds of Incremental Loans which are subject to an escrow or similar arrangement and any related deposit of Cash or Cash Equivalents to cover interest and premium in respect of such Incremental Loans) and (II) so long as any Tranche ~~B~~C Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the Tranche ~~B~~C Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the Tranche ~~B~~C Term Loans, (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date and the weighted average life to maturity of such Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the Tranche ~~B~~C Term Loan Maturity Date or the weighted average life to maturity of the Tranche ~~B~~C Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Tranche ~~B~~C Term Loan Maturity Date or the weighted average life to maturity of the Tranche ~~B~~C Term Loans, as applicable); (iv) the interest rate margins and amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; provided that in the event that the applicable interest rate margins for any term loans incurred by the Borrower under any Incremental Term Loan Commitment, are higher than the applicable interest rate margin for the Tranche ~~B~~C Term Loans by more than 50 basis points, then the Applicable Margin for the Tranche ~~B~~C Term Loans shall be increased (the "Increased Amount") to the extent necessary so that the applicable interest rate margin for the Tranche ~~B~~C Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 50 basis points; provided, further that, in determining the applicable interest rate margins for the Tranche ~~B~~C Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront

fees payable generally to all participating Additional Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Borrower to the Lenders under the Tranche ~~B~~C Term Loans or any Incremental Term Loan in the initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest based on an assumed four-year life to maturity); (B) any arrangement, structuring or other fees payable in connection with the Incremental Term Loans that are not shared with all Additional Lenders providing such Incremental Term Loans shall be excluded; (C) any amendments to the Applicable Margin on the Tranche ~~B~~C Term Loans that became effective subsequent to the ~~First Incremental~~Third Amendment ~~Effective~~Closing Date but prior to the time of such Incremental Term Loans shall also be included in such calculations ~~and~~; (D) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Tranche ~~B~~C Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Tranche ~~B~~C Term Loans shall be required, to the extent an increase in the interest rate floor for the Tranche ~~B~~C Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Tranche ~~B~~C Term Loans shall be increased by such amount; (E) if the Incremental Term Loans include an interest rate floor lower than the interest rate floor applicable to the Tranche C Term Loans or do not include any interest rate floor, to the extent a reduction in the interest rate floor for such Tranche C Term Loans would cause a reduction in the interest rate then in effect thereunder, an amount equal to the difference between the interest rate floor applicable to the Tranche C Term Loans and the interest rate floor applicable to such Incremental Term Loans (which shall be deemed to equal 0% for any Incremental Term Loans without any interest rate floor), but which in any event shall not exceed the maximum amount by which a reduction in the interest rate floor applicable to the Tranche C Term Loans would cause a reduction in the interest rate then in effect thereunder, shall reduce the applicable interest rate margin of the applicable Incremental Terms Loans for purposes of determining whether an increase to the Applicable Margin for such Tranche C Term Loans shall be required, and (F) if the applicable Tranche C Term Loans include a pricing grid the interest rate margins in such pricing grid which are not in effect at the time the applicable Incremental Commitments become effective shall also each be increased by an amount equal to the Increased Amount; (v) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder, (2) for class voting and other class protections for any additional credit facilities, and (3) for the amendment of the definition of "Disqualified Stock," in each case only to extend the maturity date and the weighted average life to maturity requirements, from the Tranche ~~B~~C Term Loan Maturity Date and weighted average life to maturity of the Tranche ~~B~~C Term Loans to the extended maturity date and the weighted average life to maturity of such Incremental Term Loans, as applicable; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower, provided that to the extent such terms and documentation are not consistent with, in the case of Incremental Term Loans, the terms and documentation governing the Tranche ~~B~~C Term Loans (except to the extent permitted by clause (iii), (iv) or (v) above), they shall be reasonably satisfactory to the Borrower and the Administrative Agent.

(e) For the avoidance of doubt, the Tranche B Initial Term Loans or the Tranche B Delayed Draw Term Loans, in each case, incurred after the First Incremental Effective Date shall not constitute "Incremental Term Loans" incurred pursuant to this Section 2.6 but shall be incurred pursuant to Section 2.1(b) or (c) (as applicable) and accordingly the requirements of this Section 2.6, including clause (iv) of the first proviso of Section 2.6(d), shall not apply thereto.

2.7 Permitted Debt Exchanges. (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Borrower, the Borrower may from time to time following the First Incremental Amendment Effective Date consummate one or more exchanges of Term Loans of such Tranche for Indebtedness in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) such Permitted Debt Exchange Notes do not provide for a maturity date or weighted average life to maturity earlier than the Maturity Date of the Term Loans subject to such Permitted Debt Exchange or shorter than the weighted average life to maturity of the Term Loans subject to such Permitted Debt Exchange.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.7, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 4.4 and (ii) such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "Minimum Exchange Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least ten Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.7 and without conflict with Section 2.7(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.7(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.8 Extension of Term Loans. (a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches (including any Extended Term Loans) existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Term Tranche (any such Existing Term Tranche which has been so extended, an "Extended Term Tranche" and the Term Loans of such Tranche, the "Extended Term Loans") and to provide for other terms consistent with this Section 2.8; provided that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans), and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any Extended Term Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Term Tranche to be established, which terms shall be identical to those applicable to the Existing Term Tranche from which they are to be extended (the "Specified Existing Term Tranche"), except

(w) all or any of the final maturity dates of such Extended Term Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Term Tranche, (x) (A) the interest margins with respect to the Extended Term Tranche may be higher or lower than the interest margins for the Specified Existing Term Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Term Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case to the extent provided in the applicable Extension Amendment, (y) any optional or mandatory prepayment applicable to any Extended Term Tranche may be directed first to the prepayment of the Existing Term Loans and (z) amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Term Tranche, so long as the Extended Term Tranche does not have a weighted average life to maturity shorter than the remaining weighted average life to maturity of the Specified Existing Term Tranche; provided that, notwithstanding anything to the contrary in this Section 2.8 or otherwise, (1) assignments and participations of Extended Term Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Term Loans set forth in Section 11.6, and (2) subject to clause (z) above, no mandatory repayment of Extended Term Tranches shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Tranches (including Extended Term Tranches) (or all earlier maturing Tranches (including Extended Term Tranches) shall otherwise be or have been terminated and repaid in full). No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into an Extended Term Tranche pursuant to any Extension Request. Any Extended Term Tranche shall constitute a separate Tranche of Term Loans from the Specified Existing Term Tranches and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten Business Days prior to the date on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Term Tranche converted into an Extended Term Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Term Tranche that it has elected to convert into an Extended Term Tranche. In the event that the aggregate amount of the Specified Existing Term Tranche subject to Extension Elections exceeds the amount of Extended Term Tranches requested pursuant to the Extension Request, the Specified Existing Term Tranches subject to Extension Elections shall be converted to Extended Term Tranches on a pro rata basis based on the amount of Specified Existing Term Tranches included in each such Extension Election. In connection with any extension of Term Loans pursuant to this Section 2.8 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.8. The Borrower may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Administrative Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Term Tranche are requested to respond to the Extension Request. Any Lender may revoke an Extension Election at any time

prior to 5:00 P. M. on the date that is two Business Days prior to the Extension Request Deadline, at which point the Extension Election becomes irrevocable (unless otherwise agreed by the Borrower). The revocation of an Extension Election prior to the Extension Request Deadline shall not prejudice any Lender's right to submit a new Extension Election prior to the Extension Request Deadline.
