(g) The unpaid aggregate principal amount of the Tranche F Term Loans shall be repaid in full on the Tranche F Term Loan Maturity Date (or, if such day is not a Business Day, on the immediately preceding Business Day).

2.3 Procedure for Term Loan Borrowing. The Borrower shall have given the Administrative Agent notice (which notice must have been received by the Administrative Agent prior to 9:00 A.M., New York City time, and shall be irrevocable after funding) on (i) in the case of the Initial Term Loans, the Closing Date, (ii) in the case of the Tranche B Refinancing Term Loans, the First Incremental Amendment Effective Date, (iii) in the case of the Tranche B Initial Term Loans, the First Incremental Amendment Closing Date, (iv) in the case of the Tranche B Delayed Draw Term Loans, the Tranche B Delayed Draw Closing Date, (v) in the case of the Tranche C Term Loans, the Third Amendment Closing Date, (vi) in the case of the Tranche D Term Loans, the Fourth Amendment Closing Date ~~and~~, (vii) in the case of the Tranche E Term Loans, the Fifth Amendment Closing Date and (viii) in the case of Tranche F Term Loans, the Seventh Amendment Closing Date, in each case, specifying the amount of the Initial Term Loans, Tranche B Refinancing Term Loans, Tranche B Initial Term Loans, Tranche B Delayed Draw Term Loans, Tranche C Term Loans, Tranche D Term Loans ~~and~~, Tranche E Term Loans and Tranche F Term Loans, as applicable, to be borrowed. Upon receipt of such notice, the Administrative Agent shall promptly notify each applicable Lender thereof. Each Lender (i) having an Initial Term Loan Commitment will make the amount of its pro rata share of the Initial Term Loan Commitments available to the Administrative Agent, (ii) having a Tranche B Refinancing Term Loan Commitment will make the amount of its pro rata share of the Tranche B Refinancing Term Loan Commitments available to the Administrative Agent, (iii) having a Tranche B Initial Term Loan Commitment will make the amount of its pro rata share of the Tranche B Initial Term Loan Commitments available to the Administrative Agent, (iv) having a Tranche B Delayed Draw Commitment will make the amount of its pro rata share of the Tranche B Delayed Draw Commitments available to the Administrative Agent, (v) having a Tranche C Term Loan Commitment will make the amount of its pro rata share of the Tranche C Term Loan Commitments available to the Administrative Agent, (vi) having a Tranche D Term Loan Commitment will make the amount of its pro rata share of the Tranche D Term Loan Commitments available to the Administrative Agent ~~or~~, (vii) having a Tranche E Term Loan Commitment will make the amount of its pro rata share of the Tranche E Term Loan Commitments available to the Administrative Agent or (viii) having a Tranche F Term Loan Commitment will make the amount of its pro rata share of the Tranche F Term Loan Commitments available to the Administrative Agent, in each case for the account of the Borrower at the office of the Administrative Agent specified in Section 11.2 prior to 10:00 A.M., New York City time, on the Closing Date (in the case of the Initial Term Loans), the First Incremental Amendment Effective Date (in the case of the Tranche B Refinancing Term Loans), the First Incremental Amendment Closing Date (in the case of the Tranche B Initial Term Loans), the Tranche B Delayed Draw Closing Date (in the case of the Tranche B Delayed Draw Term Loans), the Third Amendment Closing Date (in the case of the Tranche C Term Loans), the Fourth Amendment Closing Date (in the case of the Tranche D Term Loans) ~~or~~, the Fifth Amendment Closing Date (in the case of the Tranche E Term Loans) or the Seventh Amendment Effective Closing Date (in the case of Tranche F Term Loans) in funds immediately available to the Administrative Agent. The Administrative Agent shall on such date credit the account of the Borrower on the books of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Lenders and in like funds as received by the Administrative Agent.

2.4 [Reserved.]

2.5 Repayment of Loans. (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent (in the currency in which such Term Loan is denominated) for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender made to the Borrower, on the Initial Term Loan Maturity Date (in the case of Initial Term Loans), the Tranche B Term Loan Maturity Date (in the case of Tranche B Term Loans), the Tranche C Term Loan Maturity Date (in the case of Tranche C Term Loans), the Tranche D Term Loan Maturity Date (in the case of Tranche D Term Loans) ~~or~~, the Tranche E Term Loan Maturity Date (in the case of Tranche E Term Loans) or the Tranche F Term Loan Maturity Date (in the case of Tranche F Term Loans) (or such earlier date on which the Term Loans become due and payable pursuant to Section 9). The Borrower hereby further agrees to pay interest on the unpaid principal amount of such Term Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 4.1.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain the Register pursuant to Section 11.6(b), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each applicable Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each applicable Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.5(c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Incremental Facilities. (a) So long as no Event of Default under Section 9.1 (a) or (f) exists or would arise therefrom (provided that, to the extent the proceeds of Term Loans made pursuant to any Incremental Commitment will be used to consummate a Limited Condition Transaction, the requirement that there be no Event of Default under Section 9.1(a) or (f) shall only be required to be satisfied on the date on which definitive agreements with respect to such Limited Condition Transaction are entered into), the Borrower shall have the right, at any time and from time to time after the First Incremental Amendment Effective Date, (i) to request new term loan commitments under one or more new term loan credit facilities to be included in this Agreement (the "Incremental Term Loan Commitments") and (ii) to increase the Existing Term Loans by requesting new term loan commitments to be added to an Existing Term

Tranche of Term Loans (the "Supplemental Term Loan Commitments" and, together with the Incremental Term Loan Commitments, the "Incremental Commitments"), provided that, (i) the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.6 shall not exceed, at the time the respective Incremental Commitment becomes effective (A) $300 million plus (B) the amount that could be incurred pursuant to Section 8.1(b)(i); (ii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(B) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment or compliance with the financial test set forth in such clause (together with calculations demonstrating compliance with such test), as applicable, and (iii) if any portion of an Incremental Commitment is to be incurred in reliance on (i)(A) above, the Borrower shall have delivered a certificate to the Administrative Agent, certifying the amount of the available basket in such clause to be used for the incurrence of such Incremental Commitment; provided further that (x) the Borrower may elect to use capacity under (i)(B) above prior to using capacity under (i)(A) above, (y) that any portion of any Incremental Commitments incurred in reliance on (i)(A) above shall be reclassified (including for purposes of Section 8.1(b)(ii) and clause (26) of the definition of "Permitted Liens"), as the Borrower may elect from time to time, as incurred under clause (i)(B) if the Borrower meets the applicable Senior Secured Indebtedness to EBITDA Ratio at such time, on a pro forma basis and (z) any amounts incurred under (i)(A) above, concurrently incurred with, or in a single transaction or series of related transactions with, amounts incurred under (i)(B) above or under Section 8.1(b)(i) or under clause (26) of the definition of "Permitted Liens" will not count as indebtedness for the purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio to determine availability at such time under clause (i)(B), Section 8.1(b)(i) or capacity under clause (26) of the definition of "Permitted Liens"). Any loans made in respect of any such Incremental Commitment (other than Supplemental Term Loan Commitments) shall be made by creating a new Tranche. Each Incremental Commitment made available pursuant to this Section 2.6 shall be in a minimum aggregate amount of at least $15.0 million and in integral multiples of $5.0 million in excess thereof or such lower minimum amounts or multiples as agreed to by the Administrative Agent, in its reasonably discretion from time to time.

(b) Each request from the Borrower pursuant to this Section 2.6 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Lender"); provided that if such Additional Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder or an Approved Fund, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (it being understood that any such Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 11.6(h), *mutatis mutandis*, to the same extent as if such Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment).

(c) Supplemental Term Loan Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit G (the "Increase Supplement") or by each Additional Lender substantially in the form attached hereto as Exhibit H (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan.

(d) Incremental Commitments (other than Supplemental Term Loan Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.6; provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a pari passu or (at the Borrower's option) junior basis by the same Collateral securing the Tranche ~~E~~F Term Loans (so long as any such Incremental Commitments (and related Obligations) secured on a junior basis are subject to the Junior Lien Intercreditor Agreement or an Other Intercreditor Agreement, as applicable), (B) the Incremental Commitments and any incremental loans drawn thereunder (the "Incremental Loans") shall rank pari passu in right of payment with or (at the Borrower's option) junior to the Tranche ~~E~~F Term Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Term Loans (other than the proceeds of Incremental Loans which are subject to an escrow or similar arrangement and any related deposit of Cash or Cash Equivalents to cover interest and premium in respect of such Incremental Loans) and (II) so long as any Tranche ~~E~~F Term Loans are outstanding, any mandatory prepayment provisions that do not also apply to the Term Loans (other than Incremental Term Loans secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata basis (or otherwise provide for more favorable prepayment treatment for the Tranche ~~E~~F Term Loans than such Incremental Term Loans as contemplated by the proviso appearing in Section 4.4(c)) (other than, in the case of any customary bridge financing, prepayments of such bridge financing from the issuance of equity or other Indebtedness permitted hereunder), provided that (subject to clause (iii) below) any Incremental Term Loans may provide for more favorable amortization payments than the Tranche ~~E~~F Term Loans~~,~~; (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity

date and the weighted average life to maturity of such Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the Tranche ~~E~~F Term Loan Maturity Date or the weighted average life to maturity of the Tranche ~~E~~F Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Tranche ~~E~~F Term Loan Maturity Date or the weighted average life to maturity of the Tranche ~~E~~F Term Loans, as applicable); (iv) the interest rate margins and amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; provided that in the event that the applicable interest rate margins for any term loans incurred by the Borrower under any Incremental Term Loan Commitment, are higher than the applicable interest rate margin for ~~the~~ Tranche ~~E~~F Term Loans by more than 50 basis points, then the Applicable Margin for ~~the~~ Tranche ~~E~~F Term Loans shall be increased (the "Increased Amount") to the extent necessary so that the applicable interest rate margin for the Tranche ~~E~~F Term Loans is equal to the applicable interest rate margins for such Incremental Term Loan Commitment minus 50 basis points; provided, further that, in determining the applicable interest rate margins for the Tranche ~~E~~F Term Loans and the Incremental Term Loans, (A) original issue discount ("OID") or upfront fees payable generally to all participating Additional Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Borrower to the Lenders under the Tranche ~~E~~F Term Loans or any Incremental Term Loan in the initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest based on an assumed four-year life to maturity); (B) any arrangement, structuring or other fees payable in connection with the Incremental Term Loans that are not shared with all Additional Lenders providing such Incremental Term Loans shall be excluded; (C) any amendments to the Applicable Margin on the Tranche ~~E~~F Term Loans that became effective subsequent to the ~~Fifth~~Seventh Amendment Closing Date but prior to the time of such Incremental Term Loans shall also be included in such calculations; (D) if the Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Tranche ~~E~~F Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Tranche ~~E~~F Term Loans shall be required, to the extent an increase in the interest rate floor for the Tranche ~~E~~F Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Tranche ~~E~~F Term Loans shall be increased by such amount; (E) if the Incremental Term Loans include an interest rate floor lower than the interest rate floor applicable to the Tranche ~~E~~F Term Loans or do not include any interest rate floor, to the extent a reduction in the interest rate floor for such Tranche ~~E~~F Term Loans would cause a reduction in the interest rate then in effect thereunder, an amount equal to the difference between the interest rate floor

applicable to the Tranche ~~E~~F Term Loans and the interest rate floor applicable to such Incremental Term Loans (which shall be deemed to equal 0% for any Incremental Term Loans without any interest rate floor), but which in any event shall not exceed the maximum amount by which a reduction in the interest rate floor applicable to the Tranche ~~E~~F Term Loans would cause a reduction in the interest rate then in effect thereunder, shall reduce the applicable interest rate margin of the applicable Incremental Terms Loans for purposes of determining whether an increase to the Applicable Margin for such Tranche ~~E~~F Term Loans shall be required, and (F) if the applicable Tranche ~~E~~F Term Loans include a pricing grid the interest rate margins in such pricing grid which are not in effect at the time the applicable Incremental Commitments become effective shall also each be increased by an amount equal to the Increased Amount; (v) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder, (2) for class voting and other class protections for any additional credit facilities, and (3) for the amendment of the definition of "Disqualified Stock," in each case only to extend the maturity date and the weighted average life to maturity requirements, from the Tranche ~~E~~F Term Loan Maturity Date and the weighted average life to maturity of the Tranche ~~E~~F Term Loans to the extended maturity date and the weighted average life to maturity of such Incremental Term Loans, as applicable; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower, provided that to the extent such terms and documentation are not consistent with, in the case of Incremental Term Loans, the terms and documentation governing the Tranche ~~E~~F Term Loans (except to the extent permitted by clause (iii), (iv) or (v) above), they shall be reasonably satisfactory to the Borrower and the Administrative Agent.

(e) For the avoidance of doubt, the Tranche B Initial Term Loans or the Tranche B Delayed Draw Term Loans, in each case, incurred after the First Incremental Effective Date shall not constitute "Incremental Term Loans" incurred pursuant to this Section 2.6 but shall be incurred pursuant to Section 2.1(b) or (c) (as applicable) and accordingly the requirements of this Section 2.6, including clause (iv) of the first proviso of Section 2.6(d), shall not apply thereto.

2.7 Permitted Debt Exchanges. (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans of a particular Tranche, as selected by the Borrower, the Borrower may from time to time following the First Incremental Amendment Effective Date consummate one or more exchanges of Term Loans of such Tranche for Indebtedness in the form of notes (such notes, "Permitted Debt Exchange

Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, (ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iii) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount of the applicable Tranche actually held by it) shall exceed the maximum aggregate principal amount of Term Loans offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (iv) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) based on their respective aggregate principal amounts of outstanding Term Loans of the applicable Tranche, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Administrative Agent, (vi) any applicable Minimum Exchange Tender Condition shall be satisfied and (vii) such Permitted Debt Exchange Notes do not provide for a maturity date or weighted average life to maturity earlier than the Maturity Date of the Term Loans subject to such Permitted Debt Exchange or shorter than the weighted average life to maturity of the Term Loans subject to such Permitted Debt Exchange.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.7, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 4.4 and (ii) such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "Minimum Exchange Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least ten Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.7 and without conflict with Section 2.7(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange (other than the Borrower's reliance on any certificate delivered by a Lender pursuant to Section 2.7(a) above for which such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.8 Extension of Term Loans. (a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches (including any Extended Term Loans) existing at the time of such request (each, an "Existing Term Tranche" and the Term Loans of such Tranche, the "Existing Term Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Term Tranche (any such Existing Term Tranche which has been so extended, an "Extended Term Tranche" and the Term Loans of such Tranche, the "Extended Term Loans") and to provide for other terms consistent with this Section 2.8; provided that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans), and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any Extended Term Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Term Tranche to be established, which terms shall be identical to those applicable to the Existing Term Tranche from which they are to be extended (the "Specified Existing Term Tranche"), except (w) all or any of the final maturity dates of such Extended Term Tranches may be delayed to later dates than the final maturity dates of the Specified Existing Term Tranche, (x) (A) the interest margins with respect to the Extended Term Tranche may be higher or lower than the interest margins for the Specified Existing Term Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Term Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case to the extent provided in the applicable Extension Amendment, (y) any optional or mandatory prepayment applicable to any Extended Term Tranche may be directed first to the prepayment of the Existing Term Loans

and (z) amortization with respect to the Extended Term Tranche may be greater or lesser than amortization for the Specified Existing Term Tranche, so long as the Extended Term Tranche does not have a weighted average life to maturity shorter than the remaining weighted average life to maturity of the Specified Existing Term Tranche; provided that, notwithstanding anything to the contrary in this Section 2.8 or otherwise, (1) assignments and participations of Extended Term Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions than the assignment and participation provisions applicable to Term Loans set forth in Section 11.6, and (2) subject to clause (z) above, no mandatory repayment of Extended Term Tranches shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Tranches (including Extended Term Tranches) (or all earlier maturing Tranches (including Extended Term Tranches) shall otherwise be or have been terminated and repaid in full). No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into an Extended Term Tranche pursuant to any Extension Request. Any Extended Term Tranche shall constitute a separate Tranche of Term Loans from the Specified Existing Term Tranches and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten Business Days prior to the date on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Term Tranche converted into an Extended Term Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Term Tranche that it has elected to convert into an Extended Term Tranche. In the event that the aggregate amount of the Specified Existing Term Tranche subject to Extension Elections exceeds the amount of Extended Term Tranches requested pursuant to the Extension Request, the Specified Existing Term Tranches subject to Extension Elections shall be converted to Extended Term Tranches on a pro rata basis based on the amount of Specified Existing Term Tranches included in each such Extension Election. In connection with any extension of Term Loans pursuant to this Section 2.8 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.8. The Borrower may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Administrative Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Term Tranche are requested to respond to the Extension Request. Any Lender may revoke an Extension Election at any time prior to 5:00 P.M. on the date that is two Business Days prior to the Extension Request Deadline, at which point the Extension Election becomes irrevocable (unless otherwise agreed by the Borrower). The revocation of an Extension Election prior to the Extension Request Deadline shall not prejudice any Lender's right to submit a new Extension Election prior to the Extension Request Deadline.

(c) Extended Term Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to (i) provisions related to maturity, interest margins, fees, amortization or prepayments referenced in clauses (w) through (z) of Section 2.8(a) and (ii) the definition of "Disqualified Stock" to amend the maturity date and the weighted average life to maturity requirements, from the Tranche ~~E~~F Term Loan Maturity Date and weighted average life to maturity of the Tranche ~~E~~F Term Loans to the extended maturity date and the weighted average life to maturity of such Extended Term Tranche, as applicable, and which, in each case, except to the extent expressly contemplated by the third to last sentence of this Section 2.8(c) and notwithstanding anything to the contrary set forth in Section 11.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. No Extension Amendment shall provide for any Extended Term Tranche in an aggregate principal amount that is less than $15.0 million. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 11.1 to any Section 2.8 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.8 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.8 Additional Amendments do not become effective prior to the time that such Section 2.8 Additional Amendments have been consented to (including, without limitation, pursuant to consents applicable to holders of any Extended Term Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.8 Additional Amendments to become effective in accordance with Section 11.1; provided, further, that no Extension Amendment may provide for any Extended Term Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Term Tranches. It is understood and agreed that each Lender has consented for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.8 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.8 Additional Amendment. In connection with any Extension Amendment, at the request of the Administrative Agent or the Extending Lenders, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of this Agreement as amended by such Extension Amendment, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Term Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Term Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Tranche so converted by such Lender on such date, and such Extended Term Tranches shall be established as a separate Tranche from the Specified Existing Term Tranche and from any other Existing Term Tranches (together with any other Extended Term Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (i) replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Term Loans on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Acceptance or (ii) if no Event of Default exists under Section 9.1(a) or (f), upon notice to the Administrative Agent, prepay the Existing Term Loans, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 2.8, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Term Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date, the Administrative Agent shall record such assignment in the Register and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Term Loans deemed to be an Extended Term Loan under the applicable Extended Term Tranche on any date (each date a "Designation Date") prior to the maturity date of such Extended Term Tranche; provided that (i) such Lender shall have provided written notice to the Borrower and the Administrative Agent at least ten Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion) and (ii) except as set forth in Section 2.8(c), no more than three Designation Dates may occur in any one year period without the written consent of the Administrative Agent. Following a Designation Date, the Existing Term Loans held by such Lender so elected to be extended will be deemed to be Extended Term Loans of the applicable Extended Term Tranche, and any Existing Term Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Term Loans" of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.8, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Section 4.4 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and may be waived by the Borrower) of Existing Term Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.8 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 4.4 and 4.8) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.8.

SECTION 3

[Reserved]

SECTION 4

General Provisions Applicable to Loans

4.1 Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted LIBOR Rate determined for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) If all or a portion of (i) the principal amount of any Term Loan, (ii) any interest payable thereon or (iii) any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Section 4.1, plus 2.00%, (y) in the case of overdue interest, the rate that would be otherwise applicable to principal of the related Term Loan pursuant to the relevant foregoing provisions of this Section 4.1 (other than clause (x) above) plus 2.00% and (z) in the case of other amounts, the rate described in clause (b) of this Section 4.1 for ABR Loans accruing interest at the Alternate Base Rate plus 2.00%, in each case from the date of such nonpayment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (c) of this Section 4.1 shall be payable from time to time on demand.

(e) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

4.2 Conversion and Continuation Options. (a) Subject to its obligations pursuant to Section 4.12(c), the Borrower may elect from time to time to convert outstanding Loans of a given Tranche from Eurodollar Loans to ABR Loans by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time two Business Days prior to such election. The Borrower may elect from time to time to convert outstanding Term Loans of a given Tranche from ABR Loans to Eurodollar Loans, by the Borrower giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time at least three Business Day prior to such election. Any such notice of conversion to Eurodollar Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of outstanding Eurodollar Loans or ABR Loans may be converted as provided herein, provided that (i) (unless the Required Lenders otherwise consent) no Loan may be converted into a Eurodollar Loan when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such conversions may be made and (ii) no Term Loan may be converted into a Eurodollar Loan after

the date that is one month prior to the Initial Term Loan Maturity Date (in the case of Initial Term Loans), the Tranche B Term Loan Maturity Date (in the case of Tranche B Term Loans), the Tranche C Term Loan Maturity Date (in the case of Tranche C Term Loans), the Tranche D Term Loan Maturity Date (in the case of Tranche D Term Loans) ~~or~~, the Tranche E Term Loan Maturity Date (in the case of Tranche E Term Loans) or the Tranche F Term Loan Maturity Date (in the case of Tranche F Term Loans).

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving the Administrative Agent irrevocable notice of such continuation prior to 1:00 P.M., New York City time three Business Days prior to such continuation, including the length of the next Interest Period to be applicable to such Eurodollar Loan, determined in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, provided that no Eurodollar Loan may be continued as such (i) (unless the Required Lenders otherwise consent) when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Section 9.1(f)), the Administrative Agent has given notice to the Borrower that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that if the Borrower shall fail to give any required notice as described above in this clause (b) or if such continuation is not permitted pursuant to the preceding proviso such Eurodollar Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice of continuation pursuant to this Section 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

(c) Notwithstanding any other provision of this Agreement, it is understood and agreed that on the First Incremental Amendment Closing Date and the Tranche B Delayed Draw Closing Date (each, a "Required Conversion Date"), the Borrower shall elect to convert any then outstanding Tranche B Term Loans that are Eurodollar Loans to either (i) ABR Loans or (ii) Eurodollar Loans having an Interest Period designated by the Borrower, in each case regardless of whether such Required Conversion Date is the last day of an Interest Period with respect to such Tranche B Term Loans, and each Required Conversion Date shall constitute an Interest Payment Date with respect to all outstanding Tranche B Term Loans. On each Required Conversion Date, the new Tranche B Term Loans incurred on such date shall be allocated ratably to the then outstanding Borrowings of ABR Loans and Eurodollar Loans after giving effect to such conversion (based upon the relative amount that the aggregate principal amount of Tranche B Term Loans that are ABR Loans or Tranche B Term Loans that are Eurodollar Loans, respectively, outstanding on such Required Conversion Date (after giving effect to such conversion) bears to the aggregate principal amount of Tranche B Term Loans outstanding on such Required Conversion Date), with the effect that: (A) the new Tranche B Term Loans allocated to Eurodollar Loans shall be added to (and thereafter be deemed to constitute a part of) such Eurodollar Loans, and be subject to the same Adjusted LIBOR Rates and Interest Periods (in each case after giving effect to such conversion) as such Eurodollar

Loans to which they are added and (B) the new Tranche B Term Loans allocated to ABR Loans shall be added to (and thereafter be deemed to constitute part of) such ABR Loans, and be subject to the same Alternate Base Rate as such ABR Loans to which they are added. The Administrative Agent shall (and is hereby authorized to) take all appropriate actions in connection with the incurrence of new Tranche B Term Loans on each Required Conversion Date to ensure that all Lenders with Tranche B Term Loans outstanding on such Required Conversion Date (after giving effect to the incurrence of new Tranche B Term Loans on such Required Conversion Date) participate pro rata in accordance with this Section 4.2(c) in each Borrowing of Tranche B Term Loans (as increased by the amount of new Tranche B Term Loans incurred on such Required Conversion Date). Each Tranche B Term Lender agrees that the provisions of Section 4.12 shall not apply to any conversion of Eurodollar Loans of such Lender on any Required Conversion Date pursuant to this Section 4.2(c). From the First Incremental Amendment Closing Date, the Tranche B Refinancing Term Loans and the Tranche B Initial Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein and from the Tranche B Delayed Draw Closing Date, the Tranche B Refinancing Term Loans, the Tranche B Initial Term Loans and the Tranche B Delayed Draw Term Loans shall constitute a single Tranche of Tranche B Term Loans having identical terms as set forth herein.

4.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Term Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Set shall be equal to $1.0 million or a whole multiple of $250,000 in excess thereof and so that there shall not be more than 12 Sets at any one time outstanding.

4.4 Optional and Mandatory Prepayments. (a) The Borrower may at any time and from time to time prepay the Term Loans made to it, in whole or in part, subject to Section 4.12, without premium or penalty (except as provided in Section 4.5(b), (c), (e), (f) ~~and~~, (g) and (h)), upon notice by the Borrower to the Administrative Agent prior to 2:00 P.M., New York City time at least three Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior to the date of prepayment (in the case of Eurodollar Loans), or prior to 2:00 P.M., New York City time at least one Business Day prior to the date of prepayment (in the case of ABR Loans) (or such later time as may be agreed by the Administrative Agent in its reasonable discretion). Such notice shall specify, in the case of any prepayment of Term Loans, the applicable Tranche being repaid (which, at the discretion of the Borrower, may be the Initial Term Loans, the Tranche B Term Loans, the Tranche C Term Loans, the Tranche D Term Loans, the Tranche E Term Loans, the Tranche F Term Loans any Incremental Loans or any Extended Term Loans and/or a combination thereof), and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or ABR Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice

may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Eurodollar Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Section 4.12. Partial prepayments pursuant to this Section 4.4(a) shall be equal to $1.0 million or a whole multiple of $500,000 in excess thereof; provided that, notwithstanding the foregoing, any Term Loan may be prepaid in its entirety. Each prepayment of Initial Term Loans pursuant to this Section 4.4(a) made on or prior to the first anniversary of the Closing Date in connection with an Initial Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(b). Each prepayment of Tranche B Term Loans pursuant to this Section 4.4(a) (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) made on or prior to December 31, 2013 in connection with a Tranche B Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(c). Each prepayment of Tranche C Term Loans pursuant to this Section 4.4(a) made on or prior to May 21, 2017 in connection with a Tranche C Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(e). Each prepayment of Tranche D Term Loans pursuant to this Section 4.4(a) made on or prior to November 22, 2017 in connection with a Tranche D Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(f). Each prepayment of Tranche E Term Loans pursuant to this Section 4.4(a) made on or prior to June 6, 2018 in connection with a Tranche E Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(g). Each prepayment of Tranche F Term Loans pursuant to this Section 4.4(a) made on or prior to December 7, 2018 in connection with a Tranche F Term Loan Repricing Transaction shall be accompanied by the payment of the fee required by Section 4.5(h).

(b)(i) The Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans to the extent required by Section 8.3; (ii) if on or after the Closing Date, the Borrower or any of its Restricted Subsidiaries shall incur Indebtedness for borrowed money (excluding Indebtedness permitted pursuant to Section 8.1), the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans in an amount equal to 100.0% of the Net Cash Proceeds thereof minus the portion of such Net Cash Proceeds applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans, in each case with such prepayment to be made on or before the fifth Business Day following notice given to each Lender of the Prepayment Date, as contemplated by Section 4.4(d), and (iii) the Borrower shall, in accordance with Section 4.4(c), prepay the Term Loans within 120 days following the last day of the immediately preceding Fiscal Year (commencing with the Fiscal Year ending on or about September 30, 2014) (each, an "ECF Payment Date"), in an amount equal to (A) (1) 50.0% (as may be adjusted pursuant to the last proviso of this clause (iii)) of the Borrower's Excess Cash Flow for such Fiscal Year minus (2) the sum of (w) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid pursuant to Section 2.2(b), 2.2(c), 2.2(d), 2.2(e) or 2.2(f), prepaid pursuant to Section 4.4(a) or repaid or purchased pursuant to Section 11.6(h) (limited to the amount paid in cash) and Pari Passu Indebtedness (other than the

loans under the Senior Revolving Credit Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid pursuant to a scheduled principal payment, in each case during such Fiscal Year or in the case of voluntary prepayments of Tranche B Term Loans pursuant to Section 4.4(a) made on or after the Second Amendment Date and on or prior to the Trigger Date, during a previous Fiscal Year (to the extent such voluntary prepayments have not previously been applied to reduce the amount of prepayment required to be made by the Borrower pursuant to Section 4.4(b)(iii) in a previous Fiscal Year or to reduce scheduled amortization of the Tranche B Term Loans) (which, in any event, shall not include any designated prepayment pursuant to clause (x) below), (x) the aggregate principal amount of Term Loans (including Incremental Term Loans) prepaid pursuant to Section 4.4(a) and Pari Passu Indebtedness (other than the loans under the Senior Revolving Credit Facility) (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, redeemed, repurchased or repaid during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii) (provided that no prepayments made pursuant to Section 4.4(h) or the other clauses of this Section 4.4(b) shall be included in Section 4.4(b)(iii)(A)(2)(w) or (x)), (y) any loans under the Senior Revolving Credit Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior Revolving Credit Facility during such Fiscal Year (which, in any event, shall not include any designated prepayment pursuant to clause (z) below), and (z) the aggregate principal amount of loans under the Senior Revolving Credit Facility prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior Revolving Credit Facility during the period beginning with the day following the last day of such Fiscal Year and ending on the ECF Payment Date and stated by the Borrower as prepaid pursuant to this Section 4.4(b)(iii), in each case, excluding prepayments funded with proceeds from the incurrence of long-term Indebtedness (the amount described in this clause (A), the "ECF Prepayment Amount") minus (B) the portion of such ECF Prepayment Amount applied (to the extent Borrower or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a pro rata basis with the Term Loans; provided that such percentage in clause (1) above shall be reduced to (x) 25% if the Senior Secured Indebtedness to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 4.50:1.00 and greater than 4.00:1.00 and (y) 0% if the Senior Secured Indebtedness to EBITDA Ratio as of the last day of the immediately preceding Fiscal Year was less than or equal to 4.00:1.00. Nothing in this Section 4.4(b) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(c) Subject to the last sentence of Section 4.4(d) and Section 4.4(g), each prepayment of Term Loans pursuant to Section 4.4(b) shall be allocated pro rata among the Initial Term Loans, Tranche B Term Loans, Tranche C Term Loans, Tranche D Term Loans, Tranche E Term Loans, Tranche F Term Loans, the Incremental Term Loans and the Extended Term Loans; provided, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis. Each prepayment of Term Loans pursuant to Section 4.4(a) and (b) shall be applied within each Tranche of Term Loans to the respective installments of principal thereof in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity). Notwithstanding any other provision of this Section 4.4, a Lender may, at its option, and if agreed by the Borrower, in connection with any prepayment of Term Loans pursuant to Section 4.4(a) or (b), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents); provided that the Administrative Agent shall have no duties or obligations to manage such Rollover Indebtedness.

(d) The Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans (x) pursuant to Section 4.4(b)(iii), three Business Days prior to the date on which such payment is due and (y) pursuant to Section 4.4(b)(i) or (ii), promptly (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state that the Borrower is offering to make or will make such mandatory prepayment (i) in the case of mandatory prepayments pursuant to Section 4.4(b)(i), on or before the date specified in Section 8.3(c), and (ii) in the case of mandatory prepayments pursuant to Section 4.4(b)(ii) or (iii), on or before the date specified in Section 4.4(b)(ii) or (iii), as the case may be (each, a "Prepayment Date"). Once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Section 4.4(d)). Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Borrower (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment pursuant to Section 4.4(b)(i) or (iii) by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower of such election. Any amount so declined by any Lender may, at the option of the Borrower, be applied to the payment or prepayment of

Indebtedness, including the Holdings Notes, the Existing Unsecured Notes and any Subordinated Indebtedness, or otherwise be retained by the Borrower and its Restricted Subsidiaries and/or applied by the Borrower or any of its Restricted Subsidiaries in any manner not inconsistent with this Agreement. In connection with any mandatory prepayments by the Borrower pursuant to Section 4.4(b), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans; provided that if no Lenders exercise the right to decline a mandatory prepayment pursuant to Section 4.4(b), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurodollar Loans.

(e) Amounts prepaid on account of Term Loans pursuant to Section 4.4(a), (b) or (h) may not be reborrowed.

(f) Notwithstanding the foregoing provisions of this Section 4.4, if at any time any prepayment of the Term Loans pursuant to Section 4.4(a) or (b) would result, after giving effect to the procedures set forth in this Agreement, in the Borrower incurring breakage costs under Section 4.12 as a result of Eurodollar Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, the Borrower may, so long as no Default or Event of Default shall have occurred and be continuing, in its sole discretion, initially (i) deposit a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid), to be held as security for the obligations of the Borrower to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurodollar Loans (or such earlier date or dates as shall be requested by the Borrower) or (ii) make a prepayment of the Term Loans in accordance with Section 4.4(a) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurodollar Loans not immediately prepaid); provided that, in the case of either clause (i) or (ii) above, such unpaid Eurodollar Loans shall continue to bear interest in accordance with Section 4.1 until such unpaid Eurodollar Loans or the related portion of such Eurodollar Loans, as the case may be, have or has been prepaid. In addition, if the Borrower reasonably determines in good faith that any amounts attributable to Foreign Subsidiaries that are required to be applied to prepay Term Loans pursuant to Section 4.4(b)(i) or (iii) would violate applicable Laws or result in material adverse tax consequences to the Borrower or any of its Restricted Subsidiaries, then the Borrower shall not be required to prepay such amounts as required thereunder; provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to repatriate the proceeds subject to such prepayments in order to effect such prepayments without violating applicable Laws or incurring material adverse tax consequences.

(g) Notwithstanding anything to the contrary herein, this Section 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Sections 2.6 and 2.8, as applicable, or pursuant to any other credit facility added pursuant to Section 2.6 or 11.1(e).

(h) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default under Section 9.1(a) or (f) has occurred and is continuing, the Borrower may prepay the outstanding Term Loans on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 4.4(h); provided that the Borrower shall not initiate any action under this Section 4.4(h) in order to make a Discounted Term Loan Prepayment unless (1) at least ten Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date or (2) at least three Business Days shall have passed since the date the Borrower was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers made by a Lender. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders. Any Term Loans prepaid pursuant to this Section 4.4(h) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment.

(1) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with three Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Term Loans to be prepaid, (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date designated by the Administrative Agent and approved by the Borrower) (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this Section 4.4(h)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the

Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers.

(1) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrower is willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrower, (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Lender to the Administrative Agent

(or its delegate) by no later than 5:00 P.M., New York time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by the Borrower) (the "Discount Range Prepayment Response Date"). Each relevant Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Section 4.4(h)(iii). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Administrative Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following Section 4.4(h)(iii)(3)) at the Applicable Discount (each such Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount,

prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Administrative Agent shall promptly, and in any case within three Business Days following the Discount Range Prepayment Response Date, notify (w) the Borrower of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by such Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers.

(1) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent with three Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrower is willing to prepay at a discount (the "Solicited Discounted Prepayment Amount"), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $500,000, and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent will promptly provide each relevant Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Administrative Agent (or its delegate) by no

later than 5:00 P.M., New York City time on the third Business Day after the date of delivery of such notice to the relevant Lenders (or such later date as may be designated by the Administrative Agent and approved by Borrower) (the "Solicited Discounted Prepayment Response Date"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select, at its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that the Borrower is willing to accept (the "Acceptable Discount"), if any; provided that the Acceptable Discount shall not be an Offered Discount that is larger than the smallest Offered Discount for which the sum of all Offered Amounts affiliated with Offered Discounts that are larger than or equal to such smallest Offered Discount would, if purchased at such smallest Offered Discount, yield an amount at least equal to the Solicited Discounted Prepayment Amount. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Administrative Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower shall submit an Acceptance and Prepayment Notice to the Administrative Agent setting forth the Acceptable Discount. If the Administrative Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Administrative Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable

discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 4.4(h)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrower will prepay outstanding Term Loans pursuant to this Section 4.4(h)(iv) to each Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (in consultation with the Borrower and subject to rounding requirements of the Administrative Agent made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior to the Discounted Prepayment Determination Date, the Administrative Agent shall promptly notify (w) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with Section 4.4(h)(vi) below (subject to Section 4.4(h)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrower and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable out-of-pocket costs and expenses from the Borrower in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Sections 4.4(h)(ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 A.M. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans in inverse order of maturity. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 4.4(h) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Section 4.4(h) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Term Loans to reflect the payment of accrued interest to certain Lenders as provided in this Section 4.4(h)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Section 4.4(h) as if made at par. It is also understood and agreed that prepayments pursuant to this Section 4.4(h) shall not be subject to Section 4.4(a), or, for the avoidance of doubt, Section 11.7(a) or the pro rata allocation requirements of Section 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 4.4(h), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 4.4(h), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrower and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 4.4(h) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Section 4.4(h).

(x) Revocation. The Borrower shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is so revoked, any failure by the Borrower to make any prepayment to a Lender pursuant to this Section 4.4(h) shall not constitute a Default or Event of Default under Section 9.1 or otherwise).

(xi) No Obligation. This Section 4.4(h) shall not (i) require the Borrower to undertake any prepayment pursuant to this Section 4.4(h) or (ii) limit or restrict the Borrower from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

(i) Upon at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to reduce either or both of the Tranche B Initial Term Loan Commitments and the Tranche B Delayed Draw Commitments, in whole or in part. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

4.5 Administrative Agent's Fee; Other Fees. (a) The Borrower agrees to pay to the Administrative Agent the fees set forth in clause (x) of the second to last paragraph of Section 5 of the Engagement Letter.

(b) If on or prior to the first anniversary of the Closing Date the Borrower makes an optional prepayment in full of the Initial Term Loans pursuant to an Initial Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender, a prepayment premium of 1.0% of the aggregate principal amount of Initial Term Loans being prepaid. If, on or prior to the first anniversary of the Closing Date, any Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this

Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in an Initial Term Loan Repricing Transaction, such Lender (and not any Person who replaces such Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(c) If on or prior to December 31, 2013 the Borrower makes an optional prepayment in full of the Tranche B Term Loans (except a prepayment required to be made pursuant to Section 8 of the First Incremental Amendment) pursuant to a Tranche B Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche B Term Loans being prepaid. If, on or prior December 31, 2013, any Tranche B Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche B Term Loan Repricing Transaction, such Tranche B Term Lender (and not any Person who replaces such Tranche B Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(d) The Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche B Term Lender having a Tranche B Initial Term Loan Commitment or a Tranche B Delayed Draw Commitment, as the case may be, (i) a commitment fee (the "Tranche B Initial Term Loan Commitment Fee") in Dollars, which shall accrue on each day of the Tranche B Initial Term Loan Ticking Fee Period at a rate per annum equal to the Ticking Fee Rate in effect for such day on the amount of the unutilized Tranche B Initial Term Loan Commitment of such Tranche B Term Lender as of such day and (ii) a commitment fee (the "Tranche B Delayed Draw Commitment Fee", and together with the Tranche B Initial Term Loan Commitment Fee, the "Commitment Fee") in Dollars, which shall accrue on each day of the Tranche B Delayed Draw Ticking Fee Period at a rate per annum equal to the Ticking Fee Rate in effect for such day on the amount of the unutilized Tranche B Delayed Draw Commitment of such Tranche B Term Lender as of such day.

The Tranche B Initial Term Loan Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Initial Term Loan Ticking Fee Period and on the last day of the Tranche B Initial Term Loan Ticking Fee Period. The Tranche B Delayed Draw Commitment Fee shall be due and payable on the last day of each March, June, September and December during the Tranche B Delayed Draw Ticking Fee Period and on the last day of the Tranche B Delayed Draw Ticking Fee Period. The Commitment Fee shall be calculated quarterly in arrears on the basis of a 360-day year for the actual days elapsed. Notwithstanding anything to the contrary in this Agreement, (A) no Commitment Fee shall accrue on the Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting

Lender and (B) any Commitment Fee accrued with respect to the Commitment of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender.

(e) If on or prior to May 21, 2017 the Borrower makes an optional prepayment in full of the Tranche C Term Loans pursuant to a Tranche C Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche C Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche C Term Loans being prepaid. If, on or prior May 21, 2017, any Tranche C Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche C Term Loan Repricing Transaction, such Tranche C Term Lender (and not any Person who replaces such Tranche C Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(f) If on or prior to November 22, 2017 the Borrower makes an optional prepayment in full of the Tranche D Term Loans pursuant to a Tranche D Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche D Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche D Term Loans being prepaid. If, on or prior November 22, 2017, any Tranche D Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche D Term Loan Repricing Transaction, such Tranche D Term Lender (and not any Person who replaces such Tranche D Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(g) If on or prior to June 6, 2018 the Borrower makes an optional prepayment in full of the Tranche E Term Loans pursuant to a Tranche E Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche E Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche E Term Loans being prepaid. If, on or prior June 6, 2018, any Tranche E Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche E Term Loan Repricing Transaction, such Tranche E Term Lender (and not any Person who replaces such Tranche E Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

(h) If on or prior to December 7, 2018 the Borrower makes an optional prepayment in full of the Tranche F Term Loans pursuant to a Tranche F Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each Tranche F Term Lender, a prepayment premium of 1.0% of the aggregate principal amount of Tranche F Term Loans being prepaid. If, on or prior to December 7, 2018, any Tranche F Term Lender is replaced pursuant to Section 11.1(g) in connection with any amendment of this Agreement (including in connection with any refinancing transaction permitted under Section 11.6(g) to replace the Loans or Commitments under any Facility or Tranche) that results in a Tranche F Term Loan Repricing Transaction, such Tranche F Term Lender (and not any Person who replaces such Tranche F Term Lender pursuant to Section 11.1(g)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment premium described in the preceding sentence.

4.6 Computation of Interest and Fees. (a) Interest (other than interest based on the Prime Rate) shall be calculated on the basis of a 360-day year for the actual days elapsed; and interest based on the Prime Rate shall be calculated on the basis of a 365 day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of each determination of an Adjusted LIBOR Rate. Any change in the interest rate on a Term Loan resulting from a change in the Alternate Base Rate or the Statutory Reserves shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Section 4.1, excluding any LIBOR Rate which is based upon the Reuters Monitor Money Rates Service page and any ABR Loan which is based upon the Alternate Base Rate.

4.7 Inability to Determine Interest Rate. If prior to the first day of any Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Adjusted LIBOR Rate with respect to any Eurodollar Loan for such Interest Period (the "Affected Eurodollar Rate"), the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the Lenders as soon as practicable thereafter. If such notice is given (a) any Eurodollar Loans the rate of interest applicable to which is based on the Affected Eurodollar Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans and (b) any Term Loans that were to have been converted on the first day of such Interest Period to or continued as Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be converted to or continued as ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans the rate of interest applicable to which is based upon the Affected Eurodollar Rate shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to Eurodollar Loans, the rate of interest applicable to which is based upon the Affected Eurodollar Rate.

4.8 Pro Rata Treatment and Payments. (a) Except as expressly otherwise provided herein, each payment (including each prepayment, but excluding payments made pursuant to Section 2.7, 2.8, 4.5(b), 4.5(c), 4.5(d), 4.5(e), 4.5(f), 4.9, 4.10, 4.11, 4.12, 4.13(d), 4.14, 11.1(g) or 11.6) by the Borrower on account of principal of and interest on account of any Term Loans of a given Tranche (other than (w) payments in respect of any difference in the Applicable Margin, Adjusted LIBOR Rate or Alternate Base Rate in respect of any Tranche, (x) any payments pursuant to Section 4.4(b) to the extent declined by any Lender in accordance with Section 4.4(d) and (y) any payments pursuant to Section 4.4(h) which shall be allocated as set forth in Section 4.4(h)) shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Term Loans of such Tranche then held by the respective Lenders; provided that a Lender may, at its option, and if agreed by the Borrower, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of Section 4.4(c). All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time), on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Term Loans, the Lenders, the Administrative Agent, or the Other Representatives, as the case may be, at the Administrative Agent's office specified in Section 11.2, in Dollars in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Other Representatives, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders or Other Representatives, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be

payable at the then applicable rate during such extension. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. This Section 4.8(a) may be amended in accordance with Section 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.6 and 2.8, as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on, as applicable, the Closing Date, the First Incremental Amendment Effective Date, the First Incremental Amendment Closing Date, the Tranche B Delayed Draw Closing, the Third Amendment Closing Date, the Fourth Amendment Closing Date ~~or~~, the Fifth Amendment Closing Date or the Seventh Amendment Closing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.8(b) shall be conclusive in the absence of manifest error.

4.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the ~~Fifth~~Seventh Amendment Closing Date shall make it unlawful for any Lender to make or maintain any Eurodollar Loans as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan when an Affected Loan is requested, (c) such Lender's Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law and law and (d) such Lender's then outstanding Affected Loans, if any, not converted to ABR Loans pursuant to clause (c) of this Subsection 4.9 shall, at the option of the Borrower (i) be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto (or such earlier date as may be required by any such Requirement of Law) or (ii) bear interest at an alternate rate which reflects such Lender's cost of

funding such Loans, as reasonably determined by the Administrative Agent, plus the Applicable Margin hereunder. If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 4.12.

4.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the ~~Fifth~~Seventh Amendment Closing Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the LIBOR Rate hereunder (excluding any Tax of any kind whatsoever); or

(ii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower from such Lender, through the Administrative Agent in accordance herewith, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Eurodollar Loans; provided that, in any such case, the Borrower may elect to convert the Eurodollar Loans made by such Lender hereunder to ABR Loans by giving the Administrative Agent at least one Business Day's notice of such election, in which case the Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 4.10(a) and such amounts, if any, as may be required pursuant to Section 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10(a), it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(a), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(a) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application,

have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrower in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the ~~Fifth~~Seventh Amendment Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Section 4.10(b) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 4.10(b), the Borrower shall not be required to compensate a Lender pursuant to this Section 4.10(b) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrower in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers.~~.~~ This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in

connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case, shall be deemed to have been enacted, adopted, promulgated or issued, as applicable, subsequent to the Closing Date for all purposes herein.

4.11 Taxes. (a) Except as provided below in this Section 4.11 or as required by law (which, for purposes of this Section 4.11, shall include FATCA), all payments made by the Borrower or the Agents under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that if any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrower to any Agent or any Lender hereunder or under any Notes, the amounts so payable by the Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall be entitled to deduct and withhold, and the Borrower shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by the Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c) or (d) of this Section 4.11 or with the requirements of Section 4.13, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or (z) with respect to any Non-Excluded Taxes imposed by the United States or any state or political subdivision thereof, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after the later of (i) the date that such Agent became an Agent hereunder or such Lender became a Lender hereunder (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later), (ii) the First Incremental Amendment Effective Date, (iii) the Third Amendment Closing Date, (iv) the Fourth Amendment Closing Date ~~and~~, (v) the Fifth Amendment Closing Date and (vi) the Seventh Amendment Closing Date (any such change, at such time, a "Change in Law"). Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Section 4.11 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall:

(i) (1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent (A) two accurate and complete original signed Internal Revenue Service Forms W-8BEN (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes, and (B) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further original signed forms or certifications provided in Section 4.11(b)(i)(1) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower;

(3) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent; and

(4) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (4), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption",

(1) represent to the Borrower and the Administrative Agent that it is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(2) deliver to the Borrower on or before the date of any payment by the Borrower with a copy to the Administrative Agent, (A) two certificates substantially in the form of Exhibit D hereto (any such certificate a "U.S. Tax Compliance Certificate") and (B) two accurate and complete original signed Internal Revenue Service Forms W-8BEN, or successor applicable form, certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes and (C) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes (and shall also deliver to the Borrower and the Administrative Agent two further original signed forms or certificates on or before the date the previous forms or certificates expire or become obsolete and after the occurrence of any event requiring a change in the most recently provided forms or certificates and, if necessary, obtain any extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (3), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(1) on or before the date of any payment by the Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such Lender is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates certifying to such Lender's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes; and

(A) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called "portfolio interest exemption", also deliver to the Borrower and the Administrative Agent (I) two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI or Form W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any United States federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(B) with respect to each beneficiary or member of such Lender that is claiming the so-called "portfolio interest exemption", (I) represent to the Borrower and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates with respect to each beneficiary or member (which may be provided by such Lender on behalf of such beneficiary or member) and two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN, or successor applicable form, certifying to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes, and (III) also deliver to the Borrower and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower and the Administrative Agent two further signed copies or originals (as applicable) of any forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that in determining the reasonableness of a request under this clause (3) such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request;

unless, in any such case, there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by the Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by the Borrower under this Agreement or any Notes to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower (A) two accurate and complete original signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete original signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by the Borrower under this Agreement or any Notes (whether for its own account or for the account of others) without deduction or withholding of any United States federal income taxes;

(ii) deliver to the Borrower two further original signed forms or certifications provided in Section 4.11(d)(i) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Administrative Agent and the Borrower, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Administrative Agent or the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For the avoidance of doubt, the Borrower and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

4.12 Indemnity. The Borrower agrees to indemnify each Lender in respect of Extensions of Credit made, or requested to be made, to the Borrower, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable decision) as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment or conversion of Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement, (c) the making of a payment or prepayment of Eurodollar Loans or the conversion of Eurodollar Loans on a day which is not the last day of an Interest Period with respect thereto or (d) the revocation of a redemption notice in respect of Eurodollar Loans delivered by the Borrower in accordance with the provisions of Section 4.4(a). Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Eurodollar Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurodollar market. If any Lender becomes entitled to claim any amounts under the indemnity contained in this Section 4.12, it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b), (c) or (d) has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a

consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Section 4.12 submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within five Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

4.13 Certain Rules Relating to the Payment of Additional Amounts. (a) Upon the request, and at the expense of the Borrower, each Lender and Agent to which the Borrower is required to pay any additional amount pursuant to Section 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower the opportunity to so contest unless the Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrower shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower the opportunity to contest, or cooperate with the Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than (i) pursuant to clause (c) below or (ii) after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing) and the effect of such change, as of the date of such change, would be to cause the Borrower to become obligated to pay any additional amount under Section 4.10 or 4.11, the Borrower shall not be obligated to pay such additional amount.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by the Borrower pursuant to Section 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, pursuant to Section 4.9, such Lender or Agent shall promptly notify the Borrower and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Term Loans held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrower agrees to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If the Borrower shall become obligated to pay additional amounts pursuant to Section 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Section 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans or commitments to make ABR Loans, as the case may be, under Section 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Section 4.9, the Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower to purchase the affected Term Loan, in whole or in part, at an aggregate price no less than such Term Loan's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Term Loan, in whole or in part, subject to Section 4.12, without premium or penalty. In the case of the substitution of a Lender, then, the Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Section 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 11.6(b) in connection with such assignment shall be paid by the Borrower or the substitute Lender. In the case of a prepayment of an affected Term Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Term Loan, the Borrower shall first pay the affected Lender any additional amounts owing under Sections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Section 4.13(d), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to such replaced Lender relating to the Term Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrower to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which the Borrower has made additional payments pursuant to Section 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to the Borrower; provided, however, that the Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(f) The obligations of any Agent, Lender or Participant under this Section 4.13 shall survive the termination of this Agreement and the payment of the Term Loans and all amounts payable hereunder.

4.14 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender ~~or~~, Tranche E Term Lender or Tranche F Term Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Tranche B Term Lender, Tranche C Term Lender, Tranche D Term Lender ~~or~~, Tranche E Term Lender or Tranche F Term Lender, as applicable, is a Defaulting Lender:

(ii) except for any Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) For purposes of Section 8.3(a)(ii), the amount of (i) any liabilities (as shown on the Borrower's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on such balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Borrower) of the Borrower or any Restricted Subsidiary (other than liabilities that are by their terms subordinated in right of payment to the Term Loan Facility Obligations) that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale), if such liabilities are not Indebtedness, or the Borrower or such Restricted Subsidiary has been released from all liability on payment of the principal amount of such liabilities in connection with such Asset Sale, (ii) any securities, notes or other obligations received by the Borrower or such Restricted Subsidiary from such transferee that are converted by the Borrower or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents

received) within 180 days following the closing of such Asset Sale and (iii) any Designated Noncash Consideration received by the Borrower or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value (as determined in good faith by the Board of Directors of the Borrower), taken together with all other Designated Noncash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) $100.0 million and (y) 9.0% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value), shall be deemed to be cash for purposes of this Section 8.3 and for no other purpose.

(c) Within 365 days after the receipt of any Net Proceeds from an Asset Sale or Recovery Event, the Borrower or such Restricted Subsidiary may apply an amount equal to those Net Proceeds at its option:

(i) to permanently reduce (A) Obligations having Pari Passu Lien Priority and, if applicable, to correspondingly reduce commitments with respect thereto; provided that if the Borrower shall so reduce such Obligations, it will prepay a pro rata principal amount of the Term Loans in accordance with Section 4.4(b)(i) (subject to Section 4.4(d)); or (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Borrower or an Affiliate of the Borrower;

(ii) to make an investment in (A) any one or more businesses (provided that such investment in any business is in the form of the acquisition of Capital Stock and results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary), (B) capital expenditures or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), are used or useful in a Permitted Business; and/or

(iii) to make an investment in (A) any one or more businesses; provided that such investment in any business is in the form of the acquisition of Capital Stock and it results in the Borrower or a Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) properties or (C) other assets that, in the case of each of the foregoing clauses (A), (B) and (C), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that the Borrower or such Restricted Subsidiary will be deemed to have complied with Section 8.3(c)(ii) or (iii) if and to the extent that, within 365 days after the Asset Sale or Recovery Event that generated the Net Proceeds, the Borrower or such Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment described in Section 8.3(c)(ii) or (iii), and such investment is thereafter completed within 180 days after the end of such 365-day period.

(d) When the aggregate amount of Net Proceeds from an Asset Sale or Recovery Event or equivalent amount not applied or invested in accordance with Section 8.3(c) ("Excess Proceeds") exceeds $75.0 million, the Borrower will prepay the Term Loans in accordance with Section 4.4(b)(i)

(subject to Section 4.4(d)) and, if required under the terms of any Pari Passu Indebtedness, on a pro rata basis, purchase, prepay or redeem the maximum aggregate principal amount of Term Loans and such Pari Passu Indebtedness that may be purchased out of the Excess Proceeds in an amount equal to 100% of the principal amount thereof, or, in the case of Pari Passu Indebtedness that is issued or sold at a discount, the amount of the accreted value thereof at such time, plus accrued and unpaid interest, if any, to the date of purchase (or such lesser price, if any, as may be provided under the terms of such Pari Passu Indebtedness).

(e) Pending the final application of any Net Proceeds or equivalent amount, the Borrower may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Agreement.

8.4 Transactions with Affiliates.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "Affiliate Transaction") involving aggregate consideration in excess of $15.0 million, unless:

(i) the Affiliate Transaction is on terms that are not materially less favorable to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $30.0 million, a resolution adopted by the Board of Directors of the Borrower approving such Affiliate Transaction and a certificate of a Responsible Officer certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 8.4(a) will not apply to the following:

(i) transactions between or among the Borrower and/or any Restricted Subsidiary and/or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(ii) Restricted Payments (including any transaction specifically excluded from the definition of the term "Restricted Payment," including pursuant to the exceptions contained in the definition thereof and the parenthetical exclusions of such definition) and Permitted Investments, in each case permitted by this Agreement;

(iii) the payment to any of the Sponsor and its Affiliates of annual management, consulting, monitoring and advisory fees in an aggregate amount in any fiscal year not to exceed the Maximum Management Fee Amount, and related expenses and indemnities, pursuant to the Management Agreement or otherwise;

(v) the payments by the Borrower or any Restricted Subsidiary to the Sponsor and any of its Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the members of the Board of Directors of the Borrower in good faith;

(vi) transactions in which the Borrower or any Restricted Subsidiary delivers to the Administrative Agent a letter from an Independent Financial Advisor stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Borrower or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(vii) payments or loans (or cancellations of loans) to employees or consultants of the Borrower or any of its direct or indirect parent companies or any Restricted Subsidiary which are approved by a majority of the Board of Directors of the Borrower in good faith and which are otherwise permitted under this Agreement;

(viii) payments made or performance under any agreement as in effect on the Closing Date (including, without limitation, each of the agreements entered into in connection with the Transactions or the 2011 Transactions) or any amendment thereto (so long as any such amendment taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than the applicable agreement as in effect on the Closing Date);

(ix) payments made or performance under any agreement to which Warner Music Group Corp. and/or Holdings is a party as of the Closing Date (including, without limitation, each of the agreements entered into in connection with the Transactions or the 2011 Transactions, but excluding the indenture governing the Holdings Notes) and to or by which the Borrower becomes a party or otherwise bound after the Closing Date, any amendment thereto by which the Borrower becomes a party thereto or otherwise bound thereby, and any other amendment thereto (so long as any such other amendment (other than an amendment to effect the Borrower becoming a party to or otherwise bound by such agreement) taken as a whole is not materially less advantageous to the Lenders in the good faith judgment of the Board of Directors of the Borrower than such agreement as in effect on the Closing Date);

(x) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement that are fair to the Borrower and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Borrower or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(xi) the Transactions, the 2011 Transactions and the payment of all fees and expenses related to the Transactions or the 2011 Transactions, including, for the avoidance of doubt, any reimbursement on or after the Closing Date of fees and expenses related to the Transactions or the 2011 Transactions paid by the Sponsor and its Affiliates;

(xiv) investments by any of the Permitted Holders in securities of the Borrower or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Permitted Holders in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(xv) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(xvi) entering into, and performing the obligations under, any tax sharing agreement, consistent with the limitations imposed on Restricted Payments in Section 8.2; and

(xvii) intellectual property licenses in the ordinary course of business.

8.5 Liens. (a) The Borrower will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness of the Borrower or of a Guarantor, on any asset or property of the Borrower or any Guarantor, or any income or profits therefrom, or on any right to receive income therefrom (the "Initial Lien"), unless (a) in the case of an Initial Lien on any Collateral, such Initial Lien expressly has Junior Lien Priority on such Collateral in relation to the Term Loan Facility Obligations and the Guarantees, as applicable or (b) in the case of an Initial Lien on any other asset or property, the Term Loan Facility Obligations (or a Guarantee in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of the Lenders pursuant to Section 8.5(a) shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to secure the Term Loan Facility Obligations.

8.6 Fundamental Changes. The Borrower may not (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(a) either: (i) the Borrower is the surviving Person; or (ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Borrower or such Person, as the case may be, being herein called the "Successor Borrower");

(b) the Successor Borrower (if other than the Borrower) assumes all the obligations of the Borrower under this Agreement and the other Loan Documents to which it is a party by executing a joinder or one or more other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(c) immediately after such transaction no Default or Event of Default exists;

(d) immediately after giving pro forma effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either

(i) the Successor Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 8.1(a); or

(ii) the Fixed Charge Coverage Ratio for the Successor Borrower and its Restricted Subsidiaries would be equal to or greater than such ratio for the Borrower and its Restricted Subsidiaries immediately prior to such transaction;

(e) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have delivered a joinder or other document or instrument in form reasonably satisfactory to the Administrative Agent, confirming its Subsidiary Guarantee; and

(f) each Subsidiary Guarantor (other than (x) any Subsidiary that will be released from its grant or pledge of Collateral under the Security Agreement in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have by a supplement to the Security Agreement or another document or instrument in form reasonably satisfactory to the Administrative Agent affirmed that its obligations thereunder shall apply to its Guarantee as confirmed pursuant to clause (e) above;

provided that, for the purposes of this Section 8.6 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Borrower may therefore consummate a Music Publishing Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6, (2) the Borrower may therefore consummate a Recorded Music Sale in accordance with Section 8.3 without complying with this Section 8.6 notwithstanding anything to the contrary in this Section 8.6 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Borrower under any other contract to which the Borrower is a party.

For the purpose of this Section 8.6, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Borrower or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole shall be made on a pro forma basis giving effect to such acquisition.

This Section 8.6 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (c) and (d), (x) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary and (y) the Borrower may merge with an Affiliate incorporated solely for the purpose of reincorporating the Borrower in another state of the United States so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby.

8.7 Subsidiary Distributions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to the Borrower or any of its Restricted Subsidiaries that are Guarantors, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

(ii) make loans or advances to the Borrower or any of its Restricted Subsidiaries that are Guarantors; or

(iii) sell, lease or transfer any of its properties or assets to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

provided that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction.

(b) However, the restrictions in Section 8.7(a) will not apply to encumbrances or restrictions consisting of, or existing under or by reason of:

(i) contractual encumbrances or restrictions in effect (x) pursuant to this Agreement or the other Loan Documents, the Senior Revolving Credit Facility Documents, the New Notes, the Existing Unsecured Notes, any Hedging Obligations, and, on or after the execution and delivery thereof, the Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement, any Permitted Debt Exchange Notes (and any related documents), any Rollover Indebtedness (and any related documents) and any other Credit Agreement or any related documents or (y) on the Closing Date, including, without limitation, pursuant to Existing Indebtedness and related documentation;

(ii) [Reserved]

(iii) purchase money obligations that impose encumbrances or restrictions on the property so acquired;

(iv) applicable law or any applicable rule, regulation or order;

(v) any agreement or other instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Borrower or any Restricted Subsidiary, or which agreement or instrument is assumed by the Borrower or any Restricted Subsidiary in connection with an acquisition from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); provided that, for purposes of this clause (v), if a Person other than the Borrower is the Successor Borrower with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Borrower or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Borrower;

(vi) any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Borrower or any Restricted Subsidiary not otherwise prohibited by this Agreement, including without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or other disposition of the Capital Stock or assets of such Subsidiary;

(vii) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenants described in Section 8.1 and 8.5 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(viii) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(ix) other Indebtedness or Preferred Stock (x) of the Borrower or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Closing Date pursuant to Section 8.1 or (y) that is incurred by a Foreign Subsidiary of the Borrower subsequent to the Closing Date pursuant to Section 8.1;

(x) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(xi) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(xii) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a "Refinancing Agreement") effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in clauses (i) through (xi) above (an "Initial Agreement") or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an "Amendment"); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Lenders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Borrower);

(xiii) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; provided, however, that such restrictions apply only to any Securitization Subsidiary;

(xiv) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness;

(xv) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; provided that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(xvi) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(xvii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(xviii) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 8.5;

(xix) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Borrower or any Restricted Subsidiary in any manner material to the Borrower or such Restricted Subsidiary;

(xx) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Borrower or any Restricted Subsidiary; or

(xxi) an agreement or instrument relating to any Indebtedness incurred subsequent to the Closing Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in agreements in effect on the Closing Date (as determined in good faith by the Borrower) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Lenders than is customary in comparable financings (as determined in good faith by the Borrower) and either (x) the Borrower determines in good faith that such encumbrance or restriction will not materially affect the Borrower's ability to make principal or interest payments on the Term Loans or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

8.8 Change of Control. The Borrower shall not and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, in the event of the occurrence of a Change of Control, repurchase or repay any Indebtedness then outstanding pursuant to any Subordinated Indebtedness or ~~the Existing Unsecured Notes or~~ any portion thereof, unless the Borrowers shall have (i) made payment in full of the Term Loan Facility Obligations and any other amounts then due and owing to any Lender or the Administrative Agent hereunder and under any Note or (ii) made an offer to pay the Term Loan Facility Obligations and any amounts then due and owing to each Lender and the Administrative Agent hereunder and under any Note and shall have made payment in full thereof to each such Lender or the Administrative Agent which has accepted such offer. For so long as the Borrower shall have complied with the terms of this Section 8.8, any Event of Default arising under Section 9.1(k) by reason of such Change of Control shall be deemed not to have occurred or be continuing.

SECTION 9

Events of Default

9.1 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default:

(a) The Borrower shall fail to pay any principal of any Term Loan when due in accordance with the terms hereof (whether at stated maturity, by mandatory prepayment or otherwise); or the Borrower shall fail to pay any interest on any Term Loan, or any other amount payable hereunder, within five Business Days after any such interest or other amount becomes due in accordance with the terms hereof; or

(b) Any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document (or in any amendment, modification or supplement hereto or thereto) or which is contained in any certificate furnished at any time by or on behalf of any Loan Party pursuant to this Agreement or any such other Loan Document shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or

other event or condition is to cause, or to permit the holder or holders of such Indebtedness or beneficiary or beneficiaries of such Guarantee Obligation (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice or lapse of time if required, such Indebtedness to become due prior to its stated maturity or such Guarantee Obligation to become payable (an "Acceleration"; and the term "Accelerated" shall have a correlative meaning), and such time shall have lapsed and, if any notice (a "Default Notice") shall be required to commence a grace period or declare the occurrence of an event of default before notice of Acceleration may be delivered, such Default Notice shall have been given and such default shall not have been remedied or waived by or on behalf of such holder or holders (provided that this clause (ii) shall not apply to (x) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder or (y) any termination event or similar event pursuant to the terms of any Hedge Agreement) or (iii) in the case of any Indebtedness or Guarantee Obligations referred to in clause (i) above containing or otherwise requiring observance or compliance with any financial maintenance covenant, such Indebtedness or Guarantee Obligation shall have been Accelerated and such Acceleration shall not have been rescinded; or

of the acts set forth in clause (i), (ii), or (iii) above; or (v) the Borrower or any Material Subsidiary of the Borrower shall be generally unable to, or shall admit in writing its general inability to, pay its debts as they become due; or

(g) (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or would reasonably be expected to result in liability of the Borrower under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) a Foreign Benefit Event occurs which, either individually or together with other Foreign Benefit Events that have occurred, would reasonably be expected to result in a Material Adverse Effect; or

(i) with respect to any Collateral, individually, having a fair market value in excess of the Threshold Amount, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Lenders the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Borrower or any Guarantor denies in writing that it has any further liability under any Security Document (in each case other than in accordance with the terms of this Agreement or any of the Security Documents), except to the extent that any loss of perfection or priority results from the failure of the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) to maintain possession of certificates actually delivered to it representing securities, promissory notes or other instruments pledged under the Security Documents, or otherwise results from the gross negligence or willful misconduct of the Administrative Agent or the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) and except, as to Collateral consisting of real property, to the extent that such failure is covered by a lender's title insurance policy and the Collateral Agent is reasonably satisfied with the credit of such insurer; provided, that if a failure of the sort described in this Section 9.1(i) is susceptible of cure (including with respect to any loss of Lien priority on material portions of the Collateral), no Event of Default shall arise under this Section 9.1(i) with respect thereto until 30 days after a Responsible Officer becomes aware of such failure; or

Each Lender further authorizes the Administrative Agent to act as representative of the Lenders under the Security Agreement and each other Security Document, as applicable. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents and the Other Representatives shall not have any duties or responsibilities, except, in the case of the Administrative Agent and the Collateral Agent, those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent or the Other Representatives.

(b) Each of the Agents may perform any of their respective duties under this Agreement, the other Loan Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and the Collateral Agent may perform any of their respective duties under the Security Documents by or through one or more of their respective affiliates). Each Agent

and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 10 shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

(c) Except for Sections 10.5, 10.8(a), (b), (c) and (e) and (to the extent of the Borrower's rights thereunder and the conditions included therein) 10.9, the provisions of this Section 10 are solely for the benefit of the Agents and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

Such person and its affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any Subsidiary or other Affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.3 Action by an Agent. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Collateral Agent in the case of the Administrative Agent), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact or counsel selected by it with reasonable care.

10.4 Exculpatory Provisions. (a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirement of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 11.1) or (y) in the absence of its own gross negligence, bad faith or willful misconduct. No Agent shall be liable for any action taken or not taken by any such service provider.

10.5 Acknowledgement and Representations by Lenders. Each Lender expressly acknowledges that none of the Agents or the Other Representatives nor any of their officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by any Agent or any Other Representative hereafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by such Agent or such Other Representative to any Lender. Each Lender further represents and warrants to the Agents, the Other Representatives and each of the Loan Parties that it has had the opportunity to review each document made available to it on the Platform in connection with this Agreement and has acknowledged and

accepted the terms and conditions applicable to the recipients thereof. Each Lender acknowledges that, independently and without reliance upon any Agent, the Other Representatives or any other Lender, and based on such documents and information as it has deemed appropriate, it has made and will make, its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties, it has made its own decision to make its Loans hereunder and enter into this Agreement and it will make its own decisions in taking or not taking any action under this Agreement and the other Loan Documents and, except as expressly provided in this Agreement, neither the Agents nor any Other Representative shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender acknowledges and agrees to comply with the provisions of Section 11.6 applicable to the Lenders hereunder.

(a) To the extent that the Borrower or any other Loan Party for any reason fails to indefeasibly pay any amount required under Section 11.5 to be paid by it to the Administrative Agent (or any sub-agent thereof) or the Collateral Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay ratably according to their respective outstanding Term Loans on the date on which the applicable unreimbursed expense or indemnity payment is sought under this Section 10.6 such unpaid amount (such indemnity shall be effective whether or not the related losses, claims, damages, liabilities and related expenses are incurred or asserted by any party hereto or any third party); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent (or any sub-agent thereof) in connection with such capacity. The obligations of the Lenders under this Section 10.6 are subject to the provisions of Section 4.8.

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) All amounts due under this Section 10.6 shall be payable not later than three Business Days after demand therefor. The agreements in this Section 10.6 shall survive the payment of the Loans and all other amounts payable hereunder.

(a) Each Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents an Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, the requesting Agent shall be absolutely entitled as between itself and the Lenders to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Lender for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from Required Lenders or all or such other portion of the Lenders as shall be prescribed by this Agreement. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of an Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of Required Lenders (or all or such other portion of the Lenders as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required Lenders (or such other applicable portion of the Lenders), an Agent shall have no obligation to any Lender to take any action if it believes, in good faith, that such action would violate applicable law or exposes an Agent to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 10.6.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. (d) Notwithstanding any provision herein to the contrary, this Agreement and the other Loan Documents may be amended (i) to cure any ambiguity, mistake, omission, defect, or inconsistency with the consent of the Borrower and the Administrative Agent, (ii) in accordance with Section 2.6 to incorporate the terms of any Incremental Commitments with the written consent of the Borrower and Lenders providing such Incremental Commitments, (iii) in accordance with Section 2.8 to effectuate an Extension with the written consent of the Borrower and the Extending Lenders and (iv) with the consent of the Borrower and the Administrative Agent (in each case such consent not to be unreasonably withheld or delayed), in the event any mandatory prepayment or redemption provision in respect of asset sales, casualty or condemnation events or excess cash flow included or to be included in any Indebtedness constituting Pari Passu Indebtedness would result in such Indebtedness being prepaid or redeemed on a more than ratable basis with the Term Loans in respect of such asset sale, casualty or condemnation event or excess cash flow prepayment, to provide for mandatory prepayments of the Term Loans such that, after giving effect thereto, the prepayments and redemptions made in respect of such Indebtedness are not on more than a ratable basis. Without limiting the generality of the foregoing, any

provision of this Agreement and the other Loan Documents, including Section 4.4, 4.8 or 10.14 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment or any Extension Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Term Loans, any Incremental Commitments or Incremental Loans and any Extended Term Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Extended Term Tranche or Incremental Commitments or Incremental Loans in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower) to execute any amendment referred to in this clause (d) or an acknowledgement thereof.

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facilities and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility hereunder and (z) to provide class protection for any additional credit facilities.

(f) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by Section 11.17 with the written consent of the Agent party thereto and the Loan Party party thereto.

(g) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Section 11.1(a), the consent of each Lender or each directly and adversely affected Lender, as applicable, is required and the consent of the Required Lenders at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such Lender, a "Non-Consenting Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrower owing to the Non-Consenting Lender

relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) so long as no Event of Default under Section 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, prepay the Loans and, if applicable, terminate the commitments of such Non-Consenting Lender, in whole or in part, subject to Section 4.12, without premium or penalty. In connection with any such replacement under this Section 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender, and the Administrative Agent shall record such assignment in the Register.

(h) Notwithstanding any provision to the contrary set forth in this Agreement, in the event the Administrative Agent determines, pursuant to and in accordance with Section 4.7, that adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate and the Administrative Agent and the Borrower mutually determine that a comparable successor rate, at such time, has been broadly accepted by the syndicated loan market, then the Administrative Agent and the Borrower may, without the consent of any Lender, amend this Agreement to adopt such new broadly accepted successor rate and to make such other changes as shall be necessary or appropriate in the good faith determination of the Administrative Agent and the Borrower in order to implement such new market standard herein and in the other Loan Documents.

11.2 Notices. (a) All notices, requests, and demands to or upon the respective parties hereto to be effective shall be in writing (including telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand, or three days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, or, in the case of delivery by a nationally recognized overnight courier, when received, addressed as follows in the case of the Borrower, the Administrative Agent and the Collateral Agent, and as set forth in Schedule A in the case of the other parties hereto, or to such other address as may be hereafter notified by the respective parties hereto and any future holders of the Loans:

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders pursuant to Section 4.2, 4.4 or 4.8 shall not be effective until received.

(b) Without in any way limiting the obligation of any Loan Party and its Subsidiaries to confirm in writing any telephonic notice permitted to be given hereunder, the Administrative Agent may prior to receipt of written confirmation act without liability upon the basis of such telephonic notice, believed by the Administrative Agent in good faith to be from a Responsible Officer of a Loan Party.

(c) Loan Documents may be transmitted and/or signed by facsimile or other electronic means (e.g., a “pdf” or “tiff”). The effectiveness of

any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile or other electronic document or signature.

(d) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Section 2 if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. Unless the Administrative Agent otherwise prescribes (with the Borrower's consent), (i) notices and other communications sent to an e-mail address shall be deemed to have been duly made or given when delivered, provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the posting thereof.

(e)(i) The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on a Platform and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees to clearly and conspicuously mark all Borrower Materials that the Borrower intends to be made available to Public Lenders; provided that the Borrower agrees that the Disqualified Institution List will be deemed to be "public-side" Borrower Materials and may be made available to Public Lenders.

(ii) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities laws.

11.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent, any Lender or any Loan Party, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Loan Documents (or in any amendment, modification or supplement hereto or thereto) and in any certificate delivered pursuant hereto or such other Loan Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

11.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents and the Other Representatives for (1) all their reasonable and documented out-of-pocket costs and expenses incurred in connection with (i) the syndication of the Facilities and the development, preparation, execution and delivery of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions (including the syndication of the Initial Term Loan Commitments, the Tranche B Term Loan Commitments, the Tranche C Term Loan Commitments, the Tranche D Term Loan Commitments ~~and~~, the Tranche E Term Loan Commitments and the Tranche F Term Loan Commitments) contemplated hereby and thereby and (iii) efforts to monitor the Loans and verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral, and (2) the reasonable and documented fees and disbursements of Davis Polk and Wardwell LLP, and such other special or local counsel, consultants, advisors, appraisers and auditors whose retention (other than during the continuance of an Event of Default) is approved by the Borrower, (b) to pay or reimburse each Lender, each Other Representative and the Agents for all their reasonable costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including the fees and disbursements of counsel to the Agents and the Lenders, (c) to pay, indemnify, or reimburse each Lender, each Other Representative and the Agents for, and hold each Lender, each Other Representative and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, any stamp, documentary, excise and other similar taxes, if any, which may be payable or determined to be payable in connection with the execution, delivery or enforcement of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify or reimburse each Lender, each Other Representative, each Agent (and any sub-agent thereof) and each Related Party of any of the foregoing Persons (each, an "Indemnitee") for, and hold each Indemnitee harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the

Loans, the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower or any of its Restricted Subsidiaries or any of the property of the Borrower or any of its Restricted Subsidiaries, of any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party and regardless of whether any Indemnitee is a party thereto (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided that the Borrower shall not have any obligation hereunder to any Lead Arranger, any Other Representative, any Agent (or any sub-agent thereof) or any Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender) with respect to Indemnified Liabilities arising from (i) the gross negligence, bad faith or willful misconduct of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision, (ii) a material breach of the Loan Documents by any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender (or any Related Party of any such Lead Arranger, Other Representative, Agent (or any sub-agent thereof) or Lender), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (iii) claims against such Indemnitee or any Related Party brought by any other Indemnitee that do not involve claims against any Lead Arranger or Agent in its capacity as such. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 11.5 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. All amounts due under this Section 11.5 shall be payable not later than 30 days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 11.5 shall be submitted to the address of the Borrower set forth in Section 11.2, or to such other Person or address as may be hereafter designated by the Borrower in a notice to the Administrative Agent. Notwithstanding the foregoing, except as provided in Sections 11.5(b) and (c) above, the Borrower shall have no obligation under this Section 11.5 to any Indemnitee with respect to any tax, levy, impost, duty, charge, fee, deduction or withholding imposed, levied, collected, withheld or assessed by any Governmental Authority. The agreements in this Section 11.5 shall survive repayment of the Loans and all other amounts payable hereunder.

11.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) other than in accordance with Section 8.6, the Borrower shall not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 11.6.

(b)(i) Subject to the conditions set forth in Section 11.6(b)(ii) below, any Lender other than a Conduit Lender may, in the ordinary course of business and in accordance with applicable law, assign (other than to a

Disqualified Institution or any natural person) to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including its Tranche B Term Loan Commitment, Tranche C Term Loan Commitment, Tranche D Term Loan Commitment, Tranche E Term Loan Commitment, Tranche F Term Loan Commitment and/or any Tranche of Term Loans, pursuant to an Assignment and Acceptance) with the prior written consent of:

(A) (1) with respect to the Tranche B Term Loan Commitments, the Borrower, (2) with respect to the Tranche C Term Loan Commitments, the Borrower, (3) with respect to the Tranche D Term Loan Commitments, the Borrower, (4) with respect to the Tranche E Term Loan Commitments, the Borrower ~~and~~, (5) with respect to the Tranche F Term Loan Commitments, the Borrower and (6) with respect to any Tranche of Loans, the Borrower (such consent, in the case of this clause (~~5~~6), not to be unreasonably withheld), provided, that with respect to any assignment of any Tranche of Term Loans, no consent of the Borrower shall be required for an assignment (x) to a Lender, an Affiliate of a Lender, or an Approved Fund (as defined below); provided, that if any Lender assigns all or a portion of its rights and obligations under this Agreement to one of its Affiliates in connection with or in contemplation of the sale or other disposition of its interest in such Affiliate, the Borrower's prior written consent shall be required for such assignment, (y) if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing, to any other Person, and (z) in connection with the primary syndication of (A) the Initial Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower, (B) the Tranche B Term Loans by the Tranche B Initial Committed Lenders (as defined in the First Incremental Amendment) to Persons previously disclosed by them to the Borrower on or prior to the First Incremental Amendment Effective Date, (C) the Tranche C Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower or on prior to the Third Amendment Closing Date, (D) the Tranche D Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Fourth Amendment Closing Date, (E) the Tranche E Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Fifth Amendment Closing Date, (F) the Tranche F Term Loans by Credit Suisse AG to Persons previously disclosed by it to the Borrower on or prior to the Seventh Amendment Closing Date; and

(B) the Administrative Agent (such consent not to be unreasonably withheld); provided that no consent of the Administrative Agent shall be required for an assignment to a Lender or an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Incremental Commitments or Loans under any Facility, the amount of the Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments, Incremental Commitments or Loans of the

assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1.0 million unless the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 9.1(a) or (f) with respect to the Borrower has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of $3,500; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall only be required to be paid once in respect of and at the time of such assignments;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire;

(D) any assignment of Incremental Commitments or Loans to an Affiliated Lender shall also be subject to the requirements of Sections 11.6(h) and (i); and

(E) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon acquisition thereof.

For the purposes of this Section 11.6, the term "Approved Fund" has the following meaning: "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such assignment in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5, and bound by its continuing obligations under Section 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.6(b) shall, to the extent it would comply with Section 11.6(c), be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 11.6.

(iv) The Borrower hereby designates the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrower's agent, solely for purposes of this Section 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments or Incremental Commitments of, and interest and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower (and, solely with respect to entries applicable to such Lender, any Lender), at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity) against the Lender and such Disqualified Institution. Notwithstanding the foregoing, in no event shall the Administrative Agent (in its capacity as such) (x) be obligated to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution or (y) have any liability with respect to any assignment or participation of Loans to any Disqualified Institution (other than through the Administrative Agent's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision; provided that in no event shall the Administrative Agent have any liability for any failure to ascertain, monitor or inquire as to whether any Lender is a Disqualified Institution).

(v) Each Lender that sells a participation shall, acting for itself and, solely for this purpose, as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for the Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and a Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 11.6(b) and any written consent to such assignment required by Section 11.6(b), the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Borrower. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (vi).

(vii) On or prior to the effective date of any assignment pursuant to this Section 11.6(b), the assigning Lender shall surrender any outstanding Notes held by it all or a portion of which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Borrower marked "cancelled".

Notwithstanding the foregoing provisions of this Section 11.6(b) or any other provision of this Agreement, if the Borrower shall have consented thereto in writing in its sole discretion, the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and Initial Term Loan Commitments via an electronic settlement system acceptable to Administrative Agent and the Borrower as designated in writing from time to time to the Lenders by Administrative Agent (the "Settlement Service"). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be subject to the prior written approval of the Borrower and shall be consistent with the other provisions of this Section 11.6(b). Each assigning Lender and proposed Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and Initial Term Loan Commitments pursuant to the Settlement Service. Assignments and assumptions of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein. The Borrower may withdraw its consent to the use of the Settlement Service at any time upon notice to the Administrative Agent, and thereafter assignments and assumptions of the Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and Initial Term Loan Commitments shall be effected by the provisions otherwise set forth herein. Notwithstanding the foregoing, it is understood and agreed that the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and Initial Term Loan Commitments via the Clearpar electronic settlement system pursuant to procedures consistent with this Section 11.6(b).

Furthermore, no Assignee, which as of the date of any assignment to it pursuant to this Section 11.6(b) would be entitled to receive any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such Sections with respect to the rights assigned, shall, notwithstanding anything to the contrary in this Agreement, be entitled to receive such greater payments unless the assignment was made after an Event of Default under Section 9.1(a) or (f) has occurred and is continuing or the Borrower has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c)(i) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the

consent of the Borrower or the Administrative Agent, sell participations (other than to any Disqualified Institution or a natural person) to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Initial Term Loan Commitments, Incremental Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, Tranche F Term Loan Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, (D) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (E) in the case of any participation to a Permitted Affiliated Assignee, such participation shall be governed by the provisions of Section 11.6(h)(ii) to the same extent as if each reference therein to an assignment of a Loan were to a participation of a Loan and the references to Affiliated Lender were to such Permitted Affiliated Assignee in its capacity as a participant. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the second proviso to the second sentence of Section 11.1(a) and (2) directly affects such Participant. Subject to Section 11.6(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 4.10, 4.11, 4.12, 4.13 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7(b) as though it were a Lender, provided that such Participant shall be subject to Section 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institution, except to the extent the Borrower has consented to such participation in writing (in which case such Lender will not be considered a Disqualified Institution solely for that particular participation).

(ii) No Loan Party shall be obligated to make any greater payment under Section 4.10, 4.11, 4.12 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Borrower and the Borrower expressly waives the benefit of this provision at the time of such participation. A Participant shall not be entitled to the benefits of Section 4.11 unless such Participant complies with Section 4.11(b) or Section 4.11(c), as applicable, and provides the forms and certificates referenced therein to the Lender that granted such participation.

(d) Any Lender, without the consent of the Borrower or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal

Reserve Bank or other central bank, and this Section 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(e) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 11.6(b). The Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from the Borrower pursuant to this Section 11.6(f) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Borrower specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Section 11.6(f), in the event that the indemnifying Lender fails timely to compensate the Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Borrower, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(g) If the Borrower wishes to replace the Loans under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the

Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 11.1. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 4.12. By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) (i) Notwithstanding anything to the contrary contained herein, any Parent, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Administrative Agent (or other applicable agent managing such auction); provided that (A) any such Dutch auction by the Borrower or its Subsidiaries shall be made in accordance with Section 4.4(h) and (B) any such Dutch auction by any Parent shall be made on terms substantially similar to Section 4.4(h) or on other terms to be agreed between such Parent and the Administrative Agent (or other applicable agent managing such auction) or (2) open market purchases; provided further that:

(1) such Affiliated Lender and such other Lender shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit I hereto (an "Affiliated Lender Assignment and Assumption") and the Administrative Agent shall record such assignment in the Register;

(2) at the time of such assignment after giving effect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement;

(3) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower, whether through a Parent or otherwise, and exchanged for debt or equity securities of the Borrower or such Parent that are otherwise permitted to be issued at such time pursuant to the terms of this Agreement, so long as any Term Loans so acquired by the Borrower shall be retired and cancelled promptly upon the acquisition thereof; and

(4) any Term Loans acquired by Holdings or any of its Subsidiaries shall be cancelled and retired immediately upon the acquisition thereof.

(ii) Notwithstanding anything to the contrary in this Agreement, no Affiliated Lender that is not an Affiliated Debt Fund shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives or (C) receive advice of counsel to the Administrative Agent, the Collateral Agent or any other Lender or challenge their attorney client privilege.

(iii) Notwithstanding anything in Section 11.1 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, an Affiliated Lender that is not an Affiliated Debt Fund shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not such Affiliated Lenders; provided that no amendment, modification, waiver, consent or other action with respect to any Loan Document shall deprive such Affiliated Lender of its ratable share of any payments of Term Loans of any class to which such Affiliated Lender is entitled under the Loan Documents without such Affiliated Lender providing its consent; provided, further, that such Affiliated Lender shall have the right to approve any amendment, modification, waiver or consent that (x) disproportionately and adversely affects such Affiliated Lender or affects such Affiliated Lender differently than other Lenders or (y) is of the type described in Sections 11.1(a)(i) through (ix) (other than subclauses (v) and (vi)); and in furtherance of the foregoing, (x) the Affiliated Lender agrees to execute and deliver to the Administrative Agent any instrument reasonably requested by the Administrative Agent to evidence the voting of its interest as a Lender in accordance with the provisions of this Section 11.6(h)(iii); provided that if the Affiliated Lender fails to promptly execute such instrument such failure shall in no way prejudice any of the Administrative Agent's rights under this Section 11.6(h)(iii) and (y) the Administrative Agent is hereby appointed (such appointment being coupled with an interest) by such Affiliated Lender as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iii).

(iv) Each Affiliated Lender that is not an Affiliated Debt Fund, solely in its capacity as a Lender, hereby agrees, and each Affiliated Lender Assignment and Assumption agreement shall provide a confirmation that, if any of the Borrower or any Restricted Subsidiary shall be subject to any voluntary or involuntary bankruptcy, reorganization, insolvency or liquidation proceeding (each, a "Bankruptcy Proceeding"), (i) such Affiliated Lender shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Affiliated Lender's claim with respect to its Term Loans ("Claim") (including objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Affiliated Lender is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including voting on any plan of reorganization), the Term Loans held by such Affiliated Lender (and any Claim with respect thereto) shall be deemed to be voted in accordance with Section 11.6(h)(iii) above, so long as such Affiliate Lender is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Section 11.6(h)(iv) and the related provisions set forth in each Affiliated Lender Assignment and Assumption constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, it is their intention that this Section 11.6(h)(iv) would be enforceable for all purposes in any case where the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to the Borrower or such Restricted Subsidiary, as applicable. Each Affiliated Lender that is not an Affiliated Debt Fund hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 11.6(h)(iv).

(v) Each Lender making an assignment to, or taking an assignment from, an Affiliated Lender (so long as such Affiliated Lender identifies itself as such to such Lender) acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lender, Warner Music Group Corp., Holdings, the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of Warner Music Group Corp., Holdings, the Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Warner Music Group Corp., Holdings, the Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(i) Notwithstanding anything to the contrary in this Agreement, Section 11.1 or the definition of "Required Lenders" (x) with respect to any assignment or participation to or by an Affiliated Debt Fund, such assignment or participation shall be made pursuant to an open market purchase and (y) for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Affiliated Lenders (including Affiliated Debt Funds), combined, may not account for more than 50.0% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 11.1. Notwithstanding anything to the contrary in this Agreement, with respect to any assignment to or by an Affiliated Debt Fund, at the time of such assignment after giving effect to such assignment, the aggregate principal amount of all Term Loans held (or participated in) by Affiliated Lenders (including Affiliated Debt Funds) shall not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding under this Agreement.

(j) Notwithstanding the foregoing provisions of this Section 11.6, nothing in this Section 11.6 is intended to or should be construed to limit the Borrower's right to prepay the Term Loans as provided hereunder, including under Section 4.4.

11.7 Adjustments; Set-off; Calculations; Computations. (a) If any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise (except pursuant to Section 2.7, 2.8, 4.4, 4.9, 4.10, 4.11, 4.12, 4.13(d), 11.1(g) or 11.6)), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans owing to it, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders an interest (by participation, assignment or otherwise) in such portion of each such other Lender's Loans owing to it, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon the occurrence of an Event of Default under Section 9.1(a) or the Loans becoming due and payable pursuant to Section 9.2 to set-off and appropriate and apply against any amount then due and payable under Section 9.1(a) by the Borrower any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

11.8 Judgment. (a) If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 11.8 referred to as the "Judgment Currency") an amount due under any Loan Document in any currency (the "Obligation Currency") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 11.8 being hereinafter in this Section 11.8 referred to as the "Judgment Conversion Date").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 11.8(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

(c) The term "rate of exchange" in this Section 11.8 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

11.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of such counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be delivered to the Borrower and the Administrative Agent.

11.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.11 Integration. This Agreement and the other Loan Documents represent the entire agreement of each of the Loan Parties party hereto, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any of the Loan Parties party hereto, the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

11.12 Governing Law. THIS AGREEMENT AND ANY NOTES AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY NOTES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

11.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Term Loan Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 11.13 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all

such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 11.13(a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding.

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to Section 11.13(a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 11.2 or at such other address of which the Administrative Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 11.13 any consequential or punitive damages.

11.14 Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Other Representative or Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of creditor and debtor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among the Borrower and the Lenders.

11.15 Waiver Of Jury Trial. EACH OF THE BORROWER, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY NOTES OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

11.16 Confidentiality. (a) Each Agent and each Lender agrees to keep confidential any information (a) provided to it by or on behalf of the Borrower or any of their respective Subsidiaries pursuant to or in connection with the Loan Documents or (b) obtained by such Lender based on a review of the books and records of the Borrower or any of their respective Subsidiaries; provided that nothing herein shall prevent any Lender from disclosing any such information (i) to any Agent, any Other Representative or any other Lender, (ii) to any Transferee, or prospective Transferee or any creditor or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations which agrees to comply with the provisions of this Section 11.16 pursuant to a written instrument (or electronically recorded agreement from any Person listed above in this clause (ii), in respect to any electronic information (whether posted or otherwise distributed on any Platform)) for the benefit of the Borrower (it being understood that each relevant Lender shall be solely responsible for obtaining such instrument (or such electronically recorded agreement)), (iii) to its Affiliates and the employees, officers, partners, directors, agents, attorneys, accountants and other professional advisors of it and its Affiliates, provided that such Lender shall inform each such Person of the agreement under this Section 11.16 and take reasonable actions to cause compliance by any such Person referred to in this clause (iii) with this agreement (including, where appropriate, to cause any such Person to acknowledge its agreement to be bound by the agreement under this Section 11.16), (iv) upon the request or demand of any Governmental Authority having jurisdiction over such Lender or its affiliates or to the extent required in response to any order of any court or other Governmental Authority or as shall otherwise be required pursuant to any Requirement of Law, provided that, other than with respect to any disclosure to any bank regulatory authority, such Lender shall, unless prohibited by any Requirement of Law, notify the Borrower of any disclosure pursuant to this clause (iv) as far in advance as is reasonably practicable under such circumstances, (v) which has been publicly disclosed other than in breach of this Agreement, (vi) in connection with the exercise of any remedy hereunder, under any Loan Document or under any Interest Rate Agreement, (vii) in connection with periodic regulatory examinations and reviews conducted by the National Association of Insurance Commissioners or any Governmental Authority having jurisdiction over such Lender or its affiliates (to the extent applicable), (viii) in connection with any litigation

to which such Lender (or, with respect to any Interest Rate Agreement, any Affiliate of any Lender party thereto) may be a party subject to the proviso in clause (iv) above, and (ix) if, prior to such information having been so provided or obtained, such information was already in an Agent's or a Lender's possession on a non-confidential basis without a duty of confidentiality to the Borrower being violated. In addition, the Administrative Agent may disclose (i) the existence of this Agreement, the global amount, currency and maturity date of any Facility hereunder, and the legal name, country of domicile and jurisdiction of organization of the Borrower, to (i) the CUSIP Bureau and other similar market data collectors or service providers to the lending industry, provided that either such information shall have been previously made publicly available by the Borrower, or the Administrative Agent shall have obtained the written consent of the Borrower (such consent not to be unreasonably withheld or delayed), prior to making such disclosure, and (ii) information about this Agreement to service providers to the Administrative Agent to the extent customary in connection with the administration and management of this Agreement, the other Loan Documents, the Initial Term Loan Commitments, the Tranche B Term Loan Commitments, Tranche C Term Loan Commitments, Tranche D Term Loan Commitments, Tranche E Term Loan Commitments, ~~the~~Tranche F Term Loan Commitments, the Incremental Commitments, and the Loans, provided that any such Person is advised of and agrees to be bound by the provisions of this Section 11.16 and the Administrative Agent takes reasonable actions to cause such Person to comply herewith. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 11.16 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

(b) Each Lender acknowledges that any such information referred to in Section 11.16(a), and any information (including requests for waivers and amendments) furnished by the Borrower or the Administrative Agent pursuant to or in connection with this Agreement and the other Loan Documents, may include material non-public information concerning the Borrower, the other Loan Parties and their respective Affiliates or their respective securities. Each Lender represents and confirms that such Lender has developed compliance procedures regarding the use of material non-public information; that such Lender will handle such material non-public information in accordance with those procedures and applicable law, including United States federal and state securities laws; and that such Lender has identified to the Administrative Agent a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law.

11.17 Incremental Indebtedness; Additional Indebtedness. In connection with the incurrence by any Loan Party or any Subsidiary thereof of any Incremental Indebtedness or Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agree to execute and deliver amendments, waivers, supplements or other modifications to the Security Agreement, the Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement or any Intercreditor Agreement Supplement and amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Security Document (including but not limited to any Mortgages and UCC fixture filings), and to make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Borrower to be necessary or reasonably desirable for any Lien on the assets of any Loan

Party permitted to secure such Incremental Indebtedness or Additional Indebtedness to become a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan Documents) pursuant to the Security Document being so amended, amended and restated, restated, waived, supplemented or otherwise modified or otherwise.

11.18 USA Patriot Act Notice. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies the Borrower and the other Loan Parties, which information includes the name of the Borrower and the other Loan Parties and other information that will allow such Lender to identify the Borrower and the other Loan Parties in accordance with the Patriot Act, and the Borrower agrees to provide such information from time to time to any Lender.

11.19 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance or Affiliated Lender Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.20 Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition or other proceeding be filed by or against any Loan Party for liquidation or reorganization, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should an interim receiver, receiver, receiver and manager or trustee be appointed for all or any significant part of any Loan Party's assets, and shall continue to be effective or to be reinstated, as the case may be, if at any time payment and performance of the obligations of the Borrower under the Loan Documents, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the obligations, whether as a fraudulent preference, reviewable transaction or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the obligations of the Borrower hereunder shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

11.21 Acknowledgement of Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

PRELIMINARY STATEMENT

WHEREAS, WMG Acquisition Corp., a Delaware corporation (the "**Borrower**") and a direct or indirect parent of each Guarantor, will, on the date hereof, enter into a Term Loan Credit Agreement (as amended, supplemented, waived or otherwise modified from time to time, the "**Credit Agreement**"), dated November 1, 2012, among the Borrower, each Lender from time to time party thereto (collectively, the "**Lenders**") and Credit Suisse AG, as administrative agent (the "**Administrative Agent**"). Capitalized terms used herein without definition shall have the meaning assigned thereto in the Credit Agreement.

WHEREAS, each Guarantor may receive, directly or indirectly, a portion of the proceeds of the Loans under the Credit Agreement and will derive substantial direct and indirect benefits from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing Cash Management Obligations, the "**Finance Documents**"). Without limiting the generality of the foregoing and subject to the following sentence, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in respect of the Finance Documents but for the fact that they are unenforceable or not

allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor. Notwithstanding anything to the contrary contained in this Guarantee or any provision of any other Loan Document, the Guaranteed Obligations shall not extend to or include any Excluded Swap Obligation (as defined below).

In this Guarantee, "**Excluded Swap Obligation**" means, with respect to any Guarantor, any obligation (a "**Swap Obligation**") to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of section 1a(47) of the Commodity Exchange Act, if, and to the extent that, all or a portion of the guarantee of such Guarantor of, or the grant by such Guarantor of a security interest for such Swap Obligation is or becomes illegal under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof).

(b) Each Guarantor, and by its acceptance of this Guarantee, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guarantee and the Guaranteed Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of, and not otherwise be in violation of, the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guarantee and the Guaranteed Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the Guaranteed Obligations of each Guarantor under this Guarantee at any time shall be limited to the maximum amount that can be guaranteed by such Guarantor under applicable law and that will otherwise result in the Guaranteed Obligations of such Guarantor under this Guarantee not constituting a fraudulent transfer or conveyance.

(c) Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guarantee, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Guarantee Absolute*. Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Finance Documents. The Guaranteed Obligations of each Guarantor under or in respect of this Guarantee are independent of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guarantee, irrespective of whether any action is brought against the Borrower or any other Obligor or whether the Borrower or any other Obligor is joined in any such action or actions. The liability of each Guarantor under this Guarantee shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives, to the maximum extent permitted by applicable law, any defenses it may now have or hereafter acquire arising out of or in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Finance Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, or any other amendment or waiver of or any consent to or departure from any Finance Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Obligor or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to or departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Obligor under the Finance Documents or any other assets of any Obligor or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Obligor or any of its Subsidiaries; (f) any failure of any Secured Party to disclose to any Obligor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor now or hereafter known to such Secured Party (each Guarantor waiving, to the maximum extent permitted under applicable law, any duty on the part of the Secured Parties to disclose such information);

(g) the failure of any other Person to execute or deliver this Guarantee, any Guarantee Supplement (as hereinafter defined) or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations;

(h) any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect to the Finance Documents; or

(i) any other circumstance or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety (other than the payment in full in cash of the Guaranteed Obligations).

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Obligor or otherwise, all as though such payment had not been made.

Section 3. *Waivers and Acknowledgments*. (a) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guarantee and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, any right to revoke this Guarantee and acknowledges that this Guarantee is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor herby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Obligors, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Guaranteed Obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guarantee, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives, to the maximum extent permitted by applicable law, any defense to the recovery by the Administrative Agent and the other Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, any duty on the part of any Secured Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor or any of its Subsidiaries now or hereafter known by such Secured Party.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits.

Section 4. *Right of Contribution*. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths (as defined below) of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 5 below. The provisions of this Section 4 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the other Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder.

In this Guarantee, "**Adjusted Net Worth**" means, of any Guarantor at any time, the greater of (x) $0 and (y) the amount by which the fair saleable value of such Guarantor's assets on the date of the respective payment hereunder exceeds its debts and other liabilities (including contingent liabilities, but without giving effect to any of its obligations under this Guarantee or any other Loan Document, or pursuant to its guarantee with respect to any Indebtedness then outstanding under the Senior Revolving Credit Agreement, the 2012 Senior Secured Notes, the Existing Unsecured Notes or any Additional Indebtedness) on such date.

Section 5. *Subrogation*. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower or any other Obligor that arise from the existence, payment, performance or enforcement of such Guarantor's Obligations under or in respect of this Guarantee or any other Finance Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against the Borrower or any other Obligor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Obligor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until the payment in full in cash of such

Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guarantee, whether matured or unmatured, in accordance with the terms of the Finance Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guarantee thereafter arising. Upon the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guarantee.

Section 6. *Payments*. Any and all payments by any Guarantor under this Guarantee or any other Loan Document shall be made in accordance with the terms of the Credit Agreement.

Section 7. *Covenants*. Each Guarantor covenants and agrees that, until the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, such Guarantor will perform and observe, and cause each of its Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents on its or their part to be performed or observed or that the Borrower has agreed to cause such Guarantor or such Restricted Subsidiaries to perform or observe.

Section 8. *Amendments, Release of Guarantors, Etc*. No amendment or waiver of any provision of this Guarantee and no consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and the Guarantors (with the consent of the requisite number of Lenders specified in the Credit Agreement, if applicable) and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. A Guarantor shall automatically be released from this Guarantee and its obligations hereunder upon (i) the sale or other disposition of all of the Equity Interests of such Guarantor (to a Person other than the Borrower or a Guarantor)

as permitted under the Credit Agreement or (ii) consummation of any other transaction or designation permitted by the Credit Agreement as a result of which such Guarantor becomes an Excluded Subsidiary. The Administrative Agent will, at such Guarantor's expense, execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request to evidence the release of such Guarantor from its Guarantee hereunder pursuant to this Section 8; *provided* that such Guarantor shall have delivered to the Administrative Agent a written request therefor and a certificate of such Guarantor to the effect that the transaction is in compliance with the Loan Documents. The Administrative Agent shall be authorized to rely on any such certificate without independent investigation.

Section 9. *Guarantee Supplements*. Upon the execution and delivery by any Person of a guarantee supplement in substantially the form of Exhibit A hereto (each, a "**Guarantee Supplement**"), (a) such Person shall be referred to as an "**Additional Guarantor"** and shall become and be a Guarantor hereunder, and each reference in this Guarantee to a "**Guarantor**" shall also mean and be a reference to such Additional Guarantor, and each reference in any other Loan Document to a "**Guarantor**" or "**Subsidiary Guarantor**" shall also mean and be a reference to such Additional Guarantor, and (b) each reference herein to "**this Guarantee**", "**hereunder**", "**hereof**" or words of like import referring to this Guarantee, and each reference in any other Loan Document to the "**Guarantee**" or the "**Subsidiary Guarantee**", "**thereunder**", "**thereof**" or words of like import referring to this Guarantee, shall mean and be a reference to this Guarantee as supplemented by such Guarantee Supplement.

Section 10. *Notices, Etc*. All notices and other communications provided for hereunder shall be in writing (including e-mail or fax communication) and mailed, e-mailed, faxed or delivered to it, if to any Guarantor, addressed to it in care of the Borrower at the Borrower's address specified in Section 11.2 of the Credit Agreement, if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party, if to the Administrative Agent, the Issuing Bank or any Lender, at its address specified in Section 11.2 of the Credit Agreement, or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 11.2 of the Credit Agreement. Delivery by a facsimile or electronic pdf copy of an executed counterpart of a signature page to any amendment or waiver of any provision of this Guarantee or of any Guarantee Supplement to be executed and delivered hereunder shall be effective as delivery of an original executed counterpart thereof.

Section 11. *No Waiver; Remedies*. No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 12. *Right of Set-off*. If an Event of Default under Section 9.1(a) of the Credit Agreement shall have occurred and be continuing or the Loans have become due and payable pursuant to Section 9.2 of the Credit Agreement, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of any Guarantor against any of and all the Obligations of such Guarantor now or hereafter existing under this Guarantee or any other Loan Documents, irrespective of whether or not such Lender shall have made any demand under this Guarantee or such other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 12 are in addition to other rights and remedies (including other rights of set-off) which such Lender may have.

Section 13. *Continuing Guarantee; Assignments under the Credit Agreement*. This Guarantee is a continuing guarantee and shall (a) remain in full force and effect until (i) the payment in full in cash of such Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (ii) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (iii) the termination of all Commitments, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their permitted successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, each Lender may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement as and to the extent permitted under Section 11.6 of the Credit Agreement. Except as expressly provided in the Credit Agreement, no Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Administrative Agent and each Lender.

Section 14. *Execution in Counterparts*. This Guarantee and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Guarantee by facsimile or electronically via pdf shall be effective as delivery of an original executed counterpart of this Guarantee.

Section 15. *GOVERNING LAW*. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT

TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 16. *WAIVER OF JURY TRIAL*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 17. *Jurisdiction; Consent to Service of Process*. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Guarantee shall be deemed or operate to preclude (i) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (ii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iii) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 17(a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding;

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to Section 17(a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, at the address specified in Section 11.2 of the Credit Agreement or at such other address of which the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 17 any consequential or punitive damages.

IN WITNESS WHEREOF, each Guarantor has caused this Guarantee to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

FORM OF GUARANTEE AGREEMENT SUPPLEMENT

Credit Suisse AG, as Administrative Agent
Eleven Madison Avenue
New York, NY 10010

RE: Credit Agreement dated as of November 1, 2012 among WMG Acquisition Corp. (the "**Company**"), each Lender from time to time party thereto and Credit Suisse AG as administrative agent (the "**Administrative Agent**").

Ladies and Gentlemen:

Reference is made to the above-captioned Credit Agreement and to the Guarantee Agreement referred to therein (such Subsidiary Guarantee, as in effect on the date hereof and as it may hereafter be amended, supplemented, waived or otherwise modified from time to time, together with this Guarantee Agreement Supplement (the "**Guarantee Supplement**"), being the "**Subsidiary Guarantee**"). The capitalized terms defined in the Subsidiary Guarantee or in the Credit Agreement and not otherwise defined herein are used herein as therein defined.

Section 1. *Guarantee; Limitation of Liability*. (a) The undersigned hereby, jointly and severally with the other Guarantors, absolutely, unconditionally and irrevocably guarantees to the Administrative Agent, for the benefit of the applicable Secured Parties (as defined below), the punctual payment, when due and payable, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each other Obligor now or hereafter existing (such Obligations being the "**Guaranteed Obligations**"). Without limiting the generality of the foregoing and subject to the following sentence, the undersigned's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in respect of the Finance Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor. Notwithstanding anything to the contrary contained in this Guarantee Supplement or any provision of any other Loan Document, the Guaranteed Obligations shall not extend to or include any Excluded Swap Obligation (as defined below).

In this Guarantee Supplement, "**Excluded Swap Obligation**" means, with respect to any Guarantor, any obligation (a "**Swap Obligation**") to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of section 1a(47) of the Commodity Exchange Act, if, and to the extent that, all or a portion of the guarantee of such Guarantor of, or the grant by such Guarantor of a security interest for such Swap Obligation is or becomes illegal under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof).

(b) The undersigned, and by its acceptance of this Guarantee Supplement, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guarantee Supplement, the Subsidiary Guarantee and the Guaranteed Obligations of the undersigned hereunder and thereunder not constitute a fraudulent transfer or conveyance for purposes of, and not otherwise be in violation of, Debtor Relief Laws, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guarantee Supplement, the Subsidiary Guarantee and the Guaranteed Obligations of the undersigned hereunder and thereunder. To effectuate the foregoing intention, the Administrative Agent, the other Secured Parties and the undersigned hereby irrevocably agree that the Guaranteed Obligations of the undersigned under this Guarantee Supplement and the Subsidiary Guarantee at any time shall be limited to the maximum amount that can be guaranteed by such Guarantor under the applicable law and that will otherwise result in the Guaranteed Obligations of the undersigned under this Guarantee Supplement and the Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

(c) The undersigned hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guarantee Supplement and the Guarantee, the undersigned will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Obligations Under the Guarantee*. The undersigned hereby agrees, as of the date first above written, to be bound as a Guarantor by all of the terms and conditions of the Subsidiary Guarantee to the same extent as each of the other Guarantors thereunder. The undersigned further agrees, as of the date first above written, that each reference in the Subsidiary Guarantee to an "**Additional Guarantor**" or a "**Guarantor**" shall also mean and be a reference to the undersigned, and each reference in any other Loan Document to a "**Subsidiary Guarantor**", a "**Loan Party**" or an "**Obligor**" shall also mean and be a reference to the undersigned.

Section 3. *Electronic Delivery*. Delivery of an executed counterpart of a signature page to this Guarantee Supplement by facsimile or electronically via pdf shall be effective as delivery of an original executed counterpart of this Guarantee Supplement.

Section 4. *GOVERNING LAW*. THIS GUARANTEE SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS GUARANTEE SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 5. *WAIVER OF JURY TRIAL*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 6. *Jurisdiction; Consent to Service of Process*. Each party hereto hereby irrevocably and unconditionally:

Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of such specified Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. (a) Any amount specified in this Agreement (other than in Articles II, IX and X or in respect of Borrowings, Loans or Letters of Credit) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount to be determined at the rate of exchange quoted by the Administrative Agent at the close of business on the Business Day immediately preceding any date of determination thereof, to prime banks in New York, New York for the spot purchase in the New York foreign exchange market of such amount in Dollars with such other currency; provided that, if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

(b) The Administrative Agent or the applicable Issuing Bank, as applicable, shall determine in good faith the Spot Rates as of each Revaluation Date to be used for calculating Dollar Equivalent amounts of Borrowings, Loans and Letters of Credit denominated in Alternative Currencies. Section 1.09. Limited Condition Transaction.

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Borrower, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred

Stock is given. For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this clause (a), and any Default or Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of

(i) determining compliance with any provision of this Agreement which requires the calculation of the Fixed Charge Coverage Ratio or the Senior Secured Indebtedness to EBITDA Ratio; or

(ii) testing baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Tangible Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds of such incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Borrower are available, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio, basket or amount, such ratio, basket or amount shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in exchange rates or in EBITDA or Consolidated Tangible Assets of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or amount with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Sales, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket

or amount shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or discharge of Indebtedness and the use of proceeds thereof) have been consummated.

ARTICLE II
THE CREDITS

Section 2.01. Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender holding an Initial Revolving Commitment agrees, severally and not jointly, to make Initial Revolving Loans to the Borrower in Dollars or in one or more Alternative Currencies, at any time and from time to time on and after the date hereof, and until the earlier of the Initial Revolving Maturity Date and the termination of the Initial Revolving Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in such Lender's Credit Exposure exceeding such Lender's Initial Revolving Commitment. Within the limits set forth in this Section 2.01 and subject to the terms, conditions and limitations set forth herein, the Borrower may borrow, pay or prepay and reborrow Loans.

Section 2.02. Loans.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans in Dollars or in one or more Alternative Currencies made by the Lenders ratably in accordance with their Commitments; provided, however, that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.02(f), the Loans comprising any Borrowing shall be made in an aggregate principal amount equal to (x) in the case of ABR Loans, $1,000,000 or a whole multiple of $500,000 in excess thereof (or, equal to the remaining available balance of the Commitments) and (y) (i) in the case of Eurodollar Loans in Dollars, $1,000,000 or a whole multiple of $500,000 in excess thereof (or equal to the remaining available balance of the Commitments), (ii) in the case of Eurodollar Loans in Euro, €1,000,000 or a whole multiple of €500,000 in excess thereof (or equal to the remaining available balance of the Commitments) or (iii) in the case of Eurodollar Loans in Sterling, £1,000,000 or a whole multiple of £500,000 in excess thereof (or equal to the remaining available balance of Commitments).

(b) Subject to Section 2.02(f), 2.08 and 2.15, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request pursuant to Section 2.03 and any ABR Loan may only be denominated in Dollars. Each Lender may at its option make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; provided, however, that the Borrower shall not be entitled to request any Borrowing that, if made, would result in more than ten Eurodollar Borrowings outstanding hereunder at any time (or such greater number of Eurodollar Borrowings permitted by the Administrative

Agent in its sole discretion). For purposes of the foregoing, Borrowings having different Interest Periods or currencies, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans made pursuant to Section 2.02(f), each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than, in the case of a Loan denominated in Dollars, 1:00 p.m., New York City time and, in the case of a Loan denominated in an Alternative Currency, 8.30 a.m., New York City time, and the Administrative Agent shall in each case promptly credit the amounts so received to an account designated by the Borrower in the applicable Borrowing Request or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower to but excluding the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, a rate per annum equal to the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(e) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request any Borrowing of Initial Revolving Loans if the Interest Period requested with respect thereto would end after the Initial Revolving Maturity Date.

(f) If the Issuing Bank shall not have received from the Borrower the payment required to be made by Section 2.23(e) within the time specified in such Section, the Issuing Bank will promptly notify the Administrative Agent of the L/C Disbursement and the Administrative Agent will promptly notify each Lender of such L/C Disbursement and its Revolving Commitment Percentage thereof (which, in the case of an L/C Disbursement made with respect to a Letter of Credit denominated in an Alternative Currency, shall be a Dollar amount calculated by reference to the Dollar Equivalent of the L/C Disbursement). Each Lender shall pay by wire transfer of immediately available funds to the Administrative Agent not later than 2:00 p.m., New York City time, on such date (or, if such Lender shall

have received such notice later than 12:00 (noon), New York City time, on any day, not later than 10:00 a.m., New York City time, on the immediately following Business Day), an amount in Dollars equal to such Lender's Revolving Commitment Percentage of such L/C Disbursement (it being understood that (i) if the conditions precedent to borrowing set forth in Sections 4.01(b) and (c) have been satisfied, such amount shall be deemed to constitute an ABR Loan of such Lender and, to the extent of such payment, the obligations of the Borrower in respect of such L/C Disbursement shall be discharged and replaced with the resulting ABR Borrowing, and (ii) if such conditions precedent to borrowing have not been satisfied, then any such amount paid by any Lender shall not constitute a Loan and shall not relieve the Borrower from its obligation to reimburse such L/C Disbursement), and the Administrative Agent will promptly pay to the Issuing Bank amounts so received by it from the Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from the Borrower pursuant to Section 2.23(e) prior to the time that any Lender makes any payment pursuant to this paragraph (f); any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Lenders that shall have made such payments and to the Issuing Bank, as their interests may appear. If any Lender shall not have made its Revolving Commitment Percentage of such L/C Disbursement available to the Administrative Agent as provided above, such Lender and the Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this paragraph to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of the Borrower, a rate per annum equal to the interest rate applicable to Loans pursuant to Section 2.06(a) and (ii) in the case of such Lender, for the first such day, the Federal Funds Effective Rate, and for each day thereafter, the Alternate Base Rate.

Section 2.03. Borrowing Procedure. In order to request a Borrowing (other than a deemed Borrowing pursuant to Section 2.02(f), as to which this Section 2.03 shall not apply), the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 12:00 (noon), New York City time, three Business Days before a proposed Borrowing or, in the case of any Eurodollar Borrowing to be made on the Restatement Date, not later than 12:00 (noon) New York City time, one Business Day prior to the Restatement Date, and (b) in the case of an ABR Borrowing, not later than 12:00 (noon), New York City time, on the requested date of Borrowing. Each such telephonic Borrowing Request shall be irrevocable (provided that, any telephonic notification or Borrowing Request in respect of a Borrowing to be made on the Restatement Date may be revoked and/or extended by not more than 5 Business Days pending satisfaction of the conditions set out in Article IV), and shall be confirmed promptly by hand delivery or fax to the Administrative Agent of a written Borrowing Request and shall specify the following information: (i) whether the Borrowing then being requested is to be a Eurodollar Borrowing or an ABR Borrowing; (ii) the date of such Borrowing (which shall be a Business Day); (iii) the number and location of the account to which funds are to be disbursed; (iv) the amount of such Borrowing; (v) if such Borrowing is to be a Eurodollar Borrowing, the Interest Period with respect thereto; and (vi) if such Borrowing is to be a Eurodollar Borrowing, the currency of such Borrowing; provided, however, that, notwithstanding any contrary specification in any Borrowing Request, each requested Borrowing shall comply with the requirements set forth in Section 2.02. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR

Borrowing. If no Interest Period with respect to any Eurodollar Borrowing is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency with respect to a Borrowing is specified, the currency shall be in Dollars. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each Lender's portion of the requested Borrowing.

Section 2.04. Evidence of Debt; Repayment of Loans.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Initial Revolving Loan of such Lender on the Initial Revolving Maturity Date.

(b) Each Lender shall maintain, in accordance with its usual practice, an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the currency and amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the currency and amount of each Loan made hereunder, the Type thereof and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower or any Guarantor and each Lender's share thereof and (iv), with respect to Loans in an Alternative Currency, the Dollar Equivalent of that Loan as calculated in respect of the most recently occurring Revaluation Date.

(d) The entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be (absent manifest error) prima facie evidence of the existence and amounts of the obligations therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans made by it hereunder be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender and its permitted registered assigns and in a form and substance reasonably acceptable to the Administrative Agent and the Borrower. Notwithstanding any other provision of this Agreement, in the event any Lender shall request and receive such a promissory note, the interests represented by such note shall at all times (including after any assignment of all or part of such interests pursuant to Section 10.04) be represented by one or more promissory notes payable to the payee named therein or its registered assigns.

Section 2.05. Fees.

(a) The Borrower agrees to pay to each Lender (which is not a Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and

December in each year and on each date on which any Commitment of such Lender shall expire or be terminated as provided herein, a facility fee (a "Facility Fee") for the period from and including the first day of the applicable Revolving Commitment Period to the applicable Maturity Date equal to 0.50% per annum on the daily Commitment of such Lender during the preceding quarter (or other period commencing with the first day of the applicable Revolving Commitment Period or ending with the applicable Maturity Date or the date on which the Commitments of such Lender shall expire or be terminated). All Facility Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(b) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative fees set forth in clause (x) of the second to last paragraph of Section 5 of the Engagement Letter at the times and in the amounts specified therein (the "Administrative Agent Fees").

(c) The Borrower agrees to pay (i) to each Lender (which is not a Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and December of each year and on the date on which the Commitment of such Lender shall be terminated as provided herein, a fee in Dollars (an "L/C Participation Fee") calculated on such Lender's Revolving Commitment Percentage of the Dollar Equivalent of the daily aggregate L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements) during the preceding quarter (or shorter period commencing with the first day of the applicable Revolving Commitment Period or ending with the applicable Maturity Date or the date on which all Letters of Credit have been canceled or have expired and the Commitments of all Lenders shall have been terminated) at a rate per annum equal to the Applicable Margin from time to time used to determine the interest rate on Borrowings comprised of Eurodollar Loans pursuant to Section 2.06, and (ii) to the Issuing Bank with respect to each Letter of Credit issued by the Issuing Bank the standard fronting, issuance and drawing fees in an amount equal to 0.125% per annum (the "Issuing Bank Fees"). All L/C Participation Fees and Issuing Bank Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(d) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that the Issuing Bank Fees shall be paid directly to the Issuing Bank. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.06. Interest on Loans.

(a) Subject to the provisions of Section 2.07, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when the Alternate Base Rate is determined by reference to the Prime Rate and over a year of 360 days at all other times and calculated from and including the date of such Borrowing to but excluding the date of repayment thereof) at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.07, the Loans comprising each Eurodollar Borrowing shall bear interest (computed, in the case of a Loan denominated in Dollars or Euro, on the basis of the actual number of days elapsed over a year of 360 days and, in the case of a Loan denominated in Sterling, on the basis of the actual number of days elapsed over a year of 365 days) at a rate per annum equal to the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Interest on each Loan shall be payable on the Interest Payment Dates applicable to such Loan except as otherwise provided in this Agreement. The applicable Alternate Base Rate or Adjusted LIBO Rate for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.07. Default Interest. All overdue amounts outstanding under this Agreement and the other Loan Documents shall bear interest (after as well as before judgment), payable on demand, (a) in the case of overdue principal, at the rate otherwise applicable to such Loan pursuant to Section 2.06 plus 2.00% per annum and (b) in the case of all other overdue amounts, at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to an ABR Loan plus 2.00% per annum.

Section 2.08. Alternate Rate of Interest. In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing the Administrative Agent shall have determined that deposits in the currency of such Eurodollar Borrowing in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, or that the rates at which such deposits are being offered will not adequately and fairly reflect the cost to the majority in interest of the Lenders of making or maintaining Eurodollar Loans during such Interest Period, or that reasonable means do not exist for ascertaining the Adjusted LIBO Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Eurodollar Borrowing pursuant to Section 2.03 or Section 2.10 (x) in Dollars, shall be deemed to be a request for an ABR Borrowing and (y) in an Alternative Currency, shall be deemed to be a request for a Borrowing at the average of the rates per annum at which overnight deposits in the applicable Alternative Currency are offered to major banks in the interbank market in London, England by the Administrative Agent at approximately 11:00 a.m., London time, on such day. Each determination by the Administrative Agent under this Section 2.08 shall be conclusive absent manifest error.

Section 2.09. Termination and Reduction of Commitments.

(a) The Initial Revolving Commitments shall automatically terminate on the Initial Revolving Maturity Date. The L/C Commitment shall automatically terminate on the earlier to occur of (i) the termination of the Commitments and (ii) the date that is 30 days prior to the Initial Revolving Maturity Date.

(b) Upon at least three Business Days' prior irrevocable written or fax notice to the Administrative Agent (provided that such notice may be conditioned on receiving the proceeds of any refinancing or on any other transaction), the Borrower may at any time in whole permanently terminate, or from time to time in part permanently reduce, the Initial Revolving Commitments, the Incremental Revolving Commitments of any Tranche, the Extended Revolving Commitments of any Tranche, and/or the Specified Refinancing Commitments of any Tranche; provided, however, that (i) each partial reduction of the Commitments shall be in an integral multiple of $1,000,000 and in a minimum amount of $5,000,000 and (ii) the Total Commitment shall not be reduced to an amount that is less than the Aggregate Credit Exposure (without taking into account Letters of Credit that have been cash collateralized or backstopped in a manner satisfactory to the Administrative Agent and the Issuing Bank in their sole discretion) at the time.

(c) Each reduction in the Commitments hereunder shall be made ratably among the Lenders in accordance with their respective applicable Commitments. The Borrower shall pay to the Administrative Agent for the account of the applicable Lenders, on the date of each termination or reduction of any Commitment, the Facility Fees on the amount of the Commitments so terminated or reduced accrued to but excluding the date of such termination or reduction.

Section 2.10. Conversion and Continuation of Borrowings. The Borrower shall have the right at any time upon prior irrevocable written notice to the Administrative Agent (a) not later than 12:00 (noon), New York City time, one Business Day prior to the date of conversion, to convert any Eurodollar Borrowing denominated in Dollars into an ABR Borrowing, (b) not later than 12:00 (noon), New York City time, three Business Days prior to the date of conversion or continuation, to convert any ABR Borrowing into a Eurodollar Borrowing or to continue any Eurodollar Borrowing as a Eurodollar Borrowing for an additional Interest Period, and (c) not later than 12:00 (noon), New York City time, three Business Days prior (in the case of a Eurodollar Borrowing denominated in Dollars) or four Business Days prior (in the case of a Eurodollar Borrowing denominated in an Alternative Currency) to the date of conversion, to convert the Interest Period with respect to any Eurodollar Borrowing to another permissible Interest Period, subject in each case to the following:

(a) each conversion or continuation shall be made pro rata among the Lenders in accordance with the respective principal amounts of the Loans comprising the converted or continued Borrowing;

(b) if less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall satisfy the limitations specified in Sections 2.02(a) and 2.02(b) regarding the principal amount and maximum number of Borrowings of the relevant Type;

(c) each conversion shall be effected by each Lender and the Administrative Agent by recording for the account of such Lender the new Loan of such Lender resulting from

such conversion and reducing the Loan (or portion thereof) of such Lender being converted by an equivalent principal amount; accrued interest on any Eurodollar Loan (or portion thereof) being converted shall be paid by the Borrower at the time of conversion;

(d) if any Eurodollar Borrowing is converted at a time other than the end of the Interest Period applicable thereto, the Borrower shall pay, upon demand, any amounts due to the Lenders pursuant to Section 2.16;

(e) any portion of a Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Eurodollar Borrowing;

(f) any portion of a Eurodollar Borrowing that cannot be converted into or continued as a Eurodollar Borrowing by reason of the immediately preceding clause shall be automatically converted at the end of the Interest Period in effect for such Borrowing into an ABR Borrowing; and

(g) upon notice to the Borrower from the Administrative Agent given at the request of the Required Lenders, after the occurrence and during the continuance of a Default or an Event of Default, no outstanding Loan may be converted into, or continued as, a Eurodollar Loan.

Each notice pursuant to this Section 2.10 shall be irrevocable and shall refer to this Agreement and specify (i) the identity and amount of the Borrowing that the Borrower requests be converted or continued, (ii) whether such Borrowing is to be converted to or continued as a Eurodollar Borrowing or an ABR Borrowing, (iii) if such notice requests a conversion, the date of such conversion (which shall be a Business Day), (iv) if such Borrowing is to be converted to or continued as a Eurodollar Borrowing, the Interest Period with respect thereto and (v) the currency of the Borrowing (which shall be the same as the currency of the Borrowing being converted or continued). If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Eurodollar Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the Lenders of any notice given pursuant to this Section 2.10 and of each Lender's portion of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof):

(i) in case of a Borrowing denominated in Dollars, automatically be converted into an ABR Borrowing; or

(ii) in the case of a Borrowing denominated in an Alternative Currency, be continued as a Eurodollar Loan in its original currency with an Interest Period of one month.

Section 2.11. [Reserved].

Section 2.12. Voluntary Prepayment.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, upon at least three Business Days' prior written or fax notice (or telephone notice promptly confirmed by written or fax notice) in the case of Eurodollar Loans, or written or fax notice (or telephone notice promptly confirmed by written or fax notice) at least one Business Day prior to the date of prepayment in the case of ABR Loans, to the Administrative Agent before 12:00 (noon), New York City time; provided, however, that (i) each partial prepayment of a Borrowing denominated in Dollars shall be in an amount that is an integral multiple of $500,000 and not less than £1,000,000, each partial prepayment of a Borrowing denominated in EUR shall be in an amount that is an integral multiple of €500,000 and not less than €1,000,000 and each partial payment of a Borrowing denominated in Sterling shall be in an amount that is an integral multiple of £500,000 and not less than £1,000,000 and (ii) at the Borrower's election, such prepayment shall not, so long as no Event of Default then exists, be applied to any Loan of a Defaulting Lender.

(b) Each notice of prepayment shall specify the prepayment date, the Tranche being prepaid (which at the discretion of the Borrower may be Initial Revolving Loans, Incremental Revolving Loans, Extended Revolving Loans or Specified Refinancing Loans and/or a combination thereof) and the principal amount of each Borrowing (or portion thereof) to be prepaid, shall be irrevocable (provided that such notice may be conditioned on receiving the proceeds of any refinancing or other transaction) and shall commit the Borrower to prepay such Borrowing by the amount stated therein on the date stated therein; provided, however, that, if such prepayment is for all of the then outstanding Loans, then the Borrower may revoke such notice and/or extend the prepayment date by not more than five Business Days; provided, further, however, that the provisions of Section 2.16 shall apply with respect to any such revocation or extension. All prepayments under this Section 2.12 shall be subject to Section 2.16 but shall otherwise be without premium or penalty. All prepayments under this Section 2.12 (other than prepayments of ABR Loans that are not made in connection with the termination or permanent reduction of the Commitments) shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

Section 2.13. Mandatory Prepayments. In the event of any termination of all the Commitments, the Borrower shall, on the date of such termination, repay or prepay all its outstanding Borrowings and replace or cause to be canceled (or cash collateralize, backstop or make any other arrangements satisfactory to the Administrative Agent and the Issuing Bank in their sole discretion with respect to) all outstanding Letters of Credit. If, after giving effect to any partial reduction of the Commitments or at any other time, the Aggregate Credit Exposure would exceed the Total Commitment, then the Borrower shall, on the date of such reduction or at such other time, repay or prepay Borrowings and, after the Borrowings shall have been repaid or prepaid in full, replace or cause to be canceled (or cash collateralize, backstop or make other arrangements satisfactory to the Administrative Agent and the Issuing Bank in their sole discretion with respect to) Letters of Credit in an amount sufficient to eliminate such excess.

Section 2.14. Reserve Requirements; Change in Circumstances.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Restatement Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the LIBO Rate hereunder (excluding any Tax of any kind whatsoever); or

(ii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever); and the result of any of the foregoing is to increase the cost to such Lender or Issuing Bank, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit (in each case hereunder) or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower from such Lender, through the Administrative Agent in accordance herewith, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Eurodollar Loans; provided that, in any such case, the Borrower may elect to convert the Eurodollar Loans made by such Lender hereunder to ABR Loans by giving the Administrative Agent at least one Business Day's notice of such election, in which case the Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Section 2.14(a) and such amounts, if any, as may be required pursuant to Section 2.05(b) and Section 2.16. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 2.14(a), it shall provide prompt notice thereof to the Borrower, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Section 2.14(a) submitted by such Lender or Issuing Bank, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.14(a), the Borrower shall not be required to compensate a Lender pursuant to this Section 2.14(a) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation

or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Restatement Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender or Issuing Bank to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Section 2.14(b) submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.14(b), the Borrower shall not be required to compensate a Lender pursuant to this Section 2.14(b) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor (except that, if the adoption of or change in any Requirement of Law or in the interpretation or application thereof giving rise to such increased costs or reductions is retroactive, then provided such Lender shall, within six months of such adoption, change, interpretation or application, have notified the Borrower of such Lender's intention to claim compensation therefor, the six-month period first referred to in this sentence shall be extended to include the period of retroactive effect thereof). This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case, shall be deemed to have been enacted, adopted, promulgated or issued, as applicable, subsequent to the Restatement Date for all purposes herein.

Section 2.15. Change in Legality. Notwithstanding any other provision of this Agreement, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the Restatement Date shall make it unlawful for any Lender to make or maintain any Eurodollar Loans as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan when an Affected Loan is requested and (c) such Lender's Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then-current Interest Periods with respect to such Affected Loans or within such earlier period as required by law. If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then-current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.16.

Section 2.16. Breakage. The Borrower shall indemnify each Lender against any loss or expense that such Lender may sustain or incur as a consequence of (a) any event, other than a default by such Lender in the performance of its obligations hereunder, which results in (i) such Lender receiving or being deemed to receive any amount on account of the principal of any Eurodollar Loan prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Eurodollar Loan to an ABR Loan, or the conversion of the Interest Period with respect to any Eurodollar Loan, in each case other than on the last day of the Interest Period in effect therefor, or (iii) any Eurodollar Loan to be made by such Lender (including any Eurodollar Loan to be made pursuant to a conversion or continuation under Section 2.10) not being made after notice of such Loan shall have been given by the Borrower hereunder (any of the events referred to in this clause (a) being called a "Breakage Event") or (b) any default in the making of any payment or prepayment required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Lender, of (i) its cost of obtaining funds for the Eurodollar Loan that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Loan over (ii) the amount of interest likely to be realized by such Lender (as reasonably determined by such Lender) in redeploying the funds released or not utilized by reason of such Breakage Event for such period. A reasonably detailed certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error.

Section 2.17. Pro Rata Treatment. Except as expressly otherwise provided herein, each borrowing of Loans by the Borrower from the Lenders hereunder shall be made, each payment (except as provided in Section 2.22(a)) by the Borrower on account of any commitment fee in respect of the Commitments hereunder and any reduction (except as provided in Section 2.15, 2.21(a), 2.22, 2.24, 2.25, 2.26, 10.08(f) or 10.08(i)) of the Commitments of the Lenders shall be allocated by the Administrative Agent, pro rata according to the respective Revolving Commitment Percentages of the Lenders (other than payments in respect of any difference in the

Facility Fee in respect of any Tranche); provided that, at the request of the Borrower, in lieu of such application on a pro rata basis among all Commitments, such reduction may be applied to any Commitments so long as the Maturity Date of such Commitments precedes the Maturity Date of each other Tranche of Commitments then outstanding or, in the event more than one Tranche of Commitments shall have an identical Maturity Date that precedes the Maturity Date of each other Tranche of Commitments then outstanding, to such Tranches on a pro rata basis. Each payment (including each prepayment, but excluding payments made pursuant to Sections 2.15, 2.20, 2.21(a), 2.22, 2.24, 2.25, 2.26, 10.05, 10.08(f) or 10.08(i)) by the Borrower on account of principal of and interest on any Tranche of Loans (other than payments in respect of any difference in the interest accruing in respect of any Tranche) shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Tranche then held by the respective Lenders (or as otherwise provided in the applicable Incremental Commitment Amendment, Extension Amendment or Specified Refinancing Amendment, if applicable). This Section 2.17 may be amended in accordance with Section 10.08(g) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.24, 2.25, 2.26, 10.08(e) and 10.08(i), as applicable.

Section 2.18. Sharing of Setoffs. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Borrower or any other Loan Party, or pursuant to a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Loan or Loans or L/C Disbursement (except pursuant to Sections 2.21(a), 2.22, 2.24, 2.25, 2.26, 10.08(f) or 10.08(i)) as a result of which the unpaid principal portion of its Loans and participations in L/C Disbursements shall be proportionately less than the unpaid principal portion of the Loans and participations in L/C Disbursements of any other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Loans and L/C Exposure of such other Lender, so that the aggregate unpaid principal amount of the Loans and L/C Exposure and participations in Loans and L/C Exposure held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Loans and L/C Exposure then outstanding as the principal amount of its Loans and L/C Exposure prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all Loans and L/C Exposure outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; provided, however, that (i) if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.18 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustments restored without interest, and (ii) the provisions of this Section 2.18 shall not be construed to apply to any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any of its Affiliates (as to which the provisions of this Section 2.18 shall apply). The Borrower expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in a Loan or L/C Disbursement deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to

any and all moneys owing by the Borrower to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the Borrower in the amount of such participation. This Section 2.18 may be amended in accordance with Section 10.08(g) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Sections 2.24, 2.25, 2.26, 10.08(e) and 10.08(i), as applicable.

Section 2.19. Payments.

(a) Except with respect to principal or interest payments on Loans denominated in an Alternative Currency, the Borrower shall make each payment (including principal of or interest on any Borrowing or any L/C Disbursement or any Fees or other amounts) hereunder and under any other Loan Document not later than 12:00 (noon), New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. All payments of principal or interest with respect to a Borrowing denominated in an Alternative Currency shall be made not later than the Applicable Time on the date when due in immediately available funds in the applicable Alternative Currency, without setoff, defense or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Each such payment (other than Issuing Bank Fees, which shall be paid directly to the Issuing Bank) shall be made to the Administrative Agent at its offices at Eleven Madison Avenue, New York, NY 10010. The Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

Section 2.20. Taxes.

(a) Except as provided below in this Section 2.20 or as required by law (which, for purposes of this Section 2.20, shall include FATCA), all payments made by the Borrower or the Agents under this Agreement and any promissory notes executed and delivered pursuant to Section 2.04(e) shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that, if any Non-Excluded Taxes are required to be withheld from any amounts payable by the Borrower to any Agent or any Lender hereunder or under any such notes, the amounts so payable by the Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall be entitled to deduct and withhold, and the Borrower shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by the Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c), (d) or (f) of this Section 2.20 or with the requirements of

Section 2.21, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or (z) with respect to any Non-Excluded Taxes imposed by the United States or any state or political subdivision thereof, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after the later of (i) the date that such Agent became an Agent hereunder or such Lender became a Lender hereunder (or, if such Agent or Lender is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes, after the relevant beneficiary or member of such Agent or Lender became such a beneficiary or member, if later) and (ii) the Restatement Date (any such change, at such time, a "Change in Law"). Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Section 2.20 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall:

(i) (A) on or before the date of any payment by the Borrower under this Agreement (or any promissory notes executed and delivered pursuant to Section 2.04(e)) to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent (1) two accurate and complete original signed Internal Revenue Service Forms W-8BEN-E (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any such notes without deduction or withholding of any United States federal income taxes, and (2) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any such notes;

(B) deliver to the Borrower and the Administrative Agent two further original signed forms or certifications provided in Section 2.20(b)(i)(A) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower;

(C) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent; and

(D) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any such notes, provided that, in determining the reasonableness of a request under this clause (D), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption,"

(A) represent to the Borrower and the Administrative Agent that it is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(B) deliver to the Borrower on or before the date of any payment by the Borrower with a copy to the Administrative Agent, (1) two certificates substantially in the form of Exhibit G hereto (any such certificate, a "U.S. Tax Compliance Certificate") and (2) two accurate and complete original signed Internal Revenue Service Forms W-8BEN-E, or successor applicable form, certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any such notes and (3) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any such notes (and shall also deliver to the Borrower and the Administrative Agent two further original signed forms or certificates on or before the date the previous forms or certificates expire or become obsolete and after the occurrence of any event requiring a change in the most recently provided forms or certificates and, if necessary, obtain any extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms or certificates); and

(C) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any such notes, provided that, in determining the reasonableness of a request under this clause (C), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(A) on or before the date of any payment by the Borrower under this Agreement or any such notes to, or for the account of, such Agent or Lender, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-8IMY and, if any beneficiary or member of such Lender is claiming the so-called "portfolio interest exemption," (1) represent to the Borrower and the Administrative Agent that such Lender is not (x) a bank within the meaning of Section 881(c)(3)(A) of the Code, (y) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (z) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (2) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates certifying to such Lender's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 881(c) of the Code with respect to payments to be made under this Agreement and any such notes; and

(aa) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called "portfolio interest exemption," also deliver to the Borrower and the Administrative Agent (xx) two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN-E (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Form W-8ECI or Form W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any such notes without deduction or withholding of any United States federal income taxes and (yy) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any such notes; and

(bb) with respect to each beneficiary or member of such Lender that is claiming the so-called "portfolio interest exemption", (xx) represent to the Borrower and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (yy) also deliver to the Borrower and the Administrative Agent two U.S. Tax Compliance Certificates with respect to each beneficiary or member (which may be provided by such Lender on behalf of such beneficiary or member) and two copies of such beneficiary's or member's accurate and complete original signed Internal Revenue Service Form W-8BEN-E, or successor applicable form, certifying to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the

Code with respect to payments to be made under this Agreement and any such notes, and (zz) also deliver to the Borrower and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any such notes;

(B) deliver to the Borrower and the Administrative Agent two further signed copies or originals (as applicable) of any forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification and obtain such extensions of time reasonably requested by the Borrower or the Administrative Agent for filing and completing such forms, certificates or certifications; and

(C) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower, to the Borrower and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any such notes, provided that, in determining the reasonableness of a request under this clause (C), such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrower) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request; unless, in any such case, there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by the Borrower under this Agreement or any promissory notes executed and delivered pursuant to Section 2.04(e) to such Lender or Agent, deliver to the Borrower and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by the Borrower under this Agreement or any promissory notes executed and delivered pursuant to Section 2.04(e) to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower (A) two accurate and complete original signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete original signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative

Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by the Borrower under this Agreement or any such notes (whether for its own account or for the account of others) without deduction or withholding of any United States federal income taxes;

(ii) deliver to the Borrower two further original signed forms or certifications provided in Section 2.20(d)(i) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Lender shall deliver to the Administrative Agent and the Borrower, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Administrative Agent or the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For the avoidance of doubt, the Borrower and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

(f) Upon the request, and at the expense of the Borrower, each Lender and Agent to which the Borrower is required to pay any additional amount pursuant to this Section 2.20, and any participant of a Lender in respect of whose participation such payment is required, shall reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower the opportunity to so contest unless the Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrower shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that, notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower

the opportunity to contest, or cooperate with the Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(g) If a Lender changes its applicable lending office (other than (i) pursuant to Section 2.21(b) or (ii) after an Event of Default under Section 8.01(a) or Section 8.01(f) has occurred and is continuing) and the effect of such change, as of the date of such change, would be to cause the Borrower to become obligated to pay any additional amount under Section 2.14 or this Section 2.20, the Borrower shall not be obligated to pay such additional amount.

(h) If any Agent or any Lender receives a refund directly attributable to Taxes for which the Borrower has made additional payments pursuant to this Section 2.20, such Agent or such Lender, as the case may be, shall promptly pay such refund (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to the Borrower; provided, however, that the Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority.

(i) The Borrower agrees to pay, indemnify or reimburse each Lender, each Syndication Agent, each Joint Lead Arranger and the Agents for, and hold each Lender, each Syndication Agent, each Joint Lead Arranger and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, any stamp, documentary, excise and other similar taxes, if any, that may be payable or determined to be payable in connection with the execution, delivery or enforcement of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents.

(j) To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax, and in no event shall such Agent be required to be responsible for or pay any additional amount with respect to any such withholding. If the IRS or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify such Agent of a change in circumstances which rendered the exemption from or reduction of withholding tax ineffective or for any other reason, without limiting the provisions of Section 2.20(a), such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred and shall make payable in respect thereof within 30 days after demand therefor. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the

Administrative Agent under this Section 2.20(j). The agreements in this Section 2.20(j) shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Revolving Facility Obligations.

(k) For the avoidance of doubt, for purposes of this Section 2.20, the term "Lender" includes any Issuing Bank.

Section 2.21. Assignment of Commitments Under Certain Circumstances; Duty to Mitigate.

(a) In the event (i) any Lender (or any participant of such Lender) or the Issuing Bank delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any Lender or the Issuing Bank delivers a notice described in Section 2.15 or (iii) the Borrower is required to pay any additional amount to any Lender or the Issuing Bank or any Governmental Authority on account of any Lender (or any participant of such Lender) or the Issuing Bank pursuant to Section 2.20 then, in each case, the Borrower shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent, to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower to purchase the affected Loan or Commitment or Letter of Credit participation, as the case may be, in whole or in part, at, in the case of Loans and Commitments, an aggregate price no less than such Loan's or Commitment's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Section 8.01(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent, to prepay the affected Loan, in whole or in part, subject to Section 10.05, without premium or penalty and terminate the Commitments of such Lender. In the case of the substitution of a Lender, the Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver a duly completed Assignment and Acceptance pursuant to Section 10.04(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Section 10.04(b) in connection with such assignment shall be paid by the Borrower or the substitute Lender. In the case of a prepayment of an affected Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Loan, the Borrower shall first pay the affected Lender any additional amounts owing under Sections 2.14 and 2.20 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Section 2.21) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Section 2.21(a), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to such replaced Lender relating to the Loans and L/C Participations so assigned shall be paid in full by the assignee Lender and/or the Borrower to such Lender being replaced, then the Lender being replaced shall be deemed to

have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(b) If (i) any Lender or the Issuing Bank shall request compensation under Section 2.14, (ii) any Lender or the Issuing Bank delivers a notice described in Section 2.15 or (iii) the Borrower is required to pay any additional amount or indemnity to any Lender or the Issuing Bank or any Governmental Authority on account of any Lender or the Issuing Bank, pursuant to Section 2.20, then such Lender or the Issuing Bank shall use reasonable efforts (which shall not require such Lender or the Issuing Bank to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant), (x) to file any certificate or document reasonably requested in writing by the Borrower or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.14 or enable it to withdraw its notice pursuant to Section 2.15 or would reduce amounts payable pursuant to Section 2.20, as the case may be, in the future. Upon request from the applicable Lender(s) or the Issuing Bank, the Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender or the Issuing Bank in connection with any such filing or assignment and transfer.

Section 2.22. Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) no commitment fee shall accrue for the account of a Defaulting Lender so long as such Lender shall be a Defaulting Lender;

(b) in determining the Required Lenders, any Lender that at the time is a Defaulting Lender (and the Loans and/or Commitment of such Defaulting Lender) shall be excluded and disregarded;

(c) the Borrower shall have the right, at its sole expense and effort (i) to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower to each become a substitute Lender and assume all or part of the Commitment of any Defaulting Lender and the Borrower, the Administrative Agent and any such substitute Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, a duly completed Assignment and Acceptance to effect such substitution or (ii) upon notice to the Administrative Agent, to prepay the Loans and, at the Borrower's option, terminate the Commitments of such Defaulting Lender, in whole or in part, without premium or penalty;

(d) if any L/C Exposure exists at the time a Lender becomes a Defaulting Lender then:

(i) all or any part of such L/C Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages but only to the extent the sum of all Non-Defaulting Lenders' L/C Exposure does not exceed the total of all Non-Defaulting Lenders' Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, within one Business Day following notice by the Administrative Agent, cash collateralize such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) on terms reasonably satisfactory to the Issuing Bank for so long as such L/C Exposure is outstanding; or

(iii) if any portion of such Defaulting Lender's L/C Exposure is cash collateralized pursuant to clause (ii) above, the Borrower shall not be required to pay the Issuing Bank Fee pursuant to Section 2.05(c) with respect to such portion of such Defaulting Lender's L/C Exposure so long as it is cash collateralized;

(e) if any portion of such Defaulting Lender's L/C Exposure is reallocated to the Non-Defaulting Lenders pursuant to clause (d)(i) above, then the letter of credit commission with respect to such portion shall be allocated among the Non-Defaulting Lenders in accordance with their Revolving Commitment Percentages. The Issuing Bank shall not be required to issue, amend, extend or increase any Letter of Credit, unless they are respectively satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateralized on terms reasonably satisfactory to the Issuing Bank, and participations in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages (and Defaulting Lenders shall not participate therein);

(f) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.18) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable Requirement of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuing Bank hereunder, (iii) third, to the funding of any Loan or the funding or cash collateralization of any Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iv) fourth, if so determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (v) fifth, pro rata, to the payment of any amounts owing to the Borrower or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by the Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (vi) sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that, if such payment is (x) a prepayment of the

principal amount of any Loans or amount of reimbursement in respect of letter of credit disbursements in respect of which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 4.01 are satisfied, such payment shall be applied solely to prepay the Loans of, and amounts of reimbursement of an L/C Disbursement owed to, all Non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or amounts of reimbursement of an L/C Disbursement owed to, any Defaulting Lender; and

(g) In the event that the Administrative Agent, the Borrower, each applicable Issuing Bank, as the case may be, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and, on such date, such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Commitment Percentage. The rights and remedies against a Defaulting Lender under this Section 2.22 are in addition to other rights and remedies that the Borrower, the Administrative Agent, the Issuing Bank and the Non-Defaulting Lenders may have against such Defaulting Lender. The arrangements permitted or required by this Section 2.22 shall be permitted under this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

Section 2.23. Letters of Credit.

(a) General. The Borrower may request the issuance of a Letter of Credit in Dollars or an Alternative Currency for its own account or for the account of any of its Subsidiaries that are Restricted Subsidiaries (in which case, the Borrower and such Restricted Subsidiary shall be co-applicants with respect to such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time while the L/C Commitment remains in effect as set forth in Section 2.09(a). This Section shall not be construed to impose an obligation upon the Issuing Bank to issue any Letter of Credit that is inconsistent with the terms and conditions of this Agreement. Notwithstanding anything to the contrary contained in this Section 2.23 or elsewhere in this Agreement, in the event that a Lender is a Defaulting Lender (i) the Revolving Commitment Percentage of such Defaulting Lender with respect to any L/C Exposure will automatically be reallocated (effective on the date such Lender becomes a Defaulting Lender) among the Lenders that are not Defaulting Lenders pro rata in accordance with their respective Commitments; provided, that (x) with respect to each non-Defaulting Lender, its Credit Exposure may not in any event exceed its Commitment as in effect at the time of such reallocation and (y) subject to Section 10.19, neither such reallocation nor any payment by a non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim the Borrower, the Administrative Agent, the Issuing Bank or any other Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a non-Defaulting Lender and (ii) to the extent that any portion (the "unreallocated portion") of the Revolving Commitment Percentage of such Defaulting Lender with respect to any L/C Exposure cannot be so reallocated, the Borrower will promptly, and in no event later than one Business Day after any demand by the Administrative Agent (at the direction of the Issuing Bank), (x) cash collateralize its obligations to the Issuing Bank in respect of such L/C

Exposure, in an amount at least equal to the aggregate amount of the unreallocated portion of such L/C Exposure, or (y) make other arrangements reasonably satisfactory to the Administrative Agent and to the Issuing Bank to protect them against the risk of non-payment by such Defaulting Lender. Notwithstanding the foregoing, the Issuing Bank shall have no obligation to issue new Letters of Credit, or to extend, renew or amend existing Letters of Credit until such unreallocated portion of L/C Exposure is cash collateralized in accordance with clause (x) above or such other arrangements are made in accordance with clause (y) above.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. In order to request the issuance of a Letter of Credit (or to amend, renew or extend an existing Letter of Credit), the Borrower shall hand deliver or fax to the Issuing Bank and the Administrative Agent (at least five Business Days prior to the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, the date of issuance, amendment, renewal or extension, the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) below), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare such Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if, and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that, after giving effect to such issuance, amendment, renewal or extension (i) with regard to any Issuing Bank individually, the L/C Exposure with respect to Letters of Credit issued by such Issuing Bank shall not exceed its respective L/C Fronting Sublimit, (ii) the L/C Exposure with regard to all Letters of Credit shall not exceed $50,000,000 and (iii) the Aggregate Credit Exposure shall not exceed the Total Commitment.

(c) Expiration Date. Each Letter of Credit shall expire at the close of business on the earlier of the date one year after the date of the issuance of such Letter of Credit and the date that is five Business Days prior to the Initial Revolving Maturity Date, except to the extent cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Issuing Bank at the time of issuance or renewal thereof, unless such Letter of Credit expires by its terms on an earlier date; provided, however, that a Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of 12 months or less (but not beyond the date that is five Business Days prior to the Initial Revolving Maturity Date, except to the extent cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Issuing Bank at the time of issuance or renewal thereof, unless the Issuing Bank notifies the beneficiary thereof at least 30 days (or such longer period as may be specified in such Letter of Credit) prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(d) Participations. By the issuance of a Letter of Credit and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each such Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Revolving Commitment Percentage of the aggregate amount available to be drawn under such Letter of Credit, effective upon the

issuance of such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Revolving Commitment Percentage of each L/C Disbursement made by the Issuing Bank and not reimbursed by the Borrower (or, if applicable, another party pursuant to its obligations under any other Loan Document) forthwith on the date due as provided in Section 2.02(f). Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or an Event of Default or because of the currency of the Letter of Credit, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, the Borrower shall pay to the Administrative Agent an amount equal to such L/C Disbursement on the same Business Day that it has received notice from the Issuing Bank that payment of such draft will be made, or, if the Borrower shall have received such notice later than 10:00 a.m., New York City time, on any Business Day, not later than 12:00 (noon) New York City time, on the immediately following Business Day. The amount to be paid in respect of an L/C Disbursement in an Alternative Currency shall be paid in the Alternative Currency in which the L/C Disbursement was made unless (A) the Issuing Bank shall have specified in applicable notice requesting payment that it will require payment in Dollars or (B) in the absence of any such request from the Issuing Bank, the Borrower shall have notified the Issuing Bank promptly upon receipt of such notice that the Borrower will make the payment required with respect to the L/C Disbursement in Dollars. In the case of any payment in Dollars with respect to an L/C Disbursement denominated in an Alternative Currency, the Issuing Bank shall notify the Borrower of the Dollar Equivalent of the applicable payment promptly following determination thereof.

(f) Obligations Absolute. The Borrower's obligations to reimburse L/C Disbursements as provided in paragraph (e) above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under any and all circumstances whatsoever, and irrespective of:

(i) any lack of validity or enforceability of any Letter of Credit or any Loan Document, or any term or provision therein;

(ii) any amendment or waiver of or any consent to departure from all or any of the provisions of any Letter of Credit or any Loan Document;

(iii) the existence of any claim, setoff, defense or other right that the Borrower, any other party guaranteeing, or otherwise obligated with, the Borrower, any Subsidiary or other Affiliate thereof or any other Person may at any time have against the beneficiary under any Letter of Credit, the Issuing Bank, the Administrative Agent or any Lender or any other Person, whether in connection with this Agreement, any other Loan Document or any other related or unrelated agreement or transaction;

(iv) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(v) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit;

(vi) any other act or omission to act or delay of any kind of the Issuing Bank, the Lenders, the Administrative Agent or any other Person or any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of the Borrower's obligations hereunder; and

(vii) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Borrower or in the relevant currency markets generally.

Without limiting the generality of the foregoing, it is expressly understood and agreed that the absolute and unconditional obligation of the Borrower hereunder to reimburse L/C Disbursements will not be excused by the gross negligence or willful misconduct of the Issuing Bank. However, the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Bank's bad faith, gross negligence or willful misconduct in determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. It is further understood and agreed that the Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and, in making any payment under any Letter of Credit (i) the Issuing Bank's exclusive reliance on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary thereunder equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever and (ii) any noncompliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, be deemed not to constitute gross negligence or willful misconduct of the Issuing Bank.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall as promptly as possible give telephonic notification, confirmed by fax, to the Administrative Agent and the Borrower of such demand for payment and whether the Issuing Bank has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Lenders with respect to any such L/C Disbursement.

(h) Interim Interest. If the Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, then, unless the Borrower shall reimburse such L/C Disbursement in full on such date, the unpaid amount thereof shall bear interest for the account of the Issuing Bank, for each day from and including the date of such L/C Disbursement, to but excluding the earlier of the date of payment by the Borrower or the date on which interest shall commence to accrue thereon as provided in Section 2.02(f), at the rate per annum that would apply to such amount if such amount were an ABR Loan.

(i) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign at any time by giving 30 days' prior written notice to the Administrative Agent, the Lenders and the Borrower, and may be removed at any time by the Borrower by notice to the Issuing Bank, the Administrative Agent and the Lenders. Upon the acceptance of any appointment as the Issuing Bank hereunder by a Lender that shall agree to serve as the successor Issuing Bank, such successor shall succeed to and become vested with all the interests, rights and obligations of the retiring Issuing Bank. At the time such removal or resignation shall become effective, the Borrower shall pay all accrued and unpaid fees pursuant to Section 2.05(c)(ii). The acceptance of any appointment as the Issuing Bank hereunder by a successor Lender shall be evidenced by an agreement entered into by such successor, in a form satisfactory to the Borrower and the Administrative Agent, and, from and after the effective date of such agreement, (i) such successor Lender shall have all the rights and obligations of the previous Issuing Bank under this Agreement and the other Loan Documents and (ii) references herein and in the other Loan Documents to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation or removal of the Issuing Bank hereunder, the retiring Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of the Issuing Bank under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation or removal, but shall not be required to issue additional Letters of Credit. In the event that (x) any Issuing Bank ceases to be a Lender or (y) the Administrative Agent resigns pursuant to Article IX, any outstanding Letter of Credit issued by such Issuing Bank (or the Administrative Agent in its capacity as Issuing Bank) shall be cash collateralized or backstopped pursuant to arrangements satisfactory to the Issuing Bank in its sole discretion.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, the Borrower shall, on the Business Day it receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders holding participations in outstanding Letters of Credit representing greater than 50% of the aggregate undrawn amount of all outstanding Letters of Credit) thereof and of the amount to be deposited, deposit in an account with the Administrative Agent, for the benefit of the Lenders, an amount in cash equal to the L/C Exposure as of such date in the currency of the L/C Exposure or, if denominated in an Alternative Currency, at the option of the Issuing Bank or the Borrower, in Dollars in an amount equal to the Dollar Equivalent of such amount to be deposited, provided that the obligation to deposit such cash will become

effective immediately, and such deposit will become immediately payable in immediately available funds, without demand or notice of any kind, upon the occurrence of an Event of Default described in Section 8.01(f) or Section 8.01(g). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits in Cash Equivalents, which investments shall be made at the option and sole discretion of the Administrative Agent, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall (i) automatically be applied by the Administrative Agent to reimburse the Issuing Bank for L/C Disbursements for which it has not been reimbursed, (ii) be held for the satisfaction of the reimbursement obligations of the Borrower for the L/C Exposure at such time and (iii) if the maturity of the Loans has been accelerated (but subject to the consent of Lenders holding participations in outstanding Letters of Credit representing greater than 50% of the aggregate undrawn amount of all outstanding Letters of Credit), be applied to satisfy the Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(k) Additional Issuing Banks. The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement, subject to reporting requirements reasonably satisfactory to the Administrative Agent with respect to issuances, amendments, extensions and terminations of Letters of Credit by such additional issuing bank. Any Lender designated as an issuing bank pursuant to this paragraph (k) shall be deemed to be an "Issuing Bank" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Bank and such Lender.

(l) Existing Letters of Credit. Schedule 2.23 contains a schedule of certain letters of credit issued prior to the Restatement Date by the Issuing Bank listed on such Schedule for the account of the Borrower. On the Restatement Date (i) such letters of credit, to the extent then outstanding, shall be deemed to be Letters of Credit issued pursuant to this Section 2.23 for the account of the Borrower, (ii) the face amount of such letters of credit shall be included in the calculation of L/C Exposure and (iii) all liabilities of the Borrower with respect to such letters of credit shall constitute Obligations.

Section 2.24. Incremental Facility.

(a) So long as no Event of Default under Section 8.01(a) or 8.01(f) exists or would arise therefrom, the Borrower shall have the right, at any time and from time to time after the Restatement Date, (i) to request new commitments under one or more new revolving facilities to be included in this Agreement (the "Incremental Revolving Commitments"), (ii) to increase the Existing Tranche of Commitments by requesting new Commitments be added to an Existing Tranche of Commitments (the "Supplemental Revolving

Commitments"), and (iii) to request new synthetic or other letter of credit facility commitments under one or more new synthetic or other letter of credit facilities to be included in this Agreement (together with the Incremental Revolving Commitments and the Supplemental Revolving Commitments, the "Incremental Commitments"), provided that, the aggregate amount of Incremental Commitments permitted pursuant to this Section 2.24 shall not exceed, at the time the respective Incremental Commitment becomes effective (and after giving effect to the incurrence of Indebtedness in connection therewith and the application of proceeds of any such Indebtedness to refinance such other Indebtedness), an amount that could then be incurred under this Agreement in compliance with Section 7.01(b)(i). Any loans made in respect of any such Incremental Commitment (other than Supplemental Revolving Commitments) shall be made by creating a new Tranche.

(b) Each request from the Borrower pursuant to this Section 2.24 shall set forth the requested amount and proposed terms of the relevant Incremental Commitments. The Incremental Commitments (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Lender") subject, in the case of any Incremental Revolving Commitments and Supplemental Revolving Commitments (if such Additional Lender is not already a Lender hereunder or any affiliate of a Lender hereunder) to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed).

(c) Supplemental Revolving Commitments shall become commitments under this Agreement pursuant to a supplement specifying the Tranche of Commitments to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as Exhibit H-1 (the "Increase Supplement") or by each Additional Lender substantially in the form attached hereto as Exhibit H-2 (the "Lender Joinder Agreement"), as the case may be, which shall be delivered to the Administrative Agent for recording in the Register. An Increase Supplement or Lender Joinder Agreement may, without the consent of any other Lender, effect such amendments to the Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.24. Upon effectiveness of the Lender Joinder Agreement, each Additional Lender shall be a Lender for all intents and purposes of this Agreement and the commitments made pursuant to such Supplemental Revolving Commitment shall be Commitments. Upon the effectiveness of the Increase Supplement or the Lender Joinder Agreement, as the case may be, in each case with respect to any Supplemental Revolving Commitments, outstanding Loans and/or participations in outstanding L/C Exposure of the applicable Existing Tranche, as the case may be, shall be reallocated (and the increasing Lender or joining Additional Lender, as applicable, shall make appropriate payments representing principal, with the Borrower making any necessary payments of accrued interest) so that after giving effect thereto the increasing Lender or the joining Additional Lender, as the case may be, and the other Lenders of the applicable Existing Tranche share ratably in the total Aggregate Credit Exposure in accordance with the applicable Commitments (and notwithstanding Section 10.05, no Borrower shall be liable for any amounts under Section 10.05 as a result of such reallocation).

(d) Incremental Commitments (other than Supplemental Revolving Commitments) shall become commitments under this Agreement pursuant to an amendment (an "Incremental Commitment Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Additional Lender. An Incremental Commitment Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.24, provided, however, that (i) (A) the Incremental Commitments will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured (any incremental loans drawn thereunder, the "Incremental Loans") on a *pari passu* or (at the Borrower's option) junior basis by the same collateral securing the Loans, (B) the Incremental Commitments and any Incremental Loans shall rank *pari passu* in right of payment with or (at the Borrower's option) junior to the Loans and (C) no Incremental Commitment Amendment may provide for (I) any Incremental Commitment or any Incremental Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Loans and (II) so long as any Loans (other than Incremental Loans) are outstanding, any mandatory prepayment provisions that do not also apply to the Loans on a pro rata basis following the occurrence of an acceleration of the Loans; (ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) the maturity date of such Incremental Commitments shall be no earlier than the Initial Revolving Maturity Date (other than an earlier maturity date for customary bridge financings, which, subject to customary conditions (as determined by the Borrower in good faith), would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date than the Initial Revolving Maturity Date); (iv) the interest rate margins applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower and the applicable Additional Lenders; (v) such Incremental Commitment Amendment may provide for the inclusion, as appropriate, of Additional Lenders in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder and may provide class protection for any additional credit facilities; and (vi) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower.

Section 2.25. Extension Amendments.

(a) The Borrower may at any time and from time to time request that all or a portion, including one or more Tranches, of any commitments or the Loans (including any Extended Loans under an Existing Tranche) be converted to extend the termination date thereof and scheduled maturity date(s) of any payment of principal or scheduled termination date(s) of any commitments, as applicable, with respect to all or a portion of any principal or committed amount of any Existing Tranche (any such Existing Tranche which has been so extended, "Extended Tranche," the Loans of such Tranche, the "Extended Loans" and the Loans of such Tranche, the "Extended Revolving Loans" and the commitments of such Tranche, the "Extended Revolving Commitments") and to provide for other terms consistent with this Section 2.25; provided that any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. In order to establish any

Extended Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Tranche to be established, which terms shall be identical to those applicable to the Existing Tranche from which they are to be extended (the "Specified Existing Tranche") except (x) all or any of the final maturity dates of such Extended Tranches shall be delayed to later dates than the final maturity dates of the Specified Existing Tranche, (y) (A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and (z) the commitment fee, if any, with respect to the Extended Tranche may be higher or lower than the commitment fee, if any, for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment; provided that, notwithstanding anything to the contrary in this Section 2.25 or otherwise, assignments and participations of Extended Revolving Commitments shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions applicable to Initial Revolving Commitments set forth in Section 10.04. No Lender shall have any obligation to agree to have any of its Existing Loans or, if applicable, commitments of any Existing Tranche converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Loans (and, if applicable, commitments) from the Specified Existing Tranches and from any other Existing Tranches (together with any other Extended Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least ten (10) Business Days (or such shorter period as the Administrative Agent may agree in its reasonable discretion) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. The Borrower may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Administrative Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Tranche are requested to respond to the Extension Request. Any Lender may revoke an Extension Election at any time prior to 5:00 p.m. on the date that is two Business Days prior to the Extension Request Deadline, at which point the Extension Election becomes irrevocable (unless otherwise agreed by the Borrower). The revocation of an Extension Election prior to the Extension Request Deadline shall not prejudice any Lender's right to submit a new Extension Election prior to the Extension Request Deadline.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to provisions related to maturity, interest margins or fees referenced in Section 2.25(a) clauses (x) to (z) and which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.25(c) and notwithstanding anything to the contrary set forth in Section 10.08, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. Notwithstanding anything to the contrary in this Agreement and without limiting the generality or applicability of Section 10.08 to any Section 2.25 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.25 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.25 Additional Amendments do not become effective prior to the time that such Section 2.25 Additional Amendments have been consented to (including pursuant to consents applicable to holders of any Extended Tranches provided for in any Extension Amendment) by such of the Lenders, the Borrower and other parties (if any) as may be required in order for such Section 2.25 Additional Amendments to become effective in accordance with Section 10.08; provided, further, that no Extension Amendment may provide for (a) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Tranches and (b) so long as any Existing Tranches are outstanding, any mandatory prepayment provisions that do not also apply to the Existing Tranches on a pro rata basis after the occurrence of an acceleration of the Loans. It is understood and agreed that each Lender has consented for all purposes requiring its consent, and shall at the effective time thereof be deemed to consent to each amendment to this Agreement and the other Loan Documents authorized by this Section 2.25 and the arrangements described above in connection therewith except that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.25 Additional Amendment. In connection with any Extension Amendment, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent as to the enforceability of such Extension Amendment, this Agreement as amended thereby, and such of the other Loan Documents (if any) as may be amended thereby.

(d) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Tranche is converted to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (together with any other Extended Tranches so established on such date) and (B) if, on any Extension Date, any Loans of any Extending Lender are outstanding under the applicable Specified Existing Tranches, such Loans (and any related participations) shall be deemed to be allocated as Extended Loans (and related participations) and Existing Loans (and related participations) in the same proportion as such Extending Lender's applicable Specified Existing Tranches to the applicable Extended Tranches so converted by such Lender on such date.

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, (A) replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.04 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Loans and/or a commitment on the terms set forth in such Extension Amendment; and provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender (or, at the Borrower's option, the Borrower) to such Non-Extending Lender concurrently with such Assignment and Acceptance or (B) prepay the Loans and, at the Borrower's option, if applicable, terminate the commitments of such Non-Extending Lender, in whole or in part, subject to Section 10.05, without premium or penalty. In connection with any such replacement under this Section 2.25, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender (or, at the Borrower's option, the Borrower) to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Loans or commitments, as applicable, deemed to be an Extended Loan or commitment, as applicable, under the applicable Extended Tranche on any date (each date, a "Designation Date") prior to the maturity date of such Extended Tranche; provided that such Lender shall have provided written notice to the Borrower and the Administrative Agent at least 10 Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion). Following a Designation Date, the Existing Loans or commitments, as applicable, held by such Lender so elected to be extended will be deemed to be Extended Loans or commitments, as applicable, of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Loans" of the applicable Tranche.

(g) With respect to all Extension Requests consummated by the Borrower pursuant to this Section 2.25, (i) such extensions shall not constitute optional or mandatory payments or prepayments for purposes of Sections 2.12 and 2.13 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided that the

Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and may be waived by the Borrower) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.25 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 2.12, 2.13 and 2.17) or any other Loan Document that may otherwise prohibit any such extension or any other transaction contemplated by this Section 2.25.

Section 2.26. Specified Refinancing Facilities.

(a) The Borrower may, from time to time, add one or more new revolving credit facilities (the "Specified Refinancing Facilities") to the Facilities to refinance all or any portion of any Tranche of Loans (or unused Commitments) under this Agreement; provided that (i) the Specified Refinancing Facilities will not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors, and will be secured on a *pari passu* or (at the Borrower's option) junior basis by the same Collateral securing the Loans, (ii) the Specified Refinancing Facilities and revolving loans drawn thereunder (the "Specified Refinancing Loans") shall rank *pari passu* in right of payment with or (at the Borrower's option) junior to the Loans, (iii) no Specified Refinancing Amendment may provide for any Specified Refinancing Facility or any Specified Refinancing Loans to be secured by any Collateral or other assets of any Loan Party that do not also secure the Loans, (iv) the Specified Refinancing Facilities will have such pricing, amortization and optional and mandatory prepayment terms as may be agreed by the Borrower and the applicable Lenders thereof, (v) the maturity date of any Specified Refinancing Facility shall be no earlier than, and no scheduled mandatory commitment reduction in respect thereof shall be required prior to, the Maturity Date of the Tranche being refinanced (other than an earlier Maturity Date for customary bridge financings, which, subject to customary conditions (as determined by the Borrower in good faith), would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date than the maturity date of the Tranche being refinanced), and (vi) the net proceeds of such Specified Refinancing Facility shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (and a corresponding amount of Commitments shall be permanently reduced) pursuant to Section 2.12.

(b) Each request from the Borrower pursuant to this Section 2.26 shall set forth the requested amount and proposed terms of the relevant Specified Refinancing Facility. The Specified Refinancing Facilities (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an "Additional Specified Refinancing Lender," and the Additional Specified Refinancing Lenders together with any existing Lender providing Specified Refinancing Facilities, the "Specified Refinancing Lenders"); provided that if such Additional Specified Refinancing Lender is not already a Lender hereunder or an Affiliate of a Lender hereunder, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required.

(c) Specified Refinancing Facilities shall become facilities under this Agreement pursuant to a Specified Refinancing Amendment to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each applicable Specified Refinancing Lender. Any Specified Refinancing Amendment may, without the consent of any other Lender, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.26, in each case on terms consistent with this Section 2.26.

(d) Any loans made in respect of any such Specified Refinancing Facility shall be made by creating a new Tranche. Any Specified Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower or any Restricted Subsidiary, pursuant to any Specified Refinancing Facility established thereby; provided that no Issuing Bank shall be obligated to provide any such Letters of Credit unless it has consented (in its sole discretion) to the applicable Specified Refinancing Amendment.

(e) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Specified Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Specified Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary or appropriate to reflect the existence and terms of the Specified Refinancing Facilities incurred pursuant thereto (including the addition of such Specified Refinancing Facilities as separate "Facilities" and "Tranches" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Specified Refinancing Amendment may, without the consent of any Person other than the Borrower, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) and the Lenders providing such Specified Refinancing Facilities, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.26. In addition, if so provided in the relevant Specified Refinancing Amendment and with the consent of each Issuing Bank (not to be unreasonably withheld, delayed or conditioned), participations in Letters of Credit expiring on or after the scheduled Maturity Date in respect of the respective Tranche of Loans or commitments shall be reallocated from Lenders holding such Commitments to Lenders holding commitments under Specified Refinancing Facilities in accordance with the terms of such Specified Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding commitments under such Specified Refinancing Facilities, be deemed to be participation interests in respect of such commitments under such Specified Refinancing Facilities and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly.

ARTICLE III
[RESERVED]

(g) The Administrative Agent shall have received the results of a search of the Uniform Commercial Code filings (or equivalent filings) made with respect to the Loan Parties in the states (or other jurisdictions) of formation of such Persons, together with copies of the financing statements (or similar documents) disclosed by such search, and accompanied by evidence satisfactory to the Administrative Agent that the Liens indicated in any such financing statement (or similar document) would be permitted under Section 7.05 or have been or will be contemporaneously released or terminated.

(h) The Borrower shall have paid or cause to be paid to the Administrative Agent for the ratable account of each Lender a fee in an amount equal to 0.25% of the Initial Revolving Commitment of each Lender.

(i) The Administrative Agent shall have received a duly completed Borrowing Request from the Borrower substantially in the form of Exhibit B.

(l) The representations and warranties of the Loan Parties set forth in Article V and in each other Loan Document shall be true and correct in all material respects on and as of the Restatement Date with the same effect as though made on and as of such date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(m) The Administrative Agent shall have received, at least 3 days prior to the Restatement Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT Act, as has been reasonably requested in writing at least 5 days prior to the Restatement Date.

(n) In connection with any Letter of Credit being issued on the Restatement Date, the Issuing Bank and the Administrative Agent shall have received a notice requesting the issuance of such Letter of Credit as required by Section 2.23(b) or as otherwise agreed by the Issuing Bank and the Administrative Agent.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Administrative Agent and the Lenders that:

Section 5.01. Existence, Qualification and Power; Compliance with Laws. Each Loan Party (a) is a Person (i) duly organized or formed and validly existing and (ii) in good standing (to the extent such concept has a legally recognized meaning in its jurisdiction of organization) under the Laws of the jurisdiction of its organization, (b) has all requisite corporate or other organizational power and authority to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (c) is duly qualified and in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, (d) is in compliance with all applicable Laws and (e) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case referred to in clause (a)(i) (other than as to the Borrower and any Material

Subsidiary that is a Loan Party), clause (a)(ii) (other than as to the Borrower) or clauses (b)(i), (c), (d) or (e), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

Section 5.02. Authorization; No Contravention. Permit representatives of the Administrative Agent (x) to visit and inspect any of its properties (to the extent it is within such person's control to permit such inspection), to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, and to discuss its affairs, finances and accounts with its officers all at the reasonable expense of the Borrower, and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower and (y) to have reasonable discussions regarding the business, operations, properties and financial condition of the Borrower and its Subsidiaries with the Borrower's independent certified public accountants (subject to such accountants' customary policies and procedures); provided that, (i) excluding any such visits and inspections during the continuation of an Event of Default, the Administrative Agent shall not exercise such rights more often than once during any calendar year absent the existence of an Event of Default and (ii) such exercise shall be at the Borrower's reasonable expense; provided, further that when an Event of Default exists the Administrative Agent (or its representatives) may do any of the foregoing at the reasonable expense of the Borrower at any time during normal business hours and upon reasonable advance written notice. The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower's accountants pursuant to clause (y) of the immediately preceding sentence. Notwithstanding anything to the contrary in Section 6.02(i) or in this Section 6.10, none of the Borrower or any Restricted Subsidiary will be required to disclose or permit the inspection or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or the Lenders (or their respective representatives) is prohibited by Requirement of Law or any binding agreement or (iii) that is subject to attorney client or similar privilege or constitutes attorney work product.

Section 6.11. Use of Proceeds. Use the proceeds of the Loans and request the issuance of Letters of Credit only for general corporate purposes of the Borrower and its Subsidiaries, including to refinance existing Indebtedness and pay related fees, costs and expenses.

(a) Upon (i) the formation or acquisition of any new direct or indirect Domestic Subsidiary that is a Wholly Owned Restricted Subsidiary (other than (A) an Unrestricted Subsidiary, (B) any Subsidiary that is prohibited by any Contractual Obligation (provided that such prohibition was not incurred in connection with or in contemplation of the acquisition of such Subsidiary) or by applicable Laws from guaranteeing the Obligations or

which would require governmental (including regulatory) consent, approval, license or authorization to provide such guarantee unless such consent, approval, license or authorization has been received, (C) any Securitization Subsidiary, (D) any Subsidiary with respect to which the provision of a guaranty of the Obligations would result in material adverse tax consequences (as reasonably determined by the Borrower and notified in writing to the Administrative Agent), (E) any not-for-profit Subsidiary, (F) any Captive Insurance Subsidiary, (G) any Subsidiary with respect to which the Borrower and Administrative Agent reasonably agree that the burden or cost or other consequences of providing a guarantee of the Obligations shall be excessive in view of the benefits to be obtained by the Lenders therefrom, (H) any Subsidiary that is a Special Purpose Entity, (I) a Subsidiary formed solely for the purpose of becoming a Parent, or merging with the Borrower in connection with another Subsidiary becoming a Parent, or otherwise creating or forming a Parent, or (J) an Immaterial Subsidiary, all Subsidiaries described in foregoing clauses (A) to (J), the "Excluded Subsidiaries") by any Loan Party, (ii) the designation of any existing direct or indirect Domestic Subsidiary that is a Wholly Owned Subsidiary (other than an Excluded Subsidiary) as a Restricted Subsidiary in accordance with the terms hereof, (iii) any Domestic Subsidiary that is a Wholly Owned Subsidiary that is an Unrestricted Subsidiary (other than an Unrestricted Subsidiary that is otherwise an Excluded Subsidiary) ceasing to be an Unrestricted Subsidiary, (iv) any Domestic Subsidiary that is a Wholly Owned Restricted Subsidiary that is an Immaterial Subsidiary (other than an Immaterial Subsidiary that is otherwise an Excluded Subsidiary) ceasing to be an Immaterial Subsidiary, or (v) any Domestic Subsidiary that is a Wholly Owned Restricted Subsidiary that is an Excluded Subsidiary ceasing to be an Excluded Subsidiary, the Borrower shall, in each case at the Borrower's expense, within 90 days after such formation, acquisition, designation, change in status or guarantee or such longer period as the Administrative Agent may agree in its discretion:

(i) cause each such Subsidiary to duly execute and deliver to the Administrative Agent a guaranty supplement, in substantially the form attached to the Guaranty as Exhibit A, guaranteeing the Obligations of each Loan Party;

(ii) cause each such Subsidiary to duly execute and deliver to the Collateral Agent a Security Agreement Supplement (as defined in the Security Agreement) (if applicable) and those Security Documents required to be delivered under the Security Agreement, as further specified by and in form and substance reasonably satisfactory to the Collateral Agent (substantially consistent with the Security Documents in effect on the Restatement Date unless otherwise consented to by the Collateral Agent), granting a Lien to the extent required under the Security Agreement, in each case securing the Obligations of such Subsidiary under its Guaranty;

(iii) (x) cause each such Subsidiary to deliver (i) any and all certificates representing Capital Stock directly owned by such Subsidiary (limited, in the case of Capital Stock in a Foreign Subsidiary, to 65% of each class of the outstanding Capital Stock (including for these purposes any investment deemed to be Capital Stock for United States Tax purposes) in such Foreign Subsidiary) accompanied by undated stock powers or other appropriate instruments of transfer executed in blank and (ii) instruments evidencing the Pledged Debt in each case in excess of $5,000,000 held

by such Subsidiary, indorsed in blank to the Collateral Agent and (y) cause each direct parent of such Subsidiary that is a Guarantor or is required to become a Guarantor pursuant to Section 6.12(a)(i), to deliver any and all certificates representing the outstanding Capital Stock of such Subsidiary owned by such parent accompanied by undated stock powers or other appropriate instruments of transfer executed in blank; and

(iv) take and cause such Subsidiary and each direct or indirect parent of such Subsidiary to take whatever action is required under the Security Agreement or otherwise deemed necessary in the reasonable opinion of the Collateral Agent to vest in the Collateral Agent (or in any representative of the Collateral Agent designated by it) valid and subsisting Liens on the properties purported to be subject to the Security Documents delivered pursuant to this Section 6.12 and the Security Agreement, enforceable against all third parties in accordance with their terms.

For the avoidance of doubt, (i) no Excluded Subsidiary shall be required hereunder to guarantee the obligations of the Borrower or any Guarantor, (ii) no Foreign Subsidiary shall be required hereunder to guarantee the obligations of the Borrower or any Guarantor, (iii) no more than 65% of any class of Capital Stock of any Foreign Subsidiary shall be required to be pledged to support obligations of the Borrower or any Guarantor, and (iv) no Capital Stock of any Excluded Subsidiary shall be required to be pledged.

(c) In no event shall the Borrower or any Restricted Subsidiary be required to (i) take any action in any jurisdiction other than the United States of America, or required by the laws of any such jurisdiction, in order to create any security interests (or other Liens) in assets located or titled outside of the United States of America or to perfect any security interests (or other Liens) in any such Collateral, (ii) deliver control agreements with respect to, or confer perfection by "control" over, any deposit accounts, bank or securities account or other Collateral, except, in the case of Collateral that constitutes Capital Stock or intercompany notes in certificated form, delivering such Capital Stock or intercompany notes (in the case of intercompany notes, limited to any such note with a principal amount in excess of $5,000,000) to the Collateral Agent (or another Person as required under the Security Agreement) or (iii) deliver landlord lien waivers, estoppels or collateral access letters.

(d) Notwithstanding the foregoing, (x) the Collateral Agent shall not take a security interest in (i) those assets as to which the Collateral Agent and the Borrower shall agree (each acting reasonably) that the cost of obtaining such Lien (including any mortgage, stamp, intangibles or other tax) are excessive in relation to the benefit to the Lenders of the

security afforded thereby or (ii) assets to the extent a security interest in such assets would result in material adverse tax consequences (including as a result of the operation of Section 956 of the Code or any similar Law in any applicable jurisdiction) as reasonably determined by the Borrower and notified in writing to the Administrative Agent and (y) Liens required to be granted pursuant to this Section 6.12 shall be subject to exceptions and limitations consistent with those set forth in the Security Documents as in effect on the Restatement Date (to the extent appropriate in the applicable jurisdiction). In the case of any conflict between this Agreement and the Security Documents, the Security Documents shall govern and no assets are required to be pledged or actions are required to be taken that are not required to be pledged or taken under the Security Documents.

Section 6.13. Compliance with Environmental Laws. Section 6.15. [Reserved].

Section 6.16. Maintenance of Ratings. Use commercially reasonable efforts to maintain a public corporate family rating from S&P and a public corporate family rating from Moody's, in each case in respect of the Borrower (but, for the avoidance of doubt, not to obtain or maintain a specific rating).

Section 6.17. Post-Closing Actions. Complete the actions listed on Schedule 6.17 by the times stated therein (or such later date as may be consented to by the Administrative Agent in its sole discretion).

So long as any Lender shall have any Commitment hereunder, any Loan or other Obligation hereunder which is accrued and payable (except with respect to any Secured Hedge Agreement or Cash Management Obligations) shall remain unpaid or unsatisfied, or any Letter of Credit (that has not been cash collateralized or backstopped, in each case on terms agreed to by the Borrower and the applicable Issuing Bank and the Administrative Agent in its sole discretion) shall remain outstanding:

Section 7.01. Indebtedness.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, enter into any guarantee of, or otherwise become directly or indirectly liable, contingently or otherwise, for (collectively, "incur") any Indebtedness (including Acquired Debt), and the Borrower will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; provided, however, that the Borrower and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and any Restricted Subsidiary may issue Preferred Stock if the Fixed Charge Coverage Ratio for the Borrower's most recently ended four full fiscal quarters for which internal financial statements are available (or, if earlier, were required to be delivered pursuant to Section 6.01(a) or (b)) immediately preceding the date on which such additional Indebtedness is incurred or such Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; provided, further, that the aggregate principal amount of Indebtedness that may be incurred and the liquidation preference of Preferred Stock that may be issued pursuant to the foregoing by Restricted Subsidiaries that are not Guarantors shall not exceed $100.0 million at any one time outstanding;

(b) Notwithstanding the foregoing Section 7.01(a), the Borrower and its Restricted Subsidiaries may incur the following Indebtedness (collectively, "Permitted Debt"):

(i) (I) Indebtedness (a) [reserved], (b) pursuant to the Senior Term Loan Facility and any other Credit Agreement and (c) pursuant to the 2014 Senior Secured Notes and the 2016 Senior Secured Notes, up to an aggregate principal amount, together with amounts outstanding under a Qualified Securitization Financing incurred pursuant to clause (xvii) below, not to exceed at any one time outstanding the greater of (A) $2,275.0 million and (B) the maximum aggregate principal amount (as of the date of incurrence of any such Indebtedness and after giving pro forma effect to the incurrence thereof and the application of the net proceeds therefrom (or as of the date of the initial borrowing of such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness)) that can be incurred without exceeding a Senior Secured Indebtedness to EBITDA Ratio for the Borrower of 4.50 to 1.00 (it being understood that for purposes of determining compliance under this clause (i) and under Section 2.24(a), any Indebtedness incurred under this clause

(i) and under Section 2.24(a) (whether or not secured), other than Revolving Credit Agreement Indebtedness, will be included in the amount of Senior Secured Indebtedness for purposes of calculating the Senior Secured Indebtedness to EBITDA Ratio) and (II) Indebtedness under this Agreement and the other Loan Documents and any other Revolving Credit Agreement Indebtedness not to exceed at any time outstanding $180.0 million;

(ii) Indebtedness in an amount not to exceed $300.0 million pursuant to Section 2.6 of the Senior Term Loan Agreement as in effect on the date hereof;

(v) Indebtedness incurred by the Borrower or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance; provided that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(vi) Indebtedness arising from agreements of the Borrower or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earnouts or similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; provided that such Indebtedness is not reflected on the balance sheet of the Borrower or any Restricted Subsidiary (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause);

(vii) Indebtedness of the Borrower owed to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owed to and held by the Borrower or any Restricted Subsidiary; provided, however, that (A) any subsequent issuance or transfer

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Borrower or a Restricted Subsidiary; provided that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Borrower or a Restricted Subsidiary) shall be deemed in each case to be an issuance of such shares of Preferred Stock;

(ix) Hedging Obligations of the Borrower or any Restricted Subsidiary (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting (A) interest rate risk with respect to any Indebtedness that is permitted to be incurred by the terms of this Agreement, (B) exchange rate risk with respect to any currency exchange or (C) commodity price risk;

(x) obligations in respect of self-insurance, performance, bid, appeal and surety bonds and performance and completion guarantees and similar obligations provided by the Borrower or any Restricted Subsidiary or obligations in respect of letters of credit, bank guarantees or similar instruments related thereto, in each case, in the ordinary course of business or consistent with past practice;

(xi) Indebtedness of the Borrower or any Restricted Subsidiary or Preferred Stock of any Restricted Subsidiary not otherwise permitted hereunder in an aggregate principal amount or liquidation preference which, when aggregated with the principal amount and liquidation preference of all other Indebtedness and Preferred Stock then outstanding and incurred pursuant to this clause (xi), does not at any one time outstanding exceed the greater of $250.0 million and 17.5% of Consolidated Tangible Assets (it being understood that any Indebtedness or Preferred Stock incurred pursuant to this clause (xi) shall cease to be deemed incurred or outstanding for purposes of this clause (xi) but shall be deemed incurred for the purposes of Section 7.01(a) from and after the first date on which the Borrower or such Restricted Subsidiary could have incurred such Indebtedness or Preferred Stock under Section 7.01(a) without reliance on this clause (xi));

(xii) (a) any guarantee by the Borrower or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as (in the case of any such Indebtedness) the incurrence of such Indebtedness by such Restricted Subsidiary is permitted under the terms of this Agreement, or (b) any guarantee by a Restricted Subsidiary of Indebtedness or other obligations of the Borrower; provided that (in the case of any such guarantee of Indebtedness) such guarantee is incurred in accordance with the terms of this Agreement;

(xiii) Indebtedness or Preferred Stock of the Borrower or any Restricted Subsidiary that serves to extend, replace, refund, refinance, renew or defease any Indebtedness incurred as permitted under Section 7.01(a) and Section 7.01(b)(i), (iii), (iv), (xiii) and (xiv) or any Indebtedness issued to so extend, replace, refund, refinance, renew or defease such Indebtedness including additional Indebtedness incurred to pay premiums and fees in connection therewith (the "Refinancing Indebtedness"); provided that such Refinancing Indebtedness (A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, (B) to the extent such Refinancing Indebtedness refinances Indebtedness that is subordinated to the Revolving Facility Obligations, such Refinancing Indebtedness is subordinated to the Revolving Facility Obligations at least to the same extent as the Indebtedness being refinanced or refunded, (C) shall not include (x) Indebtedness or Preferred Stock of a Subsidiary that is not a Guarantor that refinances Indebtedness or Preferred Stock of the Borrower or (y) Indebtedness or Preferred Stock of the Borrower or a Restricted Subsidiary that refinances Indebtedness or Preferred Stock of an Unrestricted Subsidiary, (D) shall not be in a principal amount (or, if issued with original issue discount, an aggregate issue price) in excess of the principal amount of, premium, if any, and accrued interest on, the Indebtedness being replaced, refunded, refinanced, renewed or defeased plus any fees, premiums, underwriting discounts, costs and expenses relating to such extension, replacement, refunding, refinancing, renewal or defeasance, and (E) shall not have a Stated Maturity date prior to the Stated Maturity of the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased and provided, further, that subclauses (A), (B) and (E) of this clause (xiii) will not apply to any refunding or refinancing of any Indebtedness under any Credit Agreement;

(xv) Indebtedness arising from the honoring by a bank or financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided that such Indebtedness is extinguished within five business days of its incurrence;

(xvi) Indebtedness of the Borrower or any Restricted Subsidiary of the Borrower supported by a letter of credit issued in compliance with this Section 7.01 in a principal amount not in excess of the stated amount of such letter of credit;

(xxi) Indebtedness consisting of promissory notes issued by the Borrower or any of its Restricted Subsidiaries to future, current or former employees, directors and consultants, and their respective estates, spouses or former spouses to finance the purchase or redemption of Equity Interests permitted by Section 7.02;

(xxii) Indebtedness of the Borrower or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take or pay obligations contained in supply arrangements, in each case incurred in the ordinary course of business; and

(xxiii) Indebtedness of the Borrower or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business.

(c) For purposes of determining compliance with this covenant:

(i) in the event that an item of Indebtedness or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or Preferred Stock described in clauses (i) through (xxiii) above or is entitled to be incurred pursuant to the Section 7.01(a), the Borrower, in its sole discretion, will be permitted to classify or reclassify such item of Indebtedness or Preferred Stock (or any portion thereof) in any manner that complies with this covenant and will only be required to include the amount and type of such Indebtedness or Preferred Stock (or portion thereof) in one of the above clauses or paragraphs; provided that Indebtedness outstanding on the Restatement Date hereunder and under the Senior Term Loan Credit Agreement, the 2014 Unsecured Notes, the 2014 Senior Secured Notes and the 2016 Senior Secured Notes shall be classified as incurred under Section 7.01(b), and not under Section 7.01(a); and

(ii) at the time of incurrence, the Borrower will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 7.01(a) and (b); and

(iii) the principal amount of Indebtedness outstanding under any clause of this Section 7.01 or Section 2.24(a) shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness.

(d) Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness or Preferred Stock will not be deemed to be an incurrence of Indebtedness or Preferred Stock for purposes of this covenant.

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of, premium, if any, and accrued interest on, the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased plus any fees, premiums, underwriting discounts, costs and expenses relating to such extension, replacement, refunding, refinancing, renewal or defeasance.

(f) The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

Section 7.02. Restricted Payments.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

Equity Interests (other than Disqualified Stock) of the Borrower or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock) or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Borrower or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase, redeem or otherwise acquire or retire for value any Equity Interests of the Borrower or any direct or indirect parent company of the Borrower, including in connection with any merger or consolidation involving the Borrower;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment, sinking fund payment or maturity or any Subordinated Indebtedness (other than (x) Subordinated Indebtedness permitted under Section 7.01(b)(vii) and (viii) or (y) the purchase, repurchase or other acquisition of Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition); or

(iv) make any Restricted Investment (all such payments and other actions set forth in these clauses (i) through (iv) being collectively referred to as "Restricted Payments"),

unless, at the time of and immediately after giving effect to such Restricted Payment:

(1) no Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) if such Restricted Payment is made in reliance on clause (A) of paragraph (3) below, the Borrower would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 7.01(a);

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Borrower and the Restricted Subsidiaries after the Closing Date (including Restricted Payments permitted by Section 7.02(b)(i), (ix), and (xviii), but excluding all other Restricted Payments permitted by Section 7.02(b)), is less than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Borrower for the period (taken as one accounting period) from the beginning of the fiscal quarter during which the Closing Date occurs to the end of the Borrower's most recently ended fiscal quarter for which internal financial statements are available (or, if earlier were required to be delivered pursuant to Section 6.01(a) or (b)) at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit), plus

(B) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Board of Directors of the Borrower, of property and marketable securities received by the Borrower after the Closing Date from the issue or sale of (x) Equity Interests of the Borrower (including Retired Capital Stock (as defined below) but excluding (i) cash proceeds and marketable securities received from the sale of Equity Interests to members of management, directors or consultants of the Borrower, any direct or indirect parent company of the Borrower and the Subsidiaries after the Closing Date to the extent such amounts have been applied to Restricted Payments made in accordance with Section 7.02(b)(4) and, to the extent actually contributed to the Borrower, Equity Interests of the Borrower's direct or indirect parent companies, (ii) Designated Preferred Stock and (iii) Disqualified Stock) or (y) debt securities of the Borrower that have been converted into or exchanged for such Equity Interests of the Borrower (other than Refunding Capital Stock (as defined below) or Equity Interests or convertible debt securities of the Borrower sold to a Restricted Subsidiary or the Borrower, as the case may be, and other than Disqualified Stock or Designated Preferred Stock or debt securities that have been converted into or exchanged for Disqualified Stock or Designated Preferred Stock), plus

(C) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Board of Directors of the Borrower, of property and marketable securities contributed to the capital of the Borrower after the Closing Date (other than (i) by a Restricted Subsidiary, (ii) any Excluded Contributions, (iii) any Disqualified Stock, (iv) any Designated Preferred Stock and (v) the Cash Contribution Amount), plus

(a) The Borrower will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness of the Borrower or of a Guarantor, on any asset or property of the Borrower or any Guarantor, or any income or profits therefrom, or on any right to receive income therefrom (the "Initial Lien"), unless (a) in the case of an Initial Lien on any Collateral, such Initial Lien expressly has Junior Lien Priority on such Collateral in relation to the Revolving Facility Obligations and the Guarantees, as applicable or (b) in the case of an Initial Lien on any other asset or property, the Revolving Facility Obligations (or a Guaranty in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien;

(b) Any Lien created for the benefit of the Lenders pursuant to Section 7.05(a) shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to secure the Revolving Facility Obligations.

Section 7.06. Fundamental Changes. The Borrower may not (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets

of the Borrower and its Subsidiaries taken as a whole, in one or more related transactions to another Person; unless:

(a) either: (i) the Borrower is the surviving Person; or (ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of the United States, any state of the United States, the District of Columbia or any territory thereof (the Borrower or such Person, as the case may be, being herein called, the "Successor Borrower");

(b) the Successor Borrower (if other than the Borrower) assumes all the obligations of the Borrower under this Agreement and the other Loan Documents to which it is a party by executing a joinder or one or more other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(c) immediately after such transaction no Default or Event of Default exists;

(d) immediately after giving pro forma effect to such transaction and any related financing transactions, as if the same had occurred at the beginning of the applicable four-quarter period, either:

(i) the Successor Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 7.01(a); or

(ii) the Fixed Charge Coverage Ratio for the Successor Borrower and its Restricted Subsidiaries would be equal to or greater than such ratio for the Borrower and its Restricted Subsidiaries immediately prior to such transaction;

(e) each Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have delivered a joinder or other document or instrument in form reasonably satisfactory to the Administrative Agent, confirming its Subsidiary Guarantee; and

(f) each Subsidiary Guarantor (other than (x) any Subsidiary that will be released from its grant or pledge of Collateral under the Security Agreement in connection with such transaction and (y) any party to any such consolidation or merger that does not survive or become the Successor Borrower) shall have by a supplement to the Security Agreement or another document or instrument in form reasonably satisfactory to the Administrative Agent affirmed that its obligations thereunder shall apply to its Guaranty as confirmed pursuant to clause (e) above; provided that, for the purposes of this Section 7.06 only, neither a Music Publishing Sale nor a Recorded Music Sale will be deemed to be a sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole. For the avoidance of doubt, (1) the Borrower may therefore consummate a Music Publishing Sale in accordance with Section 7.03 without complying with this Section 7.06 notwithstanding anything to the contrary in this Section 7.06, (2) the Borrower may therefore consummate a Recorded Music Sale in

accordance with Section 7.03 without complying with this Section 7.06 notwithstanding anything to the contrary in this Section 7.06 and (3) the determination in the preceding proviso shall not affect the determination of what constitutes all or substantially all the assets of the Borrower under any other contract to which the Borrower is a party.

For the purpose of this Section 7.06, with respect to any sale, lease, transfer, conveyance or other disposition of properties or assets in connection with any acquisition (including any acquisition by means of a merger or consolidation with or into the Borrower or any Restricted Subsidiary), the determination of whether such sale, lease, transfer, conveyance or disposition constitutes a sale of all or substantially all of the properties or assets of the Borrower and its Subsidiaries taken as a whole shall be made on a pro forma basis giving effect to such acquisition.

This Section 7.06 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries. Notwithstanding the foregoing clauses (c) and (d), (x) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary and (y) the Borrower may merge with an Affiliate incorporated solely for the purpose of reincorporating the Borrower in another state of the United States so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby.

Section 7.07. Subsidiary Distributions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to the Borrower or any of its Restricted Subsidiaries that are Guarantors, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

(ii) make loans or advances to the Borrower or any of its Restricted Subsidiaries that are Guarantors; or

(iii) sell, lease or transfer any of its properties or assets to the Borrower or any of its Restricted Subsidiaries that are Guarantors;

provided that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction.

(b) However, the restrictions in Section 7.07(a) will not apply to encumbrances or restrictions consisting of, or existing under or by reason of:

(i) contractual encumbrances or restrictions in effect (x) pursuant to this Agreement or the other Loan Documents, the 2014 Unsecured Notes, the 2014 Senior Secured Notes, the 2016 Senior Secured Notes, the Senior Term Loan Facility Documents, any Hedging Obligations, and, on or after the execution and delivery thereof, the Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement and any other Credit Agreement or any related documents or (y) on the Restatement Date, including, without limitation, pursuant to Existing Indebtedness and related documentation;

(ii) [Reserved];

(iii) purchase money obligations that impose encumbrances or restrictions on the property so acquired;

(iv) applicable law or any applicable rule, regulation or order;

(v) any agreement or other instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Borrower or any Restricted Subsidiary, or which agreement or instrument is assumed by the Borrower or any Restricted Subsidiary in connection with an acquisition from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); provided that, for purposes of this clause (v), if a Person other than the Borrower is the Successor Borrower with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Borrower or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Borrower;

(vi) any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Borrower or any Restricted Subsidiary not otherwise prohibited by this Agreement, including without limitation, customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or other disposition of the Capital Stock or assets of such Subsidiary;

(vii) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenants described in Section 7.01 and 7.05 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(viii) restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into in the ordinary course of business;

(ix) other Indebtedness or Preferred Stock (x) of the Borrower or any Restricted Subsidiary that is a Guarantor that is incurred subsequent to the Restatement Date pursuant to Section 7.01 or (y) that is incurred by a Foreign Subsidiary of the Borrower subsequent to the Restatement Date pursuant to Section 7.01;

(x) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(xi) customary provisions contained in leases, subleases, licenses or asset sale agreements and other agreements;

(xii) any encumbrances or restrictions pursuant to any agreement, instrument or obligation (a "Refinancing Agreement") effecting an extension, renewal, increase, refunding, replacement or refinancing of any contract, instrument or obligation referred to in clauses (i) through (xi) above (an "Initial Agreement") or that is, or is contained in, any amendment, supplement, restatement or other modification to an Initial Agreement or Refinancing Agreement (an "Amendment"); provided that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Lenders than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Borrower);

(xiii) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Qualified Securitization Financing; provided, however, that such restrictions apply only to any Securitization Subsidiary;

(xiv) any encumbrance or restriction in connection with Non-Recourse Product Financing Indebtedness or Non-Recourse Acquisition Financing Indebtedness;

(xv) any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; provided that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(xvi) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(xvii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(xviii) any encumbrances or restrictions arising in connection with cash or other deposits permitted under Section 7.05;

(xix) any encumbrance or restriction that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Borrower or any Restricted Subsidiary in any manner material to the Borrower or such Restricted Subsidiary;

(xx) customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Borrower or any Restricted Subsidiary; or

(xxi) an agreement or instrument relating to any Indebtedness incurred subsequent to the Restatement Date (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in agreements in effect on the Restatement Date (as determined in good faith by the Borrower) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Lenders than is customary in comparable financings (as determined in good faith by the Borrower) and either (x) the Borrower determines in good faith that such encumbrance or restriction will not materially affect the Borrower's ability to make principal or interest payments on the Loans or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness.

Section 7.08. Financial Covenant. Permit the Senior Secured Indebtedness to EBITDA Ratio as of the end of any fiscal quarter of the Borrower to be greater than 4.75:1.00, if at the end of such fiscal quarter the outstanding amount of Loans and drawings under Letter of Credit which have not then been reimbursed is in excess of $54,000,000.

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default. Any of the following shall constitute an Event of Default:

(a) Non-Payment. The Borrower or any other Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan, or (ii) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(b) Specific Covenants. The Borrower fails to perform or observe any term, covenant or agreement contained in any of Sections 6.03(a), 6.05(a) (solely with respect to the Borrower) or Section 6.11 or Article VII; provided that the occurrence of any Event of Default under Section 7.08 is subject to the last proviso set forth in the definition of "EBITDA"; or

(c) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after notice thereof by the Administrative Agent to the Borrower; or

(d) Representations and Warranties. Any representation or warranty made or deemed made by or on behalf of (x) the Borrower or any other Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith or (y) Holdings in any Security Document, shall be incorrect in any material respect when made or deemed made; or

(e) Cross-Default. Any Loan Party or any of its Restricted Subsidiaries shall (i) default in (x) any payment of principal of or interest on any Indebtedness (excluding the Revolving Facility Obligations) in excess of the Threshold Amount or (y) in the payment of any Guarantee Obligation in excess of the Threshold Amount, beyond the period of grace, if any, provided in the instrument or agreement under which such Indebtedness or Guarantee Obligation was created; (ii) default in the observance or performance of any other agreement or condition relating to any Indebtedness (excluding the Revolving Facility Obligations) or Guarantee Obligation referred to in clause (i) above or contained in any instrument or agreement evidencing, securing or relating thereto (other than a failure to provide notice of a default or an event of default under such instrument or agreement or default in the observance of or compliance with any financial maintenance covenant), or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders of such Indebtedness or beneficiary or beneficiaries of such Guarantee Obligation (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice or lapse of time if required, such Indebtedness to become due prior to its stated maturity or such Guarantee Obligation to become payable (an "Acceleration"; and the term "Accelerated" shall have a correlative meaning), and such time shall have lapsed and, if any notice (a "Default Notice") shall be required to commence a grace period or declare the occurrence of an event of default before notice of Acceleration may be delivered, such Default Notice shall have been given and such default shall not have been remedied or waived by or on behalf of such holder or holders (provided that this clause (ii) shall not apply to (x) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder or (y) any termination event or similar event pursuant to the terms of any Swap Contract) or (iii) in the case of any Indebtedness or Guarantee Obligations referred to in clause (i) above containing or otherwise requiring observance or compliance with any financial maintenance covenant, such Indebtedness or Guarantee Obligation shall have been Accelerated and such Acceleration shall not have been rescinded; or

(f) Insolvency Proceedings, Etc. If (i) the Borrower or any Material Subsidiary of the Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition or other relief with respect to it or its debts (excluding, in each case, the solvent liquidation or reorganization of any Foreign Subsidiary of the Borrower that is not a Loan Party), or (B) seeking appointment of a receiver, interim receiver, receivers, receiver and manager, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or the Borrower or any Material Subsidiary of the Borrower shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Borrower or any Material Subsidiary of the Borrower any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged, unstayed or unbonded for a period of 60 days; or (iii) there shall be commenced against the Borrower or any Material Subsidiary of the Borrower any case,

proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of an order for any such relief which shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) the Borrower or any Material Subsidiary of the Borrower shall take any corporate or other similar organizational action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) the Borrower or any Material Subsidiary of the Borrower shall be generally unable to, or shall admit in writing its general inability to, pay its debts as they become due; or

(g) Judgments. One or more judgments or decrees shall be entered against the Borrower or any of its Restricted Subsidiaries involving in the aggregate at any time a liability (net of any insurance or indemnity payments actually received in respect thereof prior to or within 60 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) of the Threshold Amount or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or

(h) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or would reasonably be expected to result in liability of the Borrower under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) a Foreign Benefit Event occurs which, either individually or together with other Foreign Benefit Events that have occurred, would reasonably be expected to result in a Material Adverse Effect; or

(i) Invalidity of Loan Documents. With respect to any Collateral, individually, having a fair market value in excess of the Threshold Amount, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Lenders the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Borrower or any Guarantor denies in writing that it has any further liability under any Security Document (in each case other than in accordance with the terms of this Agreement or any of the Security Documents), except to the extent that any loss of perfection or priority results from the failure of the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) to maintain possession of certificates actually delivered to it representing securities, promissory notes or other instruments pledged under the Security Documents, or otherwise results from the gross negligence or willful misconduct of the Administrative Agent or the Collateral Agent (or any other collateral agent for any Indebtedness secured by a Lien) and except, as to Collateral consisting of real property, to the extent that such failure is covered by a lender's title insurance policy and the Collateral Agent is reasonably satisfied with the credit of such insurer; provided, that if a failure of the sort described in this Section 8.01(i) is susceptible of cure (including with respect to any loss of Lien priority on material portions of the Collateral), no Event of Default shall arise under this Section 8.01(i) with respect thereto until 30 days after a Responsible Officer becomes aware of such failure; or

(j) Change of Control. There occurs any Change of Control.

Section 8.02. Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(a) declare the Commitment of each Lender to make Loans and any obligation of the Issuing Bank to issue Letters of Credit to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(c) require that the Borrower cash collateralize the L/C Exposure in accordance with Section 2.23(j); and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; provided that, upon the occurrence of an Event of Default under Section 8.01(f) or Section 8.01(g), the obligation of each Lender to make Loans and any obligation of the Issuing Bank to issue Letters of Credit shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to cash collateralize the L/C Exposure in accordance with Section 2.23(j) as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03. Application of Funds. The Lenders and the Administrative Agent agree, as among such parties, as follows: subject to the terms of the Security Agreement, any Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement or any Intercreditor Agreement Supplement, after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Exposures have automatically been required to be cash collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall, except as otherwise expressly provided herein, be applied in the following order:

First, to the extent any amounts are proceeds of any collection or sale of the Collateral, to payment of all amounts owing to the Collateral Agent (in its capacity as such) pursuant to the Security Agreement or the terms of any Loan Document;

Second, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including Attorney Costs payable under Section 2.14, Section 2.15, Section 2.16 and Section 10.05 but excluding principal and interest on any Loan) payable to the Administrative Agent in its capacity as such;

Third, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders arising under the Loan Documents (including Attorney Costs payable under Section 2.14, Section 2.15, Section 2.16 and Section 10.05), ratably among them in proportion to the amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and Letters of Credit, ratably among the Lenders in proportion to the respective amounts described in this clause Fourth payable to them;

Fifth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and Letters of Credit, the termination value under Secured Hedge Agreements and Cash Management Obligations, ratably among the Lenders and/or other holders thereof in proportion to the respective amounts described in this clause Fifth held by them;

Sixth, to the Administrative Agent for the account of the Issuing Bank, to cash collateralize the L/C Exposure in accordance with Section 2.23(j);

Seventh, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, delivered to the Borrower or as otherwise required by Law.

Subject to Section 2.23(d) and Section 2.23(e), amounts used to cash collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Sixth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower. This Section 8.03 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendment) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Loans added pursuant to Sections 2.24, 2.25 and 2.26, as applicable.

ARTICLE IX
THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

Each Lender and the Issuing Bank hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Article IX, the Administrative Agent and the Collateral Agent are referred to collectively as the "Agents") its agent and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Each Lender and the Issuing Bank authorizes the Administrative Agent to act as its representative under the Security Agreement and each other Security Document, as applicable and further agrees that the Required Lenders may instruct the Administrative Agent to

take actions with respect to the Collateral (subject to the provisions of the Security Agreement, any Junior Lien Intercreditor Agreement, any Other Intercreditor Agreement and any Intercreditor Agreement Supplement). Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (i) execute any and all documents (including releases, any Incremental Commitment Amendment as provided in Section 2.24, any Increase Supplement as provided in Section 2.24, any Lender Joinder Agreement as provided in Section 2.24, any Extension Amendment as provided in Section 2.25 and any Specified Refinancing Amendment as provided in Section 2.26) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the other Loan Documents, and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

The institution serving as the Administrative Agent and/or the Collateral Agent under any Loan Document shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder.

The Administrative Agent shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08), and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be deemed to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facility as well as activities of the Administrative Agent.

Subject to the appointment of a successor as set forth herein, (i) the Administrative Agent or the Collateral Agent may be removed by the Borrower or the Required Lenders (in the case of the Collateral Agent, subject to the Security Agreement) if the Administrative Agent, the Collateral Agent or a controlling affiliate of the Administrative Agent or the Collateral Agent is a Defaulting Lender and (ii) the Administrative Agent and the Collateral Agent may resign as Administrative Agent or Collateral Agent, respectively, in each case upon ten days' notice to the Administrative Agent, the Lenders, the Issuing Bank and the Borrower, as applicable. If the Administrative Agent or the Collateral Agent shall be removed by the Borrower or the Required Lenders pursuant to clause (i) above or if the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders and the Issuing Banks a successor agent for the Lenders and the Issuing Bank, which such successor agent shall be subject to approval by the Borrower; provided that such approval by the Borrower in connection with the appointment of any successor Administrative Agent shall only be required so long as no Event of Default under Section 8.01(a) or Section 8.01(f) has occurred and is continuing; provided, further, that the Borrower shall not unreasonably withhold its approval of any successor Administrative Agent if such successor is a commercial bank with a consolidated combined capital and surplus of at least $5.0 billion. If no successor shall have been so appointed by the Required Lenders and approved by the Borrower (to the extent required) and shall have accepted such appointment within 45 days after the Administrative Agent or the Collateral Agent, as the case may be, gives notice of its resignation or is notified that it is being removed, then the Administrative Agent or Collateral Agent, as the case may be, may, on behalf of the Lenders and the Issuing Bank appoint a successor Administrative Agent or Collateral Agent, as the case may be, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor Administrative Agent or Collateral Agent, as the case may be, has been appointed pursuant to the immediately preceding sentence by the 45th day after the date such notice of resignation or removal, as applicable, the Administrative Agent's or Collateral Agent's resignation or removal, as applicable, shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent or Collateral Agent

hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent, as the case may be. Any resignation by or removal of the Administrative Agent hereunder shall also constitute, to the extent applicable, its resignation as an Issuing Bank, and the Administrative Agent (x) shall not be required to issue any further Letters of Credit and (y) shall maintain all of its rights as Issuing Bank, as the case may be, with respect to any Letters of Credit issued by it prior to the date of such resignation or removal. Upon the successful appointment of a successor agent, such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. After any retiring Agent's resignation or removal as Agent, the provisions of this Article IX shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. In the case of the Collateral Agent, the provision of this paragraph shall in all respects be subject to the provisions of the Security Agreement.

Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the Joint Lead Arrangers and the Syndication Agents are named as such for recognition purposes only, and in their respective capacities as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that each of the Joint Lead Arrangers and the Syndication Agents shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents. Without limitation of the foregoing, neither the Joint Lead Arrangers nor the Syndication Agents in their respective capacities as such shall, by reason of this Agreement or any other Loan Document, have any fiduciary relationship in respect of any Lender, Loan Party or any other Person.

Each Lender authorizes and directs the Administrative Agent (including in its capacity as representative of the Lenders under the Security Documents) and the Collateral Agent to enter into (and agrees to be bound by the terms of) (x) the Guaranty, the Security Documents, the Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties and (y) any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to the Security Documents,

the Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement or other intercreditor agreements in connection with the incurrence by any Loan Party or any Subsidiary thereof of Additional Indebtedness (each an "Intercreditor Agreement Supplement") to permit such Additional Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents). Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by the Administrative Agent, the Collateral Agent or the Required Lenders in accordance with the provisions of this Agreement or any other Loan Document and the exercise by the Agents or the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. Each Lender further agrees that the Collateral Agent may act pursuant to the Security Documents as instructed by the representative of the First Lien Obligations (as defined in the Security Agreement) then having authority to direct actions of the Collateral Agent pursuant to the Security Documents. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time, to take any action with respect to any applicable Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents. Each Lender agrees that it will not have any right individually to enforce or seek to enforce any Security Document or to realize upon any Collateral for the Loans unless instructed to do so by the Collateral Agent, it being understood and agreed that such rights and remedies may be exercised only by the Collateral Agent. The Collateral Agent may grant extensions of time for the creation and perfection of security interests in or the obtaining of title insurance, legal opinions or other deliverables with respect to particular assets or the provision of any guarantee by any Subsidiary (including extensions beyond the Restatement Date or in connection with assets acquired, or Subsidiaries formed or acquired, after the Restatement Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by this Agreement or the Security Documents or if instructed to do so in accordance with the Security Documents.

The Lenders hereby authorize each Agent, in each case at its option and in its discretion, (A) to release any Lien granted to or held by such Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction of all of the Revolving Facility Obligations under the Loan Documents at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby that are then due and unpaid, (ii) constituting property being sold or otherwise disposed of (to Persons other than a Loan Party) upon the sale or other disposition thereof, (iii) owned by any Subsidiary Guarantor designated as an Excluded Subsidiary or constituting Equity Interests of an Excluded Subsidiary, (iv) if approved, authorized or ratified in writing by the Required Lenders (or such greater amount, to the extent required by Section 10.08) or (v) as otherwise may be expressly provided in the relevant Security Documents and (B) at the written request of the Borrower to subordinate any Lien on any Excluded Assets or any other property granted to or held by such Agent, as the case may be under any Loan Document to the holder of any Permitted Lien. Upon request by any Agent, at any time, the Lenders will confirm in writing any Agent's authority to release particular types or items of Collateral pursuant to this Article IX.

The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as the case may be, in each case at its option and in its discretion, to enter into any amendment, amendment and restatement, restatement, waiver, supplement or modification, and to make or consent to any filings or to take any other actions, in each case as contemplated by Section 10.08(b)(iii)(B) or the second to last sentence of Section 10.08(b). Upon request by any Agent, at any time, the Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority under this paragraph of Article IX.

No Agent shall have any obligation whatsoever to the Lenders to assure that the Collateral exists or is owned by Holdings, the Borrower or any of its Restricted Subsidiaries or is cared for, protected or insured or that the Liens granted to any Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Article IX or in any of the Security Documents, it being understood and agreed by the Lenders that in respect of the Collateral, or any act, omission or event related thereto, each Agent may act in any manner it may deem appropriate, in its sole discretion, given such Agent's own interest in the Collateral as a Lender and that no Agent shall have any duty or liability whatsoever to the Lenders, except for its bad faith, gross negligence or willful misconduct.

The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the collateral as such Agents may from time to time agree.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 10.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 10.01. As agreed to among the Borrower, the Administrative Agent and the applicable Lenders from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable Person provided from time to time by such Person.

Unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by the Administrative Agent to the Borrower, the Borrower may, and may cause its Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under Article VI, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing Request, a notice pursuant to Section 2.10 or a notice requesting the issuance, amendment, extension or renewal of a Letter of Credit pursuant to Section 2.23, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an electronic mail address as directed by the Administrative Agent. In addition, the Borrower agrees, and agrees to cause its Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders and the Issuing Bank materials and/or information provided by or on behalf of the Borrower hereunder (collectively, the "Borrower Materials") by posting the Borrower Materials on Intralinks or another similar electronic system (the "Platform") and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean

that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrower or its securities for purposes of United States federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 10.16); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor;" and (z) the Administrative Agent shall be entitled to treat the Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not marked as "Public Investor." Notwithstanding the foregoing, the following Borrower Materials shall be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains material non-public information: (1) the Loan Documents and (2) notification of changes in the terms of the Facility.

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH PERSON'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of

the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address.

Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

Section 10.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and the Issuing Bank and shall survive the making by the Lenders of the Loans and the issuance of Letters of Credit by the Issuing Bank, regardless of any investigation made by the Lenders or the Issuing Bank or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20, 10.05 and 10.16 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the expiration of any Letter of Credit, (to the maximum extent permitted by applicable law) the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Lender or the Issuing Bank.

Section 10.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, the Administrative Agent, and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

Section 10.04. Successors and Assigns.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower, the Administrative Agent, the Collateral Agent, the Issuing Bank or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees (other than to a Disqualified Lender) all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it), with the prior written consent of the Administrative Agent (not to be unreasonably

withheld or delayed); provided, however, that (i) in the case of an assignment of a Commitment, each of the Borrower and the Issuing Bank must also give its prior written consent to such assignment (which consent shall not be unreasonably withheld or delayed) (provided, that the consent of the Borrower (A) shall not be required to any such assignment made (x) to another Lender or an Affiliate of a Lender or an Approved Fund (other than any Affiliate or Approved Fund to the extent such Person is solely or primarily engaged in the business of asset management) or (y) after the occurrence and during the continuance of any Event of Default pursuant to Section 8.01(a) or 8.01(f) and (B) shall be deemed to have been given if the Borrower has not responded within 10 Business Days of a written request for such consent), (ii) the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an aggregate amount of not less than $5,000,000 and in integral multiples of $1,000,000 in excess thereof (or, if less, the entire remaining amount of such Lender's Commitment or Loans); provided that simultaneous assignments by two or more related Approved Funds shall be combined for purposes of determining whether the minimum assignment requirement is met, (iii) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent, or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent), and (iv) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and all applicable tax forms. Upon acceptance and recording pursuant to paragraph (e) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits and subject to the obligations of Sections 2.14, 2.16, 2.20, 10.05 and 10.16, as well as to the benefit of any Fees accrued for its account and not yet paid). Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balance of its Loans, in

each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance; (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Subsidiary or the performance or observance by the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, the Security Agreement, any Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement, together with copies of the most recent financial statements referred to in Section 5.05(a) or delivered pursuant to Section 6.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender and (viii) such assignee agrees that it will be bound by and will take no actions contrary to the provisions of the Security Agreement, any Junior Lien Intercreditor Agreement and any Other Intercreditor Agreement.

(d) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in The City of New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Administrative Agent, the Issuing Bank, the Collateral Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity) against the Lender and such Disqualified Lender. Notwithstanding the foregoing, in no event shall the Administrative Agent (in its capacity as such) (x) be obligated to ascertain, monitor or inquire as to whether any Lender is a Disqualified Lender or (y) have any liability with respect to any assignment or participation of Loans to any Disqualified Lender (other than through the Administrative

Agent's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision; provided that in no event shall the Administrative Agent have any liability for any failure to ascertain, monitor or inquire as to whether any Lender is a Disqualified Lender).

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and the written consent of the Administrative Agent and, if required, the Borrower and the Issuing Bank to such assignment and any applicable tax forms, the Administrative Agent shall promptly (i) accept such Assignment and Acceptance and (ii) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e).

(f) Each Lender may without the consent of the Borrower, the Issuing Bank or the Administrative Agent sell participations to one or more banks or other Persons (other than to any Disqualified Lender) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of, and subject to the obligations under, the cost protection provisions contained in Sections 2.14, 2.16 and 2.20 (and subject to the obligations under Section 2.21(b)) to the same extent as if they were Lenders (it being understood that the documentation required under Section 2.20(b) shall be delivered by the participating Lender); provided however, that no Loan Party shall be obligated to make any greater payment under Sections 2.14, 2.16 or 2.20 than it would have been obligated to make in the absence of such participation, and (iv) the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans or L/C Disbursements and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing one or more Guarantors representing all or substantially all of the value of the Guaranty (other than in connection with the sale of such Guarantor in a transaction permitted by Section 7.06) or all or substantially all of the Collateral. To the extent permitted by law, each participating bank or other Person also shall be entitled to the benefits of Section 10.06 as though it were a Lender, provided that such participating bank or other Person agrees to be subject to Section 2.18 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant

and the principal amounts (and related interest amounts) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to the Borrower or any other Person (including the identity of any participant or any information relating to a participant's interest in any obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Lender.

(g) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.04, disclose to the assignee or participant or proposed assignee or participant any confidential information relating to the Borrower, any Parent or any of its Subsidiaries furnished to such Lender by or on behalf of the Borrower, any Parent or any of its Subsidiaries; provided that, prior to any such disclosure of information, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 10.16.

(h) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender and such SPV shall be reflected in the Register. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior

indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 10.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. Notwithstanding the foregoing, no Loan Party shall be obligated to make any greater payment under Sections 2.14, 2.16 or 2.20 than it would have been obligated to make in the absence of any grant by a Granting Lender to an SPV.

(j) The Borrower shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Administrative Agent, the Issuing Bank and each Lender, and any attempted assignment without such consent shall be null and void.

(k) In the event that any Lender shall become a Defaulting Lender or S&P, Moody's and Thompson's BankWatch (or InsuranceWatch Ratings Service, in the case of Lenders that are insurance companies (or Best's Insurance Reports, if such insurance company is not rated by Insurance Watch Ratings Service)) shall, after the date of any Lender's Commitment, downgrade the long term certificate deposit ratings of such Lender, and the resulting ratings shall be below BBB; Baa3 and C (or BB, in the case of a Lender that is an insurance company (or B, in the case of an insurance company not rated by InsuranceWatch Ratings Service)) (or, with respect to any Lender that is not rated by any such ratings service or provider, the Issuing Bank shall have reasonably determined that there has occurred a material adverse change in the financial condition of any such Lender, or a material impairment of the ability of any such Lender to perform its obligations hereunder, as compared to such condition or ability as of the date of such Lender's Commitment), then the Issuing Bank shall have the right, but not the obligation, at its own expense, upon notice to such Lender and the Administrative Agent, to replace such Lender with an assignee (in accordance with and subject to the restrictions contained in paragraph (b) above), and such Lender hereby agrees to transfer and assign without recourse (in accordance with and subject to the restrictions contained in paragraph (b) above) all its interests, rights and obligations in respect of its Commitment to such assignee; provided, however, that (i) no such assignment shall conflict with any law, rule and regulation or order of any Governmental Authority and (ii) the Issuing Bank or such assignee, as the case may be, shall pay to such Lender in immediately available funds on the date of such assignment the principal of and interest accrued to the date of payment on the Loans made by such Lender hereunder and all other amounts accrued for such Lender's account or owed to it hereunder.

(l) If the Borrower wishes to replace the Loans or Commitments under any Facility or Tranche in whole or in part with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days'

(or such shorter period as agreed to by the Administrative Agent in its reasonable discretion) advance notice to the Lenders under such Facility or Tranche, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility or Tranche to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 10.08. Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility or Tranche in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.05. By receiving such purchase price, the Lenders under such Facility or Tranche shall automatically be deemed to have assigned the Loans or Commitments under such Facility or Tranche pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

Section 10.05. Expenses; Indemnity.

(a) The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Issuing Bank in connection with the syndication of the Facility and the preparation and administration of this Agreement and the other Loan Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated); provided that it shall not be responsible for fees, charges and disbursements of more than one counsel (in addition to one local counsel per relevant jurisdiction, and in the case of a conflict of interest, one additional counsel per relevant jurisdiction for all similarly situated persons). The Borrower also agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made or Letters of Credit issued hereunder, including the reasonable and documented fees, charges and disbursements of one counsel (and, if necessary, of one local counsel in each relevant jurisdiction and in the case of a conflict of interest, one additional counsel per relevant jurisdiction for all similarly situated persons).

(b) The Borrower agrees to indemnify the Administrative Agent, each Lender, the Issuing Bank and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable fees, charges and disbursements of one counsel (and, if necessary, of one local counsel in each relevant jurisdiction and in the case of a conflict of interest, one additional counsel per relevant jurisdiction for all similarly situated persons) arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the

Transactions and the other transactions contemplated thereby (including the syndication of the Facility), (ii) the use of the proceeds of the Loans or issuance of Letters of Credit, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates) or (iv) any actual or alleged presence or release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the bad faith, gross negligence or willful misconduct of such Indemnitee. This Section 10.05(b) shall not apply with respect to Taxes.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Issuing Bank under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or the Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Issuing Bank in its capacity as such. For purposes of this Section, a Lender's "pro rata share" shall be determined based upon its share of the sum of the Aggregate Credit Exposure and unused Commitments at the time (in each case determined as if no Lender were a Defaulting Lender).

(d) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) The provisions of this Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the expiration of any Letter of Credit, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Lender or the Issuing Bank. All amounts due under this Section 10.05 shall be payable on written demand therefor.

Section 10.06. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement and other Loan Documents held by

such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 10.06 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

Section 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT OR ANY SUCH OTHER LOAN DOCUMENTS (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. EACH LETTER OF CREDIT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OR RULES DESIGNATED IN SUCH LETTER OF CREDIT, OR IF NO SUCH LAWS OR RULES ARE DESIGNATED, THE INTERNATIONAL STANDBY PRACTICES (1998), INTERNATIONAL CHAMBER OF COMMERCE PUBLICATION NO. 590 (THE "ISP") AND, AS TO MATTERS NOT GOVERNED BY THE ISP, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 10.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, the Collateral Agent, any Lender or the Issuing Bank in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement or any provision hereof nor any Loan Document or any provision thereof may be waived, amended or modified except pursuant to an

agreement or agreements in writing entered into by the Borrower and the Required Lenders; provided, however, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan or any date for reimbursement of an L/C Disbursement, or waive or excuse any such payment or any part thereof, or decrease the rate of interest on any Loan or L/C Disbursement, without the prior written consent of each Lender directly adversely affected thereby, (ii) increase or extend the Commitment or decrease or extend the date for payment of any Fees of any Lender without the prior written consent of such Lender, (iii)(A) amend or modify the pro rata requirements of Section 2.17, the provisions of Section 10.04(j) or the provisions of this Section or (B) release one or more Guarantors representing all or substantially all of the value of the Guaranty (other than in connection with the sale of such Guarantor in a transaction permitted by Section 7.06) or all or substantially all of the Collateral, in each case without the prior written consent of each Lender except, in the case of this clause (B), as may be expressly permitted hereby or by any Security Document (as such documents are in effect on the date hereof or, if later, the date of execution and delivery thereof in accordance with the terms hereof), (iv) modify the protections afforded to an SPV pursuant to the provisions of Section 10.04(i) without the written consent of such SPV or (v) reduce the percentage contained in the definition of the term "Required Lenders" without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Commitments on the date hereof); provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Issuing Bank hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Issuing Bank. Notwithstanding anything to the contrary herein, (x) in addition to Liens the Collateral Agent is authorized to release pursuant to Article IX and in accordance with clause (iii)(B) above, the Collateral Agent may, in its discretion, release the Lien on Collateral valued in the aggregate not in excess of $10,000,000 in any fiscal year without the consent of any Lender and the Collateral Agent may release Liens on Collateral upon instructions of the Authorized Applicable Representative (as defined in the Security Agreement) pursuant to the Security Agreement and (y) in connection with the incurrence by any Loan Party or any Subsidiary thereof of any Additional Indebtedness, each of the Administrative Agent and the Collateral Agent agree to execute and deliver amendments, waivers, supplements or other modifications to the Security Agreement, the Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement or any Intercreditor Agreement Supplement and amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Security Document (including but not limited to any Mortgages and UCC fixture filings), and to make or consent to any filings or take any other actions in connection therewith, as may be reasonably deemed by the Borrower to be necessary or reasonably desirable for any Lien on the assets of any Loan Party permitted to secure such Additional Indebtedness to become a valid, perfected lien (with such priority as may be designated by the relevant Loan Party or Subsidiary, to the extent such priority is permitted by the Loan

Documents) pursuant to the Security Document being so amended, amended and restated, restated, waived, supplemented or otherwise modified or otherwise. Notwithstanding any provision herein to the contrary, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents, except to the extent the consent of such Lender would be required under clause (i) in the proviso to the first sentence of Section 10.08(b), (ii) no Disqualified Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and (iii) any waiver, amendment or modification that by its terms solely adversely affects the rights or duties under this Agreement of Lenders holding Loans or Commitments that are Initial Revolving Loans, Incremental Revolving Loans, Extended Revolving Loans or Specified Refinancing Loans or Initial Revolving Commitments, Incremental Commitments, Extended Revolving Commitments or Specified Refinancing Facility, as the case may be (such relevant Tranche of Loans or Commitments, the "Affected Tranche"), may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the Affected Tranche of Lenders that would be required to consent thereto under this Section if Lenders of such Affected Tranche were the only Lenders hereunder at the time.

(c) The Administrative Agent and the Borrower may amend this Agreement or any other Loan Document without the consent of any Lender to cure any ambiguity, mistake, omission, defect or inconsistency, in each case without the consent of any other Person. Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document.

(d) Notwithstanding any provision herein to the contrary, any Security Document, Junior Lien Intercreditor Agreement, Other Intercreditor Agreement or Intercreditor Agreement Supplement may be amended (or amended and restated), restated, waived, supplemented or modified as contemplated by and in accordance with paragraph (b) above with the written consent of the Agent party thereto and the Loan Party party thereto.

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facility and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility or Tranche hereunder and (z) to provide class protection for any additional credit facilities.

(f) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as

contemplated by Section 10.08(b), the consent of each Lender, each Lender or each affected Lender, as applicable, is required and the consent of the Required Lenders at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such other Lender, a "Non-Consenting Lender") then the Borrower may, on notice to the Administrative and the Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.04 (with the assignment fee and any other costs and expenses to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans, Commitments and participations so assigned shall be paid in full by the assignee Lender (or, at their option, by the Borrower) to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) prepay the Loans and, if applicable, terminate the Commitments of such Non-Consenting Lender, in whole or in part, subject to Section 10.05, without premium or penalty. In connection with any such replacement under this Section 10.08(f), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Non-Consenting Lender relating to the Loans, Commitments and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender.

(g) Notwithstanding any provision herein to the contrary, (x) this Agreement and the other Loan Documents may be amended in accordance with Section 2.24 to incorporate the terms of any Incremental Commitments (including to add a new revolving facility under this Agreement with respect to any Incremental Revolving Commitment) with the written consent of the Borrower and the Lenders providing such Incremental Commitments, provided that if such amendment includes an Incremental Commitment of a bank or other financial institution that is not at such time a Lender or an affiliate of a Lender, the inclusion of such bank or other financial institution as an Additional Lender shall be subject to the Administrative Agent's consent (not to be unreasonably withheld or delayed) at the time of such amendment, (y) the scheduled date of maturity of any Loan owed to any Lender or any Commitment of any Lender may be extended, and this Agreement and the other Loan Documents may be amended to effect such extension in accordance with Section 2.25, with the written consent of the Borrower and the Extending Lenders, as contemplated by Section 2.25 or otherwise and (z) this Agreement and the other Loan Documents

may be amended in accordance with Section 2.26 to incorporate the terms of any Specified Refinancing Facilities with the written consent of the Borrower and the Specified Refinancing Lenders. Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Section 2.12, 2.13, 2.17, 2.18 or 10.06 hereof, may be amended as set forth in the immediately preceding sentence pursuant to any Incremental Commitment Amendment, any Extension Amendment or Specified Refinancing Amendment, as the case may be, to provide for non-pro rata borrowings and payments of any amounts hereunder as between any Tranches, including the Commitments, Loans, any Incremental Commitments or Incremental Loans, any Extended Tranche and any Specified Refinancing Tranche, or to provide for the inclusion, as appropriate, of the Lenders of any Incremental Commitments or Incremental Loans, any Extended Tranche or any Specified Refinancing Tranche in any required vote or action of the Required Lenders or of the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower) to execute any amendment referred to in this clause (g) or an acknowledgement thereof.

(h) Notwithstanding any provision to the contrary set forth in this Agreement, in the event the Administrative Agent determines, pursuant to and in accordance with Section 2.08, that adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate and the Administrative Agent and the Borrower mutually determine that a comparable successor rate, at such time, has been broadly accepted by the syndicated loan market, then the Administrative Agent and Borrower may, without the consent of any Lender, amend this Agreement to adopt such new broadly accepted successor rate and to make such other changes as shall be necessary or appropriate in the good faith determination of the Administrative Agent and the Borrower in order to implement such new market standard herein and in the other Loan Documents.

(i) Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Borrower may make one or more loan modification offers to all the Lenders of any Facility that would, if and to the extent accepted by any such Lender, (a) change the Applicable Margin, premium and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered), (b) add any additional or different financial or other covenants or other provisions that are agreed between the Borrower, the Administrative Agent and the accepting Lenders; provided that such covenants and provisions are applicable only during periods after the Initial Revolving Maturity Date and (c) treat the Loans and Commitments so modified as a new "Facility" and a new "Tranche" for all purposes under this Agreement; provided that (i) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (ii) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or any Issuing Bank, without its prior written consent. In

connection with any such loan modification, the Borrower and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Borrower and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the loan modification offer) (each such accepting Lender, a "Modifying Lender")) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of, and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" or a "Tranche" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion (each such non-accepting Lender, a "Non-Modifying Lender"). The Borrower shall have the right, at its sole expense and effort (A) to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower to each become a substitute Lender and assume all or part of the Commitment of any Non-Modifying Lender and the Borrower, the Administrative Agent and any such substitute Lender shall execute and deliver, and such Non-Modifying Lender shall thereupon be deemed to have executed and delivered, a duly completed Assignment and Acceptance to effect such substitution or (B) upon notice to the Administrative Agent, to prepay the Loans and, at the Borrower's option, terminate the Commitments of such Non-Modifying Lender, in whole or in part, without premium or penalty. If any L/C Exposure exist at the time a Lender becomes a Non-Modifying Lender then:

(i) all or any part of such L/C Exposure shall be reallocated among the Modifying Lenders in accordance with their respective Revolving Commitment Percentages but only to the extent the sum of all Modifying Lenders' Revolving Exposures plus such Non-Modifying Lender's L/C Exposures does not exceed the total of all Modifying Lenders' Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent, cash collateralize such Non-Modifying Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) on terms reasonably satisfactory to the Issuing Bank for so long as such L/C Exposure is outstanding;

(iii) if any portion of such Non-Modifying Lender's L/C Exposure is cash collateralized pursuant to clause (ii) above, the Borrower shall not be required to pay the Issuing Bank Fee pursuant to Section 2.05(c) for participation with respect to such portion of such Non-Modifying Lender's L/C Exposure so long as it is cash collateralized; or

(iv) if any portion of such Non-Modifying Lender's L/C Exposure is reallocated to the Modifying Lenders pursuant to clause (i) above, then the letter of credit commission with respect to such portion shall be allocated among the Modifying Lenders in accordance with their Revolving Commitment Percentages.

Section 10.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any L/C Disbursement, together with all fees, charges and other amounts which are treated as interest on such Loan or participation in such L/C Disbursement under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation in accordance with applicable law, the rate of interest payable in respect of such Loan or participation hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation but were not payable as a result of the operation of this Section 10.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 10.10. Entire Agreement. This Agreement, the Fee Letters and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder (including any Affiliate of the Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 10.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

Section 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, to the maximum extent permitted by law, the validity, legality and enforceability

of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 10.13. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 10.03. Delivery of an executed signature page to this Agreement by facsimile or other customary means of electronic transmission (e.g., a "pdf" or "tiff") shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 10.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 10.15. Jurisdiction; Consent to Service of Process. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court", and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Revolving Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 10.15 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this sub-clause (a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding;

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to sub-clause (a) above, to bring

any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Administrative Agent, as the case may be, at the address specified in Section 10.01 or at such other address of which the Administrative Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right to sue in any other jurisdiction; and

(e) without limiting the obligations of the Borrower under Section 10.05(b), waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 10.15 any consequential or punitive damages.

Section 10.16. Confidentiality. Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel, other advisors and numbering, administration and settlement service providers (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as those of this Section 10.16 to (i) any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any Subsidiary or any of their respective obligations, (f) with the consent of the Borrower or (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.16. For the purposes of this Section, "Information" shall mean all information received from the Borrower and related to the Borrower or Holdings or their business, other than any such information that was available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis prior to its disclosure by or on behalf of the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 10.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Acceptance, the provisions of this Section 10.16 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

Section 10.17. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 10.17 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.18. USA PATRIOT Act Notice. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name and address of the Borrower and the other Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the USA PATRIOT Act.

Section 10.19. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.20. Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of creditor and debtor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby and thereby among the Lenders or among the Borrower and the Lenders.

Section 10.21. Reaffirmation. The Borrower hereby: (i) reaffirms each Lien granted by it to the Collateral Agent for the benefit of the Revolving Secured Parties, (ii) acknowledges and agrees that the grants of security interests by it contained in the Security Agreement are, and shall remain, in full force and effect after giving effect to this Agreement, (iii) acknowledges and agrees that the Secured First Lien Obligations include, among other things and without limitation, the performance by it of its obligations (including payment of principal and interest when due) under this Agreement and (iv) acknowledges and agrees that (x) the Lenders are Revolving Secured Parties and Secured First Lien Parties and (y) the Obligations are Revolving Obligations. Terms used in this Section and not otherwise defined in this Agreement shall have the meaning given to such terms in the Security Agreement.

TABLE OF CONTENTS

SUBSIDIARY GUARANTY

SUBSIDIARY GUARANTY dated as of January 31, 2018 (the "**Guaranty**") made by the Persons listed on the signature pages hereof under the caption "Subsidiary Guarantors" and the Additional Guarantors (as defined in Section 9) (such Persons so listed and the Additional Guarantors being, collectively, the "**Guarantors**" and, individually, a "**Guarantor**") and, solely with respect to the reaffirmation in Section 18, WMG Holdings Corp., a Delaware corporation ("**Holdings**"), in favor of the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENT

WHEREAS, WMG Acquisition Corp., a Delaware corporation (the "**Borrower**") and a direct or indirect parent of each Guarantor, will, on the date hereof, enter into a revolving Credit Agreement (as amended, supplemented, waived or otherwise modified from time to time, the "**Credit Agreement**") dated January 31, 2018, among the Borrower, each Lender from time to time party thereto (collectively, the "**Lenders**") and Credit Suisse AG as administrative agent (the "**Administrative Agent**"). Capitalized terms used herein without definition shall have the meaning assigned thereto in the Credit Agreement.

WHEREAS, each Guarantor may receive, directly or indirectly, a portion of the proceeds of the Loans under the Credit Agreement and will derive substantial direct and indirect benefits from the transactions contemplated by the Loan Documents and the Secured Hedge Agreements (together with all instruments, agreements or other documents evidencing Cash Management Obligations, the "**Finance Documents**"). It is a condition to the effectiveness of the Credit Agreement and the entry by the Hedge Banks into Secured Hedge Agreements from time to time that each Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to enter into the Credit Agreement and the Hedge Banks to enter into Secured Hedge Agreements from time to time, each Guarantor, jointly and severally with each other Guarantor, hereby agrees as follows:

Section 1. *Guaranty; Limitation of Liability*. (a) Each Guarantor hereby, jointly and severally, absolutely, unconditionally and irrevocably guarantees to the Administrative Agent, for the benefit of the applicable Secured Parties, the punctual payment, when due and payable, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each Loan Party (each, an "**Obligor**") now or hereafter existing (such Obligations being the "**Guaranteed Obligations**"). Without limiting the generality of the foregoing and subject to the following sentence, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in

respect of the Finance Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor. Notwithstanding anything to the contrary contained in this Guaranty or any provision of any other Loan Document, the Guaranteed Obligations shall not extend to or include any Excluded Swap Obligation (as defined below).

In this Guaranty, "**Excluded Swap Obligation**" means, with respect to any Guarantor, any obligation (a "**Swap Obligation**") to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of section 1a(47) of the Commodity Exchange Act, if, and to the extent that, all or a portion of the guarantee of such Guarantor of, or the grant by such Guarantor of a security interest for such Swap Obligation is or becomes illegal under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof).

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guaranty and the Guaranteed Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of, and not otherwise be in violation of, the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the Guaranteed Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the Guaranteed Obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount that can be guaranteed by such Guarantor under applicable law and that will otherwise result in the Guaranteed Obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Guaranty Absolute*. Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Finance Documents. The Guaranteed Obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Borrower or any other Obligor or whether the Borrower or any other Obligor is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and

unconditional irrespective of, and each Guarantor hereby irrevocably waives, to the maximum extent permitted by applicable law, any defenses it may now have or hereafter acquire arising out of or in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Finance Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Obligor under or in respect of the Finance Documents, or any other amendment or waiver of or any consent to or departure from any Finance Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Obligor or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to or departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Obligor under the Finance Documents or any other assets of any Obligor or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Obligor or any of its Subsidiaries;

(f) any failure of any Secured Party to disclose to any Obligor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor now or hereafter known to such Secured Party (each Guarantor waiving, to the maximum extent permitted under applicable law, any duty on the part of the Secured Parties to disclose such information);

(g) the failure of any other Person to execute or deliver this Guaranty, any Guaranty Supplement (as hereinafter defined) or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations;

(h) any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect to the Finance Documents; or

(i) any other circumstance or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety (other than the payment in full in cash of the Guaranteed Obligations).

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Obligor or otherwise, all as though such payment had not been made.

Section 3. *Waivers and Acknowledgments*. (a) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor herby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Obligors, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Guaranteed Obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives, to the maximum extent permitted by applicable law, any defense to the recovery by the Administrative Agent and the other Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives, to the maximum extent permitted by applicable law, any duty on the part of any Secured Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Obligor or any of its Subsidiaries now or hereafter known by such Secured Party.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits.

Section 4. *Right of Contribution*. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths (as defined below) of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 5 below. The provisions of this Section 4 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the other Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder.

In this Guaranty, "**Adjusted Net Worth**" means, of any Guarantor at any time, the greater of (x) $0 and (y) the amount by which the fair saleable value of such Guarantor's assets on the date of the respective payment hereunder exceeds its debts and other liabilities (including contingent liabilities, but without giving effect to any of its obligations under this Guaranty or any other Loan Document, or pursuant to its guarantee with respect to any Indebtedness then outstanding under the Senior Term Loan Agreement, the 2014 Senior Secured Notes, the 2016 Senior Secured Notes, the 2014 Unsecured Notes or any Additional Indebtedness) on such date.

Section 5. *Subrogation*. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower or any other Obligor that arise from the existence, payment, performance or enforcement of such Guarantor's Obligations under or in respect of this Guaranty or any other Finance Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against the Borrower or any other Obligor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Obligor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until (1) the payment in full in cash of such

Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (2) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (3) the termination of all Commitments. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to (1) the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (2) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (3) the termination of all Commitments, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Finance Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. Upon (1) the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (2) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (3) the termination of all Commitments, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

Section 6. *Payments*. Any and all payments by any Guarantor under this Guaranty or any other Loan Document shall be made in accordance with the terms of the Credit Agreement.

Section 7. *Covenants*. Each Guarantor covenants and agrees that, until (1) the payment in full in cash of such Guaranteed Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (2) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (3) the termination of all Commitments, such Guarantor will perform and observe, and cause each of its Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents on its or their part to be performed or observed or that the Borrower has agreed to cause such Guarantor or such Restricted Subsidiaries to perform or observe.

Section 8. *Amendments, Release of Guarantors, Etc*. No amendment or waiver of any provision of this Guaranty and no consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and the Guarantors (with the consent of the requisite number of Lenders specified in the Credit Agreement, if applicable) and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. A Guarantor shall automatically be released from this Guaranty and its obligations hereunder upon (i) the sale or other disposition of all of the Equity Interests of such Guarantor (to a Person other than the Borrower or a Guarantor) as permitted under the Credit Agreement or (ii) consummation of any other transaction or designation permitted by the Credit Agreement as a result of which such Guarantor becomes an Excluded Subsidiary. The Administrative Agent will, at such Guarantor's expense, execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request to evidence the release of such Guarantor from its Guarantee hereunder pursuant to this Section 8; provided that such Guarantor shall have delivered to the Administrative Agent a written request therefor and a certificate of such Guarantor to the effect that the transaction is in compliance with the Loan Documents. The Administrative Agent shall be authorized to rely on any such certificate without independent investigation.

Section 9. *Guaranty Supplements*. Upon the execution and delivery by any Person of a guaranty supplement in substantially the form of Exhibit A hereto (each, a "**Guaranty Supplement**"), (a) such Person shall be referred to as an "**Additional Guarantor"** and shall become and be a Guarantor hereunder, and each reference in this Guaranty to a "**Guarantor**" shall also mean and be a reference to such Additional Guarantor, and each reference in any other Loan Document to a "**Guarantor**" or "**Subsidiary Guarantor**" shall also mean and be a reference to such Additional Guarantor, and (b) each reference herein to "**this Guaranty**", "**hereunder**", "**hereof**" or words of like import referring to this Guaranty, and each reference in any other Loan Document to the "**Guaranty**" or the "**Subsidiary Guaranty**", "**thereunder**", "**thereof**" or words of like import referring to this Guaranty, shall mean and be a reference to this Guaranty as supplemented by such Guaranty Supplement.

Section 10. *Notices, Etc*. All notices and other communications provided for hereunder shall be in writing (including e-mail or fax communication) and mailed, e-mailed, faxed or delivered to it, if to any Guarantor, addressed to it in care of the Borrower at the Borrower's address specified in Section 10.01 of the Credit Agreement, if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party, if to the Administrative Agent, the Issuing Bank or any Lender, at its address specified in Section 10.01 of the Credit Agreement, or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.01 of the Credit Agreement. Delivery by a facsimile or

electronic pdf copy of an executed counterpart of a signature page to any amendment or waiver of any provision of this Guaranty or of any Guaranty Supplement to be executed and delivered hereunder shall be effective as delivery of an original executed counterpart thereof.

Section 11. *No Waiver; Remedies*. No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 12. *Right of Set-off*. If an Event of Default under Section 8.01(a) of the Credit Agreement shall have occurred and be continuing or the Loans have become due and payable pursuant to Section 8.02 of the Credit Agreement, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of any Guarantor against any of and all the Obligations of such Guarantor now or hereafter existing under this Guaranty or any other Loan Documents, irrespective of whether or not such Lender shall have made any demand under this Guaranty or such other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 12 are in addition to other rights and remedies (including other rights of set-off) which such Lender may have.

Section 13. *Continuing Guaranty; Assignments under the Credit Agreement*. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until (i) the payment in full in cash of such Obligations that are accrued and payable, other than obligations under Secured Hedge Agreements and Cash Management Obligations, (ii) the termination or expiration (or the cash collateralizing or backstopping on terms agreed to by the Issuing Bank) of all Letters of Credit and (iii) the termination of all Commitments, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their permitted successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, each Lender may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement as and to the extent permitted under Section 10.04 of the Credit Agreement. Except as expressly provided in the Credit Agreement, no Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Administrative Agent and each Lender.

Section 14. *Execution in Counterparts*. This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and

the same agreement. Delivery of an executed counterpart of a signature page to this Guaranty by facsimile or electronically via pdf shall be effective as delivery of an original executed counterpart of this Guaranty.

Section 15. *GOVERNING LAW*. THIS GUARANTY AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS GUARANTY (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 16. *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS GUARANTY OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 16.

Section 17. *Jurisdiction; Consent to Service of Process*. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Guaranty and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "**New York Supreme Court**"), and the United States District Court for the Southern District of New York (the "**Federal District Court**", and together with the New York Supreme Court, the "**New York Courts**") and appellate courts from either of them; provided that nothing in this Guaranty shall be deemed or operate to preclude (i) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (ii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and

(iii) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this sub-clause (a) (after giving effect to the applicability of clauses (i) through (iii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding;

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (iii) of the proviso to sub-clause (a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected in the manner provided for notices in Section 10. Nothing in this Guaranty will affect the right of any party to this Guaranty to serve process in any other manner permitted by law or (subject to sub-clause (a) above) shall limit the right to sue in any other jurisdiction; and

(d) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 17 any consequential or punitive damages.

Section 18. *Reaffirmation.* Each of Holdings and each Guarantor hereby: (i) reaffirms each Lien granted by it to the Collateral Agent for the benefit of the Revolving Secured Parties, (ii) acknowledges and agrees that the grants of security interests by it contained in the Security Agreement (as defined below) are, and shall remain, in full force and effect after giving effect to the Credit Agreement, (iii) acknowledges and agrees that the Secured First Lien Obligations include, among other things and without limitation, the performance by the Borrower of its obligations (including payment of principal and interest when due) under the Credit Agreement and (iv) acknowledges and agrees that (x) the Lenders are Revolving Secured Parties and Secured First Lien Parties and (y) the Obligations (as defined in the Credit Agreement) are Revolving Obligations. Terms used in this Section and not otherwise defined in this Agreement or in the Credit Agreement shall have the meaning given to such terms in the Security Agreement, dated as of November 1, 2012, among the Borrower, Holdings, the Administrative Agent and the other parties thereto from time to time, as amended on or prior to the date hereof.

Subsidiary Guaranty

FORM OF SUBSIDIARY GUARANTY SUPPLEMENT

Credit Suisse AG, as Administrative Agent
Eleven Madison Avenue
New York, NY 10010

RE: Credit Agreement dated as of January 31, 2018 among WMG Acquisition Corp. (the "**Company**"), each Lender from time to time party thereto and Credit Suisse AG as administrative agent (the "**Administrative Agent**").

Ladies and Gentlemen:

Reference is made to the above-captioned Credit Agreement and to the Subsidiary Guaranty referred to therein (such Subsidiary Guaranty, as in effect on the date hereof and as it may hereafter be amended, supplemented, waived or otherwise modified from time to time, together with this Subsidiary Guaranty Supplement (the "**Guaranty Supplement**"), being the "**Subsidiary Guaranty**"). The capitalized terms defined in the Subsidiary Guaranty or in the Credit Agreement and not otherwise defined herein are used herein as therein defined.

Section 1. *Guaranty; Limitation of Liability*. (a) The undersigned hereby, jointly and severally with the other Guarantors, absolutely, unconditionally and irrevocably guarantees to the Administrative Agent, for the benefit of the applicable Secured Parties, the punctual payment, when due and payable, whether at scheduled maturity or by acceleration, demand or otherwise, of all Obligations of each other Obligor now or hereafter existing (such Obligations being the "**Guaranteed Obligations**"). Without limiting the generality of the foregoing and subject to the following sentence, the undersigned's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Obligor to any Secured Party under or in respect of the Finance Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Obligor. Notwithstanding anything to the contrary contained in this Guarantee Supplement or any provision of any other Loan Document, the Guaranteed Obligations shall not extend to or include any Excluded Swap Obligation (as defined below).

In this Guarantee Supplement, "**Excluded Swap Obligation**" means, with respect to any Guarantor, any obligation (a "**Swap Obligation**") to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of section 1a(47) of the Commodity Exchange Act, if, and to the extent that, all or a portion of the guarantee of such Guarantor of, or the grant by such Guarantor of a security interest for such Swap Obligation is or becomes illegal under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof).

(b) The undersigned, and by its acceptance of this Guaranty Supplement, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guaranty Supplement, the Subsidiary Guaranty and the Guaranteed Obligations of the undersigned hereunder and thereunder not constitute a fraudulent transfer or conveyance for purposes of, and not otherwise be in violation of, the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty Supplement, the Subsidiary Guaranty and the Guaranteed Obligations of the undersigned hereunder and thereunder. To effectuate the foregoing intention, the Administrative Agent, the other Secured Parties and the undersigned hereby irrevocably agree that the Guaranteed Obligations of the undersigned under this Guaranty Supplement and the Subsidiary Guaranty at any time shall be limited to the maximum amount that can be guaranteed by such Guarantor under the applicable law and that will otherwise result in the Guaranteed Obligations of the undersigned under this Guaranty Supplement and the Subsidiary Guaranty not constituting a fraudulent transfer or conveyance.

(c) The undersigned hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty Supplement and the Guaranty, the undersigned will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Finance Documents.

Section 2. *Obligations Under the Guaranty*. The undersigned hereby agrees, as of the date first above written, to be bound as a Guarantor by all of the terms and conditions of the Subsidiary Guaranty to the same extent as each of the other Guarantors thereunder. The undersigned further agrees, as of the date first above written, that each reference in the Subsidiary Guaranty to an "**Additional Guarantor**" or a "**Guarantor**" shall also mean and be a reference to the undersigned, and each reference in any other Loan Document to a "**Subsidiary Guarantor**", a "**Loan Party**" or an "**Obligor**" shall also mean and be a reference to the undersigned.

Section 3. *Electronic Delivery*. Delivery of an executed counterpart of a signature page to this Guaranty Supplement by facsimile or electronically via pdf shall be effective as delivery of an original executed counterpart of this Guaranty Supplement.

Section 4. *GOVERNING LAW*. THIS GUARANTY SUPPLEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS GUARANTY SUPPLEMENT AND THE SUBSIDIARY GUARANTY (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF

LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 5. *WAIVER OF JURY TRIAL*. THE UNDERSIGNED HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS GUARANTY SUPPLEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY SUPPLEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.

Section 6. *Jurisdiction; Consent to Service of Process*. The undersigned hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Guaranty Supplement and the other Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "**New York Supreme Court**"), and the United States District Court for the Southern District of New York (the "**Federal District Court**", and together with the New York Supreme Court, the "**New York Courts**") and appellate courts from either of them; provided that nothing in this Guaranty Supplement shall be deemed or operate to preclude (i) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (ii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iii) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this sub-clause (a) (after giving effect to the applicability of clauses (i) through (ii) of this proviso) would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding;

(b) consents that any such action or proceeding may be brought in such courts, agrees, subject to clauses (i) through (ii) of the proviso to sub-clause (a) above, to bring any such action or proceeding in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected in the manner provided for notices in Section 10 of the Subsidiary Guaranty. Nothing in this Guaranty Supplement will affect the right of the party to this Guaranty Supplement to serve process in any other manner permitted by law or (subject to sub-clause (a) above) shall limit the right to sue in any other jurisdiction; and

(d) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 6 any consequential or punitive damages.

Very truly yours,

[NAME OF ADDITIONAL GUARANTOR]

FIRST AMENDMENT

FIRST AMENDMENT TO CREDIT AGREEMENT (this "First Amendment"), dated as of October 9, 2019 among WMG Acquisition Corp. (the "Borrower") and Credit Suisse AG, as Administrative Agent (the "Administrative Agent"). Unless otherwise indicated, all capitalized terms used herein and not otherwise defined shall have the respective meanings provided such terms in the Credit Agreement referred to below (as amended by this First Amendment).

W I T N E S S E T H :

WHEREAS, the Borrower, the Lenders from time to time party thereto and the Administrative Agent are parties to a Credit Agreement, dated as of January 31, 2018 (as amended, restated, amended and restated, waived or otherwise modified prior to the date hereof, the "Existing Credit Agreement" and, as amended hereby, the "Credit Agreement");

WHEREAS, the Borrower has identified an ambiguity, mistake, omission, defect or inconsistency affecting the definition of "Excluded Contribution" in Section 1.01 and the second proviso of Section 7.02(b)(iv), in each case of the Existing Credit Agreement;

WHEREAS, pursuant to Section 10.08(c) of the Existing Credit Agreement, the Administrative Agent and the Borrower have agreed to amend the Existing Credit Agreement to cure such ambiguity, mistake, omission, defect or inconsistency as set forth herein;

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent and the Borrower hereby agree as follows:

SECTION 1 - Credit Agreement Amendments. Subject to the satisfaction of the conditions set forth in Section Two hereof:

(1) The definition of "Excluded Contribution" in Section 1.01 of the Credit Agreement is hereby amended by replacing the words "made and not utilized prior to the Issue Date under, and as defined in, the Senior Unsecured Notes Indenture" with the words "made and not utilized under the Senior Unsecured Notes Indenture prior to the Closing Date" in the last line of such definition; and

(2) The second proviso of Section 7.02(b)(iv) of the Credit Agreement is hereby amended to delete the stricken text and to add the underlined text as set forth in the provision below:

and provided, further, that such amount in any calendar year may be increased by an amount not to exceed (A) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Borrower and, to the extent contributed to the Borrower, Equity Interests of any of its direct or indirect parent companies or employee investment vehicles, in each case to any future, present or former employee, director or consultant of the Borrower, any of its Subsidiaries or any of its direct or indirect parent companies that occurs after the Restatement

Date plus (B) the amount of any cash bonuses otherwise payable to any future, present or former employee, director or consultant of the Borrower or any of its Subsidiaries or any of its direct or indirect parent companies that are foregone in return for the receipt of Equity Interests or the Borrower or any direct or indirect parent company of the Borrower or any employee investment vehicle pursuant to deferred compensation plan of such corporation plus (C) the cash proceeds of key man life insurance policies received by the Borrower or its Restricted Subsidiaries after the Restatement Date plus (D) the amount available as of the Restatement Date for making Restricted Payments pursuant to Section 8.2(b)(iv) of the Senior Term Loan Agreement (provided that the Borrower may elect to apply all or any portion of the aggregate increase contemplated by clauses (A), (B), (C) and (D) above in any calendar year) less (E) the amount of any Restricted Payments previously made pursuant to clauses (A), (B), (C) and (D) of this clause (iv);

SECTION 2 - Conditions to Effectiveness of the First Amendment. This First Amendment shall become effective on the date (the "First Amendment Effective Date") when each of the following conditions shall have been satisfied:

(1) The Administrative Agent shall have received counterparts of this First Amendment executed by the Borrower and the Administrative Agent.

(2) The Borrower shall have reimbursed the Administrative Agent for (i) all of its reasonable out-of-pocket costs and expenses incurred in connection with this First Amendment, any other documents prepared in connection herewith and the transactions contemplated hereby, and (ii) the reasonable documented fees, charges and disbursements of counsel to the Administrative Agent.

The Administrative Agent shall give prompt notice in writing to the Borrower of the occurrence of the First Amendment Effective Date.

SECTION 3 - Representations and Warranties; No Default. In order to induce the Administrative Agent to consent to this First Amendment, the Borrower represents and warrants to each of the Lenders and the Administrative Agent that on and as of the date hereof after giving effect to this First Amendment:

(1) No Default or Event of Default has occurred and is continuing.

(2) The representations and warranties of the Loan Parties set forth in Article V of the Credit Agreement are true and correct in all material respects on and as of the date hereof with the same effect as though made on and as of such date, except that (i) to the extent that such representations and warranties specifically refer to an earlier date, they are true and correct in all material respects as of such earlier date, (ii) the representations and warranties contained in Section 5.05(a) of the Credit Agreement shall be deemed to refer to the most recent statements furnished pursuant to Section 6.01(a) of the Credit Agreement and (iii) any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified.

(3) The execution, delivery and performance of this First Amendment (i) are within the Borrower's corporate powers and have been duly authorized by all necessary corporate action and (ii) do not and will not (A) contravene the terms of the Borrower's Organization Documents; (B) conflict with or result in any breach or contravention of, or require any payment to be made under, (x) any Contractual Obligation to which the Borrower is a party or affecting the Borrower or the properties of the Borrower or any of its Restricted Subsidiaries or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which the Borrower or its property is subject; or (C) violate any Law; except in the case of clauses (ii)(B) and (ii)(C) to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

(4) This First Amendment has been duly executed and delivered by the Borrower and constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as such enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

SECTION 4 - Reference to and Effect on the Credit Agreement and the Notes; Acknowledgements.

(1) On and after the effectiveness of this First Amendment, each reference in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to "the Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by this First Amendment. The Credit Agreement and each of the other Loan Documents, as specifically amended by this First Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. The execution, delivery and effectiveness of this First Amendment shall not, except as expressly provided herein, operate as an amendment or waiver of any right, power or remedy of any Lender or any Agent under any of the Loan Documents, nor constitute an amendment or waiver of any provision of any of the Loan Documents. For the avoidance of doubt, this First Amendment shall constitute a Loan Document for all purposes of the Loan Documents.

(2) Without limiting the foregoing, each of the Loan Parties party to the Guaranty and the Security Agreement hereby (i) acknowledges and agrees that all of its obligations under the Guaranty and the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (ii) reaffirms each Lien granted by each Loan Party to the Collateral Agent for the benefit of the Secured Parties and reaffirms the guaranties made pursuant to the Guaranty, (iii) acknowledges and agrees that the grants of security interests by and the guaranties of the Loan Parties contained in the Guaranty and the Security Agreement are, and shall remain, in full force and effect after giving effect to this First Amendment, and (iv) agrees that all Obligations are Guaranteed Obligations (as defined in the Guaranty).

(3) Without limiting the foregoing, Holdings, as party to the Security Agreement hereby (i) acknowledges and agrees that all of its obligations under the Security Agreement are reaffirmed and remain in full force and effect on a continuous basis, (ii) reaffirms each Lien granted it to the

Collateral Agent for the benefit of the Secured Parties, and (iii) acknowledges and agrees that the grants of security interests by it contained in the Security Agreement are, and shall remain, in full force and effect after giving effect to this First Amendment.

SECTION 5 - Expenses. The Borrower agrees to pay or reimburse the Administrative Agent for (i) all of its reasonable out-of-pocket costs and expenses incurred in connection with this First Amendment, any other documents prepared in connection herewith and the transactions contemplated hereby, and (ii) the reasonable documented fees, charges and disbursements of Davis Polk & Wardwell LLP, as counsel to the Administrative Agent.

SECTION 6 - Execution in Counterparts. This First Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which, when taken together, shall constitute a single contract. Delivery of an executed counterpart of this First Amendment by facsimile transmission or electronic photocopy (i.e., "pdf") shall be effective as delivery of a manually executed counterpart of this First Amendment.

SECTION 7 - Governing Law. THIS FIRST AMENDMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS FIRST AMENDMENT (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

IN WITNESS WHEREOF, the parties hereto have caused this First Amendment to be duly executed and delivered as of the day and year first above written.

Dear Eric:

This letter, when signed by you and countersigned by us ("Company"), shall, subject to your successful completion of the employment application process (including but not limited to completion of a criminal background investigation and reference checks) in accordance with Company's policy to the reasonable satisfaction of Company, constitute our agreement (the "Agreement") with respect to your employment with Company.

1. Position: Executive Vice President and Chief Financial Officer

2. Term: The term of this Agreement (the "Term") shall commence on October 13, 2014 and end on October 12, 2018.

3. Compensation:

(a) Salary: During the Term, Company shall pay you a salary at the rate of $550,000 per annum.

(b) Annual Discretionary Bonus: With respect to each fiscal year of the Term commencing with the fiscal year that begins October 1, 2014 and ends September 30, 2015 (i.e., the 2015 fiscal year), Company shall consider granting to you an annual bonus (or a pro rata portion of such annual bonus for a portion of such fiscal year). (b) Notwithstanding the foregoing, shall not be precluded during the Term from serving as a non-employee director of Forgame Group provided you hereby covenant and agree (i) such activity shall not interfere with the performance of your duties hereunder or conflict with your position with Company ; (ii) you shall recuse yourself from any discussion between, among or involving Forgame Group and its affiliates, on one hand, and Company and its affiliates on the other and (iii) you shall maintain the confidentiality of Company confidential information (including strategic discussions) in accordance with Paragraph 12 hereof.

5. Reporting: You shall at all times work under the supervision and direction of the senior executive officers of Company and shall perform such duties as you shall reasonably be directed to perform by such senior officers.

6. Place of Employment: The greater New York metropolitan area. You shall render services at the offices designated by Company at such location. You also agree to travel on temporary trips to such other place or places as may be required from time to time to perform your duties hereunder.

7. 8. Benefits: While you are employed hereunder, you shall be entitled to all fringe benefits generally accorded to employees of Company at your level from time to time, including, but not limited to, medical health and accident, group insurance and similar benefits, provided that you are eligible under the general provisions of any applicable plan or program and Company continues to maintain such plan or program during the Term. You shall also be entitled to three (3) weeks vacation (with pay) during each calendar year of the Term, which vacation shall be taken at reasonable times to be approved by Company and shall be governed by Company's policies with respect to vacations for executives.

9. Disability/Death: If you shall become physically or mentally incapacitated from performing your duties hereunder, and such incapacity shall continue for a period of three (3) consecutive months or more or for shorter periods aggregating three (3) months or more in any twelve-month period, Company shall have the right (before the termination of such incapacity), at its option, to terminate this Agreement with no consequence, except if such termination would be prohibited by law. Upon termination of this Agreement pursuant to the foregoing, you shall continue to remain employed by Company as an at-will employee. In the event your at-will employment with Company terminates, Company shall pay to you any accrued but unpaid salary to the date of such termination. In the event of your death, this Agreement shall automatically terminate except that Company shall pay to your estate any accrued but unpaid salary through the last day of the month of your death.

10. Termination by Company: Company may at any time during the Term, by written notice, terminate your employment for malfeasance, misfeasance or nonfeasance in connection with the performance of your duties, the cause to be specified in the notice of termination. Without limiting the generality of the foregoing, the following acts shall constitute grounds for termination of employment hereunder: (i) any willful or intentional act or omission having the effect of injuring the reputation, business or business or employment relationships of Company or its affiliates; (ii) conviction of, or plea of nolo contendere to, a misdemeanor involving moral turpitude or a felony; (iii) breach of covenants contained in this Agreement; and (iv) repeated or continuous failure, neglect or refusal to perform your duties hereunder.

11. Consequences of Breach by Company or Non-renewal:

(a) In the event of a "Special Termination" (as defined below) of your employment, your sole remedy shall be that, upon your execution of a Release (as defined below), Company shall pay to you the "Special Termination Payments" (as defined below), and in the event of a "Qualifying Non-renewal" (as defined below), your sole remedy shall be that, upon your execution of a Release, Company shall pay to you the "Non-renewal Payments" (as defined below) provided, Company will cease making Termination Payments (as defined below) if you do not deliver the signed Release within the time period set forth in the Release. In addition, in the event of a Special Termination or Qualifying Non-renewal, Company shall pay to you the "Basic Termination Payments" (as defined below). Special Termination Payments and Non-renewal Payments are sometimes herein referred to collectively as the "Termination Payments." All payments made to you hereunder shall be subject to applicable withholding, social security taxes and other ordinary and customary payroll deductions, including without limitation medical and other insurance premiums.

(b) The "Basic Termination Payments" shall mean any accrued but unpaid salary, accrued vacation pay in accordance with Company policy, any unreimbursed expenses pursuant to Paragraph 7, plus any accrued but unpaid benefits in accordance with Paragraph 8, in each case to the date on which your employment terminates pursuant to an event described in paragraph (d) or (f), below, as applicable (the "Termination Date"). Basic Termination Payments shall be paid to you in accordance with Company policy or in accordance with the terms of the applicable plan.

(c) A "Release" shall mean a release agreement in Company's standard form, which shall include, without limitation, a release by you of Company from any and all claims which you may have relating to your employment with Company and the termination of such employment.

(d) A "Special Termination" shall have occurred in the event that Company terminates your employment hereunder other than pursuant to Paragraph 9 or 10 hereof.

(e) "Special Termination Payments" shall mean the greater of (i) the "Severance Amount" (as defined below) and (ii) the sum of $550,000.

(f) A "Qualifying Non-renewal" shall have occurred in the event that, at the end of the Term: (i) Company declines to offer you continued employment with Company or one of its affiliates; or (ii) Company offers you continued employment with Company or one of its affiliates at a salary lower than your salary as in effect on the last day of the Term, and you elect to decline such offer and terminate your employment with Company.

(g) The "Non-renewal Payments" shall mean the amount of severance pay (the "Severance Amount") that would have been payable to you under Company policy as in effect on the Termination Date had you not been subject to an employment agreement with Company, which amount shall under no circumstance exceed $500,000.

(h) Any Termination Payments payable to you under Paragraph 11(e) or (g) above shall be made by Company in accordance with its regular payroll practices by payment of your salary at the same rate as was in effect as of the Termination Date for the applicable period as is necessary to cause the full amount due under such clause to be paid (the "Payment Period"); provided that if the total Termination Payments payable to you exceed an amount equal to fifty-two weeks of your salary, then the Termination Payments payable to you shall be made in equal periodic payments to you (at such times as Company makes payroll payments to its employees generally) during the fifty-two week period immediately following the date on which your employment terminates. In addition, such Termination Payments shall commence on the next possible pay cycle following the Termination Date; provided that Company shall cease making such payments if the Release is not executed in full within the time period set forth in the Release.

(i) In the event you elect not to execute and deliver a Release in connection with a Special Termination or a Qualifying Non-renewal, Company shall only be obligated to pay to you the Basic Termination Payments. Following the delivery of an executed Release pursuant to this Paragraph 11, you shall have no duty to seek substitute employment,

and Company shall have no right of offset against any amounts paid to you under this Paragraph 11 with respect to any compensation or fees thereafter received by you from any employment thereafter obtained or consultancy arrangement thereafter entered into by you.

(j) In the event of a Special Termination or a Qualifying Non-renewal, during the period commencing immediately following the Termination Date and through the last day of the calendar month in which your termination occurs (such period, the "Benefits Period"), Company shall continue to provide you and your eligible family members with medical health insurance coverage, including dental and vision insurance coverage under the group insurance plan maintained by Company ("Benefits Coverage") in accordance with the terms of the applicable plans, to the extent that you had elected for such coverage prior to the Termination Date. Following the Benefits Period, you may have the right, in accordance with and subject to the Consolidated Omnibus Budget Reconciliation Act, as amended ("COBRA"), at your expense, to elect to continue your and/or your dependents' Benefits Coverage for such additional period of time as is required under COBRA. Further information regarding COBRA coverage, including enrollment forms and premium quotations, will be sent to you separately.

12. Confidential Matters: You shall keep secret all confidential matters of Company and its affiliates (for purposes of this Paragraph 12 and Paragraph 13 only, "Company"), and shall not disclose them to anyone outside of Company, including, for the avoidance of doubt to Forgame Group or any of its affiliates, either during or after your employment with Company, except with Company's prior written consent. You shall deliver promptly to Company upon termination of your employment, or at any time as Company may request, all confidential memoranda, notes, records, reports and other documents (and all copies thereof) relating to the business of Company which you may then possess or have under your control.

13. Non-Solicitation: While you are employed by Company and for a period of one year thereafter, you shall not, without the prior written consent of Company, directly or indirectly, as an employee, agent, consultant, partner, joint venturer, owner, officer, director, member of any other firm, partnership, corporation or other entity, or in any other capacity: (a) solicit, negotiate with, induce or encourage any recording artist (including a duo or a group), publisher or songwriter who at the time is, or who within the one-year period prior to such time was, either directly or through a furnishing entity, under contract to Company or a label distributed by Company, to end its relationship with Company or label, to violate any provision of his or her contract or to enter into an exclusive recording or music publishing agreement with any other party; or (b) solicit, negotiate with, induce or encourage any individual who at the time is, or who within the six-month period prior to such time was, an employee of Company in the United States, to leave his or her employment or to commence employment with any other party.

14. Results and Proceeds of Employment: You acknowledge that Company shall own all rights of every kind and character throughout the world in perpetuity in and to any material and/or ideas written, suggested or in any way created by you hereunder and all other results and proceeds of your services hereunder, including, but not limited to, all copyrightable material created by you within the scope of your employment. You agree to execute and deliver to Company such assignments or other instruments as Company may require from time to time to evidence Company's ownership of the results and proceeds of your services.

15. Notices: All notices, requests, consents and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or sent by prepaid courier, or mailed first-class, postage prepaid, by registered or certified mail, return receipt requested as follows:

TO YOU:	TO COMPANY:
Eric Levin	Warner Music Inc. 1633 Broadway New York, NY 10019 Attn: General Counsel

Either you or Company may change the address to which notices are to be sent by giving written notice of such change of address to the other in the manner herein provided for giving notice.

16. Miscellaneous:

(a) You represent and warrant as follows: (i) you are free to enter into this Agreement and to perform each of the terms and covenants hereunder; (ii) you are not restricted or prohibited, contractually or otherwise, from entering into and performing this Agreement and that your execution of and performance under this Agreement is not a violation or breach of any other agreement and (iii) you have not disclosed to Company or any officer or other affiliate of Company any proprietary information or trade secrets of any former employer or of your current employer (if applicable). You represent and warrant that your current employer has agreed to release you from any contractual commitments (other than with respect to use of confidential information) effective no later than October 13, 2014. Upon request of Company, you will provide or have provided as of the date hereof, Company with a copy of any release document signed by your current employer. You further covenant that you shall not enter into any other agreements (including an extension or amendment of any agreement) that would restrict or prohibit you from entering into or performing under this Agreement.

(b) You acknowledge that while you are employed hereunder you will comply with Company's conflict of interest policy and other corporate policies including, but not limited to, the requirements of Company's compliance and ethics program, as in effect from time to time, of which you are made aware.

(c) You acknowledge that services to be rendered by you under this Agreement are of a special, unique and intellectual character which gives them peculiar value, and that a breach or threatened breach of any provision of this Agreement (particularly, but not limited to, the provisions of Paragraphs 4, 12, 13 and 14 hereof), will cause Company immediate irreparable injury and damage which cannot be reasonably or adequately compensated in damages in an action at law. Accordingly, without limiting any right or remedy which Company may have in such event, you specifically agree that Company shall be entitled to injunctive relief to enforce and protect its rights under this Agreement. The provisions of this Paragraph 16(c) shall not be construed as a waiver by Company of any rights which Company may have to damages or any other remedy.

(d) This Agreement sets forth the entire agreement and understanding of the parties hereto, and supersedes and terminates any and all prior agreements, arrangements and understandings. No representation, promise or inducement has been made by either party that is not embodied in this Agreement, and neither party shall be bound by or liable for any alleged representation, promise or inducement not herein set forth. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission or by email shall be effective as delivery of a manually executed counterpart of this Agreement.

If, notwithstanding the provisions of the foregoing paragraph, any provision of this Agreement or the application hereof is held to be wholly invalid, such invalidity shall not affect any other provisions or application of this Agreement that can be given effect without the invalid provisions or application, and to this end the provisions of this Agreement are hereby declared to be severable.

(e) The provisions of this Agreement shall inure to the benefit of the parties hereto, their heirs, legal representatives, successors and permitted assigns. This Agreement, and your rights and obligations hereunder, may not be assigned by you. By operation of law or otherwise, Company may assign its rights, together with its obligations, hereunder in connection with any sale, transfer or other disposition of all or a substantial portion of the stock or assets of Company.

(f) Nothing contained in this Agreement shall be construed to impose any obligation on Company to renew this Agreement. This Agreement may be amended, modified, superseded, canceled, renewed or extended, and the terms or covenants hereof may be waived, only by a written instrument executed by both of the parties hereto, or in the case of a waiver, by the party waiving compliance. Neither the continuation of employment nor any other conduct shall be

deemed to imply a continuing obligation upon the expiration or termination of this Agreement. Upon the expiration of the Term, the continuation of your employment (if applicable) shall be deemed "at-will." Accordingly, upon the expiration of the Term, your employment with Company shall not be subject to a defined term, but rather, you may terminate your employment with Company at any time and for any reason and Company may terminate your employment at any time and for any reason, and accordingly, in the event of such termination by either party after the expiration of this Agreement, only the provisions of Paragraphs 12, 13 and 14 of this Agreement shall survive and all other provisions of the Agreement, including the provisions relating to Special Termination Payments, shall be void and of no effect. The failure of either party at any time or times to require performance of any provision hereof shall in no manner affect the right at a later time to enforce the same. No waiver by either party of the breach of any term or covenant contained in this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such breach, or a waiver of the breach of any other term or covenant contained in this Agreement.

(g) This Agreement shall be governed by and construed according to the laws of the State of New York as applicable to agreements executed in and to be wholly performed within such State. In the unlikely event that differences arise between the parties relating to or arising from this Agreement that are not resolved by mutual agreement Company and you agree not to demand a trial by jury in any action, proceeding or counterclaim in order to facilitate a judicial resolution and save time and expense of both parties.

17. Section 409A: This Agreement is intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and will be interpreted in a manner intended to comply with Section 409A of the Code (and any related regulations or other pronouncements). Amounts payable under this Agreement shall be deemed not to be a "deferral of compensation" subject to Section 409A of the Code to the extent provided in the exceptions set forth in Treas. Reg. Section 1.409A-1(b)(4) ("short-term deferrals") and Treas. Reg. Section 1.409A-1(b)(9) ("separation pay plans") and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6. References under this Agreement to a termination of your employment shall be deemed to refer to the date upon which you have experienced a "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything herein to the contrary, if (i) at the time of your separation from service with Company you are a "specified employee" as defined in Section 409A of the Code (and any related regulations or other pronouncements thereunder) and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months following your separation from service (or the earliest date as is permitted under Section 409A of the Code), at which point all payments deferred pursuant to this Paragraph 17 shall be paid to you in a lump sum and (ii) any other payments of money or other benefits due to you hereunder could cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to you under this Agreement constitute "deferred compensation" under Section 409A of the Code, any such reimbursements or in-kind benefits shall be paid to you in a manner consistent with Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement shall be designated as a "separate payment" within the meaning of Section 409A of the Code. For the avoidance of doubt, any continued health benefit plan coverage that you are entitled to receive following your termination of employment is expected to be exempt from Section 409A of the Code and, as such, shall not be subject to delay pursuant to this paragraph.

If the foregoing correctly sets forth our understanding, please sign below and return this Agreement to Company.

4. Exclusivity: Your employment with Company shall be full-time and exclusive. During the Term you will not render any services for others, or for your own account, in the field of entertainment or otherwise; provided, however, that to the extent such activities do not interfere with the performance of your duties hereunder, you shall not be precluded from (a) personally, and for your own account, investing or trading in real estate, stocks, bonds, securities, commodities, or other forms of investment for your own benefit, except that your rights hereafter to invest in any business or enterprise principally devoted to any activity which, at the time of such investment, is competitive to any business or enterprise of Company or the subsidiaries or affiliates thereof, shall be limited to the purchase of not more than two percent (2%) of the issued and outstanding stock or other securities of a corporation listed on a national securities exchange or traded in the over-the-counter market; and (b) rendering occasional services to charitable organizations, including, without limitation, serving on boards of such charitable organizations as are approved in advance by Company in writing. 7. 8. Benefits: While you are employed hereunder, you shall be entitled to all fringe benefits generally accorded to employees of Company at your level from time to time, including, without limitation, medical health and accident, group insurance and similar benefits, provided that you are eligible under the general provisions of any applicable plan or program and Company continues to maintain such plan or program during the Term. You shall also be entitled to four (4) weeks of vacation (with pay) during each calendar year of the Term, which vacation shall be taken at reasonable times to be approved by Company and shall be governed by Company's policies with respect to vacations for executives. In addition, you shall be entitled to paid time off with respect to any periods during which paid time off is provided to employees of Company generally (e.g., Christmas/New Year's week if Company closes its office during such period).

9. Disability/Death: If you shall become physically or mentally incapacitated from performing your duties hereunder, and such incapacity shall continue for a period of six (6) consecutive months or more or for shorter periods aggregating six (6) months or more in any twelve-month period, Company shall have the right (during the pendency of such incapacity), at its option, to terminate this Agreement with no consequence, except if such termination would be prohibited by law. Upon termination of this Agreement pursuant to the foregoing, you shall continue to remain employed by Company as an at-will employee. In the event your at-will employment with Company terminates, Company shall pay to you the Basic Termination Payments (as defined below). In the event of your death, this Agreement shall automatically terminate except that Company shall pay to your estate the Basic Termination Payments.

10. Termination:

(a) Termination by Company: Company may at any time during the Term, by written notice, terminate your employment for Cause (as defined below), such Cause to be specified in the notice of termination. Only the following acts shall constitute "Cause" hereunder: (i) any willful or intentional act or omission having the effect, which effect is reasonably foreseeable, of materially injuring the reputation, business, business relationships or employment relationships of Company or its affiliates; (ii) conviction of, or plea of nolo contendere to, a misdemeanor involving theft, fraud, forgery or the sale or possession of illicit substances or a felony; (iii) material breach of material covenants contained in this Agreement; and (iv) repeated or continuous failure, neglect or refusal to perform your material duties hereunder. Notice of termination given to you by Company shall specify the reason(s) for such termination, and in the case where a cause for termination described in clause (iii) or (iv) above shall be susceptible of cure, and such notice of termination is the first notice of termination given to you for such reason, if you fail to cure such cause for termination within ten (10) business days after the date of such notice, termination shall be effective upon the expiration of such ten-business-day period, and if you cure such cause within such ten-business-day period, such notice of termination shall be ineffective. In all other cases, notice of termination shall be effective on the date thereof.

(b) Termination by You:

(i) For purposes of this Paragraph 10(b), Company shall be in breach of its obligations to you hereunder if there shall have occurred any of the following events (each such event being referred to as a "Good Reason"): (A) a material reduction in your title or position as set out in Paragraph 1 shall have been put into effect; (B) you shall have been required to report to anyone other than as provided in Paragraph 5; (C) any monies required to be paid to you hereunder shall not be paid when due under applicable law; (D) Company requires you to relocate your primary residence outside the greater New York metropolitan area in order to perform your duties to Company hereunder or (E) Company assigns its rights and obligations under this Agreement in contravention of the provisions of Paragraph 17(e).

(ii) You may exercise your right to terminate the Term of this Agreement for Good Reason pursuant to this Paragraph 10(b) by notice given to Company in writing specifying the Good Reason for termination within sixty (60) days after the occurrence of any such event constituting Good Reason, otherwise your right to terminate this Agreement by reason of the occurrence of such event shall expire and shall be deemed to have permanently lapsed. Any such termination in compliance with the provisions of this Paragraph 10(b) shall be effective thirty (30) days after the date of your written notice of termination, except that if Company shall cure such specified cause within such thirty-day period, you shall not be entitled to terminate the Term of this Agreement by reason of such specified Good Reason and the notice of termination given by you shall be null and void and of no effect whatsoever.

11. Consequences of Breach by Company or Non-renewal:

(a) In the event of a Special Termination (as defined below) of your employment, your sole remedy shall be that, upon your execution of a Release (as defined below), Company shall pay to you the Special Termination Payments (as defined below), and in the event of a Qualifying Non-renewal (as defined below), your sole remedy shall be that, upon your execution of a Release, Company shall pay to you the Non-renewal Payments (as defined below); provided, Company will cease making Termination Payments (as defined below) if you do not deliver the signed Release within the time period set forth in the Release. In addition, in the event of a Special Termination or Qualifying Non-renewal, Company shall pay to you the Basic Termination Payments. Special Termination Payments and Non-renewal Payments are sometimes herein referred to as the "Termination Payments."

(b) The "Basic Termination Payments" shall mean any accrued but unpaid salary, accrued vacation pay in accordance with Company policy, any unreimbursed expenses pursuant to Paragraph 7, plus any accrued and vested but unpaid benefits in accordance with Paragraph 8, in each case to the date on which your employment terminates (the "Termination Date"). Basic Termination Payments shall be paid to you in accordance with Company policy or in accordance with the terms of the applicable plan.

(c) A "Release" shall mean a mutual release agreement in Company's standard form, which shall include, without limitation, (i) a release by you of Company from any and all claims which you may have relating to your employment with Company and the termination of such employment; and (ii) a release by Company of you from any and all claims which Company may have relating to your employment with Company and the termination of such employment.

(d) A "Special Termination" shall have occurred in the event that (i) Company terminates your employment hereunder other than pursuant to Paragraph 9 or 10(a); or (ii) you terminate your employment pursuant to Paragraph 10(b).

(e) "Special Termination Payments" shall mean the greater of (i) the Severance Amount (as defined below) and (ii) the sum of (A) $1,050,000 plus (B) a pro rata discretionary annual bonus with respect to the fiscal year in which the Termination Date occurs, the amount of which pro rata discretionary annual bonus shall be determined by Company in its sole discretion, which shall be exercised by Company in good faith; provided, that the amount of such pro rata discretionary annual bonus shall in no event be less than the product of (x) $480,000 (i.e., 80% of your target bonus of $600,000) multiplied by (y) a fraction, the numerator of which is the number of days elapsed from the start of the fiscal year of termination to the Termination Date, and the denominator of which is 365.

(f) A "Qualifying Non-renewal" shall have occurred in the event that, at the end of the Term: (i) Company declines to offer you continued employment with Company or one of its affiliates; or (ii) Company offers you continued employment with Company or one of its affiliates (A) at a salary or target bonus lower than your salary or target bonus as in effect on the last day of the Term; (B) for a period of less than three (3) years; (C) in a less senior position than your position in effect on the last day of the Term; or (D) at a location outside the New York metropolitan area, and you decline such offer and elect to terminate your employment with Company.

(g) The "Non-renewal Payments" shall mean the amount of severance pay (the "Severance Amount") that would have been payable to you under Company policy as in effect on the Termination Date had you not been subject to an employment agreement with Company.

(h) Any Termination Payments payable to you under Paragraph 11(e) or (g) shall be made by Company in accordance with its regular payroll practices by payment of your salary at the same rate as was in effect as of the Termination Date for the applicable period as is necessary to cause the full amount due under such clause to be paid (the "Payment Period"); provided that if the total Termination Payments payable to you exceed an amount equal to fifty-two (52) weeks of your salary, then the Termination Payments payable to you shall be made in equal periodic payments to you (at such times as Company makes payroll payments to its employees generally) during the fifty-two-week period immediately following the Termination Date. In addition, such Termination Payments shall commence on the next possible pay cycle following the Termination Date; provided that Company shall cease making such payments if the Release is not executed in full

within the time period set forth in the Release. Until the earlier of (i) the last date of the Payment Period or (ii) the date on which you become eligible for another medical insurance plan, Company shall continue to provide you and your eligible family members with coverage under Company's medical plans in accordance with the terms of such plans ("Benefits Coverage"), and you shall be entitled to no other benefits during such period (the "Benefits Period"). Following the Benefits Period, you may have the right, in accordance with and subject to the Consolidated Omnibus Budget Reconciliation Act, as amended ("COBRA"), at your expense, to elect to continue your and/or your dependents' Benefits Coverage for such additional period of time as is required under COBRA. Further information regarding COBRA coverage, including, without limitation, enrollment forms and premium quotations, will be sent to you separately.

(i) In the event you elect not to execute and deliver a Release in connection with a Special Termination or a Qualifying Non-renewal, Company shall only be obligated to pay to you the Basic Termination Payments. Following the delivery of an executed Release pursuant to this Paragraph 11, you shall have no duty to seek substitute employment, and Company shall have no right of offset against any amounts payable to you under this Paragraph 11 with respect to any compensation or fees received by you from any employment obtained or consultancy arrangement thereafter entered into by you.

12. Confidential Matters: You shall keep secret all confidential matters of Company and its affiliates (for purposes of this Paragraph 12 and Paragraph 13 only, "Company"), and shall not disclose them to anyone outside of Company, either during or after your employment with Company, except (a) with Company's prior written consent; (b) as required by law or judicial process; or (c) to your professional advisors to the extent reasonable and necessary. You shall deliver promptly to Company upon termination of your employment, or at any time as Company may request, all confidential memoranda, notes, records, reports and other documents (and all copies thereof) relating to the business of Company which you may then possess or have under your control; provided, that you may retain your personal files (i.e., your files not related to Company) and a copy of your address book.

13. Non-Solicitation: While you are employed by Company and for a period of one (1) year thereafter, you shall not, without the prior written consent of Company, directly or indirectly, as an employee, agent, consultant, partner, joint venturer, owner, officer, director, member of any other firm, partnership, corporation or other entity, or in any other capacity: (a) solicit, negotiate with, induce or encourage any recording artist (including, without limitation, a duo or a group), publisher or songwriter who at the time is, or who within the one-year period prior to such time was, either directly or through a furnishing entity, under contract to Company or a label distributed by Company (each, a "Company Artist"), to end his, her or its relationship with Company or label, to violate any provision of his, her or its contract or to enter into an exclusive recording or music publishing agreement with any other party; or (b) solicit, negotiate with, induce or encourage any individual who at the time is, or who within the six-month period prior to such time was, an employee of Company in the United States, to leave his or her employment or to commence employment with any other party; provided, however, clause (a) shall not prohibit you from representing any Company Artist or from representing a third party attempting to enter into an exclusive recording or music publishing agreement with a Company Artist, so long as in doing so you do not violate any of the other restrictions contained in this Agreement.

14. Results and Proceeds of Employment: You acknowledge that Company shall own all rights of every kind and character throughout the world in perpetuity in and to any material and/or ideas written, suggested or in any way created by you hereunder and all other results and proceeds of your services hereunder, including, without limitation, all copyrightable material created by you within the scope of your employment. You agree to execute and deliver to Company such assignments or other instruments as Company may require from time to time to evidence Company's ownership of the results and proceeds of your services.

15. Indemnity: Company agrees to indemnify you against expenses (including, without limitation, final judgments and amounts paid in settlement to which Company has consented in writing, which consent shall not be unreasonably withheld) in connection with litigation arising out of the performance of your duties hereunder; provided, that (a) the foregoing indemnity shall only apply to matters for which you perform your duties for Company in good faith and in a manner you reasonably believe to be in or not opposed to the best interests of Company and not in contravention of the instructions of any senior officer of Company; and (b) you shall have provided Company with prompt notice of the commencement of any such litigation. Company will provide defense counsel selected by Company in consultation with you. You agree to cooperate in connection with any such litigation and Company shall pay (or reimburse you for) reasonable and necessary out-of-pocket travel and related costs incurred (or paid) by you in connection with such cooperation.

16. Notices: All notices, requests, consents and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or sent by prepaid courier, or mailed first-class, postage prepaid, by registered or certified mail return receipt requested, as follows:

Either you or Company may change the address to which notices are to be sent by giving written notice of such change of address to the other in the manner herein provided for giving notice.

17. Miscellaneous:

(a) You represent and warrant as follows: (i) you are free to enter into this Agreement and to perform each of the terms and covenants hereunder; (ii) you are not restricted or prohibited, contractually or otherwise, from entering into and performing this Agreement and that your execution of and performance under this Agreement is not a violation or breach of any other agreement; and (iii) you have not disclosed to Company or any officer or other affiliate of Company any proprietary information or trade secrets of any former employer. You further covenant that you shall not enter into any other agreements (including, without limitation, an extension or amendment of any agreement) that would restrict or prohibit you from entering into or performing under this Agreement.

(b) You acknowledge that while you are employed hereunder you will comply with Company's conflict of interest policy and other corporate policies including, without limitation, the requirements of Company's compliance and ethics program, as in effect from time to time, of which you are made aware. All payments made to you hereunder shall be subject to applicable withholding, social security taxes and other ordinary and customary payroll deductions, including, without limitation, medical and other insurance premiums.

(c) You acknowledge that services to be rendered by you under this Agreement are of a special, unique and intellectual character which gives them peculiar value, and that a breach or threatened breach of any provision of this Agreement (particularly, but without limitation, the provisions of Paragraphs 4, 12, 13 and 14), will cause Company immediate irreparable injury and damage which cannot be reasonably or adequately compensated in damages in an action at law. Accordingly, without limiting any right or remedy which Company may have in such event, you specifically agree that Company shall be entitled to seek injunctive relief to enforce and protect its rights under this Agreement. The provisions of this Paragraph 17(c) shall not be construed as a waiver by Company of any rights which Company may have to damages or any other remedy or by you as a waiver by you of any rights which you may have to offer fact-based defenses to any request made by Company for injunctive relief.

(d) This Agreement sets forth the entire agreement and understanding of the parties hereto, and supersedes and terminates any and all prior agreements, arrangements and understandings, including, without limitation, your employment agreement with Company dated February 11, 2011; provided, that the terms of such agreement shall remain in full force and effect until the commencement of the Term hereunder. No representation, promise or inducement has been made by either party that is not embodied in this Agreement, and neither party shall be bound by or liable for any alleged representation, promise or inducement not herein set forth. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission or by email shall be effective as delivery of a manually executed counterpart of this Agreement. If any provision of this Agreement or the application thereof is held to be wholly invalid, such invalidity shall not affect any other provisions or

application of this Agreement that can be given effect without the invalid provisions or application, and to this end the provisions of this Agreement are hereby declared to be severable.

(e) The provisions of this Agreement shall inure to the benefit of the parties hereto, their heirs, legal representatives, successors and permitted assigns. This Agreement, and your rights and obligations hereunder, may not be assigned by you. By operation of law or otherwise, Company may assign its rights, together with its obligations, hereunder only in connection with any sale, transfer or other disposition of all or a substantial portion of the stock or assets of Company.

(f) Nothing contained in this Agreement shall be construed to impose any obligation on Company to renew this Agreement. This Agreement may be amended, modified, superseded, canceled, renewed or extended, and the terms or covenants hereof may be waived, only by a written instrument executed by both of the parties hereto, or in the case of a waiver, by the party waiving compliance. Neither the continuation of employment nor any other conduct shall be deemed to imply a continuing obligation upon the expiration or termination of this Agreement. Upon the expiration of the Term, the continuation of your employment (if applicable) shall be deemed "at-will." Accordingly, upon the expiration of the Term, your employment with Company shall not be subject to a defined term, but rather, you may terminate your employment with Company at any time and for any reason and Company may terminate your employment at any time and for any reason, and accordingly, in the event of such termination by either party after the expiration of this Agreement, only the provisions of Paragraphs 12, 13, 14, 15, 16, 17 and 18 shall survive, and all other provisions of this Agreement, including, without limitation, the provisions relating to Special Termination Payments, shall be of no further force or effect. The failure of either party at any time or times to require performance of any provision hereof shall in no manner affect the right at a later time to enforce the same. No waiver by either party of the breach of any term or covenant contained in this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such breach, or a waiver of the breach of any other term or covenant contained in this Agreement.

(g) This Agreement shall be governed by and construed according to the laws of the State of New York as applicable to agreements executed in and to be wholly performed within such State. In the unlikely event that differences arise between the parties relating to or arising from this Agreement that are not resolved by mutual agreement Company and you agree not to demand a trial by jury in any action, proceeding or counterclaim in order to facilitate a judicial resolution and save time and expense of both parties.

18. Section 409A: This Agreement is intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and will be interpreted in a manner intended to comply with Section 409A of the Code (and any related regulations or other pronouncements). Amounts payable under this Agreement shall be deemed not to be a "deferral of compensation" subject to Section 409A of the Code to the extent provided in the exceptions set forth in Treas. Reg. Section 1.409A-1(b)(4) ("short-term deferrals") and Treas. Reg. Section 1.409A-1(b)(9) ("separation pay plans") and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6. References under this Agreement to a termination of your employment shall be deemed to refer to the date upon which you have experienced a "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything herein to the contrary, (a) if at the time of your separation from service with Company you are a "specified employee" as defined in Section 409A of the Code (and any related regulations or other pronouncements thereunder) and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six (6) months following your separation from service (or the earliest date as is permitted under Section 409A of the Code), at which point all payments deferred pursuant to this Paragraph 18 shall be paid to you in a lump sum; and (b) if any other payments of money or other benefits due to you hereunder could cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to you under this Agreement constitute "deferred compensation" under Section 409A of the Code, any such reimbursements or in-kind benefits shall be paid to you in a manner consistent with Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement shall be designated as a "separate payment" within the meaning of Section 409A of the Code. For the avoidance of doubt, any continued health benefit plan coverage that you are entitled to receive following your termination of employment is expected to be exempt from Section 409A of the Code and, as such, shall not be subject to delay pursuant to this Paragraph.

If the foregoing correctly sets forth our understanding, please sign below and return this Agreement to Company.

Address on file with Company

Dear Guy:

This letter, when signed by you and countersigned by us ("Company"), shall, subject to (a) your successful completion of the employment application process (including, without limitation, completion of a criminal background investigation and reference checks) in accordance with Company's policy to the reasonable satisfaction of Company and (b) obtaining any requisite employment authorization (including a work visa), constitute our agreement (the "Agreement") with respect to your employment with Company. Reference is made to the service agreement between you and Warner/Chappell Music Limited of even date herewith (the "UK Service Agreement") and capitalized terms not defined herein shall have the meanings set forth in the UK Service Agreement.

1. Position and Responsibilities: Co-Chair and Chief Executive Officer, Warner/Chappell Music. In such capacity, you shall be the most senior executive of Warner Music Group's Music Publishing division, Warner/Chappell Music. Warner/Chappell Music's A&R, Creative, Production Music and Broadcast Music functions and the heads of Warner/Chappell Music's affiliated operating companies throughout the world (e.g., Warner/Chappell Music France S.A.S.) shall report directly and solely to you. Warner/Chappell Music's Company P&L, Business Affairs, Budget Management, Deal Making, M&A, Business Strategy and Priorities & Roadmap functions shall report jointly to you and the Co-Chair and Chief Operating Officer, Warner/Chappell Music (which position is initially to be filled by Carianne Marshall).

2. Term: The term of this Agreement (the "Term") shall commence on the Relocation Date and end on March 31, 2024.

3. Compensation:

(a) Salary: During the Term, Company shall pay you a salary at the rate of $1,750,000 per annum. Company agrees to review your salary and your target bonus amount stated in Paragraph 3(b) in good faith no later than three (3) years after the commencement of your employment with Company; provided, however, that any increase of your salary or target bonus amount shall remain in

Company's sole discretion and Company shall have no obligation to increase your salary or target bonus amount at such time. For purposes of this paragraph, Company acknowledges that your employment with Company shall be deemed to have commenced on April 1, 2019.

(b)Annual Discretionary Bonus: With respect to each fiscal year of the Term which is anticipated to commence with the fiscal year that begins October 1, 2019 and ends September 30, 2020 (i.e., the 2020 fiscal year), Company shall consider granting to you an annual bonus (or a pro rata portion thereof for a portion of such fiscal year). If, as anticipated, you are employed under the UK Service Agreement for part of the 2020 fiscal year and under this Agreement for the remainder of the 2020 fiscal year, any annual discretionary bonus that may be awarded to you for the entire 2020 fiscal year shall be awarded under this Agreement and not under the UK Service Agreement (and it is agreed that if the Term commences during the 2019 fiscal year, the same shall apply in respect of the 2019 fiscal year, that is, any annual discretionary bonus that may be awarded to you for the entire 2019 fiscal year shall be awarded under this Agreement and not under the UK Service Agreement). Your target bonus for each fiscal year of the Term shall be $1,750,000 (or a pro rata portion of such amount for a portion of a fiscal year), and the amount of any annual bonus awarded to you shall be determined by Company in its sole discretion based on factors including the strength of your performance and the performance of Company and of Warner Music Group; provided that the amount of any annual bonus awarded to you may be higher or lower than the target amount.

(c)New LTIP: If, during the Term, Warner Music Group establishes a new long-term incentive plan or program (a "New LTIP") for which executives of Warner Music Group at your level are eligible to participate, then Warner Music Group shall, in good faith, offer you the opportunity to participate in such New LTIP in accordance with the terms and conditions of such plan or program.

(d)Payment of Compensation: Compensation accruing to you during the Term shall be payable in accordance with the regular payroll practices of Company for employees at your level. You shall not be entitled to additional compensation for performing any services for Company's subsidiaries or affiliates; provided that the only such services that you may be required to perform are occasional services for subsidiaries or affiliates of Company appropriate to your position.

4.Exclusivity: Your employment with Company shall be full-time and exclusive. During the Term you shall not render any services for others, or for your own account, in the field of entertainment or otherwise; provided, however, that (a) you shall not be precluded from personally, and for your own account as a passive investor, investing or trading in real estate, stocks, bonds, securities, commodities, or other forms of investment for your own benefit, except that your rights

hereafter to invest in any business or enterprise principally devoted to any activity which, at the time of such investment, is competitive to any business or enterprise of Company or the subsidiaries or affiliates thereof, shall be limited to the purchase of not more than three percent (3%) of the issued and outstanding stock or other securities of a corporation listed on a national securities exchange or traded in the over-the-counter market, and (b) to the extent such activities do not interfere with the performance of your duties hereunder, you shall not be precluded from occasionally rendering services to charitable organizations, including serving on the board of directors of charitable organizations as are approved in advance by Company in writing.

5. Reporting: You shall at all times work under the supervision and direction of the Chief Executive Officer of Warner Music Group (currently, Steve Cooper) or the Chief Operating Officer of Warner Music Group (if such an officer is appointed) as Warner Music Group may determine in its sole reasonable discretion; provided that you and the Co-Chair and Chief Operating Officer, Warner/Chappell Music, shall at all times report to the same senior executive officer. You shall perform such duties consistent with your position as you shall reasonably be directed to perform by such senior executive officer.

6. Place of Employment: The greater Los Angeles metropolitan area. You shall render services in the offices designated by Company at such location. You also agree to travel on temporary trips to such other place or places as may be required from time to time to perform your duties hereunder.

7. Travel and Entertainment Expenses: Company shall pay for reasonable expenses actually incurred, or reimburse you for reasonable expenses paid, by you during the Term in the performance of your services hereunder in accordance with Company's policy for employees at your level upon presentation of expense statements or vouchers or such other supporting information as Company may customarily require. You shall be entitled to travel in accordance with Company's policies for employees at your level; provided that in relation to international flights, it is agreed that in exceptional circumstances and where business needs so require, you shall be eligible to travel first class with the prior approval of the senior executive officer to whom you report pursuant to Paragraph 5.

8. Benefits:

(a) Fringe Benefits: While you are employed hereunder, you shall be entitled to all fringe benefits generally accorded to employees of Company at your level from time to time, including medical health and accident, group insurance and similar benefits, provided that you are eligible under the general provisions of any applicable plan or program and Company continues to maintain such plan or program during the Term. You shall also be entitled to four (4) weeks of vacation (with pay) during each calendar year of the Term in accordance with Company's policies with respect to vacations for employees, which vacation shall be taken at

reasonable times to be approved by Company. In addition, during the Term you shall be entitled to paid time off with respect to any periods during which paid time off is provided to employees of Company generally (e.g., Company holidays and Christmas/New Year's week if Company closes its office during such period).

(b) Work Authorization: Company will also provide professional assistance with obtaining and maintaining a work permit and/or visa for you and visas for your partner and your dependent children, the cost of which shall be paid by Company directly; provided, however, in the event you are terminated by Company for any reason: (a) and the legal and administrative process has not been initiated by Company at the time of termination, Company shall be under no obligation to obtain such work permit and/or visas for you, your partner and your dependent children, and/or pay for such fees associated with such process incurred after such termination and you will be solely responsible for obtaining such work permit and/or visas if you, your partner and/or your dependent children remain in the United States (including such legal and administrative fees incurred after such termination); or (b) and the legal and administrative process has been initiated at the time of such termination, Company shall cease paying for any legal and administrative fees which are incurred by you after such termination for maintaining such work permit and/or visas for you, your partner and your dependent children. You are solely responsible for any maintenance or fees for your work permit and your/their visas, if you, your partner and/or your dependent children remain in the United States after such termination with Company. You shall not be in breach of this Agreement and shall not be required to proceed with the Relocation pursuant to the UK Service Agreement if you, acting reasonably and in good faith, are unable to obtain and maintain the appropriate U.S. work permits and/or visas for you, your partner and your dependent children.

(c) Tax Filing Assistance: Company shall pay for reasonable fees incurred by you during the Term and one year thereafter in connection with preparation of annual tax returns you are required to file in the United States and the United Kingdom (as applicable); provided that you use the service provider selected by Company (acting reasonably and in good faith) and that such preparation fees shall be subject to the approval of Company (such approval not to be unreasonably withheld) and consistent with Company policy.

(d) Support: After your employment commences under the UK Service Agreement and prior to the Relocation Date, Company shall provide you with an office and assistant services in the Los Angeles office of Company. After the Relocation Date and during the Term, Company shall provide you with a dedicated executive assistant reasonably selected by you in good faith and in accordance with Company's policies.

9. Disability/Death: If you shall become physically or mentally incapacitated from performing your duties hereunder, and such incapacity shall continue for a period

of four (4) consecutive months or more or for shorter periods aggregating four (4) months or more in any twelve-month period, Company shall have the right (before the termination of such incapacity), at its option, to terminate this Agreement with no consequence, except if such termination would be prohibited by law. Upon termination of this Agreement pursuant to the foregoing, you shall continue to remain employed by Company as an at-will employee. In the event your at-will employment with Company subsequently terminates, (a) Company shall pay to you the Basic Termination Payments (as defined below) and (b) in the event such termination is due to termination by Company other than for Cause or resignation by you with Good Reason, and subject to your execution of a Release (as defined below), Company shall also (i) pay to you any awarded but unpaid annual bonus for the most recently completed fiscal year prior to the Termination Date, which, if payable, shall be paid when annual discretionary bonuses with respect to such fiscal year are paid to Company employees generally (the "Prior Year Bonus"), and (ii) grant to you a pro rata portion of an annual bonus with respect to the portion of the fiscal year during which you rendered services to Company prior to the Termination Date, the amount of which (if any) shall be determined in Company's sole discretion taking into consideration the target bonus amount stated in Paragraph 3(b), your performance and Company's performance, and shall be paid to you when bonuses with respect to such fiscal year are paid to Company employees generally (a "Pro Rata Bonus"). In the event of your death during the Term, this Agreement shall automatically terminate except that Company shall pay to your estate the Basic Termination Payments, the Prior Year Bonus and a Pro Rata Bonus.

10.Termination by Company for Cause; Termination by You for Good Reason.

(a) Termination by Company for Cause: Company may at any time during the Term, by written notice, terminate your employment and this Agreement for Cause, such Cause to be specified in the notice of termination. The following acts by you shall constitute "Cause" hereunder: (i) any willful or intentional act or omission having the effect, which effect is reasonably foreseeable, of injuring, to an extent that is not de minimis, the reputation, business, business relationships or employment relationships of Company or its affiliates; (ii) conviction of, or plea of nolo contendere to, a misdemeanor involving theft, fraud, forgery, embezzlement or the sale or possession of illicit substances or a felony, unless prohibited by applicable law; (iii) breach of any material representation, warranty or covenant contained in this Agreement; (iv) violation of Company's policies, including those described in Paragraph 17(b), as determined by Company in good faith; and (v) repeated or continuous failure, neglect or refusal to perform your material duties hereunder. Notice of termination given to you by Company shall specify the reason(s) for such termination. In the case where a cause for termination described in clause (iii), (iv) or (v) above is susceptible of cure (as determined by Company), and such notice of termination is the first notice of termination given to you for such reason, if you fail to cure such Cause for

termination to the reasonable satisfaction of Company within fifteen (15) business days after the date of such notice, termination shall be effective upon the expiration of such fifteen-business-day period, and if you cure such Cause within such fifteen-business-day period, such notice of termination shall be ineffective. In all other cases, notice of termination shall be effective on the date thereof. In the event of the termination of your employment pursuant to this Paragraph 10(a), this Agreement shall automatically terminate except that Company shall pay to you the Basic Termination Payments.

(b) Termination by You for Good Reason:

(i) For purposes of this Paragraph 10(b), Company shall be in breach of its obligations to you hereunder if there shall have occurred any of the following events (each such event being referred to as a "Good Reason"): (A) a material reduction in your title, authority or responsibilities as set forth in Paragraph 1 shall have been put into effect; (B) Company fails to pay to you any monies due hereunder in accordance with applicable law; (C) Company requires you to relocate your primary residence outside the greater Los Angeles or London metropolitan areas (other than requiring the Relocation) in order to perform your duties to Company hereunder; (D) you shall have been required to report to anyone other than as provided in Paragraph 5; or (E) Company assigns its rights and obligations under this Agreement in contravention of the provisions of Paragraph 17(e).

(ii) You may exercise your right to terminate your employment and this Agreement for Good Reason pursuant to this Paragraph 10(b) by notice given to Company in writing specifying the Good Reason for termination within ninety (90) days after the occurrence of any such event constituting Good Reason, otherwise your right to terminate your employment and this Agreement by reason of the occurrence of such event shall expire and shall be deemed to have permanently lapsed. Any such termination in compliance with the provisions of this Paragraph 10(b) shall be effective thirty (30) days after the date of your written notice of termination, except that if Company shall cure such specified Good Reason within such thirty-day period, you shall not be entitled to terminate your employment and this Agreement by reason of such specified Good Reason and the notice of termination given by you shall be null and void and of no effect whatsoever.

11.Consequences of Breach by Company or Non-renewal:

(a)In the event of a Special Termination (as defined below) of your employment, your sole remedy shall be that, subject to your execution of a Release, Company shall pay to you the Special Termination Payments (as defined below), and in the event of a Qualifying Non-renewal (as defined below), your sole remedy shall be that, subject to your execution of a Release, Company shall

pay to you the Non-renewal Payments (as defined below); provided Company shall cease making Termination Payments (as defined below) if you do not deliver the signed Release within the time period set forth in the Release. In addition, in the event of a Special Termination or Qualifying Non-renewal, Company shall pay to you the Basic Termination Payments. Further, subject to your execution of a Release, (i) in the event of a Special Termination, Company shall provide you with Repatriation Assistance (as defined below) and pay to you the Prior Year Bonus and a Pro Rata Bonus and (ii) in the event of a Qualifying Non-renewal, Company shall provide you with Repatriation Assistance and consider in good faith paying to you the Prior Year Bonus and a Pro Rata Bonus. Special Termination Payments and Non-renewal Payments are sometimes herein referred to as the "Termination Payments." "Repatriation Assistance" shall mean, in the event of a Special Termination or Qualifying Non-renewal, payment to you or reimbursement by Company of certain one-time relocation expenses incurred in connection with the move by you, your partner and your dependent children from the greater Los Angeles metropolitan area to the greater London metropolitan area (e.g., shipping of household goods and reasonable travel associated with such relocation); provided that (A) such relocation must occur within the later of six (6) months after the Termination Date or six (6) months after the last day of the then-current school year; (B) you must use Company's designated relocation services vendor and comply with Company policy, and (C) the total amount actually paid or reimbursed by Company for such relocation expenses, inclusive of any "gross up" amounts, shall not exceed $75,000 in the aggregate.

(b)The "Basic Termination Payments" shall mean any accrued but unpaid salary, accrued but unused vacation pay in accordance with Company policy, any unreimbursed expenses pursuant to Paragraph 7, plus any accrued and vested but unpaid benefits in accordance with Paragraph 8(a), in each case to the date on which your employment terminates (the "Termination Date"). Basic Termination Payments shall be paid to you in accordance with Company policy or in accordance with the terms of the applicable plan.

(c)A "Release" shall mean a mutual release agreement in Company's standard form, which you and your personal attorney shall have a right to review during the time period set forth therein and which shall include (i) a release by you of Company from any and all claims which you may have relating to your employment with Company and the termination of such employment and (ii) a release by Company of you from any and all claims which Company may have relating to your employment with Company and the termination of such employment.

(d)A "Special Termination" shall have occurred in the event that (i) Company terminates your employment hereunder other than pursuant to Paragraph 9 or 10(a), or (ii) you terminate your employment pursuant to Paragraph 10(b).

(e)“Special Termination Payments” shall mean the greater of (i) the Severance Amount (as defined below) and (ii) an amount equal to eighteen (18) months’ salary at the per annum salary rate payable to you hereunder as of the Termination Date.

(f)A “Qualifying Non-renewal” shall have occurred in the event that, at the end of the Term: (i) Company declines to offer you continued employment with Company or one of its affiliates or (ii) Company offers you continued employment with Company or one of its affiliates for a term of less than an additional three (3) years or with a title, salary or target bonus amount lower than your title, salary or target bonus amount, respectively, as in effect on the last day of the Term, and you decline such offer and elect to terminate your employment with Company.

(g)The “Non-renewal Payments” shall mean the greater of (i) amount of severance pay (the “Severance Amount”) that would have been payable to you under Company policy as in effect on the Termination Date had you not been subject to an employment agreement with Company and (ii) an amount equal to twelve (12) months’ salary at the per annum salary rate payable to you hereunder as of the Termination Date.

(h)Any Termination Payments payable to you under Paragraph 11(e) or (g) shall be made by Company in accordance with its regular payroll practices by payment of such Termination Payments at the same per annum salary rate as was in effect as of the Termination Date for the applicable period as is necessary to cause the full amount due under such Paragraph to be paid (the “Payment Period”); provided that if the total Termination Payments payable to you exceed an amount equal to fifty-two weeks of your salary, then the Termination Payments payable to you shall be made in equal periodic payments to you (at such times as Company makes payroll payments to its employees generally) during the fifty-two-week period immediately following the date on which your employment terminates. In addition, such Termination Payments shall commence on the next possible pay cycle following the Termination Date; provided that Company shall cease making Termination Payments if you do not deliver the signed Release to Company within the time period set forth in the Release.

(i)In the event you elect not to execute and deliver a Release within the time period set forth therein in connection with a Special Termination or a Qualifying Non-renewal, Company shall only be obligated to pay to you the Basic Termination Payments. Following the delivery of an executed Release pursuant to this Paragraph 11, you shall have no duty to seek substitute employment, and Company shall have no right of offset against any amounts payable to you under this Paragraph 11 with respect to any compensation or fees received by you from any employment obtained or consultancy arrangement entered into by you.

(j)In the event of a Special Termination or a Qualifying Non-renewal, during the period commencing immediately following the Termination Date and through the last day of the calendar month in which the Termination Date occurs (such period, the "Benefits Period"), Company shall continue to provide you and your eligible family members with medical health insurance coverage, including dental and vision insurance coverage under the group insurance plan maintained by Company ("Benefits Coverage") in accordance with the terms of the applicable plans, to the extent that you had elected for such coverage prior to the Termination Date. Following the Benefits Period, you may have the right, in accordance with and subject to the Consolidated Omnibus Budget Reconciliation Act, as amended ("COBRA"), at your expense, to elect to continue your and/or your dependents' Benefits Coverage for such additional period of time as is required under COBRA. Further information regarding COBRA coverage, including enrollment forms and premium quotations, shall be sent to you separately.

(k)In the event you resign from your employment hereunder prior to the expiration of the Term other than for Good Reason, without limitation of other rights or remedies available to Company, Company shall have no further obligations to you under this Agreement or otherwise, except for the Basic Termination Payments.

12. Confidential Matters: You shall keep secret all confidential matters of Company and its affiliates (for purposes of Paragraphs 12 and 13 only, "Company"), and shall not disclose them to anyone outside of Company, either during or after your employment with Company, except (a) with Company's prior written consent; (b) as required by law or judicial process or as permitted by law for the purpose of reporting a violation of law; or (c) to your professional advisors to the extent reasonable and necessary. Company hereby informs you, and you hereby acknowledge, in accordance with 18 U.S.C. Section 1833(b), that you may not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret where the disclosure (i) is made (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. You shall deliver promptly to Company upon termination of your employment, or at any time as Company may request, all confidential memoranda, notes, records, reports and other documents (and all copies thereof) relating to the business of Company which you may then possess or have under your control; provided that you may retain your personal files (i.e., your files not related to Company) and a copy of your address book.

13. Non-Solicitation: While you are employed by Company and for a period of one year thereafter, you shall not, without the prior written consent of Company, directly or indirectly, as an employee, agent, consultant, partner, joint venturer,

owner, officer, director, member of any other firm, partnership, corporation or other entity, or in any other capacity: (a) induce (or attempt to induce) a breach or disruption of the contractual relationship between Company (or a label distributed by Company) and any recording artist (including a duo or a group), publisher or songwriter (including a recording artist or songwriter who has contracted through a furnishing entity) ("Company Artist"); (b) use Company's trade secrets or confidential information to solicit, induce or encourage any individual who at the time is, or who within the one-year prior period was, a Company Artist to end its relationship with Company or to enter into an exclusive recording or music publishing agreement with any other party; or (c) solicit, induce or encourage any individual who at the time is, or who within the six-month prior period was, an employee of Company in the United States to leave his or her employment or to commence employment with any other party.

14. Results and Proceeds of Employment: You acknowledge that Company shall own all rights of every kind and character throughout the world in perpetuity in and to any material and/or ideas written, suggested or in any way created by you hereunder and all other results and proceeds of your services hereunder, including all copyrightable material created by you within the scope of your employment. You agree to execute and deliver to Company such assignments or other instruments as Company may require from time to time to evidence Company's ownership of the results and proceeds of your services.

15. Indemnity: Company agrees to indemnify you against expenses (including final judgments and amounts paid in settlement to which Company has consented in writing, which consent shall not be unreasonably withheld) in connection with litigation against you arising out of the performance of your duties hereunder; provided that (a) the foregoing indemnity shall only apply to matters for which you perform your duties for Company in good faith and in a manner you reasonably believe to be in or not opposed to the best interests of Company and not in contravention of the instructions of any senior officer of Company and (b) you shall have provided Company with prompt notice of the commencement of any such litigation. Company will provide defense counsel selected by Company. You agree to cooperate in connection with any such litigation.

16.Notices: All notices, requests, consents and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or sent by prepaid courier, or mailed first-class, postage prepaid, by registered or certified mail, return receipt requested as follows:

17.Miscellaneous:

(a)You represent and warrant as follows: (i) you are free to enter into this Agreement and to perform each of the terms and covenants hereunder; (ii) you are not restricted or prohibited, contractually or otherwise, from entering into and performing this Agreement and that your execution of and performance under this Agreement is not a violation or breach of any other agreement; and (iii) you have not disclosed to Company or any officer or other affiliate of Company any proprietary information or trade secrets of any former employer or of your current employer (if applicable). You represent and warrant that your current employer has agreed to release you from any contractual commitments (other than with respect to use of confidential information) effective no later than the first day of the Term. Upon request of Company, you shall provide or have provided as of the date hereof, Company with a copy of any release document signed by your current employer. You further covenant that you shall not enter into any other agreements (including an extension or amendment of any agreement) that would restrict or prohibit you from entering into or performing under this Agreement.

(b)You acknowledge and agree that while you are employed hereunder you shall comply with Company's Code of Conduct (or any successor document) and other corporate policies including the requirements of Company's compliance and ethics program, each as in effect from time to time, of which you are made aware.

(c)You acknowledge that services to be rendered by you under this Agreement are of a special, unique and intellectual character which gives them peculiar value, and that a breach or threatened breach of any provision of this Agreement (particularly, but without limitation, the provisions of Paragraphs 4, 12, 13 and 14), will cause Company immediate irreparable injury and damage which cannot be reasonably or adequately compensated in damages in an action at

law. Accordingly, without limiting any right or remedy which Company may have in such event, you specifically agree that Company shall be entitled to seek injunctive relief to enforce and protect its rights under this Agreement. The provisions of this Paragraph 17(c) shall not be construed as a waiver by Company of any rights which Company may have to damages or any other remedy or by you as a waiver by you of any rights which you may have to offer fact-based defenses to any request made by Company for injunctive relief.

(d)This Agreement, together with the UK Service Agreement, set forth the entire agreement and understanding of the parties hereto, and supersedes and terminates any and all prior agreements, arrangements and understandings. No representation, promise or inducement has been made by either party that is not embodied in this Agreement or the UK Service Agreement, and neither party shall be bound by or liable for any alleged representation, promise or inducement not herein or therein set forth. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission or by email shall be effective as delivery of a manually executed counterpart of this Agreement. If any provision of this Agreement or the application thereof is held to be wholly invalid, such invalidity shall not affect any other provisions or the application of any provision of this Agreement that can be given effect without the invalid provisions or application, and to this end the provisions of this Agreement are hereby declared to be severable.

(e)The provisions of this Agreement shall inure to the benefit of the parties hereto, their heirs, legal representatives, successors and permitted assigns. This Agreement, and your rights and obligations hereunder, may not be assigned by you. By operation of law or otherwise, Company may assign its rights, together with its obligations, hereunder in connection with any sale, transfer or other disposition of all or a substantial portion of the stock or assets of Company or any direct or indirect parent of Company.

(f)Nothing contained in this Agreement shall be construed to impose any obligation on Company to renew this Agreement. This Agreement may be amended, modified, superseded, canceled, renewed or extended, and the terms or covenants hereof may be waived, only by a written instrument executed by both of the parties hereto, or in the case of a waiver, by the party waiving compliance. Neither the continuation of employment nor any other conduct shall be deemed to imply a continuing obligation upon the expiration or termination of this Agreement. Upon the expiration of the Term, the continuation of your employment (if applicable) shall be deemed “at-will.” Accordingly, upon the expiration of the Term, your employment with Company shall not be subject to a defined term, but rather, you may terminate your employment with Company at any time and for any reason and Company may terminate your employment at any

time and for any reason; and in the event of such subsequent termination of your employment for any reason, the provisions of this Agreement relating to Special Termination Payments shall be of no force or effect. In the event of the expiration or termination of this Agreement for any reason, only the provisions of Paragraphs 12, 13, 14, 15, 16, 17 and 18 shall survive and all other provisions of this Agreement, including the provisions relating to Special Termination Payments, shall be of no further force or effect; provided that the provisions of Paragraph 11 shall survive the termination or expiration of this Agreement pursuant to a Special Termination or Qualifying Non-renewal and the provisions of Paragraph 9 shall survive the termination of this Agreement by reason of your death or termination by Company thereunder. The failure of either party at any time or times to require performance of any provision hereof shall in no manner affect the right at a later time to enforce the same. No waiver by either party of the breach of any term or covenant contained in this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such breach, or a waiver of the breach of any other term or covenant contained in this Agreement.

(g)This Agreement shall be governed by and construed according to the laws of the State of California as applicable to agreements executed in and to be wholly performed within such State. Exclusive jurisdiction of any dispute, action, proceeding or claim arising out of or relating to this Agreement shall lie in the state or federal courts in the State of California, located in Los Angeles County.

(h)All payments made to you hereunder shall be subject to applicable withholding, social security taxes and other ordinary and customary payroll deductions, including medical and other insurance premiums.

(i)The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. The words (i) “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation,” and (ii) “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof.

18. Section 409A: This Agreement is intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the “Code”) and shall be interpreted in a manner intended to comply with Section 409A of the Code (and any related regulations or other pronouncements). Amounts payable under this Agreement shall be deemed not to be a “deferral of compensation” subject to Section 409A of the Code to the extent provided in the exceptions set forth in Treas. Reg. Section 1.409A-1(b)(4) (“short-term deferrals”) and Treas. Reg. Section 1.409A-1(b)(9) (“separation pay plans”) and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6. References under this Agreement to a termination of your employment shall be deemed to refer to the date upon which you have

experienced a “separation from service” within the meaning of Section 409A of the Code. Notwithstanding anything herein to the contrary, (a) if at the time of your separation from service with Company you are a “specified employee” as defined in Section 409A of the Code (and any related regulations or other pronouncements thereunder) and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then Company shall defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months following your separation from service (or the earliest date as is permitted under Section 409A of the Code), at which point all payments deferred pursuant to this Paragraph shall be paid to you in a lump sum and (b) if any other payments of money or other benefits due to you hereunder could cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral shall make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to you under this Agreement constitute “deferred compensation” under Section 409A of the Code, any such reimbursements or in-kind benefits shall be paid to you in a manner consistent with Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement shall be designated as a “separate payment” within the meaning of Section 409A of the Code. For the avoidance of doubt, any continued health benefit plan coverage that you are entitled to receive following your termination of employment is expected to be exempt from Section 409A of the Code and, as such, shall not be subject to delay pursuant to this Paragraph.

2.2.4 to resign from any office(s) in the Company and/or any Group Company; and/or

2.2.5 to return to the Company all documents and other property belonging to the Company and/or any Group Company;

provided always that the Executive will not be placed on garden leave for any period or periods exceeding six (6) months in aggregate.

2.3 The Employment and entitlement to salary and benefits (including the bonus specified at clause 4.3 below) shall continue during any period of garden leave.

2.4 Subject to clause 11.1 below (pursuant to which the Company reserves the right to terminate the Employment without notice or payment in lieu of notice), the Company reserves the right, at any time, at its sole discretion, to terminate the Employment without notice by making a payment to the Executive equivalent to:

2.4.1 18 months' salary;

2.4.2 any accrued but unpaid bonus for the financial year prior to the year in which the Employment terminates; and

2.4.3 pro-rata bonus for the year in which the Employment terminates, which shall be considered (and paid) at the same time that bonuses are considered (and paid) for other senior executives for the relevant financial year;

(together the "Severance Payment"). If payable, the Severance Payment will be paid to the Executive as a lump sum, less statutory deductions, within 28 days of the date the Employment ends (save in respect of any bonus payable under clause 2.4.3 above, which if payable, will be paid as set out in clause 2.4.3 above). It is agreed that the Severance Payment will not be reduced by reason of mitigation (and that the Executive shall have no obligation to seek to mitigate the Executive's loss) and the Executive shall not be required to pay to the Company or offset any sums received from any new employment or engagement. The Executive shall sign whatever documentation the Company may reasonably require in order to ensure that the Executive accepts the Severance Payment in full and final settlement of any claims the Executive may have against the Company or any Group Company.

2.5 The Executive agrees that, during any period of notice, the Executive will give to the Company all such assistance and co-operation in effecting a smooth and orderly handover of the Executive's duties as the Company may reasonably require.

2.6 The Company may, during any period of notice, appoint a person to perform the Executive's duties jointly with the Executive, or during any period of suspension pursuant to clause 13 below, to perform all or some of the Executive's duties in the Executive's place (and for the avoidance of doubt, the Company confirms that in such circumstances, the Executive shall not be responsible for the actions or omissions of such other person so appointed).

2.7 Upon termination of the Executive's employment by the Company pursuant to clause 2.4 above, by the Executive pursuant to clause 11.2 below or in the event of a Qualifying Non-Renewal pursuant to client 11.3 below, neither party shall make any public statement or announcement concerning such termination without prior good faith consultation with the other party.

3. DUTIES AND LOCATION

3.1 During the Employment:-

3.1.1 the Executive shall report to the CEO, Warner Music Group or the Chief Operating Officer of Warner Music Group (if such officer is appointed) as Warner Music Group may determine in its sole reasonable discretion, provided that the Executive and Co-Chair and Chief Operating Officer, Warner/Chappell Music, shall at all times report to the same senior executive officer. The Executive shall perform and observe such duties and restrictions and shall conduct and manage such of the affairs of the Company as may from time to time be reasonably required of the Executive by the Board and which are consistent with the Executive's status, seniority, skills and expertise and commensurate to the Executive's role;

3.1.2 the Executive shall at all times comply with the Executive's duties as a director as set out in any relevant legislation;

3.1.3 the Executive shall well and faithfully serve the Company to the best of the Executive's abilities and carry out the Executive's duties in a proper, competent and efficient manner and in willing co-operation with others;

3.1.4 the Executive shall use the Executive's reasonable endeavours to promote, and at all times act in the best interests of the Company and/or any Group Company;

3.1.5 the Executive shall notify the person to whom the Executive reports (or such person as is requested by the Company from time to time) immediately on becoming aware of any actual or potential data security breach and shall take such steps as may be reasonably required and/or reasonably requested by the Company to remedy such breach;

3.1.6 save as hereinafter provided, unless prevented by illness or accident and except during holidays provided for under clause 6 below, the Executive shall devote the whole of the Executive's time, attention and ability to the

Executive's duties under this Agreement during normal working hours and at such other times as may be reasonably required by the needs of the Company or any Group Company or the nature of the Executive's duties and the Executive shall not be entitled to receive any additional remuneration for work outside the Executive's normal working hours i.e. 9.30am to 6pm, Monday to Friday; and

3.1.7 except with the prior written consent of the Company, the Executive will not have any direct or indirect interest, whether as an agent, beneficiary, consultant, director, employee, partner, proprietor, shareholder, in any trade, business or occupation whatsoever other than the business of the Company or any Group Company, provided that the Executive shall not be precluded from personally, and for Executive's own account as a passive investor, investing or trading in real estate, stocks, bonds, securities, commodities, or other forms of investment for the Executive's own benefit, except that the Executive's rights hereafter to invest in any business or enterprise principally devoted to any activity which, at the time of such investment, is competitive to any business or enterprise of the Company or the subsidiaries or affiliates thereof, shall be limited to the purchase of not more than three percent (3%) of the issued and outstanding stock or other securities of a corporation listed on a national securities exchange, except with the Company's prior written consent, which shall not be unreasonably withheld. Further, the Executive shall be entitled to serve on the board of charitable organisations, provided that each appointment is approved in advance by the Company.

3.2 The Company may at its absolute discretion at any time and from time to time upon written notice to the Executive require the Executive to take as soon as practicable all steps necessary to fully and effectively relinquish the whole or any part of any interest in respect of the holding of which the Company has at any time given its prior written consent under clause 3.1.7 above if the Company or any Group Company reasonably considers that it is not in the best interests of the Company or any Group Company for the Executive to continue to hold that interest.

3.3 Regulation 4(1) of the Working Time Regulations 1998 ("WTR") provides that a worker's average working time, including overtime, must not exceed 48 hours for each seven day period (to be averaged over a period of 17 weeks) unless the worker agrees that this regulation will not apply to the Executive's employment. In accordance with Regulation 5 of the WTR, the Executive agrees that Regulation 4(1) will not apply to the Employment. At any time during the Employment, the Executive or the Company may give three (3) months' prior written notice that the opt-out in this clause will cease to apply with effect from the expiry of said notice.

3.4 Prior to the Relocation, the Executive will work at the principal office of the Company or anywhere else within Greater London where the principal office of the Company is located. The Executive will be reasonably required to travel and work outside the UK from time to time (for the purposes of business visits) and it is anticipated and agreed that the Executive will spend an average of ten working days per month (calculated annually) of the Executive's time working from Warner/Chappell Music's office in Los Angeles, California. When the Executive is working from Warner/Chappell Music's offices in Los Angeles, California in accordance with this clause 3.4, the Executive will be provided with an office and assistant services will also be provided to the Executive (and for the avoidance of doubt, the Executive shall have a dedicated assistant in the UK whilst the Executive is based in the UK but will not have a dedicated assistant in Los Angeles, California until the Relocation, when a dedicated assistant will be appointed in Los Angeles, California). For the avoidance of doubt, whilst the Executive is based in the United Kingdom, he will not be required to spend more than 183 days per year in the United States.

4. REMUNERATION AND EXPENSES

4.1 Subject to clause 4.9 below, the Company shall pay and the Executive shall accept a salary at the rate of £1,365,000 per annum, such salary to accrue from day to day and to be paid less statutory and voluntary deductions by equal monthly instalments in arrears on or about the last day of every month by bank transfer or by cheque at the Company's option.

4.2 The Company agrees to review the Executive's salary and bonus target in good faith no later than three (3) years after the commencement of the Executive's employment with the Company, provided that any increase of the Executive's salary or bonus target shall remain in the Company's sole discretion and the Company shall have no obligation to increase the Executive's salary or bonus target at such time.

4.3 The Executive may be eligible, at the sole discretion of the Company, to receive an annual bonus in respect of each financial year completed during the Employment (and a pro-rata bonus for the financial year in which the Executive joins the Company). The Company's financial year is currently 1 October to 30 September, but is subject to change at the Company's discretion. The Executive's "target" bonus will be £1,365,000 ("Target Bonus") although depending on performance the actual bonus award may be either more or less than the Target Bonus at the Company's sole discretion. The criteria to be

achieved in each year for the Target Bonus level to be met will be based on factors such as Warner/Chappell Music's, Warner Music Group's and the Executive's performance and will be notified to the Executive each year. Subject to clause 2.4 above, no bonus, including for the avoidance of doubt any alleged pro rata entitlement to bonus, will be payable if, on the bonus payment date, the Executive is no longer employed by the Company or any Group Company or has given or received notice to terminate the Employment save for any accrued but unpaid bonus due in respect of any previous financial year. Any bonus will be paid less statutory deductions.

4.4 The Executive will be paid a sign-on bonus of £136,500, less statutory deductions, which will be paid in the first available payroll after the Commencement Date.

4.5 The Executive shall be reimbursed all reasonable expenses properly and necessarily incurred by the Executive in the performance of the Executive's duties upon production of vouchers in respect of them or if vouchers are not readily available upon other evidence satisfactory to the Company of payment of such expenses, provided that such expenses shall be subject to the Company's normal policy and budgetary disciplines, as detailed in the Company's Travel and Entertainment Policy as amended from time to time. In relation to international flights, it is agreed that in exceptional circumstances and where business needs so require, the Executive will be eligible to travel first class, provided that this is approved in advance by the CEO, Warner Music Group.

4.6 The Executive will be provided with a mobile telephone (and laptop) with internet access and email facility and the Company will meet all rental, replacement, maintenance and call charges reasonably incurred.

4.7 The Company retains the express right to deduct from time to time during the Employment any overpayments or advances or any other sums due from the Executive to the Company or any Group Company from any monies due to the Executive, provided that the Company shall give the Executive seven days prior notice of any such deduction.

4.8 If, during the Term, Warner Music Group establishes a new long-term incentive plan or programme (a "New LTIP") in which executives of the Warner Music Group or the Company at the Executive's level are eligible to participate, the Warner Music Group shall, in good faith, offer the Executive the opportunity to participate in such New LTIP in accordance with the terms and conditions or such plan or programme.

4.9 The Company has agreed with the Executive that the Executive's annual salary (in clause 4.1 above) will be $1,750,000, the Executive's Target Bonus (in clause 4.3 above) will be $1,750,000, the sign-on bonus (in clause 4.4 above) will be $175,000 and the maximum for the Relocation costs (in clause 5.8 below) shall be $300,000. For the

purposes of the Employment (that is, under this Agreement), these sums will be paid in pounds sterling and it is agreed that these numbers have therefore been converted to pounds sterling. The Company confirms that it will review the exchange rate on a quarterly basis, acting in good faith, and will adjust the amount payable in pounds sterling in clauses 4.1 above and clause 4.3 above of this Agreement) upwards or downwards if the previous exchange rate used has become materially (that is, ignoring de minimis differences) unfavourable or favourable to the Executive, taking into account the average daily exchange rate over the previous quarter, provided always that it is agreed that the Executive will not in any event be paid more than the agreed dollar amounts (as set out in this clause 4.9).

4.10 This Agreement is intended to be exempt from or comply with Section 409A of the (US) Internal Revenue Code of 1986, as amended (the "Code") and any related regulations or other pronouncements thereunder (collectively, "Section 409A") and will be so interpreted. Amounts payable under this Agreement shall be deemed not to be a "deferral of compensation" subject to Section 409A to the extent provided in the exceptions set forth in (US) Treas. Reg. Section 1.409A-1(b)(4) ("short-term deferrals") and (US) Treas. Reg. Section 1.409A-1(b)(9) ("separation pay plans") and other applicable provisions of (US) Treas. Reg. Section 1.409A-1 to A-6. To the extent section 409A is applicable, references under this Agreement to a termination of the Employment shall be deemed to refer to the date upon which the Executive has experienced a "separation from service" within the meaning of Section 409A. Notwithstanding anything herein to the contrary, if any payments of money or other benefits due to the Executive hereunder could cause the application of an accelerated or additional tax under Section 409A, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to the Executive under this Agreement constitute "deferred compensation" under Section 409A, any such reimbursements or in-kind benefits shall be paid to the Executive in a manner consistent with (US) Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement (including each installment of any payment to be made in two or more installments), shall be designated and treated as a "separate payment" within the meaning of Section 409A.

5. ADDITIONAL BENEFITS

5.1 Subject to the rules and eligibility requirements of the scheme from time to time in force, the Executive will be covered by life assurance of four times annual basic salary, subject to HM Revenue & Customs limits.

5.2 Subject to the rules and eligibility requirements of the scheme from time to time in force, the Executive, the Executive's partner and the Executive's dependent children (determined in accordance with the scheme rules) are entitled to Company paid private and dental medical insurance. Full details will be sent to the Executive upon registration with the scheme.

5.3 Subject to the rules and eligibility requirements of the scheme from time to time in force and to the Executive's health not being such as to prevent the Company from being able to obtain cover on reasonable terms, the Executive will be eligible to participate in any disability benefits scheme from time to time operated by the Company, subject to the Executive qualifying in accordance with its rules. The provision of disability benefits is without prejudice to the Company's right to terminate the Employment pursuant to this Agreement or obligations to make payments to the Executive in such event.

5.4 It is acknowledged that the Executive has applied for Fixed Protection and the Executive has confirmed that the Executive is not able to be a member of the Company pension scheme. The Executive therefore confirms that he will opt-out of the Company pension scheme when invited to join by reason of auto-enrolment rules. It is therefore agreed that the Company will pay to the Executive a sum of £20,000 per annum in lieu of the Company contribution to the pension scheme. This will be paid as a cash allowance each month, less statutory deductions, provided always that the overall cost to the Company of the cash allowance should be no more than the cost that it would have incurred had the Company pension contributions continued (and in particular, taking into account employer's national insurance payable on the cash sum, which the Company shall be entitled to deduct from the sums paid to the Executive under this clause). In the event that as a matter of policy such cash allowance in lieu of pension is increased generally by the Company for senior executives, the Executive will be entitled to benefit from such increase.

5.5 The Company will pay the Executive an annual car allowance of £15,000 per annum. This is a taxable benefit. The Executive will receive this allowance monthly at the rate of £1,250 per month, less statutory deductions, with his salary payment. The car allowance is made on the understanding that the sum will cover the following:

5.5.1 to insure the Executive's vehicle to cover business use;

5.5.2 the cost of the maintenance and servicing of the Executive's vehicle;

5.5.3 the cost of accident breakdown cover and an alternative vehicle if the Executive's car is off the road for whatever reason; and

5.5.4 all petrol for private use (including travelling between home and office).

Petrol expenses for business use may be reclaimed at the rate of 45p per mile.

In line with the Company's right to amend the car scheme, the Company also reserves the right to withdraw this benefit with reasonable notice provided that the Company shall provide the Executive with a replacement scheme of an equivalent level of benefit (to the Executive).

5.6 The Executive will be provided (at the Company's cost) with a car parking space for the Executive's use close to the Company's principal office.

5.7 The Executive shall be eligible to benefit from such additional employee benefit schemes as are offered to other Company executives of equivalent status and as are detailed to the Executive by the Company hereafter.

5.8 The Company will pay directly to the provider or reimburse to the Executive the Executive's reasonable costs in connection with the Relocation, in accordance with its policy from time to time in force and subject to a maximum net contribution of £234,000 to be divided in the Company's discretion (acting reasonably) between the relevant categories in the Company's policy (as set out below) such that if costs are not incurred by the Executive in respect of one category, they cannot be used against another category without the Company's prior consent ("the Relocation Costs"). Such assistance shall include school search assistance, two trips to Los Angeles for the Executive, the Executive's partner and dependent children to search for housing and temporary accommodation for a reasonable period prior to the Executive moving into the Executive's new home, shipping of household goods, reasonable travel associated with the Relocation, home sale assistance (if required) in respect of the Executive's main residence in the UK and home purchase assistance in or around the greater metropolitan Los Angeles area subject to production by the Executive of proof of purchase where appropriate and subject to the Executive using the Company's provider, where the Company so requests. The Company will gross up the Relocation Costs such that the Executive is left with an amount, which after payment of tax and national insurance and/or social security costs, is equivalent to the Relocation Costs. Further, it is agreed that if the Executive gives notice (other than as a result of a fundamental breach of the terms of this Agreement by the Company, which entitles the Executive to resign without notice and claim constructive dismissal) or the Executive is dismissed pursuant to clause 11.1 below, the Executive will promptly repay to the Company an amount equal to (i) 100% of the Relocation Costs, together with the amount of any gross up on the Relocation Costs paid by the Company, if the Employment ends prior to the first anniversary of the

Relocation Date; or (ii) 50% of the Relocation Costs, together with the amount of any gross up on the Relocation Costs paid by the Company, if the Employment ends on or after the first anniversary of the Relocation Date but prior to the second anniversary of the Relocation Date.

5.9 The Company shall provide reasonable professional assistance to the Executive in obtaining and maintaining the appropriate work permit and/or visa for the Executive in the USA and visas for the Executive's partner and dependent children provided always that if the Executive gives notice (other than as a result of a fundamental breach of the terms of this Agreement by the Company, which entitles the Executive to resign without notice and claim constructive dismissal) or the Executive is dismissed pursuant to clause 11.1 below a) before the legal and administrative process in relation to the work permit and/or visas has been initiated by the Company, the Company shall be under no obligation to obtain a work permit and/or visas for the Executive, the Executive's partner and/or the Executive's dependent children and/or to pay any fees associated with such process and the Executive shall be solely responsible for obtaining such work permit and/or visas; or b) if the legal and administrative process has been initiated as at the date that the Executive so resigns or is terminated (pursuant to clause 11.1 below), the Company shall cease providing such assistance and the Executive will be solely responsible for maintaining and/or for any fees for the work permit and/or visa for the Executive in the USA and visas for the Executive's partner and dependent children. The Executive shall not be in breach of this Agreement and shall not be required to proceed with the Relocation if the Executive, acting reasonably and in good faith, is unable to obtain and maintain the appropriate US work permits and/or visas for the Executive and the Executive's partner and dependent children.

5.10 During the Term and for one year after the Term, and subject to the Executive using an advisor or advisors nominated by the Company (acting reasonably and in good faith), the Company will pay the Executive's reasonable accountancy costs incurred in each year in respect of the preparation of the Executive's annual tax return in the UK and the United States of America.

5.11 In addition, the Company will, subject to the Executive using an advisor or advisors nominated by Company (acting reasonably and in good faith), pay the Executive's reasonable costs in relation to Executive's tax planning relating to the Executive becoming a taxpayer in both the UK and in the Unites States of America.

5.12 The Company will provide assistance to the Executive with the filing of the Executive's tax returns in each year in the UK and US, so long as the Executive uses the Company's provider.

5.13 The Company confirms that it has Directors' and Officers' Liability insurance in place, which will cover the Executive in respect of any directorship held by the Executive in the Company or any Group Company and for six years following the termination of his employment, subject always to the terms of the policy from time to time in force and subject to the Company being able to obtain such insurance at a reasonable cost. In the event that it becomes too expensive to maintain such cover (and it is withdrawn from other Company executives at a similar level to the Executive at the same time), the Company shall consult with the Executive in good faith as to whether the Company should provide an indemnity to the Executive, in lieu of such insurance.

5.14 The Company confirms that the Executive will be provided with an executive assistant of the Executive's choosing (acting in good faith and in accordance with the Company's policies) to assist the Executive in performing the Executive's duties under this Agreement.

6. HOLIDAYS AND HOLIDAY PAY

6.1 In addition to all UK bank and other public holidays, the Executive shall be entitled to 27 working days' holiday during each calendar year. The Company may at its sole discretion close its offices between December 24 and January 1 and any such days not being public holidays shall be deducted from the Executive's holiday entitlement. Holiday is to be taken at such time or times as is convenient to the Company's business and as approved by the Board, such consent not to be unreasonably withheld.

6.2 During the calendar years in which the Employment commences and terminates, the Executive shall be entitled to such annual holiday entitlement as accrued under the Company's annual holiday policy, provided that in the event of the Employment being terminated by the Company as a result of the Executive's gross misconduct the Executive shall not be entitled, if otherwise appropriate, to salary in lieu of any outstanding holiday entitlement, save as required by law.

7. ILLNESS/INCAPACITY

7.1 Subject to the terms of any critical illness policy in place, if the Executive is absent through illness, accident or other incapacity the Executive, or someone acting for the Executive, shall advise the Company in accordance with the policies set forth in its Employee Handbook. Provided that the Executive complies with such policies and without prejudice to the Company's right to terminate this Agreement under clause 2 above and 11 below, the Executive shall be entitled to the Executive's salary at the full rate for up to 180 working days' continuous absence or periods of absence totalling 180 working days in any period of 12 months and thereafter the salary shall be payable at

such rate (if any) as the Company shall in its discretion allow, provided that there shall be deducted from any salary paid or payable under this clause 7.1 any Statutory Sick Pay, Social Security, Sickness, Insurance or other benefits recoverable by the Executive (whether or not recovered). The Company confirms that it will comply with the Access to Medical Reports Act 1988.

7.2 For Statutory Sick Pay purposes, the Executive's qualifying days shall be the Executive's normal working days.

8. DISMISSAL AND DISCIPLINARY RULES AND GRIEVANCE PROCEDURES

The dismissal, disciplinary and grievance procedures applying to the Employment may be found in the Company's Employee Handbook. If the Executive is dissatisfied with a disciplinary decision relating to the Executive or any decision to dismiss the Executive, the Executive should apply in accordance with the procedure set out in the company's dismissal and disciplinary policy in writing to Warner Music Group's EVP, Human Resources. If the Executive wishes to seek redress of any grievance relating to the Employment, the Executive should apply in accordance with the procedure set out in the Company's grievance procedure in writing to Warner Music Group's EVP, Human Resources. Further details are given in the relevant procedures, which for the avoidance of doubt do not form part of the Executive's terms and conditions of Employment.

9. RESTRICTIVE COVENANTS

9.1 During the Employment and for a period of 6 (six) months following its termination, the Executive will not, in competition with the Company, either directly or indirectly, without the prior written consent of the Company, act as a consultant, employee or officer or in any other capacity or be otherwise interested in (save that the Executive may hold up to 5% of any class of securities quoted or dealt in on a recognised investment exchange or 20% of any class of securities not so dealt) any Competitive Entity. For the purposes of this clause 9.1, "Competitive Entity" shall mean any business which, at the date of the termination of the Employment, competes or is actively preparing to compete with any business carried on by the Company or any Group Company in which the Executive has been materially involved during the 12 months prior to the termination of the Employment.

9.2 During the Employment and for a period of 12 months after its termination, in connection with the carrying on of any business similar to the business of the Company or any Group Company, either on the Executive's own behalf or on behalf of any other person, firm or entity, the Executive will not directly or indirectly solicit or interfere with or endeavour to entice away from the Company or any Group Company any Key Employee.

For these purposes, “Key Employee” means any Company or any Group Company employee working (i) in a management capacity; (ii) in an A&R capacity (excluding A&R scouts or junior or clerical staff); or (iii) in sales or marketing (excluding junior or clerical staff)], and with whom the Executive had material dealings during the 12 month period prior to the termination of the Employment.

9.3 During the Employment and for a period of 12 months after its termination, in connection with the carrying on of any business similar to the business of the Company or any Group Company, either on the Executive’s own behalf or on behalf of any other person, firm or entity, the Executive will not directly or indirectly solicit or interfere with or endeavour to entice away from the Company or any Group Company any Client. For these purposes, “Client” means any artist (including a duo or group), producer, publisher, composer or songwriter exclusively contracted to provide services to the Company or any Group Company or where such contract was being negotiated with the Company or any Group Company and with whom the Executive had material dealings during the 12 month period prior to the termination of the Employment.

9.4 The duration of the above restrictions will be reduced by any period of garden leave (as defined at clause 2.2 above). It is agreed that the Executive will not be placed on garden leave for a period or periods in aggregate exceeding six months.

9.5 Whilst the parties acknowledge and agree that each of the restrictions contained in this clause 9 is reasonable in all the circumstances, it is agreed that if any one or more of such restrictions either taken by itself or themselves together, are adjudged to go beyond what is reasonable in all the circumstances for the protection of the legitimate interests of the Company or any Group Company but would be adjudged reasonable if any particular restriction or restrictions were deleted or limited in a particular manner then the restrictions set out in this clause 9 will apply with such deletions, restrictions or limitation as the case may be.

9.6 The Executive agrees that each of the restrictions set out in this clause 9 constitute entirely separate, severable and independent restrictions on the Executive. The Executive acknowledges that the Executive has had the opportunity to receive independent legal advice on the terms and effect of the provisions of this Agreement, including the restrictions above.

10. CONFIDENTIALITY

10.1 Without prejudice to any other duty implied by law or equity, the Executive shall not during the Employment (except in the proper course of the Executive’s duties) nor at any time after the termination of this Agreement utilise for the Executive’s own purposes

or divulge or publish to any person whomsoever or otherwise make use of any trade secret or any other confidential information concerning the Company or any Group Company including without limitation relating to its or their business, human resources function, management or finances of any of its or their dealings, transactions, affairs, artists, producers, composers, songwriters, clients, suppliers, agents, employees or consultants which may have come to the Executive's knowledge during or in the course of the Employment with the Company or any Group Company (whether prior to the commencement of this Agreement or not) and shall use the Executive's reasonable endeavours (but not so as to personally incur any costs) to prevent the publication or disclosure by others of any such trade secret or confidential information, provided that the foregoing shall not apply to confidential information which comes into the public domain otherwise than as a result of an unauthorised disclosure by the Executive and/or information which does not belong to the Company but rather, forms part of the Executive's skill and knowledge or as may be reasonably necessary for the Executive to take advice from the Executive's professional advisers (provided always that the Executive procures that such professional advisers comply with the terms of this clause 10.1) or as may be required by law.

10.2 Nothing in this clause 10 shall prevent the Executive making a "permitted disclosure" in accordance with the Employment Rights Act 1996 (as amended by the Public Interest Disclosure Act 1998).

11. TERMINATION IN SPECIFIC CASES

11.1 Without prejudice to any remedy which it may have against the Executive for the breach or non-performance of any of the provisions of this Agreement, the Company may terminate this Agreement at any time without notice or pay in lieu of notice for "Cause" as set out below:

11.1.1 if the Executive shall be in serious or repeated breach of any of the Executive's material obligations under this Agreement, provided that if such breach (or breaches) is capable of cure, the Executive has first received a formal notice in writing in respect of a previous breach(es) and been given a reasonable opportunity to cure such breach(es);

11.1.2 if the Executive shall refuse to carry out any lawful and reasonable order given to the Executive in the course of the Employment or shall fail diligently to attend to any of the Executive's duties, provided always that if such refusal or failure is capable of cure, the Executive has first received a formal notice in writing in respect of such refusal or failure and has been given a reasonable opportunity to correct such refusal or failure;

11.1.3 if the Executive commits any financially dishonest or fraudulent act in relation to the Company or any Group Company;

11.1.4 if the Executive shall be convicted of any criminal offence which is punishable by imprisonment (other than a road traffic offence for which a penalty of imprisonment is not imposed);

11.1.5 if the Executive is guilty of gross misconduct or of any other conduct which brings or is likely to bring serious professional discredit to the Company or any Group Company or to the Executive;

11.1.6 if the Executive has failed to promptly report a serious data security breach in breach of the Company's data protection policy from time to time in force of which the Executive is aware;

11.1.7 notwithstanding the actual or expected provision of disability benefits, if the Executive has at any time become or is unable properly to perform the Executive's duties under this Agreement by reason of ill-health or accident either for a continuous period of 26 weeks or for periods aggregating 26 weeks in any consecutive period of 52 weeks, provided always that the Company shall not be entitled to terminate the Executive's employment under this clause 11.1.7 if the Executive is in receipt (or likely to be in receipt in the near future) of payment from a permanent health or similar scheme provided by the Company and such termination would disentitle him from receiving such benefits;

11.1.8 notwithstanding the actual or expected provision of disability benefits, if the Executive shall become of unsound mind or a patient for the purpose of any statute relating to mental health, provided always that the Company shall not be entitled to terminate the Executive's employment under this clause 11.1.8 if the Executive is in receipt (or likely to be in receipt in the near future) of payment from a permanent health or similar scheme provided by the Company and such termination would disentitle him from receiving such benefits;

11.1.9 if a petition or application for an order in bankruptcy (including for a voluntary arrangement) is presented by or against the Executive or any person (including the Executive) becomes entitled to petition or apply for any such order;

11.1.10 if the Executive shall have a disqualification order (as defined in Section 1 of the Directors Disqualification Act 1986) made against the Executive or otherwise becomes prohibited by law from being a company director; and/or

11.1.11 if the Executive resigns of the Executive's own choice as a director of the Company or is removed as a director by resolution of the Board of shareholders of the Company.

11.2 For purposes of this clause 11.2, the Company shall be in breach of its obligations to the Executive under this Agreement if there shall have occurred any of the following events (each such event being referred to as a "Good Reason"): (A) a material reduction in the Executive's title, authority or responsibilities as set out in clause 1.1 above has been put into effect; (B) the Company fails to pay to the Executive any monies due under this Agreement in accordance with applicable law; (C) the Company requires the Executive to relocate the Executive's primary residence outside of Greater London in order to perform the Executive's duties to the Company under this Agreement (other than requiring the Executive to proceed with the Relocation); (D) the Executive shall have been required to report to anyone other than as provided in clause 3.1.1 above; (E) the Company assigns its rights and obligations under this Agreement in contravention of the provisions of clause 14 below.

The Executive may exercise his right to terminate the Employment and this Agreement for Good Reason pursuant to this clause 11.2 by giving notice to the Company in writing specifying the Good Reason for termination within ninety (90) days after the occurrence of any such event constituting Good Reason, otherwise the Executive's right to terminate the Employment by reason of the occurrence of such event shall expire and shall be deemed to have permanently lapsed (but not with respect to the subsequent occurrence of the same or similar or any other Good Reason). Any such termination in compliance with the provisions of this clause 11.2 shall be effective thirty (30) days after the date of the Executive's written notice of termination, except that if the Company shall cure such specified Good Reason within such thirty-day period, the Executive shall not be entitled to terminate the Employment by reason of such specified Good Reason and the notice of termination given by the Executive shall be null and void and of no effect whatsoever. The Company shall not be entitled to any cure rights provided under this clause for or with respect to its second or subsequent commission of the same Good Reason within a twelve (12) month period.

If this Agreement is terminated by the Executive for Good Reason, the Company shall pay to the Executive the Severance Payment in accordance with clause 2.4 above.

11.3 If the event of a "Qualifying Non-Renewal", the Company shall pay to the Executive the Severance Payment set out in clause 2.4 above, save that the amount of salary payable under clause 2.4.1 above shall be 12 months (not 18 months) and in relation to clause 2.4.3 above, the Company shall give good faith consideration only to payment of a pro-rata bonus in respect of the year of termination.

A "Qualifying Non-renewal" shall have occurred in the event that, at the end of the Term: (i) the Company declines to offer the Executive continued employment with the Company or one of its affiliates or (ii) the Company offers the Executive continued employment with the Company or one of its affiliates for a term of less than an additional three (3) years or with a title or salary or target bonus amount lower than the Executive's title, salary or target bonus amount, respectively, as in effect on the last day of the Term, and the Executive declines such offer and elects to terminate the Employment with the Company.

11.4 On the termination of the Employment for whatever reason, the Executive shall immediately resign from all offices and directorships held by the Executive in the Company or in any Group Company.

11.5 For the avoidance of doubt, any termination of the Employment shall be without prejudice to the Executive's entitlement to receive any salary and bonus (if any) accrued but unpaid as at the date of termination, to reimbursement of any expenses (in accordance with clause 4.4 above) and to any entitlement pursuant to clause 2.4 above.

12. ASSIGNMENT OF COPYRIGHT & OTHER INTELLECTUAL PROPERTY RIGHTS

12.1 If at any time during the Employment (whether or not during working hours or using the Company premises or resources, and whether or not recorded in material form), the Executive discovers, or participates in the discovery of, any invention or improvement upon or addition to an invention which relates to, is applicable to or reasonably capable of being used in the business carried on by the Company or any Group Company ("Invention"), the Executive shall immediately give to the Company full written details of the Invention. The Executive shall keep confidential all information relating to the Invention.

12.2 The Executive acknowledges that all intellectual property rights in:

12.2.1 Inventions and all materials embodying them; and

12.2.2 all other materials whatsoever and in whatever form,

prepared by or contributed to by the Executive during the Employment shall automatically, on creation, belong to the Company absolutely to the fullest extent permitted by law. To the extent that any intellectual property rights do not vest in the Company automatically, the Executive holds them on trust for the Company. For the purposes of this Agreement, intellectual property rights means patents, rights to inventions, copyright and related rights, trade marks, trade names and domain names, rights in get-up, goodwill and the right to sue for passing off, unfair competition rights, rights in designs, rights in computer software, database rights, topography rights, rights to use and preserve the confidentiality of information (including know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including all applications (or rights to apply) for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world.)

12.3 The Executive hereby irrevocably waives all moral rights under the Copyright, Designs and Patents Act 1988 (and all similar rights in other jurisdictions) which the Executive has or will have in any existing or future works and materials referred to in this clause 12.

12.4 The Executive agrees promptly at any time, whether during or after the Employment, at the reasonable cost of the Company, to execute all documents and do all acts as may, in the opinion of the Company, be necessary to give effect to this clause 12.

13. SUSPENSION

The Company retains the right to suspend the Executive from the Employment on full salary at any time for a reasonable period (which will usually not exceed 28 days) to investigate any matter in respect of potential serious or gross misconduct in which the Executive is implicated or involved (whether directly or indirectly), based on the Company's reasonable belief, acting in good faith.

14. ASSIGNMENT

The benefit and burden of this Agreement (without alteration or amendment) may be assigned by the Company to any Group Company, provided that the Company shall remain liable hereunder unless and until the relevant Group Company enters into a direct covenant to perform the Company's obligations hereunder and the Executive agrees to execute any consent required of the Executive for the purposes of such

assignment. References in this Agreement to the Company shall, unless the context otherwise requires, include references to any such assignee for the time being. For the avoidance of doubt, this Agreement (including all rights under it) is not assignable by the Executive.

15. EXECUTIVE'S OBLIGATIONS ON TERMINATION OF THE EMPLOYMENT

Upon the termination of the Employment, the Executive shall:-

15.1 forthwith deliver up to the Company all correspondence, drawings, documents and other papers together with all other property belonging to the Company or any Group Company; and

15.2 not at any time represent himself still to be connected with the Company or any Group Company.

16. EFFECT OF TERMINATION

The termination of this Agreement shall not operate to affect such of its provisions as are expressed to operate or have effect after such expiration or determination and shall be without prejudice to any other rights or remedies of the parties.

17. COLLECTION & EXCHANGE OF PERSONAL INFORMATION

17.1 The Executive acknowledges that the Company will from time to time process data that relates to the Executive for the purposes of the administration and management of the Company, in order to comply with applicable procedures, laws and regulations, and for other legitimate purposes.

17.2 The Executive agrees to comply with the Company's data protection policy when processing other people's data.

18. SEARCH

Solely in the event that the Company (acting in good faith) has good reason to believe that the Executive is acting in breach of the material terms of this Agreement, the Company reserves the right to search the Executive's person, vehicle and property while on or departing from the Company's premises.

19. WRITTEN NOTICE

Any written notice required to be served under or pursuant to this Agreement shall be deemed duly served if in the case of notice to the Company it is sent by recorded delivery

to or left at the Company's registered office and in the case of notice to the Executive if handed to the Executive personally or sent by recorded delivery or ordinary first class letter post to the Executive's last known residential address in the United Kingdom with copies sent to Carroll, Guido & Groffman, 5 Columbus Circle, 20th Floor, NY 10019, attn: Michael Guido, Esq. and to Russells, Yalding House, 152-156 Great Portland Street, London W1W 5QA, attn: Gavin Maude and any notices so sent shall be deemed to have been received and served when the same should have been received in the ordinary course of such delivery or post.

20. **INTRANET**

Company policies applying to the Executive are available for inspection on the Company's intranet and the general terms and conditions of employment appearing therein shall apply to the Executive except where the terms contained on the Company's intranet are inconsistent with the provisions of this Agreement, when the provisions of this Agreement shall apply.

21. **EMAIL/INTERNET POLICY & PROCEDURE**

The Executive agrees to become familiar with and comply fully with the terms of the Company's E-mail and Internet Policy and Procedure as amended from time to time and the Executive acknowledges that action such as monitoring, intercepting, reviewing and/or accessing any communication facilities provided by the Company or any Group Company that the Executive may use during the Employment is necessary for the Company's or any Group Company's lawful business practice.

22. **WMG CODE OF CONDUCT**

The WMG Code of Conduct sets out the Company's commitment to carrying out business in a responsible manner. The Executive agrees to become familiar and adhere with the principles set forth in the WMG Code of Conduct, which the Company can amend from time to time.

23. **WRITTEN PARTICULARS**

This Agreement contains the written particulars of employment which the Executive is entitled to receive under the provisions of Part 1 of the Employment Rights Act 1996.

24. **POWER OF ATTORNEY**

The Executive hereby irrevocably and by way of security appoints each other director of the Company from time to time, jointly and severally, to be the Executive's attorney

in the Executive's name and on the Executive's behalf and as the Executive's act and deed to sign, execute and do all acts, things and documents which the Executive is obliged to execute and do under the provisions of this Agreement (including, but not limited to clauses 2.2.4, 11.4 and 12.4 above) and the Executive hereby agrees immediately on the reasonable request of the Company to ratify and confirm all such acts, things and documents signed, executed or done in the pursuance of this power.

25. **PREVIOUS AGREEMENTS**

This Agreement (and the Agreement between Warner/Chappell Music, Inc. and the Executive of even date) contains the whole agreement and supersedes any previous written or oral agreement between the parties in relation to the matters dealt with in it.

26. **GOVERNING LAW AND JURISDICTION**

The validity, construction and performance of this Agreement and any claim, dispute or matter arising under or in connection with it or its enforceability will be governed by and construed in accordance with English law. Each party irrevocably submits to the non-exclusive jurisdiction of the English courts.

27. **DEFINITIONS**

Beverly Hills, CA 90212
Attn: Donald Passman, Esq.

Dear Carianne:

This letter, when signed by you and countersigned by us ("Company"), shall, subject to your successful completion of the employment application process (including, without limitation, completion of a criminal background investigation and reference checks) in accordance with Company's policy to the reasonable satisfaction of Company, constitute our agreement (the "Agreement") with respect to your employment with Company.

1. Title and Responsibilities: Your title shall be Chief Operating Officer. All employees of Company ("Personnel") in the following departments or functions shall report either directly to you or in an ascending chain of authority ending with you: (a) Global Catalog, (b) Creative Services, and (c) Songwriter-related Tech; provided that the foregoing Personnel reporting structure shall be subject to modification by mutual agreement of you and the senior executive officer to whom you report.

2. Term: The term of this Agreement (the "Term") shall commence on June 1, 2018 and end on May 31, 2023.

3. Compensation:

(a) Salary: During the Term, Company shall pay you a salary at the rate of $750,000 per annum.

(b) Annual Discretionary Bonus: With respect to each fiscal year of the Term, commencing with the fiscal year that begins October 1, 2017 and ends September 30, 2018 (i.e., the 2018 fiscal year), Company shall consider granting to you an annual bonus (or a pro rata portion thereof for a portion of such fiscal year). Your target bonus for each fiscal year of the Term shall be $300,000 (or a pro rata portion of such amount for a portion of a fiscal year), and the amount of any

annual bonus awarded to you shall be determined by Company in its sole discretion based on factors including the strength of your performance and the performance of Company and of Warner Music Group; provided that the amount of any annual bonus awarded to you may be higher or lower than the target amount. Annual discretionary bonuses or pro rata portions thereof, if any, payable to you pursuant to this Paragraph, shall each be paid to you not later than such time as bonuses with respect to the applicable fiscal year are paid to employees of Company generally.

(c) Execution Payment: As soon as practicable following the execution in full of this Agreement, Company shall pay to you a one-time lump sum payment in the amount of $15,000.

(d) Payment of Compensation: Compensation accruing to you during the Term shall be payable in accordance with the regular payroll practices of Company for employees at your level. You shall not be entitled to additional compensation for performing any services for Company's subsidiaries or affiliates.

4. Exclusivity: Your employment with Company shall be full-time and exclusive. During the Term you shall not render any services for others, or for your own account, in the field of entertainment or otherwise; provided, however, that you shall not be precluded from personally, and for your own account as a passive investor, investing or trading in real estate, stocks, bonds, securities, commodities, or other forms of investment for your own benefit, except that your rights hereafter to invest in any business or enterprise principally devoted to any activity which, at the time of such investment, is competitive to any business or enterprise of Company or the subsidiaries or affiliates thereof, shall be limited to the purchase of not more than two percent (2%) of the issued and outstanding stock or other securities of a corporation listed on a national securities exchange or traded in the over-the-counter market. In addition and notwithstanding the foregoing, to the extent such activities do not conflict or interfere with the performance of your duties hereunder, you shall not be precluded from maintaining your less than five percent (5%) passive ownership interest in Songs Music Publishing which currently only holds interests in a music supervision company (or, in the event Songs Music Publishing divests or otherwise spins off such music supervision company, a less than five percent (5%) passive ownership interest directly in such music supervision company) (the "Music Supervision Company"); provided further that (a) you shall not render any management or advisory services to the Music Supervision Company or Songs Music Publishing or to any of their respective affiliates (collectively, the "Music Parties") without the prior written consent of Warner Music Group's Conflicts Committee, and (b) other than in connection with pitching, negotiating and licensing the use of musical compositions from Company's catalog to the Music Supervision Company or its clients, (i) you shall not solicit, encourage, facilitate or participate in any business between Company, its subsidiaries or affiliates, or any of their respective artists or songwriters (collectively, the "WMG Parties"), on the one hand, and a Music

Party, on the other hand, without the prior written consent of Warner Music Group's Conflicts Committee, and (ii) you shall provide written notice to the senior executive officer to whom you report and the General Counsel of Warner Music Inc. in the event you become aware of any business or potential business between any WMG Party and any Music Party.

5. Reporting: You shall at all times report solely and directly to and work solely under the supervision of the Chairman and Chief Executive Officer of Company (currently, Jon Platt) or, in the absence of an officer of Company having such title, such senior executive officer of Company of comparable or higher stature as Company may designate from time to time, and shall perform such duties consistent with your position as you shall reasonably be directed to perform by such senior officers.

6. Place of Employment: The greater Los Angeles metropolitan area. You shall render services in the offices designated by Company at such location. You also agree to travel on temporary trips to such other place or places as may be required from time to time to perform your duties hereunder.

7. Travel and Entertainment Expenses: Company shall pay for reasonable expenses actually incurred, or reimburse you for reasonable expenses paid, by you during the Term in the performance of your services hereunder in accordance with Company's policy for executives at your level upon presentation of expense statements or vouchers or such other supporting information as Company may customarily require. You shall be entitled to travel in accordance with Company's policies for executives at your level, except that you shall be entitled to business class travel for flights even where Company's policies for executives at your level call for a lower class of travel.

8. Benefits: While you are employed hereunder, you shall be entitled to all fringe benefits generally accorded to employees of Company at your level from time to time, including medical health and accident, group insurance and similar benefits, provided that you are eligible under the general provisions of any applicable plan or program and Company continues to maintain such plan or program during the Term. You shall also be entitled to four (4) weeks of vacation (with pay) during each calendar year of the Term in accordance with Company's policies with respect to vacations for employees, which vacation shall be taken at reasonable times to be approved by Company.

9. Disability/Death: If you shall become physically or mentally incapacitated from performing your duties hereunder, and such incapacity shall continue for a period of five (5) consecutive months or more or for shorter periods aggregating five (5) months or more in any twelve-month period, Company shall have the right (before the termination of such incapacity), at its option, to terminate this Agreement with no consequence, except if such termination would be prohibited by law. Upon termination of this Agreement pursuant to the foregoing, you shall continue to remain employed by Company as an at-will employee. In the event your at-will employment with Company subsequently terminates, Company shall

pay to you the Basic Termination Payments (as defined below); and in the event such termination is by Company other than for Cause (as defined below), subject to your execution of a Release (as defined below) within the time period set forth in such Release, Company shall also pay to you the Prior Year Bonus and the Pro-Rata Bonus (each, as defined below). In the event of your death during the Term, this Agreement shall automatically terminate except that Company shall pay to your estate the Basic Termination Payments, the Prior Year Bonus and the Pro-Rata Bonus.

10. Termination by Company for Cause; Termination by You for Good Reason.

(a) Termination by Company for Cause: Company may at any time during the Term, by written notice, terminate your employment and this Agreement for Cause, such Cause to be specified in the notice of termination. Only the following acts shall constitute "Cause" hereunder: (i) any willful or intentional act or omission having the effect, which effect is reasonably foreseeable, of injuring, to an extent that is not de minimis, the reputation, business, business relationships or employment relationships of Company or its affiliates; (ii) conviction of, or plea of nolo contendere to, a misdemeanor involving theft, fraud, forgery, embezzlement or the sale or possession of illicit substances or a felony, unless prohibited by applicable law; (iii) breach of any material representation, warranty or covenant contained in this Agreement; (iv) violation of Company's written policies of which you are made aware, including those described in Paragraph 17(b), as determined by Company in good faith; and (v) repeated or continuous failure, neglect or refusal to perform your material duties hereunder. Notice of termination given to you by Company shall specify the reason(s) for such termination. In the case where a cause for termination described in clause (iii), (iv) or (v) above is susceptible of cure (as determined by Company in good faith), and such notice of termination is the first notice of termination given to you for such reason, if you fail to cure such Cause for termination to the reasonable satisfaction of Company within fifteen (15) business days after the date of such notice, termination shall be effective upon the expiration of such fifteen-business-day period, and if you cure such Cause within such fifteen-business-day period, such notice of termination shall be ineffective. In all other cases, notice of termination shall be effective on the date thereof. In the event of the termination of your employment pursuant to this Paragraph 10(a), this Agreement shall automatically terminate except that Company shall pay to you the Basic Termination Payments.

(b) Termination by You for Good Reason:

(i) For purposes of this Paragraph 10(b), Company shall be in breach of its obligations to you hereunder if there shall have occurred any of the following events (each such event being referred to as a "Good Reason"): (A) a material reduction in your title shall have been put into effect; (B) you shall have been required to report to anyone other than as provided in Paragraph 5 hereof; (C) Company fails to pay to you any monies due hereunder in accordance with

applicable law; (D) Company requires you to relocate your primary residence outside the greater Los Angeles metropolitan area in order to perform your duties to Company hereunder; or (E) Company assigns its rights and obligations under this Agreement in contravention of the provisions of Paragraph 17(e).

(ii) You may exercise your right to terminate your employment and this Agreement for Good Reason pursuant to this Paragraph 10(b) by notice given to Company in writing specifying the Good Reason for termination within sixty (60) days after the occurrence of any such event constituting Good Reason, otherwise your right to terminate your employment and this Agreement by reason of the occurrence of such event shall expire and shall be deemed to have permanently lapsed. Any such termination in compliance with the provisions of this Paragraph 10(b) shall be effective thirty (30) days after the date of your written notice of termination, except that if Company shall cure such specified Good Reason within such thirty-day period, you shall not be entitled to terminate your employment and this Agreement by reason of such specified Good Reason and the notice of termination given by you shall be null and void and of no effect whatsoever.

11. Consequences of Breach by Company or Non-renewal:

(a) In the event of a Special Termination (as defined below) of your employment, your sole remedy shall be that, subject to your execution of a Release, Company shall pay to you the Special Termination Payments (as defined below), and in the event of a Qualifying Non-renewal (as defined below), your sole remedy shall be that, subject to your execution of a Release, Company shall pay to you the Non-renewal Payments (as defined below); provided Company shall cease making Termination Payments (as defined below) if you do not deliver the signed Release within the time period set forth in the Release. In addition, in the event of a Special Termination or Qualifying Non-renewal, Company shall pay to you the Basic Termination Payments, and subject to your execution of a Release within the time period set forth in such Release, the Prior Year Bonus and Pro-Rata Bonus. Special Termination Payments and Non-renewal Payments are sometimes herein referred to as the "Termination Payments."

(b) The "Basic Termination Payments" shall mean any accrued but unpaid salary, accrued but unused vacation pay in accordance with Company policy, any unreimbursed expenses pursuant to Paragraph 7, plus any accrued and vested but unpaid benefits in accordance with Paragraph 8, in each case to the date on which your employment terminates (the "Termination Date"). Basic Termination Payments shall be paid to you in accordance with Company policy or in accordance with the terms of the applicable plan.

(c) A "Release" shall mean a mutual release agreement in Company's standard form as negotiated in good faith, which shall include (i) a release by you of Company from any and all claims which you may have relating to your employment with Company and the termination of such employment (excluding any indemnity claims to the extent set forth in Paragraph 15) and (ii) a release by Company of you from any and all claims which Company may have relating to your employment with Company and the termination of such employment.

(d) A “Special Termination” shall have occurred in the event that (i) Company terminates your employment hereunder other than pursuant to Paragraph 9 or 10(a), or (ii) you terminate your employment pursuant to Paragraph 10(b).

(e) “Special Termination Payments” shall mean the greater of (i) the Severance Amount (as defined below) and (ii) an amount equal to fifteen (15) months’ salary at the per annum salary rate payable to you hereunder as of the Termination Date.

(f) A “Qualifying Non-renewal” shall have occurred in the event that, at the end of the Term: (i) Company declines to offer you continued employment with Company or one of its affiliates or (ii) Company offers you continued employment with Company or one of its affiliates at a salary lower than your salary as in effect on the last day of the Term, and you decline such offer and elect to terminate your employment with Company.

(g) The “Non-renewal Payments” shall mean the amount of severance pay (the “Severance Amount”) that would have been payable to you under Company policy as in effect on the Termination Date had you not been subject to an employment agreement with Company, which amount shall under no circumstance exceed $500,000.

(h) Any Termination Payments payable to you under Paragraph 11(e) or (g) shall be made by Company in accordance with its regular payroll practices by payment of such Termination Payments at the same per annum salary rate as was in effect as of the Termination Date for the applicable period as is necessary to cause the full amount due under such Paragraph to be paid (the “Payment Period”); provided that if the total Termination Payments payable to you exceed an amount equal to fifty-two weeks of your salary, then the Termination Payments payable to you shall be made in equal periodic payments to you (at such times as Company makes payroll payments to its employees generally) during the fifty-two-week period immediately following the date on which your employment terminates. In addition, such Termination Payments shall commence on the next possible pay cycle following the Termination Date; provided that Company shall cease making Termination Payments if you do not deliver the signed Release to Company within the time period set forth in the Release.

(i) In the event you elect not to execute and deliver a Release within the time period set forth therein in connection with a Special Termination or a Qualifying Non-renewal, Company shall only be obligated to pay to you the Basic Termination Payments. Following the delivery of an executed Release pursuant to this Paragraph 11, you shall have no duty to seek substitute employment, and Company shall have no right of offset against any amounts payable to you under this Paragraph 11 with respect to any compensation or fees received by you from any employment obtained or consultancy arrangement entered into by you.

(j) In the event of a Special Termination or a Qualifying Non-renewal, during the period commencing immediately following the Termination Date and through the last day of the calendar month in which the Termination Date occurs (such period, the "Benefits Period"), Company shall continue to provide you and your eligible family members with medical health insurance coverage, including dental and vision insurance coverage under the group insurance plan maintained by Company ("Benefits Coverage") in accordance with the terms of the applicable plans, to the extent that you had elected for such coverage prior to the Termination Date. Following the Benefits Period, you may have the right, in accordance with and subject to the Consolidated Omnibus Budget Reconciliation Act, as amended ("COBRA"), at your expense, to elect to continue your and/or your dependents' Benefits Coverage for such additional period of time as is required under COBRA. Further information regarding COBRA coverage, including enrollment forms and premium quotations, shall be sent to you separately.

(k) In the event you resign from your employment hereunder prior to the expiration of the Term other than for Good Reason, without limitation of other rights or remedies available to Company, Company shall have no further obligations to you under this Agreement or otherwise, except for the Basic Termination Payments. In the event you resign from your employment upon or after the expiration of the Term (other than in connection with a Qualifying Non-renewal), Company shall have no further obligations to you under this Agreement or otherwise, except for the Basic Termination Payments and the Prior Year Bonus.

(l) The "Prior Year Bonus" shall mean any awarded but unpaid annual bonus pursuant to Paragraph 3(b) for the most recently completed fiscal year prior to the Termination Date.

(m) The "Pro-Rata Bonus" shall mean, with respect to the fiscal year in which the Termination Date occurs, a pro rata portion (based on the portion of such fiscal year during which you rendered services to Company) of an annual bonus for such year pursuant to Paragraph 3(b), determined in good faith by Company, taking into account factors including Company's discretionary annual bonus pool for such fiscal year, the strength of your performance and the performance of Company and of Warner Music Group.

12. Confidential Matters: You shall keep secret all confidential matters of Company and its affiliates (for purposes of Paragraphs 12 and 13 only, "Company"), and shall not disclose them to anyone outside of Company, either during or after your employment with Company, except (a) with Company's prior written consent; (b) as required by law or judicial process or as permitted by law for the purpose of reporting a violation of law; or (c) to your professional advisors to the extent reasonable and necessary. Company hereby informs you, and you hereby acknowledge, in accordance with 18 U.S.C. Section 1833(b), that you may not be

held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret where the disclosure (i) is made (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. You shall deliver promptly to Company upon termination of your employment, or at any time as Company may request, all confidential memoranda, notes, records, reports and other documents (and all copies thereof) relating to the business of Company which you may then possess or have under your control; provided that you may retain your personal files (i.e., your files not related to Company) and a copy of your address book.

13. Non-Solicitation: While you are employed by Company and for a period of one year thereafter, you shall not, without the prior written consent of Company, directly or indirectly, as an employee, agent, consultant, partner, joint venturer, owner, officer, director, member of any other firm, partnership, corporation or other entity, or in any other capacity: (a) induce (or attempt to induce) a breach or disruption of the contractual relationship between Company (or a label distributed by Company) and any recording artist (including a duo or a group), publisher or songwriter (including a recording artist or songwriter who has contracted through a furnishing entity) ("Company Artist"); (b) use Company's trade secrets or confidential information to solicit, induce or encourage any individual who at the time is, or who within the one-year prior period was, a Company Artist to end its relationship with Company or to enter into an exclusive recording or music publishing agreement with any other party; or (c) solicit, induce or encourage any individual who at the time is, or who within the six-month prior period was, an employee of Company in the United States to leave his or her employment or to commence employment with any other party (excluding your then-current administrative assistant).

14. Results and Proceeds of Employment: You acknowledge that Company shall own all rights of every kind and character throughout the world in perpetuity in and to any material and/or ideas written, suggested or in any way created by you hereunder and all other results and proceeds of your services hereunder, including all copyrightable material created by you within the scope of your employment. You agree to execute and deliver to Company such assignments or other instruments as Company may require from time to time to evidence Company's ownership of the results and proceeds of your services.

15. 17. Miscellaneous:

(a) You represent and warrant as follows: (i) you are free to enter into this Agreement and to perform each of the terms and covenants hereunder; (ii) you are not restricted or prohibited, contractually or otherwise, from entering into and performing this Agreement and that your execution of and performance under this Agreement is not a violation or breach of any other agreement; and (iii) you have not disclosed to Company or any officer or other affiliate of Company any proprietary information or trade secrets of any former employer or of your current employer (if applicable). You represent and warrant that your current employer has agreed to release you from any contractual commitments (other than with respect to use of confidential information) effective no later than the first day of the Term. Upon request of Company, you shall provide or have provided as of the date hereof, Company with a copy of any release document signed by your current employer. You further covenant that you shall not enter into any other agreements (including an extension or amendment of any agreement) that would restrict or prohibit you from entering into or performing under this Agreement.

(b) You acknowledge and agree that while you are employed hereunder you shall comply with Company's Code of Conduct (or any successor document) and other corporate policies including the requirements of Company's compliance and ethics program, each as in effect from time to time, of which you are made aware.

(c) You acknowledge that services to be rendered by you under this Agreement are of a special, unique and intellectual character which gives them peculiar value, and that a breach or threatened breach of any provision of this Agreement (particularly, but without limitation, the provisions of Paragraphs 4, 12, 13 and 14), will cause Company immediate irreparable injury and damage which cannot be reasonably or adequately compensated in damages in an action at law. Accordingly, without limiting any right or remedy which Company may have in such event, you specifically agree that Company shall be entitled to seek injunctive relief to enforce and protect its rights under this Agreement. The provisions of this Paragraph 17(c) shall not be construed as a waiver by Company of any rights which Company may have to damages or any other remedy or by you as a waiver by you of any rights which you may have to offer fact-based defenses to any request made by Company for injunctive relief.

(d) This Agreement sets forth the entire agreement and understanding of the parties hereto, and supersedes and terminates any and all prior agreements, arrangements and understandings. No representation, promise or inducement has been made by either party that is not embodied in this Agreement, and neither party shall be bound by or liable for any alleged representation, promise or inducement not herein set forth. This Agreement may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission or by email shall be effective as delivery of a manually executed counterpart of this Agreement. If any provision of this Agreement or the application thereof is held to be wholly invalid, such invalidity shall not affect any other provisions or the application of any provision of this Agreement that can be given effect without the invalid provisions or application, and to this end the provisions of this Agreement are hereby declared to be severable.

(e) The provisions of this Agreement shall inure to the benefit of the parties hereto, their heirs, legal representatives, successors and permitted assigns. This Agreement, and your rights and obligations hereunder, may not be assigned by you. By operation of law or otherwise, Company may assign its rights, together with its obligations, hereunder in connection with any sale, transfer or other disposition of all or a substantial portion of the stock or assets of Company or any direct or indirect parent of Company.

(f) Nothing contained in this Agreement shall be construed to impose any obligation on Company to renew this Agreement. This Agreement may be amended, modified, superseded, canceled, renewed or extended, and the terms or covenants hereof may be waived, only by a written instrument executed by both of the parties hereto, or in the case of a waiver, by the party waiving compliance. Neither the continuation of employment nor any other conduct shall be deemed to

imply a continuing obligation upon the expiration or termination of this Agreement. Upon the expiration of the Term, the continuation of your employment (if applicable) shall be deemed "at-will." Accordingly, upon the expiration of the Term, your employment with Company shall not be subject to a defined term, but rather, you may terminate your employment with Company at any time and for any reason and Company may terminate your employment at any time and for any reason. In the event of the expiration or termination of this Agreement for any reason, only the provisions of Paragraphs 12, 13, 14, 15, 16, 17 and 18 shall survive and all other provisions of this Agreement, including the provisions relating to Special Termination Payments, shall be of no further force or effect; provided that the provisions of Paragraph 11 shall survive the expiration or termination of this Agreement pursuant to a Special Termination or Qualifying Non-renewal and the provisions of Paragraph 9 shall survive the termination of this Agreement by reason of your death or termination by Company thereunder. The failure of either party at any time or times to require performance of any provision hereof shall in no manner affect the right at a later time to enforce the same. No waiver by either party of the breach of any term or covenant contained in this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such breach, or a waiver of the breach of any other term or covenant contained in this Agreement.

(g) This Agreement shall be governed by and construed according to the laws of the State of California as applicable to agreements executed in and to be wholly performed within such State. Exclusive jurisdiction of any dispute, action, proceeding or claim arising out of or relating to this Agreement shall lie in the state or federal courts in the State of California, located in Los Angeles County.

(h) All payments made to you hereunder shall be subject to applicable withholding, social security taxes and other ordinary and customary payroll deductions, including medical and other insurance premiums.

(i) The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. The words (i) "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation," and (ii) "herein," "hereof" and "hereunder," and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof.

18. Section 409A: This Agreement is intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and shall be interpreted in a manner intended to comply with Section 409A of the Code (and any related regulations or other pronouncements). Amounts payable under this Agreement shall be deemed not to be a "deferral of compensation" subject to Section 409A of the Code to the extent provided in the exceptions set forth in Treas. Reg. Section 1.409A-1(b)(4) ("short-term deferrals") and Treas. Reg. Section 1.409A-1(b)(9) ("separation pay plans") and other applicable provisions of Treas. Reg. Section 1.409A-1

through A-6. References under this Agreement to a termination of your employment shall be deemed to refer to the date upon which you have experienced a "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything herein to the contrary, (a) if at the time of your separation from service with Company you are a "specified employee" as defined in Section 409A of the Code (and any related regulations or other pronouncements thereunder) and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then Company shall defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months following your separation from service (or the earliest date as is permitted under Section 409A of the Code), at which point all payments deferred pursuant to this Paragraph shall be paid to you in a lump sum and (b) if any other payments of money or other benefits due to you hereunder could cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral shall make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to you under this Agreement constitute "deferred compensation" under Section 409A of the Code, any such reimbursements or in-kind benefits shall be paid to you in a manner consistent with Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement shall be designated as a "separate payment" within the meaning of Section 409A of the Code. For the avoidance of doubt, any continued health benefit plan coverage that you are entitled to receive following your termination of employment is expected to be exempt from Section 409A of the Code and, as such, shall not be subject to delay pursuant to this Paragraph.

This letter, when signed by you and countersigned by Company, shall constitute our agreement to amend the Agreement as set forth herein. Unless otherwise indicated, capitalized terms shall have the meanings set forth in the Agreement.

1. Effective as of the date hereof, Paragraph 1 of the Agreement is hereby amended and restated in its entirety as follows:

"Title and Responsibilities: Your title shall be Co-Chair and Chief Operating Officer, Warner/Chappell Music. Warner/Chappell Music's Company P&L, Business Affairs, Budget Management, Deal Making, M&A, Business Strategy and Priorities & Roadmap functions shall report jointly to you and the Co-Chair and Chief Executive Officer, Warner/Chappell Music (which position is initially to be filled by Guy Moot)."

2. Effective as of the date hereof, Paragraph 2 of the Agreement is hereby amended and restated in its entirety as follows:

"Term: The term of this Agreement (the "Term") shall commence on June 1, 2018 and end on March 31, 2024."

3. Effective as of February 1, 2019, Paragraph 3(a) of the Agreement is hereby amended and restated in its entirety as follows:

"Annual Discretionary Bonus: With respect to each fiscal year of the Term, commencing with the fiscal year that begins October 1, 2018 and ends September 30, 2019 (i.e., the 2019 fiscal year), Company shall consider granting to you an annual bonus (or a pro rata portion thereof for a portion of such fiscal year). Your target bonus with respect to the 2019 fiscal year shall be $1,266,667 (which reflects the proration of your annual target of $1,750,000 commencing February 1, 2019 and your prior annual target of $300,000), and your target bonus for each fiscal year of the Term thereafter shall be $1,750,000 (or a pro rata portion of such amount for a portion of a fiscal year). 1.2 The Executive's continuous employment commenced on 1 April 2000.

2. **TERMS OF EMPLOYMENT**

2.1 The terms of this Agreement shall commence on 1 October 2017 and, subject to clause 11 below, shall continue for an initial period of five years (that is, until 30 September 2022) and thereafter unless and until it is terminated by either party giving to the other not fewer than six months' notice in writing (the "Term"), such notice to be given to expire at any time on or after the end of the Term, provided always that such notice can be served at any time to expire on or after 30 September 2022 (the "Employment"). The Company agrees that, in good time before the end of the Term, it will give good faith consideration to commencing discussions with the Executive concerning the extension of the Term.

2.2 The Company is not obliged to provide the Executive with work and it may, subject to sub-clause 9.5 below, in respect of all or part of any unexpired Term or period of notice, suspend the Executive on garden leave and require the Executive:

2.2.1 not to perform his duties;

2.2.3 not to enter Company or Group Company premises;

2.4 Subject to sub-clause 11.1 below (pursuant to which the Company reserves the right to terminate the Employment upon notice without payment in lieu of notice), in the event that the Company terminates the Employment upon notice (including notice given by the Company in accordance with sub-clause 2.1 above) or elects to terminate the Employment during the Term without notice or the Executive is constructively dismissed (but not where the Executive resigns voluntarily), the Company shall pay to the Executive (i) an amount of £6,000,000 provided that if the Executive is first suspended pursuant to clause 2.2 above, he shall be paid salary (and benefits shall continue) during such suspension and provided further that the payment under sub-clause 4.5 below shall also be paid to the Executive (if not already paid); and (ii) in the event the payment at (i) becomes payable to the Executive before bonuses are paid to executives for the current financial year (ending 30 September 2017), the Company will pay to the Executive a full (not pro-rated) bonus for the current financial year pursuant to sub-clause 4.4 below (together the "Severance Payment"). If payable, the Severance Payment will be paid to the Executive as a lump sum, less statutory deductions, within 14 days of the date the Employment ends (the "Termination Date"). The Executive shall sign such settlement agreement as the Company may reasonably require and the Executive shall agree

(acting reasonably) in order to ensure that the Executive accepts the Severance Payment in full and final settlement of any claims he may have against the Company or any Group Company. The Executive shall be under no duty to mitigate the Severance Payment and further in the event that the Executive does anything which could or does act in mitigation of the Executive's loss, the Severance Payment shall not be reduced and the Executive shall have no obligation to repay any monies to the Company.

2.5 The Executive agrees that, during any period of notice given by either party, he will give to the Company all such assistance and co-operation in effecting a smooth and orderly handover of his duties as the Company may reasonably require.

2.6 The Company may, during any period of notice given by either party, appoint a person to perform the Executive's duties jointly with him, or during any period of suspension pursuant to clause 13 below, to perform all or some of the Executive's duties in his place.

3. DUTIES AND LOCATION

3.1 During the Employment:-

3.1.1 the Executive shall report to the Chief Executive Officer of Warner Music Group (the "WMG CEO") and shall perform and observe such duties and restrictions and shall conduct and manage such of the affairs of Warner Music Group as may from time to time be reasonably required of him by the Board or the WMG CEO and which are commensurate with the Executive's level of seniority;

3.1.2 the Executive shall at all times comply with his duties as a director as set out in any relevant legislation;

3.1.3 the Executive shall well and faithfully serve the Company and/or any Group Company to the best of his abilities and carry out his duties in a proper, competent and efficient manner and in willing co-operation with others;

3.1.4 the Executive shall use his reasonable endeavours to promote, and at all times act in the best interests of the Company and/or any Group Company;

3.1.5 save as hereinafter provided, unless prevented by illness or accident and except during holidays provided for under clause 6 below, the Executive shall devote the whole of his time, attention and ability to his duties under this Agreement during normal working hours and at such other times as may be reasonably required by the needs of the Company or any Group Company or the nature of the Executive's duties and he shall not be entitled to receive any additional remuneration for work outside his normal working hours i.e. 10.00am to 7pm, Monday to Friday; and

3.1.6 save as hereinafter provided, the Executive will not have any direct or indirect interest, whether as an agent, beneficiary, consultant, director, employee, partners, proprietor, shareholder (other than a minority shareholder holding not more than 5% of any class of securities quoted or dealt in on any recognised investment exchange, as defined by section 285 of the Financial Services and Markets Act 2000) or otherwise, in any trade, business or occupation whatsoever other than the business of the Company or any Group Company except with the prior written consent of the Company (which shall not be unreasonably withheld). Consent has already been granted by Warner Music Group's Conflicts Committee in relation to the Executive's non-executive directorships with XXXXXXXXX, XXXXXX XXX XXX XXXXXX. Consent is hereby granted in relation to the Executive's non-executive directorship with XXXXXXX XXXXXXXXX XXXXXXX XX XXX XXXXX XXXX XXX XXXXXXXXX XXX XXXXXXXXX XXXX XXXX XX X XXXXXX XXXXXXXX XXXXXXX.

3.2 The Company may at any time and from time to time upon written notice to the Executive require the Executive to take as soon as practicable all steps necessary to fully and effectively relinquish the whole or any part of any interest in respect of the holding of which the Company has at any time given its prior written consent under sub-clause 3.1.6 above if the Company or any Group Company reasonably considers that the Executive continuing to hold that interest will cause a material conflict with the best interests of the Company or any Group Company.

3.3 Regulation 4(1) of the Working Time Regulations 1998 ("WTR") provides that a worker's average working time, including overtime, must not exceed 48 hours for each seven day period (to be averaged over a period of 17 weeks) unless the worker agrees that this regulation will not apply to his or her employment. In accordance with Regulation 5 of the WTR, the Executive agrees that Regulation 4(1) will not apply to the Employment. At any time during the Employment, the Executive or the Company may give three months' prior written notice that the opt-out in this clause will cease to apply with effect from the expiry of the said notice.

3.4 The Executive will work at the principal office of the Company or anywhere else within Greater London to where the principal office of the Company is relocated. The Executive may be required to travel and work outside the UK from time to time (for the purposes of business visits) subject to the Company paying all costs and expenses incurred by the Executive in connection therewith, in accordance with the Company's Travel and Entertainment Policy as amended from time to time.

4. **REMUNERATION AND EXPENSES**

4.1 With effect from 1 October 2017, the Company shall pay and the Executive shall accept a salary at the rate of £4,000,000 per annum, such salary to accrue from day to day and to be paid less statutory and voluntary deductions by equal monthly instalments in arrears on or about the 28th day of every month by bank transfer.

4.2 The salary will be reviewed on or around 1 October 2020.

4.3 The Executive will receive an additional non-returnable payment of £520,000 by way of sign on bonus, less statutory deductions ("Contract Bonus"), to be paid by the Company in the next available monthly payroll after the execution of this Agreement.

4.4 For the current financial year only (ending 30 September 2017), the Executive may be eligible, at the sole discretion of the Company, to receive an annual bonus in accordance with the Executive's previous employment agreement (and for the avoidance of doubt, any bonus payable under this sub-clause 4.4 and sub-clause 4.5 below, shall be paid to the Executive by Warner Music UK and accordingly, it will sign below to confirm its consent to this sub-clause and sub-clause 4.5 below). In this regard, his "target" bonus is £1,000,000 ("Target Bonus") although depending on performance the actual bonus award may be either more or less than the Target Bonus at the Company's sole discretion. The criteria to be achieved for the Target Bonus level to be met will be based on factors such as the Company's, Warner Music Group's, Warner Music Group's Recorded Music division's and the Executive's performance and any transitional responsibilities that the Executive is asked to perform in respect of the role set out in this Agreement will be taken into account when the amount of any bonus for the Executive for the current financial year is determined. For the avoidance of doubt but without prejudice to the provisions of sub-clause 2.4 above, the Executive will be eligible, at the sole discretion of the Company (acting in good faith) to a pro-rata bonus if the Employment terminates before bonuses are paid to executives for the current financial year. Any bonus will be paid less statutory deductions. The Company hereby warrants that the Executive shall be treated on a no less favourable basis in respect of the determination of the Executive's annual bonus for the current financial year than each senior executive at the same or equivalent level as the Executive.

4.5 The Executive will be paid the non-returnable sum of £2,400,000 less statutory deductions, in respect of the Incentive Bonus payable under his previous service agreement dated 27 September 2013 (the "Incentive Bonus") (and for the avoidance of doubt, any bonus payable under this sub-clause 4.5, shall be paid to the Executive by Warner Music UK). The Incentive Bonus will be paid to the Executive at the same time that bonuses are paid to executives for the current financial year, which is expected to be in January 2018.

For the avoidance of doubt, if the Executive resigns voluntarily (that is, other than in circumstances where the Executive is constructively dismissed) or the Employment is terminated by the Company pursuant to sub-clause 11.1 below before the Incentive Bonus is paid, the Incentive Bonus will not be payable. However, as set out in sub-clause 2.4 above, if the Severance Payment is payable and the Incentive Bonus has not already been paid, the Incentive Bonus will be paid at the same time as the Severance Payment.

4.6 From the Company's 2018 financial year onwards (that is, from 1 October 2017 onwards), the Executive will be eligible to participate in the Warner Music Group Corp. Senior Management Free Cash Flow Plan (the "Plan"), subject to the terms of the Plan as amended from time to time. For the avoidance of doubt, if payable under the terms of this Agreement, the Contract Bonus in clause 4.3 above, the annual bonus for the current financial year in clause 4.4 above and the Incentive Bonus in clause 4.5 above shall be paid in addition to the Executive's entitlements under the Plan.

4.7 The Executive shall be reimbursed all reasonable expenses properly and necessarily incurred by him in the performance of his duties upon production of vouchers in respect of them or if vouchers are not readily available upon other evidence satisfactory to the Company of payment of such expenses, provided that such expenses shall be subject to the Company's normal policy and budgetary disciplines, as detailed in the Company's Travel and Entertainment Policy as amended from time to time. In relation to international flights, it is agreed that in exceptional circumstances and where business needs so require, the Executive will be eligible to travel first class, provided that this is approved in advance with the WMG CEO. The Company hereby warrants that no executive or employee of the Company shall be treated more favourably than the Executive in relation to the Company's Travel and Entertainment Policy and that the Executive shall be treated on a no less favourable basis than each other executive or employee of the same or equivalent status.

4.8 The Executive will be provided with a mobile telephone and laptop and the Company will meet all rental and call charges reasonably incurred.

4.9 The Company retains the express right to deduct from time to time during the Employment any overpayments or advances against salary which the parties mutually agree hereafter or any other sums due from the Executive to the Company or any Group Company from any monies due to the Executive.

4.10 This Agreement is intended to be exempt from or comply with Section 409A of the (US) Internal Revenue Code of 1986, as amended (the "Code") and any related regulations or other pronouncements thereunder (collectively, "Section 409A") and will be so interpreted. Amounts payable under this Agreement shall be deemed not to be a "deferral of compensation" subject to Section 409A to the extent provided in the exceptions set forth in (US) Treas. Reg. Section 1.409A-1(b)(4) ("short-term deferrals") and (US) Treas. Reg. Section 1.409A-1(b)(9) ("separation pay plans") and other applicable provisions of (US) Treas. Reg. Section 1.409A-1 to A-6. To the extent section 409A is applicable, references under this Agreement to a termination of the Employment shall be deemed to refer to the date upon which the Executive has experienced a "separation from service" within the meaning of Section 409A. Notwithstanding anything herein to the contrary, if any payments of money or other benefits due to the Executive hereunder could cause the application of an accelerated or additional tax under Section 409A, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Company, that does not cause such an accelerated or additional tax. To the extent any reimbursements or in-kind benefits due to the Executive under this Agreement constitute "deferred compensation" under Section 409A, any such reimbursements or in-kind benefits shall be paid to the Executive in a manner consistent with (US) Treas. Reg. Section 1.409A-3(i)(1)(iv). Each payment made under this Agreement (including each installment of any payment to be made in two or more installments), shall be designated and treated as a "separate payment" within the meaning of Section 409A.

5. ADDITIONAL BENEFITS

5.1 Subject to the rules and eligibility requirements of the scheme(s) from time to time in force, the Executive (and in respect of private health and dental cover, the Executive's immediate family also) will be entitled to such benefits in accordance with the Company's policy as may from time to time be provided by the Company for its employees of equivalent status to the Executive at the Company's cost, subject to the standard deductible in respect of private health insurance. Such benefits include worldwide private health cover, dental cover and life insurance cover, subject to HM Revenue & Customs limits from time to time in force.

5.2 The Executive shall remain eligible to be a member of the Warner Music (UK) Limited pension scheme in operation and the details are as specified in the Executive Company Pension Booklet and published on the Company's intranet. Under current contribution rates, the Executive may contribute to the scheme and the Company's contribution shall be twice the amount of the Executive's contribution, up to a maximum Company contribution of 10% of the Executive's salary, subject to the Company pension cap (or other applicable caps, including any annual or lifetime allowances) from time to time in force. If in any year the Company is unable to make the full agreed contribution into the Company pension scheme on the Executive's behalf because of the operation of any caps or allowances, the excess will be paid to the Executive in cash, less statutory deductions, provided always that the cost to the Company of the cash payment will be neutral (and in particular, any employer's national insurance will be deducted from the cash payment). The Company and Warner Music (UK) Limited reserves the right to amend or withdraw this scheme provided that the Executive shall be given access to a broadly similar pension scheme and a similar level of contribution. Further details may be obtained from the Company's HR department.

5.3 The Company will pay the Executive an annual car allowance of £15,000 per annum. This is a taxable benefit. The Executive will receive this allowance monthly at the rate of £1,250 per month, less statutory deductions, with his salary payment. The car allowance is made on the understanding that the sum will cover the following:

5.3.1 to insure the Executive's vehicle to cover business use;

5.3.2 the cost of the maintenance and servicing of the Executive's vehicle;

5.3.3 the cost of accident breakdown cover and an alternative vehicle if the Executive's car is off the road for whatever reason; and

5.3.4 all petrol for private use (including travelling between home and office).

Petrol expenses for business use may be reclaimed at the rate of 45p per mile.

In line with the Company's right to amend the car scheme, the Company also reserves the right to withdraw this benefit with reasonable notice provided that the Company shall provide the Executive with a replacement scheme of an equivalent level of benefit (to the Executive).

5.4 The Executive will be provided with a car parking space for his use at or close to the Company's principal office.

5.5 During the Term and for one year after the Term, and subject to the Executive using an advisor or advisors nominated by the Company (acting reasonably and in good faith), the Company will pay the Executive's reasonable accountancy costs incurred in each year in respect of the preparation of the Executive's annual tax return in the UK and in the United States of America. In addition, the Company will, subject to the Executive using an advisor or advisors nominated by the Company (acting reasonably and in good faith), pay the Executive's reasonable costs in relation to the Executive's tax planning relating to the Executive becoming a taxpayer in both the UK and in the United States of America, provided always that the Company shall not meet the cost of tax advice or tax planning relating to or associated with the Plan.

6. HOLIDAYS AND HOLIDAY PAY

6.1 In addition to all bank and other public holidays, the Executive shall be entitled to 28 working days' holiday during each calendar year. The Company may at its sole discretion close its offices between December 24 and January 1 and any such days not being public holidays shall be deducted from the Executive's holiday entitlement. Holiday is to be taken at such time or times as is convenient to the Company's business and as approved by the Board.

6.2 During the calendar years in which the Employment commences and terminates, the Executive shall be entitled to such annual holiday entitlement as accrued under the Company's annual holiday policy, provided that in the event of the Employment being terminated by the Company as a result of the Executive's gross misconduct the Executive shall not be entitled, if otherwise appropriate, to salary in lieu of any outstanding holiday entitlement, save as required by law.

7. ILLNESS/INCAPACITY

7.1 Subject to the terms of any critical illness policy in place, if the Executive is absent through illness, accident or other incapacity he, or someone acting for him, shall advise the Company in accordance with the policies set forth in its Employee Handbook. Provided that the Executive complies with such policies and without prejudice to the Company's right to terminate this Agreement under clause 2 above and clause 11 below, the Executive shall be entitled to his salary at the full rate for up to 26 weeks of continuous absence or periods of absence totalling 26 weeks in any period of 12 months and thereafter the salary shall be payable at such rate (if any) as the Company shall in its discretion allow, provided that the Executive shall be entitled to continue to receive Statutory Sick Pay (if payable) and any payments due to the Executive under any critical illness policy in place at the relevant time.

7.2 For Statutory Sick Pay purposes, the Executive's qualifying days shall be his normal working days.

8. **DISMISSAL AND DISCIPLINARY RULES AND GRIEVANCE PROCEDURES**

The dismissal, disciplinary and grievance procedures applying to the Employment may be found in the Company's Employee Handbook. If the Executive is dissatisfied with a disciplinary decision relating to him or any decision to dismiss him, he should apply in accordance with the procedure set out in the Company's dismissal and disciplinary policy in writing to Warner Music Group's head of Human Resources. If the Executive wishes to seek redress of any grievance relating to the Employment, he should apply in accordance with the procedure set out in the Company's grievance procedure in writing to Warner Music Group's head of Human Resources. Further details are given in the relevant procedures, which for the avoidance of doubt do not form part of the Executive's terms and conditions of employment.

9. **RESTRICTIVE COVENANTS**

9.1 During the Employment and for a period of 6 months following its termination by either party, the Executive will not, in competition with the Company, either directly or indirectly, without the prior written consent of the Company, act as a consultant, employee or officer or in any other capacity or be otherwise interested in (save that the Executive may hold up to 5% of any class of securities quoted or dealt in on a recognised investment exchange) any Competitive Entity.

9.2 For the purposes of this clause 9, "Competitive Entity" shall mean any business which, at the date of the termination of the Employment, competes or is preparing to compete with any business carried on by the Company or any Group Company in which the Executive has been materially involved during the 12 months prior to the termination of the Employment.

9.3 During the Employment and for a period of 12 months after its termination in connection with the carrying on of any business of a Competitive Entity, either on the Executive's own behalf or on behalf of any other person, firm or entity, the Executive will not directly or indirectly solicit or interfere with or endeavour to entice away from the Company or any relevant Group Company any Key Employee. For these purposes, "Key Employee" means any Company or any relevant Group Company employee working in an A&R capacity (excluding A&R scouts or junior or clerical staff) or working in a management capacity and with whom the Executive had material dealings during the 12 month period prior to the termination of the Employment.

9.4 During the Employment and for a period of 12 months after its termination, in connection with the carrying on of any business of a Competitive Entity, either on the Executive's own behalf or on behalf of any other person, firm or entity, the Executive will not directly or indirectly solicit or interfere with or endeavour to entice away from the Company or any relevant Group Company any Client. For these purposes, "Client" means any artist (including a duo or group), producer, publisher, composer or songwriter exclusively contracted to provide services to the Company or any relevant Group Company or where the material terms of such contract was being negotiated with the Company or any Group Company and with whom the Executive had material dealings during the 12 month period prior to the termination of the Employment.

9.5 The duration of the above restrictions will be reduced by any period of garden leave (as defined at sub-clause 2.2 above) or suspension pursuant to clause 13 below or any other period during the notice period when the Executive is required by the Company not to work.

9.6 Whilst the parties acknowledge and agree that insofar as they are concerned each of the restrictions contained in this clause 9 is reasonable in all the circumstances, it is agreed that if any one or more of such restrictions either taken by itself or themselves together, are adjudged by a court of competent jurisdiction to go beyond what is reasonable in all the circumstances for the protection of the legitimate interests of the Company or any relevant Group Company but would be adjudged reasonable if any particular restriction or restrictions were deleted or limited in a particular manner then the restrictions set out in sub-clauses 9.1 to 9.4 above will apply with such deletions, restrictions or limitation as the case may be.

9.7 The Executive agrees that each of the restrictions set out in sub-clauses 9.1 to 9.4 above constitute entirely separate, severable and independent restrictions on him. The Executive acknowledges that he has had the opportunity to receive independent legal advice on the terms and effect of the provisions of this Agreement, including the restrictions above.

10. CONFIDENTIALITY

10.1 Without prejudice to any other duty implied by law or equity (except in the proper course of his duties or as may be required by law), the Executive shall not during the Employment nor at any time after the termination of this Agreement utilise for his own purposes or divulge or publish to any person whomsoever or otherwise make use of any trade secret or any other confidential information concerning the Company or any Group Company including without limitation any confidential information relating to its or their business, human resources function, management or finances of any of its or their dealings, transactions, affairs, artists, producers, composers, songwriters,

clients, suppliers, agents, employees or consultants which may have come to his knowledge during or in the course of the Employment with the Company or any Group Company (whether prior to the commencement of this Agreement or not) and shall use his reasonable endeavours (but not so as personally to incur any costs) to prevent the publication or disclosure by others of any such trade secret or confidential information, provided that the foregoing shall not apply to (a) confidential information which comes into the public domain otherwise than as a result of an unauthorised disclosure by the Executive; and/or (b) information which does not belong to the Company but rather forms part of the Executive's skill and knowledge.

10.2 Nothing in this clause 10 shall prevent the Executive making a "permitted disclosure" in accordance with the Employment Rights Act 1996 (as amended by the Public Interest Disclosure Act 1998).

11. TERMINATION IN SPECIFIC CASES

11.1 Without prejudice to any remedy which it may have against the Executive for the breach or non-performance of any of the provisions of this Agreement, the Company may terminate this Agreement at any time upon notice but without pay in lieu of notice for "Cause" as set out below:

11.1.1 if he shall be in serious or repeated breach of any of his material obligations under this Agreement, provided that if such breach (or breaches) is capable of cure, he has first received a formal notice in writing in respect of a previous breach(es) and been given a reasonable opportunity to correct such breach(es);

11.1.2 if he shall refuse to carry out any lawful and reasonable order given to him in the course of the Employment or shall fail diligently to attend to any of his duties, provided always that if such refusal or failure is capable of cure, he has first received a formal notice in writing in respect of such refusal or failure and been given a reasonable opportunity to correct such refusal or failure;

11.1.3 if he commits any financially dishonest or fraudulent act in relation to the Company or any Group Company;

11.1.5 if he is guilty of gross misconduct or of any other conduct which brings or is likely to bring serious professional discredit to the Company or any Group Company or to himself;

11.1.6 notwithstanding the actual or expected provision of disability benefits, if he has at any time become or is unable properly to perform his duties under this Agreement by reason of ill-health or accident either for a continuous period of 26 weeks or for periods aggregating 26 weeks in any consecutive period of 52 weeks;

11.1.7 notwithstanding the actual or expected provision of disability benefits, if he shall become of unsound mind and a patient for the purpose of any statute relating to mental health;

11.1.8 if a petition or application for an order in bankruptcy (including for a voluntary arrangement) is presented by or against the Executive or any person (including the Executive) becomes entitled to petition or apply for any such order;

11.1.9 if he shall have a disqualification order (as defined in Section 1 of the Directors Disqualification Act 1986) made against him or otherwise becomes prohibited by law from being a company director; and/or

11.1.10 if he voluntarily resigns as a director of the Company (for the avoidance of doubt, not including circumstances in which he resigns having been constructively dismissed).

11.2 On the termination of the Employment for whatever reason, the Executive shall immediately resign from all offices and directorships held by him in the Company or in any Group Company.

11.3 For the avoidance of doubt, any termination of the Employment shall be without prejudice to the Executive's entitlement to receive any salary and bonuses (if any) accrued but unpaid as at the effective date of termination, to reimbursement of any expenses to such date and to any entitlement pursuant to sub-clause 2.4 above.

12. ASSIGNMENT OF COPYRIGHT & OTHER RIGHTS

12.1 If at any time during and in connection with the Employment, the Executive discovers, creates or participates in the discovery or creation of any copyright, invention or improvement upon or addition to an invention which is applicable to the business carried on by the Company or any Group Company, the Executive shall forthwith communicate this to the Company.

12.2 Such copyright, invention or improvement shall insofar as the Executive is concerned be the absolute property of the Company who may require the Executive, at the Company's expense, to supply all information and documentation necessary to enable the Company to use that copyright, invention or improvement to the best advantage.

12.3 In the event that it may be necessary or desirable for the Company to obtain patent or similar protection for such copyright, invention or improvement, the Executive shall at the Company's request and sole cost and expense execute all documents and do all such things as may be necessary in order to obtain such protection and for vesting the same in the Company or as it may direct.

12.4 Any services to be provided by the Executive to any non-Warner Music Group publishing business during the Employment shall be discussed and agreed in writing in advance with the Company.

13. SUSPENSION

The Company retains the right to suspend the Executive from the Employment on full salary and benefits at any time for a reasonable period (not to exceed 28 days) to investigate any matter of gross or serious misconduct in which the Executive is implicated or involved (whether directly or indirectly based on the Company's reasonable belief (acting in good faith)).

14. ASSIGNMENT

The benefit and burden of this Agreement (without alteration or amendment) may be assigned by the Company to any Group Company provided that the Company shall remain liable hereunder unless and until the relevant Group Company enters into a direct covenant with the Executive to perform the Company's obligations hereunder. References in this Agreement to the Company shall, unless the context otherwise requires, include references to any such assignee for the time being. For the avoidance of doubt, this Agreement (including all rights under it) is not assignable by the Executive.

15. EXECUTIVE'S OBLIGATIONS ON TERMINATION OF EMPLOYMENT

Upon the termination of the Employment, the Executive shall:-

15.1 forthwith deliver up to the Company all correspondence, drawings, documents and other papers and all other property belonging to the Company or any Group Company; and

16. **EFFECT OF TERMINATION**

17.2 The Company may, from time to time, ask the Executive to review and update any personal information it holds, although the Executive is welcome to review and update the information more or less frequently as the Executive wishes.

17.3 As the Company is part of a large group of companies operating internationally, for reporting and group administration purposes it will, from time to time, also make available for storage and/or processing the information the Executive has provided to it to other Group Companies, which may be located within Europe or outside. Likewise the Company will, from time to time, need to make some of the Executive's information available to legal and regulatory authorities (including tax authorities), to future employers and potential purchasers of the Company or any of its assets or business, to its accountants, auditors, lawyers and other outside professional advisers, and to other parties which provide products or services to the Company (such as IT systems suppliers, medical practitioners and private health associations). Most of these recipients will be located in Europe, but others may be located, or may have relevant operations located elsewhere such as in the US. The Executive consents to such forwarding of information by the Company to the extent that the same is necessary from time to time.

19. **WRITTEN NOTICE**

Any written notice required to be served under or pursuant to this Agreement shall be deemed duly served if in the case of notice to the Company it is sent by recorded delivery to or left at the Company's registered office and in the case of notice to the Executive if handed to him personally or sent by recorded delivery to his last known residential address in the United Kingdom and any notices so sent shall be deemed to have been received and served when the same should have been received in the ordinary course of such delivery or post.

20. **EMPLOYEE HANDBOOK**

A copy of the Company's Employee Handbook applying to the Employment is available for inspection in the Company's Human Resources department and the general terms and conditions of employment appearing therein shall apply to the Employment except that where the terms of the Handbook are inconsistent with the provisions of this Agreement then the provisions of this Agreement shall apply.

21. **EMAIL/INTERNET POLICY & PROCEDURE**

The Executive agrees to become familiar with and comply fully with the terms of the Company's E-mail and Internet Policy and Procedure as amended from time to time and the Executive acknowledges that action such as monitoring, intercepting, reviewing and/or accessing any communication facilities provided by the Company or any Group Company that the Executive may use during the Employment is necessary for the Company's or any Group Company's lawful business practice.

22. **WMG CODE OF CONDUCT**

The WMG Code of Conduct sets out the Company's commitment to carrying out business in a responsible manner. The Executive agrees to become familiar and adhere with the principles set forth in the WMG Code of Conduct, which the Company can amend from time to time.

23. **BPI CODE OF CONDUCT**

The Executive agrees to comply fully with the terms of the BPI Code of Conduct as amended from time to time. A copy of the current BPI Code of Conduct is available in the Employee Handbook.

24. **CHANGES**

No variation or agreed termination of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

25. **WRITTEN PARTICULARS**

This Agreement contains the written particulars of employment which the Executive is entitled to receive under the provisions of Part 1 of the Employment Rights Act 1996.

26. **POWER OF ATTORNEY**

The Executive hereby irrevocably and by way of security appoints each other director of the Company from time to time, jointly and severally, to be his attorney in his name and on his behalf and as his act and deed, solely for the purposes of signing and executing any documents which he is obliged to execute under the provisions of this Agreement (including, but not limited to sub-clauses 2.2.4, 11.2 and 12.3 above). For the avoidance of doubt, the power of attorney herein granted shall not be available in relation to any settlement agreement referred to in sub-clause 2.4 above.

27. **PREVIOUS AGREEMENTS**

This Agreement and the election form sent to the Executive of even date (relating to the Executive's eligibility to participate in the Plan as referred to in sub-clause 4.6 above) contains the whole agreement and supersedes any previous written or oral agreement between the parties in relation to the matters dealt with in it and for the avoidance of doubt, replaces all prior agreements in relation to royalties or bonus arrangements.

28. **GOVERNING LAW AND JURISDICTION**

The validity, construction and performance of this Agreement and any claim, dispute or matter arising under or in connection with it or its enforceability will be governed by and construed in accordance with English law. ARTICLE II
PARTICIPATION

An Eligible Employee shall become a Participant in the Plan by completing and submitting to the Committee the appropriate Participant Elections, including such other documentation and information as the Committee may reasonably request, during the enrollment period established by the Committee prior to the beginning of the first Plan Year in which the Eligible Employee shall be eligible to participate in the Plan.

ARTICLE III
CONTRIBUTIONS & DEFERRAL ELECTIONS

3.1 Elections to Defer Compensation.

(a) Form of Elections. Unless otherwise determined by the Committee in accordance with Section 409A of the Code, a Participant may only elect to defer Compensation attributable to services provided after the time an election is made. Elections shall take the form of a flat dollar amount or a whole percentage (less applicable payroll withholding requirements for Social Security and income taxes and employee benefit plans as determined in the sole and absolute discretion of the Committee) of up to 100% of Bonuses (or such lesser percentage as determined by the Committee from time to time). Unless otherwise determined by the Committee in accordance with Section 409A of the Code (or except as otherwise set forth herein), Participants shall make their deferral elections prior to the beginning of each Plan Year (or within 30 days following the Effective Date, in the case of the first Plan Year) with respect to Bonuses to be earned in respect of such Plan Year. In the case of newly hired Eligible Employees, a deferral election may be made within 30 days following such Eligible Employee's date of hire.

(b) Duration of Compensation Deferral Election. An Eligible Employee's initial election to defer Compensation shall be made during the enrollment period established by the Committee prior to the Effective Date and shall apply only to Compensation for services performed after such deferral election is processed. A Participant may increase, decrease, terminate or recommence a deferral election with respect to Compensation for any subsequent Plan Year by filing a Participant Election during the enrollment period established by the Committee prior to the beginning of such Plan Year, which election shall be effective on the first day of the next following Plan Year. In the absence of an affirmative election by the Participant to the contrary, the deferral election for the prior Plan Year shall not continue in effect for future Plan Years, and in the absence of a deferral election, no portion of the Participant's Bonus shall be deferred for such future Plan Years. After the beginning of the Plan Year, deferral elections with respect to Compensation for services performed during such Plan Year shall be irrevocable except in the event of Financial Hardship.

3.2 Investment Elections.

(a) Participant Direction. At the time of entering the Plan and/or of making the deferral election under the Plan, the Participant shall designate, on a Participant Election provided by the Committee, the investment Funds in which the Participant's Account or Accounts shall be deemed to be invested for purposes of determining the amount of earnings and losses to be credited to each Account. The Participant may specify that all or any percentage of his or her Account or Accounts shall be deemed to be invested, in whole percentage increments, in one or more of the types of investment Funds selected as alternative investments under the Plan from time to time by the Committee pursuant to subsection (b) of this Section. A Participant may change the designation made under this Section at least monthly by filing a

revised election, on a Participant Election provided by the Committee. During payout, the Participant's Account shall continue to be credited at the Crediting Rate selected by the Participant from among the investment alternatives or rates made available by the Committee for such purpose until all amounts have been distributed from the Account. If a Participant fails to make an investment election under this Section for a particular Account, such Account shall be invested in the default investment Fund selected by the Committee for such purpose.

(b) Investment Alternatives. Prior to the beginning of each Plan Year, the Committee shall select, in its sole and absolute discretion, commercially available investment Funds for the applicable Plan Year and shall communicate each of the alternative types of investment Funds to the Participant pursuant to subsection (a) of this Section. The Interest Rate of each such commercially available investment fund shall be used to determine the amount of earnings or losses to be credited to Participant's Account under Article IV. The Participant's choice among investments shall be solely for purposes of calculation of the Crediting Rate on Accounts. The Company shall have no obligation to set aside or invest amounts as directed by the Participant and, if the Company elects to invest amounts as directed by the Participant, the Participant shall have no more right to such investments than any other unsecured general creditor.

3.3 Distribution Elections.

(a) Initial Election. At the time of making a deferral election under the Plan, the Participant shall designate the time and form of distribution of deferrals made pursuant to such election (together with any earnings credited thereon) from among the alternatives specified in Section 6.

(b) Modification of Election. A new distribution election may be made at the time of subsequent deferral elections with respect to deferrals in Plan Years beginning after the election is made. However, a distribution election with respect to previously deferred amounts may only be changed under the terms and conditions specified in Code Section 409A, and subject to such other limitations as the Committee may establish from time to time. Except as expressly provided under the Plan, no acceleration of a distribution is permitted. A subsequent election that delays payment or changes the form of payment shall be permitted if and only if all of the following requirements are met:

(1) the new election does not take effect until at least twelve (12) months after the date on which the new election is made;

(2) in the case of payments made on account of Termination of Service or a Scheduled Distribution, the new election delays payment for at least five (5) years from the date that payment would otherwise have been made, absent the new election; and

(3) in the case of payments made according to a Scheduled Distribution, the new election is made not less than twelve (12) months before the date on which payment would have been made (or, in the case of installment payments, the first installment payment would have been made) absent the new election.

For purposes of application of the above change limitations, installment payments shall be treated as a single payment. Election changes made pursuant to this Section shall be made in accordance with rules established by the Committee, and shall comply with all requirement of Code Section 409A and applicable authorities.

ARTICLE IV
DEFERRAL ACCOUNTS

4.1 Deferral Accounts. The Committee shall establish and maintain Deferral Accounts for each Participant under the Plan. Each Participant's Deferral Account shall be further divided into separate subaccounts ("investment fund subaccounts"), each of which corresponds to an investment Fund elected by the Participant pursuant to Section 3.2. A Participant's Deferral Account shall be credited as follows:

(a) On or before the fifth (5th) business day after amounts are withheld and deferred from a Participant's Compensation, the Committee shall credit the investment fund subaccounts of the Participant's Deferral Account with an amount equal to Compensation deferred by the Participant in accordance with the Participant's election under Section 3.2; that is, the portion of the Participant's deferred Compensation that the Participant has elected to be deemed to be invested in a certain type of investment Fund shall be credited to the investment fund subaccount to be invested in that Fund;

(b) Each business day, each investment fund subaccount of a Participant's Deferral Account shall be credited with earnings or losses in an amount equal to that determined by multiplying the balance credited to such investment fund subaccount as of the prior day, less any distributions valued as of the end of the prior day, by the Interest Rate for the corresponding Fund as determined by the Company pursuant to Section 3.2(b); and

(c) In the event that a Participant elects for a given Plan Year's deferral of Compensation a Scheduled Distribution, all amounts attributed to the deferral of Compensation for such Plan Year shall be accounted for in a manner which allows separate accounting for the deferral of Compensation and investment gains and losses associated with amounts allocated to such each separate Scheduled Distribution.

4.2 Trust. The Company shall be responsible for the payment of all benefits under the Plan. At its discretion, the Company may establish one or more grantor trusts for the purpose of providing for payment of benefits under the Plan. Such trust or trusts may be irrevocable, but the assets thereof shall be subject to the claims of the Company's creditors. Benefits paid to the Participant from any such trust or trusts shall be considered paid by the Company for purposes of meeting the obligations of the Company under the Plan. In the event of a Change in Control, the Company shall cause the Trust to be fully funded with amounts necessary to cover all accrued benefits under the Plan through the date of such Change in Control.

4.3 Statement of Accounts. The Committee shall provide each Participant with electronic statements at least quarterly setting forth the Participant's Account balance as of the end of each calendar quarter.

ARTICLE V
VESTING

5.1 Vesting of Deferral Accounts. The Participant shall be vested at all times in amounts credited to the Participant's Deferral Account or Accounts.

ARTICLE VI
DISTRIBUTIONS

6.1 Retirement Distributions.

(a) Timing and Form of Deferral Account Distributions. Except as otherwise provided herein, in the event of a Participant's Retirement, the Distributable Amount credited to the Participant's Deferral Account shall be paid to the Participant in the form of a single lump sum, unless the Participant has made an alternative benefit election on a timely basis pursuant to Section 3.3 to receive the Retirement benefits in the form of substantially equal annual installments over up to fifteen (15) years.

(b) Small Benefit Exception. If on commencement of benefits payable from an Account upon a Retirement the Distributable Amount from such Account is less than or equal to $25,000, the total Distributable Amount from such Account shall be paid in the form of a single lump sum distribution on the scheduled Payment Date.

6.2 Termination Distributions. In the event of a Participant's Termination of Service other than by reason of Retirement, the Distributable Amount credited to the Participant Deferral Account shall be paid in a single lump sum on the Payment Date following Termination of Service.

6.3 Accelerated Distribution upon Death. In the event that the Participant dies prior to or after commencement of benefits payable from an Account, the Company shall pay to the Participant's Beneficiary the remaining Distributable Amount of such Account in a single lump sum on the Payment Date following the Participant's death.

6.4 Scheduled Distributions.

(a) Scheduled Distribution Election. Participants shall be entitled to elect to receive a Scheduled Distribution from the Deferral Account prior to Termination of Service. In the case of a Participant who has elected to receive a Scheduled Distribution, such Participant shall receive the Distributable Amount, with respect to the specified deferrals, including earnings thereon, which have been elected by the Participant to be subject to such Scheduled Distribution election in accordance with Section 3.3 of the Plan. A Participant's Scheduled Distribution commencement date with respect to deferrals of Compensation for a given Plan Year shall be no earlier than two (2) years from the last day of the Plan Year in which the deferrals are credited to the Participant's Account. The Participant may elect to receive the Scheduled Distribution in a single lump sum or substantially equal annual installments over a period of up to five (5) years. A Participant may delay and change the form of a Scheduled Distribution, provided such extension complies with the requirements of Section 3.3.

(b) Termination of Service. In the event of a Participant's Termination of Service prior to or after commencement of a Scheduled Distribution, the remaining Scheduled Distributions shall be distributed in the form applicable to such Termination of Service under Sections 6.1, 6.2 or 6.3 above.

6.5 Hardship Distribution. Upon a finding that the Participant (or, after the Participant's death, a Beneficiary) has suffered a Financial Hardship, subject to compliance with Code Section 409A the Committee may, at the request of the Participant or Beneficiary, accelerate distribution of benefits or approve reduction or cessation of current deferrals under the Plan in the amount reasonably necessary to alleviate such Financial Hardship subject to the following conditions:

(a) The request to take a Hardship Distribution shall be made by filing a form provided by and filed with the Committee prior to the end of any calendar month.

(b) The amount distributed pursuant to this Section with respect to a Financial Hardship shall not exceed the amount necessary to satisfy such financial emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the distribution, after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship).

(c) The amount determined by the Committee as a Hardship Distribution shall be paid in a single cash lump sum as soon as practicable after the end of the calendar month in which the Hardship Distribution election is made and approved by the Committee.

(d) Upon a finding that the Participant has suffered a Financial Hardship, subject to Treasury Regulations promulgated under Code Section 409A the Administrator may at the request of the Participant, accelerate distribution of benefits or approve reduction or cessation of current deferrals under the Plan in the amount reasonably necessary to alleviate such Financial Hardship. The amount distributed pursuant to this Section with respect to an emergency shall not exceed the amount necessary to satisfy such emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the distribution, after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship). The Participant shall not be permitted to make a deferral election with respect to his or her Bonus in respect of the Plan Year following the Plan Year during which the Participant received a Hardship Distribution.

ARTICLE VII
PAYEE DESIGNATIONS AND LIMITATIONS

7.1 Beneficiaries.

(a) Beneficiary Designation. The Participant shall have the right, at any time, to designate any person or persons as Beneficiary (both primary and contingent) to whom payment under the Plan shall be made in the event of the Participant's death. The Beneficiary designation shall be effective when it is submitted to and acknowledged by the Committee during the Participant's lifetime in the format prescribed by the Committee.

(b) Absence of Valid Designation. If a Participant fails to designate a Beneficiary as provided above, or if every person designated as Beneficiary predeceases the Participant or dies prior to complete distribution of the Participant's benefits, then the Committee shall direct the distribution of such benefits to the Participant's estate.

7.2 Payments to Minors. In the event any amount is payable under the Plan to a minor, payment shall not be made to the minor, but instead be paid (a) to that person's living parent(s) to act as custodian, (b) if that person's parents are then divorced, and one parent is the sole custodial parent, to such custodial parent, to act as custodian, or (c) if no parent of that person is then living, to a custodian selected by the Committee to hold the funds for the minor under the Uniform Transfers or Gifts to Minors Act in effect in the jurisdiction in which the minor resides. If no parent is living and the Committee decides not to select another custodian to hold the funds for the minor, then payment shall be made to the duly appointed and currently acting guardian of the estate for the minor or, if no guardian of the estate for the minor is duly appointed and currently acting within sixty (60) days after the date the amount becomes payable, payment shall be deposited with the court having jurisdiction over the estate of the minor.

7.3 Payments on Behalf of Persons Under Incapacity. In the event that any amount becomes payable under the Plan to a person who, in the sole judgment of the Committee, is considered by reason of physical or mental condition to be unable to give a valid receipt therefore, the Committee may direct that such payment be made to any person found by the Committee, in its sole judgment, to have assumed the care of such person. Any payment made pursuant to such determination shall constitute a full release and discharge of any and all liability of the Committee and the Company under the Plan.

7.4 Inability to Locate Payee. In the event that the Committee is unable to locate a Participant or Beneficiary within two years following the scheduled Payment Date, the amount allocated to the Participant's Deferral Account shall be forfeited. If, after such forfeiture, the Participant or Beneficiary later claims such benefit, such benefit shall be reinstated without interest or earnings.

ARTICLE VIII
ADMINISTRATION

(a) Committee. The Plan shall be administered by a Committee appointed by the Board, which shall have the exclusive right and full discretion (i) to appoint agents to act on its behalf, (ii) to select and establish Funds, (iii) to interpret the Plan, (iv) to decide any and all matters arising hereunder (including the right to remedy possible ambiguities, inconsistencies, or admissions), (v) to make, amend and rescind such rules as it deems necessary for the proper administration of the Plan and (vi) to make all other determinations and resolve all questions of fact necessary or advisable for the administration of the Plan, including determinations regarding eligibility for benefits payable under the Plan. All interpretations of the Committee with respect to any matter hereunder shall be final, conclusive and binding on all persons affected thereby. No member of the Committee or agent thereof shall be liable for any determination, decision, or

action made in good faith with respect to the Plan. The Company will indemnify and hold harmless the members of the Committee and its agents from and against any and all liabilities, costs, and expenses incurred by such persons as a result of any act, or omission, in connection with the performance of such persons' duties, responsibilities, and obligations under the Plan, other than such liabilities, costs, and expenses as may result from the bad faith, willful misconduct, or criminal acts of such persons.

8.2 Claims Procedure. Any Participant, former Participant or Beneficiary may file a written claim with the Committee setting forth the nature of the benefit claimed, the amount thereof, and the basis for claiming entitlement to such benefit. The Committee shall determine the validity of the claim and communicate a decision to the claimant promptly and, in any event, not later than ninety (90) days after the date of the claim. The claim may be deemed by the claimant to have been denied for purposes of further review described below in the event a decision is not furnished to the claimant within such ninety (90) day period. If additional information is necessary to make a determination on a claim, the claimant shall be advised of the need for such additional information within forty-five (45) days after the date of the claim. The claimant shall have up to one hundred eighty (180) days to supplement the claim information, and the claimant shall be advised of the decision on the claim within forty-five (45) days after the earlier of the date the supplemental information is supplied or the end of the one hundred eighty (180) day period. Every claim for benefits which is denied shall be denied by written notice setting forth in a manner calculated to be understood by the claimant (i) the specific reason or reasons for the denial, (ii) specific reference to any provisions of the Plan (including any internal rules, guidelines, protocols, criteria, etc.) on which the denial is based, (iii) description of any additional material or information that is necessary to process the claim, and (iv) an explanation of the procedure for further reviewing the denial of the claim and shall include an explanation of the claimant's right to submit the claim for binding arbitration in the event of an adverse determination on review.

8.3 Review Procedures. Within sixty (60) days after the receipt of a denial on a claim, a claimant or his/her authorized representative may file a written request for review of such denial. Such review shall be undertaken by the Committee and shall be a full and fair review. The claimant shall have the right to review all pertinent documents. The Committee shall issue a decision not later than sixty (60) days after receipt of a request for review from a claimant unless special circumstances, such as the need to hold a hearing, require a longer period of time, in which case a decision shall be rendered as soon as possible but not later than one hundred twenty (120) days after receipt of the claimant's request for review. The decision on review shall be in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant with specific reference to any provisions of the Plan on which the decision is based and shall include an explanation of the claimant's right to submit the claim for binding arbitration in the event of an adverse determination on review.

ARTICLE IX
MISCELLANEOUS

9.1 Amendment or Termination of Plan. The Company may, at any time, direct the Committee to amend or terminate the Plan, except that no such amendment or termination may reduce a Participant's Account balances. If the Company terminates the Plan, no further

amounts shall be deferred hereunder, and amounts previously deferred or contributed to the Plan shall be fully vested and shall be paid in accordance with the provisions of the Plan as scheduled prior to the Plan termination. Notwithstanding the forgoing, to the extent permitted under Code Section 409A and applicable authorities, the Company may, in its complete and sole discretion, accelerate distributions under the Plan in the event of a "change in ownership" or "effective control" of the Company or a "change in ownership of a substantial portion of assets" or under such other terms and conditions as may be specifically authorized under Code Section 409A and applicable authorities.

9.2 Unsecured General Creditor. The benefits paid under the Plan shall be paid from the general funds of the Company, and the Participant and any Beneficiary or their heirs or successors shall be no more than unsecured general creditors of the Company with no special or prior right to any assets of the Company for payment of any obligations hereunder. It is the intention of the Company that this Plan be unfunded for purposes of ERISA and the Code.

9.3 Restriction Against Assignment. The Company shall pay all amounts payable hereunder only to the person or persons designated by the Plan and not to any other person or entity. No part of a Participant's Accounts shall be liable for the debts, contracts, or engagements of any Participant, Beneficiary, or their successors in interest, nor shall a Participant's Accounts be subject to execution by levy, attachment, or garnishment or by any other legal or equitable proceeding, nor shall any such person have any right to alienate, anticipate, sell, transfer, commute, pledge, encumber, or assign any benefits or payments hereunder in any manner whatsoever. No part of a Participant's Accounts shall be subject to any right of offset against or reduction for any amount payable by the Participant or Beneficiary, whether to the Company or any other party, under any arrangement other than under the terms of this Plan.

9.4 Withholding. The Participant shall make appropriate arrangements with the Company for satisfaction of any federal, state or local income tax withholding requirements, Social Security and other employee tax or other requirements applicable to the granting, crediting or payment of benefits under the Plan. There shall be deducted from each payment made under the Plan or any other Compensation payable to the Participant (or Beneficiary) all taxes which are required to be withheld by the Company in respect to such payment or this Plan. The Company shall have the right to reduce any payment (or other Compensation) by the amount of cash sufficient to provide the amount of said taxes.

9.5 Protective Provisions. The Participant shall cooperate with the Company by furnishing any and all information requested by the Committee, in order to facilitate the payment of benefits hereunder.

9.6 Errors in Account Statements, Deferrals or Distributions. In the event an error is made in an Account statement, such error shall be corrected on the next statement following the date such error is discovered. In the event of an error in deferral amount, consistent with and as permitted by any correction procedures established under IRC Section 409A, the error shall be corrected immediately upon discovery by, in the case of an excess deferral, distribution of the excess amount to the Participant, or, in the case of an under deferral, reduction of other compensation payable to the Participant. In the event of an error in a distribution, the over or

under payment shall be corrected by payment to or collection from the Participant consistent with any correction procedures established under IRC Section 409A, immediately upon the discovery of such error. In the event of an overpayment, the Company may, at its discretion, offset other amounts payable to the Participant from the Company (including but not limited to salary, bonuses, expense reimbursements, severance benefits or other employee compensation benefit arrangements, as allowed by law and subject to compliance with IRC Section 409A) to recoup the amount of such overpayment(s).

9.7 Employment Not Guaranteed. Nothing contained in the Plan nor any action taken hereunder shall be construed as a contract of employment or as giving any Participant any right to continue the provision of services in any capacity whatsoever to the Company.

9.8 Successors of the Company. The rights and obligations of the Company under the Plan shall inure to the benefit of, and shall be binding upon, the successors and assigns of the Company.

9.9 Notice. Any notice or filing required or permitted to be given to the Company or the Participant under this Agreement shall be sufficient if in writing and hand-delivered, or sent by registered or certified mail, in the case of the Company, to the principal office of the Company, directed to the attention of the Committee, and in the case of the Participant, to the last known address of the Participant indicated on the employment records of the Company. Such notice shall be deemed given as of the date of delivery or, if delivery is made by mail, as of the date shown on the postmark on the receipt for registration or certification. Notices to the Company may be permitted by electronic communication according to specifications established by the Committee.

9.10 Headings. Headings and subheadings in this Plan are inserted for convenience of reference only and are not to be considered in the construction of the provisions hereof.

9.11 Gender, Singular and Plural. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, or neuter, as the identity of the person or persons may require. As the context may require, the singular may be read as the plural and the plural as the singular.

9.12 Governing Law. The Plan is intended to be an unfunded plan maintained primarily to provide deferred compensation benefits for a select group of “management or highly compensated employees” within the meaning of Sections 201, 301 and 401 of ERISA and therefore to be exempt from Parts 2, 3 and 4 of Title I of ERISA. In the event any provision of, or legal issue relating to, this Plan is not fully preempted by federal law, such issue or provision shall be governed by the laws of the State of New York.

9.13 Binding Arbitration. Any claim, dispute or other matter in question of any kind relating to this Plan which is not resolved by the claims procedures under this Plan shall be settled by arbitration in accordance with the applicable employment dispute resolution rules of the American Arbitration Association. Notice of demand for arbitration shall be made in writing to the opposing party and to the American Arbitration Association within a reasonable time after the claim, dispute or other matter in question has arisen. In no event shall a demand for arbitration be made after the date when the applicable statute of limitations would bar the

institution of a legal or equitable proceeding based on such claim, dispute or other matter in question. The decision of the arbitrators shall be final and may be enforced in any court of competent jurisdiction. The arbitrators may award reasonable fees and expenses to the prevailing party in any dispute hereunder and shall award reasonable fees and expenses in the event that the arbitrators find that the losing party acted in bad faith or with intent to harass, hinder or delay the prevailing party in the exercise of its rights in connection with the matter under dispute.

IN WITNESS WHEREOF, the Board of Directors of the Company has approved the adoption of this Plan as of the Effective Date and has caused the Plan to be executed by its duly authorized representative this 16th day of November, 2010.

PARTICIPATION

An Eligible Employee shall become a Participant in the Plan by completing and submitting to the Committee the appropriate Participant Elections, including such other documentation and information as the Committee may reasonably request, during the enrollment period established by the Committee prior to the Effective Date (or such later enrollment period as may be applicable).

Article III
FREE CASH FLOW BONUS POOL

3.1Allocation of Free Cash Flow Bonus Pool. For each Plan Year, the Company shall allocate 8.0% of the Company's Free Cash Flow for such fiscal year, if any, to the FCF Bonus Pool. The amount of Free Cash Flow available for the FCF Bonus Pool in respect of a Plan Year will depend on the Company's financial results and performance in such Plan Year and shall be determined by the Committee in good faith consistent with the objectives of this Plan, shortly after the end of each fiscal year, after review of the Company's quality of revenue, profit and cash flow results for such Plan Year, and may be positive, zero or negative. If any Added Investment Amount is applied to increase Free Cash Flow in a Plan Year, each Participant who is then participating in the Plan shall be credited with a share of the Unrecovered Investment Credit in respect of the Added Investment Amount, calculated by each Participant's allocated fixed percentage of the Plan Year's FCF Bonus Pool. The Committee shall provide each Participant with its calculations of Free Cash Flow for each Plan Year within 15 days of its determination. In the event that Free Cash Flow in respect of a Plan Year is zero or negative, then no Annual FCF Bonuses shall be paid in respect of such Plan Year. Prior to an Eligible Employee's enrollment in the Plan, such Participant will be allocated a fixed percentage of the FCF Bonus Pool. The Committee may increase a Participant's allocated fixed percentage of the FCF Bonus Pool at any time in its sole discretion, subject to whatever terms and conditions the Committee determines shall apply to such increase, which may include a non-elective deferral requirement in accordance with Section 4.1.

3.2Payment of Annual FCF Bonuses. Subject to Article IV and the other terms and conditions of the Plan, (i) Annual FCF Bonuses shall be paid to Participants no later than March 15th of the calendar year after the end of the Plan Year in respect of which the Company earned the applicable Free Cash Flow and (ii) except as provided in Section 7.5(a)(1), each Participant's right to payment of an Annual FCF Bonus shall be contingent upon the continued employment of the Participant through the applicable payment date, and any Annual FCF Bonuses not yet paid shall automatically be forfeited upon termination of a Participant's employment for any reason, except as may be determined otherwise by the Committee. In any Plan Year, the Committee may, in its sole discretion, reduce the amount of Annual FCF Bonus for the Plan Year payable to a Participant in cash by all or any portion of the Participant's then outstanding Unrecovered Investment Credit. For the avoidance of doubt, no Annual FCF Bonus that is to be deferred pursuant to Article IV shall be so reduced.

3.3Form of Payment. Except to the extent that an Annual FCF Bonus is deferred pursuant to Article IV, Annual FCF Bonuses shall be paid in cash.

Article IV
DEFERRAL ELECTIONS

4.1Elections to Defer Compensation. Unless otherwise determined by the Committee in accordance with Section 409A of the Code, a Participant may elect to defer only Compensation attributable to services provided in a fiscal year or calendar year that commences after the time an election is made. Unless otherwise determined by the Committee in accordance with Section 409A of the Code (or except as otherwise set forth in the Plan), (i) Participants who participate in the Plan with respect to the 2013 Plan Year shall make their initial deferral elections by submitting their Participant Elections prior to December 31, 2012 with respect to Annual FCF Bonuses to be earned under the Plan, (ii) Participants who begin to participate in the Plan with respect to any other Plan Year and for whom the Committee authorizes deferral of Compensation shall make their initial deferral elections by submitting their Participant Elections prior to October 1 of such Plan Year and (iii) Participants who receive an Additional Unit Allocation shall make a deferral election, if any, in relation to such Additional Unit Allocation prior to October 1 of the first Plan Year in which such Additional Unit Allocation becomes effective. Participant Elections applicable to a Unit Allocation (including any additional deferral elections described in clause (iii) of the preceding sentence) will be irrevocable for all Plan Years (until, but not including, the Eighth Plan Year applicable to such Unit Allocation) and all purposes of the Plan; it being understood that different Unit Allocations (including Additional Unit Allocations) of a Participant may have different Participant Elections. Participants may defer between 50% and 100% (in 1 percentage point increments) of the pre-tax amounts of the Annual FCF Bonuses payable in respect of such Plan Year (such percentage, a "**Deferred Percentage**" and, such amount, a "**Deferred Amount**") to acquire an equivalent percentage of the Deferred Equity Units available to such Participant under the Plan; provided that with respect to a deferral election made between October 1 and a later date in a Plan Year (if such deferral elections are permitted by the Committee), the Deferred Percentage for such Plan Year shall not exceed the percentage reflecting the portion of the Plan Year remaining since the date of such deferral election. In the case of newly-hired Eligible Employees, a deferral election may be made within 30 days following such Eligible Employee's date of hire (subject to all plan aggregation rules in Section 409A of the Code and the related regulations) with respect to Compensation earned after the date of such election. Notwithstanding the foregoing, if the Committee requires a non-elective deferral of an Annual FCF Bonus in connection with a Participant's receipt of an increased fixed percentage of the FCF Bonus Pool, the terms and conditions applicable to such deferral shall be determined by the Committee, in its sole discretion, at or prior to the allocation of such additional percentage of the FCF Bonus Pool in accordance with Section 409A of the Code.

4.2Offering Limitations. Prior to an Eligible Employee's enrollment in the Plan, the Committee shall establish an Initial Unit Allocation that may be acquired under the Plan by such Eligible Employee in all Plan Years, in the aggregate. The Committee may, from time to time and on such terms and conditions (including vesting) that it shall determine, establish an Additional Unit Allocation for any Participant (and grant additional Deferred Equity Units to the Participant) at such time or times as the Committee increases the Participant's allocated fixed percentage of the FCF Bonus Pool or grants additional Deferred Equity Units to the Participant that will not be acquired with the deferral of any Annual FCF Bonus or with a Participant's prior consent in accordance with Section 409A of the Code. Unless otherwise determined by the Committee, (i) the amount of Annual FCF Bonuses that a Participant may defer under the Plan, in the aggregate, in all Plan Years shall not exceed such Participant's Maximum Deferred Amount and (ii) the number of Deferred Equity Units that a Participant shall have the right to purchase under the Plan, in the aggregate, in all Plan Years shall not exceed such Participant's Maximum Unit Allocation.

Article V
DEFERRED EQUITY UNITS AND OTHER ENTITLEMENTS

5.1Deferred Equity Units.

(a)The Company shall establish and maintain Deferral Accounts for each Participant. Subject to Section 4.2, for each Plan Year prior to an Eighth Plan Year, at the time that Annual FCF Bonuses for such Plan Year are paid, a Participant shall be granted and credited with a number of Deferred Equity Units equal to the number obtained by dividing (x) the Participant's Deferred Amount for such Plan Year by (y) the Base Investment Price(s) applicable to such Participant, and rounded down to the nearest cent. Where a Participant has received more than one Unit Allocation, Deferred Amounts shall be allocated first to the Initial Unit Allocation (using the applicable Base Investment Price) and then among the Additional Unit Allocations (using the applicable Base Investment Prices) in the order in which such Additional Unit Allocations were established until all Deferred Equity Units available under each such Unit Allocation, individually, have been acquired, but, in each case, only to the extent that Annual FCF Bonuses that were deferred pursuant to Section 4.1 in respect of the applicable Plan Year are then available to fund the acquisition of such Deferred Equity Units in compliance with the Plan and Section 409A of the Code. Notwithstanding the foregoing, the provisions of the preceding sentence shall not apply to a grant of additional Deferred Equity Units that will not be acquired with deferral of any Annual FCF Bonus. For the avoidance of doubt, no Deferred Equity Units shall be granted or credited to any Participant for an Eighth Plan Year in respect of the Participant's Unit Allocation.

(b)Notwithstanding anything to the contrary in the Plan, (i) the amount, if any, of a Participant's Annual FCF Bonuses in respect of any Plan Year that (taken together with such Participant's Annual FCF Bonuses deferred into the Plan in prior Plan Years) exceeds his or her Maximum Deferred Amount shall be paid to such Participant in cash at the time that Annual FCF Bonuses in respect of such Plan Year are paid and (ii) unless otherwise determined by the Committee, at no time shall a Participant's Deferral Account be granted or credited with a number of Deferred Equity Units that exceeds such Participant's Maximum Unit Allocation.

5.2Matching Equity Units. Matching Equity Units shall be issued at the times and in the amounts provided by the LLC Agreement, and subject to the terms and conditions, including regarding distributions, vesting, forfeiture and redemption, that are provided in the LLC Agreement. Matching Equity Units shall vest on the schedule provided in the LLC Agreement.

5.3Dividend Equivalents. When cash dividends are paid on shares of the Company's Common Stock, each Deferred Equity Unit shall participate in such dividends, on a pro rata basis, as if the Fractional Company Share underlying such Deferred Equity Unit was then issued and outstanding.

5.4Maximum Allocation under the Plan. At no time may the total number of shares of the Company's Common Stock (including all Fractional Company Shares) underlying all outstanding:

(1)Deferred Equity Units (assuming all Deferred Equity Units are settled for Fractional Company Shares pursuant to Article VII) and Equity Units acquired following settlement of Deferred Equity Units, in the aggregate, exceed 4.0% of the Fully-Diluted Company Equity or 41.0959 shares of the Company's Common Stock;

(2)Matching Equity Units (assuming all Matching Equity Units are redeemed for Fractional Company Shares pursuant to the LLC Agreement) and Equity Units acquired following redemption of Matching Equity Units, in the aggregate, exceed 4.0% of the Fully-Diluted Company Equity or 41.0959 shares of the Company's Common Stock; and

(3)Deferred Equity Units (assuming such settlement), Matching Equity Units (assuming such redemption) and Equity Units, in the aggregate, exceed 8.0% of the Fully-Diluted Company Equity or 82.1918 shares of the Company's Common Stock.

Following any settlement of Deferred Equity Units from a Participant for cash or the redemption by the LLC of Equity Units or shares of the Company's Common Stock issued to the Participant in respect of such Deferred Equity Units, either after termination of a Participant's employment or after the Eighth Plan Year applicable to such Deferred Equity Units, those Deferred Equity Units shall again be available, in the Committee's sole discretion, for allocation under the Plan. Except as provided in the LLC Agreement, following any redemption of Matching Equity Units or Equity Units from a Participant by the LLC or shares of the Company's Common Stock by the Company in connection with his or her termination of employment or the Eighth Plan Year applicable to such Matching Equity Units or Equity Units, the Fractional Company Shares that were covered by such redeemed Matching Equity Units or Equity Units shall again be available, in the Committee's sole discretion, for allocation under the Plan. Notwithstanding the foregoing, repurchases, whether directly or indirectly, of any shares of the Company's Common Stock from Access, taken alone, shall not result in any violation of the percentage limits set forth in this Section 5.4.

5.5Adjustment Events. The number and kind of shares or other equity interests to which the Fractional Company Shares and Deferred Equity Units may relate and the number and kinds of securities deliverable shall be proportionally adjusted to reflect, as deemed equitable and appropriate by the Committee, any stock dividend, stock split, share combination, recapitalization, merger, consolidation, reorganization, exchange of shares or any other similar event affecting the Company's Common Stock, the Matching Equity Units or the Equity Units.

Article VI
VESTING

6.1Vesting of Deferred Equity Units. A Participant shall be vested at all times in the Deferred Equity Units amounts granted and credited to the Participant's Deferral Account and in the Dividend Equivalents.

Article VII
SETTLEMENT AND REDEMPTION

7.1Scheduled Settlement of Deferred Equity Units. Except as otherwise provided in this Article VII or in an award agreement with respect to a grant of an Additional Unit Allocation or additional Deferred Equity Units, the Company shall cancel and settle each Participant's Deferred Equity Units, without payment by the Participant, in three equal installments in December of the Sixth Plan Year, the Seventh Plan Year and the Eighth Plan Year applicable to such Deferred Equity Units (each such date, a "**Redemption Date**"), on a per Deferred Equity Unit basis, for, at the Participant's election as communicated to the Company in writing by December 1st of such year, either (x) a cash amount equal to the Fair Market Value of one Fractional Company Share on the Redemption Date or (y) one Fractional Company Share (a "**Settlement Payment**"). Prior to each Redemption Date and anniversary of such Redemption Date prior to December 31 of the Eighth Plan Year

applicable to such Deferred Equity Units, the Committee shall notify each Participant of its most recent determination of the Fair Market Value of a share of the Company's Common Stock (and shall provide each Participant with a copy of any independent valuation of such Fair Market Value). A Participant may specify that a Settlement Payment be made in a ratio of cash and Fractional Company Shares. Notwithstanding the foregoing, the Redemption Dates for any Deferred Equity Units acquired with an Annual FCF Bonus paid in respect of a Plan Year following the Third Plan Year applicable to a Unit Allocation shall be in December of the earlier of (A) the second succeeding calendar year after such acquisition or at such other times as the Committee may determine in accordance with the Plan and Section 409A of the Code and (B) the eighth succeeding calendar year after such acquisition. The Committee may change the Redemption Dates for Deferred Equity Units acquired with respect to Plan Years after a Third Plan Year applicable to a Unit Allocation at any time prior to the commencement of the Plan Year in respect of which the Annual FCF Bonus used to purchase such Deferred Equity Units is earned, subject to compliance with Section 409A of the Code.

7.2Contribution to Management Holdings, LLC. Immediately upon receipt of any Fractional Company Shares delivered to a Participant pursuant to this Article VII, the Participant shall contribute those Fractional Company Shares to Management Holdings, LLC in exchange for an equal number of Equity Units.

7.3Annual Redemption Right. On each Redemption Date following the Redemption Date on which a Participant's Deferred Equity Unit is settled other than for cash and on each one-year anniversary of such Redemption Date thereafter until the Eighth Plan Year applicable to such Deferred Equity Units, such Participant shall be entitled to the redemption, upon written notice to the Company no later than December 1st of the year in which such Redemption Date occurs, of all or any portion of such Participant's Equity Units for a cash payment equal to the Fair Market Value of one Fractional Company Share on the date of redemption. Notwithstanding the foregoing, a Participant's right to redeem Equity Units pursuant to this Section 7.3 shall be limited to the maximum number of Deferred Equity Units that would have been redeemable by the Participant if the Participant were then employed by the Company or any of its Affiliates. Any redemption of Equity Units pursuant to this Section 7.3 shall be made in accordance with the terms and conditions of the LLC Agreement.

7.4Mandatory Redemption. In the Eighth Plan Year applicable to Deferred Equity Units, the Company shall cancel and settle each such Deferred Equity Unit then outstanding for a cash payment equal to the then current Fair Market Value of one Fractional Company Share.

7.5Consequences of Termination of Employment. Following any termination of employment of a Participant with the Company and its Affiliates, the Participant shall cease immediately to participate in the Plan, and neither the Plan, the Company or any of its Affiliates shall have any obligations to the Participant in respect of the Plan, an Annual FCF Bonus, the Deferred Equity Units or Dividend Equivalents, except as set forth in this Section 7.5:

(a)*Annual FCF Bonus*.

(1)if the Participant's employment is terminated by the Company without Cause, by the Participant for Good Reason or by reason of the Participant's death or Disability following the last day of the first fiscal quarter of a Plan Year, the Company shall pay the Participant in cash (x) the Deferred Percentage of his or her Pro Rata Annual FCF Bonus for such Plan Year on the Participant's Termination Payment Date provided in Section 7.5(b) and (y) the remaining portion of such Pro Rata Annual FCF Bonus on the date that continuing Participants are paid Annual FCF Bonuses in respect of such Plan Year; or

(2)if the Participant's employment terminates for any other reason (i.e., by the Company for Cause or by the Participant without Good Reason, other than death or Disability), any unpaid Annual FCF Bonus shall be forfeited.

(b)*Deferred Equity Units*. No later than December 31st of the calendar year in which the Participant's employment terminates, on a date within such calendar year following the Participant's termination of employment as the Company determines in its sole discretion (each such date, a "**Termination Payment Date**"), each of the Participant's Deferred Equity Units shall be cancelled and settled, for:

(1)if the Participant's employment terminates for any reason (including by reason of resignation, death or disability) other than for Cause, at the Company's option, (i) a cash payment equal to the Fair Market Value of one Fractional Company Share on the date of the Participant's termination of employment or (ii) subject to Section 7.2, one Fractional Company Share; or

(2)if the Participant's employment is terminated for Cause, at the Company's option, a cash payment or a fractional share of the Company's Common Stock equal to the lesser of (x) the Base Investment Price applicable to such Deferred Equity Unit and (y) the Fair Market Value of one Fractional Company Share on the date of the Participant's termination of employment.

(c)*Matching Equity Units*. Matching Equity Units shall be subject to forfeiture or redemption on the terms and conditions set forth in the LLC Agreement.

(d)*Equity Units*. Equity Units may or shall be redeemed on the terms and conditions set forth in Section 7.3 and the LLC Agreement.

(e)*Dividend Equivalents*. All rights to receive Dividend Equivalents with respect to a Deferred Equity Unit shall terminate upon the earlier of the Redemption Date for such Deferred Equity Unit or termination of employment.

(f)*Determinations*. For purposes of the Plan, any determinations with respect to a Participant's termination of employment (including the date thereof) shall be made by the Committee (or the Company).

7.6Rounding for Fractional Shares. Payments in shares of the Company's Common Stock pursuant to this Article VII shall be rounded down to the nearest Fractional Company Share, and the Company shall pay the remainder in cash.

7.7Cash Funding for Redemptions of Equity Units. It is anticipated that cash redemptions of Equity Units pursuant to the Plan and LLC Agreement will be made either by (i) Management Holdings, LLC, using cash contributed to Management Holdings, LLC or (ii) Management Holdings, LLC distributing the Fractional Company Shares underlying such Equity Units to the holder of such Equity Units and, immediately following such distribution, the Company redeeming such Fractional Company Shares from such employee holder in cash for their then current Fair Market Value; provided that if such a redemption of Fractional Company Shares by the Company (or the payment of a dividend by a subsidiary of the Company to fund such a redemption) would result in a violation of the terms or provisions of, or a default or an event of default under, any guaranty, financing or security agreement or document entered into by the Company or any of its subsidiaries from time to time or the Company's certificate of incorporation or if the Company has no funds legally available to make such redemption in compliance with Delaware law, then the Company shall not be obligated to redeem such Fractional Company Shares and instead Management Holdings, LLC shall redeem the applicable Equity Units for cash.

7.8Restrictions Applicable to Equity Units. All Equity Units delivered to a Participant pursuant to this Article VII shall be governed by the terms and conditions of the LLC Agreement, and, as a condition to any such delivery, the Participant recipient shall execute a counterpart to the LLC Agreement, in a form acceptable to the Company, by which the Participant shall agree to become a member of the LLC and be bound by the terms and conditions of the LLC Agreement.

Article VIII
CHANGE OF CONTROL

8.1Effect of a Change in Control. In connection with a Change in Control:

(a)*Annual FCF Bonuses*. If a Change in Control occurs prior to the date on which Deferred Equity Units are allocated to Deferral Accounts for a Plan Year, each Participant's Deferral Account, immediately prior to such Change in Control, shall be granted and credited with a number of Deferred Equity Units equal to the number obtained by multiplying (i) the Deferred Percentage by (ii) the quotient obtained by dividing (x) such Participant's Pro Rata Annual FCF Bonus for such Plan Year by (y) the Base Investment Price(s) applicable to such Participant's available Deferred Amounts, calculated as provided in Section 5.1(a);

(b)*Deferred Equity Units*. Each outstanding Deferred Equity Unit shall, in the Committee's discretion, either be (x) cancelled and settled, without payment by any Participant, for one Fractional Company Share immediately prior to the Change in Control or (y) within 30 days following a Change in Control, cancelled in exchange for a payment of the price per Fractional Company Share (calculated as a product of one share of the Company's Common Stock) received in connection with the transaction(s) resulting in the Change in Control;

(c)*Matching Equity Units*. Each outstanding Matching Equity Unit shall be treated in accordance with the LLC Agreement; and

(d)*Equity Units*. Each outstanding Equity Unit shall be treated in accordance with the LLC Agreement.

Article IX
ADMINISTRATION

9.1Committee. The Plan shall be administered by the Committee, which shall have the exclusive right and full discretion (i) to appoint agents to act on its behalf, (ii) to interpret the Plan, (iii) to decide any and all matters arising under the Plan (including the right to remedy possible ambiguities, inconsistencies or admissions), (iv) to make, amend and rescind such rules as it deems necessary for the proper administration of the Plan and (v) to make all other determinations and resolve all questions of fact necessary or advisable for the administration of the Plan, including determinations regarding eligibility to participate in the Plan. All good faith interpretations of the Committee with respect to any matter under the Plan shall be final, conclusive and binding on all persons affected thereby. The Plan is intended to be administered in a manner consistent with the requirements, where applicable, of Section 409A of the Code and the Plan shall be administered, interpreted and construed consistent with that intent and where reasonably possible and practicable, the Plan shall be administered and interpreted in a manner to avoid the imposition on a Participant of immediate tax recognition and additional taxes pursuant to Section 409A of the Code. A Participant's right to receive any installment payment under the Plan shall, for purposes of Section 409A of the Code, be treated as a right to receive a series of separate and distinct payments. In addition, with respect to any payments or deemed payments under the Plan subject to Section 409A of the Code, references to a Participant's "termination of employment" (and corollary terms) with the Company and its Affiliates means the Participant's "separation from service" (as defined in Section 409A of the Code) with the Company and its Affiliates. Notwithstanding anything to the contrary contained in the Plan, any payment made under the Plan at a time permitted by Section 409A of the Code shall be deemed timely paid for all purposes of the Plan. Notwithstanding anything to the contrary contained in the Plan, the Committee may amend the Plan to the extent it deems necessary or appropriate to comply with Section 409A of the Code. Notwithstanding anything to the contrary contained in the Plan or any other agreement to which the Company or any of its Affiliates is bound or is a party, none of the Company, any of its Affiliates, the Committee or any of their respective officers, directors, employees or agents shall have any liability whatsoever to any Participant or any other person in the event Section 409A of the Code applies to any payments under the Plan in a manner that results in adverse tax consequences for a Participant or his or her heirs.

9.3Delay for "Specified Employees". In the event that any payment under the Plan is required to be delayed pursuant to Section 409A of the Code because a Participant is deemed to be a "specified employee" within the meaning of Section 409A(a)(2)(B)(1) of the Code and the related regulations, such payment shall be made, or the first installment of such payment shall be made, within 90 days of the first business day following the six-month anniversary of the Participant's "separation from service."

9.4Freedom of Action. Nothing in the Plan shall be construed as limiting or preventing the Committee, the Company or any of its Affiliates from taking any action that in good faith it deems appropriate or in its best interest (as determined in its sole and absolute discretion) and no Participant (or person claiming by or through a Participant) shall have any right relating to the diminishment in the value of any Fractional Company Shares, Deferred Equity Units, Matching Equity Units, Equity Units, Dividend Equivalents or any associated return as a result of any such action. The foregoing shall not constitute a waiver by a Participant of the terms and provisions of the Plan. Unless the context otherwise requires, any determination under the Plan by the Committee or the Company shall be in their sole and absolute discretion.

Article X
MISCELLANEOUS

10.1Amendment or Termination of Plan. The Company may, at any time, direct the Committee to amend or terminate the Plan, except that no such amendment or termination may adversely affect a Participant's outstanding Deferred Equity Units, Matching Equity Units or Dividend Equivalents. If the Company terminates the Plan, no further amounts shall be paid or deferred under the Plan, and outstanding Deferred Equity Units and Dividend Equivalents shall be treated in accordance with the provisions of the Plan as in effect prior to the Plan's termination.

10.2Unsecured General Creditor. Any payment due under the Plan shall be paid from the general funds of the Company, and each Participant and his or her heirs shall be no more than unsecured general creditors of the Company with no special or prior right to any assets of the Company for payment of any obligations under the Plan. It is the intention of the Company that the Plan be unfunded for purposes of ERISA and the Code.

10.3Requirements of Law. The issuance of Fractional Company Shares and Equity Units pursuant to the Plan shall be subject to all applicable laws, rules and regulations and to such approvals by any governmental agencies or national securities exchanges as may be required.

10.4Restriction Against Assignment. Deferred Equity Units, Dividend Equivalents and the other rights and entitlements under the Plan are not assignable or transferable, in whole or in part, and may not, directly or indirectly, be offered, transferred, sold, pledged, assigned, alienated, hypothecated or otherwise disposed of or encumbered (including without limitation by gift, operation of law or otherwise) other than by will or by the laws of descent and distribution upon a Participant's death.

10.5Withholding. Whenever Annual FCF Bonuses, Settlement Payments, Dividend Equivalents or any other payments or deemed payments under the Plan are to be paid or delivered to a Participant, the Company and its Affiliates shall have the power to withhold, or require the Participant to remit to the Company or any of its Affiliates, an amount sufficient to satisfy the statutory minimum federal, state and local withholding tax requirements relating to such payments, and the Company may defer the payment and delivery of any such Annual FCF Bonuses, Settlement Payments, Dividend Equivalents or any other payments or deemed payments under the Plan until the date such tax withholding requirements are satisfied or, if earlier, the last day of the calendar year in which such payments or deemed payment would otherwise have been made to the Participant; provided that if a Participant has not remitted or the Company has not withheld the amounts necessary to satisfy the withholding tax requirements prior to the last day of such calendar year then the Participant shall forfeit the payments or deemed payments subject to such withholding tax requirements. The Committee may, in its discretion, permit a Participant to elect, subject to such conditions as the Committee shall impose, to satisfy his or her withholding obligation relating to a Settlement Payment with Fractional Company Shares.

10.6Employment Not Guaranteed. Nothing contained in the Plan nor any action taken hereunder shall be construed as a contract of employment or as giving any Participant any right to continue the provision of services in any capacity whatsoever to the Company or any of its Affiliates.

10.7Successors of the Company. The rights and obligations of the Company under the Plan shall inure to the benefit of, and shall be binding upon, the successors and assigns of the Company.

10.8Notice. Any notice or filing required or permitted to be given to the Company or a Participant under the Plan shall be sufficient if in writing and hand-delivered or sent by registered or certified mail, in the case of the Company, to the principal office of the Company, directed to the attention of the Committee, and in the case of a Participant, to the last known address of the Participant indicated on the employment records of the Company. Such notice shall be deemed given as of the date of delivery or, if delivery is made by mail, as of the date shown on the postmark on the receipt for registration or certification. Notices to the Company may be permitted by electronic communication according to specifications established by the Committee.

10.9No Conflict with LLC Agreement. Nothing contained in the Plan is intended to conflict with the terms and conditions of the LLC Agreement and to the extent any such conflict exists with respect to Matching Equity Units or Equity Units, expressly or by implication, the terms and conditions of the LLC Agreement shall control.

10.10Severability of Provisions. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provision had not been included.

10.11Headings, etc. Headings and subheadings in the Plan are inserted for convenience of reference only and are not to be considered in the construction of the provisions hereof. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, as the identity of the person or persons may require. As the context may require, the singular may be read as the plural and the plural as the singular.

10.12Governing Law. The Plan is intended to be an unfunded plan maintained primarily to provide deferred compensation benefits for a select group of "management or highly compensated employees" within the meaning of Sections 201, 301 and 401 of ERISA and therefore to be exempt from Parts 2, 3 and 4 of Title I of ERISA. In the event any provision of, or legal issue relating to, the Plan is not fully preempted by federal law, such issue or provision shall be governed by the laws of the State of New York.

As adopted on December 10, 2012, amended and restated on November 22, 2013 and on March 10, 2017.

WARNER MUSIC GROUP CORP.
SENIOR MANAGEMENT FREE CASH FLOW PLAN

Deferral Election Form

If you elect to enroll in the Warner Music Group Corp. Senior Management Free Cash Flow Plan, please complete this form. ***This election to defer compensation is irrevocable.***

Deferral Election

By signing below, I elect to participate in the Warner Music Group Corp. Senior Management Free Cash Flow Plan (as it may be amended from time to time, the "Plan"; capitalized terms used herein but not defined have the meaning set forth in the Plan), on the terms and conditions described in the Plan, the LLC agreement and this election form.

I. Eligible Compensation Deferral Election. I elect to defer (in 1 percentage point increments from 50% up to and including 100%) the following percentage of annual "free cash flow" bonuses (the "Annual FCF Bonus") that may be payable to me in respect of the Company's 2013, 2014 and 2015 fiscal years, and for any fiscal year thereafter through the 2019 fiscal year to the extent that I have not purchased the maximum number of my allocated Deferred Equity Units:

% Annual "Free Cash Flow" Bonus [insert a number between 50 and 100]

I understand that, notwithstanding the foregoing, my Deferral Election for the 2013 fiscal year shall not exceed 75% of my Annual FCF Bonus for such fiscal year.

The maximum number of Deferred Equity Units that I may acquire under the Plan is [ ].

II. Acknowledgements. I agree and understand as follows:

1. The terms and conditions of my deferrals are governed by the terms of the Plan, including my minimum and maximum deferral amount, and my minimum and maximum number of Deferred Equity Units and Matching Equity Units.

2. My deferral election may not be changed after 11:59pm EST on December 28, 2012, except as permitted by law and the terms of the Plan.

3. The percentage of my Annual FCF Bonuses that I now elect to defer will apply to each fiscal year after 2013 through 2019 if, by such time, I have not acquired all of my allocated Deferred Equity Units.

4. If I have not elected to defer the minimum amount required to be deferred, I will receive my entire Annual FCF Bonus, if any, in cash at the time the Annual FCF Bonuses are earned and paid, and I will not defer any amounts into the Plan.

5. Once I have acquired a number of Deferred Equity Units equal to my Maximum Unit Allocation, I shall cease to have a right to defer any additional amount of my Annual FCF Bonuses into the Plan or acquire any additional Deferred Equity Units or be granted any additional Matching Equity Units, and any of my Annual FCF Bonuses that are not deferred shall be paid to me in cash at the time Annual FCF Bonuses are earned and paid.

6. My being offered an opportunity to participate in the Plan in no way guarantees that I will receive an Annual FCF Bonus in respect of any of the Company's 2013, 2014, 2015 or any other fiscal years.

7. All amounts payable to me under the Plan and certain amounts payable from the LLC are subject to applicable withholding taxes.

8. All amounts deferred pursuant to my election will be unfunded and I will have the status of an unsecured creditor of the Company with respect to such amounts.

9. My participation in the Plan does not give me any right to continued employment in any capacity whatsoever with the Company or its subsidiaries.

10. (i) If my employment with the Company and its Affiliates terminates for any reason:

    (a) the Company may repurchase all or a portion of my Deferred Equity Units on the terms and conditions set forth in the Plan; and

    (b) all of my unvested Matching Equity Units will be forfeited without any payment to me;

    (ii) if my employment is terminated by the Company and its Affiliates for Cause or I resign without Good Reason (other than due to a disability), I will forfeit an Annual FCF Bonus in respect of the year in which my employment terminates and all of my vested Matching Equity Units will be forfeited without any payment to me; and

    (iii) if my employment is terminated by the Company and its Affiliates without Cause, by me for Good Reason or due to my death or disability (i.e., for any reason that does not result in forfeiture as described in item 10(ii) above), the Company will pay me a pro rata amount of an Annual FCF Bonus in respect of the year in which my employment terminates and the LLC may repurchase all or a portion of my Matching Equity Units on the terms and conditions set forth in the Plan and the LLC agreement.

11. Any Deferred Equity Units, vested Matching Equity Units or LLC interests that I hold in December 2020 will then be redeemed, and any unvested Matching Equity Units that I hold on that date will then be forfeited.

12. I acknowledge receipt of a copy of the Plan and the LLC Agreement, and I confirm that I have carefully read and understood the Plan and the LLC Agreement prior to electing to participate. I agree to be bound by all the terms and conditions of the LLC Agreement, and I have executed a counterpart to the LLC Agreement (as set forth on Exhibit A hereto).

13. This election will be considered null and void if any of the following shall occur:

    (i) our Compensation Committee fails to approve the Plan or my participation in it by 11:59pm EST on December 28, 2012;

    (ii) I am not employed by the Company at 11:59pm EST on December 28, 2012;

    (iii) with respect to any Plan Year, if my employment is terminated by the Company for Cause or by me without Good Reason or I am not otherwise entitled to receive an Annual FCF Bonus in respect of such Plan Year;

    (iv) if this election does not meet the requirements of Section 409A of the Code; or

    (v) if I do not otherwise meet the Plan eligibility requirements.

14. I acknowledge that any information provided to me in connection with my eligibility for or participation in Plan, including tax information, is subject to change and is not a representation influencing my election to participate in the Plan. I also acknowledge that I am personally responsible for obtaining advice concerning any legal, taxation or investment matters relating to my participation in the Plan. In particular, I confirm that I have obtained such independent personal advice as required or consider such advice to be unnecessary.

15. I understand that the value of shares of the Company can decrease as well as increase and that my Deferred Equity Units and Matching Equity Units may be settled for a value that is lower than the amount of my Annual FCF Bonus that I defer or for no value. My financial situation is such that I can afford to bear the economic risk of participating in the Plan and can afford to suffer complete loss of my investment in the Deferred Equity Units and Matching Equity Units. My knowledge and experience in financial and business matters are such that I am capable of evaluating the merits and risks of participating in the Plan and acquiring Deferred Equity Units and receiving Matching Equity Units.

16. I understand and agree that, from and after October 1, 2012, my annual bonus will be determined solely based on the Company's free cash flow as provided in the Plan and that any other bonus entitlements that I may have, whether contained in my employment agreement or otherwise, shall terminate.

17. I understand and agree that my participation in the Plan and my being a party to the LLC Agreement constitute the entire agreement and understanding between the Company and its Affiliates and me with respect to my incentive, bonus, equity and equity-based compensation from the Company and its subsidiaries and supersedes all prior agreements and understandings (whether written or oral) between me and the Company and its Affiliates relating to bonus, incentive, equity and equity-based compensation.

18. I am an "accredited investor" as such term is defined in Rule 501 of Regulation D promulgated under the 1933 Securities Act, as amended, because either (i) my individual net worth or my joint net worth with my spouse (excluding the positive net value, if any, of my primary residence) exceeds $1,000,000 or (ii) my individual income was in excess of $200,000 in each of 2010 and 2011 or my joint income with my spouse was in excess of $300,000 in each of those years, and I (or we) have a reasonable expectation of reaching the same income level in 2012.

19. For employees in the UK only, I am a "certified high net worth individual" for the purposes of the Financial Services and Market Act (Financial Promotion) Order 2005, because either (i) I had, during the financial year immediately preceding the date below, an annual income to the value of £100,000 or more; or (ii) I held, throughout the financial year immediately preceding the date below, net assets to the value of £250,000 or more (not including the property which is my primary residence or any loan secured on that residence; any rights of mine under a qualifying contract of insurance within the meaning of the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001; or any benefits (in the form of pensions or otherwise) which are payable on the termination of my service or on my death or retirement and to which I am (or my dependants are), or may be, entitled).

20. If tax rates change or my deferred amounts appreciate in value, I may be liable for a greater amount of tax than I would have been liable for had I received my Annual FCF Bonus in cash.

21. I may have a U.S. federal and state income tax liability with respect to any FICA or Medicare tax liability that is considered paid on my behalf with respect to any Annual FCF Bonus. I understand that I am solely responsible for all U.S. federal, state, local and non-U.S. taxation with respect to my participation in the Plan and any Deferred Equity Units, Matching Equity Units, cash or other securities received in connection with my participation.

U.S. Internal Revenue Service regulations require the Company to inform you that the discussion of U.S. federal income tax considerations included in this form is not intended or written to be used, and cannot be used, by any taxpayer for the purpose of avoiding penalties that the I.R.S. might seek to impose on such taxpayer. This

discussion was written to support promotion or marketing of the Plan. This discussion does not address tax considerations for any non-U.S. person. You should consult your own tax advisors regarding the tax consequences of participation in the Plan, as well as any tax consequences that may arise under the laws of any state, local, foreign or other non-U.S. taxing jurisdiction and the possible effects of changes in U.S. federal or other tax laws.

III. SIGN, DATE AND RETURN BY DECEMBER 19, 2012.

This Election Form will not be effective unless it is received by **5:00pm EST, December 19, 2012. The completed form should be sent to:**

FORM OF AWARD AGREEMENT

Date , 2013

To [Employee Name]

From Mark Ansorge
Executive Vice President, Human Resources
& Chief Compliance Officer

WARNER MUSIC GROUP CORP.
SENIOR MANAGEMENT FREE CASH FLOW PLAN

As a current participant in the Warner Music Group Corp. Senior Management Free Cash Flow Plan (as amended, the "Plan"; capitalized terms used but not defined herein have the meanings ascribed to them in the Plan), you have the opportunity to receive a one-time award of [ ] additional Deferred Equity Units (the "Award"), at the same time that you are granted Deferred Equity Units in respect of your 2013 free cash flow bonus under the Plan, but only if you agree to the terms and conditions described below. This Award is being made under the Plan, and, except as expressly provided in this letter, the Award is subject to all the terms and conditions of the Plan.

If you accept this Award, the Deferred Equity Units granted to you in this Award will count towards your Maximum Unit Allocation (which is the total number of Deferred Equity Units that you are eligible to acquire under the Plan). For this reason, if you accept the Deferred Equity Units in this Award, an equal number of the unvested Matching Equity Units (that were previously granted to you when you became a participant in the Plan) will vest on the grant date of this Award. Like other Deferred Equity Units granted under the Plan, this Award will be settled in three equal installments in December 2018, 2019 and 2020.

The Deferred Equity Units available in this Award are subject to the following terms and conditions that differ from those applicable to Deferred Equity Units under the Plan generally:

- The Deferred Equity Units in this Award will be unvested at grant and will vest on the later of (x) December 31, 2015 and (y) the date, if any, on which you acquire your Maximum Unit Allocation, including the Deferred Equity Units in this Award, subject to your continuous employment through such date, except that if your employment terminates by reason of your death or disability all of these Deferred Equity Units will immediately vest.
- The Settlement Payment (and any payment in connection with a Change in Control or any mandatory settlement payment in December 2020) payable in respect of each Deferred Equity Unit granted in this Award (whether delivered in cash or Fractional Company Shares) will be reduced (but not below zero) by $107.13 (i.e., the Base Investment Price of Deferred Equity Units generally). However, in the event that (A) such Settlement Payment (prior to reduction under the preceding sentence) is less than $107.13 or (B) at any time beginning October 1, 2017, the Fair Market Value of a Fractional Company Share is less than $107.13 and you then own any of the Deferred Equity Units granted in this Award (in either case, such difference, a "Shortfall"), all or any portion of such Shortfall may be deducted, in the Committee's sole discretion, from any of (x) the amount of any Annual FCF Bonus payable to you in respect of the Plan Year in which such Settlement Payment is paid to you or any future Plan Year, (y) your

outstanding or future Dividend Equivalents, if any, and (z) the redemption price for Matching Equity Units that is payable to you upon redemption of your Matching Equity Units whether upon termination of your employment or otherwise.

- Similarly, if your employment is terminated for any reason after this Award has vested, the cash amount, if any, that will be paid to you in respect of each such vested Deferred Equity Unit will be reduced (but not below zero) by $107.13, and, in the Committee's sole discretion, any Shortfall arising from such payment will be deducted from the amount of any Pro Rata Annual Bonus, Dividend Equivalents or redemption price for Matching Equity Units that is payable to you upon termination of your employment.

As noted above, this Award is not intended to (nor does it) increase your Maximum Unit Allocation. Therefore, this Award opportunity requires you to agree to irrevocably waive any rights that you may have under the Plan to acquire in Plan Year 2015 or later a number of Deferred Equity Units equal to those available in this Award. Also, because the 2014 Plan Year has already begun, the number of Deferred Equity Units that you may acquire in Plan Year 2014 cannot be reduced. Therefore, if after Plan Year 2014, the total number of Deferred Equity Units that you have acquired (together with this Award and Deferred Equity Units otherwise granted to you in respect of the 2013 Plan Year) exceeds your Maximum Unit Allocation, you will forfeit the number of Deferred Equity Units from this Award that is necessary to reduce your total Deferred Equity Units to your Maximum Unit Allocation.

You hereby acknowledge items II.9, 11, 14, 15, 20 and 21 of your Deferral Election Form under the Plan, which are incorporated herein by reference and made a part of this letter as if set forth herein in full.

In consideration of the Award, you hereby consent to the amendments to the Plan and Limited Liability Company Agreement (the "LLC Agreement") of WMG Management Holdings, LLC that are set forth in the attached Exhibits A and B (the "Amendments").

In order to evidence your acceptance of this award, you must sign the signature page to this letter and return it to me by 5:00pm EST on December , 2013, by email to or by fax to . If you do not accept this award by such date, your grant will be forfeited and will be considered null and void and of no further force and effect.

If you have any questions about this award, feel free to call me at or email me at .

Sincerely,

Mark Ansorge

WARNER MUSIC GROUP CORP.
SENIOR MANAGEMENT FREE CASH FLOW PLAN

We are pleased to inform you that as a valued member of the Warner Music Group Corp. (the "Company") management team, your allocated percentage of the FCF Bonus Pool under the Warner Music Group Corp. Senior Management Free Cash Flow Plan (as amended, the "Plan"; capitalized terms used but not defined herein have the meanings ascribed to them in the Plan) is being increased, beginning with the current 2014 Plan Year, by «Increased_Percent» (the "Increased Bonus Percentage"). This award is being made under the Plan, and, except as expressly provided in this letter, this award is subject to all the terms and conditions of the Plan.

In connection with such increase, you are receiving an Additional Unit Allocation of «Additional_DEUs» (which increases your Maximum Unit Allocation under the Plan to «Maximum_DEUs»). The Base Amount applicable to this Additional Unit Allocation will be $107.13 (i.e., the Base Investment Price of Deferred Equity Units generally). In connection with your Additional Unit Allocation, you are also being granted an additional «Additional_MEUs» Matching Equity Units (which increases your Matching Equity Units to a total of «Total_MEUs»). The Benchmark Amount (as defined in the LLC Agreement) of these additional Matching Equity Units will be $134.62, which is the current Fair Market Value of one Fractional Company Share.

As a condition of this grant of additional Matching Equity Units, you are required to file an election under Section 83(b) of the Internal Revenue Code with the IRS no later than April 6, 2014. This 83(b) election is similar to the election you made following your initial grant of Matching Equity Units. A copy of an 83(b) election form and applicable instructions is attached as Annex A to this letter.

Until you have acquired all of your Additional Unit Allocation, all of your Increased Bonus Percentage must be deferred under the Plan and applied to purchase Deferred Equity Units. For the current 2014 Plan Year and, unless you elect the Merge Option described below, future Plan Years, your Increased Bonus Percentage and Additional Unit Allocation will stand apart from your preexisting allocations under the Plan. This means that any Annual FCF Bonus payable in respect of your Increased Bonus Percentage will be used only to acquire Deferred Equity Units attributable to your Additional Unit Allocation and any Annual FCF Bonus attributable to your preexisting bonus percentage under the Plan (the "Initial Bonus Percentage") will be used only to acquire Deferred Equity Units attributable to your Initial Unit Allocation. This will be the case even if your Initial Unit Allocation has been fully acquired and you are entitled to receive cash in respect of your Annual FCF Bonus attributable to your Initial Bonus Percentage. However, for 2015 and subsequent Plan Years, you may elect (on the signature page to this letter) to merge your Additional Unit Allocation with your Initial Unit Allocation (the "Merge Option") in order to use all of your Annual FCF Bonus (whether payable in respect of your Initial Bonus Percentage or your Increased Bonus Percentage) to purchase your Maximum Unit Allocation (as increased by your Additional Unit Allocation).

You hereby acknowledge items II.1, 7 through 11, 14, 15, 20 and 21 of your Deferral Election Form under the Plan, which are incorporated herein by reference and made a part of this letter as if set forth herein in full.

Please sign the signature page to this letter and return it to Trent Tappe by 5:00pm EST on March 17, 2014, by email to Trent.Tappe@wmg.com or by fax to 212-956-0529. If you desire to elect the Merge Option described above, you should indicate that election below with your signature to this letter. If you do not indicate whether you elect the Merge Option, you will be treated as having elected to keep this award separate from your previous awards under the Plan (i.e., declined the Merge Option).

If you have any questions about this award, feel free to call or email me or Trent.

Sincerely,

Steve Cooper

WHEREAS, in light of the litigation costs and risks to directors resulting from their service to companies, and the desire of the Company to attract and retain qualified individuals to serve as directors, it is reasonable, prudent and necessary for the Company to indemnify and advance expenses on behalf of its directors to the extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern regarding such risks;

WHEREAS, the Company has requested that Indemnitee serve or continue to serve as a director of the Company and may have requested or may in the future request that Indemnitee serve one or more WMG Entities (as hereinafter defined) as a director or in other capacities;

WHEREAS, Indemnitee is willing to serve as a director of the Company on the condition that he be so indemnified; and

WHEREAS, Indemnitee may have certain rights to indemnification, advancement of expenses and/or insurance provided by the Designating Stockholders (as hereinafter defined) (or their affiliates), which Indemnitee, the Company and the Designating Stockholders (or their affiliates) intend to be secondary to the primary obligation of the Company to indemnify Indemnitee as provided herein, with the Company' acknowledgement of and agreement to the foregoing being a material condition to Indemnitee's willingness to serve as a director of the Company;

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

1. Services by Indemnitee. Indemnitee agrees to serve as a director of the Company. Indemnitee may at any time and for any reason resign from such position (subject to any contractual obligation under any other agreement or any obligation imposed by operation of law).

2. Indemnification – General. On the terms and subject to the conditions of this Agreement, the Company shall indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, liabilities, losses, costs, Expenses (as hereinafter defined) and other matters that may result from or arise in connection with Indemnitee's Corporate Status (as hereinafter defined) and shall advance Expenses to Indemnitee, to the fullest extent permitted by applicable law. The indemnification obligations of the Company under this Agreement (a) shall continue after such time as Indemnitee ceases to serve as a director of the Company or in any other Corporate Status, and (b) include, without limitation, claims for monetary damages against Indemnitee in respect of any alleged breach of fiduciary duty, to the fullest extent permitted under applicable law (including, if applicable, Section 145 of the Delaware General Corporation Law) as in existence on the date hereof and as amended from time to time.

3. Proceedings Other Than Proceedings by or in the Right of the Company. If by reason of Indemnitee's Corporate Status Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding (as hereinafter defined) other than a Proceeding by or in the right of any of the Company to procure a judgment in its favor, the Company shall indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such liabilities, judgments, penalties, fines and amounts paid in settlement) reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Company and, with respect to any criminal Proceeding, had no reasonable cause to believe Indemnitee's conduct was unlawful.

4. Proceedings by or in the Right of the Company. If by reason of Indemnitee's Corporate Status Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding by or in the right of any of the Company to procure a judgment in its favor, the Company shall indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with such Proceeding if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Company; provided, however, that indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnitee shall have been adjudged by a court of competent jurisdiction to be liable to the Company only if (and only to the extent that) the Court of Chancery of the State of Delaware (the "Delaware Court") or the court in which such Proceeding shall have been brought or is pending shall determine that despite such adjudication of liability and in light of all circumstances such indemnification may be made.

5. Mandatory Indemnification in Case of Successful Defense. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a party to (or a participant in) and is successful, on the merits or otherwise, in defense of any Proceeding (including, without limitation, any Proceeding brought by or in the right of the Company), the Company shall indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection therewith. If Indemnitee is not wholly successful in defense of such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company will indemnify Indemnitee against all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with each successfully resolved claim, issue or matter. For purposes of this Section 5 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, on substantive or procedural grounds, shall be deemed to be a successful result as to such claim, issue or matter.

6. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement or otherwise to indemnification by the Company for some or a portion of the Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such liabilities, judgments, penalties, fines and amounts paid in settlement) incurred by Indemnitee or on behalf of Indemnitee in connection with a Proceeding or any claim, issue or matter therein, but not, however, for the total amount thereof, the Company shall indemnify Indemnitee for that portion thereof to which Indemnitee is entitled.

7. Indemnification for Additional Expenses Incurred to Secure Recovery or as Witness.

(a) The Company will indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, any and all Expenses and, if requested by Indemnitee, will (within twenty (20) calendar days of such request) advance such Expenses to Indemnitee, which are reasonably incurred by Indemnitee in connection with any action brought by Indemnitee for (i) indemnification or advance payment of Expenses by the Company under this Agreement, any other agreement, the Certificate of Incorporation or By-laws of the Company as now or hereafter in effect; or (ii) recovery under any director and officer liability insurance policies maintained by any WMG Entity to the fullest extent permitted by law.

(b) To the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, the Company will indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, and the Company will advance, all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection therewith.

8. Advancement of Expenses.

(a) The Company shall advance all Expenses reasonably incurred by or on behalf of Indemnitee in connection with the investigation, defense, settlement or appeal of any Proceeding within twenty (20) calendar days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such advances shall, in all events, be (i) unsecured and interest free; and (ii) made without regard to Indemnitee's ability to repay the advances.

(b) To obtain advancement of Expenses under this Agreement, Indemnitee shall submit to the Company a written request for advancement of Expenses and, to the extent required by applicable law, an unsecured written undertaking by or on behalf of Indemnitee to repay any Expenses advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses. Upon submission of such request for advancement of Expenses and

unsecured written undertaking, Indemnitee shall be entitled to advancement of Expenses as provided in this Section 8, and such advancement of Expenses shall continue until such time (if any) as there is a final judicial determination that Indemnitee is not entitled to indemnification.

9. Certain Agreements Related to Indemnification.

(a) To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request for indemnification at such time as determined by Indemnitee in Indemnitee's sole discretion.

(b) At any time after submission by Indemnitee of a request for indemnification pursuant to Section 9(a), either the Company or Indemnitee may petition the Delaware Court for resolution of any objection to such request which may be made by the Company. The Company will pay any and all Expenses reasonably incurred in connection with the investigation and resolution of such issues.

(c) Indemnitee shall have the sole right and obligation to control the defense or conduct of any claim or Proceeding with respect to Indemnitee. Indemnitee will not compromise or settle any claim or Proceeding, release any claim, or make any admission of fact, law, liability or damages with respect to any losses for which indemnification is sought hereunder without the prior written consent of the Company, which consent shall not be unreasonably withheld. The Company will not, with respect to any person or entity, settle any claim or Proceeding, release any claim, or make any admission of fact, law or liability or damages, or assign, pledge or permit any subrogation with respect to the foregoing, or permit any WMG Entity to do any of the foregoing, to the extent such settlement, release, admission, assignment, pledge or subrogation in any way adversely affects Indemnitee or directly or indirectly imposes any expense, liability, damages, debt, obligation or judgment on Indemnitee.

(d) The parties intend and agree that, to the extent permitted by law, in connection with any determination with respect to entitlement to indemnification hereunder: (i) it will be presumed that Indemnitee is entitled to indemnification under this Agreement, and that the WMG Entities or any other person or entity challenging such right will have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption; (ii) the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the applicable WMG Entity, and, with respect to any criminal action or proceeding, had reasonable cause to believe that Indemnitee's conduct was unlawful; (iii) Indemnitee will be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the applicable WMG Entity, including financial statements, or on information

supplied to Indemnitee by the officers, employees, or committees of the board of directors of the applicable WMG Entity, or on the advice of legal counsel for the applicable WMG Entity or on information or records given in reports made to the applicable WMG Entity by an independent certified public accountant or by an appraiser or other expert or advisor selected by the applicable WMG Entity; and (iv) the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of any of the WMG Entities or relevant enterprises will not be imputed to Indemnitee in a manner that limits or otherwise adversely affects Indemnitee's rights hereunder. The provisions of this Section 9(d) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(e) Indemnitee agrees to notify the Company promptly upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification or advancement of Expenses covered hereunder; provided, however, that any failure of Indemnitee to so notify the Company will not relieve the Company of any obligation which they may have to Indemnitee under this Agreement or otherwise. If at the time of receipt of any such request for indemnification or notice the Company has director and officer insurance policies in effect, the Company will promptly notify the relevant insurers in accordance with the procedures and requirements of such policies.

10. Other Rights of Recovery; Insurance; Subrogation, etc.

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, under the WMG Entities' Certificates of Incorporation or By-Laws, or under any other agreement, vote of stockholders or resolution of directors of any WMG Entity, or otherwise. Indemnitee's rights under this Agreement are present contractual rights that fully vest upon Indemnitee's first service as a director or officer of the Company. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the General Corporation Law of the State of Delaware (or other applicable law), whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the WMG Entities' Certificates of Incorporation or By-Laws and this Agreement, it is the intent of the parties hereto that Indemnitee enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) To the extent that any of the WMG Entities maintains an insurance policy or policies providing liability insurance for directors, officers, employees, fiduciaries, representatives, partners or agents of any WMG Entity, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any director, officer, employee, fiduciary, representative, partner or agent insured under such policy or policies.

(c) In the event of any payment by the Company under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee against any other WMG Entity, and Indemnitee hereby agrees, as a condition to obtaining any advancement or indemnification from the Company, to assign all of Indemnitee's rights to obtain from such other WMG Entity such amounts to the extent that they have been paid to or for the benefit of Indemnitee as advancement or indemnification under this Agreement and are adequate to indemnify Indemnitee with respect to the costs, Expenses or other items to the full extent that Indemnitee is entitled to indemnification or other payment hereunder; and Indemnitee will (upon request by the Company) execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit or enforce such rights.

(d) The Company hereby unconditionally and irrevocably waives, relinquishes and releases, and covenants and agrees not to exercise (and to cause each of the other WMG Entities not to exercise), any rights that it may now have or hereafter acquire against any Designating Stockholder (or former Designating Stockholder) or Indemnitee that arise from or relate to the existence, payment, performance or enforcement of the Company' obligations under this Agreement or under any other indemnification agreement (whether pursuant to contract, by-laws or charter), including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Indemnitee against any Designating Stockholder (or former Designating Stockholder) or Indemnitee, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Designating Stockholder (or former Designating Stockholder) or Indemnitee, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right.

(e) The Company shall not be liable under this Agreement to pay or advance to Indemnitee any amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise; provided, however, that (i) the

Company hereby agrees that they are the indemnitors of first resort (i.e., their obligations to Indemnitee under this Agreement are primary and any obligation of any Designating Stockholder (or any affiliate thereof) to provide advancement or indemnification for the same Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement) incurred by Indemnitee are secondary), and (ii) if any Designating Stockholder (or any affiliate thereof other than a WMG Entity) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with any director or officer of the Company, then (x) such Designating Stockholder (or such affiliate, as the case may be) shall be fully subrogated to all rights of Indemnitee with respect to such payment and (y) the Company shall reimburse such Designating Stockholder (or such other affiliate) for the payments actually made. The Company shall take any and all actions as may reasonably be requested by Indemnitee or any Designating Stockholder to cause director and officer liability insurance policies maintained by the Company, and those maintained by any other applicable WMG Entity, to be paid and exhausted to cover any Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement) that could be subject to indemnification hereunder before claims are made with respect to such matters under any director and officer liability insurance policies that may be maintained by any Designating Stockholder or any of their affiliates (other than affiliates that are WMG Entities or subsidiaries thereof), it being understood and agreed that it is the intent of the parties that any such policies maintained by any Designating Stockholder or any of such other affiliates would be called upon to provide excess insurance coverage only to the extent of any failure of any liability insurance policies maintained by the WMG Entities to make payment of any amounts for which coverage is also available under any liability insurance policies maintained by any Designating Stockholder or any of their affiliates (other than affiliates that are WMG Entities or subsidiaries thereof).

(f) The Company' obligation to indemnify or advance Expenses hereunder to Indemnitee in respect of or relating to Indemnitee's service at the request of any of the Company as a director, officer, employee, fiduciary, representative, partner or agent of any other WMG Entity shall be reduced by any amount Indemnitee has actually received as payment of indemnification or advancement of Expenses from such other WMG Entity, except to the extent that such indemnification payments and advance payment of Expenses when taken together with any such amount actually received from other WMG Entities or under director and officer insurance policies maintained by one or more WMG Entities are inadequate to fully pay all costs, Expenses or other items to the full extent that Indemnitee is entitled to indemnification or other payment hereunder.

11. Employment Rights; Successors; Third Party Beneficiaries.

(a) This Agreement shall not be deemed an employment contract between the Company and Indemnitee. This Agreement shall continue in force as provided above after Indemnitee has ceased to serve as a director and/or officer of the Company.

(b) This Agreement shall be binding upon each of the Company and their successors and assigns and shall inure to the benefit of Indemnitee and his heirs, executors and administrators.

(c) The Designating Stockholders are express third party beneficiaries of this Agreement, are entitled to rely upon this Agreement, and may specifically enforce the Company' obligations hereunder (including but not limited to the obligations specified in Section 10 of this Agreement).

12. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

13. Exception to Right of Indemnification or Advancement of Expenses. Except as provided in Section 7(a) of this Agreement or as may otherwise be agreed by the Company, Indemnitee shall not be entitled to indemnification or advancement of Expenses under this Agreement with respect to any Proceeding brought by Indemnitee (other than a Proceeding by Indemnitee by way of defense or to enforce his rights under this Agreement or under statute or other law including any rights under Section 145 of the Delaware General Corporation Law), unless the bringing of such Proceeding or making of such claim shall have been approved by the Board of Directors of the Company.

Class B Units held by a Service Member shall vest at the times and to the extent that Deferred Equity Units are credited to the Service Member's Deferral Account under the Plan and shall be subject to forfeiture as provided in Section 11.2; provided that if a Change in Control occurs prior to the date on which unvested Class B Units were scheduled to vest pursuant to this Section 3.2(d)(ii), then, immediately prior to such Change in Control, a number of Class B Units shall vest equal to the number of Deferred Equity Units that are then credited to such Service Member's Deferral Account pursuant to Section 8.1(a) of the Plan.

(iii)Benchmark Amount. The Benchmark Amount of each Class B Unit shall be determined at the time such Class B Unit is issued to a Service Member and shall equal the then current Fair Market Value of one WMG Fractional Share, which shall be reflected on Schedule A. For the avoidance of doubt, the Benchmark Amount of each Class B Unit granted on the Effective Date shall be the Initial Base Investment Price.

(iv)Reallocation of Class B Units. If at any time the Managing Member owns Class B Units, the Managing Member may, in its sole discretion, cause the Company to cancel all or any portion of such Class B Units, without payment by the Company, for the purpose of granting up to an equal number of Class B Units (with Benchmark Amounts determined at the date of such grant) to Service Members (whether existing Members or Additional Members). Upon any such cancellation and grant, the Managing Member shall reallocate the WMG Fractional Shares that were allocated to such cancelled Class B Units of the Managing Member to the newly-granted Class B Units of such Service Members, in which case the Benchmark Amounts applicable to such newly-granted Class B Units shall be allocated to the Managing Member.

(e)Class C Units. As of any date, a number of the Class A Units held by the Managing Member shall be reclassified as Class C Units. The number of such Class A Units reclassified as Class C Units as of any date shall equal the number of Class B Units outstanding (whether vested or unvested) as of such date. Class C Units shall not have any rights to distributions under this Agreement.

(f)Redemption and Forfeiture. Units owned by Service Members are subject to redemption and/or forfeiture as provided in Article XI.

(g)Adjustment Events. The number and kind of shares or other equity interests to which Class A Units, Class B Units, Class C Units and WMG Fractional Shares may relate, the number and kinds of securities deliverable and the Benchmark Amounts shall be proportionally adjusted to reflect, as deemed equitable and appropriate by the Managing Member, any stock dividend, stock split, share combination, recapitalization, merger, consolidation, reorganization, exchange of shares or any other similar event affecting WMG Common Stock.

(h)Unit Certificates. The Company may at any time and at the discretion of the Managing Member issue one or more Unit Certificates in the name of a Member in respect of the issue or reallocation of a Unit to that Member and record the issue or reallocation of such Unit to such Member in the records of the Company.

Section 3.3No Cessation of Membership upon Bankruptcy. A Person shall not cease to be a Member of the Company upon the happening, with respect to such Person, of any of the events specified in Section 18-304 of the Delaware Act.

Section 3.4Additional Members and Increased Capital Contributions.

(a)Generally. The Company may admit one or more additional Members (each an "Additional Member") and may permit previously admitted Members to increase their investment in the Company, in each case, upon the approval of the Managing Member. The Managing Member shall approve the admission of any Person who is granted Class B Units pursuant to the Plan or the increased Capital Contribution from any Person who contributes WMG Fractional Shares to the Company pursuant to the Plan.

(b)Procedures. Each Person shall be admitted as an Additional Member at the time such Person (i) executes a counterpart to this Agreement, (ii) complies with the applicable Managing Member resolution, if any, with respect to such admission and (iii) is named as a Member in Schedule A hereto. Upon the admission of an Additional Member, an increase in a Service Member's Maximum Unit Allocation or an increased investment in the Company, to the extent applicable, the Managing Member: (A) shall determine the number of Units to be issued to such Additional Member (or existing Member); (B) shall determine the Benchmark Amounts with respect to any Class B Units issued at such time to the Additional Member (or existing Member); and (C) may cause the Company to issue one or more Unit Certificates in the name of such Additional Member (or existing Member) and record the issuance of Units to such Additional Member (or existing Member) in the records of the Company.

Section 3.5No Continued Right to Employment. Nothing in this Agreement will be construed as providing any Member any right to continued employment by the Company, WMG or any of its Affiliates, nor will it be construed as limiting or otherwise affecting any of such Member's obligations or duties owed to WMG and its Affiliates in his or her capacity as an employee of WMG or any of its Affiliates.

Section 3.6Restrictive Covenants. The covenants and restrictions contained in this Section 3.6 shall be in addition to and not in lieu of any covenants or restrictions applying to any Service Member pursuant to any employment, severance or services agreement between such Service Member and WMG or any of its Affiliates and are intended to reflect the special obligations of the Service Members as Members of the Company.

(a)Non-Competition. Each Service Member hereby covenants and agrees that, during the period the Service Member holds, directly or indirectly, any equity interest in the Company or, if earlier, until the date of the applicable Service Member's termination of employment for any reason (the "Restricted Period"), such Service Member shall not become associated with any entity, whether as a principal, partner, employee, member, consultant or shareholder (other than as a holder of not in excess of 1% of the outstanding voting shares of any publicly traded company), that is actively engaged in any geographic area in which WMG or any of its Affiliates does business in any business which is either (i) in competition with the businesses of WMG and its Affiliates or (ii) proposed to be conducted by WMG or any of its Affiliates in any business plan of WMG or any of its Affiliates; provided, however, this Section 3.6(a) shall not apply with respect to any activities which are (A) expressly permitted pursuant to the terms of any employment, severance or services agreement or letter between the applicable Service Member and WMG or any of its Affiliates or (B) previously approved by WMG, its Board of Directors or a committee thereof pursuant to WMG's conflict of interest resolution procedures.

(b)Non-Solicitation of Employees, Artists and Labels. Each Service Member (other than a Service Member located in the State of California) hereby covenants and agrees that, during the Restricted Period and for the one-year period thereafter, such Service Member shall not, directly or indirectly, as an employee, agent, consultant, partner, joint venture, owner, officer, director, member of any other firm, partnership, corporation or other Person or in any other capacity:

(i)hire or make an offer of employment to any then-current employees of WMG or any of its Affiliates in the United States or to any individuals who were employees of WMG or any of its Affiliates in the United States in the prior six-month period (collectively, the "Restricted Employees");

(ii)solicit, negotiate with, induce, persuade encourage or otherwise attempt to solicit, negotiate with, induce, persuade or encourage any Restricted Employees to (A) terminate his or her employment with WMG or any of its Affiliates, (B) refrain from extending his or her employment with WMG or any of its Affiliates, (C) refrain from entering into a new employment arrangement with WMG or any of its Affiliates, (D) enter into any employment arrangement with any competitor of WMG or any of its Affiliates or (E) violate any provision of a Restricted Employee's Contract with WMG or any of its Affiliates;

(iii)enter into any Contract with any Restricted Artist or Restricted Label; or

(iv)solicit, negotiate with, induce, persuade, encourage or otherwise attempt to solicit, negotiate with, induce, persuade or encourage any Restricted Artist or Restricted Label to (A) terminate his, her or its relationship or Contract with WMG or any of its Affiliates, (B) refrain from extending his, her or its relationship or Contract with WMG or any of its Affiliates, (C) refrain from entering into a new Contract with WMG or any of its Affiliates, (D) enter into any relationship or Contract with any competitor of WMG or any of its Affiliates or (E) violate any provision of the Restricted Artist's or Restricted Label's Contract with WMG or any of its Affiliates.

In lieu of the preceding covenants and agreements in clauses (i) through (iv) of this Section 3.6(b), each Service Member located in the State of California hereby covenants and agrees that, during the Restricted Period and for the one-year period thereafter, such Service Member shall not, directly or indirectly, as an employee, agent, consultant, partner, joint venture, owner, officer, director, member of any other firm, partnership, corporation or other Person or in any other capacity:

(v)solicit, induce or encourage any Restricted Employee in the United States to leave their employment with WMG or any of its Affiliates; or

(vi)(1) induce (or attempt to induce) a breach or disruption of the contractual relationship between WMG or any of its Affiliates and any Restricted Artist or Restricted Label or (2) use the trade secrets or confidential information of WMG or any of its Affiliates to solicit, induce or encourage any Restricted Artist or Restricted Label to end its relationship with WMG or any of its Affiliates, as applicable.

(c)Non-Disparagement. Each Service Member hereby covenants and agrees that such Service Member shall not at any time make any statements, directly or indirectly, to any Person that are intended to, or could reasonably be expected to, damage the business or reputation of WMG or any of its Affiliates, including Access.

(d)Confidentiality. Each Service Member hereby covenants and agrees that such Service Member shall not at any time, either during or following his or her employment with WMG or any of its Affiliates, disclose or reveal to any Person or make use of (otherwise than for the benefit of WMG or any of its Affiliates) any trade secrets or information of a secret or confidential nature, including without limitation, matters of a business nature, such as information about costs, profits, markets, leases, details of recording or music publishing agreements, distribution agreements, customer Contracts, manufacturing processes, financial information, technical and production know-how, developments, inventions, processes or administrative procedures, concerning the business or affairs of WMG or any of its Affiliates, which the Service Member may have acquired in the course of or incident to the Service Member's employment with WMG or any of its Affiliates, and the Service Member confirms that all such information ("Confidential Information") is the exclusive property of WMG and its Affiliates. This Section 3.6(d) shall not apply to disclosures by the Service Member (i) with the Company's consent, (ii) to the Service Member's legal counsel in connection with seeking legal advice related hereto, (iii) to the Service Member's accountants in connection with seeking financial or tax advice related hereto or (iv) as required by law, a court of competent jurisdiction or regulatory agency or other governmental authority. Nothing herein shall prevent the Service Member, subsequent to the termination or expiration of his or her employment with WMG or any of its Affiliates, from using or availing himself or herself of general technical skills, knowledge and experience, including that pertaining to or derived from the non-confidential aspects of the businesses of WMG or any of its Affiliates. The term "Confidential Information" shall not include information generally available and known to the public other than as a result of a breach of this Section 3.6(d) by the Service Member. The Service Member agrees to hold as WMG property all Confidential Information and all books, papers and other data and all copies thereof and therefrom, in any way relating to the businesses of WMG or any of its Affiliates, whether made or received by the Service Member, and, on termination of employment or upon demand by WMG, to deliver the same to WMG.

(e)Results and Proceeds of Employment. Each Service Member acknowledges and agrees that WMG or any of its Affiliates, as the case may be, shall own all rights of every kind and character throughout the world in perpetuity in and to any material and/or ideas written, suggested or in any way created by him or her during his or her employment with WMG or any of

its Affiliates and all other results and proceeds of his or her employment with WMG or any of its Affiliates, including, but not limited to, all copyrightable material created by him or her within the scope of his or her employment. Each Service Member agrees to execute and deliver to WMG or any of its Affiliates, as the case may be, such assignments or other instruments as the Company may require from time to time to evidence WMG's or any of its Affiliates', as the case may be, ownership of the results and proceeds of his or her services rendered to WMG or any of its Affiliates.

(f)Remedies for Breach. Each Service Member acknowledges and agrees that the covenants and obligations of such Service Member with respect to non-competition, non-solicitation, non-disparagement, confidentiality and results and proceeds of employment in this Agreement relate to special, unique and extraordinary matters and that a violation or threatened violation of any of the terms of such covenants or obligations will cause WMG and its Affiliates (including the Company) irreparable injury for which adequate remedies are not available at law. Therefore, each Service Member agrees, to the fullest extent permitted by law, that WMG or any of its Affiliates (including the Company) shall be entitled to an injunction, restraining order or such other equitable relief (without the requirement to post bond) restraining such Service Member from committing any violation of the covenants or obligations contained in this Section 3.6. These injunctive remedies are cumulative and are in addition to any other rights and remedies the Company, WMG or any of their Affiliates may have at law or in equity. In connection with the foregoing provisions of this Section 3.6, each Service Member represents that his or her economic means and circumstances are such that such provisions will not prevent him or her from providing for the Service Member and his or her family on a basis satisfactory to him or her.

(g)Unenforceable Restriction. It is expressly understood and agreed that although each Service Member and the Company consider the restrictions contained in this Section 3.6 to be reasonable, if a final determination is made by an arbitrator to whom the parties have assigned the matter or a court of competent jurisdiction that any restriction contained in this Agreement is an unenforceable restriction against any Service Member, the provisions of this Agreement shall not be rendered void but shall be reformed to apply as to such maximum time and to such maximum extent as such arbitrator or court may determine or indicate to be enforceable. Alternatively, if such arbitrator or court finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be reformed so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

ARTICLE IV
MANAGEMENT

Section 4.1Management. The business and affairs of the Company shall be managed by and under the direction of the Managing Member. The Managing Member shall be the "manager" of the Company for purposes of the Act. The Managing Member shall have complete and exclusive good faith discretion in the management and control of the affairs and business of

the Company and shall possess all powers necessary, convenient or appropriate to carrying out the purposes and business of the Company and to performing all acts and entering into and performing all Contracts and other undertakings that it may deem necessary or advisable or incidental thereto, including doing all things and taking all actions necessary to carry out the terms and provisions of this Agreement.

Such officers and agents shall serve for such terms, hold such offices, exercise such powers and perform such duties as the Managing Member from time to time may determine to be necessary, useful, appropriate, advisable, desirable or convenient. In addition, all officers and agents, as between themselves and the Company, shall have such authority and perform such duties in the management of the Company as generally pertain or are necessarily incidental to their particular office or agency.

Section 5.2Adjustments. As of the end of each Accounting Period, the balance in each Member's Capital Account shall be adjusted by (i) increasing such balance by such Member's (A) allocable share of each item of the Company's income and gain for such Accounting Period (allocated in accordance with Section 7.1) and (B) the amount of cash and the Fair Market Value of any property (as of the date of the contribution thereof and net of any liabilities encumbering such property) contributed to the Company by such Member during such Accounting Period, if any, and (ii) decreasing such balance by (A) the amount of cash and the Fair Market Value of any property (as of the date of the distribution thereof and net of any liabilities encumbering such property) distributed to such Member during such Accounting Period and (B) such Member's allocable share of each item of the Company's loss and deduction for such Accounting Period (allocated in accordance with Section 7.1).

Section 5.3Additional Capital Contributions. No Member shall be required to make any additional Capital Contribution to the Company in respect of the Interests owned by such Member. The provisions of this Section 5.3 are intended solely to benefit the Members and, to the fullest extent permitted by applicable law, shall not be construed as conferring any benefit upon any creditor of the Company (and no such creditor shall be a third-party beneficiary of this Agreement), and no Member shall have any duty or obligation to any creditor of the Company to make any additional Capital Contributions or to cause the Managing Member to consent to the making of additional Capital Contributions.

Section 5.4Negative Capital Accounts. Except as required by law, no Member shall be required to make up a negative balance in its Capital Account.

ARTICLE VI
DISTRIBUTIONS

Section 6.1Distributions.

(a)Source. The Managing Member will determine in good faith the extent to which any distribution is made from Dividend Proceeds or Exit Proceeds. The determination of the Managing Member will be final and binding on all Members.

(b)Dividend Proceeds. Subject to Articles X and XI and Section 6.1(d), Dividend Proceeds will be apportioned among the Class A Units and Class B Units (including unvested Class B Units) held by the Members. The amounts so apportioned to the Class A Units and vested Class B Units of a Member will be distributed to such Member. The amounts so apportioned to the unvested Class B Units held by a Member will be distributed to the Managing Member.

(c)Exit Proceeds. Subject to Articles X and XI and Section 6.1(d), Exit Proceeds will be apportioned among the Class A Units and Class B Units (including unvested Class B Units) held by the Members. The amounts so apportioned to the Class A Units will be distributed to such Member. The amounts so apportioned to the unvested Class B Units held by a Member will be distributed to the Managing Member. The amounts so apportioned to the vested Class B Units held by a Member will be distributed (i) first, to the Managing Member up to the aggregate Benchmark Amount of such vested Class B Units and (ii) thereafter, to such Member.

(d)Offset to Certain Distributions. The Managing Member may, in its discretion, reduce the amount of any distributions to a Service Member under this Section 6.1 by all or any portion of the outstanding Unrecovered Investment Credit, if any, of the Service Member, which offset amounts shall instead be distributed to the Managing Member.

Section 6.2Distributions In Kind. In the event of a distribution of Company property pursuant to Section 6.1, such property shall for all purposes of this Agreement be deemed to have been sold at its Fair Market Value and the proceeds of such sale shall be deemed to have been distributed to the Members.

Section 6.3No Withdrawal of Capital. Except as otherwise expressly provided in Article XII, no Member shall have the right to withdraw capital from the Company or to receive any distribution or return of such Member’s Capital Contributions.

Section 6.4Withholding.

(a)Each Member shall, to the fullest extent permitted by applicable law, indemnify and hold harmless each Person who is or who is deemed to be the responsible withholding agent for U.S. federal, state or local income tax purposes against all claims, liabilities and expenses of whatever nature (other than any claims, liabilities and expenses in the nature of penalties and accrued interest thereon that result from such Person's fraud, willful misfeasance, bad faith or gross negligence) relating to such Person's obligation to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or as a result of such Member's participation in the Company.

(b)Notwithstanding any other provision of this Article VI, (i) each Member hereby authorizes the Company to withhold from payments to or Units of such Member and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or any of its Affiliates with respect to such Member or as a result of such Member's participation in the Company and (ii) if and to the extent that the Company or any of its Affiliates shall be required to withhold or pay any such taxes (including any amounts withheld from amounts payable to the Company to the extent attributable, in the judgment of the Members, to the interest of such Member in the Company), such Member shall be deemed for all purposes of this Agreement to have received a payment from the Company as of the time such withholding or tax is required to be paid, which payment shall be deemed to be a distribution with respect to such Member's interest in the Company to the extent that the Member (or any successor to such Member's interest in the Company) is then entitled to receive a distribution. To the extent that the aggregate of such payments to a Member for any period exceeds the distributions to which such Member is entitled for such period, such Member shall make a prompt payment to the Company of such amount.

(c)If the Company makes a distribution in kind and such distribution is subject to withholding or other taxes payable by the Company on behalf of any Member, such Member shall make a prompt payment to the Company of the amount of such withholding or other taxes by wire transfer.

Section 6.5Restricted Distributions. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member on account of its interest in the Company if such distribution would violate Section 18-607 of the Delaware Act or other applicable law.

ARTICLE VII
ALLOCATIONS

Section 7.1Allocations to Capital Accounts. Except as provided in Section 7.2, each item of income, gain, loss or deduction (determined in accordance with U.S. tax principles as applied to the maintenance of capital accounts), with respect to any Accounting Period, including each item of income, gain, loss and deduction of the Company, shall be allocated among the Capital Accounts as of the end of such Accounting Period in a manner that as closely as possible gives effect to the provisions of Article VI and the other relevant provisions of this Agreement.

Section 7.2Tax Allocations and Other Tax Matters.

(a)Tax Allocations. Each item of income, gain, loss or deduction recognized by the Company shall be allocated among the Members for U.S. federal, state and local income tax purposes in the same manner that each such item is allocated to the Members' Capital Accounts or as otherwise provided herein, provided that the Managing Member may adjust such allocations as long as such adjusted allocations have substantial economic effect or are in accordance with the interests of the Members in the Company, in each case within the meaning of the Code and the Treasury Regulations. Tax credits and tax credit recapture shall be allocated in accordance with the Members' interests in the Company as provided in Treasury Regulations § 1.704-1(b)(4)(ii). All matters concerning allocations for U.S. federal, state and local and non-U.S. income tax purposes, including accounting procedures, not expressly provided for by the terms of this Agreement shall be determined by the Managing Member in its sole discretion.

(b)Certain Actions. Notwithstanding any other provision of this Agreement, (i) each Member shall, and shall cause each of its Affiliates and transferees to, take any action requested by the Managing Member, and the Managing Member may take any action, to ensure that the fair market value of any interest in the Company that is transferred in connection with the performance of services is treated for U.S. federal income tax purposes as being equal to the "liquidation value" (within the meaning of Prop. Treas. Reg. section 1.83-3(l)) of that interest (and that each such interest in the Company is afforded pass-through treatment for all applicable U.S. federal, state or local income tax purposes) and (ii) without limiting the generality of the foregoing, to the extent required in order to attain or ensure such treatment under any applicable law, Treasury Regulation, Revenue Procedure, Revenue Ruling, Notice or other guidance governing partnership interests transferred in connection with the performance of services, such action may include authorizing and directing the Company or the Managing Member to make any election, agreeing to any condition imposed on such Member, its Affiliates or its transferees, executing any amendment to this Agreement or other agreements, executing any new agreement, making any tax election or tax filing and agreeing not to take any contrary position.

(c)Member Notification Requirements. Each Member shall notify the Managing Member in a timely manner of its intention to (i) file a notice of inconsistent treatment under section 6222(b) of the Code, (ii) file a request for administrative adjustment of Company items, (iii) file a petition with respect to any Company item or other tax matters involving the Company or (iv) enter into a settlement agreement with the Secretary of the Treasury with respect to any Company items. Upon receipt of any such notification, the Managing Member, if it agrees with such Member's position, may in its sole discretion elect to make such filing or enter into such agreement, as applicable and practicable, on behalf of the Company. The cost of any audits or adjustments of a Member's tax return shall be borne solely by the affected Member. Each Member shall promptly upon request furnish to the Managing Member any information that the

Managing Member may reasonably request in connection with any election or contemplated election or adjustment under section 734, 743 or 754 of the Code or with filing the tax returns of the Company or its Affiliates.

ARTICLE VIII
BOOKS AND RECORDS

Section 8.1Books, Records and Financial Statements. The Company shall keep or cause to be kept full and accurate accounts of the transactions of the Company in proper books and records of account which shall set forth all information required by the Act. Such books and records shall be maintained on the basis utilized in preparing the Company's U.S. income tax returns. Such books and records shall be available for inspection and copying by the Members or their duly authorized representatives during normal business hours for any purpose reasonably related to such Member's interest in the Company, provided that the Company may maintain the confidentiality of Schedule A as it relates to other Members.

Section 8.2Filings of Returns and Other Writings; Tax Matters Partner.

(a)The Company shall timely file all Company tax returns and shall timely file all other writings required by any governmental authority having jurisdiction to require such filing. Within 180 days after the end of each taxable year (or as soon as reasonably practicable thereafter), the Company shall send to each Person that was a Member at any time during such year copies of Schedule K-1, "Partner's Share of Income, Credits, Deductions, Etc.", or any successor schedule or form with respect to such Person, together with such additional information as may be necessary for such Person to file his, her or its U.S. federal income tax returns.

(b)The Managing Member shall be the tax matters partner of the Company, within the meaning of section 6231 of the Code (the "Tax Matters Partner"). Each Member hereby consents to such designation and agrees that upon the request of the Tax Matters Partner, such Member will execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent.

(c)Promptly following the written request of the Tax Matters Partner, the Company shall, to the fullest extent permitted by law, reimburse and indemnify the Tax Matters Partner for all reasonable expenses, including reasonable legal and accounting fees, claims, liabilities, losses and damages incurred by the Tax Matters Partner in connection with any administrative or judicial proceeding with respect to the tax liability of the Members.

(d)The provisions of this Section 8.2 shall survive the termination of the Company or the termination of any Member's interest in the Company and shall remain binding on the Members for as long a period of time as is necessary to resolve with the Internal Revenue Service any and all matters regarding the U.S. federal income taxation of the Company or the Members.

ARTICLE IX
LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 9.1Liability. Except as otherwise provided by the Delaware Act, the debts, obligations and liabilities of the Company, whether arising in Contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person.

Section 9.2Exculpation. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence, willful misconduct or willful breach of this Agreement.

Section 9.3Fiduciary Duty. To the extent that, at law or in equity, a Covered Person has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any other Covered Person, a Covered Person acting under this Agreement shall not be liable to the Company or to any other Covered Person for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Covered Person.

Section 9.4Indemnification. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that no Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of such Covered Person's gross negligence, willful misconduct or willful breach of this Agreement with respect to such acts or omissions; provided, that any indemnity under this Section 9.4 shall be provided out of and to the extent of Company assets only, and no Covered Person shall have any personal liability on account thereof.

Section 9.5Expenses. To the fullest extent permitted by applicable law, expenses (including, without limitation, reasonable attorneys' fees, disbursements, fines and amounts paid in settlement) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding relating to or arising out of their performance of their duties on behalf of the

Company shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amount if it shall ultimately be determined by a court of competent jurisdiction that the Covered Person is not entitled to be indemnified as authorized in Section 9.4.

Section 9.6Severability. To the fullest extent permitted by applicable law, if any portion of this Article IX shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Covered Person as to costs, charges and expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Company, to the fullest extent permitted by any applicable portion of this Article IX that shall not have been invalidated.

ARTICLE X
TRANSFERS OF INTERESTS

Section 10.1Transfers of Interests by Members.

(a)Restrictions on Transfers by Service Members. No Service Member may Transfer any Interests (including, without limitation, to any other Service Member or by gift, by operation of law or otherwise), except as expressly provided in this Agreement.

(b)Estate Planning Transfers; Transfers upon Death of a Service Member. Subject to the prior written approval of the Managing Member (which approval may be granted or withheld and/or be subject to such terms and conditions as the Managing Member may require, in each case, in its sole discretion), the Class A Units and vested Class B Units held by Service Members may be Transferred (i) for estate-planning purposes to (A) a trust under which the distribution of such Units may be made only to beneficiaries who are such Service Member, his or her spouse, his or her parents, members of his or her immediate family or his or her lineal descendants, (B) a charitable remainder trust, the income from which will be paid to such Service Member during his or her life, (C) a corporation, the shareholders of which are only such Service Member, his or her spouse, his or her parents, members of his or her immediate family or his or her lineal descendants or (D) a partnership or limited liability company, the partners or members of which are only such Service Member, his or her spouse, his or her parents, members of his or her immediate family or his or her lineal descendants (each, an "Estate Planning Vehicle") or (ii) as a result of the laws of descent, provided, in each case, that such Estate Planning Vehicle or heirs, executors or other beneficiaries shall remain subject to the terms of this Agreement as if such Service Member continued to hold such Units directly.

(c)Transfers by the Managing Member. The Managing Member and its Affiliates may freely Transfer their respective Interests.

Section 10.2Effect of Assignment. The Company shall, from the effective date of any permitted assignment of an Interest (or part thereof), thereafter pay all further distributions on account of such Interest (or part thereof) to the assignee of such Interest (or part thereof).

Section 10.3Overriding Provisions.

(a)Any Transfer in violation of this Article X shall be null and void ab initio and the provisions of Section 10.2 shall not apply to any such Transfers. The approval of any Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance.

(b)All Transfers permitted under this Article X are subject to this Section 10.3, Section 10.4 and Section 10.5.

(c)Any proposed Transfer by a Member pursuant to the terms of this Article X shall, in addition to meeting all of the other requirements of this Agreement, satisfy the following conditions: (i) the Transfer will not be effected on or through an "established securities market" or a "secondary market or the substantial equivalent thereof," as such terms are used in Treasury Regulations § 1.7704-1, and, at the request of the Managing Member, the transferor and the transferee will have each provided the Company a certificate to such effect and (ii) the proposed Transfer will not result in the Company having more than 99 Members, within the meaning of Treasury Regulations § 1.7704-1(h)(1) (determined pursuant to the rules of Treasury Regulations § 1.7704-1(h)(3)). The Managing Member may in its sole discretion waive the condition set forth in clause (ii) of this Section 10.3(c).

(d)The Company shall promptly amend Schedule A to reflect any permitted Transfers of Interests pursuant to this Article X.

Section 10.4Involuntary Transfers. Any transfer of title or beneficial ownership of Interests upon default, foreclosure, forfeit, divorce, court order or otherwise than by a voluntary decision on the part of a Service Member (other than the Managing Member) (each, an "Involuntary Transfer") shall be void unless such Member complies with this Section 10.4 and enables the Company to exercise in full its rights hereunder. Upon any Involuntary Transfer, the Company shall have the right to purchase such Interests pursuant to this Section 10.4 and the person or entity to whom such Interests have been Transferred (the "Involuntary Transferee") shall have the obligation to sell such Interests in accordance with this Section 10.4. Upon the Involuntary Transfer of any Interest, such Service Member shall promptly (but in no event later than two business days after such Involuntary Transfer) furnish written notice to the Company indicating that the Involuntary Transfer has occurred, specifying the name of the Involuntary Transferee, giving a detailed description of the circumstances giving rise, to and stating the legal basis for, the Involuntary Transfer. Upon the receipt of the notice described in the preceding sentence and for 90 days thereafter, the Company shall have the right to purchase, and the Involuntary Transferee shall have the obligation to sell, all (but not less than all) of the Interests

acquired by the Involuntary Transferee for a purchase price equal to the lesser of (i) the Fair Market Value of such Interest and (ii) the amount of the indebtedness or other liability that gave rise to the Involuntary Transfer.

Section 10.5Substitute Members. In the event any Member Transfers its Interest in compliance with the other provisions of this Article X (other than Section 10.4), the transferee thereof shall have the right to become a substitute Member, but only upon satisfaction of the following:

(a)execution of such instruments as the Managing Member deems reasonably necessary or desirable to effect such substitution; and

(b)acceptance and agreement in writing by the transferee of the Member's Interest to be bound by all of the terms and provisions of this Agreement and assumption of all obligations under this Agreement (including breaches hereof) applicable to the transferor.

Section 10.6Release of Liability. In the event any Member shall sell such Member's entire interest in the Company (other than in connection with an Exit Event) in compliance with the provisions of this Agreement, including, without limitation, pursuant to the last sentence of Section 10.4, without retaining any interest therein, directly or indirectly, then the selling Member shall, to the fullest extent permitted by law, be relieved of any further liability arising hereunder for events occurring from and after the date of such Transfer; provided, however, that no such Transfer shall relieve any Service Member of his or her obligations pursuant to Section 3.6 and such obligations shall survive any termination of such Service Member's membership in the Company as set forth in Section 3.6.

Section 10.7Tag-Along and Drag-Along Rights.

(a)Tag-Along Rights. In the event that at any time Access proposes to Transfer shares of WMG Common Stock to a Third Party (other than, following an Initial Public Offering, shares sold pursuant to Rule 144 promulgated under the Securities Act or any successor provision) or to WMG, then at least 15 days prior to effecting such Transfer, Access shall give each Service Member written notice of such proposed Transfer. Each Service Member shall then have the right (the "Tag-Along Right"), exercisable by written notice to the Managing Member prior to the proposed date of Transfer, to participate pro rata in such sale, by causing the Company to sell the Service Member's pro rata portion of the shares of WMG Common Stock owned by the Company (which for any vested Class B Unit shall be a fraction of the WMG Fractional Share underlying such Class B Unit with the then Fair Market Value equal to the excess of the Fair Market Value of a WMG Fractional Share over such Class B Unit's Benchmark Amount) on substantially the same terms (including with respect to representations, warranties and indemnification) as Access; provided that the form of consideration to be received by Access in connection with the proposed sale may be different from that received by the Service Members so long as the value of the consideration to be received by Access is the

same or less than what they would have received had they received the same form of consideration as the Service Members (as reasonably determined by the Managing Member in good faith). In the event Access sells less than 100% of its shares of WMG Common Stock, and any Service Member exercises his or her Tag-Along Rights, participation "pro rata in such sale" shall be based on the relative number of Class A Units held by such Service Member, unless the Managing Member deems the provisions of Section 10.7(c)(iv) operative. No Service Member shall have any Tag-Along Rights in respect of unvested Class B Units.

(b)Drag-Along Rights. In the event that at any time Access desires to effect an Exit Event (including a sale of all or a portion of the Interests), the Managing Member shall have the right (the "Drag-Along Right"), upon written notice to the Service Members, to require that each Service Member join pro rata in such sale, by causing the Company to sell all or a portion of each Service Member's shares of WMG Common Stock owned by the Company (which for any vested Class B Unit shall be a fraction of the WMG Fractional Share underlying such Class B Unit with the then Fair Market Value equal to the excess of the Fair Market Value of a WMG Fractional Share over such Class B Unit's Benchmark Amount) or, if applicable, each Service Member's Interests pursuant to Section 10.7(c)(iv), on substantially the same terms (including with respect to representations, warranties and indemnification) as Access; provided that the form of consideration to be received by Access in connection with the proposed sale may be different from that received by the Service Members so long as the value of the consideration to be received by Access is the same or less than what they would have received had they received the same form of consideration as the Service Members (as reasonably determined by the Managing Member in good faith). No Service Member shall have a right to sell, or a right to any sale proceeds from, any unvested Class B Units or shares of WMG Common Stock underlying unvested Class B Units in an Exit Event.

(c)General Provisions.

(i)Each Service Member participating in a sale pursuant to this Section 10.7 shall agree to make customary representations and shall agree to customary covenants, indemnities and agreements, so long as they are made severally and not jointly among Access and the other sellers. To the extent that the Company incurs any liability or loss as a result of the representations, warranties, covenants, indemnities and agreements that the Company or the sellers are required to agree to in connection with a sale pursuant to this Section 10.7, the proceeds to which a participating Service Member is entitled shall be reduced (but not below zero), pro rata with Access and the other sellers, by the amount of such liability or loss in proportion to the number of shares of WMG Common Stock that the Company is selling or has sold on behalf of such Service Member (or the Interests that such Service Member is selling or has sold in such sale). Each participating Service Member shall also represent to the Company at the time of any sale pursuant to this Section 10.7 that such Service Member has unencumbered title to its Units and the power, authority and legal right to direct the Company to Transfer the WMG Fractional Shares underlying such Units, provided that the aggregate amount of liability for breach

of any such representation shall not, together with any reduction in proceeds pursuant to the prior sentence, exceed the value of the net proceeds to be paid to such Service Member as a result of such sale.

(ii)In no event shall any Service Member be obligated to agree to any non-competition covenant, employee non-solicit covenant or other similar agreement restricting the Service Member as a condition to participating in a transaction pursuant to this Section 10.7.

(iii)The Company and/or each Service Member participating in a sale of shares of WMG Common Stock pursuant to this Section 10.7 shall, as applicable, bear its, his or her pro rata share of any transaction costs and expenses, including transfer taxes and legal, accounting and investment banking fees incurred by the Company and Access in connection with such sale; provided that neither the Company nor any Service Member shall be obligated to make any out-of-pocket expenditure in respect of such costs, fees or expenses prior to the consummation of a transaction consummated pursuant to this Section 10.7.

(iv)In the event that, in the Managing Member's sole discretion, a sale pursuant to this Section 10.7 is structured as a sale of Interests by the Members, rather than a distribution of proceeds by the Company, the purchase agreement governing such sale of Interests will have provisions therein which replicate, to the greatest extent possible, the economic result which would have been attained under this Article X had such a sale been structured as a distribution of proceeds.

ARTICLE XI
REDEMPTIONS AND FORFEITURES

Section 11.1Company Option to Redeem Class A Units and Vested Class B Units.

(a)Generally. Upon the termination of employment of a Service Member (such Service Member, together with a person to whom such Service Member made a Transfer, an "Affected Member") with WMG and its Affiliates for any reason, the Company will have the option (but not the obligation) to redeem all or a portion of an Affected Member's Class A Units and vested Class B Units, except as otherwise determined by the Managing Member. The effective date of any redemption pursuant to this Section 11.1 (a "Termination Redemption Date") will be on a date, as the Managing Member determines in its sole discretion. In order to exercise the Company's option, the Managing Member must deliver Notice to the Affected Member during the 90-day period following the Affected Member's termination of employment. Any such redemption will be done in accordance with the provisions of this Section 11.1. For purposes of this Agreement, any determinations with respect to an Affected Member's termination of employment (including the date thereof) shall be made by the Managing Member (or the Committee or WMG).

(b)Class A Redemption Price. The price for the redemption of a Class A Unit of an Affected Member pursuant to this Section 11.1 shall be:

(i)except in the case of a termination of employment for Cause, equal to the Fair Market Value of one WMG Fractional Share on the applicable Termination Redemption Date; and

(ii)in the case of a termination of employment for Cause, equal to the lesser of (A) the Affected Member's Capital Contributions in respect of such Class A Unit and (B) the Fair Market Value of one WMG Fractional Share on the applicable Termination Redemption Date.

(c)Class B Redemption Price. The price for the redemption of a vested Class B Unit of an Affected Member pursuant to this Section 11.1 following an Affected Member's termination of employment without Cause, for Good Reason or by reason of death or Disability shall be the Class B Redemption Payment, determined as of the applicable Termination Redemption Date.

Section 11.2Forfeiture of Class B Units.

(a)Unvested Class B Units.

(i)Forfeiture upon Any Termination of Employment. Immediately upon the termination of employment of any Affected Member with WMG and its Affiliates for any reason, all unvested Class B Units of such Affected Member will be forfeited to the Company without any payment by the Company to such Affected Member in respect thereof.

(ii)Forfeiture upon Change in Control. Except as otherwise determined by the Managing Member or provided in Section 3.2(d)(ii), immediately prior to a Change of Control, each outstanding unvested Class B Unit shall be immediately forfeited, without any payment to the Service Members.

(b)Forfeiture of Vested Class B Units on Certain Terminations of Employment. Immediately upon the termination of employment of any Affected Member whose employment is terminated by WMG or any of its Affiliates for Cause or by such Affected Member for any reason (other than death, Disability or Good Reason or as otherwise determined by the Managing Member), all vested Class B Units of such Affected Member then outstanding will be forfeited to the Company without any payment by the Company to such Affected Member in respect thereof.

(c)Failure to Make 83(b) Election. Notwithstanding anything to the contrary herein, unless otherwise determined by the Managing Member, in its sole discretion, a Service Member shall forfeit all of his or her Class B Units (without any payment to the Service Member in respect thereof) if the Service Member shall fail to file a Section 83(b) election form in respect of

the full amount of the Service Member's Class B Units, as of the grant date, with the Internal Revenue Service and submit a copy thereof to the Company prior to the 30th day after the grant date of such Class B Units.

(d)Failure to Make 431 Election. Notwithstanding anything to the contrary herein, unless otherwise determined by the Managing Member, in its sole discretion, a Service Member who is a UK resident for the tax year in which he or she is granted Class B Units shall forfeit all of his or her Class B Units (without any payment to the Service Member in respect thereof) if the Service Member shall fail to enter into an election under section 431(1) of the Income Tax (Earnings and Pensions) Act 2003 in respect of the full amount of the Service Member's Class B Units prior to the 14th day after the grant date of such Class B Units.

(e)Consequences of Forfeiture. Subject to Section 3.2(d)(iv), upon the forfeiture of Class B Units, whether vested or unvested, on the termination of employment of a Service Member, such forfeited Class B Units shall be Transferred to the Managing Member.

Section 11.3Option of Service Members to Redeem Units.

(a)Scheduled Redemption Dates. Except for Class B Units redeemed pursuant to Section 11.1 or forfeited pursuant to Section 11.2 or as otherwise determined by the Managing Member at the time Class B Units are granted, each Service Member shall be entitled to redeem the Service Member's vested Class B Units, without payment by the Service Member, in three equal installments on the Redemption Dates applicable to an equal number of the Service Member's Deferred Equity Units, upon written notice to the Company no later than December 1st of the year in which such Redemption Date is scheduled to occur, for a Class B Redemption Payment; provided that, except as otherwise determined by the Managing Member, no Class B Unit may be redeemed pursuant to this Section 11.3(a) prior to the Redemption Date in the second succeeding calendar year after such Class B Unit becomes vested. A Service Member may specify that a Class B Redemption Payment be made with respect to any (or no) portion of such Service Member's Class B Units eligible for redemption on a Redemption Date (any such Class B Units eligible for redemption but not redeemed, a "Retained Class B Unit").

(b)Annual Right to Redemption.

(i)Class A Units. Subject to Section 11.4, each Service Member shall have an annual right to redeem his or her Class A Units as provided in Section 7.3 of the Plan.

(ii)Class B Units. Subject to Section 11.4, on each one-year anniversary of the first Redemption Date on which a Class B Unit is redeemable pursuant to Section 11.3(a), each Service Member shall be entitled to the redemption, upon written notice to the Company no later than December 1st of the year in which such anniversary date occurs, of all or any portion of such Service Member's Retained Class B Units for a Class B Redemption Payment. Notwithstanding the foregoing, a Participant's right to redeem

Class B Units pursuant to this Section 11.3(b)(ii) shall be limited to the maximum number of Class B Units that would have been redeemable from the Service Member if the Service Member were then employed by WMG or any of its Affiliates.

Section 11.4Mandatory Redemption. In December of the Eighth Plan Year applicable to a Service Member's Unit Allocation, (i) the Company shall redeem from such Service Member (other than an Affected Member whose Units are subject to Section 11.1 and Section 11.2) (x) each Class A Unit then outstanding for a cash payment equal to the then current Fair Market Value of one Fractional Company Share and (y) each Class B Unit then vested and outstanding that relates to such Unit Allocation for its Class B Redemption Payment and (ii) each unvested Class B Unit that relates to such Unit Allocation shall be forfeited, without any payment to its holder in respect thereof, and such forfeited Class B Units shall be Transferred to the Managing Member.

Section 11.5Redemption Mechanics.

(a)Class A Units. The redemption of any Class A Unit held by a Service Member (including an Affected Member) shall be effected (at the option of the Managing Member) by (x) the Managing Member contributing cash to the Company to fund the redemption of such Class A Unit, the Managing Member receiving one Class A Unit in exchange for such cash contribution and the Company distributing such cash to such Service Member in redemption of such Class A Unit or (y) subject to Section 11.5(c), the Company distributing one WMG Fractional Share to such Service Member in redemption of such Class A Unit and WMG redeeming from such Service Member, and such Service Member selling to WMG, such WMG Fractional Share in exchange for cash, provided that, if permitted by Section 11.5(c), such redemption shall be effected in accordance with clause (y) of this Section 11.5(a) if the redemption price is determined pursuant to Section 11.1(b)(ii)(A).

(b)Class B Units. The redemption of any Class B Unit held by a Service Member (including an Affected Member) shall be effected (at the option of the Managing Member) by (x) the Managing Member contributing cash to the Company in an amount equal to the Class B Redemption Payment for such Class B Unit and the Company distributing such cash to such Service Member in redemption of such Class B Unit or (y) subject to Section 11.5(c), the Company distributing a fractional share of WMG Common Stock with a Fair Market Value equal to the Class B Redemption Payment of such Class B Unit in redemption of such Class B Unit and WMG redeeming from such Service Member, and such Service Member selling to WMG, such fractional share of WMG Common Stock in exchange for cash in an amount equal to such Class B Redemption Payment. Upon the redemption of a Class B Unit the number of Class A Units held by the Managing Member that are reclassified as Class C Units shall be reduced in accordance with Section 3.2(e). In addition, upon the redemption of one or more Class B Units pursuant to clause (y) of this Section 11.5(b), the number of Class A Units held by the Managing Member shall be reduced by a number of Class A Units that then have a Fair Market Value equal to the aggregate Class B Redemption Payment of such redeemed Class B Units.

(c)Limitation on WMG Redemptions of WMG Fractional Shares. If a redemption of WMG Fractional Shares by WMG pursuant to this Article XI (or the payment of a dividend by a subsidiary of WMG to fund such a redemption) would result in a violation of the terms or provisions of, or a default or an event of default under, any guaranty, financing or security agreement or document entered into by WMG or any of its subsidiaries from time to time or WMG's certificate of incorporation or if WMG has no funds legally available to make such redemption in compliance with Delaware law, then WMG shall not be obligated to redeem such Fractional Company Shares and instead the Company shall redeem the applicable Class A Units or Class B Units for cash.

(d)Closing of Redemption. The closing of any redemption of Class A Units, Class B Units or WMG Fractional Shares pursuant to this Article XI will be held at the offices of the Company on a date specified by the Managing Member. Prior to any such closing, the Member shall execute and deliver to the Company or WMG, as applicable, such documents as the Company or WMG, as applicable, shall deem necessary to effect any redemptions pursuant to this Article XI.

Section 11.6Limitation on Distributions. Notwithstanding anything to the contrary in this Agreement, a Service Member's distribution rights with respect to Units redeemed pursuant to this Article XI (including pursuant to the Plan) are limited to the provisions of this Article XI (and the Plan) and following the redemption or forfeiture of a Service Member's Units, such Service Member will have no additional rights to distributions with respect to such Units pursuant to the other provisions of this Agreement.

Section 11.7Effect on Status. Any Service Member whose entire Interest is redeemed or forfeited will not, after such redemption or forfeiture, have any of the rights of a Member nor be considered a Member for any other purpose.

Section 11.8431 Election for Class A Units. A Service Member who is a UK resident for the tax year in which he or she acquires Class A Units shall enter into an election under section 431(1) of the Income Tax (Earnings and Pensions) Act 2003 in respect of the full amount of the Service Member's Class A Units prior to the 14th day after the acquisition date of such Class A Units. Notwithstanding anything to the contrary herein, if the Service Member shall fail to enter into such election within such time, the Company will have the option (but not the obligation) to redeem all or a portion of the Service Member's Class A Units for an amount equal to the lesser of (A) the Service Member's Capital Contributions in respect of such Class A Unit and (B) the Fair Market Value of one WMG Fractional Share on the redemption date of such Class A Unit.

ARTICLE XII

Section 12.1Dissolving Events. The Company shall be dissolved and its affairs wound up in the manner hereinafter provided upon the first to occur of the following: (a) the written consent of the Managing Member, (b) the sale or other disposition of all or substantially all of the Company's assets or (c) any other event which is specified in the Certificate or under applicable law as an event causing the dissolution of the Company of any event which under applicable law would cause the dissolution of the Company.

Notwithstanding the foregoing, the death, retirement, resignation, expulsion, bankruptcy or dissolution of any Member or the occurrence of any other event that terminates the continued membership of any Member in the Company under the Delaware Act shall not, in and of itself, cause the dissolution of the Company. In such event, the remaining Member(s) shall continue the business of the Company without dissolution.

Section 12.2Dissolution and Winding-Up. Upon the dissolution of the Company, the assets of the Company shall be liquidated or distributed under the direction of and to the extent determined by the Managing Member and the business of the Company shall be wound up. Within a reasonable time after the effective date of dissolution of the Company, the Company's assets shall be distributed in the following manner and order:

First, to creditors in satisfaction of indebtedness (other than any loans or advances that may have been made by any of the Members to the Company), whether by payment or the making of reasonable provision for payment, and the expenses of liquidation, whether by payment or the making of reasonable provision for payment, including the establishment of reasonable reserves (which may be funded by a liquidating trust) determined by the Managing Member or the liquidating trustee, as the case may be, to be reasonably necessary for the payment of the Company's expenses, liabilities and other obligations (whether fixed, conditional, unmatured or contingent);

Second, to the payment of loans or advances that may have been made by any of the Members to the Company; and

Third, to the Members in accordance with Section 6.1, taking into account any amounts previously distributed under Section 6.1,

provided that no payment or distribution in any of the foregoing categories shall be made until all payments in each prior category shall have been made in full, and provided, further, that if the payments due to be made in any of the foregoing categories exceed the remaining assets available for such purpose, such payments shall be made to the Persons entitled to receive the same pro rata in accordance with the respective amounts due to them.

Section 12.3Distributions in Cash or in Kind. Upon the dissolution of the Company, the Managing Member shall use all commercially reasonable efforts to liquidate all of the Company's assets in an orderly manner and apply the proceeds of such liquidation as set forth in Section 12.2, provided that if in the good faith judgment of the Managing Member, a Company asset should not be liquidated, the Managing Member shall cause the Company to allocate, on the basis of the then current Fair Market Value of any Company assets not sold or otherwise disposed of, any unrealized gain or loss based on such value to the Members' Capital Accounts as though the assets in question had been sold on the date of distribution and, after giving effect to any such adjustment, distribute such assets in accordance with Section 12.2 as if such Fair Market Value had been received in cash, subject to the priorities set forth in Section 12.2, and provided, further, that the Managing Member shall in good faith attempt to liquidate sufficient Company assets to satisfy in cash (or make reasonable provision for) the debts and liabilities referred to in Section 12.2.

Section 12.4Termination. The Company shall terminate when the winding up of the Company's affairs has been completed, all of the assets of the Company have been distributed and the Certificate has been canceled, all in accordance with the Delaware Act.

Section 12.5Claims of the Members. The Members and former Members shall look solely to the Company's assets for the return of their Capital Contributions, and if the assets of the Company remaining after payment of or due provision for all debts, liabilities and obligations of the Company are insufficient to return such Capital Contributions, the Members and former Members shall have no recourse against the Company or any other Member.

ARTICLE 1

Premises, Term, Purposes and Rent

Section 1.01 (a) Landlord does hereby lease to Tenant, and Tenant does hereby hire from Landlord, subject to any ground and/or underlying leases and/or mortgages as herein provided in Article 27, and upon and subject to the covenants, agreements, terms, provisions and conditions of this Lease, for the term herein stated, the entire rentable area of the 4th, 7th, 8th, 9th, 10th and 11th floors as shown on the rental plans annexed hereto as Exhibit A in the building known as and located at 1633 Broadway, New York, New York ("**Building**"). Said leased premises, together with all Appurtenances, as herein defined, (except Tenant's Property, herein defined) are herein called the "**Premises**". The plot of land on which the Building is located is herein called the "**Land**" and is more fully described in the legal description attached hereto as Exhibit B.

(b) Tenant shall have, as appurtenant to the Premises, the non-exclusive right to use in common with others, subject to the Building rules and regulations (as referred to in Section 5.01(b) hereof) and the other applicable provisions of this Lease (including, without limitation, Section 6.01 hereof): (i) the public areas of the Building that are constructed or provided for use in common by Landlord, Tenant and other tenants of the Building (except any roof areas, terraces and or mechanical rooms of the Building unless specifically provided for in this Lease), including without limitation, the common lobbies, corridors, elevators and loading docks of the Building for their intended purposes; and (ii) if the Premises includes less than the entire rentable area of any floor, the core restrooms, corridors and elevator lobby of such floor for their intended uses.

(c) During the Term (as hereinafter defined in Section 1.02(a)) and to the extent permitted by applicable law and regulation and insurance requirements, Tenant shall have the non-exclusive right to use, subject to all other provisions of this Lease, the fire stairs (the "**Fire Stairs")** connecting the floors within the 7th through 11th floor portion of the Premises and within any other contiguous full floor portions of the Premises for normal business travel between such floors. Tenant shall, at its sole expense, install a security system with card-key access on the Fire Stairs doors so used by Tenant and shall connect all such Fire Stairs doors to the Building's security and Class E fire system. Tenant may not use any Fire Stairs doors to travel between floors unless same are equipped with such security system with card-key access. All such connections to the Building's security and Class E fire system shall be performed in a manner reasonably approved by Landlord (which shall include use of Landlord's reasonably approved contractor for the installation of all security related work) and reimburse Landlord for any upgrades which may be required to the Building's security system as a result of such tie-in. Tenant shall also reimburse Landlord for its actual, out of pocket cost to clean the Fire Stairs so used by Tenant, but only to the extent such costs are increased by such use as well as for any additional repairs and maintenance expenses incurred by Landlord as a result of Tenant's use of such Fire Stairs. Tenant may, subject to Landlord's reasonable approval as part of Tenant's Work and in compliance with applicable Requirements (as hereinafter defined in Section 9.03), upgrade the finishes and lighting in the Fire Stairs. All of Tenant's obligations under this Lease with respect to indemnification, insurance and compliance with legal requirements shall apply to Tenant's installations in and use of the Fire Stairs and in addition, Tenant shall comply with Landlord's reasonable requirements with respect to such use and shall reimburse Landlord for any actual, out of pocket costs incurred by Landlord resulting from such use. All of Tenant's Work under this Section 1.01(c) shall be performed in accordance with the provisions pertaining to Tenant's Changes (as hereinafter defined in Section 5.01(e)(i)). If Tenant defaults in any of its obligations under this Section 1.01(c) including without limitation, its use of the fire stairs in accordance with all other provisions of this Lease, Landlord may send Tenant notice of such default and if such default is not cured within ten (10) business days (or two (2) business days if such default constitutes a safety issue, or two (2) business days, or such longer period of time as is reasonably necessary to cure any

code violation default) after Tenant's receipt of same, Landlord shall have the right to terminate Tenant's right to use the Fire Stairs under this Section 1.01(c). Tenant may be required to remove all of the installations made pursuant to this Section 1.01(c) in accordance with Section 4.01 of this Lease. Unless caused by their negligence or willful misconduct, neither Landlord nor any of its agents or employees shall have any liability for any injury or damage to persons or property, or interruption of Tenant's business as a result of, or in connection with the use of the fire stairs, including any such injury or damage or interruption of Tenant's business caused by other tenants or persons in the Building using the fire stairs or entering the Premises from the fire stairs.

(d) (i) Landlord represents to Tenant that the Certificate of Occupancy for the Building allows for the use of eight hundred and eighty (880) square feet of usable space on the 7th floor terrace of the Building as shown hatched on Exhibit P annexed hereto (such 880 square foot space (as the same may be expanded as provided below), herein, the **"7th Floor Terrace")** for outdoor seating and such other uses as are more particularly described herein. Landlord will cooperate at no cost to Landlord with Tenant in pursuing and obtaining required NYC permits if Tenant wishes to expand the area of the 7th Floor Terrace in a manner and size reasonably approved by Landlord, provided however, such expansion of the 7th Floor Terrace shall not materially interfere or delay the performance of the Landlord Terrace Work (as hereinafter defined in this Section). Landlord shall be responsible, at its sole expense except as hereinafter provided, to (a) create two (2) entrances/exits onto the 7th Floor Terrace (which shall include all modifications required to the perimeter induction units and the cost of all such entrance/exit work shall be shared equally between Landlord and Tenant and Tenant shall reimburse Landlord for fifty percent (50%) of such costs within thirty (30) days after demand, together with reasonable supporting documentation) and this work shall be completed by Landlord within four (4) months after Landlord's receipt of agreed upon entrance/exit locations, (b) provide appropriate screening (such screening shall have acoustical properties so as to limit the sound generated by the cooling tower only if required to meet the NC-40 Noise Standard inside the offices nearest the cooling tower and such screening will be finished in a fashion reasonably acceptable to both Landlord and Tenant, provided Tenant shall not delay Landlord in finalizing this work) on the south side and the east side of the cooling tower at a height mutually agreed upon between the parties (but in no event, less than ten (10) feet) to reasonably conceal any mechanical equipment or unusable portions of

the roof space, (c) lift and repair pavers, if needed, and create and install barriers (using planters or railings or combinations thereof) as needed between the usable and non-usable space, (d) provide a hose bib for watering plants on the 7th Floor Terrace, and (e) make the original 880 square feet of the 7th Floor Terrace code-compliant as of the date of the completion the Landlord Terrace Work (the "**Landlord Terrace Work**"). The Landlord Terrace Work shall only be performed with respect to the original 880 square foot space comprising the 7th Floor Terrace. Landlord represents that as of the Term Commencement Date, the roof on which the 7th Floor Terrace is located shall be waterproof. Landlord shall repair and maintain such roof in accordance with Section 10.02 hereof (subject to Tenant's obligation to pay for the cost of such repair and maintenance pursuant to Section 5.01(a) hereof) and Landlord shall indemnify Tenant against any and all damages resulting from defects in such roof existing as of the Term Commencement Date to the fullest extent provided for in Section 5.02(c) hereof. Except for Landlord's obligation to repair and maintain the roof as set forth above, Tenant shall be responsible, at its sole expense, to maintain and repair all items of Landlord's Terrace Work and any other items or property on the 7th Floor Terrace. Landlord shall complete the Landlord Terrace Work in coordination and conjunction with Tenant's Work but prior to the substantial completion of Tenant's Work. Landlord agrees to use diligent good faith and commercially reasonable efforts to expeditiously complete Landlord's Terrace Work prior to the substantial completion of Tenant's Work. Subject to Landlord's reasonable approval, Tenant shall have the right to make alterations (as part of Tenant's Changes) to the 7th Floor Terrace desired by Tenant, including without limitation, the addition of outdoor lighting and any other work to make the area and the use of the 7th Floor Terrace beyond the original 880 square feet code compliant, provided such work may not materially interfere with Landlord's Terrace Work, which shall have priority. Landlord and Tenant shall use reasonable efforts to coordinate the Landlord Terrace Work and Tenant's Work on the 7th Floor Terrace so as to avoid material interference and/or delay with each other's work on the 7th Floor Terrace. Subject to the provisions of this Lease (including without limitation Article 3 hereof and Tenant acknowledges and agrees that it must exercise reasonable care in Tenant's use of the 7th Floor Terrace not to interfere or disturb the operation of the theatre immediately below the 7th Floor Terrace) and throughout the Term, Tenant shall have the right to use (subject to casualty, condemnation or repairs, maintenance or other work required to the Building) the 7th Floor Terrace, including the fire stair on the southwest corner of the Building only if the original 880 square feet of the 7th Floor Terrace is expanded (and Tenant shall be responsible to do any work

on such fire stair in order to make the use of same code compliant), so long as that portion of the 7th floor of the Building adjoining the 7th Floor Terrace area is part of the Premises, for purposes subject to Landlord's reasonable approval, provided however, all of Tenant's obligations under this Lease with respect to indemnification, insurance and compliance with legal requirements (including, without limitation, obtaining all required permits) shall apply to Tenant's installations in and use of the 7th Floor Terrace and in addition, Tenant shall comply with Landlord's reasonable requirements with respect to such use, including without limitation, the 7th Floor Terrace Rules and Regulations attached hereto as Exhibit Q (and Landlord may adopt or amend these rules and regulations in the same fashion with respect to Building rules and regulations set forth in Section 5.01(b) hereof).

(ii) Subject to the provisions of this Lease (including without limitation, Article 3 hereof) and throughout the Term, Tenant shall also have: (y) the exclusive right to use, so long as that portion of the 7th floor of the Building adjoining the 7th Floor Terrace is part of the Premises, the wall on the 7th floor setback facing the 7th Floor Terrace as the same exists from time to time for display purposes only in connection with the WMG Primary Business (as hereinafter defined in Section 5.02(f)) subject to the reasonable approval of Landlord (including, without limitation, reasonable approval of any content on such wall). All such displays on such wall shall be professionally rendered (e.g., no spray painting allowed) and shall not contain pornographic, or obscene material or imagery or any other content not reasonably approved by Landlord; and (z) the non-exclusive right to use the portion of the plaza area in front of the Building (the "**Building Plaza Area**") as same exists from time to time at such times and in such locations as Landlord shall reasonably determine (maximum of eight (8) events per calendar year) for events, concerts, album release parties and other promotional events, provided however, all of Tenant's obligations under this Lease with respect to indemnification, insurance and compliance with legal requirements (including, without limitation, obtaining all required permits) shall apply to Tenant's use of items (y) and (z) and in addition, Tenant shall comply with Landlord's reasonable requirements with respect to such use and shall reimburse Landlord for any actual, out of pocket incremental or additional costs incurred by Landlord resulting from such use. Notwithstanding anything contained herein to the contrary, no signage rights described in clause (y) above may be separately assigned, sold or otherwise transferred by Tenant.

(iii) If Tenant defaults in any of its obligations under this Section 1.01(d), including, without limitation, its use of the 7th Floor Terrace, the wall on the 7th floor setback facing the 7th Floor Terrace or and the Building Plaza Area, Landlord may send Tenant notice of such default and if such default is not cured within ten (10) business days (or two (2) business days if such default constitutes a safety issue, or two (2) business days, or such longer period of time as is reasonably necessary to cure any code violation default) after Tenant's receipt of such notice, Landlord shall have the right to terminate Tenant's right to use the 7th Floor Terrace, the wall on the 7th floor setback or the Building Plaza Area, as the case may be.

Section 1.02 (a) The term of this Lease (the "**Term**") shall commence on the date Landlord delivers possession of the entire Premises to Tenant in the Delivery Condition (as hereinafter defined) (subject to Section 2.02 hereof) ("**Term Commencement Date**"), which in no event shall occur prior to January 1, 2014 and shall end on July 31, 2029 ("**Expiration Date**") or on such earlier date upon which said term may expire or be terminated as herein provided or pursuant to law. Landlord shall use commercially reasonable efforts to deliver possession of the Premises to Tenant in the Delivery Condition on January 1, 2014. Landlord shall respond to Tenant's inquiries regarding the anticipated Term Commencement Date within three (3) business days after request. Landlord shall give Tenant twenty (20) days prior notice of the anticipated Term Commencement Date. Not less than fifteen (15) days prior to anticipated Term Commencement Date, each of Landlord and Tenant shall arrange to have its respective architects walk through the Premises (the "**Walkthrough**") for the purpose of producing a list of punchlist work ("**Landlord's Punchlist Work**"). Landlord shall proceed to complete or repair all items shown on the list of the Landlord's Punchlist Work as agreed to between Landlord and Tenant within thirty (30) days after the Term Commencement Date, the completion of which shall be confirmed in writing by Tenant's architect, acting in good faith.

(b) Upon reasonable prior written notice to Landlord, Tenant shall have access to the Premises prior to the Term Commencement Date for the following purposes: layout, surveys, sketching, delivery of materials, construction of on-site mock-ups and other customary pre-construction activities ("**Tenant's Pre-Term Commencement Date Work**"). Such access shall be subject to: (i) all applicable terms and conditions of this Lease except those pertaining to the payment of rent; and (ii) Tenant not interfering with the performance of any of Landlord's work within the Premises necessary to deliver the Premises to Tenant in Delivery Condition, which shall have priority over Tenant's Pre-Term Commencement Date Work.

Section 1.03 (a) The Premises shall be used for the following, but no other purpose, namely: executive, administrative and general offices (and customary ancillary uses associated therewith, provided the same do not otherwise violate the Certificate of Occupancy for the Building or the remaining terms and conditions of this Lease).

(b) In connection with and incidental to the use of the Premises for offices as provided in Section 1.03(a), Tenant may, subject to the provisions of this Lease and so long as such uses are permitted by applicable Requirements and the Building's Certificate of Occupancy, use portions of the Premises for the following ancillary purposes: a kitchen,/cafeteria, board room, pantries, unisex toilet rooms, private bathrooms events areas, audio/video studios, recording studios, storage room, shipping/mailroom, computer/data processing room, copy room, training facility and other ancillary uses which are customarily found in corporate headquarters office space in Comparable Buildings (as hereinafter defined in Section 10.02).

Section 1.06 The parties hereby agree that for all purposes of this Lease, the rentable area of the floors of the Premises shall be as set forth on Exhibit C. Neither party shall make any claim for either an increase or decrease in Fixed Rent or additional rent based on the rentable area of the Premises or any portion thereof being other than as set forth in the preceding sentence unless Landlord shall use more than a *de minimus* portion of the Premises for Building requirements to the extent permitted under Section 6.01 hereof.

Section 1.07 In the event that the Term or Rent Commencement Date or Expiration Date is not a date certain, then either party agrees to execute promptly after request from the other, an agreement setting forth such dates, provided however, that either party's failure to execute said agreement shall in no way affect such dates.

Section 1.08 If any of the Fixed Rent or additional rent payable under this Lease shall be or become uncollectible, reduced or required to be refunded because of any legal requirements, Tenant shall enter into such agreement(s) and take such other legally permissible steps as Landlord may reasonably request to permit Landlord to collect the maximum rents which from time to time during the continuance of such legal requirements may

be legally permissible and not in excess of the amounts reserved therefor under this Lease. Upon the termination of such legal requirements; (a) the rents hereunder shall be payable in the amounts reserved herein for the periods following such termination; and (b) Tenant shall pay to Landlord, to the maximum extent legally permissible, an amount equal to, (i) the rents which would have been paid pursuant to this Lease but for such legal requirements less (ii) the rents paid by Tenant during the period such legal requirements were in effect.

Section 1.09 Intentionally deleted.

Section 1.10 (a) Provided that Tenant is not then in default ("**Section 1.10 Default**") beyond the expiration of any applicable notice and cure periods of any of the terms, conditions, covenants or agreements of this Lease on its part to be performed, the Fixed Rent shall be abated through July 31, 2014 with respect to floors 4, 7, 8 and 9 (the "**Block 1 Rent Abatement Period**")**.** August 1, 2014 shall be the Rent Commencement Date for floors 4, 7, 8 and 9. Provided that a Section 1.10 Default does not then exist, the Fixed Rent shall be abated through December 31, 2016 with respect to floors 10 and 11 (the "**Block 2 Rent Abatement Period**" and with the Block 1 Rent Abatement Period, the "**Rent Abatement Period**"))**.** January 1, 2017 shall be the Rent Commencement Date for floors 10 and 11. If Tenant cures a Section 1.10 Default (if any), Tenant shall receive the full abatement of Fixed Rent provided for herein.

(b) In the event Landlord fails to deliver possession of the Premises to Tenant in the Delivery Condition on or before January 2, 2014 (such date shall be extended day for day for each day beyond October 1, 2013 that this Lease is not unconditionally and fully executed and delivered between the parties and such extended date herein referred to as the, "Extended Date"), unless such failure is due to any of the causes set forth in Article 21 hereof or the acts or omissions (where this Lease or applicable law imposes a duty to act), or negligence of Tenant or its agents or employees, then Tenant, as its sole and exclusive remedy, shall have the right to receive: (i) for the first thirty (30) days following the Extended Date, one (1) additional day of Fixed Rent abatement for each day that delivery of the Premises has been delayed beyond the Extended Date; (ii) between the 31st day and the 90th day following the Extended Date, one and one-half (1.5) additional days Fixed Rent abatement for each day that Delivery of the Premises has been delayed beyond the Extended Date; and (iii) from and after the 90th day following the Extended Date, two (2) additional days of Fixed Rent abatement for each day that delivery of the Premises has been delayed beyond the Extended Date.

(c) The Premises shall be delivered to Tenant vacant, with all rubbish and debris removed and free of tenancies and occupancies (and any claim with respect thereto). Landlord represents to Tenant that, as of the date of this Lease, Landlord knows of no asbestos (including vermiculite) or other Hazardous Materials existing in the Premises or Shaft Space (as hereinafter defined in Article 35) and if any such asbestos (including vermiculite) or other Hazardous Materials (defined as such as of the date of this Lease) shall exist in the Premises or the Shaft Space, (other than any asbestos (including vermiculite) or other Hazardous Materials installed by, or at the request of Tenant, Landlord shall, in a commercially reasonable expeditious fashion and as Landlord's sole obligation and liability and at Landlord's sole cost and expense, (i) remove such Hazardous

Section 2.02 Landlord and Tenant agree that any failure to deliver the Premises to Tenant in the Delivery Condition and have the Premises available to Tenant for its occupancy on a date certain shall in no way affect the validity of this Lease or the obligations of Tenant hereunder nor shall the same be construed in any wise to extend the Term or impose any liability on Landlord, except as may otherwise be expressly provided for in Section 1.10(b) hereof. The provisions of this Section 2.02 are intended to constitute "an express provision to the contrary" within the meaning of Section 223-a of the New York Real Property Law and any other similar law hereafter in force.

Section 2.03 For purposes of this Lease, the term "**Hazardous Materials**" shall include any substance or material defined as a hazardous or toxic substance in Environmental Law. For purposes of this Lease, the term "**Environmental Law**" means any law or requirement pertaining to the environment, environmental conditions and/or any Hazardous Substance, including, without limitation, the Comprehensive Environmental Petroleum and Response Compensation and Liability Act, 42 U.S.C. Section 9601 et seq., the Clean Air Act, 33 U.S.C. Section 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq., the Safe Drinking Water Act, 42 U.S.C. Section 300(f) et seq., the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801 et seq., the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901 et seq., the Federal Water Pollution Control Act, 33 U.S.C. Section 1251 et seq., the Emergency Planning and Community Right-To-Know Act, 42 U.S.C. Section 651 et seq., any so-called "Super Fund" or "Super Lien" law, applicable statutes of the State of New York and in any regulations adopted or publications promulgated pursuant to any of the foregoing (as the same may be amended from time to time).

ARTICLE 3

Use of Premises

Section 3.01 Tenant shall not use the Premises or any part thereof other than as expressly permitted in Section 1.03 hereof, or permit the Premises or any part thereof to be used in any manner which would violate the Certificate of Occupancy for the Building or, for any purpose other than the use hereinbefore specifically mentioned. A true and complete copy of the Building's Certificate of Occupancy is attached hereto as Exhibit D. Landlord shall not amend the existing Certificate of Occupancy for the Building in any manner which would prevent, limit or impair Tenant's right to use the Premises for the purposes expressly permitted in Section 1.03. Those portions, if any, of the Premises, identified as toilets and utility areas shall be used by Tenant only for the purposes for which they are designed.

Section 3.02 (a) Tenant shall not use or permit the use of the Premises or any part thereof in any way which would violate any of the covenants, agreements, terms, provisions and conditions of this Lease or for any unlawful purposes or in any unlawful manner and except as expressly provided or permitted pursuant to the provisions of this Lease, Tenant shall not suffer or permit the Premises or any part thereof to be used in any manner or anything to be done therein or anything to be brought into or kept therein which, in the reasonable judgment of Landlord, shall in any way impair the character, reputation or appearance of the Building as a high quality office building, impair or interfere with any of the Building services or the proper and economic heating, cleaning, air conditioning or other servicing of the Building or Premises, or, subject to Section 3.02(b) below, impair or interfere with the use of any of the other areas of the Building by, or occasion discomfort, inconvenience or annoyance to, any of the other tenants or occupants of the Building beyond that which is customary in Comparable Buildings. The foregoing notwithstanding, Landlord acknowledges and agrees that Tenant's use of the Building Plaza Area as set forth in Section 1.01(d)(ii)(z) above shall not, by that fact itself, be deemed to violate this Section 3.02 provided Tenant uses the Building Plaza Area in accordance with the other applicable terms and conditions of this Lease, including without limitation, this Section 3.02.

(b) Landlord and Tenant acknowledge that in connection with Tenant's use of the Premises, noise, by virtue of live or recorded entertainment or other sound reproduction, music, the playing of musical instruments, radio or television (all of the foregoing collectively, "**Noise**"), may have occasion to emanate outside of the Premises, including the 7th Floor Terrace as a result of Tenant's use of such areas into the premises of other tenants or permitted occupants in the Building ("**1633 Occupants**"). As a material inducement for Landlord entering into this Lease, Tenant agrees that it will use commercially reasonable efforts to prevent any Noise from causing any material annoyance to any 1633 Occupants. In addition, if Landlord receives chronic written complaints from any 1633 Occupants detailing with reasonable specificity a material impact to such 1633 Occupant from Noise emanating from the Premises, Tenant shall, at its sole expense, comply with such reasonable requirements as Landlord may determine (e.g., sound proofing) so as to eliminate such complaints from any 1633 Occupants. If Tenant fails to comply with any of its foregoing obligations within seven (7) business days after Landlord's delivery of a notice to Tenant specifying such failure (provided such seven (7) business day period shall be extended for such reasonable amount of time as may be required for Tenant to comply as long as Tenant commences the cure of such non-compliance within such seven (7) business day period and diligently prosecutes same to completion), this shall constitute a material breach and default by Tenant under this Lease and Landlord shall be entitled to exercise any and all rights and remedies available to it, under the Lease or in law or equity (and for the avoidance of doubt, Tenant shall indemnify Landlord to the full extent provided for in Section 5.01(k) hereof). As a further material inducement for Landlord entering into this Lease, Tenant agrees that its use of the Building Plaza Area shall be in keeping with the standards of the outside activities which occur in connection with the current "Toyota Concert Series" on the "Today Show".

Section 3.03 If any governmental license or permit shall be required for the proper and lawful conduct of Tenant's business or other activity carried on in the Premises (other than the Certificate of Occupancy for the Building or any other permits and/or licenses that Landlord is legally required to obtain in the City of New York for the operation of a first class office building), and if the failure to secure such license or permit might or would, in any material adverse way, affect Landlord, then Tenant, at Tenant's expense, shall duly procure and thereafter maintain such license or permit and submit the same to inspection by Landlord upon Landlord's request therefor. Tenant, at Tenant's expense, shall at all times comply with the requirements of each such license or permit.

Section 3.04 Landlord agrees to reasonably cooperate with Tenant in obtaining an amendment to the Building's Certificate of Occupancy (including amending the Certificate of Occupancy to add a permanent place of assembly within the Premises) if required in order to allow the use of the Premises for any of the uses permitted by Section 1.03 hereof, provided that: (i) Tenant reimburses Landlord for any and all costs incurred by Landlord in connection therewith (including without limitation, all actual, out of pocket costs incurred for any subsequent amendment to the Certificate of Occupancy as may be required to discontinue the use of the Premises permitted by the original amendment obtained hereunder); and, (ii) all of the uses currently permitted by the Certificate of Occupancy for the respective portions of the Building other than the Premises must continue to be permitted subsequent to the amendment.

ARTICLE 4

Appurtenances, Etc., Not to be Removed

Section 4.01 (a) All alterations, additions, fixtures, equipment, improvements, installations and appurtenances permanently attached to, or built into the Premises prior to, at the commencement of or during the term hereof ("**Appurtenances**"), whether or not furnished or installed at the expense of Tenant or by Tenant, including without limitation, Tenant's Changes (as defined in Section 5.01(e) hereof), shall be and remain part of the Premises and be deemed the property of Landlord and shall not be removed by Tenant, except as otherwise expressly provided in this Lease. Appurtenances shall include, without limitation, all wiring, cables, risers and similar installations appurtenant thereto installed by Tenant in the risers or other common areas of the Building. Notwithstanding anything contained in this Section 4.01 to the contrary but subject to the provisions of Section 4.01(b) hereof, all of Tenant's furniture, fixtures, equipment and personal property (including, without limitation, audio-visual and other equipment) (collectively, "**Tenant's Property**") shall remain the property of Tenant and may be removed from the Premises and the Building by Tenant at any time from time to time prior to the Expiration Date. Notwithstanding anything contained herein to the contrary, Tenant shall have the right to remove Appurtenances during the Term if Tenant is renovating or replacing the same or if Tenant determines in its sole discretion that such Appurtenance is no longer necessary or desirable in the Premises; provided, however, that in all such cases, Tenant shall repair at its own cost all damage resulting from such removal. Subject to Section 4.01(b) below, Landlord may require Tenant to remove all Appurtenances, Tenant's Property and Tenant's Changes at the end of

the Term in accordance with the terms and conditions of this Lease, and if so required, Tenant shall repair, restore, replace and/or rebuild (as the circumstances may require), in a good and workmanlike manner any damage to the Premises or the Building caused by such removal. If any of the Appurtenances, Tenant's Property or Tenant's Changes required by Landlord to be removed from the Building are not so removed in accordance with the immediately preceding sentence, then Landlord (in addition to all other rights and remedies to which Landlord may be entitled at any time) may at its election upon ten (10) business days' notice to Tenant deem that the same has been abandoned by Tenant to Landlord, but no such election shall relieve Tenant of Tenant's obligation to pay the reasonable expenses of removing the same from the Premises or the expense of repairing, restoring, replacing and/or rebuilding (as the circumstances may require) damage to the Premises or to the Building arising from such removal, which obligation shall survive the Expiration Date.

(b) Notwithstanding anything contained in Section 4.01(a) to the contrary, Tenant shall not be required to remove any Appurtenances or Tenant's Changes that are non-structural, do not involve the perforation of a floor slab (other than "poke-throughs") or the exterior facade or the redistribution of electricity within the Premises, are not visible from outside the Premises (standing on the sidewalk) and are otherwise consistent with customary office usage. Subject to the last sentence in this Section 4.01 (b), Tenant may be required to remove over standard and/or structural alterations, structural steel installed below existing members (which affect ceiling heights below or create unleveled conditions above the slab), vaults, cooking kitchens and associated installations and equipment and all Roof Equipment (as defined in Article 36 hereof), signage permitted pursuant to Article 38 hereof, internal stairways, raised flooring and any bathrooms other than the base Building core area bathrooms. Notwithstanding the foregoing, Tenant shall not be required to remove any Tenant's Changes unless so designated for removal by Landlord at the time Landlord approves the plans and specifications for such Tenant Changes ("**Tenant Plans**").

(c) Any items which Landlord may require Tenant to remove upon the Expiration Date pursuant to this Section 4.01 are herein referred to as "**Removal Items**." No later than twelve (12) months prior to the Expiration Date, Landlord and Tenant shall meet to agree upon the cost to remove the Removal Items. The parties agree to use reasonable efforts to reach such agreement and failing to do so, Tenant shall remove the Removal Items within thirty (30) days after the Expiration Date.

Section 4.02 Except as otherwise expressly provided in this Lease to the contrary and subject to Tenant's rights under Section 1.01(d)(i) and 1.01(d)(ii)(y), all the perimeter walls and doors of the Premises, any balconies, terraces or roofs adjacent to the Premises and any space in and/or adjacent to the Premises used for shafts, stairways, stacks, pipes, vertical conveyors, mail chutes, pneumatic tubes, conduits, ducts, electric or other utilities, rooms containing elevator or air conditioning machinery and equipment, sinks, or other similar or dissimilar Building facilities, and the use thereof, as well as access thereto (including the right to secure same) through the Premises for the purpose of such use and the operation, improvement, alteration, replacement, addition, repair, cleaning, maintenance, safety, security, and/or decoration thereof, are expressly reserved to Landlord. Notwithstanding anything contained herein to the contrary, Landlord shall not store window washing equipment on the 7th Floor setback adjacent to the 7th Floor Terrace except on the far northerly side for temporary storage if required under the circumstances.

ARTICLE 5

Various Covenants

Section 5.01 Tenant covenants and agrees that Tenant will:

(a) Take good care of and maintain in good order, condition and repair the Premises and Appurtenances and at Tenant's sole cost and expense, make all non-structural repairs, restorations and/or replacements thereto as may be required to keep the Premises and Appurtenances in good order and condition, except for those portions of the Building systems, including elevators and elevator systems servicing the Premises, the Building's mechanical rooms and common areas of the Building (which do not include core restrooms, corridors and elevator lobbies on floors where Tenant leases the entire rentable area of such floor, the repair and maintenance of which shall be Tenant's obligation) that Landlord is obligated to repair and maintain pursuant to the provisions of this Lease. Tenant shall also be responsible for the cost of all repairs, interior and exterior, structural and non-structural, ordinary and extraordinary, foreseen or unforeseen, in and to the Building and the facilities and systems thereof, the need for which arises solely due to: (i) the performance or existence (as to existence only, except if such Tenant's Changes have been approved by Landlord) of Tenant's Changes (herein defined); (ii) the

installation, use or operation of Tenant's Property; (iii) the moving of Tenant's Property into or out of the Premises or the Building; (iv) Tenant's compliance or non-compliance with any legal requirements (except, in such case, Tenant shall not be responsible for any structural or non-structural repairs so long as the need for same does not arise due to Tenant's particular use of the Premises not permitted pursuant to Article 3 hereof; or (v) the negligence, wrongful act or omission (where this Lease or applicable law imposes a duty to act) of Tenant or any of its subtenants or its or their agents, licensees or invitees (but only to the extent not covered by Landlord's insurance on the Building). Any of the repairs referred to in the immediately preceding sentence in or to the Building and/or the facilities and systems thereof for which Tenant is so responsible shall be performed by Landlord at Tenant's expense and Tenant shall pay Landlord's actual out-of-pocket costs (without profit or mark-up) therefor as additional rent hereunder within thirty (30) days after Landlord gives Tenant an invoice therefor together with reasonable back-up documentation, provided Tenant has been given five (5) business days prior written notice before such work commences except in emergencies in which event, notice shall be given as soon as reasonably practical after such work commences. All repairs and replacements made by or on behalf of Tenant or any person claiming through or under Tenant shall be made in conformity with the provisions of this Lease and shall be at least equal in quality and class to the original work or installation.

(b) Faithfully observe and comply (and cause its agents, employees, invitees and licensees to observe and comply) with the rules and regulations annexed hereto and such additional reasonable rules and regulations as Landlord hereafter at any time or from time to time may make and may communicate in writing to Tenant (on at least ten (10) business days prior notice to Tenant), provided, however, that in the case of any conflict between the provisions of this Lease and such rule or regulation, the provisions of this Lease shall control; and provided further that nothing contained in this Lease shall be construed to impose upon Landlord any duty or obligation to enforce the rules and regulations or the terms, covenants or conditions in any other lease as against any other tenant and; provided further that Landlord shall not be liable to Tenant for violation of the same by any other tenant, its employees, agents, visitors, invitees, subtenants or licensees. In enforcing the rules and regulations, Landlord agrees to treat similarly situated tenants in a similar fashion and not to enforce same in a discriminatory manner. Any additional rules and regulations adopted by Landlord shall not adversely affect Tenant's conduct of business in the Premises or access to the Premises or conflict with the provisions of this Lease.

(c) Subject to Sections 5.02(a) and 5.02(b) hereof, permit Landlord and any mortgagee of the Building and/or the Land or of the interest of Landlord therein and any lessor under any ground or underlying lease, and their representatives, to enter the Premises at all reasonable hours upon at least twenty-four (24) hours prior written notice, which, for purposes of this section, may include notices sent via electronic mail (except in the case of an emergency when no such prior written notice will be required) for the purposes of inspection, or of making repairs, replacements or improvements in or to the Premises or the Building or equipment, or of complying with all laws, orders and requirements of governmental or other authority or of fulfilling any obligation or exercising any right reserved to Landlord by this Lease.

(d) Make no claim against Landlord, or any lessor under any ground or underlying lease ("**Ground Lessor**"), or any mortgagee under any mortgage or trust indenture ("**Mortgagee**" and with the Ground Lessor, the "**Underlying Indemnitees**") for any damage to property entrusted to employees of Landlord or for any loss of or damage to any property by theft (including damage resulting from theft or attempted theft) or any injury or damage to Tenant or other persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water, rain or snow or leaks from any part of the Building or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place or by dampness, or caused by other tenants in the Building, or by any other cause of whatsoever nature (including, without limitation, damage or injury caused by any hazardous or dangerous condition, waste, material and/or substance (as the same may be defined in any local, state or federal rule, regulation or statute)), except to the extent caused by or due to the acts, omissions (where this Lease or applicable law imposes a duty to act), negligence, misconduct or breach of this Lease by Landlord, its officers, directors, partners, members, agents, contractors, servants or employees (collectively, "**Landlord Parties**"), subject to Sections 7.03 and 7.04 hereof.

(e) (i) Make no alterations, installations, repairs, additions, improvements or replacements including Tenant's initial work in the Premises necessary for Tenant's occupancy thereof (herein collectively called "**Tenant's Changes**") in, to or about the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, Landlord agrees that Tenant shall not be

required to obtain Landlord's prior written consent to Tenant's Changes which (a) are cosmetic in nature; and (b) are non-structural, and do not require a building permit from the DOB and do not cost in each instance of (a) and (b) above in excess of Three Hundred Fifty Thousand and 00/100 Dollars ($350,000.00) in the aggregate in any twelve (12) month period with respect to such items that are not cosmetic in nature, provided as to Tenant's Changes set forth in clause (b) above, Tenant gives Landlord no less than seven (7) business days' prior written notice of its intention to so perform such Tenant's Changes, which notice shall contain a reasonably detailed description of the work to be performed. If any Tenant's Changes shall adversely affect any Building system, Tenant shall, at its sole expense, mitigate such adverse effect to Landlord's reasonable satisfaction. Notwithstanding anything contained herein to the contrary, Landlord shall be reasonable (and not unreasonably delay or condition) in granting or withholding its consent to any other Tenant's Changes, including without limitation, Tenant structurally reinforcing the floors in portions of the Premises, including the 7th Floor Terrace, Tenant putting intumescent paint on all cross-bracings that need it on all floors within the Premises (and, to the extent Landlord is permitted to do so, providing any access to other tenant spaces as may be required to accomplish the same) and to the construction of internal stairways and double height ceilings within the Premises. Tenant shall have the right to submit preliminary Tenant Plans requiring Landlord's consent hereunder for Landlord's preliminary approval prior to the submission of complete Tenant Plans, provided nothing contained in any preliminary approval shall be deemed to constitute final approval as required herein, and further provided, Landlord may not change or modify any preliminary approvals of the same items shown on the final Tenant Plans as long as there are no material deviations in the final Tenant Plans from the preliminary Tenant Plans. Any Landlord's consent required under this Section 5.01(e) (i) shall be subject to the Landlord's deemed approval provisions contained in Section 5.01(e) (ii) hereof. Tenant's Changes involving structural or base Building systems work shall only be performed by contractors, subcontractors or mechanics set forth on Exhibit E attached hereto and all other Tenant's Changes shall be performed by such other contractors, subcontractors or mechanics as approved by Landlord which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall have the right to supplement Exhibit E with additional contractors subject to Landlord's reasonable approval. Tenant may select its own architects, engineers and other construction consultants, subject to Landlord's reasonable approval. Tenant's Changes shall be done at Tenant's sole expense in accordance with the applicable Building Standard rules and regulations.

(ii) Prior to the commencement of any Tenant's Changes for which Landlord's consent shall be required, Tenant shall submit to Landlord, for Landlord's written approval, three (3) complete sets of Tenant Plans (to be prepared by and at the expense of Tenant) of such proposed Tenant's Changes in detail consistent with good construction practices and reasonably satisfactory to Landlord. Tenant's Changes shall be completed as follows: (A) free and clear of all liens, conditional bills of sale, security agreements and other claims, charges and encumbrances (other than security agreements or other encumbrances in favor of any mortgagee of Landlord or Tenant or any equipment lessors); and (B) in accordance with the requirements of this Lease. Landlord shall respond to Tenant's request for approval of Tenant Plans within ten (10) business days after Landlord's initial receipt of such plans and within five (5) business days after any re-submissions. Landlord shall describe in reasonable detail the basis for any such disapproval of Tenant's plans. If Landlord fails to respond to such request for approval or to any resubmissions within the above time periods, Tenant may send written notice (in strict accordance with the requirements of Section 11.01(a) hereof) of such failure to Landlord, which notice shall specify that Landlord's continued failure to so respond within an additional three (3) business days after Landlord's receipt of such notice shall constitute approval of Tenant Plans and, if Landlord fails to so respond within such additional three (3) business days after Landlord's receipt of such notice, Tenant Plans shall be deemed approved. In no event shall any material or equipment be incorporated in or to the Premises in connection with any such Tenant's Changes which is subject to any lien, security agreement, charge, mortgage or other encumbrance of any kind whatsoever or is subject to any conditional sale or other similar or dissimilar title retention agreement. Any mechanic's lien filed against the Premises or the Building for work done for, or claimed to have been done for, or materials furnished to, or claimed to have been furnished to, Tenant shall be discharged or bonded by Tenant within fifteen (15) days after Tenant is notified of such filing, at Tenant's expense, by filing the bond required by law or otherwise.

(iii) All Tenant's Changes shall at all times comply with: (x) all applicable Requirements, rules, orders and regulations of governmental authorities having jurisdiction thereover and all applicable insurance requirements; (y) the rules and regulations of Landlord for tenant alterations, the construction rules and regulations being attached hereto as Exhibit F (and Landlord may adopt or amend these rules and

regulations in the same fashion with respect to Building rules and regulations set forth in Section 5.01(b) hereof, provided such additional or amended rules and regulations shall not adversely affect Tenant's conduct of business in the Premises or access to the Premises or conflict with the provisions of this Lease); and (z) the plans and specifications submitted to and approved by Landlord, if applicable. In connection with any Tenant's Changes, Tenant shall pay to Landlord, as additional rent, within thirty (30) days after written demand therefor accompanied by reasonably supporting documentation a fee equal to the actual and reasonable out-of-pocket costs incurred by Landlord (without any Landlord supervisory fee) in connection with, or relating to, Landlord's review of Tenant Plans in connection with any such Tenant's Changes. For any cosmetic and/or non-structural Tenant's Changes which are part of Tenant's Work, the fee payable by Tenant pursuant to the immediately preceding sentence shall be capped at $5,000.00 (per Tenant's Change) and such fee for Tenant's Changes subsequent to Tenant's Work shall be capped at $3,000.00 (per Tenant's Change). No Tenant's Changes requiring Landlord's consent shall be undertaken, started or begun by Tenant or by its agents, employees, contractors or anyone else acting for or on behalf of Tenant until Landlord has approved Tenant Plans or a detailed sketch, as the case may be, and no amendments or additions to such plans and specifications (other than minor field changes made in accordance with industry standard construction practices) shall be made without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Unless all of the conditions contained in this Section 5.01(e) are fully satisfied, Landlord shall have the right, in Landlord's sole and absolute discretion, to withhold its consent to any Tenant's Changes. Landlord's consent to Tenant Plans shall create no responsibility or liability on the part of Landlord with respect to their completeness, design sufficiency or compliance with all applicable Requirements and/or insurance requirements; nor shall Landlord's execution of any documents required to be filed with any governmental authority in connection with Tenant's installations or changes create any responsibility or liability on the part of Landlord to take remedial measures to bring any Tenant's installations or changes into compliance with applicable legal and/or insurance requirements (such responsibility or liability being allocated hereunder to Tenant). If any Tenant's Changes are made or installed in violation of this Section 5.01(e), Landlord may, if such Tenant's Changes are not removed or corrected by Tenant within fifteen (15) days (or such additional period of time as is reasonably required to remove or correct same) after notice to

Tenant, at Tenant's sole cost and expense, without incurring any liability to Tenant whatsoever, enter upon the Premises and remove such illegitimate Tenant's Changes in violation of this Section 5.01(e) and repair any damage caused by the installation and/or removal of the same.

(iv) In connection with the completion of Tenant's Changes or in the performance of any other activities within the Building by or on behalf of Tenant: (a) neither Tenant nor its agents, contractors or subcontractors shall interfere (with the operations of the Building or any work being done by Landlord or its agents, contractors or subcontractors in the Building (and Landlord will cooperate (at no cost to Landlord) in endeavoring to mitigate such interference); (b) Tenant shall comply with any reasonable work schedule, applicable Building rules and regulations; (c) Tenant shall not do or permit anything to be done that would reasonably be expected to create any work stoppage, picketing or other labor disruption or dispute; and (d) the labor employed or contracted for by Tenant shall be compatible with the union labor employed or contracted for by Landlord in the Building, it being agreed that, if Tenant's labor is incompatible or causes disharmony, Tenant shall, promptly after receipt of Landlord's written demand (electronic mail being sufficient demand for this purpose) therefor, withdraw Tenant's labor from the Premises. Landlord shall cooperate (at no cost to Landlord) in endeavoring to mitigate such disharmony. If Tenant fails to take any such actions regarding labor matters, Landlord shall have the right, in addition to any other rights and remedies available to it under this Lease or pursuant to law or equity, to seek immediate injunctive relief. Tenant further agrees that it will, prior to the commencement of any work in the Premises, deliver to Landlord original certificates of insurance evidencing worker's compensation, public liability, property damage and such other reasonable insurance coverages in such amounts as set forth in Exhibit F in connection with Tenant's Changes. Tenant shall keep records of Tenant's Changes costing in excess of Two Hundred Fifty Thousand and 00/100 ($250,000), and of the cost thereof for a period of two (2) years. Tenant shall, within sixty (60) days after written demand by Landlord, furnish to Landlord copies of such records. Upon completion of any Tenant Changes, Tenant shall deliver to Landlord dimensioned reproducible mylars and CADD disk of "as-built" plans or, in lieu thereof, final Tenant Plans with field notes for such Tenant Changes which require Landlord's consent hereunder. During the performance of Tenant's Work, Landlord may require drain-down or isolation of the sprinkler system within the Premises. Tenant shall pay for the supervision of the Building's engineer (in accordance with Exhibit I) if such drain down or isolation work is done during non-Business Hours; if such work is done during Business Hours, such work shall be done under the supervision of the Building's engineer, but at no cost to Tenant.

(f) Not do or permit to be done any act or thing in the Premises which will invalidate or be in conflict with fire insurance policies generally issued for office buildings in the Borough of Manhattan, City of New York, and not do anything or permit anything to be done, or keep anything or permit anything to be kept, in the Premises which would result in insurance companies of good standing refusing to insure the Building or any such property in amounts and against risks as reasonably determined by Landlord, or otherwise result in non-compliance with any applicable legal requirements. If solely by reason of failure of Tenant to comply with the provisions of this paragraph including, but not limited to, the specific use to which Tenant puts the Premises (as opposed to mere office use and all other uses permitted under Section 1.03 hereof), the fire insurance rate payable by Landlord shall at the beginning of this Lease or at any time thereafter be higher than it otherwise would be, then Tenant shall reimburse Landlord, as additional rent hereunder, for that part of all fire insurance premiums thereafter paid by Landlord which shall have been charged solely because of such failure or use by Tenant, and shall make such reimbursement upon the first day of the month following such outlay by Landlord and demand upon Tenant together with reasonable back-up documentation. In any action or proceeding wherein Landlord and Tenant are parties, a schedule or “make up” rate for the Building or Premises issued by the New York Fire Insurance Rating Organization, or other body making fire insurance rates for the Premises, shall be prima facie evidence of the facts therein stated and of the several items and charges in the fire insurance rate then applicable to the Premises.

(g) Subject to Section 5.02(b) hereof, permit Landlord, at reasonable times upon reasonable prior written notice (which, for purposes of this Section, may include notices sent via electronic mail), to show the Premises to any lessor under any ground or underlying lease, or any lessee or mortgagee, or any prospective purchaser, lessee, mortgagee, or assignee of any mortgage of the Building and/or the Land or of Landlord’s interest therein, and their representatives, and during the period of twelve (12) months immediately preceding the Expiration Date with respect to any part of the Premises similarly show any part of the Premises to any person contemplating the leasing of all or a portion of the same.

(h) At the end of the term, quit and surrender to Landlord the Premises “broom clean” and in good order and condition, reasonable wear and tear and loss by Casualty (as hereinafter defined in Section 7.01) and Condemnation (as hereinafter defined in Section 8.01) excepted, and Tenant shall remove Tenant’s Changes and/or Tenant’s Property as Landlord elects to have Tenant and Tenant is required to remove all in accordance with Section 4.01 hereof. Tenant shall give Landlord sixty (60) days’ prior written notice of the day it intends to vacate the Premises (which may be either upon the Expiration Date or the Expiration Date as extended pursuant to Article 32 hereof), but the failure to do so, shall not result in any liability except as expressly provided below in this paragraph (h). Upon receipt of said notice Landlord and Tenant shall agree on a mutually convenient time, but in no event later than thirty (30) days prior to the Expiration Date, in order to perform a joint inspection of the Premises. Tenant expressly waives, for itself and for any person claiming through or under Tenant, any rights which Tenant or such person may have under the provisions of Section 2201 of the New York Civil Practice Law and Rules and any similar successor law of the same import then in force, in connection with any holdover proceedings which Landlord may institute to enforce the provisions of this paragraph (h) following the expiration or earlier termination of this Lease. If Tenant shall remain in possession of the Premises after the Expiration Date without the execution of a new lease (whether or not with the consent or acquiescence of Landlord), Tenant’s occupancy shall be deemed to be that of a tenancy-at-will, and in no event from month-to-month or from year-to-year, and it shall be subject to all of the other terms of this Lease applicable thereto, including those set forth in this paragraph (h). In the event that Tenant remains in possession of the Premises or any part thereof after the expiration of the tenancy-at-will created hereby then Tenant’s occupancy shall be deemed a tenancy-at sufferance and not a tenancy-at-will. Nothing contained herein shall be construed to constitute Landlord’s consent to Tenant holding over after the Expiration Date or to give Tenant the right to hold over after the Expiration Date. During the period in which Tenant holds over, Tenant shall pay rent to Landlord at a monthly rental equal to the greater of: (i) 1.25 times the monthly Fixed Rent, plus all Article 26 additional rent last payable by Tenant hereunder for the first sixty (60) days of holdover, then, 1.5 times the monthly Fixed Rent, plus all Article 26 additional rent last payable by Tenant hereunder; or (ii) the price, on a monthly basis, for comparable space in the Building Landlord is then obtaining as evidenced by comparable recent leases (or, if Landlord shall have no such recent comparable leases, the monthly rental equal to the prevailing rate for comparable space in comparable buildings in the vicinity of the Building). Tenant’s obligations under this paragraph (h) shall survive the expiration of this Lease.

(i) At any time and from time to time upon not less than ten (10) business days' prior notice by Landlord to Tenant, execute, acknowledge and deliver to Landlord or any of Landlord's affiliates, or to any prospective or current superior lessor, mortgagee, lender or partner or a prospective purchaser or investor in the Building, a statement of Tenant (or if Tenant is a corporation or another entity, an appropriate officer or director of Tenant) in writing certifying to Landlord or to anyone else Landlord shall reasonably designate that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), specifying the dates to which the Fixed Rent, additional rent and other charges have been paid in advance, if any, and stating whether or not to the best knowledge of the signer of such certificate Landlord is in default in the performance of any provision of this Lease and, if so, specifying each such default of which the signer may have knowledge, and further stating such other items or information as Landlord or Landlord's designee may reasonably request and as are known to Tenant; it being intended that any such statement so delivered may be relied upon by the person to whom the statement is given. If Tenant fails to execute and deliver the statement as and when required by this Section 5.01(i), then notwithstanding any other provision of this Lease, if such failure shall not be cured within five (5) business days after receipt of the second notice and demand by Landlord, such failure shall constitute a default under this Lease beyond any applicable cure period entitling Landlord to the same rights and remedies as if such default was with respect to nonpayment of Fixed Rent, provided that such failure to deliver such statement within five (5) business days after receipt of the second notice shall be stated in bold in such second notice. Landlord agrees to provide Tenant or to anyone else Tenant shall reasonably designate within ten (10) business days after Tenant so requests, a certificate as to whether (i) this Lease has been modified and, if so, a list of the documents modifying this Lease, (ii) this Lease is then in full force and effect, (iii) Tenant is then current in the payment of Fixed Rent and additional rent, and (iv) Landlord has given any notice of default under this Lease which remains uncured. This certificate shall state such other information regarding the Lease as Tenant or Tenant's designee shall reasonably request, it being intended that any such statement so delivered may be relied upon by the person to whom the statement is given.

(j) Not move any safe, heavy machinery, heavy equipment, freight, bulky matter or fixtures into or out of the Building without Landlord's prior written consent not to be unreasonably withheld, delayed or conditioned. If such safe, machinery, equipment, freight, bulky matter or fixtures require special handling, Tenant agrees to employ only persons holding a Master Rigger's License to do said work, and that all work in connection therewith shall comply with the Administrative Code of the City of New York. Notwithstanding said consent of Landlord, Tenant shall defend and indemnify Landlord for, and hold Landlord harmless and free from, all loss, costs, liabilities and damages sustained by person or property arising out of the moving of such items into or out of the Building except to the extent caused by the acts, omissions, negligence, misconduct or breach of this Lease by Landlord or any Landlord Parties, as well as for all reasonable expenses and reasonable attorneys' fees incurred in connection therewith, and all costs incurred in repairing any damage to the Building or Appurtenances (including, without limitation, Landlord's reasonable charge for any repairs performed by Landlord's employees).

(k) To the extent not prohibited by applicable Requirements and to the extent not caused by the acts, omissions (where this Lease or applicable law imposes a duty to act), negligence, misconduct or breach of this Lease by Landlord or any Landlord Parties and subject to Sections 7.03 and 7.04, indemnify, defend and save harmless, Landlord and the Underlying Indemnitees, and their respective officers, directors, contractors, agents and employees, from and against any and all liability (statutory or otherwise), claims, actions, suits, demands, damages, judgments, costs, interest and expenses of any kind or nature of anyone whomsoever (including, but not limited to, reasonable third-party counsel fees and disbursements incurred in the defense of any action or proceeding including in enforcing the foregoing indemnification) (collectively, "**Loss**"), to which they may be subject or which they may suffer by reason of any claim for, any injury to, or death of, any person or persons, theft or damage to property (including any loss of use thereof) or damage to the Building or Appurtenances or otherwise arising from or in connection with the use of or from any work, installation or thing whatsoever done (other than by Landlord or its agents, employees or contractors) in or about the Premises and/or the Building by Tenant or any of Tenant's officers, directors, agents, contractors, employees, subtenants, licensees or invitees, during or subsequent to (in the case of a holdover), the Term, or arising from any condition of the Premises and/or the Building due to or resulting from any default by Tenant in the performance of Tenant's

obligations under this Lease or from any wrongful act, omission (where this Lease or applicable law imposes a duty to act) or negligence of Tenant or any of Tenant's officers, directors, agents, contractors, employees, subtenants, licensees or invitees. Where not prohibited by applicable Requirements, no workers' compensation claim by any of Tenant's employees will be subrogated against Landlord.

Whenever this Lease requires either Landlord or Tenant to indemnify the other, then the parties shall comply with the following procedures and requirements:

(i) **Notice to Indemnitor**. The party being indemnified (the "**Indemnitee**") shall promptly notify the party with the obligation to indemnify (the "**Indemnitor**") in writing of any Loss for which it is seeking indemnification hereunder.

(ii) **Selection of Counsel**. Indemnitor shall select counsel reasonably acceptable to Indemnitee and to Indemnitor's insurance carrier. Counsel chosen by Indemnitor's insurance carrier shall be deemed satisfactory. Even though Indemnitor shall defend the action, Indemnitee may, at its option and its own expense, engage separate counsel to advise it regarding the claim and its defense. Indemnitor's counsel shall consult with Indemnitee's counsel; provided, however, that Indemnitor and its counsel shall fully control the defense of such Loss.

(iii) **Cooperation**. Indemnitee shall reasonably cooperate (at no cost to Indemnitee) with Indemnitor's defense.

(iv) **Settlement**. Indemnitor may, with Indemnitee's consent, not to be unreasonably withheld, conditioned or delayed, settle the claim. Indemnitee's consent shall not be required for any settlement by which: (i) Indemnitor procures (by payment, settlement, or otherwise) a release of Indemnitee by which Indemnitee need not make any payment to the claimant; and (ii) neither Indemnitee nor Indemnitor on behalf of Indemnitee admits liability.

(v) **Survival**. Each of Landlord's and Tenant's indemnification obligations contained in this Lease shall survive the expiration or earlier termination of this Lease.

(l) Not do or permit to be done any act or thing which would cause any hazardous or dangerous condition, waste, material and/or substance (as the same may be defined in any local, state or federal rule, regulation or statute) to be used, stored, transported, released, handled, produced, created, disposed of, or installed in, on, from, or at the Premises and/or the Building, except for small amounts of standard office and cleaning and other supplies customarily used in the ordinary course of businesses being conducted at the Premises in accordance with this Lease; provided that all such materials and/or substances: (i) shall at all times be used, stored, transported, released, handled, produced, created, disposed of, and/or installed in compliance with all applicable legal and/or insurance requirements; (ii) shall not create any additional burden on Landlord to notify other tenants, the public or any governmental authority of the existence of such materials and/or substances; and (iii) shall not cause any increase in Landlord's insurance rates by reason of any wrongful acts or omissions (where this Lease or applicable law imposes a duty to act) that are not permitted by the provisions of this Lease.

Section 5.02 Landlord covenants and agrees that Landlord will:

(a) use reasonable efforts not to interfere with the businesses being conducted at the Premises in accordance with this Lease during such times as Landlord exercises its rights under the various provisions of this Lease which permit Landlord to perform work, repairs, improvements, maintenance and/or alterations to the Building (including the Premises) but Landlord shall not be required to perform the same on an overtime or premium pay basis unless required to remedy an emergency situation or Tenant agrees in writing to reimburse Landlord for the incremental cost of such overtime or premium pay basis or unless such work adversely interferes with the use of the Premises for the conduct of business in the Premises;

(b) give Tenant reasonable prior written notice, which, for purposes of this section, may include notices sent via electronic mail of all entry into the Premises and afford Tenant the right to have a representative present (except in the case of an emergency when no such notice or representative shall be required except for such notice, if any, as is practical under the circumstances);

(c) to the extent not prohibited by applicable Requirements and to the extent not caused by the acts, omissions (where this Lease or applicable law imposes a duty to act), negligence, misconduct or breach of this Lease by Tenant, its agents, employees or contractors or any Tenant Parties (as hereinafter defined in Section 10.01 hereof) and subject to Sections 7.03 and 7.04, indemnify, defend and save harmless, Tenant and its partners, members, principals, agents, officers, directors, contractors and employees from and against any and all liability (statutory or other), claims, actions, suits, demands, damages, judgments, costs, interest and expenses of any kind or nature of anyone whomsoever (including, but not limited to, reasonable third party counsel fees and disbursements incurred in the defense of any action or proceeding, including in enforcing the foregoing indemnification) to which they may be subject or which they may suffer by reason of any claim for, any injury to, or death of, any person or persons, injury or loss, theft or damage to property (including any loss of use thereof) arising from any wrongful act, omission (where this Lease or applicable law imposes a duty to act) or negligence of Landlord or any of its agents, employees, officers, directors and contractors;

(d) cure any violation of the New York City building code caused by any condition existing within the Building and not caused by Tenant, in a commercially diligent fashion, if such violation prevents or impedes Tenant from obtaining a building permit, work permit, approval or sign-off or obtain a temporary certificate of occupancy for all or a portion of the Premises to perform and complete Tenant's Work or obtain an amendment to the Building's Certificate of Occupancy pursuant and subject to the provisions of Section 3.04 hereof. Tenant shall reimburse Landlord for the actual out-of-pocket cost without mark-up or surcharge of curing any violation caused by any condition created by Tenant;

(e) to execute within five (5) business days after written request, DOB forms, pre-determination application, permits and related documentation (collectively, "**DOB Applications**") required in order for Tenant's Work to be appropriately filed and provide at such time all original ACP-5 certificates required to be delivered in connection with the Delivery Condition in the quantity required by Tenant for Tenants' filings with the DOB. If requested by Tenant, Landlord agrees to sign the DOB Applications prior to submission of Tenant Plans provided that Tenant Plans shall be subject to Landlord's reasonable review as provided in Article 5 hereof. Notwithstanding the foregoing: (i) Landlord's execution of any DOB Applications shall not be construed as approval of Tenant's plans or specifications for any work involved; and (ii) no work may be commenced by Tenant until such final plan approval is received from Landlord in accordance with the terms and conditions of this Lease. Tenant's architect and MEP engineer may self-certify

Tenant's final plans and specifications for Tenant's Work for purposes of expediting DOB filings, provided however, Tenant, at its sole expense, shall be responsible to make any corrections required by the DOB in Tenant's Work and Tenant shall indemnify Landlord for all Loss sustained by Landlord as a result of this self-certification to the fullest extent provided for in Section 5.01(k); and

(f) to the extent and for such period of time as applicable Requirements shall permit the same, not enter into any new lease at the Building with or seek any lease guarantee from any of the entities listed on Exhibit O annexed hereto (or to any successor entity to any entity listed thereon) provided any such entity or successor entity has as its primary business the WMG Primary Business. For purposes of this Lease, the term "**WMG Primary Business**" shall mean the media, entertainment and music-based content business and any business that is a direct extension, development or expansion thereof. Exhibit O may be amended by Tenant no more often than once every three (3) years, provided any amended entity must be engaged in the WMG Primary Business and Exhibit O may never contain more than four (4) entities. The foregoing restriction shall not apply to leases and occupancy agreements within the Building existing as of the date of this Lease nor shall such restriction apply to any assignments, sublettings or license agreements under any such existing leases; provided however that in the event Landlord's consent is required for such assignment, subletting or license, Landlord agrees that it shall not provide such consent as long as Landlord's not providing such consent shall not, in Landlord's reasonable and good faith opinion, subject Landlord to any legal liability. This Section 5.02(f) shall terminate and have no further force or effect upon the occurrence of any of the following events: (i) the expiration or termination of this Lease, (ii) the occurrence of any default by Tenant under this Lease which is not cured beyond the applicable notice and cure period, (iii) the failure of Tenant to no longer operate the WMG Primary Business for a period in excess of ninety (90) days; (iv) Tenant under this Lease is not WMG ACQUISITION CORP. or its permitted Affiliates or its permitted Successor Entity (as such terms are hereinafter defined in Section 25.02) or Tenant is not in occupancy for the conduct of its business of at least four (4) full floors of the Premises; or (v) any of the entities listed on Exhibit O (or any successors thereto) acquires a controlling interest in the Building.

ARTICLE 6

Changes or Alterations by Landlord

Section 6.01 Landlord reserves the right to make such changes, alterations, additions, improvements, repairs or replacements in or to the Building (including the Premises, provided the usable square footage of the Premises shall not be reduced by more than fifty (50) square feet per floor in the Premises (a "***de minimus* reduction")** and if such *de minimus* reduction occurs, Fixed Rent shall be proportionately reduced based upon the amount of such de minimus reduction) and the fixtures and equipment thereof, as well as in or to the street entrances, halls, passages, elevators, escalators, stairways and other parts thereof (provided only necessary repairs, maintenance or replacements required for the Building may be made within the 7th Floor Terrace), and to erect, maintain and use pipes, ducts and conduits in and through the Premises (provided same are, to the extent possible, concealed behind then existing walls and ceilings of the Premises and, if not concealed areas, then adjacent to then existing walls and ceilings and appropriately boxed and concealed using the same materials and workmanship then existing in such portion of the Premises so that it becomes part of the existing décor of the Premises in such area of the Premises), all as Landlord may deem necessary or desirable; provided, however, Landlord agrees that the end result of any of the foregoing shall not adversely interfere with the use of the Premises and necessary facilities or access thereto. Nothing contained in this Article 6 shall relieve Tenant of any duty, obligation or liability of Tenant set forth in this Lease with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any governmental or other authority.

Section 6.02 Landlord reserves the right to name the Building and to change the name or address of the Building at any time and from time to time. Except as expressly set forth herein, neither this Lease nor any use by Tenant shall give Tenant any easement or other right in or to the use of any door or any passage or any concourse or any plaza connecting the Building with any subway or any other building or to any public conveniences, and the use of such doors, passages, concourses, plazas and conveniences may, without notice to Tenant be regulated or discontinued at any time by Landlord. If at any time any windows of the Premises are: (i) temporarily obstructed incident to or by reason of repairs, replacements, maintenance and/or cleaning in, on, to or about the Building or any parts thereof; or (ii) permanently or temporarily closed or obstructed as a result of any reason beyond Landlord's control including applicable Requirements, then Landlord shall not be liable for any damage Tenant may sustain thereby and Tenant

shall not be entitled to any compensation therefor or abatement of rent nor shall the same release Tenant from its obligations hereunder or constitute an eviction. Landlord represents to Tenant that as of the Term Commencement Date, and Landlord covenants that during the Term, Landlord shall make any required repairs to keep, all windows within the Premises watertight and in good condition and that those portions of the Building façade within the Premises shall be watertight.

Section 6.03 Except as provided in the Haz Mat Abatement, Articles 7 and 8 and Section 17.05 of this Lease, there shall be no allowance to Tenant for a diminution of rental value, the same shall not constitute an eviction of Tenant in whole or in part and Landlord shall incur no liability (except for the wrongful acts, omissions, negligence or willful misconduct of Landlord or Landlord Parties or the breach by Landlord of this Lease) whatsoever by reason of inconvenience, annoyance, or injury to business arising from Landlord, Tenant or others making any changes, alterations, additions, improvements, repairs or replacements in or to any portion of the Building or the Premises or in the Appurtenances thereof or in the taking of material in the Premises in connection therewith and no liability shall be incurred by Landlord for failure of Landlord or others to make any changes, alterations, additions, improvements, repairs or replacements in or to any portion of the Building or the Premises, or in the Appurtenances except to the extent Landlord is obligated to make repairs or replacements or to maintain the Building as provided hereunder. Nothing contained herein shall be construed as a waiver by Tenant of any of its rights (subject to the provisions of this Lease) to enforce Landlord's obligations under this Lease.

ARTICLE 7

Damage by Fire, Etc.

Section 7.01 Subject to Section 7.02, if any part of the Premises shall be damaged by fire or other casualty (the "**Casualty**"), Tenant shall give prompt written notice thereof to Landlord and Landlord shall proceed with reasonable diligence to repair such damage in a good and workmanlike manner substantially to the same condition as existed before the Casualty, and if any part of the Premises shall be rendered untenantable by reason the Casualty, the annual Fixed Rent and Article 26 additional rent payable hereunder and other additional rent for any service or item not then being supplied to Tenant shall be abated to the extent that such Fixed Rent and Article 26 additional rent and other additional rent for any service or item not then being supplied to

Tenant relates to such part of the Premises for the period from the date of such damage to the date when such part of the Premises shall have been made tenantable or to such earlier date upon which the full Term with respect to such part of the Premises shall expire or terminate. If Landlord or any holder of any superior mortgage (as herein defined) or any lessor under any superior lease (as herein defined) shall be unable to collect insurance proceeds (including rent insurance) applicable to such damage solely because of the willful misconduct of Tenant subsequent to the Casualty, then Tenant shall be liable for any actual damages directly resulting from such willful misconduct (and not any consequential or indirect damages); provided however, in no event, shall the sum of the damages resulting therefrom exceed the amount of uncollected insurance proceeds (and if Landlord or any such superior holder shall thereafter collect any proceeds previously recouped from Tenant, then Landlord shall promptly reimburse Tenant the amount thereof or credit Tenant a like amount against the next installments of Fixed Rent and Article 26 additional rent then payable). Landlord shall not be liable for any inconvenience or annoyance to Tenant or injury to the business of Tenant resulting in any way from such damage or the repair thereof, provided however, Landlord shall comply with Section 5.02(a) in performing such repair work. Tenant acknowledges and agrees that Landlord shall not: (i) carry insurance of any kind on any Appurtenances, Tenant's Property, or Tenant's Changes; or (ii) be obligated to repair any damage thereto or replace any of same, which obligation shall be the sole responsibility of Tenant.

Section 7.02 If (a) substantial alteration or reconstruction of the Building shall, in the good faith reasonable opinion of Landlord's architect, be required as a result of damage by Casualty (whether or not the Premises shall have been damaged by such Casualty), or (b) all or any material portion of the Premises shall be damaged by Casualty during the last two (2) years of the Term, then Landlord shall have the right to terminate this Lease. If all or any material portion of the Premises shall be damaged by Casualty during the last twenty-four (24) months of the Term, then Tenant shall have the right to terminate this Lease. If either party shall have the right to terminate this Lease pursuant to this Section 7.02, it shall give to the other party within one hundred twenty (120) days after the date of such damage written notice specifying a date, not less than thirty (30) days after the giving of such notice, for such termination. In all cases set forth in this Article 7 in which Landlord shall have the right to terminate this Lease, Landlord shall act in a manner that does not discriminate against Tenant, including, without limitation terminating the leases of all similarly situated tenants in the Building to the extent Landlord is permitted to do so by the leases of such tenants.

Section 7.03 Landlord and Tenant shall each secure an appropriate clause in, or an endorsement upon, each "all risk" or "special risk" property damage policy obtained by it with respect to the Building in the case of Landlord and with respect to the Premises and/or Tenant's Property in the case of Tenant pursuant to which the respective insurance companies shall waive subrogation or permit the insured, prior to any loss, to waive any claim it might have against the other (including, in the case of Landlord, for the benefit of Tenant's subtenants at all levels as herein permitted). Provided the terms of the applicable insurance policy will not be violated or rendered unenforceable, the waiver of subrogation or permission for waiver of any claim hereinbefore referred to shall extend to the agents of each party.

Section 7.04 Notwithstanding any other provision of this Lease to the contrary (other than the second sentence of Section 7.01) with respect to any property whether insured or not, each party hereby releases the other and its partners, members, principals, agents, employees, officers, directors and shareholders with respect to any claim (including a claim for negligence) which it might otherwise have against the other party for loss, damage or destruction with respect to its property by fire or other casualty (including rental value or business interruption, as the case may be) occurring during the term of this Lease. Nothing in this Section 7.04 shall relieve Tenant or Landlord of its obligations to make repairs to the Premises in accordance with the terms of this Lease.

Section 7.05 This Lease shall be considered an express agreement governing any case of damage to or destruction of the Building or any part thereof by Casualty, and Section 227 of the Real Property Law of the State of New York providing for such a contingency in the absence of express agreement, and any other law of like import now or hereafter in force, shall have no application in such case.

Section 7.06 Notwithstanding anything contained herein to the contrary, in the event that twenty-five percent (25%) or more of the Premises shall be substantially damaged by Casualty and restoration is not substantially completed by Landlord within twelve (12) months after the occurrence of said casualty, subject to reasonable extensions not to exceed six (6) additional months for circumstances beyond Landlord's reasonable control (the "**Restoration Period**"), then Tenant shall be entitled to terminate

this Lease provided Landlord receives a written termination notice (which shall be deemed irrevocable) from Tenant within thirty (30) business days after the expiration of the Restoration Period (TIME BEING OF THE ESSENCE). In the event that Landlord does not receive said notice within said thirty (30) business day period, then Tenant's right to terminate pursuant to this Section 7.06 shall be void and of no further force or effect. Notwithstanding anything contained herein to the contrary, in the event that Landlord's architect or engineer reasonably and in good faith estimates (a copy of which estimate will be given to Tenant within sixty (60) days following the casualty) that it will take longer than twelve (12) months (excluding circumstances beyond Landlord's reasonable control) from the date of the Casualty to substantially complete such restoration, then Tenant, shall be entitled to terminate this Lease by giving notice to Landlord of its election to do so within thirty (30) business days after receipt of such architect's estimate (TIME BEING OF THE ESSENCE as to the giving of such notice), which notice shall specify a date for the termination of this Lease, not more than ninety (90) days after the giving of such notice. The estimate of Landlord's architect or engineer shall be agreed to by Tenant's architect or engineer and failing such agreement, the estimate of a third architect or engineer selected by Landlord's architect or engineer and Tenant's architect or engineer shall govern. If Landlord's architect or engineer and Tenant's architect or engineer shall fail to select a third architect or engineer, the selection of the third architect or engineer shall be determined by submitting the question for decision to the Chairman of the Board of Directors of the Management Division of the Real Estate Board of New York, Inc., or to such impartial person as he/she may designate, whose determination shall be final and conclusive upon the parties hereto.

ARTICLE 8

Condemnation

Section 8.01 (a) In the event that the whole of the Premises shall be lawfully condemned or taken in any manner for any public or quasi-public use by a competent condemning authority (any such lawful condemnation or taking, a "**Taking**"), this Lease and the term and estate hereby granted shall forthwith cease and terminate as of the date of vesting of title.

(b) In the event of a Taking of more than twenty-five percent (25%) of the rentable area of the Premises, Tenant shall have the right (but not the obligation) to terminate this Lease with not less than one hundred twenty (120) days following the

vesting of title of the portion of the Premises taken. If Tenant shall provide Landlord with such notice of termination, this Lease and the term and estate hereby granted shall expire as of the date specified therefor in such notice (but not less than thirty (30) days after the giving of such notice).

(c) In the event of a Taking of less than twenty-five percent (25%) of the rentable area of the Premises then, (i) this Lease shall not terminate, (ii) effective as of the date of vesting of title, the Fixed Rent and Article 26 additional rent hereunder shall be abated in an amount thereof apportioned according to the area of the Premises so condemned or taken and (iii) Landlord will, with reasonable diligence and at its expense, restore the remainder of the Premises as closely as practicable to the same condition as the Premises existed in prior to such Taking; provided, however, that Landlord shall not be obligated to repair any damage to Tenant's Property or replace the same.

(d) In the event of a Taking of the whole Building or such portions of the Building that are critical or necessary for the proper functioning, use and occupancy of the Building, then Landlord (whether or not the Premises be affected) may, at Landlord's option, terminate this Lease by notifying Tenant in writing of such termination within one hundred twenty (120) days following the date on which Landlord shall have received notice of vesting of title; provided, however that Landlord shall also terminate the leases of all other similarly situated tenants in the Building to the extent Landlord is permitted to do so by the leases of such tenants.

Section 8.02 In the event of a termination of this Lease pursuant to Section 8.01 of this Article 8, this Lease and the term and estate hereby granted shall expire as of the date of such termination with the same effect as if that were the date hereinbefore set for the expiration of the full Term, and the Fixed Rent and Article 26 additional rent payable hereunder shall be apportioned as of such date.

Section 8.03 Except as otherwise set forth in Section 8.04 below, in the event of any condemnation or taking hereinbefore mentioned of all or a part of the Building, Landlord shall be entitled to receive the entire award in the condemnation proceeding, including any award made for the value of the estate vested by this Lease in Tenant, and Tenant hereby expressly assigns to Landlord any and all right, title and interest of Tenant now or hereafter arising in or to any such award or any part thereof, and Tenant shall be entitled to receive no part of such award. The

foregoing shall not prohibit Tenant's independent claim for the value of Tenant's trade fixtures and moving expenses and any other claim permitted under law so long as any award made to Tenant based upon such claim does not reduce the award otherwise payable to Landlord.

Section 8.04 In the event of a Temporary Taking (as hereinafter defined) of all or any portion of the Premises, this Lease shall not terminate and Tenant shall continue to perform or observe all of Tenant's obligations hereunder as though such condemnation or taking had not occurred, except to the extent that Tenant may be prevented from so doing because such Temporary Taking interferes with or prevents the lawful use and occupancy of the Premises or the portion thereof affected by the Temporary Taking. In the event of such Temporary Taking, Tenant shall be entitled to receive the award with respect to the Premises or portion thereof covered by such condemnation or taking (whether paid as damages, rent or otherwise), unless the period of occupancy extends beyond the termination of this Lease, in which case Landlord shall be entitled to such part of such award as shall be properly allocable to the cost of restoration of the Premises and the balance of said award shall be apportioned between Landlord and Tenant as of the scheduled Expiration Date. For purposes of this Article 8 and notwithstanding anything contained in this Section 8.04 to the contrary, a "**Temporary Taking**" shall mean a Taking for a period of no more than eighteen (18) months. Any Taking that is initially described as a Temporary Taking but which exceeds eighteen (18) months shall be deemed a permanent Taking governed by the terms and conditions of Sections 8.01-8.03, as applicable.

ARTICLE 9

Compliance with Laws

Section 9.01 Tenant, at Tenant's expense, shall comply with all laws and ordinances, and all rules, orders and regulations of applicable Requirements (as hereafter defined in Section 9.03) at any time duly issued or in force, applicable to the Premises or any part thereof or to the use or alteration thereof, except that Tenant shall not hereby be under any obligation to comply with applicable Requirements unless such compliance is required by reason of a condition which has been created by, or at the instance of Tenant, or is attributable to the specific manner of use (as opposed to mere office use) to which Tenant puts the Premises, or Tenant's alteration thereof, or is required by reason of a breach of any of Tenant's covenants and agreements hereunder.

Section 9.02 Landlord, at its sole cost and expense (but subject to recoupment as provided in Article 26 hereof), shall comply with all other Requirements applicable to the Premises and the Building other than those Requirements with which Tenant or other tenants or occupants of the Building shall be required to comply, subject to Landlord's right to contest the applicability or legality thereof. Landlord hereby represents that, to its knowledge, as of the date hereof the Building is in compliance with all Requirements as to which non-compliance would impair or prevent Tenant's right to occupy and use the Premises for the uses expressly permitted hereunder. If any violation of any Requirement which Landlord is obligated to comply with pursuant to the terms hereof shall materially delay or prevent the performance of Tenant Changes, including obtaining any permits in connection therewith, Tenant shall notify Landlord of same, which notice shall include a detailed description of the delay or prevention caused by such non-compliance and a detailed description of the aspect of such Tenant Change subject to such delay or prevention. Landlord shall promptly commence and diligently prosecute to completion the cure and removal of such violation.

Section 9.03 For purposes of this Lease, the term "**Requirements**" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes and executive orders, extraordinary as well as ordinary, of all governmental authorities now existing or hereafter created, and of any and all of their departments and bureaus, affecting the Land, Building and Premises or any portion thereof, as applicable, or any street, avenue or sidewalk comprising a part of or in front thereof or any vault in order under the same, or requiring removal of any encroachment, or affecting the maintenance, use or occupation of the Land, Building and Premises or any portion thereof.

ARTICLE 10

Accidents to Plumbing and Other Systems

Section 10.01 Tenant shall give to Landlord prompt written notice of any damage to, or defective condition in, any part or appurtenance of the Building's plumbing, electrical, heating, air conditioning (excluding any supplemental air conditioning units and equipment servicing the Premises which shall be Tenant's responsibility to repair, maintain and replace) or other systems serving, located in, or passing through the Premises (collectively, the "**Systems**"), provided however, failure by Tenant to give such notice shall not be deemed a default under this Lease.

Following such notice (or if Landlord otherwise has or receives knowledge thereof), any such damage to or defective condition of the Systems shall be remedied by Landlord with reasonable diligence, but if such damage or defective condition was caused by, or resulted solely from the improper use by, Tenant or by the employees, agents, licensees or invitees of Tenant (the "**Tenant Parties**"), Landlord's reasonable charge for the remedy thereof shall be paid by Tenant. Tenant shall not be entitled to claim any eviction by reason of any such damage or defective condition or any damages arising from any such damage or defective condition unless the same shall have been caused by the act, omission (where there is a duty to act imposed by this Lease or applicable law), negligence, misconduct or breach of this Lease by Landlord in the operation or maintenance of the Premises or Building and the same shall not have been remedied by Landlord with reasonable diligence after written notice thereof from Tenant to Landlord.

Section 10.02 Landlord shall, at its sole cost and expense (except as otherwise provided in Section 5.01(a) hereof), keep and maintain in good repair and working order and make all repairs to and perform necessary maintenance upon the Building, the Systems and all parts thereof, including structural elements, life-safety, plumbing, electrical and HVAC systems within the Building which generally service the Building and are required in the normal maintenance and operation of the Building and shall operate, maintain and repair the Building (excluding the Premises and other tenant space in the Building) so that the same shall be kept and maintained in a condition consistent with comparable first-class office building located in midtown Manhattan similar to the Building ("**Comparable Buildings**").

ARTICLE 11

Either party may at any time change the address for such notices, consents, approvals, demands or statements by mailing, as aforesaid, to the other party a notice stating the change and setting forth the changed address. If the term “Tenant”, as used in this Lease, refers to more than one person, any notice, consent, approval, demand or statement given as aforesaid to any one of such persons shall be deemed to have been duly given to Tenant. Any notice, consent, approval, demand or statement given pursuant to the above shall be deemed received on the day of delivery (with signed receipt) or rejection, as the case may be.

(b) Landlord and Tenant acknowledge and agree that with the exception of disputes arising under Sections 7.06, 24.03, 26.10, 32.01 and 34.04, all disputes arising, directly or indirectly, out of or relating to this Lease should be dealt with by application of the laws of the State of New York and adjudicated in the state courts of the State of New York sitting in New York County or the Federal courts sitting in the State of New York in New York County; and hereby expressly and irrevocably submit to the jurisdiction of such courts in any suit, action or proceeding arising, directly or indirectly, out of or relating to this Lease. So far as is permitted under the applicable law, this consent to personal jurisdiction shall be self-operative and no further instrument or action, other than service of process in one of the manners permitted by law, shall be necessary in order to confer jurisdiction upon such party in any such court. Provided that service of process is effected upon Landlord or Tenant, as the case may be, in one of the manners permitted by law, such party irrevocably waives, to the fullest extent permitted by law, and agrees not to assert, by way of motion, as a defense or otherwise: (i) any objection which it may have, or may hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court as is mentioned in this Section 11.01(b); (ii) any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum; or (iii) any claim that it is not personally subject to the jurisdiction of the above-named courts.

(c) Notwithstanding anything contained in this Lease to the contrary, bills for additional rent shall be deemed to have been duly given if sent to Tenant only (and no other party need receive it in order for the same to be deemed duly given) at the Premises (or Tenant's address as hereinbefore set forth if mailed prior to Tenant's occupancy of the Premises) by first class mail (and which need not be registered, certified or return receipt requested) or by messenger or recognized overnight courier without, in any case, the requirement of a signed receipt.

Section 11.02 Any notice provided by Landlord to Tenant prior to Landlord's receipt of notice of an assignment of this Lease shall be binding on such assignee regardless of whether such assignee received a copy of such notice. Any outcome of any action that Landlord may institute against Tenant prior to Landlord's receipt of notice of an assignment of this Lease shall be binding upon any such assignee regardless of whether such assignee was a party to such action. This Section 11.02 shall not be construed as negating the requirement of obtaining Landlord's prior written consent under Article 25 in those instances where the same is required.

ARTICLE 12

Conditions of Limitation

Section 12.01 This Lease and the term and estate hereby granted are subject to the limitation that:

(a) in case Tenant shall make an assignment of its property for the benefit of creditors or shall file a voluntary petition under any bankruptcy or insolvency law, or an involuntary petition under any bankruptcy or insolvency law shall be filed against Tenant and such involuntary petition is not dismissed within ninety (90) days after the filing thereof,

(b) in case a petition is filed by or against Tenant under the reorganization provisions of the United States Bankruptcy Code or under the provisions of any law of like import, unless such petition under said reorganization provisions be one filed against Tenant which is dismissed within one hundred eighty (180) days after its filing,

(c) in case a receiver, trustee or liquidator shall be appointed for Tenant or of or for all or substantially all of the property of Tenant, and such receiver, trustee or liquidator shall not have been discharged within sixty (60) days from the date of his appointment,

(d) in case Tenant shall default in the payment of any Fixed Rent or any recurring (on a monthly basis at the time of such default) additional rent payable hereunder by Tenant to Landlord on any date upon which the same becomes due, and such default shall continue for five (5) business days' after Landlord shall have given to Tenant a written notice specifying such default; or in case Tenant shall default in the payment of any non-recurring additional rent payable by Tenant to Landlord hereunder on any date upon which the same becomes due, and such default shall continue for ten (10) business days' after Landlord shall have given to Tenant a written notice specifying such default,

(e) in case Tenant shall default in the due keeping, observing or performance of any of Tenant's obligations hereunder (other than a default of the character referred to in clause (d) of this Section 12.01), and if such default shall continue and shall not be remedied by Tenant within twenty (20) days after Landlord shall have given to Tenant a written notice specifying the same, or, in the case of such a default which for causes beyond Tenant's control (which shall not include insufficiency of funds) cannot with due diligence be cured within said period of twenty (20) days, if Tenant: (i) shall not, promptly upon the giving of such notice, advise Landlord in writing of Tenant's intention to take all steps necessary to remedy such default with due diligence; (ii) shall not duly institute and thereafter diligently prosecute to completion all steps necessary to remedy the same; and (iii) shall not remedy the same within a reasonable time after the date of the giving of said notice by Landlord,

(f) in case any event shall occur or any contingency shall arise whereby this Lease or the estate hereby granted or the unexpired balance of the term hereof has, by operation of law or otherwise, devolved upon or passed to any firm, association, corporation, person or entity other than Tenant except as expressly permitted under Article 25 hereof,

then, in any of said cases, Landlord may give to Tenant a notice of intention to end the Term at the expiration of three (3) days from the date of the giving of such notice, and, in the event such notice is given, the expiration of said three (3) day period shall become the Expiration Date, but Tenant shall remain liable for damages as provided in this Lease or pursuant to applicable Requirements. The specified conditions of limitation in this Article 12 are not intended to be exclusive of Landlord's remedies at law or in equity and Landlord may invoke any additional remedies and/or rights which it may have at law or in equity.

Section 12.02 Intentionally deleted.

ARTICLE 13

Re-entry by Landlord

Section 13.01 If this Lease shall terminate as provided in Article 12 hereof provided, Landlord or Landlord's agents may immediately or at any time thereafter re-enter the Premises, or any part thereof, either by summary dispossess proceedings or by any suitable action or proceeding at law, or by force to the extent permitted by applicable Requirements, without being liable to indictment, prosecution or damages therefor, and may repossess the same, and may remove any persons therefrom, to the end that Landlord may have, hold and enjoy the Premises again as and of its first estate and interest therein. The words "re-enter", "re-entry" and "re-entering" as used in this Lease are not restricted to their technical legal meanings.

Section 13.02 In the event of any termination of this Lease under the provisions of Article 12 hereof or in the event that Landlord shall re-enter the Premises under the provisions of this Article 13 or in the event of the termination of this Lease (or of re-entry) by or under any summary dispossess or other proceeding or action or other measure undertaken by Landlord for the enforcement of its aforesaid right of re-entry or any provision of law (any such termination of this Lease being herein called a "**Default Termination**"), Tenant shall thereupon pay to Landlord the Fixed Rent, additional rent and any other charge payable hereunder by Tenant to Landlord up to the time of such Default Termination or of such recovery of possession of the Premises by Landlord, as the case may be, and shall also pay to Landlord damages as provided in Article 14 hereof or pursuant applicable Requirements. Also, in the event of a Default Termination Landlord shall be entitled to retain all moneys, if any, paid by Tenant to Landlord, whether as advance rent, security or otherwise, but such moneys shall be credited by Landlord against any Fixed Rent, additional rent or any other charge due from Tenant at the time of such Default Termination or, at Landlord's option, against any damages payable by Tenant under Article 14 hereof or pursuant to applicable Requirements.

Section 13.03 In the event of a breach or threatened breach on the part of either Landlord or Tenant of its respective obligations hereunder, Landlord and Tenant shall each have the right to seek injunction against the breaching party. The specified remedies to which Landlord or Tenant may resort hereunder are cumulative and are not intended to be exclusive of any other remedies or means of redress to which Landlord or Tenant, as the case may be, may lawfully be entitled at any time and Landlord or Tenant, as the case may be, may invoke any remedy allowed at law or in equity as if specific remedies were not herein provided for.

ARTICLE 14

Damages

Section 14.01 In the event of a Default Termination of this Lease, Tenant will pay to Landlord as damages, at the election of the Landlord, either:

(a) a sum which at the time of such Default Termination represents the then value of the excess, if any, of the Present Value, as hereinafter defined, of (1) the aggregate of the Fixed Rent and the additional rent under Article 26 (if any) which would have been payable hereunder by Tenant for the period commencing with the day following the date of such Default Termination and ending with the scheduled Expiration Date, over (2) the aggregate fair rental value of the Premises for the same period as determined by an independent real estate appraiser reasonably satisfactory to Tenant and Landlord and employed at Tenant's expense, in which case such liquidated damages shall be accelerated to be due and payable to Landlord in one lump sum on demand at any time commencing with the day following the date of such Default Termination and shall bear interest at the Default Rate, as herein defined, until paid; or

(b) sums equal to the aggregate of the Fixed Rent and the additional rent under Article 26 (if any) which would have been due and payable by Tenant during the remainder of the term had this Lease not terminated by such Default Termination, in which case such liquidated damages shall be computed and payable in monthly installments, in advance, on the first day of each calendar month following Default Termination of this Lease and continuing until the scheduled Expiration Date but for such Default Termination; provided, however, that if Landlord shall relet all or any part of the Premises for all or any part of said period, Landlord shall credit Tenant with the net rents received by Landlord from such reletting until the scheduled Expiration Date, such net rents to be determined by first deducting from the gross rents as and when received by Landlord from such reletting the expenses incurred or

paid by Landlord in terminating this Lease and of re-entering the Premises and, to the extent applicable, of securing possession thereof, as well as the reasonable expenses of reletting, including altering and preparing the Premises for new tenants, brokers' commissions and all other expenses properly chargeable against the Premises and the rental therefrom in connection with such reletting, it being understood that any such reletting may be for a period equal to or shorter or longer than said period; provided, further that: (i) in no event shall Tenant be entitled to receive any excess of such net rents over the sums payable by Tenant to Landlord hereunder; (ii) in no event shall Tenant be entitled, in any suit for the collection of damages pursuant to this clause (b), to a credit in respect of any net rents from a reletting except to the extent that such net rents are actually received by Landlord; and (iii) if the Premises or any part thereof should be relet in combination with other space, then appropriate apportionment on a square foot rentable area basis shall be made of the rent received from such reletting and of the expenses of reletting. Landlord shall have no obligation whatsoever to mitigate its damages upon Tenant's default under this Lease and Landlord shall not be liable in any way whatsoever for the failure to relet all or any portion of the Premises.

For the purposes of subdivision (a) of this Section 14.01, the amount of additional rent which would have been payable by Tenant under Article 26 hereof, for each Tax Year and/or Operating Year (as herein defined) ending after such Default Termination, shall be deemed an amount equal to the amount of such additional rent payable by Tenant for the Tax Year and/or Operating Year (as the case may be) ending immediately preceding such Default Termination. Suit or suits for the recovery of such damages, or any installments thereof, may be brought by Landlord from time to time at its election commencing at any time following a Default Termination, and nothing contained herein shall be deemed to require Landlord to postpone suit until the scheduled Expiration Date. "**Present Value**" shall be computed by discounting such amount to present value at a discount rate equal to the rate on US Treasury Bills or Notes having a term equal to the period between the date of Default Termination and the Expiration Date. "Default Rate" shall mean the lesser of: (i) the prime rate as published in The Wall Street Journal (or its successor) plus five percent (5%) per annum; or (ii) the highest rate of interest permitted by New York State law.

Section 14.02 Except as may be limited by the terms of this Lease, neither Landlord nor Tenant shall be precluded from recovery against the other party for sums or damages to which such party may lawfully be entitled by reason of any uncured default hereunder on the part of the breaching party. Except in such instances where a court of competent jurisdiction has determined that Landlord has acted in an arbitrary and capricious manner and in bad faith, Tenant shall make no claim for money damages wherever in this Lease it is provided that Landlord shall not unreasonably withhold or delay any consent or approval, in the event that Landlord shall unreasonably withhold or delay such consent or approval, nor shall Tenant claim any such money damages by way of setoff, counterclaim or defense.

Section 14.03 Notwithstanding any provision of this Lease to the contrary, in no event shall Landlord, any Underlying Indemnitee or Tenant be liable for consequential, incidental or punitive damages in connection with any claimed or actual breach of this Lease.

ARTICLE 15

Waivers by Tenant

Section 15.01 Tenant, for Tenant, and on behalf of any persons or entities claiming through or under Tenant, does hereby waive and surrender all right and privilege which they or any of them might have under or by reason of any present or future law to redeem the Premises or to have a continuance of this Lease for the full term hereby demised after Tenant is dispossessed or ejected therefrom by process of law or under the terms of this Lease or after the termination of this Lease as herein provided or pursuant to applicable Requirements. If Landlord commences any summary proceeding, Tenant agrees that Tenant will not interpose any counterclaim of whatever nature or description in any such proceeding (except compulsory counterclaims).

ARTICLE 16

Waiver of Trial by Jury

Section 16.01 It is mutually agreed by and between Landlord and Tenant that, except in the case of any action, proceeding or counterclaim brought by either of the parties against the other for personal injury or property damage, the respective parties hereto shall, and they hereby do, waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of landlord and tenant, Tenant’s use or occupancy of the Premises, and any emergency or any other statutory remedy.

ARTICLE 17

Elevators, Cleaning, Heating, Air Conditioning, Services, Etc.

Section 17.01 There are six (6) passenger elevators that service floors 2 through 10 and six (6) passenger elevators that service floors 11 through 18 that shall be subject to call during Business Hours, subject to interruptions for repairs or maintenance as permitted by this Lease, for temporary dedications for use by Landlord (no more than one (1) elevator at a time for these temporary dedications) and for compliance with any applicable Requirements. Tenant hereby elects to require Landlord to make the 10th floor a cross-over floor by programming two (2) elevators (elevator cars designated No. 7 and No. 12 as of the date hereof) (the "**Cross-Over Cars**") to stop on the 10th floor that will access floors 2 through 10 and floors 11 through 18 (the "**10th Floor Cross-Over Work**"). The performance of the 10th Floor Cross-Over Work shall be performed within a timeframe mutually agreed to by Landlord and Tenant provided that such work shall be performed before the Term Commencement Date and the actual, out-of-pocket cost of all such work shall be reimbursed by Tenant to Landlord within thirty (30) days after Landlords' written demand therefor, together with reasonable supporting documentation. Landlord agrees to perform the 10th Floor Cross-Over Work in a commercially reasonable diligent and expeditious manner. Landlord will have at least two (2) passenger elevators serving the Premises subject to call during the other hours plus one (1) of the two Cross-Over Cars. Landlord shall use commercially reasonable efforts to enforce the provisions of its elevator maintenance contract in effect as of the date of this Lease and any future elevator maintenance contracts. "**Business Hours**", as used in this Lease, means the hours of 8:00 A.M. to 6:00 P.M. of days other than Saturdays, Sundays and holidays observed by the State or Federal Government as legal holidays and such days as may now or hereafter be celebrated as holidays under the contract from time to time in effect between Locals 32B and 32J of the Buildings' Service Employees Union AFL-CIO (and successor thereto) and the Real Estate Advisory Board, Inc. (and any successor thereto).

Section 17.02 Landlord will cause the Premises to be cleaned in accordance with the specifications attached hereto as Exhibit G (provided Landlord shall not be required to clean portions of the Premises to the extent Tenant interferes with

Landlord's ability to clean such portions in accordance with the customs of Comparable Buildings), except any private/executive bathrooms (but Landlord, at Landlord's expense, shall clean core ADA toilets) and/or any portions of the Premises which may be used for the preparation, dispensing or consumption of food or beverages (pantries shall be cleaned by Landlord in accordance with Exhibit G) or for storage, shipping room, classroom or similar purposes (excluding conference rooms and mail room) or for the operation of a computer, data processing or similar operation, all of which portions Tenant shall cause to be kept clean at Tenant's own expense. If Tenant notifies Landlord of any deficiencies in the quality of the Exhibit G cleaning services provided by the cleaning contractor designated by Landlord from time to time as the Building's cleaning contractor (the "**Building Cleaning Contractor**"), Landlord shall use good faith efforts to address in a prompt manner such objections with the Building Cleaning Contractor, provided however, nothing contained herein shall be construed to require Landlord to remove or replace the Building Cleaning Contractor. To the extent that Tenant shall have cleaning requirements beyond those set forth in Exhibit G ("**Overstandard Cleaning Requirements**", subject to the provisions of this Section 17.02, Tenant shall use the Building Cleaning Contractor or Tenant's employees to perform such Overstandard Cleaning Requirement; provided, however that Tenant's use of its employees shall not result in labor disharmony (Landlord agreeing to cooperate, without cost to Landlord, with Tenant to try to mitigate same) or create any material risk of damage to the Building or Building Systems) and provided further that any Building Cleaning Contractor affiliated with Landlord shall perform the cleaning requirements required to be performed by it in a first class manner and shall charge rates that are commercially competitive with third party contractors for such services. Except as otherwise specifically provided for in this Lease, to the extent Landlord is not required to provide a particular Building service to Tenant, such as Overstandard Cleaning Requirements, Tenant may utilize its employees (provided Tenant's use of its employees shall not result in labor disharmony and Landlord agreeing to cooperate, without cost to Landlord, with Tenant to mitigate the same) or engage third parties to perform such services, subject in all instances to Landlord's reasonable approval of Tenant's engagement of such third party service provider and to all applicable provisions of this Lease.

Section 17.03 Landlord shall, through the heating, ventilation and air conditioning system ("**HVAC**"), furnish to, and distribute in, the Premises heating and/or air conditioning during Business Hours as is necessary to meet the specifications in

Exhibit H attached hereto; provided, however, that Landlord shall not be liable for uncomfortable conditions in the Premises if the cause of the uncomfortable conditions is due to the fact that Tenant's cooling/heating needs are over and above the capacity/specifications of the Building's HVAC system set forth in Exhibit H. Tenant agrees to lower and close the blinds when necessary because of the sun's position whenever said HVAC system is in operation, and Tenant agrees at all times to cooperate fully with Landlord and to abide by all the requirements set forth in the Rules and Regulations for the proper functioning and protection of said HVAC system. Landlord shall at all times have free and unrestricted access to any and all HVAC facilities in the Premises in accordance with the provisions of this Lease.

Section 17.04 Landlord will, when and to the extent requested by Tenant, furnish freight elevator or additional elevator, HVAC, or cleaning services (collectively "**Additional Services**") upon such rates (the "**Additional Service Rates**"), terms and conditions as shall be determined by Landlord for the Building generally in its sole, but reasonable discretion and promulgated to Tenant from time to time. The parties agree that Tenant may request Additional Services on the same day such services shall be required by notifying Landlord's Building management office by electronic mail at or before 2:00 pm during Business Hours ("**Additional Services Notice**"); provided, however that if Landlord is able to accommodate an untimely Additional Services Notice, Landlord will reasonably attempt, but shall not be obligated, to do so. Tenant shall pay to Landlord as additional rent within thirty (30) days after receipt from Landlord of an invoice setting forth Landlord's charges based on the Additional Service Rates for such Additional Services. If other 1633 Occupants in the Building within the same HVAC zone as Tenant are also receiving Additional Services of air conditioning or heating service at the same time as Tenant, Tenant shall only be charged its prorata share of the Additional Service rate for HVAC, such prorata share computed based on the rentable area of the Premises and the rentable area of such other tenants' space. By way of example of the foregoing, if Tenant's Premises comprises 300,000 rentable square feet and the other tenant simultaneously using Additional Services of air conditioning or heating service occupies premises comprises 50,000 rentable square feet, Tenant shall pay for 83% of the Additional Services charge for Additional Services HVAC. Additionally, if other 1633 Occupants are using the freight elevator or the loading dock as an Additional Service at the same time as Tenant, Tenant shall only be charged for its prorata share of the applicable Additional Service charges. The Additional Service Rates, including Overstandard Cleaning Requirements and the bulk rate for overtime HVAC are set

forth on Exhibit I attached hereto, which rates may be increased from time to time based upon increases in Landlord's actual costs without markup or surcharge. Notwithstanding anything in Exhibit I to the contrary, the rate for overtime HVAC for Tenant for the hours between 6:00 PM and 8:00 PM beyond Business Hours shall be $800.00 per hour, subject to increase as provided in the immediately preceding sentence. Overstandard Cleaning Requirements shall include, without limitation, (a) any cleaning of the Building or any part thereof required because of the negligence of Tenant or the cleaning of any unusual stains from floors or walls caused by any food or beverages, (b) any cleaning done at the request of Tenant of any portions of the Premises which may be used for private/executive bathrooms and/or the preparation, dispensing or consumption of food or beverages or for storage, shipping room, classroom or similar purposes (excluding conference rooms) or for the operation of computer, data processing or similar equipment, and (c) the removal of any of Tenant's refuse and rubbish from the Building, except refuse and rubbish arising from using the Premises for the uses permitted hereunder and ordinary cleaning by Landlord as specified in Section 17.02 hereof. Tenant understands that all: (i) deliveries and removals of construction tools, materials, equipment etc. in connection with Tenant's Changes or surrender of the Premises; and/or (ii) deliveries and removals of furniture and personal property in connection with Tenant's move-in to and vacating of the Premises, shall be done during non-Business Hours. Subject to Building rules and regulations and mutually agreeable scheduling: (i) Tenant shall have use of the loading dock and freight elevator on a non-exclusive basis during Business Hours and on a reserved exclusive basis after Business Hours; and (ii) Tenant shall be entitled to receive one hundred and seventy-five (175) hours of free overtime freight elevator service during the performance of Tenant's Work and its move into the Premises. Tenant shall have the exclusive right to use one (1) of the Building's freight elevators only during the performance of Tenant's Work, subject to Building rules and regulations. Tenant agrees at all times to exclusively utilize the rubbish contractor which Landlord from time to time designates as the Building's rubbish contractor, provided such contractor's cost are commercially competitive.

Section 17.05 Landlord reserves the right, without liability to Tenant and without constituting any claim of constructive eviction, to stop or interrupt any HVAC, elevator, escalator, lighting, gas, steam, plumbing, power, electricity, water, condenser water, cleaning or other service and to stop or interrupt the use of any Building facilities at such times as may be necessary and for as long as may reasonably be required by reason of accidents, strikes, or the making of repairs,

maintenance or replacements, or inability to secure a proper supply of fuel, gas, steam, water, electricity, labor or supplies, or by reason of causes beyond the reasonable control of Landlord. No such stoppage or interruption shall entitle Tenant to any diminution or abatement of rent or other compensation nor shall this Lease or any of the obligations of Tenant be affected or reduced by reason of any such stoppage or interruption; provided, however if all or more than forty percent (40%) of any floor of the Premises (and Tenant does not occupy such affected portion for the normal conduct of business) shall be rendered untenantable or inaccessible for a period in excess of twenty (20) consecutive days by reason of any circumstance beyond Landlord's reasonable control, then Tenant shall, as its sole and exclusive remedy, be entitled to an abatement of the Fixed Rent and Article 26 additional rent payable hereunder (on a prorata square foot basis) commencing on the twenty-first (21st) day and continuing until the day upon which the affected portion of the Premises becomes tenantable/accessible. Tenant shall not be entitled to the abatement provided in this Section 17.05 at any time (and for the length of time) that Tenant is in monetary default beyond any applicable notice and cure period of any of the terms or conditions of this Lease and/or if Tenant's breach of this Lease, negligence or willful misconduct caused the circumstances which gave rise to the inaccessibility or untenantability. Landlord agrees to make reasonable efforts to limit the duration of any such stoppage or interruption but shall not be required to perform the same on an overtime or premium pay basis beyond what would be customary for Comparable Buildings, unless Tenant agrees in writing to reimburse Landlord for the cost of such overtime or premium pay basis or unless such stoppage or interruption materially interferes with the use of the Premises for the conduct of its business. Landlord shall provide Tenant with at least ten (10) days prior written notice of any known or anticipated stoppage or interruption of service and in the event that Tenant shall reasonably determine that such proposed stoppage of service shall materially interfere with the conduct of its business, then Tenant shall so inform Landlord within five (5) days after the giving of Landlord's notice and Landlord shall use commercially reasonable efforts to reschedule the anticipated stoppage or interruption of service for a time reasonably satisfactory to Tenant.

Section 17.06 Tenant acknowledges that the operation of elevators and HVAC equipment will cause some vibration, noise, heat or cold which may be transmitted to other parts of the Building and Premises. Landlord shall be under no obligation to endeavor to reduce such vibration, noise, heat or cold beyond what is customary

in current good building practice for buildings of the same first-class nature as the Building in the midtown area of the Borough of Manhattan. No Landlord installed equipment shall cause generation of noise levels within the Premises (but not the 7th Floor Terrace) in excess of a NC-40 Noise Standard within fifteen (15) feet of a mechanical room (which includes the entire 11th floor) or mechanical equipment (including the mechanical equipment on the 7th Floor Terrace).

Section 17.07 Use of the term "**Building Standard**" or similar terminology in this Lease or in the exhibits attached hereto, shall mean Landlord's standard criteria, requirements or specifications (qualitatively based or quantitatively based) used in connection with maintenance, work or improvements in the Building, which standards shall be consistent with the Comparable Building standard set forth in Section 10.02 hereof, or with reference to a charge, such charges as are contained in Exhibit I.

Section 17.08 Subject to the other terms and conditions of this Lease and such reasonable security regulations as Landlord may promulgate from time to time, Landlord agrees that Tenant shall have twenty-four (24) hours per day, three hundred and sixty-five (365) days per annum access to the Premises.

Section 17.09 Landlord shall provide (subject to interruptions pursuant to Section 17.05 hereof) on a twenty-four (24) hours per day, seven (7) days per week basis up to a maximum of 200 tons per annum of condenser water, the actual number of tons shall be requested by Tenant within six (6) months after the date of this Lease. Notwithstanding anything to the contrary contained herein, Tenant shall have the option (which option may be exercised in part from time to time) of: (A) reducing the tonnage of condenser water furnished to the Premises upon reasonable written notice to Landlord, which notice shall specify the amount of condenser water that Tenant desires to return to Landlord and any work required in connection therewith shall be at Tenant's sole expense; (B) requiring Landlord to furnish additional condenser water (the "**Additional Tonnage**") to the Premises upon reasonable written notice to Landlord, which notice shall set forth the specific Additional Tonnage desired by Tenant, provided however: (i) Tenant demonstrates the need for the Additional Tonnage to Landlord's reasonable satisfaction; (ii) Tenant shall, at its sole expense, be responsible for all costs associated with such Additional Tonnage (and any costs payable to Landlord in connection therewith must be reasonable and actual out-of-pocket costs); and (iii) the Building shall have additional condenser water available as determined by Landlord in its sole, but reasonable discretion.

Tenant shall pay to Landlord together with payments of Fixed Rent and in equal monthly installments, as additional rent, the sum of Five Hundred and 00/100 Dollars ($500.00) per ton per annum for such condenser water as and commencing when requested initially and as thereafter may be furnished to Tenant in accordance with the above provisions (irrespective of actual usage). Tenant shall not be obligated to pay Landlord's tap-in charge for any condenser water which Tenant reserves. Tenant, as part of Tenant's Changes, shall, at its sole expense, make all installations (including, without limitation, a pumping station) and connections required to obtain such condenser water.

ARTICLE 18

Lease Contains All Agreements—No Waivers

Section 18.01 This Lease contains all the covenants, agreements, terms, provisions and conditions relating to the leasing of the Premises hereunder, and Tenant acknowledges that neither Landlord nor Landlord's agents have made, and Tenant in executing and delivering this Lease is not relying upon, any warranties, representations, promises or statements, except to the extent that the same may expressly be set forth in this Lease.

Section 18.02 The failure of either party to insist in any instance upon the strict performance of any provision of this Lease or to exercise any election herein contained shall not be construed as a waiver or relinquishment for the future of such provision or election, but the same shall continue and remain in full force and effect, provided however, the foregoing shall not be construed as extending the time in which either party is obligated to exercise any rights under this Lease, which by the terms hereof must be exercised within a specified period. No waiver or modification by either party of any provision of this Lease or other right or benefit shall be deemed to have been made unless expressed in writing and signed by the party against whom enforcement is sought. No surrender of the Premises or of any part thereof or of any remainder of the Term shall be valid unless accepted by Landlord in writing. Any breach by Tenant of any provision of this Lease shall not be deemed waived by (a) the receipt and retention by Landlord of Fixed Rent or additional rent from anyone other than Tenant or (b) the acceptance of such other person as a tenant or (c) a release of Tenant from the further performance by Tenant of the provisions of this Lease or (d) the receipt and retention by Landlord of Fixed Rent or additional rent with knowledge of the breach of any provision of this Lease. No

payment by Tenant or receipt or retention by Landlord of a lesser amount than any Fixed Rent or additional rent herein stipulated shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement of any check or any letter accompanying any check or payment as such rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy in this Lease provided. No executory agreement hereafter made between Landlord and Tenant shall be effective to change, modify, waive, release, discharge, terminate or effect an abandonment of this Lease, in whole or in part, unless such executory agreement is in writing, refers expressly to this Lease and is signed by the party against whom enforcement of the change, modification, waiver, release, discharge or termination or effectuation of the abandonment is sought.

ARTICLE 19

Parties Bound

Section 19.01 The covenants, agreements, terms, provisions and conditions of this Lease shall bind and benefit the respective successors, assigns and legal representative of the parties hereto with the same effect as if mentioned in each instance where a party hereto is named or referred to, except that no violation of the provisions of Article 25 hereof shall operate to vest any rights in any successor, assignee or legal representative of Tenant and that the provisions of this Article 19 shall not be construed as modifying the conditions of limitation contained in Article 12 hereof. It is understood and agreed, however, that the covenants and obligations on the part of Landlord under this Lease shall not be binding upon Landlord herein named with respect to obligations arising during any period subsequent to the transfer of its interest in the Building, that in the event of such a transfer said covenants and obligations shall thereafter be binding upon each transferee of such interest of Landlord herein named, but only with respect to the period ending with a subsequent transfer of such interest, and that a lease of the entire interest of the Building (and the Land if there is a merger of the ownership interests of the Land and Building, i.e., the Ground Lessor and Ground Lessee positions) shall be deemed a transfer within the meaning of this Article 19.

ARTICLE 20

Curing Tenant's Defaults—Additional Rent

Section 20.01 If Tenant shall default in the keeping, observance or performance of any provision or obligation of this Lease beyond the expiration of any applicable notice and cure period (an "**Event of Default**"), Landlord, without thereby waiving such Event of Default, may perform the same for the account (and Tenant shall pay Landlord's reasonable charge therefor) of Tenant, without notice in a case of emergency (other than such notice, if any, as shall be practical under the circumstances). Bills for any reasonable expense incurred or charged by Landlord in connection with any such performance by Landlord for the account of Tenant and as result of Tenant's Event of Default, and bills for all reasonable costs, charges, expenses and disbursements of every kind and nature whatsoever, including, but not limited to, reasonable counsel fees and disbursements, involved in collecting or endeavoring to collect the Fixed Rent or additional rent or other charge or any part thereof or enforcing or endeavoring to enforce any rights against Tenant, under or in connection with this Lease, or pursuant to law, it being agreed Landlord may recover its counsel fees only in connection with the instituting and prosecuting of any action or proceeding (including any summary dispossess proceeding if Landlord prevails in the outcome of such action or proceeding), as well as bills for any property, material, labor or services provided, furnished or rendered, or caused to be provided, furnished, or rendered, by Landlord to Tenant including (without being limited to) electric lamps and other equipment, construction work done for the account of Tenant, water, towel and other services, as well as for any charges for any additional elevator, heating, air conditioning or cleaning services incurred under Article 17 hereof and any charges for other similar or dissimilar services incurred under this Lease, may be sent by Landlord to Tenant monthly, or immediately, at Landlord's option, and shall be due and payable within thirty (30) days after demand as additional rent under this Lease, together with reasonable back-up documentation. If any Fixed Rent, additional rent or any other costs, charges, expenses or disbursements payable under this Lease by Tenant to Landlord are not paid within five (5) days after the same is due, the same shall bear interest at the Default Rate from the due date thereof until paid and the amount of such interest shall be additional rent.

Section 20.02 In the event that Tenant is in arrears in payment of Fixed Rent or additional rent or any other charge after provision of notice thereof and the expiration of any applicable cure or grace period, Tenant waives Tenant's right, if any, to designate the items against which any payments made by Tenant are

to be credited, and Tenant agrees that Landlord may apply any payments made by Tenant to any items Landlord sees fit, irrespective of and notwithstanding any designation or request by Tenant as to the items against which any such payments shall be credited. Landlord reserves the right, without liability to Tenant without constituting any claim of constructive eviction, to suspend furnishing or rendering to Tenant any overtime/overstandard property, material, labor or other service, wherever Landlord is obligated to furnish or render the same at the expense of Tenant, in the event that (but only so long as) Tenant is in arrears beyond the expiration of any applicable notice and cure period in paying Fixed Rent or additional rent (previously billed to Tenant) due under this Lease. In addition, Landlord may (without releasing Tenant from any liability under this Lease) suspend furnishing to Tenant freight elevator service at the time Tenant desires or is obligated to vacate or remove any property from the Premises in the event that Tenant is in arrears in paying any Fixed Rent or additional rent (previously billed to Tenant) beyond the expiration of any applicable notice and cure period, due under this Lease unless Tenant pre-pays Landlord for such freight elevator service.

Section 20.03 Subject to the rights (including notice rights) of any mortgagee and/or ground lessor and to Section 21.01 hereof, if: (i) Landlord shall default in the performance of its obligations under Section 17.01 to clean the Premises; or (ii) Landlord shall default in the performance of its obligations under Section 10.01 and 10.02 with respect to parts of the Building and/or Building systems located wholly within and adversely affecting the Premises, and, in either such case, Landlord fails to respond seven (7) business days after Landlord receives notice thereof from Tenant, then Tenant may send a second notice to Landlord (in strict accordance with Section 11.01(a) hereof) stating in bold that Landlord's failure to cure or commence the cure of such default (and diligently prosecute the cure of same) within seven (7) business days after Landlord's receipt of the second notice from Tenant (and in the case of emergencies only, such second notice to Landlord may be sent by email to: Ralph DiRuggiero (rdiruggiero@paramount-group.com), Jeff Caimi (jcaimi@paramount-group.com) and Bernard Marasco (bmarasco@paramount-group.com) and such ten (10) business day period after Landlord's second notice shall be reduced to two (2) business days), Tenant may, subject to provisions below and only until and for so long as Landlord shall fail to cure or commence the cure as specified in Tenant's notice, perform the same for the account of Landlord and Landlord shall pay Tenant's reasonable actual out-of-pocket costs without profit or mark-up therefor. Tenant may not exercise its right under this Section 20.03 if Landlord has notified Tenant of Landlord's good faith and reasonable dispute with any matter pertaining to the default in question.

ARTICLE 21

Inability to Perform

Section 21.01 Subject to Section 17.05 hereof and except as otherwise expressly provided for in this Lease, this Lease and the obligations of Tenant to pay rent hereunder and perform all the other covenants, agreements, terms, provisions and conditions hereunder on the part of Tenant to be performed shall in no way be affected, impaired or excused because Landlord is unable to fulfill any of its obligations under this Lease or is unable to supply or is delayed in supplying any service expressly or implicitly to be supplied or is unable to make or is delayed in making any repairs, replacements, additions, alterations or decorations or is unable to supply or is delayed in supplying any equipment or fixtures if Landlord is prevented or delayed from so doing by reason of accidents, emergencies, acts of God, acts of war, acts of third parties (not controlled by Landlord or who are not acting on behalf of Landlord), strikes or labor troubles or other cause beyond Landlord's reasonable control, including, but not limited to, governmental preemption in connection with a national emergency or by reason of the conditions of supply and demand which have been or are affected by war, hostilities or other emergency. Except as otherwise expressly provided for in this Lease, if this Lease specifies a time period for the performance of an obligation by Landlord, that time period shall be extended by the period of delay caused by any of the aforementioned causes beyond Landlord's reasonable control. Neither Landlord's financial condition nor the unavailability to Landlord of sufficient funds shall be deemed to be a cause beyond Landlord's reasonable control.

ARTICLE 22

Adjacent Excavation—Shoring

Section 22.01 If an excavation shall be made upon land adjacent to or under the Building, or shall be authorized to be made, Tenant shall afford to the person causing or authorized to cause such excavation, license to enter upon the Premises for the purpose of doing such work as said person shall deem reasonably necessary or desirable to preserve the Building from injury or damage and to support the same by proper foundations without any claim for damages or indemnity against Landlord, or diminution or abatement of rent.

ARTICLE 23

Article Headings

Section 23.01 The Article headings of this Lease are for convenience only and are not to be considered in construing the same.

ARTICLE 24

Electricity and Water

Section 24.01 For the purposes of this Article, the term "**Electric Rate**" shall mean one hundred percent (100%) of Landlord's average cost per kilowatt hours for electricity for the Building ("**Landlord's Actual Cost**"). The Landlord's Actual Cost shall be computed by taking the Landlord's total electrical bill including both consumption and demand charges, fuel adjustment charges (as determined for each month of the relevant period and not averaged), rate adjustment charges, sales tax, and/or any other factors or charges, actually used by the utility servicing the Building in computing the charges for Tenant's usage (and inclusive of all discounts provided to the Building), divided by the total number of kilowatt hours and with no profit or mark up to Landlord. Tenant shall pay an amount equal to the product of (i) total number of kilowatt hours consumed by Tenant, multiplied by (ii) Landlord's Actual Cost. Subject to the provisions of this Article 24, Landlord shall furnish electric energy to the Premises on a submetering basis for the purposes permitted under this Lease and Tenant shall purchase the same from Landlord at the Electric Rate as applied to the electric energy consumed in the Premises, which electric energy shall be measured by a meter or meters (which meters and all supplemental equipment and all other necessary work necessary for the installation of the submeters shall, at Landlord's cost, be installed prior to the Term Commencement Date to the extent not already so installed and shall measure only Tenant's electrical consumption) maintained by Landlord at Tenant's expense. Tenant shall have the right, from time to time, at Tenant's sole expense, to check the accuracy of the aforesaid meter or meters by the use of check meters.

Section 24.02 Landlord hereby represents and covenants that six (6) watts per usable square feet of electrical demand load exclusive of base Building HVAC (the "**Standard Electrical Load**") is and shall be available to the Premises subject to the Section 17.05 and Section 24.06 hereof. Tenant covenants and agrees that at no time will the demand electrical load in the Premises exceed the Standard Electrical Load. Landlord shall deliver the Standard Electrical Load to the Premises through the existing electric risers in the Building and Tenant shall have the right to distribute the Standard Electrical Load across the Premises as it so elects in its sole discretion provided that such power shall be limited to Tenant's power requirements in the Premises. Tenant shall furnish, install and replace, as required, all lighting tubes, lamps, bulbs and ballasts and all such equipment so installed shall be customary in first class office buildings and shall be dignified and of a first class nature and shall become Landlord's property upon the expiration or earlier termination of this Lease. Tenant shall have the right to use existing electrical transformer capacity within the Premises, Landlord represents and covenants that such electrical transformer capacity is and shall be readily available to Tenant and in usable condition.

Section 24.03 Tenant's use of electric energy in the Premises and/or the Building's telephone network shall not at any time exceed the capacity of any of the equipment in or otherwise serving the Premises exclusive of base Building HVAC. The foregoing sentence notwithstanding, Tenant shall have the right to obtain electrical capacity in excess of the Standard Electrical Load (the "**Additional Electrical Load**")provided that: (i) Tenant demonstrates the need for the Additional Electrical Load to Landlord's reasonable satisfaction; (ii) Tenant shall be solely responsible for all actual, out-of-pocket costs incurred by Landlord to provide the Additional Electrical Load to the Premises, provided there shall be no tap-in fee payable by Tenant for accessing such Additional Electrical Load; and (iii) the Building shall have such additional power available as determined by Landlord in its sole but reasonable discretion. The Building does not have an emergency generator available for use by the Premises; however, upon providing Landlord with prior written notice and subject to availability of space as determined by Landlord in its sole but reasonable discretion for the installation of an emergency generator, Tenant shall have the right to install, as a Tenant's Change subject to Landlord's reasonable approval of plans and specifications therefor, one (1) emergency generator in size and in the location reasonably approved by Landlord for its exclusive use (a "**Tenant Generator**"). If Tenant elects to install a Tenant Generator, then within sixty (60) days from the date on which Tenant notified Landlord of its desire to install a Tenant Generator, Landlord shall provide appropriate space for the Tenant Generator in a location reasonably approved by Tenant (the "**Tenant**

Generator Location"). If (a) Tenant fails to commence and diligently pursue the installation of the Tenant Emergency Generator within six (6) months from the date on which the parties have agreed on a Tenant Generator Location and (b) another tenant in the Building shall with an existing right to install its own generator has notified Landlord in accordance with its lease of its desire to do so and the Tenant Generator Location is the only suitable location available to such other tenant, then Landlord shall provide Tenant with not less than thirty (30) days prior notice of the same. If Tenant shall either (x) notify Landlord that it no longer desires to use the Tenant Generator Location or (y) shall not commence and diligently pursue the installation of its Tenant Generator within thirty (30) days from the date of Landlord's notice, Tenant's right to the specific Tenant Generator Location shall lapse unless and until such Tenant Generator Location becomes available. Landlord shall permit Tenant reasonable access to the Tenant Generator Location and all necessary mechanical rooms and Building Systems for construction, installation, maintenance, repair, operation and use of the same. In the event that Tenant elects to install the Tenant Generator, such Tenant Generator shall utilize fuel from a supply and location approved by Landlord in its sole but reasonable discretion. All costs of whatsoever nature associated with the Tenant Generator, the Tenant Generator Location and the fuel supply and location shall be at Tenant's sole cost and expense. In addition, Tenant shall pay Landlord a fair market rental for the Tenant Generator Location and fuel tank if located in areas other than the roof of, or in a mechanical room within, the Building, and if the parties are unable to reach agreement as to such fair market rental, same will be determined generally utilizing the procedure set forth in Section 32.01(c) of this Lease.

Section 24.04 Tenant may elect to have Landlord discontinue furnishing electric energy to Tenant in the Premises at any time upon not less than 180 days' notice to Landlord. If Tenant exercises such right, this Lease shall continue in full force and effect and shall be unaffected thereby, except that from and after the effective date of such discontinuance Landlord shall not be obligated to furnish electric energy to Tenant and Tenant shall not be obligated to pay Landlord for any electric energy furnished to the Premises. If Tenant elects to have Landlord discontinue furnishing electric energy to Tenant, Tenant shall arrange to obtain electric energy directly from the public utility company or alternate utility provider (if any as selected by Landlord) furnishing electric energy to the Building. Such electric energy may be furnished to Tenant by means of the then existing building system feeders, risers and wiring. All meters and additional panel

boards, feeders, risers, wiring and other conductors and equipment which may be required to obtain electric energy directly from such public utility company shall be furnished and installed by Tenant at Tenant's cost and Landlord shall cooperate (at no cost to Landlord) with Tenant with respect to such installation as well as provide all necessary space for such equipment, but only to the extent reasonably required for such equipment and for wiring and only to the extent such space is deemed reasonably available by Landlord.

Section 24.05 Landlord shall provide sufficient water to the Premises for (i) normal office use, including cleaning the Premises; (ii) Landlord's air conditioning equipment during Business Hours; and (iii) drinking, pantry, lavatory or toilet facilities in the core area of the Premises. Tenant shall pay for same as part of Operating Expenses. In no event shall Landlord be obligated to provide hot water to the Premises, only warm water to the core bathrooms.

Section 24.06 Subject to Section 17.05 and except as otherwise specifically provided herein to the contrary, Landlord shall in no way be liable or responsible to Tenant for any loss or damage or expense which Tenant may sustain or incur by reason of any failure, inadequacy or defect in the character, quantity or supply of electricity, water or telephone network access and/or service furnished to the Premises, except to the extent caused by the negligence, wrongful acts or omissions (where this Lease or Requirements impose a duty to act) of Landlord or willful misconduct of any Landlord Parties.

Section 24.07 Except as otherwise set forth herein, effective as of the Term Commencement Date, Tenant shall pay to Landlord, as additional rent, the amounts from time to time billed by Landlord pursuant to the provisions of this Article 24, each such bill to be accompanied by reasonable supporting documentation and to be paid within thirty (30) days after the same has been rendered. If any tax is imposed upon Landlord's receipts from the sale or resale of electric energy to Tenant under federal, state, municipal or other law, such tax may, to the extent permitted by law, be passed on by Landlord to Tenant and be included as additional rent, in the bills payable by Tenant hereunder.

Section 24.08 Notwithstanding anything contained in this Article 24 to the contrary, if the law or utility servicing the Building requires Tenant to convert the method by which it receives electricity, then the equitable cost allocable to the Premises to so convert shall be split equally between Landlord and Tenant, provided however, Landlord shall have no right to require such conversion if it is not required by the law or the utility servicing the Building.

Section 24.09 Tenant acknowledges that Landlord may now, or in the future, have the right to select the entity or entities which will provide electrical power to the Building (including, the Premises). Landlord shall have the right, in its sole discretion, to select any entity or entities which it desires to have as the electrical service provider to the Building (including, the Premises) and Tenant shall not have the right to select the same or participate in the selection of the same except and unless applicable law requires that Tenant have any such right(s) (and then only to the extent applicable law requires) provided that any service provider that is affiliated with Landlord shall charge rates that are competitive with third party service providers of similar service. Notwithstanding the foregoing, Tenant shall have the right, subject to Landlord's reasonable approval, to select the telecommunications service providers that it uses in the Premises except to the extent that such right shall violate any existing exclusive use agreements that Landlord may have with other telecommunications service providers. To the extent Landlord approves a telecommunications service provider for Tenant that does not service the Building as of the date of this Lease, Tenant's right to use such provider is conditioned upon such provider entering into such agreement and upon such commercially reasonable terms as Landlord shall require, customary with industry practices. All costs associated with the telecommunication services provided to Tenant shall be at Tenant's sole expense.

ARTICLE 25

Assignment, Mortgaging, Subletting, Etc.

Section 25.01 Tenant shall not, whether directly, indirectly, voluntarily, involuntarily, or by operation of law or otherwise (a) assign or otherwise transfer this Lease or the term and estate hereby granted or any interest herein or offer or advertise to do so, (b) sublet the Premises or any part thereof, or offer or advertise to do so, or allow the same to be used, occupied or utilized by anyone other than Tenant, or (c) mortgage, pledge, encumber, grant a security interest in or otherwise hypothecate this Lease or the Premises or any interest therein or any part thereof in any manner whatsoever, without in each instance obtaining the prior written consent of Landlord. Landlord shall not unreasonably withhold, condition or delay its consent to any

advertisement to sublet all or any portion of the Premises or assign this Lease if such advertisement does not contain the financial terms of such assignment, but in all events, Tenant shall have the right to list the assignment or subletting with a broker.

Section 25.02 (a) If Tenant is a corporation, partnership or other entity, the provisions of subdivision (a) of Section 25.01 shall apply to: (i) a transfer of a majority percentage interest of the stock or beneficial ownership interest, as the case may be, of Tenant (however accomplished, whether in a single transaction or in a series of related or unrelated transactions); (ii) a transfer by operation of law or otherwise, of Tenant's interest in this Lease; and/or (iii) any increase in the amount of issued and/or outstanding shares of capital stock of any corporate Tenant (or partnership interests of any partnership Tenant or membership interests of any limited liability company) and/or the creation of one or more additional classes of capital stock of any corporate Tenant (or partnership interests of any partnership Tenant or membership interest of any limited liability company) (however accomplished, whether in a single transaction or in a series of related or unrelated transactions), with the result that the Tenant shall no longer be controlled by the beneficial and record owners of the capital stock of such corporate Tenant (or partnership interests in the case of a partnership or membership interests in the case of a limited liability company) as of the date immediately prior to such event. Notwithstanding anything contained herein to the contrary, the (A) reorganization of Tenant from one form of entity to another, (B) change in situs or place of organization, (C) merger or consolidation of Tenant with and/or into another entity, (D) the sale, transfer and/or assignment of all or substantially all of Tenant's assets, stock or other equity interests to another entity or (E) the transactions described in Section 25.02(a)(i)-(iii) above (the entity resulting from the transactions described in clauses (A)-(E) above, a, "Successor Entity") shall not constitute an assignment of this Lease or be subject to the restrictions in Section 25.01, provided that: (1) the principal purpose of any of the foregoing transactions is not to circumvent the restrictions on assignment set forth in this Article 25; and (2) the Successor Entity has a net worth computed in accordance with generally accepted accounting principles (or if Tenant and/or Successor Entity do not ordinarily prepare their respective financial statements in accordance with generally accepted accounting principles, then on the basis of another recognized basis of accounting consistently applied and regularly used by such party which shall include, without limitation, the income tax basis) equal to or greater than Tenant's net worth

immediately prior to such transaction; and (3) Successor Entity has executed an Assumption Agreement (as hereinafter defined in Section 25.04 below); pursuant to Section 25.04 hereof; and (4) Tenant provides Landlord with reasonably satisfactory evidence of the same at least ten (10) days prior to such transaction (and if prior disclosure is not legally permissible (whether by confidentiality agreement or otherwise) or practical to do so, then promptly following the time when disclosure is legally permissible or practical to do so). Notwithstanding the above, Section 25.01 shall not apply to: (y) transfers of stock in a corporation or other type of entity whose shares or units are traded in the "over-the-counter" market or any recognized securities exchange; or (z) any sale or issuance of Tenant's stock or units of interest in connection with a public offering.

(b) Notwithstanding anything contained in this Article 25 to the contrary, Tenant may assign this Lease and/or sublease the Premises or any portion thereof to any entity which controls Tenant, Tenant controls and/or is under common control with Tenant (each such entity, an "**Affiliate**"), without having to obtain Landlord's prior written consent, which assignment or sublease shall not be subject to Section 25.06 or 25.13 below, provided that: (a) Tenant is not in monetary or material non-monetary default of any of the terms or conditions of this Lease beyond the expiration of any applicable notice and cure period at the time of the making of such assignment or sublease or the time such assignment or sublease is to take effect or commence, as the case may be, (b) Tenant provides Landlord with at least five (5) business days' prior written notice thereof along with a fully executed copy of the assignment or sublease, (c) Tenant provides Landlord, from time to time (initially as well as any time thereafter but in no event more than once per annum), within five (5) business days' after Landlord requests the same in writing, such evidence and/or affidavits as Landlord may reasonably require in order to confirm the satisfaction of the above-described control test, (d) intentionally deleted and (e) said assignee or subtenant continues at all times thereafter to satisfy the above-described control test.

Section 25.03 If this Lease shall be assigned, whether or not in violation of the provisions of this Lease, Landlord may, after default by Tenant, and notice and the expiration of Tenant's time to cure such default, collect rent from the assignee. If the Premises or any part thereof are sublet or used or occupied by anybody other than Tenant, whether or not in violation of this Lease, Landlord may, after default by Tenant, and notice and the

expiration of Tenant's time to cure such default, collect rent from the subtenant or occupant. In either event, Landlord shall apply the net amount collected to the Fixed Rent and additional rent herein reserved, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any of the provisions of Section 25.01, or the acceptance of the assignee, subtenant or occupant as tenant, or as a release of Tenant from the performance by Tenant of Tenant's obligations under this Lease. The consent by Landlord to assignment, mortgaging, subletting or use or occupancy by others shall not in any way be considered to relieve Tenant from obtaining the express written consent of Landlord to any other or further assignment, mortgaging, subletting or use or occupancy by others not expressly permitted by this Article. References in this Lease to use or occupancy by others, that is anyone other than Tenant, shall not be construed as limited to subtenants and those claiming under or through subtenants but as including also licensees and others claiming under or through Tenant, immediately or remotely.

Section 25.04 Any assignment or transfer, whether made with or without Landlord's consent pursuant to Section 25.01 or Section 25.02, shall be made only if, and shall not be effective until, the assignee or transferee shall execute, acknowledge and deliver to Landlord an agreement whereby the assignee or transferee shall assume from and after the date of such assignment the obligations of this Lease on the part of Tenant to be performed or observed and whereby the assignee or transferee shall agree that the provisions in Section 25.01 shall, notwithstanding such assignment or transfer, continue to be binding upon it in respect of all future assignments and transfers (an "**Assumption Agreement**"). Tenant covenants that, notwithstanding any assignment or transfer (including by way of asset transfer), whether or not in violation of the provisions of this Lease, and notwithstanding the acceptance of Fixed Rent and/or additional rent by Landlord from an assignee, transferee, or any other party, Tenant shall remain fully liable for the payment of the Fixed Rent and additional rents and for the other obligations of this Lease on the part of Tenant to be performed or observed as set forth in this Lease.

Section 25.05 The joint and several liability of Tenant and any immediate or remote successor-in-interest of Tenant and the due performance of the obligations of this Lease on Tenant's part to be performed or observed shall not be discharged, released or impaired in any respect by any agreement or stipulation made by Landlord extending the time of, or modifying any of the obligations of, this Lease, or by any waiver or failure of Landlord to enforce any of the obligations of this Lease, provided that none of the foregoing shall increase the obligations or liabilities of any predecessor-in-interest as Tenant hereunder.

Section 25.06 Notwithstanding anything contained to the contrary in Sections 25.01 or 25.02 of this Article, if Tenant shall at any time or times during the Term desire (notwithstanding that Tenant may not in fact have entered into any discussions with any assignee or subtenant) to assign this Lease, or sublease any full floor within the Premises for all or substantially all of the Term (other than an assignment or sublease permitted to be made without Landlord's consent hereunder), Tenant shall give notice thereof to Landlord, which notice shall include all of the material terms of the proposed assignment or subletting. Such notice (the "**Recapture Offer Notice**") shall be deemed an offer from Tenant (the "**Recapture Offer**") to Landlord whereby Landlord may, at its option: (i) terminate this Lease (if the proposed transaction is an assignment or a sublease of all the Premises); or (ii) terminate this Lease with respect to the space covered by the proposed sublease. Said option may be exercised by Landlord by notice to Tenant at any time within thirty (30) days after receipt by Landlord of the Recapture Offer Notice (such 30-day period, the "**Recapture Determination Period**"); and Tenant shall not assign this Lease or sublet such space to any person during the Recapture Determination Period. If Landlord shall not so terminate this Lease in accordance with the foregoing provisions of this Section 25.06 within the Recapture Determination Period, the Recapture Offer shall be deemed rejected by Landlord and therefore null and void and of no further force or effect upon the expiration of the Recapture Determination Period.

Section 25.07 If Landlord exercises its option to terminate this Lease in the case where Tenant desires either to assign this Lease or sublet all the Premises, then, the Expiration Date shall be the date that such assignment or sublet was to be effective or commence, as the case may be.

Section 25.08 If Landlord exercises its option to terminate this Lease in part, in any case where Tenant desires to sublet part of the Premises, then, (a) the Expiration Date with respect to such part of the Premises shall be the date that the proposed sublease was to commence; (b) from and after such Expiration Date the Fixed Rent and additional rent shall be adjusted, based upon the proportion that the rentable area of the Premises remaining bears to the total rentable area of the Premises; and (c) Tenant shall pay to Landlord, within thirty (30) days after demand together with reasonable back-up documentation, Landlord's reasonable cost for physically separating such part of the Premises from the balance of the Premises.

Section 25.09 Intentionally deleted.

Section 25.10 In the event Landlord does not exercise its options pursuant to Section 25.06 to terminate this Lease in whole or in part and provided that Tenant is not in default of any of Tenant's monetary or material, non-monetary obligations under this Lease beyond the expiration of any applicable notice and cure period, Landlord's consent (which must be in writing and not in derogation of any of Tenant's rights under this Lease and may contain such reasonable modifications that may be required due to any particular circumstances, as the case may be) to the proposed assignment or sublease shall not be unreasonably withheld, conditioned or delayed and shall be granted or withheld within twenty (20) days (the "**Consent Determination Period**") after Landlord has failed to have exercised any of its options under Section 25.06 hereof within the time permitted therefor and after Landlord has received from Tenant: (i) a conformed or photostatic copy of the proposed assignment or sublease, or a term sheet thereof, the effective or commencement date of which shall be at least thirty (30) days after the giving of such notice; (ii) a statement setting forth in reasonable detail the identity of the proposed assignee or sub-tenant, the nature of its business and its proposed use of the Premises, and (iii) current financial information with respect to the proposed assignee or subtenant, including without limitation, its most recent financial report, provided and upon condition that all of the following are satisfied:

(a) Tenant shall have complied with the provisions of Section 25.06 and Landlord shall not have exercised any of its termination options under said Section 25.06 within the time permitted therefor;

(b) In Landlord's reasonable judgment, the proposed assignee or subtenant is engaged in a business and possesses a general reputation and its proposed use of the Premises (or a portion thereof) is, appropriate for and in keeping with the then standards of the Building; and the proposed use is limited to the use expressly permitted under Section 1.03;

(c) The financial condition of the proposed assignee or subtenant is commensurate with the financial obligations involved in the proposed assignment or sublease and Landlord has been furnished with reasonable proof of the foregoing;

(d) Neither: (i) the proposed assignee or subtenant; nor (ii) any person which, directly or indirectly, controls; is controlled by, or is under common control with, the proposed assignee or subtenant, is then an occupant of any part of the Building, provided however this condition shall not apply if Landlord does not then have available for leasing in the Building space which is comparable (in terms of square footage, quality, price, location and proposed term) to the space which is the subject of the proposed transaction;

(e) The proposed assignee or subtenant is not a person with whom Landlord is then (or has been within the previous four (4) months) actively negotiating (as evidenced by the exchange of written proposals) to lease space in the Building, provided however this condition shall not apply if Landlord does not then have available for leasing in the Building space which is comparable (in terms of square footage, location and proposed term) to the space which is the subject of the proposed transaction;

(f) The form of the proposed assignment or sublease shall comply with the applicable provisions of this Article; and Tenant and the proposed assignee or subtenant shall execute a Consent to Assignment or Subletting not in derogation of any of Tenant's rights under this Lease and as reasonably agreed to among the parties;

(g) There shall not be more than four (4) occupants per floor of the Premises;

(h) The rental and other material terms and conditions of the sublease are substantially the same as or more favorable to Tenant than those contained in the proposed notice furnished to Landlord pursuant to Section 25.06;

(i) Tenant shall pay to Landlord, upon Tenant's execution of the consent to assignment or subletting, Landlord's actual, reasonable out-of-pocket legal fees in connection with said assignment or sublease;

(j) Tenant shall not have advertised or publicized in any way the availability of the Premises or any part thereof except Tenant may advertise the availability of such space provided such advertisement does not set forth any financial terms for the assignment or sublease of such space and Tenant may list the same with a broker; and

(k) The proposed assignee or subtenant shall not be entitled, directly or indirectly, to diplomatic or sovereign immunity and shall be subject to the service of process in, and the jurisdiction of the courts of, the State of New York.

Notwithstanding the foregoing to the contrary, in the event that Tenant's Recapture Offer Notice shall contain all or substantially all of the information required to be provided by pursuant to this Section 25.10 by Tenant for purposes of obtaining Landlord's consent to a proposed assignment or subletting, then Landlord and Tenant agree that the 20-day Consent Determination Period shall be deemed merged into the 30-day Recapture Determination Period such that on or before the expiration of the Recapture Determination Period, Landlord shall have either (i) exercised its right to terminate this Lease pursuant to Section 25.06 or (ii) granted or denied its consent to the proposed assignment or subletting in pursuant to this Section 25.10. In the event that Landlord shall not have exercised its termination rights within the Recapture Determination Period and shall have failed to grant or deny its consent to a proposed assignment or subletting within the Consent Determination Period or the Recapture Determination Period as applicable, then Landlord's consent to the proposed assignment or the proposed subletting shall be deemed granted on the basis of the information provided to Landlord by Tenant pursuant to Section 25.10.

Each subletting pursuant to this Article shall be subject to all the covenants, agreements, terms, provisions and conditions contained in this Lease. Notwithstanding any subletting to any subtenant and/or acceptance of rent or additional rent by Landlord from any subtenant, Tenant shall and will remain fully liable for the payment of the Fixed Rent and additional rent due and to become due hereunder and for the performance of all the covenants, agreements, terms, provisions and conditions contained in this Lease on the part of Tenant to be performed and all acts and omissions (where this Lease or applicable law imposes a duty to act) of any licensee or subtenant or anyone claiming under or through any subtenant which shall be in violation of any of the obligations of this Lease, and any such violation shall be deemed a violation by Tenant. Tenant further agrees that notwithstanding any such subletting, no other and further subletting of the Premises by Tenant or any person claiming through or under Tenant shall or will be made except upon compliance with and subject to the provisions of this Article. Except in such instances where a court of competent jurisdiction has determined that Landlord has acted in an arbitrary and capricious manner or in bad faith, if Landlord

shall decline to give its consent to any proposed assignment or subtenant or if Landlord shall exercise any of its options under Section 25.06, Tenant shall indemnify, defend and hold harmless Landlord against and from any and all loss, liability, damages, costs and expenses (including reasonable counsel fees and disbursements) resulting from any claims that may be made against Landlord by the proposed assignee or subtenant or by any brokers or other persons claiming a commission or similar compensation in connection with the proposed assignment or sublease.

Section 25.11 In the event that (a) Landlord fails to exercise any of its options under Section 25.06 and consents to a proposed assignment or sublease, and (b) Tenant fails to execute and deliver the assignment or sublease to which Landlord consented within one hundred and eighty (180) days after the giving of such consent, then, Tenant shall again comply with all the provisions and conditions of Section 25.06 before assigning this Lease or subletting all or part of the Premises.

Section 25.12 With respect to each and every sublease or subletting authorized by Landlord under the provisions of this Lease, it is further agreed:

(a) The subletting shall be for a term ending prior to the Expiration Date.

(b) No sublease shall be valid, and no subtenant shall take possession of the Premises or any part thereof, until an executed counterpart of such sublease has been delivered to Landlord.

(c) Each sublease shall be deemed to provide that it is subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and that Section 27.04 shall govern in the event of termination, re-entry or dispossess by Landlord or successor landlord under this Lease.

(d) Landlord shall execute and deliver a non-disturbance agreement, containing such reasonable modifications that may be required due to any particular circumstances, with respect to any permitted subtenant with sufficient financial worth considering the responsibility involved under a sublease reasonably satisfactory to Landlord covering not less than one (1) full floor of the Premises providing that, so long as such subtenant is not in default under such sublease (beyond any applicable notice and cure period provided the same are of customary length) and occupies not less than one (1) full floor at the time this Lease is terminated: (i)

Landlord will not join such subtenant as a party defendant in any action or proceeding to terminate this Lease or to remove or evict Tenant or to recover possession of the Premises, by reason of a default on the part of Tenant under this Lease; (ii) such subtenant shall not be evicted from the premises covered by the sublease; (iii) such subtenant's leasehold estate in, and its possession of, the premises will not be diminished, interfered with, disturbed or terminated; (iv) if this Lease shall be terminated (because of Tenant's default or disaffirmance in bankruptcy or pursuant to Landlord's rights under this Article 25 but not because of Landlord's rights under Articles 7 and 8 hereof), such sublease shall continue in full force and effect as a direct lease between Landlord and such subtenant upon all of the terms and conditions set forth in such sublease (except for any obligations under such sublease which would reasonably only be obligations of Tenant, as sublandlord (e.g., the provisions of shared library, cafeteria, secretarial or conference facilities) and such other obligations as Landlord may reasonably exculpate itself pursuant to the agreement; provided, however, that unless Landlord has agreed to a different standard in the SNDA (as hereinafter defined in Section 27.01) among Landlord, Tenant and the holder of any superior mortgage, in the event this Lease provides Landlord with greater rights or Tenant with lesser rights than what is set forth in the sublease, then the applicable terms of this Lease shall be deemed to replace the applicable provisions of, or be inserted into, the sublease and the attornment document may so provide; and (v) subtenant agrees that the total rent payable under the sublease on a per square foot basis shall increase to that of Tenant under this Lease (as then escalated and subject to further escalation) if the sublease provides for a lower rent, and such subtenant shall attorn to and recognize Landlord as such subtenant's landlord under such sublease, and Landlord shall accept such attornment and recognize such subtenant as its direct tenant under such sublease, except that Landlord or the successor landlord shall not: (x) be liable for any previous act or omission of Tenant under the sublease; (y) be subject to any offset, which shall have theretofore accrued to subtenant against Tenant; or (z) be bound by any previous modification of the sublease, not expressly provided for in the sublease, or by any previous payment of more than one (1) month's Fixed Rent or payment of additional rent more than one (1) month prior to the date on which same is due, unless such modification or prepayment shall have been expressly approved in writing by Landlord.

Section 25.13 If Landlord shall give its consent to any assignment of this Lease or to any sublease, Tenant shall in consideration therefor pay to Landlord as additional rent:

(a) in the case of an assignment, an amount equal to fifty percent (50%) of all sums and other monetary considerations paid to Tenant by the assignee for or by reason of such assignment (including, but not limited to, sums paid for Tenant's Property or Appurtenances, less the then depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and after first deducting legal and other professional fees (including fees paid to Landlord pursuant to Section 25.10(i)), the cost of alterations, rent abatements and work allowances and other tenant concessions and brokerage and marketing fees and any transfer taxes; and

(b) in the case of a sublease, fifty percent (50%) of any rents, additional rent or other monetary consideration payable under the sublease to Tenant by the subtenant in excess of the Fixed Rent and additional rent accruing during the term of the sublease in respect of the subleased space (at the rate per square foot payable by Tenant hereunder) pursuant to the terms hereof (including, but not limited to, sums paid for Tenant's Property or Appurtenances, less the then depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and after first deducting legal and other professional fees (including fees paid to Landlord pursuant to Section 25.10(i)), the cost of alterations, rent abatements and work allowances and other tenant concessions and brokerage and marketing fees and any transfer taxes. The sums payable under this Section 25.13(b) shall be paid to Landlord as and when received by Tenant.

Section 25.14 Landlord shall, at the request of Tenant, maintain listings on the Building directory (to the extent the same exists) of the names of Tenant and any other person, firm, association or corporation in occupancy of the Premises or any part thereof as permitted hereunder, and the names of any officers, directors, members, partners or employees of any of the foregoing. The listing of any name other than that of Tenant, whether on the doors of the Premises, on the Building directory, or otherwise, shall not operate to vest in said person or entity any right or interest in the Lease or in the Premises or any portions thereof or be deemed to be the consent of Landlord (written or otherwise) mentioned in this Article 25. It is expressly understood that any such listing is a privilege extended by Landlord revocable at will by written notice to Tenant, but only if the Building directory is no longer maintained by Landlord. The parties acknowledge that as of the date of this Lease, there is no Building directory.

Section 25.15 Notwithstanding anything in this Article 25 to the contrary, Landlord consents to the use of desk and office space in no more than fifteen percent (15%) of the rentable square footage of the Premises by professionals, consultants, contractors, clients or others with whom Tenant has a *bona fide* business relationship (each a, "**Business Invitee**"), subject to the following conditions: (i) no demising walls shall be permitted separating such office space from the balance of the Premises and no separate entrance into the Premises shall be provided to such office space, (ii) Tenant shall not receive any profit from the use by the Business Invitee of such space, (iii) the Business Invitee is of character, is engaged in a business, and uses the Premises in a manner in keeping with the standards in such respects of the other tenancies in the Building, (iv) the use and occupancy by the Business Invitee is otherwise expressly subject to all of the terms, covenants, conditions and obligations on Tenant's part to be observed and performed under this Lease, including Tenant's obligation to indemnify Landlord for all matters arising out of the Business Invitee's use of the Premises pursuant to Section 5.01(k) of this Lease, (v) prior to the use of the Premises by the Business Invitee, the name of such Business Invitee shall be furnished to Landlord, (vi) any violation of any provision of this Lease by the Business Invitee shall be deemed to be a default by Tenant under such provision, and (vii) the Business Invitee shall have no recourse against Landlord whatsoever on account of any failure by Landlord to perform any of its obligation under the Lease or on account of any other matter.

ARTICLE 26

Escalations

Section 26.01 As used in this Lease, the words and terms which follow mean and include the following:

(a) "**Tax Year**" shall mean each period of twelve (12) months, commencing on the first day of July of each such period, in which occurs any part of the Term or such other period of twelve (12) months occurring during the Term as hereafter may be duly adopted as the fiscal year for real estate tax purposes of the City of New York.

(b) "**Operating Year**" shall mean each calendar year of twelve consecutive months.

(c) "**Tenant's Tax Proportionate Share**" and "Tenant's Operating Proportionate Share" for each floor of the Premises shall be as set forth on Exhibit C. Tenant acknowledges that such agreed-upon percentages shall change only if the area of the Premises is increased or decreased pursuant to an amendment to this Lease signed by Landlord and Tenant or if Landlord physically constructs additional rentable space in the Building in which case, Tenant's Tax Proportionate Share and Tenant's Operating Proportionate Share shall be recalculated on the same basis and methodology as the rentable square foot area for the Premises and Building was calculated as of the date of this Lease.

(d) "**Operating Expenses**" shall have the meaning set forth in Exhibit K annexed hereto and made a part hereof.

(e) "**Base Year Operating Expenses**" shall mean the Operating Expenses for the Operating Year ending December 31, 2014.

(f) "**Real Estate Taxes**" shall mean the aggregate amount of real estate taxes and assessments imposed upon the Land and Building and payable by Landlord taking into account the benefit of abatements or exemptions, if any (including, without limitation: (i) real estate taxes upon any "development rights" payable by Landlord; and (ii) any assessments levied after the date of this Lease for public benefits to Land and/or Building, or special assessments levied on the Land and/or Building, which assessments, if payable in installments shall be deemed payable in the maximum number of permissible installments), in the manner in which such taxes and assessments are imposed as of the date hereof, excluding any franchise, estate, inheritance or income tax of Landlord or any penalties or interest; provided, that if because of any change in the taxation of real estate, any other tax or assessment of any kind or nature (including, without limitation, any occupancy, gross receipts or rental tax but excluding income, inheritance, gift and excise taxes) is imposed upon Landlord or the owner of the Land and/or Building, or upon or with respect to the Land and/or Building or the occupancy, rents or income therefrom, in substitution for, or in addition to, any of the foregoing Real Estate Taxes, such other taxes or assessment shall be deemed part of the Real Estate Taxes computed as if Landlord's sole asset and source of income were Landlord's interest in the Land and Building. Landlord shall have the exclusive right, but not the obligation, to contest or appeal any assessment of Real Estate Taxes levied upon the Land and the Building by any governmental or quasi-governmental taxing agency. Tenant shall have no right or power to contest or appeal any assessment of Real Estate Taxes. With respect to any Tax Year, including the Tax Year used to determine the Real Estate Tax Base, all expenses, including the reasonable fees and expenses of attorneys, experts and witnesses incurred in contesting the validity or amount of any Real Estate Taxes, regardless of whether successful, shall be considered as part of the Real Estate Taxes for such Tax Year.

(g) "**Real Estate Tax Base**" shall mean the amount which is equal to the Real Estate Taxes for the Tax Year ending on June 30, 2015. Landlord represents that, as of the date of this Lease, there are no tax abatements or exemptions which will affect the Real Estate Tax Base.

(h) "**Escalation Statement**" shall mean a statement in writing from Landlord, setting forth the amount payable by Tenant for a specified Tax Year or Operating Year, as the case may be, pursuant to this Article 26, which statement shall include in reasonable detail the computation of any additional rent payable pursuant to this Article. Landlord shall furnish Tenant with a copy of the current bill for the current Tax Year within ten (10) business days after tenant's request in writing for such tax bill.

Section 26.02 If the Real Estate Taxes for any Tax Year (all or any portion of which falls within the Lease term) shall be greater than the Real Estate Tax Base, Tenant shall pay to Landlord as additional rent pursuant to Sections 26.05 and 26.06 for the Premises for such Tax Year an amount (herein called the "**Tax Payment**") equal to Tenant's Tax Proportionate Share of the amount by which the Real Estate Taxes paid for such Tax Year are greater than the Real Estate Tax Base.

Section 26.03 For each Operating Year commencing during the Term, Tenant shall pay pursuant to Sections 26.05 and 26.06 an amount (Operating Payment) equal to Tenant's Operating Proportionate Share of the amount by which the Operating Expenses paid or incurred for such Operating Year are greater than the Base Year Operating Expenses.

Section 26.04 Intentionally deleted.

Section 26.05 Landlord shall furnish to Tenant, prior to the commencement of each Operating Year, as the case may be, a written statement setting forth Landlord's reasonable estimate of the Operating Payment. Landlord shall also furnish to Tenant prior to the commencement of each Tax Year, a written statement setting forth the Tax Payment for the ensuing Tax Year based on the current tax bill. Landlord may readjust the amount of the Tax Payment set forth in such written statement if Landlord receives a revised or finalized tax bill for Real Estate Taxes from the City of New York. Tenant shall pay to Landlord on the first day of each month during such Operating Year or Tax Year, as the case

may be, an amount equal to one-twelfth of the amount set forth on each written statement. If, however, Landlord shall furnish any such Operating Year estimate (which estimate shall not be more than 105% of the amount for the immediately preceding year excluding non-controllable expenses such as insurance and utilities) for an Operating Year subsequent to the commencement thereof, or any Tax Year statement, then (a) until the first day of the month following the month in which such estimate is furnished to Tenant, Tenant shall pay to Landlord on the first day of each month an amount equal to the monthly sum payable by Tenant to Landlord under this Section in respect of the last month of the preceding Operating Year; (b) promptly after such written statement is furnished to Tenant, Landlord shall give notice to Tenant stating whether the installments of the Operating Payment or Tax Payment previously made for such Operating Year or Tax Year, as the case may be, were greater or less than the installments of the Operating Payment or Tax Payment to be made for such Operating Year or Tax Year in accordance with such written statement (as may be adjusted in the case of the Tax Payment), and: (i) if there shall be a deficiency, Tenant shall pay the amount thereof within thirty (30) days after demand therefor; or (ii) if there shall have been an overpayment, Landlord shall promptly refund or credit to Tenant the amount thereof but no later than twenty (20) days after demand; and (c) on the first day of the month following the month in which such estimate is furnished to Tenant, and monthly thereafter throughout the remainder of such Operating Year or Tax Year, as the case may be, Tenant shall pay to Landlord an amount equal to one-twelfth (1/12th) of the Operating Payment or Tax Payment, as the case may be, shown on such written statement.

Section 26.06 Landlord shall furnish to Tenant an Escalation Statement for each Operating Year and for each Tax Year. Landlord shall furnish such Escalation Statements (together with the true-up amounts, if any, based on the actual amounts from the prior year against the estimated payments) within one hundred and fifty (150) days after the end of the applicable Operating Year. If Landlord fails to furnish an Escalation Statement for Operating Expenses within two hundred and ten (210) days after the end of the applicable Operating Year, Tenant may cease making monthly Operating Payments until such Escalation Statement is furnished, provided however, in no event shall Tenant be relieved or released of its obligation to make the full amount of Operating Payment due hereunder. If the Escalation Statement shall show that the sums paid by Tenant under Section 26.05 exceeded the Tax Payment or Operating Payment to be paid by Tenant for such Tax Year or Operating Year, as the case may be, Landlord shall refund to Tenant

the amount of such excess within thirty (30) days after delivery of such Escalation Statement, or Tenant shall be entitled to a credit against the next ensuing installment of Fixed Rent or additional rent until such amount shall be exhausted; and if the Escalation Statement for such Tax Year or Operating Year, as the case may be, shall show that the sums so paid by Tenant were less than the Tax Payment or Operating Payment, as the case may be, to be paid by Tenant for such Tax Year or Operating Year, Tenant shall pay the amount of such deficiency within thirty (30) days after demand therefor. Notwithstanding anything to the contrary contained in Sections 26.05 or 26.06 hereof, Landlord shall furnish to Tenant an Escalation Statement or statements showing the Tax Payment to be paid by Tenant for the applicable Tax Year. Tenant shall pay Tenant's Tax Payment in the same number of installments that Landlord pays to the City of New York (or applicable governmental authority) with each installment of the applicable Tax Payment being due thirty (30) days after Landlord bills Tenant for the installment in question.

Section 26.07 In case the Real Estate Taxes for any Tax Year or part thereof falling within the Term shall be reduced during the term hereof after Tenant shall have paid Tenant's Tax Proportionate Share of any increase thereof in respect of such Tax Year pursuant to Section 26.06 hereof, Landlord shall credit to Tenant Tenant's Tax Proportionate Share of the refund against the next installment of Fixed Rent and additional rent next due or refund such amount if the Lease term has ended. Landlord's obligations pursuant to the preceding sentence shall survive the Expiration Date. If, after an Escalation Statement has been sent to Tenant during the term hereof, the assessed valuation which had been utilized in determining the Real Estate Base Tax is reduced (as a result of settlement, final determination of legal proceedings or otherwise), then, and in such event (a) the Real Estate Tax Base shall be retroactively adjusted to reflect such reduction and (b) all retroactive additional rent resulting from such retroactive adjustment shall be forthwith payable within thirty (30) days of when billed by Landlord. Landlord shall send to Tenant a statement setting forth the basis for such retroactive adjustment and additional rent payments.

Section 26.08 Intentionally deleted.

Section 26.09 Payments shall be made pursuant to this Article 26 notwithstanding the fact that an Escalation Statement is furnished to Tenant after the Expiration Date and any delay or failure of Landlord in billing any additional rent provided for in this Article 26 shall not constitute a waiver of or in any way impair the continuing obligation of Tenant to pay such additional rent hereunder, but in no event shall such Escalation Statement be delivered after the date occurring two (2) years after the Expiration Date.

Section 26.10 Provided that Tenant is not in default hereunder beyond the expiration of any applicable notice and cure period, then, within one hundred and eighty (180) days after the submission of an Escalation Statement, Landlord shall allow Tenant or Tenant's agents, upon not less than ten (10) business days advance notice to Landlord, to examine, during Business Hours at Landlord's office where such records are kept in the Borough of Manhattan, City of New York, such books, purchase orders, invoices, payrolls and all other records in Landlord's possession that are relevant to such Escalation Statement or as may be reasonably necessary in order to permit Tenant to verify the information set forth in such Escalation Statement with respect to Operating Expenses (an "**Audit**"). In no event shall any Audit cover a period which was the subject of a previous subject of an Audit. Any such Audit may only be conducted by an independent, nationally or regionally-recognized accounting firm that is not being compensated by Tenant on a contingency fee basis. Tenant and its agents shall keep all information which they are shown in connection with any Audit confidential and shall not reveal the same to any third party except as may be required by applicable Requirements or in connection with the proceeding to resolve any dispute as set forth below. Landlord shall have the right to precondition any verification right provided hereunder upon the execution by Tenant and the person conducting such Audit of a confidentiality agreement in the form as reasonably required by Landlord, which form may contain such reasonable modifications as agreed upon by the parties. In the event that Tenant fails to initiate such Audit within said one hundred and eighty (180) day period or fails to complete and deliver to Landlord a copy of such Audit within sixty (60) days after the completion of the Audit (provided Landlord has delivered to Tenant all the information and documents reasonably requested by Tenant as required hereunder), then in either such event, Tenant shall have no further right to challenge or contest the accuracy of the applicable Escalation Statement. No subtenant (as opposed to Tenant) shall have any right to conduct an Audit. In the event the parties settle any issues raised by an Audit or such issues are decided by a third accounting firm as set forth below and such settlement or decision results in a five percent (5%) or greater reduction in the amount of Operating Expenses for any one (1) Operating Year (from the amount of Operating Expenses stated by Landlord with respect to such Operating Year in its Escalation Statement), Landlord shall reimburse Tenant for Tenant's reasonable

and actual out-of-pocket accounting firm fee for such Audit and Landlord shall pay all expenses of the third accounting firm as set forth below and pay the amount of the overpayment owed with interest at the rate of the prime rate as published in *The Wall Street Journal* (or its successor) plus 2.5% per annum. In the event the parties are not able to settle all issues raised by an Audit, then Landlord and Tenant shall be bound by the findings of a third independent, nationally or regionally-recognized accounting firm selected by both Landlord and Tenant and whose expenses shall be shared equally between Landlord and Tenant, except as set forth above. In the event Landlord and Tenant fail to agree on the selection of the third accounting firm, the parties agree to submit such decision to the Chairman of the Board of Directors of the Management Division of the Real Estate Board of New York, Inc., or to such impartial person as he/she may designate whose determination shall be final and conclusive upon the parties hereto. In any event, within thirty (30) days after such final determination, Landlord shall credit against Fixed Rent next due and owing the amount of any overpayment of Operating Expenses made by Tenant as determined hereby or refund Tenant such amount if the Term has ended.

Section 26.11 In no event shall: (x) the Fixed Rent under this Lease (exclusive of the additional rent under this Article) be reduced by virtue of this Article except for the credits set forth herein, if any; or (y) Tenant be entitled to a credit against the payment of any additional rent that may be due under this Lease (including this Article 26) by reason of the fact that: (i) Operating Expenses in any Operating Year are less than Base Year Operating Expenses; and/or (ii) Real Estate Taxes for any Tax Year are less than the Real Estate Tax Base.

ARTICLE 27

Subordination

Section 27.01 Subject to Section 27.07(b) hereof, this Lease is subject and subordinate in all respects to all ground leases and/or underlying leases now or hereafter covering the real property or any portion thereof of which the Premises form a part and to all mortgages and trust indentures which may now or hereafter be placed on or affect such leases and/or the real property of which the Premises form a part, or any part or parts of such real property, and/or Landlord's interest therein, and to each advance made and/or hereafter to be made under any such mortgages, or indentures and to all renewals, modifications, consolidations, increases, recastings, replacements, extensions and substitutions

of and for such ground leases and/or underlying leases and/or mortgages or indentures (each lease or mortgage to which this Lease shall be subject and subordinate pursuant to the provisions hereof being respectively herein called a "superior lease" or a "superior mortgage"). This Section 27.01 shall be self-operative and no further instrument of subordination shall be required. In confirmation of such subordination, Tenant shall execute, at its sole cost and expense, and deliver promptly any certificate that Landlord and/or any lessor under any superior lease and/or any holder of any superior mortgage and/or their respective successors in interest may reasonably request provided such request is in accordance with the provisions of a subordination, non-disturbance and attornment and agreement (an "**SNDA**") entered into with Tenant. Landlord represents that it has received no notice of, and has no knowledge (without any specific inquiry or review of its files) of any default under any superior lease or superior mortgage which either presently exists or which would arise with the passage of time and the giving of notice.

Section 27.02 In the event of any act or omission of Landlord that would give Tenant the right, immediately or after lapse of a period of time, to cancel or terminate this Lease, or to claim a partial or total eviction (but excluding any express right set forth in Articles 7 and 8 or elsewhere in this Lease not resulting from a default by Landlord), Tenant shall not be entitled to exercise such right:

(a) unless and until Tenant has given prompt written notice of such act or omission to the lessor under each superior lease and the holder of each superior mortgage, whose name and address shall previously have been furnished to Tenant in writing; and

(b) unless such act or omission shall be one which is not capable of being remedied by such lessor or such holder within a reasonable period of time, until a reasonable period for remedying such act or omission shall have elapsed following the giving of such notice and following the time when the lessor under such superior lease or the holder of such superior mortgage shall have become entitled under such lease or such mortgage, as the case may be, to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under this Lease or otherwise, after similar notice, to effect such remedy or more than ninety (90) days), provided such lessor or such holder shall with due diligence give Tenant written notice of intention to, and commence and diligently continue to remedy such act or omission.

Section 27.03 Tenant shall take all reasonable action requested by Landlord at no cost to Tenant (provided the same does not increase Tenant's obligations or decrease Tenant's rights hereunder) such that neither the termination of any superior lease or any superior mortgage, nor the institution of any suit, action or other proceeding by the lessor under any such superior lease or the holder of any such superior mortgage to recover possession of the Premises leased or mortgaged under any such superior lease or any such superior mortgage or to realize on the mortgagor's interest under any such superior mortgage or any such superior lease (provided that Tenant is not otherwise disturbed by the lessor under any such superior lease or the holder of any such superior mortgage) shall, by operation of law or otherwise, result in the cancellation or termination of this Lease (unless specific action is taken by the lessor under any such superior lease or the holder of any such superior mortgage to terminate this Lease based upon a default hereunder beyond the expiration of any applicable notice and cure period) or the obligations of Tenant hereunder. If the lessor under any superior lease or the holder of any superior mortgage, or the purchaser upon any foreclosure sale relating to such superior mortgage, or any designee of such lessor or such holder shall succeed to the rights of Landlord under this Lease, whether through possession, or any action or proceeding relating to the termination of such superior lease, or foreclosure action or delivery of a new lease or deed, then, at the request of such party so succeeding to Landlord's rights (such party being sometimes herein called a **"successor landlord")** and upon such successor landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize such successor landlord as Tenant's landlord under this Lease, and shall promptly execute and deliver, at Tenant's sole expense, any reasonable instrument that such successor landlord may reasonably request to evidence such attornment and none of the above-described successions shall, by operation of law or otherwise, result in the cancellation or termination of this Lease (unless specific action is taken by such successor landlord to terminate this Lease) or the obligations of Tenant. Upon such attornment, this Lease shall continue in full force and effect as, or as if it were, a direct lease between the successor landlord and Tenant upon all of the terms, conditions and covenants set forth in this Lease, except that if the successor landlord is not an Affiliate of the prior landlord, the successor landlord shall not:

(a) be liable for any previous act or omission of Landlord under this Lease (provided however, that to the extent that this Lease obligates Landlord to perform any repairs or other work or maintenance to, or to provide or perform any services to the Building or the Premises, the successor landlord shall be obligated to do so);

(b) be subject to any offset, not expressly provided for in this Lease, which shall have theretofore accrued to Tenant against Landlord; or

(c) be bound by any previous modification of this Lease, not expressly provided for in this Lease, or by any previous prepayment of more than one month's Fixed Rent or advanced payment of additional rent for more than one payment period, unless such modification or prepayment shall have been expressly approved in writing by the lessor under the superior lease or the holder of the superior mortgage through or by reason of which the successor landlord shall have succeeded to the rights of Landlord under this Lease.

Section 27.04 Subject to the terms of any SNDA executed with the applicable subtenant, in the event of termination, cancellation, re-entry or dispossess by Landlord or a successor landlord under this Lease Tenant shall, at Landlord's or the successor landlord's request given within thirty (30) days of the foregoing, execute an assignment (without representation or warranty) by Tenant to Landlord or the successor landlord of Tenant's interest as sublessor under any subleases under this Lease.

Subject to the terms of any SNDA executed with the applicable subtenant, at Landlord's or successor landlord's option, pursuant to the applicable terms and conditions of the relevant subleases, sublessee shall attorn to Landlord or the successor landlord and upon such attornment, the sublease shall continue in full force and effect as, or as if it were, a direct lease between Landlord or the successor landlord and sublessee upon all the terms, conditions and covenants set forth in, at Landlord's or successor landlord's option, the Lease or the sublease, except that Landlord or the successor landlord shall not:

(a) be liable for any previous act or omission of sublessor under the sublease (but the same shall not release Landlord or a successor landlord, as applicable, from the requirement to perform any obligations of a continuous nature after such attornment);

(b) be subject to any offset, which shall have theretofore accrued to sublessee against sublessor not provided for in the sublease; or

(c) be bound by any previous modification of the sublease, not expressly provided for in the sublease unless consented thereto in writing, or by any previous prepayment of more than one month's Fixed Rent or additional rent, unless such modification or prepayment shall have been expressly approved in writing by the Landlord under the Lease, the lessor under the superior lease or the holder of the superior mortgage through or by reason of which the successor landlord shall have succeeded to the rights of sublessor under the sublease, as the case may be.

In the event that Landlord or a successor landlord, as the case may be, does not request Tenant to assign its interest in the sublease or have sublessee attorn to Landlord or the successor landlord, as the case may be, then Landlord or successor landlord, as the case may be, shall have the right to terminate the sublease immediately at any time after termination or cancellation of this Lease or re-entry or dispossess by Landlord or a successor landlord under this Lease.

All subleases made in accordance with this Lease shall be subject to the above provisions, except for subleases for which Landlord has executed the agreement required pursuant to Section 25.12(d) hereof.

Section 27.05 In the event the holder of any mortgage or the lessor of any lease (present or future) relating to the Premises and/or this Lease requests that (a) this Lease and Tenant's rights hereunder be made superior, rather than subordinate, to such mortgage or lease and/or (b) Tenant enters into an SNDA, then Tenant, within fifteen (15) days after written request, will execute and deliver without charge such commercially reasonable agreement(s) in such form(s) reasonably acceptable to Tenant and to the holder of such mortgage or lessor of such lease (provided the same does not increase Tenant's obligations or decrease Tenant's rights hereunder).

Section 27.06 Intentionally deleted.

Section 27.07 (a) Landlord represents that, as of the date of this Lease, the only superior lease is held by PGREF I 1633 Broadway Land, L.P. and the only superior mortgage is held by Landesbank Baden-Württemberg, as Administrative Agent. SNDAs with respect to such superior lease and superior mortgage shall be executed contemporaneously with this Lease.

(b) Anything in this Article 27 to the contrary notwithstanding, this Lease shall not be subordinate to any future superior mortgage or any future superior lease unless and until Landlord obtains an SNDA in favor of Tenant from the holder of any future superior mortgage or any future superior lease in such holder's standard form, subject to Tenant's commercially reasonable changes.

Section 27.08 Notwithstanding anything in this Article 27 to the contrary, if the terms of any subordination, non-disturbance and attornment agreement which Tenant enters into with the holder of any superior mortgage or superior lease conflicts with any of the terms of this Article 27, then the terms of the subordination, non-disturbance and attornment agreement shall control and such relevant provisions of this Article 27 shall be disregarded.

(the "**Broker**") and each agree to defend, indemnify and hold harmless the other, its agents and employees, from any loss, liability, costs, damages and expenses (including without limitation reasonable attorney's fees and disbursements) suffered by the other through any breach of this representation, or in connection with the claim of any other person or broker alleging to have dealt with the indemnifying party with respect to this Lease. ARTICLE 29

Layout and Finish

Section 29.01 Except for any work performed by Landlord in connection with the Delivery Condition, Tenant shall, at Tenant's sole expense, and as part of Tenant's Changes, perform all the work, including without limitation, the work set forth in Section 29.02(b) hereof ("**Tenant's Work**") in the Premises and the Storage Space (as defined in Article 39 hereof) necessary for Tenant's occupancy thereof, including, but not limited to all work as may be necessary to comply with all applicable Requirements (including without limitation, the Americans with Disabilities Act) or regulations and otherwise, subject to the provisions of this Lease.

Section 29.02 (a) Provided Tenant is not then in default of any monetary Term beyond the expiration of any applicable notice and cure period, Landlord shall pay Tenant an allowance in an amount equal to $22,981,553.00 (the "**Tenant's Allowance**"), which Tenant's Allowance shall be used to pay solely the following costs and expense: the cost and expense incurred in connection with the performance of Tenant's Work, all soft costs (not to exceed $4,596,310.60) relating to Tenant's Work, including, without limitation, fees payable to Tenant's engineer and Tenant's architect and all consultants involved in Tenant's Work and the cost to file the final plans and obtain necessary permits (but excluding the costs of moving or to purchase any personal property). If Landlord shall not be obligated to pay Tenant any installment of Tenant's Allowance because Tenant is then in default as specifically provided in this Section 29.02(a), upon the curing of such default and provided that this Lease has not been terminated, Landlord shall once again be obligated to pay all installments of Tenant's Allowance then due. In the event that the

cost and expense of Tenant's Work shall exceed this amount, Tenant shall be entirely responsible for such excess. Until exhausted, Tenant's Allowance shall be payable directly to such contractor, subcontractor, materialmen, supplier or as Tenant may otherwise direct upon written requisition in installments as Tenant's Work progresses, but in no event more frequently than monthly. The amount of each installment of Tenant's Allowance payable pursuant to any such requisition shall be an amount equal to the actual costs due and payable for completed portions of Tenant's Work referenced in such requisition (as evidenced by the invoices due and payable and delivered to Landlord in accordance with the next sentence). Prior to the payment of any such installment which Landlord shall make to Tenant within thirty (30) days after receipt of the items set forth in clauses (1), (2) and (3) below, Tenant shall deliver to Landlord such written requisition for disbursement which shall be accompanied by (1) invoices for the Tenant's Work performed since the last disbursement subject to customary retentions, except with respect to the first requisition; (2) a certificate signed by Tenant's architect or an officer of Tenant certifying that the Tenant's Work represented by the aforesaid invoices has been satisfactorily completed in accordance with the final plan; (3) conditional partial lien waivers by contractors, subcontractors and all materialmen for all such work in the substantially the same form attached hereto as Exhibit R or, if then available, for work covered by the prior disbursement. If Landlord fails to make any such payment of the Tenant Allowance within five (5) business days after its receipt from Tenant of notice that such installment is past due (and same is the case) after Landlord's receipt of the items set forth in (1), (2) and (3) above and, provided Landlord has not notified Tenant of Landlord's reasonable good faith dispute with any matter pertaining to the requisition for payment, then Tenant shall be entitled, until the applicable installment is paid, to credit the undisputed amount due for such installment (together with interest at the Default Rate on such undisputed amount from the undisputed due date until paid) against the payment of Fixed Rent and Article 26 additional rent next due under this Lease, provided however, Tenant shall not be entitled to any credit pursuant to this sentence if Tenant is then in default beyond the expiration of any applicable notice and cure period. Notwithstanding anything contained herein, Landlord shall retain not more than $100,000.00 of the Tenant's Allowance until Tenant or Tenant's architect has delivered to Landlord with respect to Tenant's Work all Building Department sign-offs (including, without limitation, a letter of completion), inspection certificates and any permits required to be issued by any governmental entities having jurisdiction over Tenant's Work and a general release or final lien waivers from all contractors, subcontractors and materialmen performing Tenant's Work releasing Landlord from all liability for any Tenant's Work.

(b) At any and all reasonable times during the progress of Tenant's Work, representatives of Landlord shall have the reasonable right of access to the Premises and inspection thereof; provided, however, that Landlord shall incur no liability, obligation or responsibility to Tenant or any third party by reason of such access and inspection except to the extent of acts, omissions negligence or willful misconduct or breach of this Lease by Landlord or Landlord Parties. Except for the costs for Landlord's review of Tenant's Plans in accordance with Section 5.01(e)(iii), Landlord shall not charge any supervisory fee, surcharges or any other fees or charges in connection with initial Tenant Work or any Tenant Changes or any other Tenant Work or Tenant Changes performed during the Term.

(c) Landlord shall, in accordance with the disbursement procedures applicable to Tenant's Allowance, reimburse Tenant an amount equal to One Million Five Hundred Thousand and 00/100 Dollars ($1,500,000.00) solely for the costs incurred by Tenant in constructing new public core bathrooms as part of Tenant's Work (not any private or executive bathrooms) within the Premises. All such work shall be performed in compliance with all codes and other legal requirements, including, without limitation, the Americans with Disabilities Act.

ARTICLE 30

Insurance

Section 30.01 Tenant covenants, at its expense, to provide prior to entry upon the Premises and to keep in force and effect during the Term or Tenant's occupancy of the Premises (whichever is longer): (1) commercial general liability insurance with respect to the Premises and its Appurtenances on an occurrence basis against claims for bodily injury and property damage with minimum limits of liability in amount of Five Million and 00/100 Dollars ($5,000,000.00) combined single limit for bodily injury and property damage (including coverage for all operations of Tenant, products/completed operations, independent contractors, broad form property damage, personal injury liability and contractual liability coverage); (2) if the nature of Tenant's business is such as to place all or any of its employees under workers' compensation or similar statutes, workers' compensation or similar insurance affording statutory coverage and containing statutory limits; and (3) all-risk property damage insurance (replacement cost coverage),

including theft or attempted theft of, Tenant's Property within the Premises. Tenant agrees to deliver to Landlord, at least ten (10) days prior to the time such insurance is first required to be carried by Tenant and thereafter within ten (10) days after the expiration of any such policy, a certificate of insurance procured by Tenant in compliance with its obligations hereunder. Workers' compensation insurance provided for in this Section may be procured by Tenant's contractors. Tenant will also furnish Landlord with evidence that Tenant's contractors performing any Tenant's Changes or other work in the Building are covered by insurance in amounts and of the types which are appropriate, in Landlord's reasonable judgment, to the size and scope of Tenant's Changes. The limits of liability specified above can be satisfied through a combination of primary and umbrella or excess liability policies, provided that coverage under such umbrella or excess liability policies is at least as broad as coverage provided by the primary policy.

Section 30.02 All the aforesaid insurance shall be issued in the name of Tenant and, except for the workers' compensation policy and the all-risk property damage policy, name Landlord (and designee(s) of Landlord as reasonably determined by Landlord) as additional insureds, and shall be written by one (1) or more responsible insurance companies authorized to do business in the State of New York, having a general policyholder rating of at least A- and a financial rating of at least VII. All such insurance may be carried under a blanket policy covering the Premises and any other of Tenant's locations. Tenant shall endeavor to provide prior written notice to Landlord in the event of a cancellation or material change of any insurance required hereunder with respect to Landlord. Tenant shall be solely responsible for payment of premiums. Tenant's insurance shall be primary with any coverage provided by Landlord as excess and non-contributory. The minimum limits of the commercial general liability policy of insurance shall in no way limit or diminish Tenant's liability under Section 5.01(k) hereof.

Section 30.03 The minimum limits of the commercial general liability policy of insurance required by Section 30.01 hereof shall be subject to increase no more than every three (3) years after the commencement of the fifth (5th) year of the term hereof but only if Landlord, in the exercise of its reasonable judgment, shall deem the same necessary for adequate protection and such increase shall result in coverage that is then customary with respect to coverage required to be carried by tenants similar to Tenant in Comparable Buildings. Within thirty (30) days after written demand therefor by Landlord, Tenant shall furnish Landlord with evidence that Tenant has complied with a reasonable increase

in insurance required by Landlord pursuant to this Section 30.03. In case Tenant disputes the reasonableness of Landlord's demand, the parties agree to submit the question of the reasonableness of such demand for decision to the Chairman of the Board of Directors of the Management Division of The Real Estate Board of New York, Inc., or to such impartial person or persons as he may designate whose determination shall be final and conclusive upon the parties hereto. The right to dispute the reasonableness of any such demand by Landlord shall be deemed waived unless the same shall be asserted by Tenant by service of a notice in writing upon Landlord within thirty (30) days after the giving of Landlord's demand therefor and such waiver consequences shall be stated in bold writing in such notice.

Section 30.04 Landlord shall obtain and keep in full force and effect (a) insurance against loss or damage by fire and other casualty to the Building as may be insurable under then available standard forms of "all-risk" insurance policies, in an amount equal to one hundred percent (100%) of the replacement value thereof or in such lesser amount as will avoid co-insurance (including an "agreed amount" endorsement) and (b) commercial general liability insurance in the amount which in Landlord's reasonable judgment is then being customarily obtained by prudent landlords of Comparable Buildings. In the event that for whatever reason, full terrorism coverage is not available in an amount and at a cost which is commercially reasonable, Landlord shall obtain such coverage as is, in Landlord's reasonable discretion, considered suitable under the circumstances.

ARTICLE 31

Security Deposit

Section 31.01 Simultaneously with the execution and delivery of this Lease by Tenant, Tenant has deposited with Landlord a letter of credit (in the form required by Section 31.06 hereof) in the amount of Ten Million and 00/100 ($10,000,000.00) (the "**Security Deposit**"), as security for the full and faithful performance by Tenant of each and every term, covenant, condition and agreement of this Lease or any renewals or extensions thereof on Tenant's part to be performed; it being expressly understood and agreed that Tenant shall pay rent for the last calendar month of the term hereof or of any renewals or extensions thereof promptly on the first day of such month.

Provided that Tenant is not then in monetary or material non-monetary default under this Lease beyond the expiration of any applicable notice and cure period, then upon the later of: (a) the completion of all of Tenant's Work, free and clear of all liens and other claims, charges and encumbrances, and in accordance with Tenant's final plans and specifications as approved by Landlord in accordance herewith and all other applicable provisions of this Lease; and (b) August 1, 2014, the Security Deposit shall be reduced to the sum of $5,000,000.00. Provided that Tenant is not then in monetary or material non-monetary default under this Lease beyond the expiration of any applicable notice and cure period, then on January 1, 2017 or as soon thereafter as Tenant is in compliance, the Security Deposit shall be reduced to the sum of Three Million Five Hundred Thousand and 00/100 ($3,500,000.00). Provided that Tenant is not then in monetary or material non-monetary default under this Lease beyond the expiration of any applicable notice and cure period, then on July 1, 2018 or as soon thereafter as Tenant is in compliance, the Security Deposit shall no longer be required. Landlord shall cooperate with Tenant, at no cost to Landlord, in amending the letter of credit to provide for these reductions if and when eligible in accordance with the above.

Landlord's and Tenant's rights to the Security Deposit, as reduced in accordance with the preceding paragraph, shall be the same as if those sums had been provided for as the original security deposited hereunder.

If Tenant shall fail to perform or observe, or shall breach or violate, any of the terms, covenants, conditions or agreements of this Lease, including but not limited to the payment of Fixed Rent or additional rent or any other charges beyond the expiration of any applicable notice and cure period (unless Landlord is prohibited by applicable Requirements from sending any default notice in which event the expiration of any notice and cure period shall not be required), Landlord may use, apply or retain the whole or any part of such deposit to the extent required for the payment of any such Fixed Rent or additional rent or any other sum as to which Tenant is in default or for any sum which Landlord may expend or may be required to expend by reason of Tenant's non-performance, non-observance, breach or violation of any of the terms, covenants, conditions or agreements of this Lease, including but not limited to, any damages or deficiency in the re-letting of the Premises, whether such damages or deficiency accrues before or after summary proceedings or other re-entry by Landlord.

Section 31.02 Landlord shall not be required so to use or apply the whole or any part of said deposit, but if the whole or any part thereof is so used or, applied, then, promptly after written demand therefor by Landlord, Tenant shall take the necessary action to ensure that Landlord shall have the full amount of the Security Deposit then and in the form as required by this Lease. If Tenant shall fully and faithfully comply with all the terms, covenants, conditions and agreements of this Lease, the deposit or any balance thereof remaining shall be returned to Tenant within (a) five (5) days after the date on which the Security Deposit is no longer required to be maintained pursuant to Section 31.01, or (b) sixty (60) days after the date fixed as the end of the Term as the same may be terminated or extended or renewed provided that on the Expiration Date, Tenant has delivered possession of the entire Premises to Landlord. Landlord shall not be required to pay Tenant any interest on said security deposit.

Section 31.03 In the event of a sale, transfer or lease of the parcel of Land or a sale, transfer or lease of Land and/or Building or a sale or transfer of any such lease, Landlord may transfer or assign the security so deposited or any balance thereof remaining to the transferee or lessee, as the case may be, and Landlord shall thereupon be released from all liability for the return of such security (except with respect to any claim that may have arisen prior to such sale, transfer or lease), and Tenant, in each such instance, shall look solely to each transferee or lessee, as the case may be, for the return of such security, provided such transferee or lessee assumes in writing Landlord's obligations under this Lease. It is further agreed that the provisions hereof shall apply to every such sale, transfer or lease and to every such transfer or assignment made of such security.

Section 31.04 Tenant shall not assign or encumber or attempt to assign or encumber any security deposited hereunder and neither Landlord nor its successors or assigns shall be bound by any such assignment, encumbrance, attempted assignment or attempted encumbrance.

Section 31.05 In no event shall the security deposited hereunder be construed as liquidated damages or in any way limit Landlord's right to recover damages or any sum due Landlord hereunder or permitted by applicable Requirements.

Section 31.06 The letter of credit required by this Article 31 shall be an irrevocable commercial letter of credit in the aggregate amount from time to time required in Section 31.01, which letter of credit shall be substantially in the form attached hereto as Exhibit J and issued by a commercial bank reasonably acceptable to Landlord, payable upon the presentation by Landlord to such bank of one or more sight drafts in substantially the form attached hereto as Exhibit J, without presentation of any other

documents, statements or authorizations, which letter of credit shall provide (i) for the continuance of such credit for a period of at least one year from the date of its issuance, (ii) for the automatic extension of such letter of credit for additional periods of one year from the initial and each future expiration date thereof (the last such extension to provide for the continuance of such letter of credit for sixty (60) days beyond the end of the Term) unless such bank gives Landlord notice, of its intention not to renew such letter of credit (which notice shall be addressed to Landlord as provided in this Lease) not less than thirty (30) days prior to the initial or any future expiration date of such letter of credit and that in the event such notice is given by such bank, Landlord shall have the right to draw on such bank at sight for the balance remaining in such letter of credit and hold such cash proceeds thereof in accordance with applicable Requirements and apply such cash proceeds thereof in accordance with the provisions of this Article 31; and (iii) if Landlord transfers its right, title and interest under this Lease to a third party, the letter of credit shall be transferable to such third party without cost to Landlord (it being agreed that Tenant shall be responsible for all costs to transfer such letter of credit). If the financial institution which initially issued such letter of credit enters into any form of regulatory or governmental receivership, conservatorship or other similar regulatory or governmental proceeding, including without limitation, any receivership or conservatorship initiated or commenced by or on behalf of the Federal Deposit Insurance Corporation (FDIC), or is otherwise declared insolvent or downgraded by the FDIC or closed for any reason, Tenant shall promptly deliver to Landlord a substitute letter of credit from a financial institution reasonably acceptable to Landlord.

Section 31.07 Landlord and Tenant acknowledge that a guaranty (Guaranty) from various subsidiaries of Tenant (such subsidiaries are more specifically identified in the Guaranty and are herein referred to as the “Subsidiaries”) is being executed contemporaneously with this Lease whereby the Subsidiaries shall guaranty the payment obligations of Tenant accruing under this Lease through August 1, 2021, provided Landlord asserts on or before October 1, 2021 any claims which have accrued on or before August 1, 2021 by written notice as required by the Guaranty.

ARTICLE 32

Extension Option

Section 32.01 (a) Provided that at the time of the exercise of the Extension Option (herein defined): (i) this Lease shall not have been terminated; (ii) Tenant shall not be in monetary default or material non-monetary default under this Lease beyond any applicable notice and cure period; and (iii) Tenant is in occupancy of at least seventy-five percent (75%) of the rentable area of the Premises that is being renewed, Tenant shall have the option (the "**Extension Option**") to unconditionally extend the Term, as it relates to all or any portion of the Premises that constitutes a contiguous block of two (2) full floors starting at the top or bottom of the Premises for either one five (5) year period or one ten (10) year period (but not both), commencing on the day after the Expiration Date and ending on the fifth (5th) anniversary or the tenth (10th) anniversary of the Expiration Date, as the case may be (the "**Extended Term**"). Tenant shall exercise the Extension Option by written notice to Landlord given no later than the date which is fifteen (15) months prior to the Expiration Date (TIME BEING OF THE ESSENCE as to such date) and once Tenant exercises the Extension Option, Tenant may not thereafter revoke such exercise. If any of the conditions set forth in clauses (i) through (iii) above are not fulfilled at the applicable time, the Extension Option shall be void and of no further force or effect and Tenant shall have no further Extension Option. Landlord shall, within ten (10) business days after Landlord's receipt of the notice from Tenant exercising the Extension Option give Tenant a notice specifying the reasons, if any, Landlord is rejecting Tenant's exercise of such Extension Option.

(b) If Tenant does not exercise the Extension Option during the applicable time period specified in the preceding paragraph, the Extension Option shall unconditionally lapse and be of no further force and effect and Tenant shall have no further Extension Option.

(c) The Extended Term shall be on the same terms and conditions as are contained in this Lease with respect to the initial term, except that: (i) Tenant shall take the Premises in "as-is" condition and Landlord shall have no obligation to make any improvements or alterations to the Premises or provide any improvement allowance to Tenant; (ii) the Fixed Rent during the Extended Term shall be equal to one hundred percent (100%) of the fair market rent for the Premises as of the commencement of the Extended Term (the "**Extension Fair Market Rent**"); and (iii) Base Year Operating Expenses shall mean Operating Expenses for the Operating Year ending December 31 of the calendar year in which the Extended Term shall commence and the Real Estate Tax Base shall mean the Real Estate Taxes for the Tax Year ending June 30 (or other applicable date) of the year in which the Extended Term shall

commence. After Landlord receives Tenant's notice that Tenant desires to exercise the Extension Option in the time period set forth above, Landlord shall deliver to Tenant Landlord's determination of Extension Fair Market Rent on or before six (6) months prior to the Expiration Date and the following shall apply thereto:

Within sixty (60) days after its receipt of Landlord's determination of Extension Fair Market Rent for the Premises ("**Landlord's Extension FMV Notice**"), Tenant shall notify Landlord whether it accepts or disputes such determination. If Tenant shall not respond to Landlord's Extension FMV Notice within such 60-day timeframe, then Tenant's failure to notify Landlord of acceptance or dispute of Landlord's determination of Extension Fair Market Rent within five (5) days (TIME BEING OF THE ESSENCE) after Tenant's receipt from Landlord of a second similar notice shall constitute an acceptance of Landlord's determination. In the event that Tenant disputes Landlord's determination of Extension Fair Market Rent, Tenant shall include in such notice its determination of Extension Fair Market Rent and in such case and failing agreement between the parties as to Extension Fair Market Rent, Landlord and Tenant shall have the Extension Fair Market Rent, determined for the Extended Term as follows:

Within thirty (30) days after the date of Tenant's notice disputing Landlord's determination, Landlord and Tenant shall each appoint an independent real estate appraiser (respectively, "**Landlord Expert**" and "**Tenant Expert**") and Landlord Expert and Tenant Expert shall determine the Extension Fair Market Rent. The date upon which the second of said experts is appointed is herein referred to as the "**Arbitration Commencement Date**". If within fifteen (15) days after the Arbitration Commencement Date, Landlord Expert and Tenant Expert shall mutually agree upon the determination (the "**Mutual Determination**") of the Extension Fair Market Rent, their determination shall be final and binding upon the parties. If Landlord Expert and Tenant Expert shall be unable to reach a Mutual Determination within said fifteen 15-day period, then within twenty (20) days after the Arbitration Commencement Date, they shall jointly appoint a third independent real estate appraiser ("**Third Expert**") who shall determine Extension Fair Market Rent on or before the date which is thirty (30) days after the Arbitration Commencement Date. If Landlord Expert and Tenant Expert cannot agree on Third Expert within twenty (20) days after the Arbitration Commencement Date, then the Third Expert shall be appointed by the American Arbitration Association or its successor the branch office of which is located in or closest to the City of New York), upon request of either Landlord or Tenant, or both, as

the case may be. Within ten (10) days after such appointment, the Third Expert shall determine Extension Fair Market Rent. The determination of the Third Expert, whether or not approved by the Landlord Expert or the Tenant Expert, shall be final; provided, however, that the Third Expert shall assign a value to Extension Fair Market Rent which is one of the two determinations of Extension Fair Market Rent made by Landlord Expert and Tenant Expert. If, for any reason whatsoever, a written decision of the Third Expert, shall not be rendered within forty-five (45) days after the Arbitration Commencement Date, then a new Third Expert shall be selected utilizing the above procedures by which the first Third Expert was selected. In determining Extension Fair Market Rent, the experts shall give appropriate consideration to all then relevant factors prevailing as of the commencement of the Extended Term. Each party shall pay for its own costs and expenses in connection with its selection and use of its initial expert. The parties shall share equally in the costs and expenses incurred in connection with the selection and use of the third expert. Each expert appointed pursuant to this paragraph shall be an independent, reputable real estate appraiser with at least ten (10) years' experience in Manhattan in leasing or valuation of properties which are similar in character to the Building and a designated member of the Appraisal Institute (MAI). In addition to the above qualifications, the Third Expert shall not have been in the employ of Landlord or Tenant or their respective Affiliates during the preceding three (3) years. Prior to his/her appointment, the Third Expert shall agree to be bound by the provisions hereof, including the obligation to render a determination within thirty (30) days after the date of his/her designation. The experts shall not have the power to add to, modify or change any of the provisions of this Lease.

(d) In the event that Extension Fair Market Rent is not established by the Expiration Date, then Tenant shall pay Fixed Rent at the rate that is the average of determinations provided by each of Landlord and Tenant until such Extension Fair Market Rent determination shall have occurred at which time there shall be an equitable adjustment of the Fixed Rent payable during the Extended Term as provided for in this Lease (taking into account the Fixed Rent previously paid by Tenant during the Extended Term).

ARTICLE 33

Expansion Space Option

Section 33.01 Provided that (i) this Lease shall be in full force and effect, and (ii) Tenant is not in monetary or material non-monetary default in the performance or observance of any of the covenants, agreements, terms, provisions or conditions on its part to be performed or observed under this Lease beyond the expiration of any applicable notice and cure period, both on the date that Tenant delivers to Landlord Tenant's Expansion Notice (as hereinafter defined) and on the applicable Expansion Space Commencement Date (as hereinafter defined) and subject to the provisions of this Article 33 and this Lease, Tenant shall have the option to lease the entire rentable area on the 2nd ("**E2**"), 3rd ("**E3**") and/or the 13th ("**E13**") floors of the Building (each full floor herein, an "**Expansion Space**") for a term, commencing as to E2 or E3 on July 1, 2015 (or July 1, 2020 if the tenant occupying E2 and E3 exercises its five (5)-year extension option in conformance with its lease existing as of the date hereof ("**E2&3 Option**") and if the E2&3 Option is so exercised, Landlord shall promptly notify Tenant of such exercise) and as to E13, on September 1, 2015 (each such date herein, an "**Expansion Space Commencement Date**") and ending on the Expiration Date. Tenant's rights under this Article 33 are subject and subordinate to the E2&3 Option only and to no other option or right of offer, extension or renewal. Tenant may only exercise its option to lease any Expansion Space as to a full floor only. Tenant may exercise its option to lease the Expansion Space, by written notice ("**Tenant's Expansion Notice**") given to Landlord no later than twelve (12) months prior to the applicable Expansion Space Commencement Date and subject and subordinate to the E2&3 Option. If Landlord does not receive Tenant's Expansion Notice within the time period described above (TIME BEING OF THE ESSENCE), the option granted to Tenant by this Section 33.01 shall unconditionally lapse and be of no further force and effect and subject to Article 34 below, Landlord shall be free to lease the Expansion Space to any party it so wishes, upon any terms as Landlord, in its sole discretion, may desire,. Notwithstanding the foregoing, if Tenant does not elect to lease E13 pursuant to this Article 33, Landlord may lease E13 to a third party without first complying with Article 34 hereof and Tenant's Article 34 rights shall be subject and subordinate to Landlord's right to renew or extend the term of such lease of E13 to such third party, whether pursuant to option or not. In the event that Landlord receives Tenant's Expansion Notice within the above-described period, Landlord shall lease said space to Tenant on the terms and conditions set forth in Section 33.02.

Section 33.02 Any Expansion Space shall be leased to Tenant upon all the terms and conditions of this Lease except that, effective as of the Expansion Space Commencement Date: (i) the Fixed Rent for the applicable Expansion Space shall be equal to one hundred percent (100%) of the fair market rent for the Expansion

Space as of the date which is six (6) months prior to the applicable Expansion Space Commencement Date taking into account all relevant factors prevailing as of the commencement of the term of the Expansion Space (the "**Expansion Fair Market Rent**"); and (ii) Base Year Operating Expenses shall be Operating Expenses for the Operating Year ending December 31 of the calendar year in which the applicable Expansion Space Commencement Date occurs and the Real Estate Tax Base shall mean the Real Estate Taxes for the Tax Year ending June 30 (or other applicable date) of the calendar year in which the applicable Expansion Space Commencement Date shall occur. After Landlord receives Tenant's Expansion Notice in the time period set forth above, Landlord shall deliver to Tenant Landlord's determination of Expansion Fair Market Rent ("**Landlord's Expansion FMV Notice**") on or before nine (9) months prior to the applicable Expansion Space Commencement Date. If Tenant disputes Landlord's determination of Expansion Fair Market Rent, then within thirty (30) days after Tenant's receipt of such determination, Tenant shall notify Landlord of such dispute and include in such notice Tenant's determination of Expansion Fair Market Rent. Within twenty-five (25) days of Landlord's receipt of such notice from Tenant, failing an agreement as to Expansion Fair Market Rent, Landlord and Tenant shall each appoint an independent real estate appraiser and initiate the process provided for in Article 32 of this Lease and such provision shall apply to the determination of Expansion Fair Market Rent for the applicable Expansion Space. If Tenant shall not respond to Landlord's Expansion FMV Notice within the 30-day timeframe set forth above, then Tenant's failure to notify Landlord of acceptance or dispute of Landlord's determination of Expansion Fair Market Rent within five (5) days (TIME BEING OF THE ESSENCE) after Tenant's receipt from Landlord of a second similar notice shall constitute an acceptance of Landlord's determination.

Section 33.03 If any Expansion Space shall not be available for Tenant's occupancy on the applicable Expansion Space Commencement Date for any reason beyond the control of Landlord, including the holding over of the prior tenant, then Landlord and Tenant agree that the failure to have such Expansion Space available for occupancy by Tenant shall in no way affect the validity of this Lease or the inclusion of such Expansion Space in the Premises or the obligations of Landlord or Tenant hereunder, nor shall the same be construed in any way to extend the Term or impose any liability on Landlord, and for the purpose of this Article 33, the Expansion Space Commencement Date shall be deferred to and shall be the date such Expansion Space is delivered to Tenant vacant, unleased and free of occupants and on not less than ten (10) days prior written notice. The provisions of this Section

33.03 are intended to constitute "an express provision to the contrary" within the meaning of Section 223-a of the New York Real Property Law. Notwithstanding anything contained herein to the contrary, including the giving of the Tenant Expansion Notice, Tenant shall have the right to reject acceptance of any or all of the Expansion Space if the same shall not be delivered within six (6) months following the applicable Expansion Space Commencement Date and if Tenant so rejects acceptance of the Expansion Premises, Tenant's Expansion Notice will be deemed null and void and of no further force and effect and Tenant shall have no liability to Landlord for such the Expansion Premises or the rejection thereof. Landlord shall pursue in a commercially reasonable manner remedies against any holdover tenant.

Section 33.04 Tenant agrees to accept the Expansion Space in its condition and state of repair existing as of the Expansion Space Commencement Date, damage by Casualty and condemnation excepted, and understands and agrees that Landlord shall not be required to perform any work, supply any materials, incur any expense or provide any improvement allowance or free rent to Tenant to prepare such space for Tenant's occupancy.

Section 33.05 If the Fixed Rent for the Expansion Space is not determined by the Expansion Space Commencement Date, then Tenant shall pay Fixed Rent at the rate that is the average of the that which is set forth in Landlord's Expansion FMV Notice and that which is set forth in Tenant's dispute notice until the Expansion Fair Market Rent determination shall have occurred at which time there shall be an equitable adjustment of the Fixed Rent payable for the Expansion Space (taking into account the Fixed Rent previously paid by Tenant for the Expansion Space).

ARTICLE 34

Right of First Offer

Section 34.01 (a) For purposes of this Lease, the "**First Offer Space**" shall mean all or any portions of the rentable area on: (i) floors 2 through 6; and (ii) E13 and the 18th floor of the Building that become available for lease (subject to Section 34.07 hereof) during the Term. Landlord represents that the leases covering the First Offer Space with their current expiration dates and any extension, renewal or expansion options are as set forth on Exhibit L.

(b) Provided this Lease has not been terminated and Tenant is not in monetary or material, non-monetary default under the terms and conditions of this Lease after notice and the expiration of applicable cure periods as of the date of the giving of Tenant's First Notice (as such term is defined) and as of the date of the First Offer Space Inclusion Date (as such term is defined), then if Landlord shall have First Offer Space available for leasing, then Landlord, before offering such First Offer Space to any third party (subject to Section 34.07), shall offer to Tenant the right to include such First Offer Space within the Premises upon all the terms and conditions of this Lease, except that:

(A) the Fixed Rent with respect to such First Offer Space shall be at a rate equal to 100% of the fair market rent for such First Offer Space taking into account all relevant factors as of the First Offer Space Inclusion Date (First Offer Fair Market Rent).

(B) Base Year Operating Expenses shall mean Operating Expenses for the Operating Year ending December 31 of the calendar year in which the First Offer Space Inclusion Date shall occur and the Real Estate Tax Base shall mean the Real Estate Taxes for the Tax Year ending June 30 (or other applicable date) of the year in which the First Offer Space Inclusion Date shall occur.

Such offer shall be made by Landlord to Tenant in a written notice (the "**First Offer Notice**"), which offer shall designate the First Offer Space, the estimated date that such space will be available for Tenant's occupancy (the "**Estimated Inclusion Date**"), and shall specify Landlord's determination of the Fixed Rent payable with respect to any such First Offer Space. The Estimated Inclusion Date shall not be more than eighteen (18) months nor less than five (5) months from the First Offer Notice, provided however, such five (5) month period shall be reduced to one (1) month in the event the applicable First Offer Space becomes available for lease due to an early termination of the lease (however caused) covering such First Offer Space.

Section 34.02 (a) Tenant may unconditionally (but subject to Section 34.03) accept the offer set forth in the First Offer Notice by delivering to Landlord an acceptance ("**Tenant's First Notice**") of such offer within twenty (20) business days after delivery by Landlord of the First Offer Notice to Tenant. The First Offer Space designated in the First Offer Notice shall be added to and included in the Premises on the date such First Offer Space shall be delivered to Tenant vacant, unleased and free of occupants ("**First Offer Space Inclusion Date**"). Time shall be of the essence with respect to the giving of Tenant's First Notice.

(b) If Tenant does not accept the First Offer Notice by delivering to Landlord Tenant's First Notice within the time period set forth in Section 34.02(a), Tenant shall be deemed to have unconditionally waived its rights under this Article 34 with respect to the First Offer Space designated in Landlord's First Offer Notice, and Landlord shall at any and all times thereafter be entitled to lease such First Offer Space designated in the First Offer Notice to others at such rental and upon such terms and conditions as Landlord in its sole discretion may desire, whether such rental is the same as that offered to Tenant or more or less favorable.

Section 34.03 If any First Offer Space shall not be available for Tenant's occupancy on the Estimated Inclusion Date for any reason beyond the control of Landlord, including the holding over of the prior tenant, then Landlord and Tenant agree that the failure to have such First Offer Space available for occupancy by Tenant shall in no way affect the validity of this Lease or the inclusion of such First Offer Space in the Premises or the obligations of Landlord or Tenant hereunder, nor shall the same be construed in any way to extend the Term or impose any liability on Landlord, and for the purpose of this Article 34, the First Offer Space Inclusion Date shall be deferred to and shall be the date such First Offer Space is delivered to Tenant broom-clean and free of any prior occupants' personal property, vacant, unleased and free of occupants or claims to occupancy. The provisions of this Section 34.03 are intended to constitute "an express provision to the contrary" within the meaning of Section 223-a of the New York Real Property Law. Notwithstanding anything contained herein to the contrary, including the giving of Tenant's First Notice, Tenant shall have the right to reject acceptance of the any or all of the First Offer Space if the same shall not be delivered within six (6) months following the Estimated Inclusion Date and if Tenant so rejects acceptance of the First Offer Space, Tenant's First Notice will be deemed null and void and of no further force and effect and Tenant shall have no liability to Landlord for such First Offer Space or the rejection thereof. Landlord shall pursue in a commercially reasonable manner remedies against any holdover tenant.

Section 34.04 In the event that Tenant disputes the amount of the First Offer Fair Market Rent specified in the First Offer Notice, then within forty-five (45) days after Tenant's receipt of the First Offer Notice, Tenant shall notify Landlord of such dispute and include in such notice Tenant's determination of the First Offer Fair Market Rent. Within twenty-five (25) days after Landlord's receipt of such notice from Tenant, failing an agreement as to the First Offer Fair Market Rent, Landlord and Tenant shall each appoint an independent real estate appraiser or broker and initiate the process provided for in Article 32 of this Lease, and such provisions shall apply to the determination of First Offer Fair Market Rent for the First Offer Space. If Tenant shall not respond to the First Offer Notice within the 20-day timeframe set forth above, then Tenant's failure to notify Landlord of acceptance or dispute of Landlord's determination of First Offer Fair Market Rent within five (5) days (TIME BEING OF THE ESSENCE) after Tenant's receipt from Landlord of a second similar notice shall constitute an acceptance of Landlord's determination of the Fixed Rent set forth in the First Offer Notice.

Section 34.05 Tenant agrees to accept the First Offer Space in its condition and state of repair existing as of the First Offer Space Inclusion Date, damage by Casualty and condemnation excepted, and understands and agrees that Landlord shall not be required to perform any work, supply any materials, incur any expense or provide any improvement allowance of free rent to prepare such space for Tenant's occupancy (which factors shall be taken into consideration in the determination of First Offer Fair Market Rent).

Section 34.06 The termination of this Lease during the Term shall also terminate and render void all of Tenant's options or elections under this Article 34 whether or not the same shall have been exercised; and nothing contained in this Article shall prevent Landlord from exercising any right or action granted to or reserved by Landlord in this Lease to terminate this Lease. None of Tenant's options or elections set forth in this Article 34 may be severed from this Lease or separately sold, assigned or transferred.

Section 34.07 Notwithstanding any language to the contrary contained in this Article 34, the rights granted to Tenant hereunder shall be at all times subject and subordinate to: (i) the rights of any existing tenant (or their affiliates or successors or assigns) existing as of the date of this Lease if set forth on Exhibit L; (ii) Landlord's right to renew or extend the term of any leases (whether pursuant to option or otherwise) of any tenants then existing in the Building (except for the tenant occupying E13 as of the date of this Lease); (iii) Landlord's right to renew or extend the term of any lease with any tenant which subsequently leases all or any portion of E13, whether pursuant to option or not; and (iv) Landlord's right to lease all or any portion of the 18th floor of the Building to Kasowitz, Benson, Torres & Friedman LLP and to renew or extend the term of such lease, whether pursuant to option or not.

Section 34.08 If the Fixed Rent for the First Offer Space is not determined by the First Offer Space Inclusion Date, then Tenant shall pay Fixed Rent at the rate that is the average of the that which is set forth in Landlord's First Offer Notice and that which is set forth in Tenant's dispute notice until the First Offer Fair Market Rent determination shall have occurred at which time there shall be an equitable adjustment of the Fixed Rent payable for the First Offer Space (taking into account the Fixed Rent previously paid by Tenant for the First Offer Space).

ARTICLE 35

Shaft Space

Section 35.01 Tenant shall have the right to use, during the Term at no cost to Tenant, the Shaft Space described below (the "Shaft Space"). Tenant shall use the Shaft Space solely for: (i) telecommunications cable to connect the Premises to the telecommunications room on the basement level of the Building; and (ii) to connect the Premises with the Roof Equipment (as defined in Article 36 hereof). The Shaft Space is and shall be contained within a reasonably direct pathway running from the Premises to the Roof Equipment and from the 4th floor of the Premises to the telecommunications room on the basement level of the Building in locations as reasonably determined by Landlord and reasonably acceptable to Tenant. Access to any conduit closets on each such floor shall, at Landlord's election, be restricted so that no entry to the closet will be permitted unless Landlord's designated contractor or other representative is present (subject to Building rules and regulations, Landlord agreeing to make such access available on 24 hours prior notice or less in the case of an emergency). Landlord may require any installation of any conduits or any cable in the Shaft Space or any connection of Tenant's cable or other lines to the Premises to be performed by contractors selected by Tenant and approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything contained herein, use of the Shaft Space shall be at no cost to Tenant; however, all reasonable charges of such running of conduit, cable, installations, connections to and through the Shaft Space, as applicable, and the ongoing use and maintenance of such items shall be at Tenant's sole cost and expense. The provisions of Section 2.01(c) shall apply to the Shaft Space. Tenant shall pay to Landlord, within thirty (30) days after demand, any charges

(as set forth on Exhibit I) for any of Landlord's personnel required in connection with Tenant's use of or access to the Shaft Space. Any use by Tenant under this Article 35 of the Shaft Space and cable, connecting lines or conduit shall comply with all applicable legal or insurance requirements, the other provisions of this Lease, and such Building Standard rules and regulations as are adopted by Landlord from time to time, and shall not interfere with the operation of the Building or with the use by any other tenant of the Building or such tenant's premises or the common areas of the Building. All required cabling, connecting lines or conduit shall be installed out of sight. Prior to any installation of cable, connecting lines or conduit in the Shaft Space, Tenant shall obtain Landlord's written approval as set forth in Section 5.01(e) of this Lease as if the Shaft Space were part of the Premises. In no event may any conduit, cabling or connecting lines be run to any other service provider or any other tenant or occupant of the Building, unless expressly consented to in writing by Landlord. Landlord hereby agrees that: (i) Tenant shall have the right to install up to four (4) two-inch (2") conduits from each of the Building's two (2) points of entry in diverse risers to the 4th floor portion of the Premises within the Shaft Space (eight (8) total), (ii) from the 4th floor of the Premises to the 7th floor of the Premises, Tenant shall have the right to install in the Shaft Space two (2) 2" conduits in one pathway and three (3) 2" conduits in another pathway, and (iii) from the 11th floor of the Premises to the Building's roof, Tenant shall have the right to install one (1) 2" conduit in one pathway, all such installations and the use and maintenance of such conduits subject to the provisions of this Article 35.

Section 35.02 Except as expressly provided otherwise herein, Tenant's obligations and Landlord's rights under this Lease for the protection of the Building, the Underlying Indemnitees, and third parties, including, without limitation, Tenant's obligations regarding maintenance, repairs (subject to Tenant being afforded reasonable access), mechanic liens, insurance, indemnification, reasonable attorney fees and costs of suit, shall apply in the same fashion with respect to the use of the Shaft Space and the cable, connecting lines or conduit described in this Article 35 as they do with respect to the use of the rest of the Premises.

ARTICLE 36

OPERATING EXPENSES

(ALL TERMS USED HEREIN THAT ARE DEFINED IN THE LEASE OF WHICH THIS EXHIBIT IS A PART, HEREIN CALLED THE "LEASE", SHALL HAVE THE RESPECTIVE MEANINGS SPECIFIED IN THE LEASE UNLESS THE CONTEXT OTHERWISE REQUIRES.)

1. Operating Expenses as used in Article 26 shall mean the aggregate of all those costs and expenses (and taxes, if any thereon) paid or incurred by or on behalf of Landlord (whether directly or through independent contractors) without any duplication in respect of the operation, maintenance and management of the Land and/or the Building and the sidewalks and areas adjacent thereto (herein called the "**Operation of the Property**") which, in accordance with the generally accepted accounting practice used by the Landlord (and which is in accordance with sound management principles for the operation of Comparable Buildings), are properly chargeable to the Operation of the Property, together with and including, but not by way of limitation, the cost of electricity (including any taxes paid thereon) used in operating all Building equipment and servicing common areas of the Building, which cost shall be determined (if such electricity is not separately metered) on the basis of an electrical survey of such equipment and common area facilities and the then prevailing rates, provided however, the cost of such electricity shall be equal to Landlord's actual, out-of-pocket cost without profit or mark-up except at the rate determined in Section 24.01 hereof, and financial expenses incurred in connection with the Operation of the Property such as insurance premiums and legal, auditing, management and other professional fees and expenses, but specifically excluding (a) Real Estate Taxes, as defined in Section 26.01(a) and any penalties or late fees in connection therewith, (b) franchise, estate, inheritance or income taxes imposed on the Landlord and any penalties or late fees in connection therewith, (c) debt service payments, interest and any other charges payable in connection with any mortgages encumbering the Building or the Land, (d) all leasing costs, including without limitation, leasing and brokerage commissions and similar fees (including appraisals) as well as accounting and appraisal fees relating to determinations of fair market rent , (e) the cost of electrical energy furnished directly to tenants of the Building (f) the cost of electrical energy and condenser water provided during overtime periods consumed in any space within the Building leased or available for

lease to tenants, (g) the cost of removing, remediating, abating or otherwise treating asbestos (including vermiculite) and any other Hazardous Materials or wastes from the Building or Land, but the costs of inspecting, testing and surveying for same may be included within Operating Expenses, (h) cost of tenant installations, improvements and decorating incurred (whether as result of work performed by Landlord or payment to the tenant) in connection with preparing space for a tenant and other costs of refurbishing tenant's space or of preparing any space for lease or lease renewal or addition to a tenant's lease (and any takeover obligations or rent payments under any agreement assumed by Landlord), (i) legal, accounting, auditing, architectural, space planning and other professional expenses incurred in connection with any negotiation of, or disputes arising out of, lease or proposed lease in the Building or enforcing obligations of tenants under leases or payments made to tenants to take over leases, (j) depreciation or amortization of the Building or its equipment (except as expressly provided for in this Lease), (k) expenses incurred by Landlord for the repair of insured damage to the Building (but the deductible amount shall be included in Operating Expenses but only if such deductible is comparable to deductibles in Comparable Buildings) and other reimbursable costs for which Landlord is reimbursed by its insurance carrier (or would have been so reimbursed but for Landlord's failure to maintain insurance covering the Building) or any other third party, (l) ground lease rent on any ground lease or superior lease and interest, principal, points and fees, amortization or other costs incurred with respect to any sale or acquisition, mortgage, loan or refinancing of the Building or Land or of any air rights, transferable development rights, easements or other real property interests and/or any interests therein, or in any person or entity of whatever tier or level owning an interest therein (m) all costs associated with installing, operating and maintaining any specialty facility such as an observatory, broadcasting facilities, luncheon club, athletic or recreational club, child care or similar facility, auditorium, cafeteria or dining facility or conference center and all costs of reconfiguring or making any additions to, or building additional stories on, the Building or its plazas, or adding buildings or other structures adjoining the Building, or connecting the Building to other structures adjoining the Building, (n) costs incurred in performing work or furnishing services for any tenant to the extent that Tenant would have to pay a separate charge therefor if Landlord were providing the service to Tenant (e.g., overtime air conditioning), (o) capital improvements, except however that if any capital improvement results in reducing any Operating Expenses (as, for example, a labor-saving improvement), then with respect to the calendar year in which the improvement is made and each subsequent

calendar year during the term of the Lease, Landlord may include in Operating Expenses the amortized (over the useful life of such improvement) cost of such capital improvement (plus interest at an annual rate equal to Landlord's then actual, out-of-pocket cost of funds) but not in excess, in any Operating Year, of the amount by which the Operating Expenses have been directly reduced by reason of such capital improvement for such Operating Year until the cost thereof (plus commercially reasonable, actual, out-of-pocket interest) has been fully recouped by Landlord. If any capital improvement made or purchased in compliance with any law or governmental regulation enacted or taking effect after the date hereof, including any amendments to existing laws and regulations, then with respect to the calendar year in which the improvement is made or purchased and each subsequent calendar year (and any fraction thereof) during the term of the Lease (to the extent that such improvement is being amortized during the balance of the Lease term and Landlord agrees to amortize the cost of any such improvement over the longest useful life thereof in accordance with generally accepted accounting principles consistently applied), Landlord may include in Operating Expenses an amount equal to the reasonable annual amortization of such cost; (p) the cost of any service furnished to any tenant or occupant of the Building which Landlord does not make available to Tenant, (q) costs of correcting or repairing any structural or latent defects or any damages caused by Landlord or any Landlord Parties or by any other person, (r) salaries, including without limitation, wages, fringe benefits and all other compensation of any personnel above the grade of Building manager, (s) any amount paid to an Affiliate or other related entity which is in excess of the amount which would be paid in the absence of such relationship, (t) management fees in excess of 3% of the gross revenues collected from the Building, (u) all costs associated with Landlord's political, civic or charitable contributions, (t) debt losses, debt reserves, rent loss or rent reserves, and any and all other additions to Building reserves, (v) costs for acquiring, leasing, installing, maintaining, displaying, protecting, insuring, restoring or renewing works of art, (w) costs related to withdrawal liability or unfunded pension liability, (x) the rental value of any space in the Building used by Landlord as its corporate headquarters (as opposed to a management or leasing office) and the cost of constructing, furnishing and/or equipping the same, (y) any cost and expenses related to retail space in the Building and (z) the cost of utilities directly metered to tenants of the Building and payable separately by such tenants as well as the cost of acquiring or replacing any separate electric meter Landlord may provide to tenants of the Building measuring electricity in such tenants' premises. The preceding provisions shall not impose any obligation upon Landlord to incur such expense

or provide such service. If Landlord is not furnishing any particular work or service (the cost of which if performed by Landlord would constitute an Operating Expense) to a tenant who has undertaken to perform such work or service in lieu of the performance thereof by Landlord, Operating Expenses shall be deemed increased by an amount equal to the additional Operating Expenses which would reasonably have been incurred during such period by Landlord if it had at its own expense furnished such work or service to such tenant, provided such service is also being provided Tenant. Operating Expenses shall include expenses paid or incurred on account of work, labor, services or materials or other property furnished for the purposes mentioned herein by any contractor or other party that shall be directly or indirectly affiliated with or otherwise related to Landlord (whether by stock ownership, common officers or directors or otherwise), provided, however, that such sums do not exceed the sums charged by independent contractors for furnishing like labor, services, materials or other property to first class office buildings in the midtown Manhattan area.

2. expenses and disbursements relating to disputes with Tenant and other tenants or other occupants of the Building and/or the enforcement of leases, including court costs, accounting fees, auditing fees, attorneys' fees and disbursements and any other amount incurred in connection with any summary proceeding to evict or dispossess any tenant;

4. costs of overtime and/or supplemental Building HVAC Systems and condenser water or chilled water supplemental systems consumed in or furnished to the Premises or any other area in the Building leased to other tenant(s) which are directly charged to Tenant or to such other tenant(s);

5. any expenses which are not paid or incurred in respect of the Land and Building but rather in respect of other real property owned by Landlord, provided that with respect to any expenses attributable in part to the Land and Building and in part to other real property owned or managed by a Landlord Party related entity (including salaries, fringe benefits and other compensation of a Landlord related entity's personnel who provide services to both the Land and Building and other properties), Operating Expenses shall include only such portion thereof as are apportioned by Landlord to the Land and Building on a fair and equitable basis;

6. costs incurred with respect to a sale or transfer of all or any portion of any interest of the Land or in any Person of whatever tier owning an interest therein;

7. costs incurred in connection with the acquisition or sale of transferable development rights;

8. the rental cost of items which (if purchased) would be capitalized and excluded from Operating Expenses, except if the cost of such items (if purchased) would be included in Operating Expenses pursuant to Article 26;

11. all costs of Landlord's general corporate and general administrative and overhead expenses (except as to other items specifically permitted hereunder to be included in Operating Expenses);

13. expenses of relocating or moving any tenant(s) of the Building;

14. commercial rental and occupancy tax;

15. costs arising from, or attributable to, Landlord's negligence or willful misconduct (including, without limitation, costs and expenses arising from Landlord's indemnity obligations under this Lease with respect to such negligence or willful misconduct);

16. attorney's fees and disbursements incurred by Landlord in connection with the negotiation of any superior lease or mortgage;

17. attorneys' fees incurred by Landlord in connection with any disputes arising under the existing mortgage;

18. all costs incurred by Landlord with respect to goods and services (including utilities sold and supplied to tenants and occupants of the Building) to the extent that Landlord shall be entitled to reimbursement from any tenant in the Building, including Tenant, for the cost of like goods and services furnished to Tenant pursuant to this Lease other than in the nature of Operating Expenses;

19. all rentals of capital equipment to the extent the same would have been an Operating Expense if such equipment were purchased; and

20. any costs or expenses for repairs or maintenance which are covered by warranties and service contracts and such expenses are reimbursed to Landlord pursuant thereto.

21. Any operating expenses attributable to the retail portions of the Building.

2. In determining the Base Year Operating Expenses and the amount of Operating Expenses for each subsequent Operating Year, if less than 95% of the rentable square-foot area of the office portion of the Building shall have been occupied by tenants at any time during the Base Year and the Operating Year, Operating Expenses shall be deemed for such Base Year and Operating Year to be an amount equal to the like expenses which would normally and reasonably be expected to be incurred had such occupancy been 95% throughout such Base Year and Operating Year. GUARANTY

Each of the entities listed on **Schedule "A"** attached hereto and forming a part hereof (each a "**Guarantor**" and collectively, the "**Guarantors**"), acknowledges and agrees that Paramount Group, Inc., as agent for PGREF I 1633 Broadway Tower, L.P. (hereinafter called "**Landlord**"), having an office c/o Paramount Group, Inc., 1633 Broadway, Suite 1801, New York, NY 10019 and WMG Acquisition Corp. (the "**Tenant**") shall enter into that certain lease (as the same may hereafter be amended, the "**Lease"**) dated October 1, 2013, covering certain premises (the "**Premises**") as more particularly described in the Lease in the building (the "**Building**") known as 1633 Broadway, New York, New York.

In order to induce Landlord to enter into the Lease and in consideration of Landlord's entering into the Lease and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby guarantees, jointly and severally, unconditionally and absolutely, to Landlord, its successors and assigns (without requiring any notice of nonpayment or proof of notice or demand whereby to charge any Guarantor, all of which each Guarantor hereby expressly waives), the payment as and when due of Fixed Rent (as defined in the Lease), additional rent, charges, interest and damages payable by Tenant under the Lease and the payment of any and all other damages for which Tenant shall be liable by reason of any act or omission contrary to any of the covenants, agreements, terms, provisions or conditions of the Lease, including without limitation, such damages for which Tenant shall be liable pursuant to the terms of the Lease for failure to perform Tenant's Work (as defined in the Lease), free and clear of all liens and other claims, charges and encumbrances. Each Guarantor represents and warrants that this Guaranty has been duly authorized by all necessary corporate action on such Guarantor's part, has been duly executed and delivered by a duly authorized officer of each Guarantor, and constitutes such Guarantor's valid and legally binding agreement in accordance with its terms. This Guaranty is a guaranty of payment only and not of performance.

As a further inducement to Landlord to enter into the Lease and in consideration thereof, each Guarantor hereby expressly covenants and acknowledges as follows:

1. The obligations hereunder of each Guarantor shall not be terminated or affected in any way or manner whatsoever by reason of Landlord's resort, or Landlord's omission to resort, to any summary or other proceedings, actions or remedies for the enforcement of any of Landlord's rights under the Lease or with respect to the Premises thereby demised or by reason of any extensions of time or indulgences granted by Landlord, or by reason of the assignment or surrender of all or any part of the Lease or the term and estate thereby granted or all or any part of the Premises demised thereby except to the extent that Tenant is released in writing by Landlord from any obligation in connection with any such assignment or surrender. The liability of each Guarantor is coextensive with that of Tenant and also joint and several, and action or suit may be brought against any Guarantor and carried to final judgment and/or completion and recovery had, either with or without making Tenant a party thereto. Insofar as the payment by Tenant of any sums of money to Landlord is involved, this Guaranty is a guaranty of payment and not of collection and shall remain in full force and effect until payment in full to Landlord of all sums payable under this Lease. Each Guarantor waives any right to require that any action be brought against Tenant or to require that resort be had to any Security Deposit (as defined in the Lease) or to any other credit in favor of Tenant. Landlord shall be required to apply any Security Deposit held by it to the reduction of any of Guarantors' obligations hereunder and the amount of any such Security Deposit as may be applied by Landlord shall be credited to the benefit of any Guarantor.

2. Each Guarantor acknowledges and agrees that this Guaranty and such Guarantor's obligations under this Guaranty are and shall at all times continue to be absolute, present, primary and unconditional in all respects, and shall at all times be valid and enforceable irrespective of any other agreements or circumstances of any nature whatsoever which might otherwise constitute a defense to this Guaranty and the obligations of any Guarantor under this Guaranty or the obligations of any other person or party (including, without

limitation, Tenant) relating to this Guaranty or the obligations of any Guarantor hereunder or otherwise with respect to the Lease other than the defense of payment. The Guaranty sets forth the entire agreement and understanding of Landlord and each Guarantor, and each Guarantor absolutely, unconditionally and irrevocably waives any and all right to assert any defense, set-off, counterclaim or cross-claim of any nature whatsoever with respect to this Guaranty or the obligations of any Guarantor under this Guaranty or the obligations of any other person or party (including, without limitation, Tenant) relating to this Guaranty or the obligations of any Guarantor under the Guaranty or otherwise with respect to the Lease in any action or proceeding brought by Landlord with respect to the Lease or the obligations of any Guarantor under this Guaranty other than the defense of payment. Each Guarantor acknowledges that no oral or other agreements, understandings, representations or warranties exist with respect to this Guaranty or with respect to the obligations of such Guarantor under this Guaranty except as specifically set forth in this Guaranty.

3. If additional space shall be included in, or substituted for all or any part of, the Premises demised by the Lease, or if the Lease be modified by agreement between Landlord and Tenant in any other similar or dissimilar respect, the obligations hereunder of each Guarantor shall extend and apply to the payment as and when due of Fixed Rent, additional rent, charges and damages provided for thereunder and the payment of any and all other damages for which Tenant shall be liable by reason of any act or omission contrary to any of said covenants, agreements, terms, provisions or conditions with respect to any such additional space, or which under any supplemental indenture or new lease or modifications agreement, entered into for the purpose of expressing or confirming any such inclusion, substitution or modification.

4. Neither the giving nor the withholding by Landlord of any consent or approval provided for in the Lease shall affect in any way the obligations hereunder of any Guarantor.

5. Each of the undersigned waives and releases any claim (within the meaning of 11 U.S.C. § 101) which it may have against Tenant arising from a payment made by the undersigned under this Guaranty and agrees not to assert or take advantage of any subrogation rights to proceed against Tenant for reimbursement. It is expressly understood that the waivers and agreements of the undersigned set forth above constitute additional and cumulative benefits given to Landlord for its security and as an inducement for its entering into the Lease with Tenant. Neither any Guarantor’s obligation to make payment in accordance with the terms of this Guaranty nor any remedy for the enforcement thereof shall be impaired, modified, changed, stayed, released or limited in any manner whatsoever by any impairment, modification, change, release, limitation or stay of the liability of Tenant or its estate in bankruptcy or any remedy for the enforcement thereof, resulting from the operation of any present or future provision of the Bankruptcy Code of the United States or from the decision of any court interpreting any of the same, and each Guarantor shall be obligated under this Guaranty as if no such impairment, stay, modification, change, release or limitation had occurred. This Guaranty shall continue to be effective or shall be reinstated (as the case may be) if at any time payment of all or any part of any sum payable pursuant to the Lease is rescinded or otherwise required to be returned by Landlord upon the insolvency, bankruptcy, or reorganization of Tenant, all as though such payment to Landlord had not been made, regardless of whether Landlord contested the order requiring the return of such payment.

6. Until all the covenants and conditions in the Lease on the Tenant’s part to be performed and observed are fully performed and observed: (a) no Guarantor shall have any right of subrogation against the Tenant by reason of any payments, in compliance with the obligations of such Guarantor hereunder; (b) each Guarantor waives any right to enforce any remedy which such Guarantor now or hereafter shall have against the Tenant by reason of any one or more payment with the obligations of any Guarantor hereunder; and (c) each Guarantor subordinates any liability or indebtedness of the Tenant now or hereafter held by such Guarantor to the obligations of the Tenant to the Landlord under the Lease.

7. This Guaranty, and all of the terms hereof, shall be binding on each Guarantor and the successors, assigns, and legal representatives of Guarantor.

8. Each Guarantor hereby waives the right to trial by jury in any action or proceeding that may hereafter be instituted by Landlord against such Guarantor in respect of this Guaranty.

9. All of Landlord's rights and remedies under the Lease or under this Guaranty are intended to be distinct, separate and cumulative, and no such right or remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others; *provided*, *however*, that Landlord agrees that it may not proceed against any Guarantor hereunder unless and until a default by Tenant under the Lease has occurred and is continuing beyond the expiration of any applicable notice and cure period contained in the Lease (unless Landlord is prohibited by applicable legal requirements from sending any default notice in which event, the expiration of any applicable notice and cure period shall not be required).

10. This Guaranty shall be deemed to have been made in the State of New York, and each Guarantor consents to the jurisdiction of the courts of the State of New York, and the rights and liabilities of Landlord and each Guarantor shall be determined in accordance with the laws of the State of New York. Each Guarantor agrees that it will be conclusively bound by the judgment in any action by Landlord against Tenant (wherever brought) as if such Guarantor were a party to such action, even though such Guarantor is not joined as a party in such action. In addition, if any Guarantor cannot be effectively served with process pursuant to the laws of the State of New York because such Guarantor does not have sufficient contacts with New York or for any other reason, then such Guarantor agrees that effective service of process upon Tenant shall constitute effective service of process upon such Guarantor as well.

11. Each Guarantor will pay to Landlord all Landlord's actual, reasonable out-of-pocket expenses, including, but not limited to, reasonable attorneys' fees and expenses, in enforcing this Guaranty.

12. A Guarantor shall automatically be released from this Guaranty and its obligations hereunder upon (i) the sale or other disposition of all of the equity interests of such Guarantor to a person other than Tenant or another Guarantor, or (ii) consummation of any other transaction or designation as a result of which such Guarantor is released from its guarantee of the obligations of Tenant under the Credit Agreement, dated as of November 1, 2012 (as amended by the Incremental Commitment Amendment, dated as of May 9, 2013, and as further amended, restated, extended, refinanced, replaced, refunded, supplemented or otherwise modified in writing from time to time) among Tenant as the borrower thereunder, the lenders party thereto and Credit Suisse AG, as administrative agent. Landlord will, at such Guarantor's expense, execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request to evidence the release of such Guarantor from this Guaranty.

13. Each Guarantor agrees to be jointly and severally liable for Guarantor's obligations hereunder without preference or distinction among them.

14. Notwithstanding anything contained herein to the contrary, this Guaranty shall apply only to the obligations of Tenant and any Guarantor which have accrued on or before August 1, 2021, provided however, any such claims which have accrued on or before August 1, 2021, must be asserted on or before October 1, 2021 by Landlord by written notice to Guarantors, such notice to be delivered to Guarantors at the address for Tenant notices pursuant to Section 11.01(a) of the Lease. For avoidance of doubt, this Guaranty shall not be applicable to, or valid with respect to, any obligations of Tenant under the Lease or any obligations of any Guarantor hereunder occurring from and after August 1, 2021 and Landlord acknowledges and agrees

that it has no right to rely on this Guaranty for such purposes. This Guaranty shall terminate and have no further force and effect from and after October 1, 2021 (other than as to claims asserted prior to such date in accordance with and subject to the terms of this Guaranty).

15. Each Guarantor, and by its acceptance of this Guaranty, the Landlord, hereby confirms that it is the intention of all such persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of, and not otherwise be in violation of, the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Landlord and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount that can be guaranteed by such Guarantor under applicable law and that will otherwise result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

16. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths (as defined below) of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of paragraph 6 above. The provisions of this paragraph 16 shall in no respect limit the obligations and liabilities of any Guarantor to the Landlord, and each Guarantor shall remain liable to the Landlord for the full amount guaranteed by such Guarantor hereunder. In this Guaranty, "Adjusted Net Worth" means, of any Guarantor at any time, the greater of (x) $0 and (y) the amount by which the fair saleable value of such Guarantor's assets on the date of the respective payment hereunder exceeds its debts and other liabilities (including contingent liabilities, but without giving effect to any of its obligations under this Guaranty) on such date.

17. This Guaranty is being executed and delivered by all of the Guarantors contemporaneously with the execution and delivery of the Lease.

ATTORNEY GENERAL OF THE STATE OF NEW YORK

In the Matter of

WARNER MUSIC GROUP CORP.,

Respondent.

ASSURANCE OF DISCONTINUANCE
PURSUANT TO EXECUTIVE LAW § 63(15)

In 2004, Eliot Spitzer, Attorney General of the State of New York, initiated an investigation pursuant to the provisions of Article 22-A of the General Business Law and Section 63 of the Executive Law into practices relating to the promotion of music to radio broadcasting stations. WARNER MUSIC GROUP CORP. ("Warner Music") has cooperated with the Attorney General through the course of this investigation and, in or about June of 2005, implemented guidelines that address some of the conduct discussed below. Warner Music has agreed to revise its guidelines consistent with Exhibit B to this Assurance of Discontinuance. The Attorney General finds that the practices discussed below are pervasive within the music industry and by no means unique to Warner Music. Further, the Attorney General makes no finding as to the artistic merit of the work of any of the artists mentioned in this document.

Based on his investigation, the Attorney General makes the following findings:

Preliminary Statement

1. Respondent, Warner Music, is a Delaware corporation with its principal place of business located at 75 Rockefeller Plaza, New York, New York 10019.

2. Warner Music is engaged in the production, distribution and sale of pre-recorded music. Warner Music is the third largest record company in the United States and is one of the four major record companies that dominate the music industry. Warner Music includes several record labels that sign artists; produce records; and market, promote, and sell those records.

3. To sell music and reap profits, Warner Music label groups aggressively promote their music to radio broadcasting stations, because radio airplay is the single most significant driver of music sales: the more a song is played on the air, the more people are likely to hear it and then buy it. Moreover, the more airplay a song receives, the higher it is likely to climb on the published charts that purport to reflect the song's popularity. This, in turn, increases the likelihood that retailers will stock the song and consumers will buy it. Simply put, increased airplay translates into increased sales.

4. Record labels have stables of artists whose music the labels seek to promote. Because far more songs are produced than can be played on the air, stiff competition exists between labels to obtain airplay for their artists, a necessary component of the labels' marketing effort to profit from record sales.

5. Warner Music has illegally provided radio stations with financial benefits to obtain airplay and boost the chart position of its songs. Contrary to listener expectations that songs are selected for airplay on the basis of their popularity or artistic merit, Warner Music has obtained airplay for its songs through such deceptive and illegal practices as: (a) bribing radio station employees, on occasion, to play its songs; (b) providing a stream of financial benefits to radio stations to assist with stations' overhead costs or to benefit stations' listening audience, on the condition that its records receive airplay; (c) using independent promoters as conduits for illegal payments to radio stations to obtain airplay; (d) purchasing spin programs and using syndicated programs to manipulate chart positions of its music; and (e) engaging in fraudulent call-in campaigns to increase airplay of its songs.

6. The federal Communications Act prohibits payola. 47 U.S.C. § 508 requires any employee of a radio station who accepts or agrees to accept money, services or other valuable consideration, or any person who pays or agrees to pay such radio station employee money, services or other consideration in exchange for the broadcast of any particular piece of programming, to disclose, this payment to the station. 47 U.S.C. § 317 requires radio stations to exercise due diligence to ensure that the prescribed announcements take place. 47 U.S.C. § 508 makes a failure to comply with these disclosure requirements a misdemeanor and subjects the violator to imprisonment of up to one year and fines of up to $10,000.

7. In addition to the federal payola statutes, New York State law prohibits the paying of bribes to radio station personnel. Under the State's commercial bribery statute, New York Penal Law § 180.00, it is a misdemeanor for anyone to confer (or offer to confer) a benefit upon another party with the intent to influence the recipient's conduct regarding the business affairs of the recipient's employer, without the employer's consent.

8. Section 349 of the New York General Business Law ("GBL") empowers the Attorney General to seek injunctive relief when any person or entity has engaged in deceptive acts or practices in the conduct of any business. Section 350-d of the GBL empowers the Attorney General to seek, inter alia, civil penalties in the amount of $500 for each violation of section 349, the Deceptive Practices Statute. Finally, Executive Law §§ 63(12) and 63(15) empower the Attorney General to seek injunctive and equitable relief when any person or business entity has engaged in or otherwise demonstrated repeated fraudulent or illegal acts in the transaction of business.

I. Modern Pay-for-Play

9. In the 45 years since the enactment of the federal payola statutes, the practice of pay-for-play has changed significantly. The bribes to local disc jockeys have evolved into an

elaborate corporate payola strategy. The increased sophistication of such a strategy reflects the significant consolidation that has taken place within the radio industry in the wake of the Telecommunications Act of 1996, which substantially increased the number of stations that could be owned by a single entity. With the advent of conglomerates such as Clear Channel Communications, Inc. ("Clear Channel") and Infinity Broadcasting, Inc. ("Infinity"), record label executives can, and do, negotiate deals netting airplay across a large number of stations serving a host of different geographic markets.

10. Radio stations – whether independent or belonging to a conglomerate – no longer rely on disc jockeys to choose recorded music for broadcast. Rather, programming personnel now have responsibility for formulating "play lists," strict and detailed schedules setting forth exactly those songs the radio station will play each week. As they update the play lists from one week to the next, programmers generally remove a limited number of songs and add new songs to fill the vacated slots. The newly added songs are referred to in the industry as "adds." Record labels pursue carefully designed promotion campaigns aimed at garnering adds, which represent in each case a significant achievement for the label's promotion staff.

11. Once a radio station has finished its play list for the upcoming week, the station often will report the play list to other music industry participants, including record labels and the two charting companies, Billboard and Radio & Records. The charting companies compile charts for various music formats that purport to reflect the popularity of individual songs based, in part, on radio airplay, as monitored by two other companies, BDS and Mediabase, which track the number of times (or "spins") each song is played on the air.

12. Accordingly, in addition to seeking to have their songs added to play lists, record labels are intensely interested in seeing each add receive as many spins as possible. Frequent

airplay not only creates audience awareness but improves the song's chart position and its prospects for becoming a lucrative hit. Label promotion staff at times work to obtain commitments from stations to playa song as often as possible. Ideally the staff hopes to secure airplay between 6:00 a.m. and midnight, when listening audiences are the largest.

13. Intense competition among record labels for the relatively small number of valuable play list slots has caused a variety of aggressive pay-for-play mechanisms to emerge. All labels share the common objective of advancing the circulation of record labels' products to the listening public. In each case, music consumers remain unaware of the extent to which radio programming and record popularity statistics are being manipulated and compromised.

14. In addition to employing the traditional device of delivering bribes to radio programmers – which now can take the form of expensive vacation packages, electronics, and other valuable items – record labels endeavor to gain airplay for their songs by providing such inducements to the radio stations as "promotional support," which the stations can then use either to help meet their own operational needs or as prizes and "giveaways" designed to increase the size of the stations' listening audience. Similarly, labels routinely arrange for their artists to perform on the radio for free or at reduced rates, with the clear understanding that each such performance will take place only if the station gives the artist's recorded work airplay.

15. In an effort to dodge the payola laws, record labels and radio stations have also enlisted the services of so-called independent promoters, or "indies," middlemen who act as conduits for delivery of the labels' promotional support to the stations and help perpetuate the fiction that this support is not actually being delivered by the labels in exchange for airplay and therefore does not violate the payola statutes. Many independent promoters receive compensation from the labels for each add they obtain.

16. Labels also strive to boost the popularity of their recorded music through the deceptive device of "spin programs" – air time bought by the labels under the guise of advertising, during which particular songs are played so that the charting companies (BDS and Mediabase) will credit those songs with spins beyond those attributable to the radio stations' own programming decisions. At times, labels also have used "syndicated programs," countdown shows sponsored by radio conglomerates, to obtain numerous detectable spins for songs.

17. Finally, to increase spins and exposure, labels direct paid agents or their own personnel to contact radio stations and radio programs, and place fraudulent requests that certain songs be played.

18. By engaging in such an elaborate scheme to purchase airplay, increase spins, and manipulate the charts, Warner Music and the other record labels present the public with a skewed picture of the country's "best" and "most popular" recorded music.

II. Warner Music's Multi-Faceted Pay-for-Play Strategy

19. Rather than relying exclusively on the quality or originality of its music to obtain airplay for its artists' recordings, Warner Music pursues all of the foregoing "pay-for-play" techniques. These practices are carried out by the promotion departments of Warner Music's various label groups – which include Warner Music Bros. Records (WBR), Reprise Records, Lava Records and Atlantic Records – and have been condoned by senior executives at Warner Music record labels.

20. Each of the major Warner Music label's promotions department is headed by a senior or executive vice president of promotion, who receives reports from staff responsible for the specific music formats adopted by music radio stations, such as Top 40, Adult Contemporary, Alternative Rock, and Adult Album Alternative.

21. The national promotion staff is responsible for promoting songs by music format. The promotion department of each major Warner Music label also has a regional promotion staff, focused geographically, who report directly to national promotion staff and interact with the senior or executive vice president of promotion through weekly conference calls. The primary function of promotion department employees is to obtain airplay for Warner Music's artists. At times regional promotion staff have been given modest monetary bonuses called "spiffs" to aggressively secure adds and spin increases on songs identified as crucial by senior promotion managers.

22. In recent years, a significant portion of Warner Music's radio promotion dollars has been used to purchase airplay and create hit records.

A. Gifts and Bribes to Station Programmers

23. Warner Music has provided items of value to radio station programmers, such as air fare, sporting events tickets, computer equipment, convention fees, tickets to award shows, concert tickets, and other gifts for programmers' personal use.

24. When employed, this practice is used both to secure airplay commitments on specific songs and to buy the good will of a programmer who, in return, commits to playing Warner Music music on a regular basis. In some instances, the gifts have been couched as radio contest prizes and other types of listener giveaways.

25. Warner Music has provided radio station programmers with items of value in exchange for airplay. For example, Warner Music has paid to send David Universal, a former program director at WKSE in Buffalo, on a personal trip to Miami in order to have its music played. Warner Music also has provided Mr. Universal with a laptop computer, tickets to sporting events, concerts and a host of other promotional items for his personal use.

26. According to Warner Music employees, Mr. Universal always required something in exchange for adding a song. An Atlantic Promotion Manager stated, “we all did business with Dave. We all had to do business with Dave if we were going to get our records on. And it was a game that you either played or you didn’t have a shot at getting your records on the air.”

27. Mr. Universal was not the only radio station employee to receive items for personal use in exchange for airplay. Warner Music promotion managers have admitted to providing radio station employees with Grammy, American Music Award, MTV Video, World Series, and Super Bowl tickets for their personal use to add Warner Music’s music to their play lists.

28. Warner Music personnel monitor the spin commitments they obtain by using the services of Mediabase, one of the airplay monitoring companies, which provides real time access to spins accumulating on current songs at radio stations across the country.

B. Promotional Support to Radio Stations

29. In addition to bribing individual radio station employees to secure airplay, Warner Music regularly provides “promotional support” to radio stations in exchange for airplay of its songs. Consumers are unaware that the songs are being played because Warner Music has provided promotional support to the radio station. Warner Music provides this support with the specific purpose of improperly influencing the stations’ airplay decisions.

30. In their regular direct contact with radio station programmers, Warner Music promotion department employees dangle the prospect of promotional support as an explicit and implicit inducement for the programmers to add songs and/or increase airplay. Stations use the promotional support they receive for two general purposes: to assist with operating costs, and to benefit their listening audience. Such support is attractive to stations because it lowers overhead, draws listeners and boosts ratings. This support influences programming decisions, a fact not disclosed to consumers.

31. According to one Warner Music promotion manager, the primary goal in offering promotional support is to maximize radio exposure for a song, which includes getting the song added to the play list, getting increased rotations, and getting play during daytime hours. At times, radio stations are not interested in the promotional support being offered but instead will ask the label employee to pay an invoice that the station owes to a third party vendor. If the invoice matches the dollar amount of the promotional support that was initially offered, the label employee will often agree to pay the invoice for the radio station.

32. Warner Music promotion employees from various labels have admitted to providing promotional support to assist with a station's operating costs in order to secure airplay for Warner Music's artists. A national promotion manager at WBR stated, "We have paid for some production costs for their station shows. . . ." A Reprise national promotion manager testified, "If they need a bill paid, we would accommodate that if it was tied in with an artist." An Atlantic regional promotion manager explained that "we. . .have offered to have a station's bill paid or an invoice paid for a radio station in an effort to get an artist's music on radio."

33. Radio stations, well aware of Warner Music's eagerness for adds and spin increases, knew they need only ask Warner Music to provide a particular item and Warner Music would comply. Consequently, Warner Music employees have paid: to have a radio station's logo painted on its vehicle, for production costs that a radio station incurred to upgrade its jingle packages, and expenses incurred to hire a new voiceover person.

34. Among the stations that have requested promotion support, a few stand out. A Warner Music local promotion manager testified that ". . .a lot of the Clear Channel stations that

I deal with who have been without any real promotional budgets now for years are often some of the most active. . .WKKF in Albany, WWHT in Syracuse and WKGS in Rochester [a Citicaster station]. . .WPXY, an Infinity station in [Rochester, NY]"

35. Warner Music promotion employees also have purchased time buys in exchange for airplay as a means of providing promotional support to a radio station. Time buys are commercials purchased on radio stations to advertise a product or service such as a particular artist and record album. Occasionally a radio station in need of advertising dollars would require Warner Music to purchase a time buy in exchange for airplay.

36. According to one Atlantic promotion employee, "[t]here have been times that a station will add a record of mine and say, 'Hey, you know, we would really love it actually if for promotional support you could do our sales department a favor and buy a time buy.'" A promotion employee from WBR stated that there were stations, usually in smaller markets, that would require WBR to purchase a time buy or some sort of advertising in order to play one of its artists. A Reprise promotions manager testified that "[a] lot of times they have just asked in terms of 'Hey, we are going to add your record. Can you please support us with a time buy?'" Warner Music complied, purchasing time buys to obtain adds or increased spins, and the radio stations received advertising revenue.

37. The impropriety of Warner Music's supplying promotional support to radio stations is amplified by the fact that "promotional support" may include items that are not related to any of Warner Music's artists.

38. Warner Music routinely arranges for its artists to perform at radio station events and concerts in exchange for airplay commitments. Artist performances have come to represent a particularly attractive revenue source for radio stations, presenting significant branding and advertising opportunities at reduced expense, as the artists typically agree to perform for free or at reduced rates.

39. In addition to providing promotional support to assist with stations' overhead costs, Warner Music also provides stations with flyaways, concert tickets, CDs and electronics for their listening audiences. Warner Music routinely makes aggressive promotion pitches to radio stations that plainly tie promotional support to airplay. This practice has been described by Warner Music employees as an industry standard. Warner Music promotion employees have admitted providing radio stations with trips for winners to see a band in a glamorous city, front row concert tickets, computers, televisions, artist "meet & greets," autographed items, iPods, gift certificates, gift cards, posters, t-shirts and CDs. See e.g., [WMG 067797 (flyaway to London); WMG 084534 (flyaway to Santa Monica, CA); WMG 086673 (flyaway to Paris and 3 mini iPods); WMG 029553 (home stereo systems and iPod); WMG 086147 (Home Depo Gift Cards); WMG 084086 (Mode's Sports gift certificates); WMG 084284 (Amex gift checks); WMG 064144 (Crossgates Mall gift certificates)]. As an Atlantic Regional Promotion manager stated, It could be anything from . . . concert tickets to a show or perhaps it is a contest winner takes a trip to go see an artist somewhere in an exotic location. We have done electronics in the past, digital cameras,. . .in an effort to get an artist's music on the radio. . . .

40. An October 2004 e-mail is also illustrative of the offers of "promotional support" that Warner Music has made to obtain adds or increase the spins of its songs. In this e-mail, a Warner Music regional representative describes communications Warner Music had with a program director at WHTG in New Jersey in an attempt to obtain airplay of the artist USED. The Warner Music employee states, "I even offered him [program director] tix to the upcoming USED shows, autographed items, etc. to get an increase." [WMG 030778] Further, regarding conversations with a program and music director at WEQX in Vermont, the Warner Music employee stated "I will also offer them tix to see [artist] Green Day & or the USED to NYC to get the add here." [Id].

41. Such pay-for-play deals have constituted an integral part of Warner Music's business strategy and have proceeded with the knowledge and approval of the top promotion executives at each Warner Music label.

42. For example, in response to BDS and Mediabase reporting of a song by Warner Music artist Michele Branch, a Warner Music executive admonished promotional staff in an e-mail: "[W]e need to jump into spins immediately this morning. No one should be less than 21x per week. [A Warner promotions employee] will send you a list of offenders [radio stations]. . . . [C]lose the holes!!!" (Emphasis in the original). [WMG 073107]. When questioned under oath about the intent of the e-mail, the author admitted that when the promotional staff receives an e-mail of that nature, there is an understanding by the staff that promotional support may be offered to the radio stations to encourage the increase of spins. [See also WMG 072437 (direction to staff to "close adds" with tickets to see a Warner Music artist or Madonna flyaway)].

43. When a Warner Music promotion employee seeks to provide promotional support, the employee must demonstrate the value of specific promotional activity in terms of airplay. Thus, in February 2004, when Z100, a major market Clear Channel station in New York City, requested a flyaway to LA or Glasgow as a grand prize for a game contest it was hosting on the morning show, a Warner Music promotion executive stated: "With the record in power I feel we should do one of these for them. Can we approve this??" [WMG 072048]. And, as explained by one Warner Music promotion representative, "stations that are monitored have more available to them than stations that are not. . . . Ultimately those stations wind up affecting a chart, a chart which other stations look at."

44. According to one promotion employee, no one cautioned against offering promotional items in exchange for airplay; the practice was simply routine.

C. Independent Promoters

45. Warner Music supplements the work of its promotion employees through the use of independent promoters – third parties who deal directly with the radio stations in seeking to gain airplay for Warner Music music. Although they are hired by the record labels, some independent promoters enjoy exclusive arrangements with particular radio stations and are guaranteed regular, direct access to the programmers responsible for the all-important play lists. These independent promoters are often referred to as "exclusive indies." Other independent promoters, referred to as "retainer indies," are hired to promote a particular song and are paid a flat fee for the life of the project.

46. Exclusive independent promoters have financial relationships with radio stations. Although the financial arrangements between exclusives and the radio stations they work with vary, the essence of this financial relationship is the same: money and promotional support supplied by Warner Music and other record labels is funneled through the independent promoters to the stations.

47. To implement it pay-to-play strategy, Warner Music has often used exclusive indies to implement its pay-to-play strategy, including Michele Clark Promotions, Jeff McClusky and Associates, Tri-State, and Lawman Promotions. Warner Music established a compensation rate for each exclusive independent promoter used to secure airplay. These indies generally have been paid a fee by the record labels, often referred to as an "add fee," each time one of the promoter's stations has added a Warner Music song to its play list. Based on this compensation, the independent promoters inform the radio station programmers each week as to the promotional dollars available to support airplay for particular songs.

48. Although many of the independent promoters hired by Warner Music have exclusive arrangements with radio stations, these indies work for other record companies as well. Warner Music promotion departments have developed a pay scale for exclusive indies requiring a minimum number of spins at monitored stations before the indies receive payment. The fees range from $300 to $1,000 per add, depending on the particular market served by the station making the add.

49. This policy demonstrates that Warner Music's payments to independent promoters have been tied expressly to airplay at radio stations – right down to the number of spins a song must receive before payment will issue to the independent promoter. The pay-for-play nature of these payments is clear. [WMG 089565].

50. In addition to add fees, exclusive independent promoters may receive one or more of the following types of payments:

- on occasion volume bonuses would be given for hitting a particular threshold set by the label. For example, a label might set a target of 10 adds, at which point the indie would receive a bonus payment.
- Indies might also ask for and receive an additional fee per add if a song proved particularly difficult to promote. This fee could amount to an additional $300 per add.
- Indies could also receive additional payment in the form of a "billback." When a station purportedly needed help with a promotional bill, the exclusive indie would request an additional fee from the label. Generally, this bill back, would be directly paid to the indie.

51. At the time when Clear Channel, Infinity, Entercom and Emmis had exclusive arrangements with independent promoters, Warner Music's indie budget could be a much as $100,000 per song.

52. Michele Clark Promotions is an example of an independent promotion firm. It specialized in promotion to radio stations in the Adult Album Alternative or “Triple AAA” music format, and operates like other indie firms. Although it keeps the retainer fees and any bonuses for itself, Michele Clark would pass the add fees through to its stations. Each week, Michele Clark would communicate with programmers at each of its radio stations and convey the dollar amount of the add fee available for each song being promoted. When a station would add one of these songs, Michele Clark would collect the add fee and set it aside for the station. Unlike other exclusive indies used by Warner Music, Michele Clark simultaneously collected both a retainer fee and add fees on Warner Music projects.

53. An exclusive indie would not be compensated if Warner Music had already spent a large amount of money on promotional support for play on a station the exclusive indie claimed to have a relationship with. Simply put, Warner Music would not pay for the same airplay twice.

D. Spin and Syndicated Programs

54. Warner Music regularly purchases radio time to increase airplay and deceptively boost chart position for its artists. Warner Music thus avails itself of the “spin programs” offered by certain radio stations and broadcasting conglomerates. Spin programs are blocks of advertising time during which Warner Music music is played. Because the monitoring services, BDS and Mediabase, count these spins just like any other airplay. The paid spins become part of the data used by Billboard and Radio & Records to compile the record charts.

55. These spots consist simply of the broadcast of a song, undifferentiated from regular music programming, so that the listener remains unaware that the spin has been purchased. In all cases, spin programs benefit Warner Music by generating additional spin detections by the airplay monitoring companies, even if the spins occur in the dead of night when

relatively few people are listening to the radio. Nighttime spins may still prove effective as a means to improve song chart positions. Accordingly, Warner Music has purchased spin programs – frequently during overnight hours – to generate dozens, sometimes hundreds, of additional spin detections each week.

56. Warner Music uses spin programs strategically to vie for a higher chart position and also to maintain a record's current position on the chart when it begins to show signs of weakness on the charts. If a song does not produce enough of a spin increase from one week to the next, or its spins actually decrease, the song will fall in chart position and radio programmers, who watch the charts and the weekly spin tallies, will consider dropping the song from their play lists. As a Reprise national promotion manager stated, "[S]pin programs enable you to move a song up a chart, depending on how many you purchase."

57. On Monday, when the charts are released, Warner Music examines them to determined the chart position of their songs and then decides whether to purchase spin programs. Spin programs are purchased by the labels through independent promoters or directly from radio conglomerates, as in the case of Entercom. Often Independent promoters have acted as brokers for spin programs. For example, Jerry Brenner sold slots on the spin program, Open House Party; while Jeff McClusky sold time on Citadel's spin program, Airbound. Airbound was broadcast on all Citadel stations and cost Warner Music approximately $2,500 per week to purchase. Entercom's spin programs, CD Preview and CD Challenge, could be purchased by Warner Music directly from the Entercom. Entercom's programs ranged from $3000—$4,500 per week. Warner Music's promotion department recognized that Entercom's program – which concentrated its spins in the little-listened to overnight time frame – yielded the most misleading spin numbers. Anyone monitoring spins would see that the bulk of the spins occurred when the listening audience is the smallest. As one Warner Music promotion employee said "[I]t was clear what you were doing."

58. Less frequently, Warner Music also has used syndicated radio programs to increase spins and impact the charts. Generally, syndicated programs are weekly countdown shows that are broadcast on more than 50 stations nationwide, simultaneously. The spins generated by these shows are detected by BDS and Mediabase. Clear Channel has had a few of the more popular syndicated programs – Carson Daly, Rick Dees and Ryan Seacrest. Labels could buy advertising and as a result get a spin on the syndicated show. A Warner Music senior promotion manager stated,

> There was obviously a benefit there. The benefit being that that syndicated show is on maybe 50 or 60 radio stations. So one spin suddenly equals 60. And a lot of times, record labels will use them for various reasons, to get further up a chart, to debut on a chart, to go from two to one, various reasons. Like Carson Daley's countdown. Boom, you will suddenly get 60 spins because it goes on every monitored Clear Channel station.

E. Fraudulent Call-In Requests

59. In addition to the foregoing practices, Warner Music has orchestrated fraudulent call-in request campaigns to obtain additional airplay for its music. Most radio stations take requests from listeners to play particular songs. In fact, most stations have dedicated phone lines and website features that handle listener call-in requests and record listener feedback. Such information is monitored carefully by radio stations and syndicated radio programs, which frequently incorporate actual requests into the radio program. Additionally, many radio stations have programs that broadcast music derived exclusively from listener requests, for example, an all-request weekend or all-request hour. Often, the number of requests a station receives for a particular song will influence the station's decisions whether to add the song to its play list or whether to play the song more often. Request formats, particularly on-air requests and voting mechanisms, attract listeners by projecting the image of a station with a responsive, even democratic, programming process.

60. Unbeknownst to the listening public, Warner Music has expended energy and resources to manipulate the listener request process. Specifically, Warner Music has used outside vendors to pose as listeners "requesting" that certain Warner Music songs be played by radio stations. The outside vendors hire teams of people who place calls to radio stations while pretending to be avid listeners requesting their favorite new song. Often these callers know nothing about the song or artist they are requesting, or the station they are calling. One Warner Music national promotion manager stated that he has used these fraudulent call-in requests to generate a buzz among listeners, with the hope that the phony requests eventually will lead to legitimate requests. Another Warner Music promotion executive summed up his use of these phony requests as matter of getting the music played as much as possible to increase sales. "[T]he more that people hear it, the more people associate with it, the move likeliehood [sic] they are to go and purchase the record at the record store." According to another promotion employee, "On occasion we used them in some of our more developing acts. When you wanted to show requests at a radio."

Exhibit A

STATEMENT OF WARNER MUSIC GROUP CORP.

Despite federal and state laws prohibiting unacknowledged payment by record labels to radio stations for airing of music, such direct and indirect forms of what has been described generically as “payola” for spins has continued to be an unfortunately prevalent aspect of radio promotion. Warner Music Group Corp. acknowledges that various employees pursued some radio promotion practices on behalf of the company that were wrong and improper, and apologizes for such conduct. Warner Music Group Corp. looks forward to defining a new, higher standard in radio promotion.

Tenant shall comply with all recorded covenants, conditions and restrictions currently affecting the Premises and agrees that this Lease shall be subject and subordinate thereto. Tenant shall be permitted to utilize all available space (i.e., the space that is not otherwise utilized for Building systems and equipment) in the Building's risers, raceways, shafts and conduits for the installation and maintenance of conduits, risers, cables, ducts, flues, pipes and other devices for communications, data processing devices, supplementary HVAC and other facilities consistent with Tenant's use of its Premises.

2. Certain Basic Lease Terms. As used herein, the following terms shall have the meaning specified below:

a. Landlord and Tenant agree that for the purpose of this Lease, the Premises shall be deemed to contain 257,028 rentable square feet of space.

b. Lease term: One hundred fifty-three (153) full calendar months (i.e., 12 years and 9 months), commencing on the date (the "**Commencement Date**") that is the later of (i) August 1, 2017 (as such date may be adjusted pursuant to Paragraphs 3.b.iii., Paragraph 3(d) or Section 3.1 of the Work Letter, the "**Scheduled Commencement Date**") or (ii) the date that a temporary certificate of occupancy (or its equivalent) has been issued with respect to Landlord's Work (other than the B Permit Work (as defined in the Work Letter)), and ending on the last day of the one hundred fifty-third (153rd) full calendar month thereafter (the "**Expiration Date**"). For purposes of this Lease (1) the term "**Lease Month**" shall mean each calendar month during the Lease term; provided, however, Lease Month 1 shall commence on the Commencement Date and end on the last day of the first full calendar month thereafter, and each subsequent Lease Month shall be the calendar month commencing on the day after the expiration of the prior Lease Month and (2) the term "**Lease Year**" shall mean each 12-Lease Month period during the Lease term; provided, however, Lease Year 1 shall commence on the Commencement Date and end on the last day of the 12th full calendar month thereafter, and each subsequent Lease Year shall be the calendar year commencing on the day after the expiration of the prior Lease Year. The Commencement Date shall be subject to extension for "Landlord Delay" or "Force Majeure Delay" as provided in Section 3.1 of the Work Letter.

c. Monthly Rent: As set forth on Schedule 1 attached hereto.

d. Letter of Credit: As set forth in Paragraph 6.

e. Tenant's Share: 100%.

Permitted Use: General office use and any other use permitted by Legal Requirements, subject to the express provisions of this Lease, including without limitation conference and training facilities, demonstration areas, electronic sports arena, theater, video production, sound recording and engineering, broadcast facilities including use of rooftop satellite dishes, music and video production, studios with live production and broadcasting, cafeteria and dining areas and kitchen facilities, juice and/or coffee bar, exterior barbeque/dining facility, health and exercise facilities, child care (including associated outdoor areas), general assembly uses/event assembly uses, retail sale of merchandise or other items, including for sales to the general public, use as a restaurant or bar, including for service to the general public, and outdoor recreation uses (collectively, the "**Permitted Use**").

g. Real estate broker(s): Cresa Partners; CBRE.

h. Business Days: Monday through Friday, excluding public holidays

3. Term; Delivery of Possession of Premises.

a. Term. The term of this Lease shall commence on the Commencement Date (as defined in Paragraph 2.b., which Commencement Date shall be subject to adjustment as provided in the Work Letter) and, unless sooner terminated pursuant to the terms hereof or at law, shall expire on the Expiration Date (as defined in Paragraph 2.b.). Upon either party's request after the Commencement Date, Landlord and Tenant shall execute a letter in substantially the form of Exhibit C attached hereto confirming the Commencement Date and the Expiration Date.

b. Tenant Access Date.

i. Beginning on the date (the "**Tenant Access Date**") that is the later of (A) December 1, 2016, and (B) the date that Tenant has satisfied all of the Tenant Access Requirements (as such term is defined in the Work Letter), Tenant shall have access to the Premises to perform the Tenant Improvements (as such term is defined in the Work Letter). Prior to the Tenant Access Date, Landlord shall provide Tenant reasonable access to the Premises for space planning and other pre-construction activities.

ii. Tenant acknowledges that Landlord may still be performing certain portions of Landlord's Work in the Premises and on adjacent city property following the Tenant Access Date (relating to the MEPF commissioning, CMU skylight, Paseo finishes, B Permit Work and Punch List items). Tenant's access to the Premises as of the Tenant Access Date shall not relieve Landlord from its obligations to complete the Landlord's Work as provided in the

Work Letter. During any period of contemporaneous work within the Premises following the Tenant Access Date, Landlord and Tenant shall cooperate in all reasonable ways with each other while Landlord is carrying on Landlord's Work within the Premises, including each party adopting a schedule in conformance with the other party's schedule and conducting construction of such party's work in such a manner as to maintain harmonious labor relations and as not to interfere with or delay the work of the other party.

iii. If Substantial Completion of Landlord's Work does not occur on or before the Tenant Access Date (other than by reason of a Tenant Delay (as defined in the Work Letter)) and, as a result thereof, Tenant is delayed in commencing physical construction of the Tenant Improvements, then the Scheduled Commencement Date shall be extended day-for-day for each day occurring in the period between the Tenant Access Date and the earlier of (A) date of Substantial Completion of Landlord's Work (or the date that Substantial Completion would have occurred but for Tenant Delay(s), if any) and (B) the date that Tenant commences physical construction of the Tenant Improvements. Furthermore, if (1) Substantial Completion of Landlord's Work has not occurred on or before one hundred twenty (120) days following the Tenant Access Date (the "**Outside Substantial Completion Date**"), subject to extension by virtue of Force Majeure Delay and any Tenant Delay, and (2) Tenant has not yet commenced physical construction of the Tenant Improvements, then Tenant shall have the right, at Tenant's sole option, to terminate this Lease by delivery of written notice thereof to Landlord given within ten (10) calendar days after the Outside Substantial Completion Date; provided, however, that Tenant's termination notice shall be void and of no force or effect if the Substantial Completion of Landlord's Work shall occur within thirty (30) days after Landlord's receipt of Tenant's termination notice. In the event of any such termination Tenant shall be required to reimburse Landlord for any of Landlord's Allowance previously disbursed to Tenant. The foregoing right of Tenant to terminate this Lease, and Tenant's rights to the "Extended Delivery Delay Rent Credit", as set forth below, shall be Tenant's sole remedy for any delay in Substantial Completion of Landlord's Work. Upon any such termination, Landlord shall promptly return any deposits, letters of credit, or other amounts previously delivered to Landlord by Tenant, and Landlord and Tenant shall thereafter have no further liability under this Lease. In the event that Tenant's commencement of physical construction of the Tenant Improvements in the Premises is actually delayed by more than forty-five (45) days following the Tenant Access Date as a result of the fact that Substantial Completion of the Landlord's Work has not occurred on or before the Tenant Access Date for reasons other than Force Majeure Delay and/or Tenant Delay (any such period of delay in excess of forty-five (45) days to the extent not due to Force Majeure Delay and any Tenant Delay shall be referred to herein as the "**Extended Delivery Delay**"), then for each day of such Extended Delivery Delay, Tenant shall receive, in addition to the extension of the Scheduled Commencement Date, one (1) full day of credit against Monthly Rent and Parking Space Rental (and the amount of such credit shall not be reduced by the Rent Credit) to be applied against the Monthly Rent and Parking Space Rental first coming due under this Lease (the "**Extended Delivery Delay Rent Credit**"). As used herein, the term "**Force Majeure Delay**" shall mean any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain services, labor, or materials or reasonable substitutes therefor, governmental actions, civil commotions, fire or other casualty, and other causes beyond the reasonable control of Landlord, including any inability of Landlord to obtain building permits required in connection with the construction of the B Permit Work to the extent caused by a delay beyond the period of time customarily required for the issuance of similar permits for improvements of the nature and scope of the B Permit Work in the City of Los Angeles (and not related to the specific design of the B Permit Work or other matters being presented by Landlord).

c. Early Occupancy. Prior to the Commencement Date, Tenant shall have the right to commence business in the Premises provided that (A) Tenant shall give Landlord prior notice of any such occupancy of the Premises, (B) a certificate of occupancy, temporary certificate of occupancy, or its legal equivalent, shall have been issued by the appropriate governmental authorities for the Tenant Improvements and Landlord's Work, (C) Tenant has delivered to Landlord the Letter of Credit as required herein and (D) all of the terms and conditions of the Lease shall apply, other than Tenant's obligation to pay "Monthly Rent," "Operating Expenses" and "Tax Expenses" as those terms are defined in Article 5, and Article 7 below, as though the Commencement Date had occurred (although the Commencement Date shall not actually occur until the occurrence of the same pursuant to the terms of the Section 2.b, above) upon such occupancy of the Premises by Tenant.

d. Delay in Landlord Certificate of Occupancy. In the event that a temporary certificate of occupancy (or its equivalent) has not been issued with respect to Landlord's Work (other than the B Permit Work) (the "**Landlord CofO**") on or before the date (as such date shall be extended by virtue of Force Majeure Delay and/or any Tenant Delay, the "**Credit Start Date**") that is the later of (i) the Scheduled Commencement Date (as same may be extended as provided in Paragraph 3.b.iii. above or Section 3.1 of the Work Letter) and (ii) the date that Tenant has substantially completed the Tenant Improvements and has received a certificate of occupancy (or its equivalent) for the Tenant Improvements so that Tenant may commence the conduct of business operations from the Premises (provided that, if the reason that Tenant has not received such certificate of occupancy is that Landlord has not received the Landlord CofO, then the date in this item (ii) shall be the date Tenant has substantially completed the Tenant Improvements), then, in addition to the Extended Delivery Delay Rent Credit, Tenant shall receive a rent credit equal to one (1) day of Monthly Rent for each day during the period which commences on the first day following the Credit Start Date and ends on the date that a temporary certificate of occupancy (or its equivalent) has been issued with respect to Landlord's Work (other than the B Permit Work).

4. Condition of Premises. Except for Landlord's Work and the payment of the Tenant Improvement Allowance, and any continuing maintenance and repair obligations of Landlord under this Lease, Landlord shall have no obligation to construct or install any improvements to the Building and the other portions of the Premises or to remodel, renovate, recondition, alter or improve the Building and the other portions of the Premises in any manner, and, subject to Landlord's completion of the Landlord's Work, and any representations or warranties provided under this Lease, Tenant shall accept the Premises "as is" on the Tenant Access Date. Landlord and Tenant expressly agree that there are and shall be no implied warranties of merchantability, habitability, fitness for a particular purpose, or any other kind arising out of this Lease and there are and shall be no warranties that extend beyond the warranties expressly set forth in this Lease.

5. Monthly Rent.

a. Subject to the provisions of Subparagraph 5.e. below, commencing as of the Commencement Date, and continuing thereafter on or before the first day of each calendar month during the term hereof, Tenant shall pay to Landlord, as monthly rent for the Premises, the Monthly Rent specified in Schedule 1 attached hereto. If Tenant's obligation to pay Monthly

Rent hereunder commences on a day other than the first day of a calendar month, or if the term of this Lease terminates on a day other than the last day of a calendar month, then the Monthly Rent payable for such partial month shall be appropriately prorated on the basis of the number of days in such month. Except as specifically provided in this Lease, Monthly Rent, the Additional Rent specified in Paragraph 7 and the Parking Space Rental specified in Paragraph 53 below shall be paid by Tenant to Landlord, in advance, without deduction, offset, prior notice or demand, in immediately available funds of lawful money of the United States of America, or by good check as described below, to the lockbox location designated by Landlord, or to such other person or at such other place as Landlord may from time to time reasonably designate in writing. Payments made by check must be drawn either on a California financial institution or on a financial institution that is a member of the federal reserve system. At Tenant's option, Tenant shall have the right to pay any such amounts by wire transfer, and in such event Landlord shall promptly provide Tenant with appropriate wire instructions.

b. All amounts payable by Tenant to Landlord under this Lease, or otherwise payable in connection with Tenant's occupancy of the Premises, in addition to the Monthly Rent hereunder, Additional Rent under Paragraph 7 and the Parking Space Rental specified in Paragraph 53 below, shall constitute rent owed by Tenant to Landlord hereunder.

c. Any rent not paid by Tenant to Landlord within ten (10) days after notice that the same past due shall bear interest from the date due to the date of payment by Tenant at an annual rate of interest (the "**Interest Rate**") equal to the greater of (i) six percent (6%) per annum or (ii) the annual "Bank Prime Loan" rate cited in the Federal Reserve Statistical Release publication H.15(519), published weekly (or such other comparable index as Landlord and Tenant shall reasonably agree upon if such rate ceases to be published) plus two (2) percentage points (but in no event shall the Interest Rate exceed the maximum annual interest rate allowed by Legal Requirements); provided, however, Tenant shall not be required to pay said interest on the first late payment in any period of twelve (12) consecutive months, unless such payment remains unpaid for ten (10) days after written notice to Tenant.

d. No security or guaranty which may now or hereafter be furnished to Landlord for the payment of rent due hereunder or for the performance by Tenant of the other terms of this Lease shall in any way be a bar or defense to any of Landlord's remedies under this Lease or at law.

e. Rent Credit. During the period (the "**Rent Credit Period**") commencing on the first (1st) day of Lease Month 2 and ending on the last day of Lease Month 17, Tenant shall receive a credit each Lease Month in the amount of seventy-five percent (75%) of the Monthly Rent (the "**Rent Credit**") on account of the Monthly Rent payable under this Lease for each such Lease Month; provided, however, that during Rent Credit Period, Tenant shall be required to pay the full Additional Rent owing under Paragraphs 7.a. and 7.b. hereof, the Parking Space Rental specified in Paragraph 53 below and the remaining portion of the Monthly Rent owing for such Lease Month (i.e., twenty-five percent (25%) of the Monthly Rent each Lease Month) during such period. Landlord and Tenant acknowledge that the aggregate amount of the Monthly Rent that will be abated during the Rent Credit Period equals $626,506 per month for Lease Months 2-12 and $645,301 per month for Lease Months 13-17 for a total amount of $10,118,068 during the Rent Credit Period. Tenant acknowledges and agrees that the foregoing

Rent Credit has been granted to Tenant as additional consideration for entering into this Lease, and for agreeing to pay the Monthly Rent and perform the terms and conditions otherwise required under this Lease. Notwithstanding the foregoing, Tenant shall not be entitled to the Rent Credit during any period that an Event of Default is continuing hereunder.

6. Letter of Credit.

a. Letter of Credit. Tenant shall cause the "Bank" (as that term is defined below) to deliver to Landlord a letter of credit in the amount of Fifteen Million Four Hundred Forty-Eight Thousand and 0/100 Dollars ($15,448,000) (the "**Letter of Credit Amount**") naming Landlord as beneficiary (the "**Letter of Credit**") that complies in all respects with the requirements of this Paragraph 6 as follows: (1) within ten (10) Business Days following execution of this Lease, Tenant shall provide a Letter of Credit in the amount of Seven Million Seven Hundred Twenty-Four Thousand and 00/100 Dollars ($7,724,000) and (2) on or before the later of (x) February 15, 2017 and (y) the date that Tenant first requests payment of any Landlord's Allowance, Tenant shall cause Bank to amend such Letter of Credit to increase the amount of such Letter of Credit to the Letter of Credit Amount or provide a second Letter of Credit for the remaining balance of the Letter of Credit Amount (i.e., Seven Million Seven Hundred Twenty-Four Thousand and 00/100 Dollars ($7,724,000)). Notwithstanding the foregoing or anything herein to the contrary, at Tenant's option from time to time during the Term, Tenant may, pursuant to the procedures provided in Paragraph 6.j. below, provide a portion of the Letter of Credit Amount as a cash security deposit, or if after so doing, may elect to reduce the amount of cash security deposit and increase the Letter of Credit Amount, provided that such cash security deposit shall in no event exceed one (1) year's worth of Monthly Rent and Parking Space Rental then payable under this Lease. Any such cash security deposit shall be held and, as applicable applied by Landlord, as provided in Exhibit D-1 attached hereto. The Letter of Credit shall: (i) be issued by the Bank; (ii) be in the form attached hereto as Exhibit D-2 or such other form as approved by Landlord in its reasonable discretion; (iii) be irrevocable, unconditional and payable upon demand; (iv) be maintained in effect, whether through renewal or extension, for the period commencing on the date of this Lease and continuing until the date (the "**Letter of Credit Expiration Date**") that is no less than ninety (90) days following the expiration of the Lease term, or contains a provision that provides that the Letter of Credit shall be automatically renewed on an annual basis without amendment of the Letter of Credit unless the Bank delivers a written notice of cancellation to Landlord and Tenant at least sixty (60) days prior to the expiration of the Letter of Credit, without any action whatsoever on the part of Landlord; (v) be fully assignable, in whole but not in part, by Landlord to its successors and assigns or to lenders with an interest in the Premises; (vii) permit partial draws and multiple presentations and drawings, and (viii) be otherwise subject to the International Standby Practices-ISP 98, International Chamber of Commerce Publication #590. Tenant shall pay all expenses, points, and/or fees incurred by Tenant in obtaining the Letter of Credit. The term "**Bank**" referred to herein shall mean a commercial bank (1) that is acceptable to Landlord and is solvent, nationally recognized, and has a local San Francisco Bay Area or Los Angeles office which will negotiate or pay letters of credit (or, in lieu thereof, expressly provides for draw by facsimile or overnight courier), (2) which accepts deposits and maintains accounts, (3) that is chartered under the laws of the United States, any State thereof, or the District of Columbia, and which is insured by the Federal Deposit Insurance Corporation, and (4) which has a long term rating from Standard and Poor's Financial Services, LLC of not less than "BBB+" and a long

term rating from Moody's Investors Service, Inc. of not less than "A2" (or in the event such ratings are no longer available, a comparable rating from Standard and Poor's Professional Rating Service ("**S&P**") or Moody's Professional Rating Service ("**Moody's**") or such other rating service as is reasonably acceptable to Landlord) (collectively, the "**Bank's Credit Rating Threshold**"). Notwithstanding the foregoing, Landlord hereby agrees that Credit Suisse AG ("**Credit Suisse**"), if selected by Tenant, may be the Bank so long as Credit Suisse continues to have a long term rating from Standard and Poor's Financial Services, LLC of not less than "BBB+". If S&P or Moody's ceases to provide credit ratings as provided above on in Exhibit D-3, or if the rating systems of S&P or Moody's is otherwise renamed, revised, discontinued or superseded, the parties agree that S&P or Moody's, as applicable, will be sole judge of the comparability of successive ratings, but if no such rating agency supplies and designates a comparable rating, or if no succeeding rating system is published, then the credit ratings contained in this Paragraph 6 and Exhibit D-3 shall be based on a comparable rating system published by a responsible financial authority selected by Landlord. In addition, if a substantial change is made in the method used to calculate the credit ratings of S&P or Moody's, then, for the purposes of this Lease, the S&P or Moody's credit ratings contained herein shall be determined without giving effect to the new methods and Landlord shall adjust the S&P or Moody's credit ratings, as the case may be, in a commercially reasonable manner to effect the same results as if the S&P or Moody's credit ratings were calculated in the manner in effect as of the date hereof.

b. Landlord's Rights to Draw. Landlord, or its then authorized representatives, shall have the right to draw down an amount up to the face amount of the Letter of Credit if any of the following shall have occurred or be applicable: (i) such amount is due to Landlord under the terms and conditions of this Lease, and there is an existing Event of Default by Tenant as provided in Section 25, or there would be and Event of Default but for the giving of notice that Landlord is prohibited by law from issuing; (ii) the Lease has terminated prior to the expiration of the Lease term as a result of an Event of Default by Tenant; (iii) Tenant has filed a voluntary petition under the U. S. Bankruptcy Code or any state bankruptcy code (collectively, "**Bankruptcy Code**"); (iv) an involuntary petition has been filed against Tenant under the Bankruptcy Code (provided, however, if such petition is dismissed within sixty (60) days thereafter and no other Letter of Credit Draw Event then exists, Landlord shall cooperate to return as promptly as practical any amounts drawn by Landlord under the Letter of Credit in exchange for a new Letter of Credit); (v) the Lease has been rejected, or is deemed rejected, under Section 365 of the U.S. Bankruptcy Code, following the filing of a voluntary petition by Tenant under the Bankruptcy Code, or the filing of an involuntary petition against Tenant under the Bankruptcy Code; (vi) the Bank has notified Landlord that the Letter of Credit will not be renewed or extended through the Letter of Credit Expiration Date, and less than forty-five (45) days remain before the Letter of Credit Expiration Date; (vii) the Bank has failed to notify Landlord that the Letter of Credit will be renewed or extended on or before the date that is forty-five (45) days before the applicable Letter of Credit expiration date and, per the terms of the Letter of Credit, such failure to notify Landlord of renewal or extension will result in the automatic expiration of the Letter of Credit (in the case of (vi) or (vii), notwithstanding the foregoing, a Letter of Credit Draw Event shall not be deemed to have occurred as a result of such termination or expiration of the Letter of Credit if, on or before the date that is thirty (30) days before the applicable Letter of Credit expiration date, Tenant provides a replacement Letter of Credit that complies with the terms of this Paragraph 6 or, if the current Letter of Credit Amount does not exceed one (1) year's worth of Monthly Rent and Parking Space Rental then payable

under this Lease, Tenant elects in a written notice to Landlord to effectuate a Cash Draw Option as provided in Paragraph 6.j. below for the full Letter of Credit Amount); (viii) Tenant is placed into receivership or conservatorship, or becomes subject to similar proceedings under Federal or State law; (ix) Tenant executes an assignment for the benefit of creditors; or (x) if (1) any of the applicable ratings of the Bank have been reduced below the Bank's Credit Rating Threshold; or (2) there is otherwise a material adverse change in the financial condition of the Bank, and Tenant has failed to provide Landlord with a replacement letter of credit, conforming in all material respects to the requirements of this Paragraph 6 (including, but not limited to, the requirements placed on the issuing Bank more particularly set forth in Paragraph 6.a. above), in the amount of the applicable Letter of Credit Amount, within twenty (20) Business Days following Landlord's written demand therefor (with no other notice or cure or grace period being applicable thereto, notwithstanding anything in this Lease to the contrary) (each of the foregoing being an "**Letter of Credit Draw Event**"). The Letter of Credit shall be honored by the Bank regardless of whether Tenant disputes Landlord's right to draw upon the Letter of Credit. In addition, in the event the Bank is placed into receivership or conservatorship by the Federal Deposit Insurance Corporation, any state regulator, or any successor or similar entity, then, effective as of the date such receivership or conservatorship occurs, said Letter of Credit shall be deemed to fail to meet the requirements of this Paragraph 6, and, within twenty (20) Business Days following Landlord's notice to Tenant of such receivership or conservatorship (the "**Letter of Credit FDIC Replacement Notice**"), Tenant shall replace such Letter of Credit with a substitute letter of credit from a different commercial bank (which commercial bank shall meet or exceed the Bank's Credit Rating Threshold and shall otherwise be acceptable to Landlord) and that complies in all material respects with the requirements of this Paragraph 6. If Tenant fails to replace such Letter of Credit with such conforming, substitute letter of credit or cash security deposit pursuant to the terms and conditions of Paragraph 6.a., hereof, then, notwithstanding anything in this Lease to the contrary, Landlord shall have the right to declare Tenant in default of this Lease for which there shall be no notice or grace or cure periods being applicable thereto (other than the aforesaid twenty (20) Business Day period). Tenant shall have the right, at any time upon no less than ten (10) Business Days' notice to Landlord, to voluntarily replace the Letter of Credit with a new Letter of Credit that complies with terms and conditions of this Paragraph 6, in which event Landlord shall cooperate with Tenant to return the prior Letter of Credit to Tenant following Landlord's receipt of the new Letter of Credit. Tenant shall be responsible for the payment of any and all reasonable, out-of-pocket, third party costs incurred by Landlord relating to the review of any replacement Letter of Credit (including, without limitation, Landlord's reasonable attorneys' fees), which replacement is required pursuant to this Paragraph 6 or is otherwise requested by Tenant, and such attorney's fees shall be payable by Tenant to Landlord within ten (10) days of billing. In the event of an assignment by Tenant of its interest in the Lease (and irrespective of whether Landlord's consent is required for such assignment), the acceptance of any replacement or substitute letter of credit by Landlord from the assignee shall be subject to Landlord's prior written approval, in Landlord's reasonable discretion, and the reasonable attorney's fees incurred by Landlord in connection with such determination shall be payable by Tenant to Landlord within ten (10) Business Days of billing. Within five (5) Business Days following Tenant's receipt of a written notice from Landlord, Tenant shall cause the Bank to deliver written confirmation to Landlord of the renewal or extension of the Letter of Credit (unless the Bank has previously notified Landlord in writing that it shall not be renewing or extending the Letter of Credit), or if so requested by Landlord, Tenant shall facilitate Landlord's direct communication with the Bank in order that Landlord may immediately confirm such renewal or extension directly with the Bank.

c. Application of Letter of Credit Proceeds. Tenant hereby acknowledges and agrees that Landlord is entering into this Lease in material reliance upon the ability of Landlord to draw upon the Letter of Credit upon the occurrence of any Letter of Credit Draw Event and apply the proceeds of the Letter of Credit in accordance with this Paragraph 6. In the event of any Letter of Credit Draw Event, Landlord may, but without obligation to do so, and without notice to Tenant (except in connection with an Letter of Credit Draw Event under Paragraph 6.b.(x) above), draw upon the Letter of Credit, in part or in whole, and apply the proceeds of the Letter of Credit to cure any such Letter of Credit Draw Event and/or to compensate Landlord for any and all damages or losses of any kind or nature sustained or which Landlord reasonably estimates that it will sustain resulting from Tenant's breach or default of the Lease or other Letter of Credit Draw Event and/or to compensate Landlord for any and all damages or losses arising out of, or incurred in connection with, the termination of this Lease, including, without limitation, those specifically identified in this Lease and Section 1951.2 of the California Civil Code. The use, application, or retention of the Letter of Credit proceeds, or any portion thereof, by Landlord shall not prevent Landlord from exercising any other right or remedy provided by this Lease or by any Legal Requirements, it being intended that Landlord shall not first be required to proceed against the Letter of Credit, and such Letter of Credit or the proceeds thereof shall not operate as a limitation on any recovery to which Landlord may otherwise be entitled and shall not constitute a waiver of any other rights of Landlord. Notwithstanding the foregoing, any unapplied portion of the proceeds of the Letter of Credit shall be returned to Tenant, or, at Landlord's option, to the last assignee of Tenant's interest hereunder, within sixty (60) days following the expiration of the term of this Lease so long as this Lease was not terminated as a result of an Event of Default or other early termination due to a bankruptcy or insolvency of Tenant (and, if this Lease was terminated prior to the scheduled expiration date due to an Event of Default or due to a bankruptcy or insolvency of Tenant, then any unapplied portion of the proceeds of the Letter of Credit shall be returned within sixty (60) days following the final, non-appealable decision of a court of competent jurisdiction of the amounts owing to Landlord under this Lease as a result thereof and Tenant's right, if any, to the refund of any unapplied portion of the proceeds of the Letter of Credit). No condition or term of this Lease shall be deemed to render the Letter of Credit conditional to justify the issuer of the Letter of Credit in failing to honor a drawing upon such Letter of Credit in a timely manner. Tenant agrees and acknowledges that: (i) the Letter of Credit constitutes a separate and independent contract between Landlord and the Bank; (ii) Tenant is not a third party beneficiary of such contract; (iii) Tenant has no property interest whatsoever in the Letter of Credit or the proceeds thereof; (iv) Tenant has no right to assign or encumber the Letter of Credit or any part thereof and neither Landlord nor its successors or assigns will be bound by any such assignment, encumbrance, attempted assignment or attempted encumbrance; and (v) in the event Tenant becomes a debtor under any chapter of the Bankruptcy Code, Tenant is placed into receivership or conservatorship, there is an event of a receivership, conservatorship, bankruptcy filing by, or on behalf of, Tenant, or Tenant executes an assignment for the benefit of creditors, neither Tenant, any trustee, receiver, conservator, assignee, nor Tenant's bankruptcy estate shall have any right to restrict or limit Landlord's claim or rights to the Letter of Credit or the proceeds thereof by application of Section 502(b)(6) of the U. S. Bankruptcy Code, any similar State or federal law, or otherwise.

d. Reductions in the Letter of Credit Amount.

i. Notwithstanding the foregoing, however, provided that no Event of Default (or breach under this Lease where there exist circumstances under which Landlord is enjoined or otherwise prevented by operation of law from giving to Tenant a written notice which would be necessary for such failure of payment to constitute a default) is then in effect, then the Letter of Credit Amount shall be subject to reduction as provided in Exhibit D-3 attached hereto. At such time as the Letter of Credit Amount is reduced to zero Landlord shall promptly return the Letter of Credit to Tenant. If an Event of Default exists as of any of the date that Tenant would otherwise be entitled to a reduction in the Letter of Credit Amount, then the Letter of Credit Amount shall not be so reduced until such Event of Default is fully cured.

ii. Each time the Letter of Credit Amount is adjusted pursuant to this Paragraph 6.d., Tenant shall cause a new Letter of Credit to be issued for the adjusted Letter of Credit Amount or an amendment to the existing Letter of Credit, in either case complying with all of the requirements of this Paragraph 6. Landlord shall cooperate in a commercially reasonable manner with Tenant upon Tenant's request to replace or amend the then existing Letter of Credit to reflect the adjusted Letter of Credit Amount; provided, however, in no event shall any reduction of the Letter of Credit Amount be construed as an admission by Landlord that Tenant has performed all of its covenants and obligations hereunder.

e. Transfer and Encumbrance. The Letter of Credit shall also provide that Landlord may, at any time and without notice to Tenant and without first obtaining Tenant's consent thereto, transfer (one or more times) its interest in and to the Letter of Credit to another party that purchases Landlord's interest in this Lease or the holder of Superior Interest (as defined in Paragraph 22 below). In the event of a transfer of Landlord's interest in this Lease, Landlord shall transfer the Letter of Credit, in whole and not in part, to the transferee and upon such transfer and such transferee's assumption of same, Landlord shall, without any further agreement between the parties, be released by Tenant from all liability therefor, and it is agreed that the provisions hereof shall apply to every transfer or assignment of the whole of said Letter of Credit to a new landlord. In connection with any such transfer of the Letter of Credit by Landlord, Tenant shall, at Tenant's sole cost and expense, execute and submit to the Bank such applications, documents and instruments as may be necessary to effectuate such transfer, and Tenant shall be responsible for paying the Bank's transfer and processing fees in connection therewith, provided that Landlord shall have the right (in its sole discretion), but not the obligation, to pay such fees on behalf of Tenant, in which case Tenant shall reimburse Landlord within thirty (30) days after Tenant's receipt of an invoice from Landlord therefor.

f. Letter of Credit Not a Security Deposit. Landlord and Tenant: (i) acknowledge and agree that in no event or circumstance shall the Letter of Credit, any renewal or substitute therefor or any proceeds thereof be deemed to be or treated as a "security deposit" under any law applicable to security deposits in the commercial context, including, but not limited to, Section 1950.7 of the California Civil Code, as such Section now exists or as it may be hereafter amended or succeeded (the "Security Deposit Laws"); (ii) acknowledge and agree that the Letter of Credit (including any renewal thereof or substitute therefor or any proceeds thereof) is not intended to serve as a security deposit, and the Security Deposit Laws shall have no applicability or relevancy thereto; and (iii) waive any and all rights, duties and obligations

that any such party may now, or in the future will, have relating to or arising from the Security Deposit Laws. Tenant hereby irrevocably waives and relinquishes the provisions of Section 1950.7 of the California Civil Code and any successor statute, and all other provisions of law, now or hereafter in effect, which (x) establish the time frame by which a landlord must refund a security deposit under a lease, and/or (y) provide that a landlord may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by a tenant or to clean the premises, it being agreed that Landlord may, in addition, claim those sums specified in this Paragraph 6 and/or those sums reasonably necessary to (a) compensate Landlord for any loss or damage caused by Tenant's breach of this Lease, including any damages Landlord suffers following termination of this Lease, and/or (b) compensate Landlord for any and all damages arising out of, or incurred in connection with, the termination of this Lease, including, without limitation, those specifically identified in Section 1951.2 of the California Civil Code.

g. Non-Interference By Tenant. Tenant agrees not to interfere in any way with any payment to Landlord of the proceeds of the Letter of Credit, either prior to or following a "draw" by Landlord of all or any portion of the Letter of Credit, regardless of whether any dispute exists between Tenant and Landlord as to Landlord's right to draw down all or any portion of the Letter of Credit. No condition or term of this Lease shall be deemed to render the Letter of Credit conditional and thereby afford the Bank a justification for failing to honor a drawing upon such Letter of Credit in a timely manner. Tenant shall not request or instruct the Bank to refrain from paying sight draft(s) drawn under such Letter of Credit.

h. Waiver of Certain Relief. Tenant unconditionally and irrevocably waives (and as an independent covenant hereunder, covenants not to assert) any right to claim or obtain any of the following relief in connection with the Letter of Credit:

i. A temporary restraining order, temporary injunction, permanent injunction, or other order that would prevent, restrain or restrict the presentment of sight drafts drawn under the Letter of Credit or the Bank's honoring or payment of sight draft(s); or

ii. Any attachment, garnishment, or levy in any manner upon either the proceeds of the Letter of Credit or the obligations of the Bank (either before or after the presentment to the Bank of sight drafts drawn under such Letter of Credit) based on any theory whatever.

i. Remedy for Improper Drafts. Tenant acknowledges that Landlord's draw against the Letter of Credit, application or retention of any proceeds thereof, or the Bank's payment under such Letter of Credit, could not, under any circumstances, cause Tenant injury that could not be remedied by an award of money damages, and that the recovery of money damages would be an adequate remedy therefor.

j. Procedures for Replacing Letter of Credit with Cash Security Deposit.

i. If Tenant elects to provide a cash security deposit in lieu of all or a portion of the Letter of Credit Amount (a "**Cash Swap**"), then such Cash Swap shall be effectuated pursuant to one of the following procedures:

(A) If Tenant so requests in writing, Landlord may draw upon the existing Letter of Credit so that Landlord holds cash in an amount sufficient to effectuate such Cash Swap (the "**Cash Draw Option**"). Landlord shall retain such amounts as a cash security deposit, which cash security deposit shall be held and, as applicable applied by Landlord, as provided in Exhibit D-1 attached hereto.

(B) Unless Tenant elects the Cash Draw Option, then Landlord may, at Landlord's option, delay the effective date of such Cash Swap for a period of up to ninety (90) days plus two (2) Business Days (the "**Preference Protection Period**") from the date that Tenant has provided Landlord with the replacement cash security deposit (the "**New Security**"). During the Preference Protection Period, Landlord shall retain all its existing rights with respect to the existing Letter of Credit, Landlord shall be deemed to be holding the New Security in trust, and shall have no right to draw upon or apply such amounts to any default or other amounts owed by Tenant to Landlord, regardless of any default by Tenant under this Lease, or any termination of the Lease, or any bankruptcy of Tenant, or for any other reason and shall only look to the existing Letter of Credit (and/or, if applicable, Cash Security Deposit) in effect as of such date. During the Preference Protection Period, Landlord shall have the absolute right to draw the existing Letter of Credit in effect as of such date to the same extent as if the New Security had not been delivered to Landlord. Without limiting the generality of the foregoing, in the event that prior to the expiration of the Preference Protection Period, a Letter of Credit Draw Event occurs (including, but not limited to, due to the expiration date of the existing Letter of Credit being within the forty-five (45) day period set forth in clauses (vi) or (vii) of Paragraph 6.b. above and Tenant has failed to timely provide a replacement Letter of Credit or elect a Cash Draw Option as provided in said Paragraph 6.b.), then Landlord shall have the absolute right to draw the existing Letter of Credit in effect as of such date. In the event that this Lease terminates prior to the expiration of the Preference Protection Period, Landlord shall immediately return the New Security to Tenant. Upon the expiration of the Preference Protection Period, the New Security shall be deemed to be a part of the cash security deposit and Landlord shall either (1) in the event that the New Security is being provided as a partial replacement of the existing Letter of Credit, reduce and promptly return the applicable portion of the Letter of Credit previously held by Landlord to Tenant or (2) in the event that the New Security is being provided as a full replacement of the existing Letter of Credit, return the existing Letter of Credit to Tenant.

ii. Notwithstanding anything contained herein to the contrary, the procedures set forth Paragraph 6.j.i. shall not be applicable to the circumstances where (A) Tenant is replacing an existing Letter of Credit with a new Letter of Credit, (B) Tenant is replacing a cash security deposit then held by Landlord hereunder with a new Letter of Credit or (C) Tenant is simply amending an existing Letter of Credit (e.g., amending such Letter of Credit to modify the Letter of Credit Amount).

7. Additional Rent: Increases in Operating Expenses and Tax Expenses.

a. Operating Expenses.

i. Tenant shall pay to Landlord, at the times hereinafter set forth, Tenant's Share, as specified in Paragraph 2.e. above, of the Operating Expenses (as defined below) incurred by Landlord in each calendar (or portion thereof) during the Lease term. The

amounts payable under this Paragraph 7.a. and Paragraph 7.b. below are termed "**Additional Rent**" herein. The term "**Operating Expenses**" shall mean the total costs and expenses incurred by Landlord to the extent performed directly by or managed by Landlord, and subject to the terms of Paragraph 17.g, below, in connection with the management, operation, maintenance and repair of the Premises (including, without limitation, the Parking Structure), including, without limitation, the following costs: (1) salaries, wages, bonuses and other compensation (including hospitalization, medical, surgical, retirement plan, pension plan, union dues, life insurance, including group life insurance, welfare and other fringe benefits, and vacation, holidays and other paid absence benefits) relating to employees of Landlord or its agents (at or below the function of Building manager) engaged in the operation, repair, or maintenance of the Premises (which, for employees working for other properties in addition to the Premises, shall be allocated proportionately to reflect the time spent working in connection with the Premises); (2) payroll, social security, workers' compensation, unemployment and similar taxes with respect to such employees of Landlord or its agents (at or below the function of general Building manager), and the cost of providing disability or other benefits imposed by law or otherwise, with respect to such employees (which, for employees working for other properties in addition to the Premises, shall be allocated proportionately to reflect the time spent working in connection with the Premises); (3) the cost of uniforms (including the cleaning, replacement and pressing thereof) provided to such employees; (4) premiums and other charges incurred by Landlord with respect to fire, other casualty, rent and liability insurance, any other insurance as is deemed necessary or advisable in the reasonable judgment of Landlord, or any insurance reasonably required by the holder of any Superior Interest (as defined in Paragraph 21 below), and costs of repairing an insured casualty to the extent of the deductible amount under the applicable insurance policy (provided that such deductible amounts included in Operating Expenses shall not exceed $1.00 per rentable square foot of the Premises in any year); (5) water charges and sewer rents or fees to the extent not paid directly by Tenant to the applicable utility; (6) license, permit and inspection fees, if any; (7) sales, use and excise taxes on goods and services purchased by Landlord in connection with the operation, maintenance or repair of the Premises and building systems and equipment; (8) Intentionally Deleted; (9) management fees and expenses as provided in Section 17.g (the "**Property Management Fee**"); (10) costs of repairs to and maintenance of the Premises, including building systems and appurtenances thereto and normal repair and replacement of worn-out equipment, facilities and installations except to the extent such expenses constitute a Capital Repair/Replacement (as defined below); (11) fees and expenses for janitorial, window cleaning, guard, extermination, water treatment, rubbish removal, plumbing and other services and inspection or service contracts for elevator, electrical, mechanical, HVAC and other building equipment and systems or as may otherwise be necessary or proper for the operation, repair or maintenance of the Premises; (12) costs of supplies, tools, materials, and equipment used in connection with the operation, maintenance or repair of the Premises; (13) accounting, legal and other professional fees and expenses (excluding fees and expenses incurred in connection with the negotiation of this Lease or any disputes with Tenant regarding this Lease); (14) fees and expenses for painting the exterior of the Building and other portions of the Premises and the cost of maintaining the sidewalks, landscaping and other exterior portions of the Premises; (15) costs and expenses for electricity, chilled water, air conditioning, water for heating, gas, fuel, steam, heat, lights, power and other energy related utilities required in connection with the operation, maintenance and repair of the Premises; (16) the cost of any capital improvements made by Landlord to the Premises or capital assets acquired by Landlord

in order to comply with any local, state or federal law, ordinance, rule, regulation, code or order of any governmental entity (including, without limitation, all building codes, requirements or restrictions imposed on the Building given its status as a historical landmark/building) or insurance requirement or requirement of any covenants or restrictions of record encumbering the Premises (collectively, "**Legal Requirement**") with which the Premises was not required to comply as of the Commencement Date, or to comply with any amendment or other change to the enactment or interpretation of any Legal Requirement from its enactment or interpretation as of the Commencement Date ("**Allowed Capital Improvement Items**"); (18) the cost of landscaping; (19) the cost of Building office rent or rental value, if any, and the cost of personal property utilized by Landlord in the maintenance, repair and management of the Premises; and (20) any expenses and costs resulting from substitution of work, labor, material or services in lieu of any of the above itemizations, or for any additional work, labor, services or material resulting from compliance with any Legal Requirement applicable to the Premises or any parts thereof. Notwithstanding the foregoing, Allowed Capital Improvement Items shall be amortized over the reasonable useful life of the improvement or addition (or, with respect to Allowed Capital Improvement Items included under item (C) above, their recovery/payback period as Landlord shall reasonably determine in accordance with sound real estate management and accounting principles), with interest on the unamortized balance at a rate per annum equal to the lesser of (x) the annual "Bank Prime Loan" rate cited in the Federal Reserve Statistical Release Publication H.15(519), published weekly (or such other comparable index as Landlord and Tenant shall reasonably agree upon if such rate ceases to be published), plus four (4) percentage points, and (y) the highest rate permitted by applicable law. If the Premises is or becomes subject to any covenants, conditions or restrictions, reciprocal easement agreement, common area declaration or similar agreement, then Operating Expenses shall include all fees, costs or other expenses allocated to the Premises under such agreement, provided that Landlord shall not, without first obtaining the prior written consent of Tenant, enter into any such agreement after the date hereof that would impose additional costs or obligations on Tenant, or reduce Tenant's rights under this Lease, or Tenant's use of the Premises. As used herein, the term "**Capital Repair/Replacement**" shall mean any item of repair or replacement which, under sound real estate accounting principles, would be properly classified as a capital expenditure and which costs in excess of Fifty Thousand Dollars ($50,000).

ii. Operating Expenses shall not include the following:

(1) costs incurred in connection with Landlord's redevelopment of the Premises, including any costs of Landlord's Work, or in connection with any new capital improvements to the Premises, such as adding or deleting floors, except for Allowed Capital Improvement Items;

(2) except as permitted in connection with Allowed Capital Improvement Items and/or Capital Repair/Replacements, any depreciation, interest or principal payments on mortgages or other debt costs;

(3) marketing costs, advertising and promotional expenses, and brokerage fees incurred in connection with the development, subsequent improvement, or original or future leasing of the Premises;

(7) the wages and benefits of any employee who does not devote substantially all of his or her employed time to the Premises unless such wages and benefits are prorated to reflect time spent on operating and managing the Premises vis-à-vis time spent on matters unrelated to operating and managing the Premises; provided, that in no event shall Operating Expenses for purposes of this Lease include wages and/or benefits attributable to personnel above the level of senior property manager;

(8) subject to Paragraph 17.g.iii, below, rent for any office space occupied by Premises management personnel;

(9) late charges, penalties, liquidated damages, interest and other finance charges;

(10) amount paid as ground rental or as rental for the Premises by the Landlord or under any mortgage or secured loan agreement;

(11) costs of new capital improvements or capital assets except for Allowed Capital Improvement Items;

(12) any cost that constitutes a Capital Repair/Replacement, or any cost of repair or replacement of the structural portions of the Building or the Parking Structure (including exterior walls, roof structure, foundation and core of the Building);

(13) any amount paid by Landlord or to the parent organization or a subsidiary or affiliate of the Landlord for supplies and/or services in the Premises to the extent the same exceeds the costs of such supplies and/or services rendered by qualified, first-class unaffiliated third parties on a competitive basis;

(14) rentals and other related expenses incurred in leasing air conditioning systems, elevators or other equipment which if purchased the cost of which would be specifically excluded from Operating Expenses as provided herein, except equipment not affixed to the Premises which is used for normal maintenance or similar services;

(15) all items and services for which Tenant or any third party reimburses Landlord, provided that Landlord shall use commercially reasonable efforts to collect such reimbursable amounts;

(16) costs, other than those incurred in ordinary maintenance and repair, for sculpture, paintings, fountains or other objects of art;

(17) tax penalties;

(18) fees and reimbursements payable to Landlord (including its parent organization, subsidiaries and/or affiliates) or by Landlord for management of the Premises which exceed the Property Management Fee;

(19) any costs expressly excluded from Operating Expenses elsewhere in this Lease;

(20) Landlord's general corporate overhead and general and administrative expenses;

(21) all assessments and premiums which are not specifically charged to Tenant because of what Tenant has done, which can be paid by Landlord in installments, shall be paid by Landlord in the maximum number of installments permitted by law (except to the extent inconsistent with the general practice of landlords of buildings comparable to and in the vicinity of the Building) and shall be included as Operating Expenses in the year in which the assessment or premium installment is actually paid;

(22) costs arising from the gross negligence or willful misconduct of Landlord;

(23) the cost of any penalties or fees, and costs of any abatement, removal, or other remedial activities with respect to Hazardous Materials (as defined in Paragraph 9.c. below).

(31) all costs of Landlord's Work, including without limitation, development fees payable to the City of Los Angeles or other governing entities, the cost of changes in zoning or use permits, the cost of off-site improvements, street dedication or street widening required by applicable governing entities, Mello-Roos assessments (specifically allocable to the development of Landlord's Work), and permits for Base Building construction;

(32) costs of acquisition and/or development of adjacent properties.

b. Tax Expenses. Tenant shall pay to Landlord as Additional Rent under this Lease, at the times hereinafter set forth, Tenant's Share, as specified in Paragraph 2.e. above, of the Tax Expenses incurred by Landlord during each calendar year during the Lease term.

i. The term "**Tax Expenses**" shall mean all taxes, assessments (whether general or special), excises, transit charges, housing fund assessments or other housing charges, improvement districts, levies or fees, ordinary or extraordinary, unforeseen as well as foreseen, of any kind, which are assessed, levied, charged, confirmed or imposed on the Premises, on Landlord with respect to the Premises, on the act of entering into leases of space in the Premises, on the use or occupancy of the Premises or any part thereof, with respect to services or utilities consumed in the use, occupancy or operation of the Premises, on any improvements, fixtures and equipment and other personal property of Landlord located in the Premises and used solely in connection with the operation of the Premises, or on or measured by the rent payable under this Lease or in connection with the business of renting space in the Premises, including, without limitation, any gross receipts tax or excise tax levied with respect to the receipt of such rent, by the United States of America, the State of California, the County of Los Angeles, the City of Los Angeles, any political subdivision, public corporation, district or other political or public entity or public authority having taxing authority, and shall also include any other tax, fee or other excise, however described, which may be levied or assessed in lieu of, as a substitute (in whole or in part) for, or as an addition to, any other Tax Expense, provided, that any such substitute taxes shall be calculated as if the Premises were the sole property owned by Landlord. Tax Expenses shall include reasonable attorneys' and professional fees, costs and disbursements incurred in connection with proceedings to contest, determine or reduce Tax Expenses, but not in excess of any reduction actually achieved by such contest, determination or reduction.

ii. Notwithstanding the foregoing, Tax Expenses shall not include (i) any franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, estate taxes, mortgage, mortgage recording, unincorporated business, payroll, transfer, sales or profit tax, fee or charge, capital levy, federal and state net income taxes, and other taxes to the extent applicable to Landlord's net income (as opposed to rents, receipts or income attributable to operations at the Premises), (ii) any taxes paid by Tenant pursuant to the provisions of Paragraph

18 below, or (iii) any fines or penalties resulting from Landlord's failure to timely pay any taxes or assessments when due. In addition, if, as a result of any contest or otherwise, any rebate or refund of Tax Expenses is received, Tenant shall be entitled to Tenant's Share thereof (after deducting reasonable and customary expenses of achieving such rebate or refund not previously passed through as a Tax Expense) to the extent such rebate or refund is applicable to Tax Expenses arising during the Lease term. Any assessments and special assessments included in the Tax Expenses which may be paid in installments shall be deemed payable in the maximum number of installments permitted by Legal Requirements without incurring any penalties, and only such installment(s) as are payable within any calendar year shall be included in the Tax Expenses for such calendar year for the purposes of this Lease.

c. Right to Cause Landlord to Contest. If Landlord elects not to file, or not later than sixty (60) days prior to the bar date for filing, fails to file, a contest or appeal with respect to Tax Expenses payable for any tax year following the fiscal tax year ending June 30, 2016, then Tenant shall have the right to require Landlord to file said contest or appeal pursuant to the terms of this Paragraph 7.d. Any such election by Tenant to cause Landlord to file and pursue a contest or appeal of Tax Expenses for any tax year must be made by written notice given by Tenant no later than sixty (60) days prior to the last date on which such Tax Expenses may be appealed or protested (and then only if Landlord has not previously commenced its appeal or protest of the subject Tax Expenses). Any such contest or appeal shall be conducted diligently and in good faith by Landlord; provided, however, that Landlord shall provide Tenant status updates upon request with respect to such contest or appeal. Tenant shall pay to Landlord one hundred percent (100%) of Landlord's costs in connection with proceedings to contest, determine or reduce Tax Expenses (including, without limitation, reasonable attorneys' and professional fees, costs and disbursements) requested by Tenant under this Paragraph 7.d., less the amount of the savings in Tax Expenses, if any, ultimately resulting from such proceedings, within thirty (30) days following written demand from Landlord. Notwithstanding anything contained herein to the contrary, in the event that any contest or appeal requested by Tenant pursuant to this Paragraph 7.d. results in an increase in Tax Expenses over what such Tax Expenses would have been had the contest or appeal not been pursued at Tenant's request, then Tenant shall bear one hundred percent (100%) of the amount of such increase in Tax Expenses for the entire Premises (which amounts shall be paid by Tenant to Landlord no later than thirty (30) days following written demand (or such earlier date that such increased amount is owed to the applicable taxing authority). Tenant's rights under this Paragraph 7.d. are personal to, and only may only be exercised by, the Tenant originally named herein, WMG Acquisition Corp., or any Affiliate to whom this Lease has been assigned or the Premises subleased in accordance with Paragraph 13.h. below (collectively, "**Original Tenant**") and shall not inure to the benefit of any other assignee or subtenant of Tenant. In addition, Tenant's rights under this Paragraph 7.d. shall terminate, at Landlord's option, if (i) an Event of Default exists as of the date of Tenant's exercise of its rights under this Paragraph 7.d., (ii) this Lease expires or is terminated in accordance with the provisions of this Lease, (iii) Tenant assigns its interest in this Lease other than to an Affiliate, or (iv) Original Tenant ceases to lease from Landlord at least seventy percent (70%) of the rentable square footage of the Building.

d. Intention Regarding Expense Pass-Through. It is the intention of Landlord and Tenant that, except as specifically provided herein, the Monthly Rent paid to Landlord throughout the term of this Lease shall be absolutely net of Tax Expenses and Operating Expenses, and the foregoing provisions of this Paragraph 7 are intended to so provide.

e. Notice and Payment. On or before the first day of each calendar year during the term hereof, or as soon as practicable thereafter, Landlord shall give to Tenant notice of Landlord's estimate of the Additional Rent, if any, payable by Tenant pursuant to Paragraphs 7.a. and 7.b. for such calendar year. On or before the first day of each month during each such subsequent calendar year, Tenant shall pay to Landlord one-twelfth (1/12th) of the estimated Additional Rent; provided, however, that if Landlord's notice is not given prior to the first day of any calendar year Tenant shall continue to pay Additional Rent on the basis of the prior year's estimate until the month after Landlord's notice is given. If at any time it appears to Landlord that the Additional Rent payable under Paragraphs 7.a. and/or 7.b. will vary from Landlord's estimate by more than five percent (5%), Landlord may, by written notice to Tenant, revise its estimate for such year, and subsequent payments by Tenant for such year shall be based upon the revised estimate. As of the monthly payment date first occurring thirty (30) days after any new estimate is delivered to Tenant, Tenant shall also pay any accrued cost increases, based on such new estimate.

f. Annual Accounting. Within one hundred fifty (150) days after the close of each calendar year, or as soon after such one hundred fifty (150)-day period as practicable, Landlord shall deliver to Tenant a statement ("**Landlord's Statement**") of the Additional Rent payable under Paragraphs 7.a. and 7.b. for such year (and such statement shall be accompanied by copies of the applicable tax bills or other evidence showing the Tax Expenses or tax assessments). If the annual statement shows that Tenant's payments of Additional Rent for such calendar year exceeded Tenant's obligations for the calendar year, Landlord shall credit the excess to the next succeeding installments of estimated Additional Rent. If the annual statement shows that Tenant's payments of Additional Rent for such calendar year were less than Tenant's obligation for the calendar year, Tenant shall pay the deficiency to Landlord within thirty (30) days after delivery of such statement. Even though the Lease term has expired and Tenant has vacated the Premises, when the final determination is made regarding Additional Rent for the calendar year in which this Lease terminated, the foregoing procedure shall continue to apply, except that, if Tenant overpaid Additional Rent for the calendar year in which the Lease term expired, Landlord shall promptly refund to Tenant the overpaid amount.

g. Proration for Partial Lease Year. If this Lease commences on a day other than the first day of a calendar year or terminates on a day other than the last day of a calendar year, the Additional Rent payable by Tenant pursuant to this Paragraph 7 applicable to the such partial calendar year shall be prorated on the basis that the number of days of such partial calendar year bears to three hundred sixty (360).

h. Tenant's Right to Audit. If Tenant wishes to audit Landlord's Statement, Tenant shall give Landlord written notice of such dispute within three hundred sixty-five (365) days after Tenant's receipt of Landlord's Statement. If Tenant does not give Landlord such notice within such time, Tenant shall have waived its right to audit or otherwise dispute Landlord's Statement. If Tenant has provided such audit notice within such three hundred sixty-five (365)

day period after Tenant's receipt of Landlord's Statement for a particular year, Tenant shall have the right to cause an independent certified public accountant or reputable lease audit specialist designated by Tenant, to be paid on an hourly and not a contingent fee basis, to audit such Landlord's Statement subject to the following: (i) Tenant must actually begin such audit within sixty (60) days after the notice from Tenant to Landlord advising Landlord that Tenant will require an audit (provided that such 30-day period within which the audit must be commenced shall be extended by the length of any delay in the commencement of the audit that is caused by Landlord) and (ii) Tenant shall diligently pursue such audit to completion as quickly as reasonably possible (and shall in any event complete such audit within ninety (90) days after the date such audit was commenced (provided that such 90-day period within which the audit must be completed shall be extended by the length of any delay in the completion of the audit that is caused by Landlord)). Landlord agrees to make available to Tenant's auditors, at Landlord's office (or Landlord's property manager's office) where such records are kept, at reasonable times and for a reasonable period of time, the books and records relevant to the audit for review and copying, but such books and records may not be removed from Landlord's offices. Tenant shall bear all costs of such audit, including Landlord's actual copying costs and personnel costs, if any incurred in connection with such audit (provided that, prior to incurring any personnel costs in connection with any such audit, Landlord shall advise Tenant of Landlord's anticipated personnel costs so that Tenant may, at Tenant's option, modify Tenant's activities with regard to such audit in order to preclude the need for Landlord to incur such personnel costs). If following Tenant's review of such audit, Tenant disputes any amounts set forth in Landlord's Statement, Landlord and Tenant shall endeavor in good faith to resolve such dispute. If Landlord and Tenant do not reach agreement within thirty (30) days after the completion of Tenant's review of such audit, and if the amount in dispute exceeds $25,000, then either Landlord or Tenant may submit the matter to an independent, third party accountant, with experience in reviewing expenses for commercial office projects, mutually and reasonably agreed upon by Landlord and Tenant (the "**Neutral Accountant**"), to make a final binding determination of the amounts owed by Tenant under the applicable Landlord's Statement, and the decisions of such Neutral Accountant shall be binding on Landlord and Tenant. If Landlord and Tenant agree, or the Neutral Accountant determines, that there was an aggregate overstatement of Operating Expenses of four (4%) or more (or, in the absence of such agreement, such overstatement is confirmed by a court of competent jurisdiction or such other dispute resolution mechanism as to which the parties mutually agree in writing), then Landlord shall bear all costs of the audit. If the agreed or confirmed audit shows an underpayment of Operating Expenses by Tenant, Tenant shall pay to Landlord, within thirty (30) days after the audit is agreed to or confirmed, the amount owed to Landlord, and, if the agreed or confirmed audit shows an overpayment of Operating Expenses by Tenant, Landlord shall reimburse Tenant for such overpayment within thirty (30) days after the audit is agreed to or confirmed. Notwithstanding anything to the contrary set forth above, Tenant's audit rights under this Paragraph 7.g. shall be conditioned upon (i) there not being an Event of Default in effect, and (ii) Tenant executing, prior to the commencement of the audit, a commercially reasonable confidentiality agreement in which Tenant shall agree to keep confidential, and not disclose to any other party (other than Tenant's affiliates and its and their officers, directors, employees and representatives who have a reasonable need to know such results), the results of any such audit or any action taken by Landlord in response thereto.

i. Timely Billing. Notwithstanding any provision of this Lease to the contrary, any Additional Rent (other than with respect to Tax Expenses) for which Tenant is to be billed or charged by Landlord shall be billed or charged within the later of (i) two (2) years after the close of the calendar year for which the amount is incurred by Landlord (four (4) years for tax bills) or (ii) ninety (90) days following the date that Landlord is billed for such item, failing which, Landlord shall be deemed to have waived its right to payment of such Additional Rent.

8. Use of Premises; Compliance with Law.

a. Use of Premises. The Premises shall be used solely for the Permitted Use as described in Paragraph 2.f. above and for no other use or purpose without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall not do or suffer or permit anything to be done in or about the Premises, nor bring or keep anything therein, which would in any way subject Landlord, Landlord's agents or the holder of any Superior Interest (as defined in Paragraph 21) to any material liability, or cause a cancellation of, or give rise to any defense by the insurer to any claim under, or conflict with, any policies for fire, casualty, liability, rent or other insurance applicable to the Premises. If any act or omission of Tenant results in any increase in premium rates, Tenant shall pay to Landlord upon demand (accompanied with evidence of such increase) the amount of such increase. Tenant shall not use or suffer or permit the Premises to be used for any unlawful purpose, nor shall Tenant cause, maintain, suffer or permit any nuisance in, on or about the Premises. Tenant may, at Tenant's sole option, allow its employees, guests, visitors or any other person to bring pets into the Premises, subject to all of the terms of this Lease, and compliance with Legal Requirements.

b. Compliance with Law.

i. Tenant shall not do or permit anything to be done in or about the Premises which will in any way conflict with any Legal Requirement (as defined in Paragraph 7.a.(16) above) now in force or which may hereafter be enacted. Tenant, at its sole cost and expense (or, at Landlord's election, Landlord may perform such work at Tenant's cost), shall promptly perform all alterations, additions, improvements or other changes to the Premises in order comply with any present or future Legal Requirements relating to the condition, use or occupancy of the Premises to the extent arising from (i) Tenant's Alterations (as defined in Paragraph 9 below), including, without limitation, the Tenant Improvements (as such term is defined in the Work Letter), (ii) Tenant's particular use of the Premises (as opposed to Tenant's use of the Premises for general office purposes in a normal and customary manner), or (iii) Tenant's particular employees or employment practices. In addition, if Tenant exercises the right to assume Property Management duties pursuant to Paragraph 17.g.ii. below, then Tenant shall be responsible, at Tenant's sole cost and expense, for performing all alterations, additions, improvements or other changes to the Premises in order comply with any present or future Legal Requirements relating to the condition, use or occupancy of the Premises (regardless of whether the need for such compliance work was triggered by Tenant or not) other than the Base Building (as defined in Paragraph 17.g.iv. below). Tenant shall promptly furnish Landlord with any notices received from any insurance company or governmental agency or inspection bureau regarding any unsafe or unlawful conditions within the Premises or the violation of any Legal Requirement.

ii. Except for the matters that are the responsibility of Tenant pursuant to Paragraph 8.b.i. above, Landlord shall be responsible for causing, as of the date of delivery of the Premises to Tenant and thereafter during the Lease term, the Premises to comply with all Legal Requirements to the extent required for Tenant to occupy the Premises for the purposes leased; provided, however, that if Tenant exercises the right to assume Property Management duties pursuant to Paragraph 17.g.ii. below, then Landlord's responsibilities as to compliance with Legal Requirements shall be limited to the Base Building.

c. Contest. Anything in this Paragraph 8 to the contrary notwithstanding, Tenant, at Tenant's expense, after notice to Landlord, may contest, by appropriate proceedings prosecuted diligently and in good faith, the validity, or applicability to the Premises, of any Legal Requirement provided that (i) Landlord shall not be subject to criminal or civil penalty or to prosecution for a crime, or any other fine or charge, nor shall the Premises, or any part thereof, be subject to being condemned or vacated, nor shall the Premises, or any part thereof, be subjected to any lien or encumbrance, by reason of non-compliance or otherwise by reason of such contest, (ii) such non-compliance or contest shall not constitute or result in any violation of any Superior Interest, or if any such Superior Interest shall permit such non-compliance or contest on condition of the taking of action or furnishing of security by Landlord, such action shall be taken and such security shall be furnished at the expense of Tenant, (iii) such non-compliance or contest shall not prevent Landlord from obtaining any and all permits and licenses in connection with the operation of the Building, and (iv) Tenant shall keep Landlord advised as to the status of such proceedings.

d. Hazardous Materials. Tenant shall not cause or permit the storage, use, generation, release, handling or disposal (collectively, "**Handling**") of any Hazardous Materials (as defined below), in, on, or about the Premises by Tenant or any agents, employees, contractors, licensees, subtenants, customers, guests or invitees of Tenant (collectively with Tenant, "**Tenant Parties**"), except that Tenant shall be permitted to use normal quantities of office, janitorial, maintenance or cleaning supplies (such as by way of example and not limitation, copier fluids or cleaning supplies) customarily used in the conduct of Tenant's Permitted Use ("**Common Chemicals**"), provided that the Handling of such Common Chemicals shall comply at all times with all Legal Requirements, including Hazardous Materials Laws (as defined below). Notwithstanding anything to the contrary contained herein, however, in no event shall Tenant permit any usage of Common Chemicals in a manner that may cause the Premises to be contaminated by any Hazardous Materials or in violation of any Hazardous Materials Laws. Tenant shall promptly advise Landlord in writing of (a) any and all enforcement, cleanup, remedial, removal, or other governmental or regulatory actions instituted, completed, or threatened pursuant to any Hazardous Materials Laws relating to any Hazardous Materials affecting the Premises; and (b) all claims made or threatened by any third party against Tenant, Landlord, the Premises relating to damage, contribution, cost recovery, compensation, loss, or injury resulting from any Hazardous Materials on or about the Premises. Without Landlord's prior written consent, Tenant shall not take any remedial action or enter into any agreements or settlements in response to the presence of any Hazardous Materials in, on, or about the Premises. Tenant shall be solely responsible for and shall indemnify, defend and hold Landlord and all other Indemnitees (as defined in Paragraph 14.b. below), harmless from and against all Claims (as defined in Paragraph 14.b. below), arising out of or in connection with, or otherwise relating to (i) any Handling of Hazardous Materials by any Tenant Party or Tenant's

breach of its obligations hereunder, or (ii) any removal, cleanup, or restoration work and materials necessary to return the Premises or any other property of whatever nature located on the Premises to their condition existing prior to the Handling of Hazardous Materials in, on or about the Premises by any Tenant Party. Tenant's obligations under this paragraph shall survive the expiration or other termination of this Lease. For purposes of this Lease, "**Hazardous Materials**" means any explosive, radioactive materials, hazardous wastes, or hazardous substances, including without limitation asbestos containing materials, PCB's, CFC's, or substances defined as "hazardous substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601-9657; the Hazardous Materials Transportation Act of 1975, 49 U.S.C. Section 1801-1812; the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901-6987; or any other Legal Requirement regulating, relating to, or imposing liability or standards of conduct concerning any such materials or substances now or at any time hereafter in effect, including, without limitation, the Comprehensive Environmental Petroleum and Response Compensation and Liability Act, 42 U.S.C. Section 9601 et seq., the Clean Air Act, 33 U.S.C. Section 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq., the Safe Drinking Water Act, 42 U.S.C. Section 300(f) et seq., the Federal Water Pollution Control Act, 33 U.S.C. Section 1251 et seq., the Emergency Planning and Community Right-To-Know Act, 42 U.S.C. Section 1101 et seq., the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., any so-called "Super Fund" or "Super Lien" law, applicable statutes of the State of California and in any regulations adopted or publications promulgated pursuant to any of the foregoing (as the same may be amended from time to time) (collectively, "**Hazardous Materials Laws**").

e. Environmental Disclosure Documents. Landlord acknowledges that, to Landlord's actual knowledge as of the date of the Lease, except as set forth in the environmental reports provided to Tenant on or before the date of this Lease as set forth on Exhibit G attached hereto (the "Environmental Disclosure Documents"), Landlord has not received written notice from any governmental body that the Premises, or any portion thereof, is currently in violation of any applicable Legal Requirement, which violation, if not cured, could reasonably result in the closure of the Building or Tenant's access to the Premises; provided, however, if, following the date hereof, Landlord receives written notice of any such violation, or otherwise has actual knowledge thereof, Landlord shall remediate such condition as soon as reasonably practicable, and such remediation actions shall be in compliance with the terms of Paragraph 23, below. Landlord shall be solely responsible for and shall indemnify, defend and hold Tenant and all Tenant Parties, harmless from and against all Claims to the extent arising out of or in connection with, or otherwise relating to, (i) any Hazardous Materials introduced to the Premises by Landlord and its partners, affiliates, subsidiaries or any of their contractors, agents or employees (collectively, "**Landlord Parties**"), or (ii) any Hazardous Materials existing at the Premises as of the date of this Lease; provided, however, as respects the indemnity provided in clause (ii), such indemnity shall (1) be limited solely to judgments awarded, defense costs and litigation costs for third party lawsuits and (2) not apply to matters covered by the workers' compensation insurance or employer's liability insurance carried by Tenant or its Affiliates that are operating at the Premises. By execution of this Lease, Tenant (i) acknowledges its receipt of the Environmental Disclosure Documents in satisfying any disclosure obligations Landlord may have under Section 25359.7 of the California Health and Safety Code with respect to the matters disclosed by the Environmental Disclosure Documents and (ii) Tenant waives any and all rights Tenant may have to assert that Landlord has not complied with the requirements of Section 25359.7 of the California Health and Safety Code. Tenant further acknowledges that Landlord shall have no liability or responsibility for the accuracy of any of the information contained in the Environmental Disclosure Documents, and that Tenant shall rely upon its own environmental experts and counsel regarding the contents of such documents.

f. Applicability of Paragraph. The provisions of this Paragraph 8 are for the benefit of Landlord, the holder of any Superior Interest (as defined in Paragraph 21 below), the other Indemnitees, Tenant and Tenant Parties only and are not nor shall they be construed to be for the benefit of any unrelated third party.

9. Alterations and Restoration.

a. Tenant shall not make or permit to be made any alterations, modifications, additions, decorations or improvements to the Premises, or any other work whatsoever that would directly or indirectly involve the penetration or removal (whether permanent or temporary) of, or require access through, in, under, or above any floor, wall or ceiling, or surface or covering thereof in the Premises (collectively, "**Alterations**"), except as expressly provided in this Paragraph 9. Except as expressly provided in this Paragraph 9, if Tenant desires any Alteration, Tenant must obtain Landlord's prior written approval (not to be unreasonably withheld, conditioned or delayed) of such Alteration. Landlord shall have ten (10) Business Days from receipt of written request for approval of any Alteration and Landlord's receipt of all information and documentation requested by Landlord relating to such Alterations in which to approve or disapprove such matter, provided that, in order for any such notice to result in a deemed approval, any such written request to Landlord with respect to any Alterations must be marked in bold lettering with the following language: "**LANDLORD'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE PURSUANT TO THE TERMS OF THAT CERTAIN LEASE AGREEMENT BETWEEN THE UNDERSIGNED AND LANDLORD**". In the event that Landlord fails to respond to the Alteration in question within such time (as same may be extended as provided below), and provided that the foregoing language is included in the request, Landlord's approval shall be deemed given for all purposes with respect to such Alteration but only to the extent that such Alteration complies with the information previously provided to Landlord in all material respects and is constructed in accordance with the requirements of this Lease. If such Alterations affect the Base Building or is of a scope for which Landlord will require review of the relevant plans and specifications by a third party expert, then the foregoing ten (10) Business Day response period shall not apply (nor shall Landlord's deemed consent as provided herein) and Landlord shall be provided a reasonable period of time (not to exceed fifteen (15) additional Business Days) to have such third party complete its review of the subject Alterations prior to Landlord being required to provide its approval or disapproval of the subject Alterations. Tenant shall provide Landlord with such information and documentation as may be reasonably required by Landlord, including, without limitation, identification of all contractors and subcontractors and complete plans and specifications, MEP drawings and construction drawings. For purposes of clarification, Landlord requesting additional and/or clarified information, in addition to approving or denying any request (in whole or in part), shall be deemed a response by Landlord for purposes of the foregoing ten (10) Business Day period response requirement.

b. Notwithstanding the foregoing or anything to the contrary contained elsewhere in this Paragraph 9, Tenant shall have the right, without Landlord's consent, to make any Alteration that meets all of the following criteria (a "**Non-Material Alteration**"): (i) the Alteration is limited to the interior of the Building, (ii) the Alteration is nonstructural and does not reduce the rentable area of the Premises that contains office improvements, (iii) the Alteration does not adversely affect the Building's electrical, mechanical, life safety, plumbing, security, or HVAC systems or any portion of the Base Building, (iv) the Alteration does not require the consent of any Superior Interest and (v) Tenant provides Landlord with ten (10) Business Days' advance written notice of the commencement of any such Non-Material Alteration. At the time Tenant notifies Landlord of any Non-Material Alteration, Tenant shall give Landlord a copy of Tenant's plans for the work. If the Non-Material Alteration is of such a nature that formal plans will not be prepared for the work, Tenant shall provide Landlord with a reasonably specific description of the work.

c. All Alterations shall be made at Tenant's sole cost and expense, including the expense of complying with all present and future Legal Requirements, including those regarding asbestos, if applicable, and any other work required to be performed in other areas within or outside the Premises by reason of the Alterations. As respects all Alterations other than Non-Material Alterations, Tenant shall either (i) arrange for Landlord to perform the work on terms and conditions acceptable to Landlord and Tenant, each in its sole discretion or (ii) use contractors approved by Landlord in writing in advance (which approval shall not be unreasonably withheld). Tenant shall provide Landlord with a copy of the information submitted to bidders at such time as the bidders receive their copy. Except as otherwise provided in the Work Letter as respects the Tenant Improvements, Tenant shall not be required to pay Landlord any fee for Landlord's internal review of Tenant's Plans or general inspection or oversight of the construction of any Alterations; provided, however, that as respects all Alterations other than the Tenant Improvements constructed pursuant to the Work Letter, Tenant shall reimburse Landlord for Landlord's reasonable, actual, out-of-pocket fees and charges paid to third party architects, engineers and other consultants to the extent such third party review is reasonably required for review of the work and the plans and specifications with respect thereto and to monitor contractor compliance with Building construction requirements, and for other miscellaneous costs incurred by Landlord as result of the work.

d. All such work shall be performed diligently and in a good and workmanlike manner and in accordance with plans and specifications approved (or deemed approved) by Landlord (in the case where Landlord's consent is not required), shall be performed by contractors approved by Landlord (which approval shall not be unreasonably withheld, conditioned or delayed), and shall comply with all Legal Requirements and Landlord's reasonable and customary construction standards, procedures, conditions and requirements for the Building as in effect from time to time (including Landlord's requirements relating to insurance and contractor qualifications ("**Landlord's Construction Standards**")). To the extent applicable, and without limitation of the foregoing, Tenant shall cause a timely Notice of Completion to be recorded in the office of the Recorder of Los Angeles County in accordance with Section 8182 of the California Civil Code or any successor statute. Tenant shall deliver to Landlord, within thirty (30) days following the completion of the Alterations, a copy of as-built drawings of the Alterations for any such Alterations that affect the Base Building or are otherwise of a type and nature that as-built drawings would normally be prepared for such Alterations, in a form reasonably acceptable to Landlord. Default by Tenant in the payment of any sums agreed to be paid by Tenant to Landlord for or in connection with an Alteration (regardless of whether such agreement is pursuant to this Paragraph 9 or separate instrument) shall entitle Landlord to all the same remedies as for non-payment of rent hereunder. Any Alterations that are affixed to the Premises (but excluding moveable, free standing partitions) and that cannot be removed without causing damage to the Premises and all carpeting, shall at once become part of the Building and the property of Landlord, provided, however, all Alterations installed at the expense of Tenant, whether installed by Tenant or by Landlord (i.e., excluding any fixtures paid for by Landlord directly or by way of an allowance, including, without limitation, Landlord's Allowance provided under the Work Letter) shall be the property of Tenant during the Term and, upon expiration or earlier termination of this Lease, shall automatically become the property of Landlord. Tenant shall give Landlord not less than ten (10) days prior written notice of the date the construction of the Alteration is to commence. Landlord may post and record an appropriate notice of non-responsibility with respect to any Alteration and Tenant shall maintain any such notices posted by Landlord in or on the Premises.

e. Notwithstanding anything contained herein to the contrary, as respects all Alterations, including the Tenant Improvements:

i. For any Alterations following the Tenant Improvements, Tenant shall not reduce the rentable area of the Premises that contains office improvements without Landlord's prior approval, which approval shall not be unreasonably withheld.

ii. Tenant shall not use, operate or alter the Premises in any manner in a manner that might be inconsistent with Landlord's sustainability practices or that might imperil any existing or targeted certification or accreditation of the Base Building under the LEED rating system. Subject to Legal Requirements, Landlord shall not condition its consent to any Alteration that Tenant construct the Premises in accordance with LEED or other environmental or energy standards as long as it does not impede the ability to acquire a LEED rating for the Base Building.

iii. All telephone, data, and other cabling and wiring (including any cabling and wiring associated with any Wi-Fi network) (collectively, "**Cabling**") shall be (A) installed in accordance with the requirements of all applicable Legal Requirements, including the National Electric Code or any successor statute, and (B) properly labeled at each end and in each electrical closet and junction box. Notwithstanding anything contained herein to the contrary (1) in the event that Tenant no longer leases a portion of the Building, Tenant shall remove all Cabling installed by Tenant in such portion (or otherwise serving such portion) of the Premises and (2) at the expiration or earlier termination of this Lease, Tenant shall remove all Cabling installed by Tenant in the Premises.

f. Upon the request of Tenant, Landlord shall join in any applications for any permits, approvals or certificates required to be obtained by Tenant in connection with any permitted Alteration (provided that the applicable laws require Landlord to join in such application) and shall otherwise cooperate with Tenant in connection therewith; provided, however, that Landlord shall not be required to join Tenant in applying for, or otherwise approve of, any conditional use permits, changing in zoning or any other approvals that might otherwise be binding on the Premises with respect to the uses permitted at the Premises or that, in Landlord's reasonable judgment, might adversely impact the Premises or the uses of other occupants therein. Tenant shall reimburse Landlord for any reasonable out-of-pocket costs, including, without limitation, reasonable attorneys' fees and disbursements, that Landlord incurs in so joining in such applications and cooperating with Tenant, within thirty (30) days after the date that Landlord gives to Tenant an invoice therefor from time to time.

g. To the extent that any Alterations or Tenant Improvements made for or by Tenant (a) are structural in nature, or (b) would be materially more difficult, time-consuming or expensive to remove from the Premises than improvements that would reasonably be installed by or for a typical tenant using space for general office purposes in a normal and customary manner, then Landlord may require that such Alterations be removed from the Premises at the expiration or sooner termination of this Lease. Upon Tenant's express written request making specific reference to this Paragraph 9.g., Landlord shall advise Tenant at the time of Landlord's approval of any such Alteration (including any Tenant Improvement) (or within ten (10) Business Days after receipt of Tenant's notice to Landlord with respect to those Alterations not requiring Landlord's approval, but which would otherwise be subject to the foregoing) whether Landlord will require the removal of said Alteration (in accordance with the terms of this Section 9.g.) and restoration of the Premises to its previous condition at the expiration or sooner termination of this Lease; provided, however, that as respects the Tenant Improvements, Landlord shall make such election as respects removal of any component of the Tenant Improvements prior to, or contemporaneously with, Landlord's final approval of the Approved Contract Documents (as such term is defined in Section 2.1.3 of the Work Letter). Landlord's failure to expressly waive in writing Tenant's removal obligation as to any Alterations for which Tenant has requested designation for approval in accordance with the provisions of this Paragraph 9.g. shall be deemed Landlord's election that Tenant is required to remove such Alterations. The removal of the Alterations and the restoration of the Premises shall be performed by a general contractor selected by Tenant and reasonably approved by Landlord, in which event Tenant shall pay the general contractor's fees and costs in connection with such work. Any separate work letter or other agreement which is hereafter entered into between Landlord and Tenant pertaining to Alterations shall be deemed to automatically incorporate the terms of this Lease without the necessity for further reference thereto.

10.Repair.

a.Repairs by Tenant. Tenant, at Tenant's sole cost and expense, shall maintain and repair (i) Tenant's non-Building standard Alterations, (ii) any supplemental Building systems (including, but not limited to, air-conditioning systems or power generators) installed by Tenant at the Premises (the "**Tenant Installed Supplemental Building Systems**") and (iii) any equipment used in connection with the Premises and installed specifically for Tenant (including, without limitation, dishwashers, garbage disposals, and insta-hot dispensers) ("**Tenant's Equipment**"), in good condition and repair; provided that Tenant shall not be responsible for repairs to the extent such repairs are necessitated by the negligence or willful misconduct of Landlord or Landlord's agents, employees or contractors. In addition, if Tenant exercises the right to assume Property Management duties pursuant to Paragraph 17.g.ii. below, then Tenant shall be responsible, Tenant's sole cost and expense, for maintaining and repairing all aspects of the Premises other than the Base Building in good condition and repair consistent with the Management Standard (as defined in Paragraph 17.g.iv. below). Except as provided in Paragraph 10.b.iii below, Tenant waives all rights to make repairs at the expense of Landlord as provided by any Legal Requirement now or hereafter in effect. It is specifically understood and agreed that, except as specifically set forth in this Lease, Landlord has no obligation and has made no promises to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof, and that no representations respecting the condition of the Premises or the Building have been made by Landlord to Tenant. Tenant hereby waives the provisions of California Civil Code Sections 1932(1), 1941 and 1942 and of any similar Legal Requirement now or hereafter in effect.

b.Repairs by Landlord.

i.Repairs to the Premises due to fire, earthquake, acts of God or the elements shall be governed by Paragraph 26 below, and repairs to the Premises due to a governmental taking shall be governed by Paragraph 27 below. Subject to the foregoing and Tenant's repair obligations under Paragraph 10.a. above, Landlord shall repair and maintain the Premises in good condition and repair consistent with the Management Standard, the costs of which shall be included in Operating Expenses as provided in Paragraph 7.a. above; provided, however, in the event that Tenant exercises the right to assume Property Management duties pursuant to Paragraph 17.g.ii. below, then Landlord's maintenance and repair duties hereunder shall be limited to the Base Building.

ii.Landlord shall give Tenant at least ten (10) days' prior notice of any repairs or replacements to the Premises which will affect the normal conduct of business operations in the Premises (except in the case of an emergency posing imminent risk of material harm to persons or property, in which event Landlord shall only be required to give such notice as is reasonable under the circumstances) and use reasonable efforts to coordinate with Tenant in the scheduling of such non-emergency entry. If, in Tenant's reasonable judgment, Landlord's repairs would materially interfere with or disrupt the normal conduct of any business operations in the Premises, Landlord shall perform such repairs only after the regular hours of operation of Tenant to the extent that it is commercially feasible to perform such work after business hours. In any entrance into the Premises to perform repairs, Landlord shall endeavor in good faith to comply with Tenant's reasonable security procedures previously detailed by Tenant to Landlord, except to the extent Landlord or its agents determine that an emergency makes compliance with such procedures impracticable.

iii. If Landlord fails to timely perform any of its obligations under this Paragraph 10.b. related to the maintenance or repair of the Premises or Paragraph 8.b.ii. above regarding compliance with Legal Requirements, Tenant shall give Landlord written notice specifying the nature of such failure to perform and requesting performance. Landlord shall use commercially reasonable efforts to cure such failure within thirty (30) days of written notice from Tenant (or, in the case of emergencies posing a significant threat of property damage or personal injury, five (5) day after written notice from Tenant); provided, however, if the nature of the cure of such default will reasonably require more than thirty (30) days (or three (3) Business Days for emergencies) to complete and Landlord is proceeding with due diligence to remedy such matter, then such thirty (30)-day period (or three (3)-Business Day period for emergencies) will be extended for such additional time as may be necessary for Landlord to complete such cure so long as Landlord has commenced taking action to cure such failure within such thirty (30)-day period (or three (3)-Business Day period for emergencies). If such default remains uncured by the time permitted in the preceding sentence, Tenant may deliver to Landlord (and any holder of a Superior Interest of which Tenant has received notice) a second written notice in bold print indicating such default remains uncured, and if Landlord's failure continues for an additional five (5) Business Days (or two (2) Business Days for emergencies) after delivery of such second notice, Tenant may remedy such default provided (A) such obligation may be performed entirely within the Premises and shall not materially adversely affect the Building's electrical, mechanical, life safety, elevator, plumbing, security, or HVAC systems or materially adversely affect any structural components of the Building or any part of the Building other than the Premises, (B) if such obligation is in the nature of Alterations, the work is performed in accordance with all Legal Requirements and the provisions of Paragraph 9 above, and (C) performance by Tenant of such obligation does not involve any Hazardous Materials. Tenant's work shall comply with the applicable terms of Paragraph 9, above, and Tenant shall use only those contractors used by Landlord in the Building for work unless such contractors are unwilling or unable to perform, or timely perform, such work, in which event Tenant may utilize the services of any other qualified contractor which normally and regularly performs similar work in first class office building in the downtown Los Angeles area. All costs reasonably incurred by Tenant in connection with the performance by Tenant of such obligation of Landlord shall be payable by Landlord to Tenant within thirty (30) days after receipt of written demand therefor, together with documentation reasonably supporting such costs. In the event that Landlord shall fail to timely pay or dispute in good faith (in which case Landlord shall pay any undisputed amounts) such amounts, then Tenant may offset any such unpaid and undisputed amounts against the Monthly Rent payable by Tenant pursuant to this Lease, together with interest at the Interest Rate from the time such amounts were expended by Tenant (provided, however, that the amount that Tenant may offset hereunder in any calendar month shall not exceed fifty percent (50%) of the Monthly Rent owing for such calendar month, with such offset continuing until the full amount has been recovered by Tenant). If Landlord disputes in good faith and with reasonable detail Landlord's obligation to pay for such amounts (either because Landlord disputes Landlord's obligation to perform such actions under this Lease, or because Landlord contends the claimed amounts are excessive) then such dispute may be submitted to JAMS, Inc., for determination pursuant to their expedited commercial dispute rules and procedures, which determination shall be binding on Landlord and Tenant. If Tenant prevails in such determination, then Landlord shall pay the amounts owing to Tenant within thirty (30) days after such determination and in the event that Landlord shall fail to timely pay such amounts, then Tenant may offset any such unpaid and undisputed amounts against the Monthly Rent payable by Tenant pursuant to this Lease, together with interest at the Interest Rate from the time such amounts were expended by Tenant (provided, however, that the amount that Tenant may offset hereunder in any calendar month shall not exceed fifty percent (50%) of the Monthly Rent owing for such calendar month, with such offset continuing until the full amount has been recovered by Tenant). Landlord shall, from time to time, give Tenant written notice of the identity and address of any such Lender and/or the lessor under any master or ground lease. Notwithstanding anything to the contrary in this Lease, Tenant shall not have the right to sue Landlord for any consequential, punitive or incidental damages (including, without limitation, any claims for lost profits and/or lost business opportunity).

11. Abandonment. Tenant shall not abandon the Premises or any part thereof at any time during the term hereof. Tenant understands that if Tenant abandons the Premises, the risk of fire, other casualty and vandalism to the Premises and the Building will be increased. Accordingly, such action by Tenant shall constitute a default hereunder regardless of whether Tenant continues to pay Monthly Rent, Parking Space Rental and/or Additional Rent under this Lease, unless Tenant makes reasonable accommodation for securing the Premises. All movable partitions, business and trade fixtures, machinery and equipment, and all furniture, furnishings and other articles of movable personal property owned by Tenant and located in the Premises (collectively, "Tenant's Property") shall be and shall remain the property of Tenant and may be removed by Tenant at any time during the Lease term. Upon the expiration or earlier termination of this Lease, or if Tenant abandons, vacates or surrenders all or any part of the Premises or is dispossessed of the Premises by process of law, or otherwise, Tenant's Property left on the Premises shall at the option of Landlord be deemed to be abandoned and, whether or not the property is deemed abandoned, Landlord shall have the right, following five (5) Business Days' notice to Tenant, to remove such property from the Premises and charge Tenant for the removal and any restoration of the Premises as provided in Paragraph 9. Landlord may charge Tenant for the storage of Tenant's Property left on the Premises at such rates as Landlord may from time to time reasonably determine, or, Landlord may, at its option, store Tenant's Property in a public warehouse at Tenant's expense. Notwithstanding the foregoing, neither the provisions of this Paragraph 11 nor any other provision of this Lease shall impose upon Landlord any obligation to care for or preserve any of Tenant's property left upon the Premises, and Tenant hereby waives and releases Landlord from any claim or liability in connection with the removal of such property from the Premises and the storage thereof and specifically waives the provisions of California Civil Code Section 1542 with respect to such release. Landlord's action or inaction with regard to the provisions of this Paragraph 11 shall not be construed as a waiver of Landlord's right to require Tenant to remove Tenant's Property, restore any damage to the Premises and the Building caused by such removal, and make any restoration required pursuant to Paragraph 9 above.

12. Liens. If any mechanic's, materialman's or other lien arising out of work performed at the Premises by or on behalf of Tenant is filed against the fee of the Premises or against Tenant's interest in the Premises, then Tenant, within twenty (20) days of its notice or actual knowledge of such lien, shall remove the same of record (by bonding or otherwise). Landlord shall have the right to post and keep posted on the Premises any notices which it deems necessary for protection from such liens. If any such lien is filed and the same is not timely removed by Tenant as provided above, Landlord may, after twenty (20) days' written notice to

Tenant, without waiving its rights based on such breach by Tenant and without releasing Tenant from any obligations hereunder, take all necessary actions to bond against the same and in such event the sums so paid by Landlord shall be due and payable by Tenant within thirty (30) days after Landlord's written demand therefor, with interest from the date paid by Landlord through the date Tenant pays Landlord, at the Interest Rate. Tenant agrees to indemnify, defend and hold Landlord and the other Indemnitees (as defined in Paragraph 14.b. below) harmless from and against any Claims (as defined in Paragraph 14.b. below) for mechanics', materialmen's or other liens in connection with any Alterations, repairs or any work performed, materials furnished or obligations incurred by or for Tenant (other than Landlord's Work).

13. Assignment and Subletting.

a. Landlord's Consent. Landlord's and Tenant's agreement with regard to Tenant's right to transfer all or part of its interest in the Premises is as expressly set forth in this Paragraph 13. Tenant agrees that, except as otherwise expressly set forth in this Paragraph 13, neither this Lease nor all or any part of the leasehold interest created hereby shall, directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, be assigned, mortgaged, pledged, encumbered or otherwise transferred by Tenant or Tenant's legal representatives or successors in interest (collectively, an "**assignment**") and neither the Premises nor any part thereof shall be sublet or be used or occupied for any purpose by anyone other than Tenant (collectively, a "**sublease**"), in each case without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Except as otherwise expressly set forth in this Paragraph 13, any assignment or subletting without Landlord's prior written consent shall, at Landlord's option, be void and shall constitute an Event of Default entitling Landlord to exercise all remedies available to Landlord under this Lease and at law.

The parties hereto agree and acknowledge that, among other circumstances for which Landlord may reasonably withhold its consent to an assignment or sublease, it shall be reasonable for Landlord to withhold its consent where: (i) Landlord reasonably disapproves of the proposed assignee's or subtenant's reputation or creditworthiness (taking into consideration Tenant's ongoing liability hereunder); (ii) Landlord reasonably determines that the character of the business that would be conducted by the proposed assignee or subtenant at the Premises, or the manner of conducting such business, would be inconsistent with the character of the Building as a first-class office building; (iii) the assignment or subletting would involve a change in use from that expressly permitted under this Lease; or (iv) as of the date Tenant requests Landlord's consent or as of the date Landlord responds thereto, a breach or default by Tenant under this Lease shall have occurred and be continuing. Landlord's foregoing rights and options shall continue throughout the entire term of this Lease.

For purposes of this Paragraph 13, the following events shall be deemed an assignment or sublease, as appropriate: (i) the issuance of equity interests (whether stock, partnership interests or otherwise) in Tenant or assignee, or any entity controlling any of them, to any person or group of related persons, in a single transaction or a series of related or unrelated transactions, such that, following such issuance, such person or group shall have Control (as defined below) of Tenant or assignee; (ii) a transfer of Control of Tenant or assignee, or any entity controlling any of them, in a single transaction or a series of related or unrelated transactions (including, without limitation, by consolidation, merger, acquisition or reorganization), except that the transfer of

outstanding capital stock or other listed equity interests by persons or parties other than "insiders" within the meaning of the Securities Exchange Act of 1934, as amended, through the "over-the-counter" market or any recognized national or international securities exchange, shall not be included in determining whether Control has been transferred; (iii) a reduction of Tenant's assets to the point that this Lease is substantially Tenant's only asset; or (iv) the agreement by a third party to assume, take over, or reimburse Tenant for, all of Tenant's obligations under this Lease, in order to induce Tenant to lease space with such third party. "**Control**" shall mean direct or indirect ownership of more than fifty percent (50%) of all of the voting stock of a corporation or more than fifty percent (50%) of the legal or equitable interest in any other business entity, or the power to direct the operations of any entity (by equity ownership, contract or otherwise). An assignment or sublease as provided in this paragraph may additionally be subject to the terms of Paragraph 13.h, below, regarding Affiliates of Tenant, in which case such assignment or sublease will not require Landlord's consent, provided that such assignment or sublease complies with the terms of Paragraph 13.h., below.

If this Lease is assigned, whether or not in violation of the terms of this Lease, Landlord may collect rent from the assignee. If the Premises or any part thereof is sublet, Landlord may, upon an Event of Default by Tenant hereunder, collect rent from the subtenant. In either event, Landlord may apply the amount collected from the assignee or subtenant to Tenant's monetary obligations hereunder.

The consent by Landlord to an assignment or subletting hereunder shall not relieve Tenant or any assignee or subtenant from the requirement of obtaining Landlord's express prior written consent to any other or further assignment or subletting. In no event shall any subtenant be permitted to assign its sublease or to further sublet all or any portion of its subleased premises without Landlord's prior written consent, which consent may be withheld by Landlord in its sole and absolute discretion. Neither an assignment or subletting nor the collection of rent by Landlord from any person other than Tenant, nor the application of any such rent as provided in this Paragraph 13.a. shall be deemed a waiver of any of the provisions of this Paragraph 13.a. or release Tenant from its obligation to comply with the provisions of this Lease and Tenant shall remain fully and primarily liable for all of Tenant's obligations under this Lease.

Tenant shall not be required to obtain Landlord's consent to enter into a sublease, license, or other occupancy agreement in connection with any Live Event/Retail Sublease or Shared Space Arrangement (each as defined below).

b. Processing Expenses. Tenant shall pay to Landlord, as Landlord's cost of processing each proposed assignment or subletting, an amount equal to the sum of (i) Landlord's reasonable attorneys' and other professional fees, plus (ii) the sum of One Thousand Dollars ($1,000.00) for the cost of Landlord's administrative, accounting and clerical time (collectively, "**Processing Costs**"), and the amount of all reasonable out-of-pocket third party costs and expenses incurred by Landlord arising from the assignee or sublessee taking occupancy of the subject space. The total fee payable by Tenant, including Processing Costs and any such third party costs shall not exceed $2,500 for an assignment or subletting made in the ordinary course of business.

c. Consideration to Landlord. In the event of any "True Third Party Sublease", as defined below, whether or not requiring Landlord's consent, Landlord shall be entitled to receive, as additional rent hereunder, fifty percent (50%) of any consideration (including, without limitation, payment for leasehold improvements) paid by the assignee or subtenant for the assignment or sublease and, in the case of a sublease, fifty percent (50%) of the excess of the amount of rent paid for the sublet space by the subtenant over the amount of Monthly Rent under Paragraph 5 above, Additional Rent under Paragraph 7 above and Parking Space Rental under Paragraph 53 below attributable to the sublet space for the corresponding month; except that Tenant may recapture, in each case, prior to paying Landlord any amount of monies hereunder, any brokerage commissions paid by Tenant in connection with the subletting or assignment (not to exceed commissions typically paid in the market at the time of such subletting or assignment), any improvement allowance or cost of improvements paid by Tenant to the subtenant or assignee or in connection with the sublease or assignment, reasonable legal fees paid by Tenant in connection with such assignment or subletting, and Tenant's costs incurred in connection with the assignment or sublease, including for preparing the space for the subtenant's or assignee's occupancy (including the amounts paid by Tenant to Landlord as rental for the subject space for the period, if any, not to exceed thirty (30) days, commencing on the date the subject space was vacated by Tenant and ending on the date the assignee's or subtenant's rental obligation for the subject space commenced) (collectively the "**Assignment or Subletting Costs**"), provided that, as a condition to Tenant recapturing the Assignment or Subletting Costs, Tenant shall provide to Landlord, within ninety (90) days of Landlord's execution of Landlord's consent to the assignment or subletting, a detailed accounting of the Assignment or Subletting Costs and supporting documents, such as receipts and construction invoices. To effect the foregoing, Tenant shall deduct from the monthly amounts received by Tenant from the subtenant or assignee as rent or consideration (i) the Monthly Rent, Additional Rent and Parking Space Rental payable by Tenant to Landlord for the subject space and (ii) the amount of the Assignment or Subletting Costs, and fifty percent (50%) of the then remaining sum, if any, shall be paid promptly to Landlord. Tenant shall deliver to Landlord within sixty (60) days after the end of each calendar year and within sixty (60) days after the expiration or earlier termination of this Lease a statement specifying each sublease in effect during such calendar year or partial calendar year, the rentable area demised thereby, the term thereof and a computation in reasonable detail showing the calculation of the Assignment or Subletting Costs, the amounts paid and payable by the subtenant to Tenant, and by Tenant to Landlord, with respect to such sublease for the period covered by such statement, together with supporting documents, such as receipts and construction invoices. Upon Landlord's request, Tenant shall assign to Landlord all amounts to be paid to Tenant by any such subtenant or assignee and that belong to Landlord and shall direct such subtenant or assignee to pay the same directly to Landlord. If there is more than one sublease under this Lease, the amounts (if any) to be paid by Tenant to Landlord pursuant to this Paragraph 13.c., shall be separately calculated for each sublease and amounts due Landlord with regard to any one sublease may not be offset against rental and other consideration pertaining to or due under any other sublease. Upon Landlord's request, Tenant shall provide Landlord with a detailed written statement of all sums payable by the assignee or subtenant to Tenant so that Landlord can determine the total sums, if any, due from Tenant to Landlord under this Paragraph 13.c. A "**True Third Party Sublease**" shall mean a sublease to a third party other than (1) a Shared Space Arrangement (as defined below), (2) any sublease or license to any third party using space for providing live entertainment or similar public event at the Premises (the "**Live Event Space**"), or subleases or licenses for retail, restaurant or similar uses on the ground floor of the Building (the "**Retail/Restaurant Space**") (subleases or licenses with respect to the Live Event Space or the Retail/Restaurant Space shall be referred to herein as a "**Live Event/Retail Sublease**"), and (3) subleases or licenses with Affiliates (as defined below).

d. Procedures. If Tenant desires to assign this Lease or any interest therein (other than to an Affiliate) or sublet all or part of the Premises to an entity other than an Affiliate, a Live Event/Retail Sublease or a Shared Space Arrangement, Tenant shall give Landlord written notice thereof and the terms proposed (the "**Sublease Notice**"), which Sublease Notice shall be accompanied by Tenant's proposed assignment or sublease agreement (in which the proposed assignee or subtenant shall be named, shall be executed by Tenant and the proposed assignee or subtenant, and which agreement shall otherwise meet the requirements of Paragraph 13.e. below), together with (for an assignment or for a sublease in excess of 5,000 rentable square feet) a current financial statement of such proposed assignee or subtenant and any other information reasonably requested by Landlord. Landlord shall have no liability for any real estate brokerage commission(s) or with respect to any of the costs and expenses that Tenant may have incurred in connection with its proposed assignment or subletting, and Tenant agrees to indemnify, defend and hold Landlord and all other Indemnitees harmless from and against any and all Claims (as defined in Paragraph 14.b. below), including, without limitation, claims for commissions, arising from such proposed assignment or subletting. Landlord's foregoing rights and options shall continue throughout the entire term of this Lease.

e. Documentation.

i. Assignments and True Third Party Sublease. No permitted assignment or subletting by Tenant (other than those involving Affiliates or a Live Event/Retail Sublease or a Shared Space Arrangement) shall be effective until there has been delivered to Landlord a fully executed counterpart of the assignment, sublease, license or other space sharing arrangement which expressly provides that (i) the assignee or subtenant may not further assign this Lease or the sublease, as applicable, or sublet the Premises or any portion thereof, without Landlord's prior written consent (which, in the case of a further assignment proposed by an assignee of this Lease, shall not be unreasonably withheld, subject to Landlord's rights under the provisions of this Paragraph 13, and in the case of a subtenant's assignment of its sublease or further subletting of its subleased premises or any portion thereof, may be withheld in Landlord's sole and absolute discretion), (ii) the assignee, subtenant or licensee, as the case may be, will comply with all of the provisions of this Lease (in the case of a sublease, to the extent applicable to the subleased premises), and Landlord may enforce the Lease provisions directly against such assignee, subtenant or licensee, as the case may be, (iii) in the case of an assignment, the assignee assumes all of Tenant's obligations under this Lease arising on or after the date of the assignment, and (iv) in the case of a sublease, the subtenant agrees to be and remain jointly and severally liable with Tenant for the payment of rent pertaining to the sublet space in the amount set forth in the sublease, and for the performance of all of the terms and provisions of this Lease applicable to the sublet space. In addition to the foregoing, no assignment or sublease by Tenant shall be effective until there has been delivered to Landlord, to the extent Landlord's approval is required under this Lease, a fully executed counterpart of Landlord's commercially reasonable consent to assignment or consent to sublease form (which consent to sublease shall not modify the terms of this Lease, or require Tenant to assume any additional liability or obligations not set forth in this Lease). The failure or refusal of a subtenant or assignee to execute any such commercially reasonable instrument shall not release or discharge the subtenant or assignee from its liability as set forth

above. Notwithstanding the foregoing, however, no subtenant or assignee shall be permitted to occupy the Premises or any portion thereof unless and until such subtenant or assignee provides Landlord with certificates evidencing that such subtenant or assignee is carrying all insurance coverage required of such subtenant or assignee under this Lease.

ii. Live Event/Retail Sublease and Shared Space Arrangements. No Live Event/Retail Sublease or a Shared Space Arrangement shall be effective until there has been delivered to Landlord (1) in the case of a Live Event/Retail Sublease, no later than five (5) days prior or (2) in the case of a Shared Space Arrangement, no later than five (5) days after, the applicable subtenant or licensee commencing any activities at the Premises (A) a fully executed counterpart of the assignment, sublease, license or other space sharing arrangement, and (B) certificates evidencing that such assignee, subtenant or licensee, as the case may be, is carrying commercially reasonable liability and property insurance naming Landlord and any parties designated by Landlord as additional insureds. Any such Live Event/Retail Sublease or a Shared Space Arrangement shall be expressly subject to all of the terms, covenants, conditions and obligations on Tenant's part to be observed and performed under this Lease, including provisions providing that (i) such occupant agrees that Landlord and the Landlord Indemnities shall not be liable to such occupant for any loss, injury or other damage to person or property in or about the subject space from any cause whatsoever (except to the extent of any loss, injury or damage resulting directly from Landlord's gross negligence or willful misconduct), (ii) such occupant acknowledges that under no circumstance shall Landlord or the Landlord Indemnities be liable for any consequential or remote damages or lost profits or loss of business, and (ii) such occupant shall indemnify Landlord and the Landlord Indemnities from all Claims to the extent arising from the acts or omissions of Occupant, Occupant's employees, agents, contractors, licensees, subtenants, customers, guests or invitees in or about the Premises (except to the extent of any Claims directly from Landlord's negligence or willful misconduct). Any violation of any provision of this Lease under any Live Event/Retail Sublease or a Shared Space Arrangement shall be deemed to be a default by Tenant under such provision of this Lease, and the party to such Live Event/Retail Sublease or Shared Space Arrangement shall have no recourse against Landlord whatsoever on account of any failure by Landlord to perform any of its obligation under the Lease or on account of any other matter. Tenant's indemnification of Landlord as provided in Paragraph 14.b., below, shall apply to any Claims arising by virtue of any Live Event/Retail Sublease or a Shared Space Arrangement. Any such Live Event/Retail Sublease or Shared Space Arrangement shall terminate upon the termination of this Lease.

f. No Merger. Without limiting any of the provisions of this Paragraph 13, if Tenant has entered into any subleases of any portion of the Premises, the voluntary or other surrender of this Lease by Tenant, or a mutual cancellation by Landlord and Tenant, shall not work as a merger, and shall, at the option of Landlord, terminate all or any existing subleases or subtenancies or, at the option of Landlord, operate as an assignment to Landlord of any or all such subleases or subtenancies. If Landlord does elect that such surrender or cancellation operate as an assignment of such subleases or subtenancies, Landlord shall in no way be liable for any previous act or omission by Tenant under the subleases or for the return of any deposit(s) under the subleases that have not been actually delivered to Landlord, nor shall Landlord be bound by any sublease modification(s) executed without Landlord's consent or for any advance rental payment by the subtenant in excess of one month's rent.

g. Special Transfer Prohibitions. Notwithstanding anything set forth above to the contrary, Tenant may not (a) sublet the Premises or assign this Lease to any person or entity in which Landlord owns an interest, directly or indirectly (by applying constructive ownership rules set forth in Section 856(d)(5) of the Internal Revenue Code (the "**Code**"); or (b) sublet the Premises or assign this Lease in any other manner which could cause any portion of the amounts received by Landlord pursuant to this Lease or any sublease to fail to qualify as "rents from real property" within the meaning of Section 856(d) of the Code, or which could cause any other income received by Landlord to fail to qualify as income described in Section 856(c)(2) of the Code.

h. Permitted Transfers.

i. Notwithstanding the foregoing, Tenant may assign this Lease without Landlord's consent, to (i) any partnership, corporation or other entity which controls, is controlled by, or is under common control with Tenant or Tenant's parent (control being defined as in California General Corporations Code Sections 160 and 5045), including a change of Control of Tenant or of Tenant's parent, (ii) to any partnership, corporation or other entity resulting from a merger or consolidation with Tenant or Tenant's parent, or (iii) to any person or entity which acquires all or substantially all the assets of Tenant as a going concern (including by means of a purchase of all or substantially all of Tenant's stock) (any such entity, an "**Affiliate**"), provided that (1) Landlord receives at least ten (10) days' prior written notice of any such assignment (unless pursuant to applicable law, such advance notice is not permitted, in which event Tenant shall provide notice as promptly as is practicable under the circumstances), together with reasonably satisfactory evidence that the requirements of this Paragraph 13.h. have been met, (2) the Affiliate's net worth is not less than Tenant's net worth as of the date immediately prior to the assignment or subletting (or series of transactions of which the same is a part), (3) if applicable, the Affiliate assumes in writing all of Tenant's obligations under this Lease, (4) Landlord receives a fully executed copy of an assignment agreement between Tenant and the Affiliate, and (5) in the case of an assignment by means of a purchase of all or substantially all of Tenant's stock, the essential purpose of such assignment is to transfer an active, ongoing business with material assets in addition to this Lease, and (6) the transaction is for legitimate business purposes unrelated to this Lease and the transaction is not a subterfuge by Tenant to avoid it obligations under this Lease or the restrictions on assignment and subletting contained herein. Notwithstanding the foregoing, in the event that any Affiliate does not meet the net worth requirement set forth in clause (2) above, then such net worth requirement may be satisfied by another entity (including Tenant) that does meet such net worth requirement executing a guaranty of the Affiliates obligations under this Lease (provided such guarantor entity intends to remain an active, ongoing business with material direct or indirect assets during the remaining term of this Lease). For purposes of this Paragraph 13.h.i., a sublease of the entire Premises to an Affiliate shall constitute an assignment hereunder requiring compliance with the terms of this Paragraph 13.h.i.

ii. Notwithstanding the foregoing, Landlord acknowledges that Tenant may, from time to time, sublease or otherwise allow the use or occupancy of the Premises or any portion thereof, without Landlord's consent, to one or more Affiliates and such arrangements may not be formalized in writing. Any such sublease (whether or not formalized in writing) to an Affiliate shall not require Landlord's consent, but shall be subject to the

following requirements: (1) Tenant shall keep Landlord reasonably informed of the Affiliates operating in the Premises from time to time and shall ensure that any such Affiliates are carrying liability and property insurance as required by the terms of this Lease (which may be under the same insurance as Tenant's); (2) no such occupancy or use of the Premises by Affiliates shall alter or modify the Tenant entity under this Lease or the liability of Tenant for any breach of this Lease (including, without limitation, any breach of this Lease due to the acts or omissions of any such Affiliate); (3) the acts or omissions of such Affiliates shall be attributed to Tenant for all purposes under this Lease as if Tenant were the one that committed such acts or omissions (including, without limitation, as respects indemnity obligations hereunder and failure to comply with terms and conditions of this Lease); (4) Tenant's indemnity of Landlord as set forth in Paragraph 14.b, below, shall apply to any "Claims", as defined therein, arising from the use of the Premises by any such Affiliate, and such Claims shall include any claim made against Landlord by any such affiliate resulting from liabilities expressly waived by Tenant pursuant to this Lease, including without limitation, as provided in Paragraph 14.a, below, and (5) no such Affiliate shall be deemed to be a third-party beneficiary or otherwise have any direct claim against Landlord for any breach of this Lease.

iii. Notwithstanding anything contained herein to the contrary, the provisions of Paragraphs 13.a., 13.b., 13.c., 13.d., and 13.e. shall not be applicable with respect to an assignment or sublease made pursuant to the provisions of this Paragraph 13.h., but any such assignment or sublease made pursuant to the provisions of this Paragraph 13.h. shall be subject to Paragraphs 13.f., 13.g., and 13.i. hereof.

i. Release on Certain Assignments. If Tenant makes an assignment of Tenant's entire interest in this Lease to an assignee other than an Affiliate that assumes all of Tenant's obligations under this Lease, which assignment is made in accordance with the terms of this Paragraph 13, and is approved by Landlord (if any is required) in accordance with the terms of this Paragraph 13, and Tenant provides to Landlord a written notice, certified as correct by the CFO of Tenant and equivalent officer of the assignee, that the assignee has (A) a long-term credit rating, as issued by Standard & Poor's, of not less than BBB or, as issued by Moody's, of not less than Baa2, and (B) has a tangible net worth of at least $250,000,000.00, as determined by generally accepted accounting principles, which notice shall additionally include reasonable evidence that the conditions listed in items (A) and (B), above, are correct, then, effective as of the effective date of such assignment, and provided that no Event of Default by Tenant then exists uncured, Tenant shall be relieved and released from any obligations under this Lease first arising after the date of such assignment (but Tenant shall remain liable for any obligations arising prior to the date of such assignment). If Tenant makes an assignment of Tenant's entire interest in this Lease to an assignee that is an Affiliate that assumes all of Tenant's obligations under this Lease, which assignment is made in accordance with the terms of this Paragraph 13, and Tenant either (i) provides to Landlord a written notice, certified as correct by the CFO of Tenant and equivalent officer of the assignee, that the Affiliate has a tangible net worth of at least $250,000,000.00, as determined by generally accepted accounting principles or (ii) provides a guaranty of the obligations of Tenant under this Lease from an entity that has a tangible net worth of at least $250,000,000.00, as determined by generally accepted accounting principles (which notice shall additionally include reasonable evidence that the conditions listed in items (i) or (ii), above, are correct), then, effective as of the effective date of such assignment, and provided that no Event of Default by Tenant then exists uncured, Tenant shall be relieved and released from any obligations under this Lease first arising after the date of such assignment (but Tenant shall remain liable for any obligations arising prior to the date of such assignment).

j. Shared Space Arrangement. Notwithstanding anything to the contrary in this Paragraph 13, Tenant may from time to time, without Landlord's consent but subject to Paragraph 13.e.ii. above, permit third parties (pursuant to a sublease, license or otherwise), with whom Tenant is working on particular projects or with whom Tenant or its affiliates has a business relationship (other than the particular sublease or license), to use a portion of the Premises and such use shall not be deemed to be a sublease so long as (i) no more than fifty thousand (50,000) of the rentable square footage of the Premises (exclusive of Live Event/Retail Subleases or Affiliates subleases, licenses or otherwise) is so used at any one time, and (ii) unless the Tenant has elected to manage the Premises pursuant to Paragraph 19.g below, in which case this Paragraph 13.j(iii) shall not apply, the use of the space is not a use which materially increases (a) the operating costs for the Building or (b) the burden on the Building services. Any such arrangement meeting the requirements of the foregoing sentence shall be referred to herein as a "**Shared Space Arrangement**". Notwithstanding anything in this Lease to the contrary, in determining the amount of subleased space used in accordance with this Paragraph13.j, any space occupied by any of Tenant's Affiliates or in connection Live Event/Retail Subleases shall not be included or counted towards such aggregate amount of space so used (i.e., shall not be included in the determination or calculation of the fifty thousand (50,000) of rentable square footage of the Premises per Paragraph 13.j(i) above). The rights set forth in this paragraph are personal to the Original Tenant and any Affiliate of Original Tenant. Tenant shall be fully responsible for the conduct of such parties within the Premises, and Tenant's indemnification obligations set forth in Paragraph 14 of this Lease shall apply with respect to the conduct of such parties. The provisions of Paragraph 13.c. above, shall not apply to any Shared Space Arrangement.

14. Indemnification.

a. Landlord and the holders of any Superior Interests (as defined in Paragraph 21 below) shall not be liable to Tenant and Tenant hereby waives all claims against such parties for any loss, injury or other damage to person or property in or about the Premises from any cause whatsoever, including without limitation, water leakage of any character from the roof, walls, basement, fire sprinklers, appliances, air conditioning, plumbing or other portion of the Premises, or gas, fire, explosion, falling plaster, steam, electricity, or any malfunction within the Premises, or acts of other tenants of the Building; provided, however, that, subject to Paragraph 16 below and to the provisions of Paragraph 28 below regarding exculpation of Landlord from Special Claims, the foregoing waiver shall be inapplicable to any loss, injury or damage resulting directly from Landlord's or such other parties' gross negligence or willful misconduct.

b. Tenant shall indemnify, defend and hold Landlord and the holders of any Superior Interest, and the constituent shareholders, partners or other owners thereof, and all of their agents, officers, directors, and employees (collectively with Landlord, the "**Landlord Indemnitees**") harmless from and indemnify the Landlord Indemnitees against any and all claims, liabilities, damages, costs and expenses, including reasonable attorneys' fees and costs incurred in defending against the same (collectively, "**Claims**"), to the extent arising from (a) the acts or omissions of Tenant or any other Tenant Parties (as defined in Paragraph 8.d. above) in, on or about the Premises, or (b) any construction or other work undertaken by or on behalf of Tenant in, on or about the Premises, whether prior to or during the term of this Lease (other than

Landlord's Work), or (c) any breach or Event of Default under this Lease by Tenant, or (d) any accident, injury or damage, howsoever and by whomsoever caused, to any person or property, occurring in, on or about the Premises; except to the extent such Claims are caused by the negligence or willful misconduct of any Landlord Indemnitee or their authorized representatives. In case any action or proceeding be brought against any of the Indemnitees by reason of any such Claim, Tenant, upon notice from Landlord, covenants to resist and defend at Tenant's sole expense such action or proceeding by counsel reasonably satisfactory to Landlord. The provisions of this Paragraph 14.b. shall survive the expiration or earlier termination of this Lease with respect to any injury, illness, death or damage occurring prior to such expiration or termination. Tenant's indemnification obligations under this Paragraph 14.b. are subject to the provisions of Paragraph 16 below.

c. Landlord shall indemnify, defend and hold Tenant and the Tenant Parties harmless from and against any and all Claims incurred in connection with or arising from any injury, illness, or death to any person or damage to any property to the extent such injury, illness, death or damage shall be caused by the negligence or willful misconduct of Landlord or any Landlord Party (except to the extent caused by the negligence or willful misconduct of Tenant or any other Tenant Party). The provisions of this Paragraph 14.c. shall survive the termination of this Lease with respect to any Claim arising prior to such termination. In case any action or proceeding be brought against Tenant by reason of any such Claim, Landlord, upon notice from Tenant, covenants to resist and defend at Landlord's sole expense such action or proceeding by counsel reasonably satisfactory to Tenant. Notwithstanding anything to the contrary set forth in this Paragraph 14.c. or elsewhere in this Lease, in no event shall Landlord be liable for any consequential or remote damages, or for loss of or damage to artwork, currency, jewelry, bullion, securities or other property in the Premises, not in the nature of ordinary fixtures, furnishings, equipment and other property used in general business office activities and functions. Landlord's indemnification obligations under this Paragraph 14.c. are subject to the provisions of Paragraph 16 below.

15. Insurance.

a. Tenant's Insurance; Coverage Amounts. Tenant shall, at Tenant's expense, maintain during the term of this Lease (and, if Tenant occupies or conducts activities in or about the Premises prior to or after the term hereof, then also during such pre-term or post term period): (i) commercial general liability insurance including contractual liability coverage, with minimum coverages of Five Million Dollars ($5,000,000.00) per occurrence combined single limit for bodily injury and property damage, Five Million Dollars ($5,000,000.00) for products-completed operations coverage, One Hundred Thousand Dollars ($100,000.00) fire legal liability, Five Million Dollars ($5,000,000.00) for personal and advertising injury, with a Six Million Dollars ($6,000,000.00) general aggregate limit, for injuries to, or illness or death of, persons and damage to property occurring in or about the Premises or otherwise resulting from Tenant's operations in the Building, provided that the foregoing coverage amounts may be provided through any combination of primary and umbrella/excess coverage policies; (ii) property insurance protecting Tenant against loss or damage by fire and such other risks as are insurable under then-available standard forms of "special form" (previously known as "all risk") insurance policies (excluding earthquake and flood but including water damage and earthquake sprinkler leakage), covering Tenant's personal property and trade fixtures in or about

the Premises, and any above Building standard Alterations installed in the Premises by or at the request of Tenant (including those installed by Landlord at Tenant's request, whether prior or subsequent to the commencement of the Lease term), for the full replacement value thereof without deduction for depreciation; (iii) workers' compensation insurance in statutory limits; (iv) at least three months' coverage for loss of business income and continuing expenses, providing protection against any peril included within the classification "special form" insurance, excluding earthquake and flood but including water damage and earthquake sprinkler leakage; and (v) if Tenant operates owned, leased or non-owned vehicles on the Premises, comprehensive automobile liability insurance with a minimum coverage of Two Million Dollars ($2,000,000.00) per occurrence, combined single limit; provided that the foregoing coverage amount may be provided through any combination of primary and umbrella/excess coverage policies. The property insurance required to be maintained by Tenant pursuant to this Paragraph 15.a. shall not have deductibles exceeding One Hundred Thousand Dollars ($100,000). In no event shall any insurance maintained by Tenant hereunder or required to be maintained by Tenant hereunder be deemed to limit or satisfy Tenant's indemnification or other obligations or liability under this Lease. Landlord reserves the right to require that Tenant cause any of its subtenants, licensees, contractors, vendors, movers or other parties conducting activities in or about or occupying the Premises to obtain and maintain insurance as reasonably determined by Landlord and as to which Landlord and such other parties designated by Landlord shall be additional insureds. Landlord makes no representation that the limits of liability required hereunder from time to time shall be adequate to protect Tenant.

b. Landlord's Insurance.

i. Liability Insurance. Landlord shall maintain in full force and effect throughout the term of this Lease, commercial general liability insurance with regard to the Premises protecting and insuring Landlord and having a combined single limit of liability of not less than Ten Million Dollars ($10,000,000) for bodily injury, death and property damage liability, provided that the foregoing coverage amount may be provided through any combination of primary and umbrella/excess coverage policies. In no event shall any insurance maintained by Landlord hereunder or required to be maintained by Landlord hereunder be deemed to limit or satisfy Landlord's indemnification or other obligations or liability under this Lease.

ii. Special Form Property Insurance. Landlord shall procure and maintain in full force and effect throughout the term of this Lease, Special Form (previously known as "All-Risk") property insurance (excluding earthquake and flood), including loss of rents for a minimum period of one (1) year on a replacement cost basis, in an amount adequate to cover the full insurable replacement value of all of the buildings (including the Premises) and other insurable improvements in the Premises; provided, however, in no event shall such insurance cover Tenant's Property or trade fixtures in or about the Premises, or any improvements that are not Standard Improvements. At Landlord's option, earthquake, earth movement (sinkholes), and flood coverage may be included, which coverage may be provided with blanket policies that include sublimits and annual aggregate limits. The property insurance required to be maintained by Landlord pursuant to this Paragraph shall not have deductibles exceeding Two Hundred and Fifty Thousand Dollars ($250,000), except earthquake, earth movement and flood coverage, which deductibles shall be commercially reasonable and customary. Notwithstanding the foregoing, Tenant shall have the right, on not less than sixty (60) days prior notice to Landlord, to cause Landlord to procure and maintain earthquake insurance covering the Premises, in an amount reasonably requested by Tenant (and Tenant acknowledges that the cost thereof shall be payable by Tenant as an Operating Expense).

c. Policy Form. Each insurance policy required pursuant to Paragraph 15.a. or 15.b. above shall be issued by an insurance company authorized to do business in the State of California and with a general policyholders' rating of "**A-**" or better and a financial size ranking of "**Class VIII**" or higher in the most recent edition of Best's Insurance Guide. Tenant shall provide Landlord with not less than thirty (30) days' prior written notice if an insurance policy obtained by Tenant hereunder is materially changed, cancelled or will be allowed to lapse. Any deductibles shall be in commercially reasonable and customary amounts. The liability policies and any umbrella/excess coverage policies carried pursuant to clauses (i) and (v) of Paragraph 15.a. above shall (i) name or automatically add (by blanket additional insured endorsement) Landlord and all the other Indemnitees and any other parties designated by Landlord as additional insureds, (ii) provide that no act or omission of Tenant shall affect or limit the obligations of the insurer with respect to any other insured and (iii) provide that the policy and the coverage provided shall be primary, that Landlord, although an additional insured, shall nevertheless be entitled to recovery under such policy for any damage to Landlord or the other Indemnitees by reason of acts or omissions of Tenant, and that any coverage carried by Landlord shall be noncontributory with respect to policies carried by Tenant. The property insurance policies carried under item (ii) of Paragraphs 15.a. and 15.b. above shall include all waiver of subrogation rights endorsements necessary to effect the provisions of Paragraph 16 below. A certificate of each such insurance policy required of Tenant pursuant to this Paragraph 15 shall be delivered to Landlord by Tenant on or before the effective date of such policy and thereafter Tenant shall deliver to Landlord renewal policies or certificates at least ten (10) days prior to the expiration dates of expiring policies. If Tenant fails to procure such insurance or to deliver such policies or certificates, Landlord may, at its option, after not less than ten (10) days prior notice and opportunity to cure, procure the same for Tenant's account, and the cost thereof shall be paid to Landlord by Tenant upon demand.

d. No Implication. Nothing in this Paragraph 15 shall be construed as creating or implying the existence of (i) any ownership by Tenant of any fixtures, additions, Alterations, or improvements in or to the Premises or (ii) any right on Tenant's part to make any addition, Alteration or improvement in or to the Premises.

e. Increased Insurance. The liability insurance requirements under Paragraph 15 shall be reviewed by Landlord and Tenant every five (5) years for the purpose of mutually increasing (in consultation with their respective insurance advisors) the minimum limits of such insurance to limits which shall be reasonable and customary for similar facilities of like size and operation in accordance with generally accepted insurance industry standards. The replacement value of the buildings and other insurable improvements located on the Premises shall be re-evaluated every five (5) years at the request of either Landlord or Tenant.

16. Mutual Waiver of Subrogation Rights. Each party hereto hereby releases the other respective party and, in the case of Tenant as the releasing party, the other Indemnitees, and in the case of Landlord, the Tenant's agents, employees and Affiliates, and the respective partners, shareholders, agents, employees, officers, directors and authorized representatives of

such released party, from any claims such releasing party may have for damage to the Building, the Premises or any of such releasing party's fixtures, personal property, improvements and alterations in or about the Premises that is caused by or results from risks insured against under any "special form" insurance policies actually carried by such releasing party or deemed to be carried by such releasing party; provided, however, that such waiver shall be limited to the extent of the net insurance proceeds payable by the relevant insurance company with respect to such loss or damage (or in the case of deemed coverage, the net proceeds that would have been payable). For purposes of this Paragraph 16, Tenant and Landlord shall be deemed to be carrying any of the insurance policies required pursuant to Paragraph 15 but not actually carried by such party. Each party hereto shall cause each such fire and extended coverage insurance policy obtained by it to provide that the insurance company waives all rights of recovery by way of subrogation against the other respective party and the other released parties in connection with any matter covered by such policy.

17. Utilities/Services.

a. Basic Services. Landlord shall furnish the following utilities and services ("**Basic Services**") for the Premises: (i) electricity for Building standard lighting and power suitable for the use of the Premises for ordinary general office purposes, (ii) heat and air conditioning ("**HVAC**") from the HVAC units serving the Premises installed as part of Landlord's Work and described in Schedule 3 hereof, for a total of 2,900 hours per year, with the particular hours of such service on each day of the year being determined by Tenant on reasonable advance notice to Landlord (the "**Standard HVAC Hours**"), (iii) unheated water for the restroom(s) and kitchen areas in the Premises, (iv) elevator service to the floor(s) of the Premises by non-attended automatic elevators for general office pedestrian usage, and (v) on Business Days, janitorial services consistent with the Management Standard. Notwithstanding the foregoing, however, Tenant may use water, electric current, and janitorial service in excess of that provided in Basic Services ("**Excess Services,**" which shall include without limitation any power usage other than through existing standard 110-volt AC outlets; electricity in excess of the lesser of that described in clause (i) above or clause (ii) of Paragraph 17.c. below; electricity and/or water consumed by Tenant in connection with any dedicated or supplemental heating, ventilating and/or air conditioning, computer power, telecommunications and/or other special units or systems of Tenant; chilled, heated or condenser water; or water used for any purpose other than ordinary drinking and lavatory purposes), provided that the Excess Services desired by Tenant are reasonably available to Landlord and to the Premises, and provided further that Tenant complies with the procedures established by Landlord from time to time for requesting and paying for such Excess Services and with all other provisions of this Paragraph 17. Notwithstanding the above, (subject to any temporary shutdown for repairs, for security purposes, for compliance with any legal restrictions, or due to strikes, lockouts, labor disputes, fire or other casualty, acts of God, acts of terror, or other causes beyond the reasonable control of Landlord) (A) Tenant shall have access to the Premises 24 hours a day, each day of the Lease term, (B) the services described in (i), (iii) and (iv) above shall be provided to the Premises 24 hours a day, each day of the Lease term, and (C) subject to the above provisions of this Paragraph 17.a. regarding availability of Excess Services and Paragraph 17.b. below regarding Tenant's payment for Excess Services, the heat and air conditioning described in (ii) above shall be available to the Premises 24 hours a day, each day of the Lease term.

b. Payment for Utilities and Services. The cost of Basic Services shall be included in Operating Expenses. In addition, Tenant shall pay to Landlord upon demand (i) the cost, at Landlord's actual cost of providing the same, of any Excess Services used by Tenant and (ii) the cost of installing any equipment required in connection with any Excess Services requested by Tenant. Landlord's failure to bill Tenant for any of the foregoing shall not waive Landlord's right to bill Tenant for the same at a later time. As respects Excess Services for HVAC, if in any calendar year of the Term, Tenant uses HVAC service from any particular HVAC unit serving the Premises (not including package or supplemental units installed by Tenant) for a number of hours in excess of the Standard HVAC Hours (the "**Excess Use Hours**"), then Tenant shall pay to Landlord an amount equal the excess depreciation caused by the excess usage (without mark-up), calculated as set forth below. As of the date of this Lease based on the existing HVAC systems serving the Premises, such depreciation computation will be based on an expected useful service life of 15 years and a cost of $2,500 per ton as the installed equipment cost. As of the date hereof, the cost per Excess Use Hour payable by Tenant shall be as set forth on Schedule 3 attached hereto (and Tenant acknowledges that such amounts may change as and when particular HVAC units are required to be replaced). The such cost for Excess Use Hours is subject to change throughout the Lease term if there is any Capital Repairs/Replacements performed to an HVAC unit; provided, however, that such rates shall at all times reflect Landlord's reasonable calculation of the excess depreciation of the subject HVAC units caused by the excess usage and shall not include any mark up by Landlord. If the term of this Lease commences or ends on a day other than the first or last day of a calendar year, respectively, the Standard HVAC Hours applicable to the calendar year in which such term commences or ends shall be prorated according to the ratio which the number of days during the term of this Lease in such calendar year bears to three hundred sixty five (365). Following written request by Tenant from time to time but not more frequently than once each month, Landlord shall provide Tenant with a statement reasonably indicating the HVAC hours utilized by Tenant for its Premises as reflected by the meter.

c. Utility Connections. Tenant use of electricity at the Premises shall not exceed the capacity of the feeders or other aspects of the Building electrical system. Tenant will not conduct additional coring or channeling of the floor of the Premises in order to install new electric outlets in the Premises without the prior approval of Landlord, which approval shall not be unreasonably withheld. Tenant acknowledges that it shall be reasonable for Landlord to withhold its consent if Landlord reasonably determines that coring and/or channeling of the floor in order to install such additional outlets will weaken the structure of the floor.

d. HVAC System Design and Use. Tenant agrees that it shall design the Premises and use the Premises HVAC systems, and operate its business in the Premises, so as not to cause undue wear and tear on the HVAC systems. Landlord makes no representation to Tenant regarding the adequacy or fitness of the heating, air conditioning or ventilation equipment in the Building to maintain temperatures that may be required for, or because of, any computer or communications rooms, studio space, lighting, retail or restaurant use, machine rooms, conference rooms or other areas of high concentration of personnel or electrical usage, or any other uses other than or in excess of the fractional horsepower normally required for office equipment, or for any lack of performance of such HVAC systems due to Tenant's partitioning of the Premises, and Landlord shall have no liability for loss or damage suffered by Tenant or others in connection therewith.

e. Governmental Controls. In the event any governmental authority having jurisdiction over the Premises promulgates or revises any Legal Requirement relating to the use or conservation of energy or utilities or the reduction of automobile or other emissions (collectively, "**Controls**") or in the event Landlord is required to make alterations to the Premises in order to comply with such mandatory Controls, Landlord shall comply with such Controls and make such alterations to the Premises related thereto. Such compliance and the making of such alterations shall not constitute an eviction of Tenant, constructive or otherwise, or impose upon Landlord any liability whatsoever, including, but not limited to, liability for consequential damages or loss of business by Tenant.

f. Interruption of Services.

i. Landlord's obligation to provide utilities and services for the Premises are subject to applicable Legal Requirements (including the rules or actions of the public utility company furnishing the utility or service), and shutdowns for maintenance and repairs, for security purposes, or due to strikes, lockouts, labor disputes, fire or other casualty, acts of God, or other causes beyond the control of Landlord. In the event of an interruption in, or failure or inability to provide any service or utility for the Premises for any reason, such interruption, failure or inability shall not constitute an eviction of Tenant, constructive or otherwise, or impose upon Landlord any liability whatsoever, including, but not limited to, liability for consequential damages or loss of business by Tenant, or, except as expressly set forth in this Lease, entitle Tenant to any abatement or offset of Monthly Rent, Additional Rent or any other amounts due from Tenant under this Lease. Tenant hereby waives the provisions of California Civil Code Section 1932(1) or any other applicable existing or future Legal Requirement permitting the termination of this Lease due to such interruption, failure or inability.

ii. Notwithstanding the foregoing, if any interruption in, or failure or inability to provide any Basic Services is (i) within Landlord's reasonable control and continues for five (5) or more consecutive Business Days after Tenant's written notice thereof to Landlord, or (ii) outside of Landlord's reasonable control and continues for thirty (30) or more consecutive days after Tenant's written notice thereof to Landlord, and Tenant is unable to use and does not use a material portion of the Premises for Tenant's business purposes as a result thereof, then Tenant shall be entitled to an abatement of Monthly Rent under Paragraph 5 hereof and Additional Rent under Paragraph 7 hereof, which abatement shall commence as of the first day after the expiration of such five (5) Business Day or thirty (30) day period, as the case may be, and shall be based on the extent of Tenant's inability to use the Premises for Tenant's business. The abatement provisions set forth above shall be inapplicable to any interruption in, or failure or inability to provide any Basic Services that is caused by (x) damage by fire or other casualty or a taking (it being acknowledged that such situations shall be governed by Paragraphs 26 and 27, respectively), or (y) the negligence or willful misconduct of Tenant or any other Tenant Parties.

g. Property Management.

i. Landlord Provided Property Management. As of the date hereof, the Premises shall be operated and managed by Landlord in a manner consistent with the Management Standard. Such management and operation shall include, without limitation, the provision of all of the Basic Services as provided above, repair and maintenance of the Premises and Building, including all Building systems (other than the Tenant Installed Supplemental Building Systems and Tenant's Equipment), keeping all exterior areas in neat, clean and safe condition, and providing customary engineering services (collectively, the "**Property Management**"). So long as Landlord is providing the Property Management, Tenant shall have the right to request Landlord to modify the level of services being provided, including, without limitation, modifying janitorial or security services, and landscape maintenance services and Landlord and Tenant shall cooperate to mutually agree on such modified level of service so long as it is consistent with the Management Standard. The costs of the Property Management shall be included in Operating Expenses to the extent allowed pursuant to Paragraph 7 above. So long as Landlord is providing the Property Management, Landlord may include a management fee in Operating Expenses equal to the greater of (i) 3% of "gross revenues" of the Premises (i.e., all Monthly Rent, Parking Space Rental, and Additional Rent paid by Tenant to Landlord, but not including any utility charges), and (ii) $244,000.00 per year (the "**Full Management Fee**").

ii. Tenant Right to Partially Manage Property. At any time during the Term, Tenant shall have the right to elect, by giving not less than 120-days prior written notice to Landlord, to take over the provision of all Property Management duties, with the exception of (A) the provision of the engineering function, (B) the procurement and maintenance of Landlord's insurance for the Premises pursuant to Paragraph 15.b., (C) Landlord's payment of Tax Expenses (subject to reimbursement from Tenant as Additional Rent hereunder), and (D) maintenance and repair of the Base Building and, except as otherwise required pursuant to Paragraph 8.b.i. above, causing the Base Building to comply with Legal Requirements to the extent necessary for Tenant to occupy the Premises (collectively, the "**Landlord Retained Responsibilities**"). If Tenant makes such election, then on a date mutually and reasonably agreed upon by Landlord and Tenant, Landlord shall cease providing the Property Management duties (other than the Landlord Retained Responsibilities), and Tenant will commence to do so (the "**Management Turn Over Date**"). Following the Management Turn Over Date, Tenant will be responsible to provide the Basic Services and other Property Management duties and obligations (other than the Landlord Retained Responsibilities), at Tenant's sole cost and expense, and the costs thereof shall no longer be included in Operating Expenses. Without limiting the generality of the foregoing, Tenant's obligations after the Management Turn Over Date shall specifically include elevator maintenance and repair. Landlord and Tenant shall reasonably cooperate to assign service contracts and guaranties related to the Property Management duties to Tenant (including Tenant contracting directly with the applicable utility companies for the provision of electrical, gas, and water service to the Premises) in an efficient manner without causing any interruption in the services provided to the Premises and without incurring any termination fees or other expenses related to such turn-over of responsibilities. Following the Management Turn Over Date, the Management Fee shall be reduced to equal the greater of (i) 1.5% of "gross revenues" of the Premises, and (ii) $122,000.00 per year (the "**Partial Management Fee**") Whichever of the Full Management Fee or the Partial Management Fee is applicable, shall be the "Property Management Fee" per Section 7.a.i).

iii. Landlord's On-Site Personnel. Tenant shall provide Landlord, free of cost, with reasonable space within the Building for Landlord's (or its applicable vendor's) property management personnel and engineers (which space shall be commensurate with the level of service being provided by Landlord under this Lease). Any such space shall be deemed to be occupied by Tenant.

iv. Definitions.

(A) As used herein, the "**Base Building**" shall mean the (1) structural portions of the Building and the Parking Structure (including exterior walls, roof structure, foundation and core of the Building) and (2) the mechanical, electrical, life safety, plumbing, sprinkler systems and HVAC systems of the Building other than the Tenant Installed Supplemental Building Systems and Tenant's Equipment.

(B) As used herein, the "**Management Standard**" shall mean that the applicable party shall manage and operate the Premises and perform its duties under this Lease in a manner consistent with the standards followed by other first-class institutional owners and management companies of first-class office buildings of comparable quality in the downtown Los Angeles area.

18. Personal Property and Other Taxes. Tenant shall pay, at least ten (10) days before delinquency, any and all taxes, fees, charges or other governmental impositions levied or assessed against Landlord or Tenant (a) upon Tenant's equipment, furniture, fixtures, improvements and other personal property (including carpeting installed by Tenant) located in the Premises, (b) by virtue of any Alterations made by Tenant to the Premises, and (c) upon this transaction or any document to which Tenant is a party creating or transferring an interest or an estate in the Premises. If any such fee, charge or other governmental imposition is paid by Landlord, and is not included in Tax Expenses, Tenant shall reimburse Landlord for Landlord's payment within thirty (30) days following demand (accompanied by evidence of said fee, charge or other governmental imposition).

19. Rules and Regulations. Tenant shall comply with the rules and regulations set forth on Exhibit B attached hereto, as such rules and regulations may be reasonably modified or amended by Landlord from time to time (the "**Rules and Regulations**"). In the event of any conflict between the Rules and Regulations and the balance of this Lease, the balance of this Lease shall control.

20. Surrender; Holding Over.

a. Surrender. Upon the expiration or other termination of this Lease, Tenant shall surrender the Premises to Landlord vacant and broom-clean, with all improvements and Alterations (except as provided below) in their good condition, except for reasonable wear and tear, damage from casualty or condemnation and any changes resulting from approved Alterations; provided, however, that prior to the expiration or termination of this Lease Tenant shall remove from the Premises any Alterations that Tenant is required by Landlord to remove under the provisions of this Lease and all of Tenant's Property and trade fixtures. If such removal is not completed at the expiration or other termination of this Lease, Landlord may

remove the same at Tenant's expense. Any damage to the Premises or the Building caused by such removal shall be repaired promptly by Tenant (including the patching or repairing of damage to ceilings and walls, but Tenant shall not be required to re-paint, touch-up paint, fill minor nail holes, etc.) or, if Tenant fails to do so, Landlord may do so at Tenant's expense. The removal of Alterations from the Premises shall be governed by Paragraph 9 above. Tenant's obligations under this paragraph shall survive the expiration or other termination of this Lease. Upon expiration or termination of this Lease or of Tenant's possession, Tenant shall surrender all keys to the Premises or any other part of the Building and shall make known to Landlord the combination of locks on all safes, cabinets and vaults that may be located in the Premises.

b. Holding Over. If Tenant remains in possession of the Premises after the expiration or earlier termination of this Lease with the express written consent of Landlord, Tenant's occupancy shall be a month-to-month tenancy at a rent agreed upon by Landlord and Tenant, but in no event less than the greater of (i) the Monthly Rent and Additional Rent payable under this Lease during the last full month prior to the date of the expiration of this Lease or (ii) the then fair market rental (as mutually agreed by Landlord and Tenant) for the Premises. Except as provided in the preceding sentence, the month-to-month tenancy shall be on the terms and conditions of this Lease, except that any renewal options, expansion options, rights of first refusal, rights of first negotiation or any other rights or options pertaining to additional space in the Building contained in this Lease shall be deemed to have terminated and shall be inapplicable thereto. Landlord's acceptance of rent after such holding over with Landlord's written consent shall not result in any other tenancy or in a renewal of the original term of this Lease. If Tenant remains in possession of the Premises after the expiration or earlier termination of this Lease without Landlord's consent (or Landlord and Tenant have not otherwise been able to agree on the Monthly Rent payable for such holdover period), Tenant's continued possession shall be on the basis of a tenancy at sufferance and Tenant shall pay as Monthly Rent during the holdover period an amount equal to the greater of (i) one hundred fifty percent (150%) of the fair market rental (as reasonably determined by Landlord) for the Premises or (ii) two hundred percent (200%) of the Monthly Rent and Additional Rent payable under this Lease for the last full month prior to the date of such expiration or termination. Except as specifically provided in this Paragraph 20, the holdover tenancy shall be on the terms and conditions of this Lease.

c. Indemnification. If Tenant holds over in the Premises for period in excess of ten (10) days without Landlord's consent, then Tenant shall indemnify, defend and hold Landlord harmless from and against all Claims incurred by or asserted against Landlord and arising directly or indirectly from Tenant's failure to timely surrender the Premises, including but not limited to (i) any rent payable by or any loss, cost, or damages, including lost profits, claimed by any prospective tenant of the Premises or any portion thereof, and (ii) Landlord's damages as a result of such prospective tenant rescinding or refusing to enter into the prospective lease of the Premises or any portion thereof by reason of such failure to timely surrender the Premises; provided, however, as a condition to Tenant's obligations under this Paragraph 20.c., Landlord shall give Tenant written notice of the existence of a prospective successor tenant for the Premises or any portion thereof, or the existence of any other matter which might give rise to a claim by Landlord under the foregoing indemnity, at least thirty (30) days prior to the date Landlord shall require Tenant's surrender of the Premises, and Tenant shall not be responsible to Landlord under the foregoing indemnity if Tenant shall surrender the Premises on or prior to the expiration of such thirty (30) day period (it being agreed, however, that Landlord need not identify the prospective tenant by name in its notice, and it being further agreed that such notice may be given prior to the scheduled expiration date of this Lease)..

21. Subordination and Attornment.

a. Subject to Paragraph 21.b. below, this Lease is expressly made subject and subordinate to any mortgage, deed of trust, ground lease, underlying lease or like encumbrance affecting any part of the Premises or any interest of Landlord therein which is now existing or hereafter executed or recorded, any present or future modification, amendment or supplement to any of the foregoing, and to any advances made thereunder (any of the foregoing being a "**Superior Interest**"). If the interest of Landlord in the Premises or the Building is transferred to any person ("**Purchaser**") pursuant to or in lieu of foreclosure or other proceedings for enforcement of any Superior Interest, Tenant shall immediately attorn to the Purchaser, and this Lease shall continue in full force and effect as a direct lease between the Purchaser and Tenant on the terms and conditions set forth herein, provided that Purchaser acquires and accepts the Premises or the Building subject to this Lease and recognizes Tenant's rights hereunder. Upon Purchaser's request, including any such request made by reason of the termination of this Lease as a result of such foreclosure or other proceedings, Tenant shall enter in to a new lease with Purchaser on the terms and conditions of this Lease applicable to the remainder of the term hereof. Notwithstanding the subordination of this Lease to Superior Interests as set forth above, the holder of any Superior Interest may at any time (including as part of foreclosure or other proceedings for enforcement of such Superior Interest), upon written notice to Tenant, elect to have this Lease be prior and superior to such Superior Interest.

b. Notwithstanding the foregoing terms of Paragraph 21.a., the subordination of this Lease to any future Superior Interest shall be subject to and conditioned upon Tenant obtaining a commercially reasonable subordination, non-disturbance and attornment agreement (an "**SNDA**") from the holder of such Superior Interest, that provides that so long as Tenant is not in default hereunder beyond any applicable notice and grace periods (i) this Lease will not be terminated or cut off nor shall Tenant's possession hereunder be disturbed by enforcement of any rights given to such Superior Interest pursuant to any such mortgage, deed of trust, ground lease, underlying lease or like encumbrance, (ii) such Superior Interest shall recognize Tenant as the tenant under this Lease, (iii) no default by Landlord under any Superior Interest shall affect Tenant's rights under this Lease, (iv) Tenant will not be named as a party in any foreclosure or other proceedings with respect to any such Superior Interest, unless specifically required to be so named by Legal Requirements, (v) Tenant shall attorn to the person who acquires Landlord's interest hereunder through any such Superior Interest and (vi) the holder of any such Superior Interest shall not be (A) liable for any act or omission of any prior landlord (including Landlord), (B) liable for the return of any security deposit not actually received by such successor-in-interest, (C) subject to any offsets or defenses that Tenant might have against any prior landlord (including Landlord), (D) bound by any payment of rent or additional rent made by Tenant to Landlord more than thirty (30) days in advance of the due date thereof, (E) bound by any amendment or modification of this Lease made without the written consent of the holder of such Superior Interest (to the extent such consent is required under the documents related to the subject Superior Interest), except to the extent any such amendment or modification is made pursuant to Tenant's express rights under this Lease (e.g., Tenant's right to extend the term of the Lease), or (F) bound to fund any portion of Landlord's Allowance with respect to the Premises or perform Landlord's Work. Tenant shall, within ten (10) days after Landlord's request, execute and deliver to Landlord an SNDA to a particular Superior Interest. Notwithstanding the foregoing, the failure of any such holder of a Superior Interest to execute and deliver such a non-disturbance agreement upon Landlord's request shall not constitute a default hereunder by Landlord, it being understood that Landlord's sole obligation is to request in good faith the execution and delivery of such agreement.

c. Landlord has caused any Superior Interest in effect as of the date of this Lease to provide an SNDA to Tenant concurrently with the full execution and delivery of this Lease.

22. Intentionally Omitted.

23. Entry by Landlord. Landlord may, at any and all reasonable times, and upon no less than forty-eight (48) hours' prior notice (provided that no advance notice need be given if an emergency (as determined by Landlord in its good faith judgment) necessitates an immediate entry or prior to entry to provide janitorial or security services), enter the Premises to (a) inspect the same and to determine whether Tenant is in compliance with its obligations hereunder, (b) show the Premises to prospective lenders, purchasers and, during the last 12 months of the Term, to prospective tenants, (c) post notices of nonresponsibility, and (d) make repairs or required alterations or improvements to the Building or any other portion of the Premises as required under this Lease. At Tenant's option, Tenant may require that an employee of Tenant accompany any such visitors (other than Landlord or Landlord's agents, employees or contractors). Tenant may from time to time upon thirty (30) days' advance written notice to Landlord designate, as secured areas of the Premises, areas where unusually confidential information is kept. Except in the case of emergency (as determined by Landlord in good faith), Landlord shall not enter such secured areas unless accompanied by a representative of Tenant. Tenant agrees to make such representative available to Landlord during Business Hours upon reasonable advance request (which may be oral) by Landlord. If Tenant shall fail to make such a representative available upon such request, Landlord may enter such secured areas without Tenant's representative. Landlord shall at all times be provided with a means of entry to the secured areas in the event of an emergency or Tenant's failure to provide a representative as aforesaid. Landlord shall not provide janitorial services to such secured areas unless requested by Tenant, in which case such services will be provided at the normal times janitorial service is supplied to other portions of the Premises. Tenant may elect that a representative accompany the provider of such janitorial services to the secured areas so long as the same does not require rescheduling of such services or hinder, interfere with or delay the performance of the same and is permitted under Landlord's applicable contracts with the provider of such janitorial services. In no event shall such entry or work entitle Tenant to an abatement of rent, constitute an eviction of Tenant, constructive or otherwise, or impose upon Landlord any liability whatsoever, including but not limited to liability for consequential damages or loss of business or profits by Tenant. Landlord shall at all times retain a key with which to unlock all of the doors in the Premises, except Tenant's vaults and safes. Landlord shall use good faith efforts to minimize interference with Tenant's use and occupancy of the Premises for the ordinary conduct of Tenant's business in connection with the exercise of Landlord's rights under this Paragraph. If an emergency necessitates immediate access to the Premises, Landlord may use whatever force is necessary to enter the Premises and any such entry to the Premises shall not constitute a forcible or unlawful entry into the Premises, a detainer of the Premises, or an eviction of Tenant from the Premises, or any portion thereof.

24. Intentionally Omitted.

25. Default and Remedies.

a. Events of Default. The occurrence of any of the following shall constitute an "**Event of Default**" by Tenant:

1. Tenant fails to pay when due Monthly Rent, Additional Rent, Parking Space Rental or any other rent due hereunder and such failure continues for five (5) Business days after written notice thereof from Landlord; or

2. Tenant abandons the Premises for fifteen (15) consecutive Business Days, which abandonment continues for fifteen (15) Business Days after written notice thereof from Landlord to Tenant; or

3. Tenant fails to deliver any estoppel certificate pursuant to Paragraph 29 below, subordination agreement pursuant to Paragraph 21 above, or document required pursuant to Paragraph 22 above, in each case within the applicable period set forth therein, and such failure is not cured within five (5) Business Days after written notice of failure is delivered to Tenant by Landlord; or

4. Intentionally Omitted;

5. Tenant assigns this Lease or subleases any portion of the Premises in violation of Paragraph 13 above; or

6. Tenant fails to comply with any other provision of this Lease in the manner and within the time required and such failure continues for thirty (30) days after written notice thereof from Landlord to Tenant; provided however, that if the nature of such default is such that the same cannot reasonably be cured within a thirty (30)-day period, Tenant shall not be deemed to be in default if it diligently commences such cure within such period and thereafter diligently proceeds to rectify and cure said default as soon as possible.

b. Remedies. Upon the occurrence of an Event of Default Landlord shall have the following remedies, which shall not be exclusive but shall be cumulative and shall be in addition to any other remedies now or hereafter allowed by law:

1. Landlord may terminate Tenant's right to possession of the Premises at any time by written notice to Tenant as allowed by Legal Requirements. Tenant expressly acknowledges that in the absence of such written notice from Landlord, no other act of Landlord, including, but not limited to, its re-entry into the Premises, its efforts to relet the Premises, its reletting of the Premises for Tenant's account, its storage of Tenant's personal property and trade fixtures, its acceptance of keys to the Premises from Tenant, its appointment of a receiver, or its exercise of any other rights and remedies under this Paragraph 25 or otherwise at law, shall constitute an acceptance of Tenant's surrender of the Premises or constitute a termination of this Lease or of Tenant's right to possession of the Premises.

Upon such termination in writing of Tenant's right to possession of the Premises, this Lease shall terminate and Landlord shall be entitled to recover damages from Tenant as provided in California Civil Code Section 1951.2 or any other applicable existing or future Legal Requirement providing for recovery of damages for such breach, including but not limited to the following:

(i) The reasonable cost of recovering the Premises; plus

(ii) The reasonable cost of removing Tenant's Alternations, trade fixtures and improvements to the extent that Tenant is required to remove same hereunder prior to the expiration of this Lease; plus

(iii) All unpaid rent due or earned hereunder prior to the date of termination, less the proceeds of any reletting or any rental received from subtenants prior to the date of termination applied as provided in Paragraph 25.b.2. below, together with interest at the Interest Rate, on such sums from the date such rent is due and payable until the date of the award of damages; plus

(iv) The amount by which the rent which would be payable by Tenant hereunder, including the Additional Rent under Paragraph 7 above and the Parking Space Rental specified in Paragraph 53 below, as reasonably estimated by Landlord, from the date of termination until the date of the award of damages, exceeds the amount of such rental loss as Tenant proves could have been reasonably avoided, together with interest at the Interest Rate on such sums from the date such rent is due and payable until the date of the award of damages; plus

(v) The amount by which the rent which would be payable by Tenant hereunder, including the Additional Rent under Paragraph 7 above and the Parking Space Rental specified in Paragraph 53 below, as reasonably estimated by Landlord, for the remainder of the then term, after the date of the award of damages exceeds the amount such rental loss as Tenant proves could have been reasonably avoided, discounted at the discount rate published by the Federal Reserve Bank of San Francisco for member banks at the time of the award plus one percent (1%); plus

(vi) Such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by Legal Requirements, including without limitation any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

2. Landlord has the remedy described in California Civil Code Section 1951.4 (a landlord may continue the lease in effect after the tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations), and may continue this Lease in full force and effect and may enforce all of its rights and remedies under this Lease, including, but not limited to, the right to recover rent as it becomes due.

During the continuance of an Event of Default, for so long as Landlord does not terminate Tenant's right to possession of the Premises and subject to Paragraph 13, entitled Assignment and Subletting, and the options granted to Landlord thereunder, Landlord shall not unreasonably withhold its consent to an assignment or sublease of Tenant's interest in the Premises or in this Lease.

3. Following the termination of this Lease as the result of an Event of Default, Landlord may, in compliance with Legal Requirements, enter the Premises and remove all Tenant's Property, Alterations and trade fixtures from the Premises and store them at Tenant's risk and expense. If Landlord removes such Personal Property from the Premises and stores it at Tenant's risk and expense, and if Tenant fails to pay the cost of such removal and storage after written demand therefor and/or to pay any rent then due, then after the property has been stored for a period of thirty (30) days or more Landlord may sell such property at public or private sale, in the manner and at such times and places as Landlord deems commercially reasonable following reasonable notice to Tenant of the time and place of such sale. The proceeds of any such sale shall be applied first to the payment of the expenses for removal and storage of the property, the preparation for and the conducting of such sale, and for reasonable attorneys' fees and other legal expenses incurred by Landlord in connection therewith, and the balance shall be applied as provided in Paragraph 25.b.2. above.

4. Following the termination of this Lease as the result of an Event of Default, Landlord may require Tenant to remove any and all Alterations from the Premises to the extent required under the terms of this Lease, or, if Tenant fails to do so within ten (10) days after Landlord's request, Landlord may do so at Tenant's expense.

5. Landlord may cure the Event of Default at Tenant's expense, it being understood that such performance shall not waive or cure the subject Event of Default. If Landlord pays any sum or incurs any expense in curing the Event of Default, Tenant shall reimburse Landlord upon demand for the amount of such payment or expense with interest at the Interest Rate from the date the sum is paid or the expense is incurred until Landlord is reimbursed by Tenant. Any amount due Landlord under this subsection shall constitute additional rent hereunder.

c. Waiver of Redemption. Tenant hereby waives, for itself and all persons claiming by and under Tenant, all rights and privileges which it might have under any present or future Legal Requirement to redeem the Premises or to continue this Lease after being dispossessed or ejected from the Premises.

d. Consequential Damages. Notwithstanding anything to the contrary set forth in this Paragraph 25 or elsewhere in this Lease, in no event shall Tenant be liable to Landlord for any consequential or remote damages, except for consequential damages expressly provided for in Paragraph 20.c. of this Lease with regard to Tenant's failure to timely surrender the Premises to Landlord as provided in such Paragraph 20.c. after expiration of the thirty (30) day grace period set forth therein, where such failure shall continue after the five (5) Business Day notice and cure period set forth in Paragraph 25.a.3. above. In no event shall lost rent or other damages of Landlord provided for in Paragraph 25.b. above be deemed consequential or remote damages.

26. Damage or Destruction.

a. Except as otherwise provided in this Paragraph 26, if all or a portion of the Premises necessary for Tenant's use and occupancy of the Premises (including the roof-top deck of the Building, the Parking Structure and the Paseo) shall be damaged by fire or other casualty and this Lease is not terminated as a result thereof, Landlord shall promptly rebuild and restore the same to the condition existing immediately prior to such fire or other casualty (**"Landlord's Restoration Work"**). The proceeds of the policies required to be obtained and maintained by Landlord pursuant to Paragraph 15 hereof shall, to the extent made available to Landlord, be used for the performance of such rebuilding and restoration work.

b. Within sixty (60) days after Landlord becomes aware of such damage, Landlord shall deliver to Tenant an estimate prepared by a reputable architect, contractor or engineer selected by Landlord setting forth such architect's, contractor's or engineer's estimate as to the time reasonably required to repair such damage in order to make the Premises (or such portion thereof) tenantable ("**Landlord's Damage Notice**"). If (i) Landlord's Restoration Work cannot, in the reasonable opinion of Landlord as set forth in Landlord's Damage Notice, be substantially completed within twelve (12) months after the date of such damage or (ii) Landlord's Restoration Work is not fully covered (other than deductible amounts) by the insurance carried (or required to be carried) by Landlord hereunder, and the shortfall is greater than $1,000,000.00 (the "**Required Landlord Contribution**"), then Landlord at its option exercised by written notice to Tenant within said sixty (60)-day period, may either (a) elect to repair the damage, in which event this Lease shall continue in full force and effect (unless terminated by Tenant in accordance with the provisions of subparagraph c. below), or (b) terminate this Lease as of the date specified by Landlord in the notice, which date shall be not less than thirty (30) days nor more than sixty (60) days after the date such notice is given, and this Lease shall terminate on the date specified in the notice. Notwithstanding the foregoing, Landlord's Restoration Work shall not include and Landlord shall not be obligated to repair or replace any of Tenant's movable furniture, equipment, trade fixtures and other personal property, nor any above Building standard Alterations that were installed in the Premises by or at the request of Tenant (including those installed by Landlord at Tenant's request, whether prior or subsequent to the commencement of the Lease term) and no damage to any of the foregoing shall entitle Tenant to any rent abatement, and Tenant shall, at Tenant's sole cost and expense, repair and replace such items. All such repair and replacement of above Building standard Alterations shall be constructed by Tenant in accordance with Paragraph 9 above regarding Alterations.

c. If Landlord has not terminated this Lease as provided above and Landlord's Restoration Work can, in the reasonable opinion of Landlord as set forth in Landlord's Damage Notice, be substantially completed within twelve (12) months after the date of such damage, Tenant shall not have the right to terminate this Lease. If such estimate is more than twelve (12) months from the date of such casualty, or if the damage occurs during the last twelve (12) months of the term of the Lease and Landlord's Restoration Work cannot, in the reasonable opinion of Landlord as set forth in Landlord's Damage Notice, be substantially completed within two (2) months after the date of such damage, Tenant by written notice to Landlord delivered within thirty (30) days after Tenant's receipt of Landlord's Damage Notice, may elect to terminate this Lease, in which event this Lease shall terminate on the thirtieth (30th) day after Tenant's termination notice as if such date were the Expiration Date set forth herein.

d. If, during the course of repair, it becomes reasonably apparent to Landlord that the time required to make the repairs is likely to materially exceed the estimate contained in Landlord's Damage Notice, or any previously estimated Additional Repair Period, Landlord shall promptly give Tenant written notice specifying Landlord's estimate of the number of additional days (the "**Additional Repair Period**") required to make such repairs beyond the original estimate. If the Additional Repair Period exceeds ninety (90) days (which ninety (90)-day period shall be extended by the length of any delay in the completion of the repairs caused by events not within Landlord's reasonable control or Tenant Restoration Delay (as defined below, provided that such extension shall not exceed 60 days unless caused by a Tenant Restoration Delay)), then Tenant may give notice to Landlord, within thirty (30) calendar days after Tenant receives notice of Landlord's revised estimate, terminating this Lease as of the date thirty (30) days after Tenant's notice. If Tenant does not give notice terminating the Lease within such period, Tenant shall not have any right to terminate this Lease by reason of such delay in completion of the repairs or any further delay in completion of the repairs. As used herein, "Tenant Restoration Delay" means any delay in completion of the repairs caused by Tenant, including, without limitation, any delay caused by Tenant's failure to respond to inquiries of Landlord regarding the repairs within a reasonable period of time, or caused by Tenant's failure to grant Tenant's approval of materials or finishes for the repairs within a reasonable period of time, or caused by any interference by Tenant, or Tenant's agents, employees or contractors with the performance of the repairs. After Landlord becomes aware of any occurrence that will, or is likely to, result in Tenant Restoration Delay, Landlord shall use good faith efforts to promptly (and in any case, within ten (10) days thereof) notify Tenant of such occurrence together with Landlord's then good faith estimate of the probable duration of the Tenant Restoration Delay.

e. If the fire or other casualty damages the Premises necessary for Tenant's use and occupancy of the Premises, and Tenant ceases to use any portion of the Premises as a result of such damage, then during the period the Premises or portion thereof are rendered unusable by such damage and repair, Tenant's Monthly Rent and Additional Rent shall be proportionately reduced based upon the extent to which the damage and repair prevents Tenant from conducting, and Tenant does not conduct, its business at the Premises (and, to the extent that Tenant is utilizing less than the full capacity of the Parking Structure as a result thereof, then the obligation to pay Parking Space Rental shall be proportionately reduced based upon the extent to which the damage and repair prevents Tenant from utilizing, and Tenant does not utilize, all of the parking spaces in the Parking Structure; provided, however, if the damage results from the negligence or willful misconduct of Tenant or any other Tenant Parties, then Tenant's Monthly Rent and Additional Rent and obligation to pay Parking Space Rental will not abate unless Tenant reimburses Landlord for the deductible required under Landlord's property damage/rental loss insurance.

f. In no event shall Tenant be entitled to any compensation or damages from Landlord for loss of use of the whole or any part of the Premises or for any inconvenience occasioned by any such destruction, rebuilding or restoration of the Premises, the Building or access thereto, except for the rent abatement expressly provided above. Tenant hereby waives California Civil Code Sections 1932(2) and 1933(4), providing for termination of hiring upon destruction of the thing hired and Sections 1941 and 1942, providing for repairs to and of premises.

27. Eminent Domain.

a. If all or any part of the Premises is taken by any public or quasi-public authority under the power of eminent domain, or any agreement in lieu thereof (a "**taking**"), this Lease shall terminate as to the portion of the Premises taken effective as of the date of taking. If only a portion of the Premises is taken, Landlord or Tenant may terminate this Lease as to the remainder of the Premises upon written notice to the other party within ninety (90) days after the taking; provided, however, that Tenant's right to terminate this Lease is conditioned upon the remaining portion of the Premises being of such size or configuration that such remaining portion of the Premises is unusable or uneconomical for Tenant's business. All Monthly Rent and Additional Rent shall be apportioned as of the date of such termination, or the date of such taking, whichever shall first occur. Landlord shall be entitled to all compensation, damages, income, rent awards and interest thereon whatsoever which may be paid or made in connection with any taking and Tenant shall have no claim against Landlord or any governmental authority for the value of any unexpired term of this Lease or of any of the improvements or Alterations in the Premises; provided, however, that the foregoing shall not prohibit Tenant from prosecuting a separate claim against the taking authority for an amount separately designated for Tenant's relocation expenses or the interruption of or damage to Tenant's business or as compensation for Tenant's personal property, trade fixtures, Alterations or other improvements paid for by Tenant so long as such claim is payable separately to Tenant.

In the event of a partial taking of the Premises which does not result in a termination of this Lease, the Monthly Rent and Additional Rent and Parking Space Rental under Paragraphs 5 and 7 and 53 hereunder shall be equitably reduced. If all or any material part of the Premises is taken, Landlord may terminate this Lease upon written notice to Tenant given within ninety (90) days after the date of taking.

b. Notwithstanding the foregoing, if all or any portion of the Premises is taken for a period of time of one (1) year or less ending prior to the end of the term of this Lease, this Lease shall remain in full force and effect and Tenant shall continue to pay all rent and to perform all of its obligations under this Lease; provided, however, that Tenant shall be entitled to all compensation, damages, income, rent awards and interest thereon that is paid or made in connection with such temporary taking of the Premises (or portion thereof), except that any such compensation in excess of the rent or other amounts payable to Landlord hereunder shall be promptly paid over to Landlord as received. Landlord and Tenant each hereby waive the provisions of California Code of Civil Procedure Section 1265.130 and any other applicable existing or future Legal Requirement providing for, or allowing either party to petition the courts of the State of California for, a termination of this Lease upon a partial taking of the Premises.

28. Landlord's Liability; Sale of Building. The term "**Landlord,**" as used in this Lease, shall mean only the owner or owners of the Premises at the time in question. Notwithstanding any other provision of this Lease, the liability of Landlord for its obligations under this Lease is limited solely to Landlord's interest in the Premises and the proceeds thereof, as the same may from time to time be encumbered, and no personal liability shall at any time be asserted or enforceable against any other assets of Landlord or against the constituent shareholders, partners, members, or other owners of Landlord, or the directors, officers, employees and agents of Landlord or such constituent shareholder, partner, member or other

owner, on account of any of Landlord's obligations or actions under this Lease. In addition, in the event of any conveyance of title to the Premises, then provided the grantee or transferee has assumed Landlord's obligations to be performed under this Lease from and after the date of such conveyance, the grantor or transferor shall be relieved of all liability with respect to Landlord's obligations to be performed under this Lease first accruing after the date of such conveyance. Upon any conveyance of title to the Premises, the grantee or transferee shall be deemed to have assumed Landlord's obligations to be performed under this Lease from and after the date of such conveyance, subject to the limitations on liability set forth above in this Paragraph 28. If Tenant provides Landlord with any security for Tenant's performance of its obligations hereunder, Landlord shall transfer such security to the grantee or transferee of Landlord's interest in the Premises, and upon such transfer and such grantees' or transferee's assumption of same Landlord shall be released from any further responsibility or liability for such security. Notwithstanding any other provision of this Lease, but not in limitation of the provisions of Paragraph 14.a. above, Landlord shall not be liable for any consequential damages or interruption or loss of business, income or profits, or claims of constructive eviction, nor shall Landlord be liable for loss of or damage to artwork, currency, jewelry, bullion, unique or valuable documents, securities or other valuables, or for other property not in the nature of ordinary fixtures, furnishings and equipment used in general administrative and executive office activities and functions (all of the foregoing, collectively, "**Special Claims**"). Wherever in this Lease Tenant (a) releases Landlord from any claim or liability, (b) waives or limits any right of Tenant to assert any claim against Landlord or to seek recourse against any property of Landlord or (c) agrees to indemnify Landlord against any matters, the relevant release, waiver, limitation or indemnity shall run in favor of and apply to Landlord, the constituent shareholders, partners, members, or other owners of Landlord, and the directors, officers, employees and agents of Landlord and each such constituent shareholder, partner, member or other owner.

29. Estoppel Certificates. At any time and from time to time, upon not less than ten (10) Business Days' prior notice from Landlord or Tenant, the other party shall execute, acknowledge and deliver to the requesting party a statement certifying the commencement date of this Lease, stating that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and the date and nature of each such modification), that such party is not in default under this Lease (or, if such party is in default, specifying the nature of such default), that, to the best of the responding party's knowledge, the requesting party is not in default under this Lease (or if the requesting party is in default, specifying the nature of the default of which the responding party is aware), the current amounts of and the dates to which the Monthly Rent, Additional Rent and Parking Space Rental has been paid, and setting forth such other matters as may be reasonably requested by the requesting party. Any such statement may be conclusively relied upon by a prospective purchaser of the Premises or by a lender obtaining a lien on the Premises as security, or by an assignee or subtenant of Tenant.

30. Right of Landlord to Perform. If Tenant fails to make any payment required hereunder (other than Monthly Rent, Additional Rent and/or Parking Space Rental) or fails to perform any other of its obligations hereunder, Landlord may, after not less than ten (10) Business Days prior notice to Tenant, but shall not be obliged to, and without waiving any default of Tenant or releasing Tenant from any obligations to Landlord hereunder, make any such payment or perform any other such obligation on Tenant's behalf. Tenant shall pay to

Landlord, within thirty (30) days of Landlord's written demand therefor, one hundred ten percent (110%) of all sums so paid by Landlord and all necessary incidental costs incurred by Landlord in connection with the performance by Landlord of an obligation of Tenant. If such sum is not paid by Tenant within the required thirty (30)-day period, interest shall accrue on such sum at the Interest Rate from the end of such thirty (30)-day period until paid by Tenant. Further, Tenant's failure to make such payment within such thirty (30)-day period shall entitle Landlord to the same rights and remedies provided Landlord in the event of non-payment of rent.

31. Late Charge; Late Payments. Tenant acknowledges that late payment of any installment of Monthly Rent, Additional Rent, Parking Space Rental or any other amount required under this Lease will cause Landlord to incur costs not contemplated by this Lease and that the exact amount of such costs would be extremely difficult and impracticable to fix. Such costs include, without limitation, processing and accounting charges, late charges that may be imposed on Landlord by the terms of any encumbrance or note secured by the Premises and the loss of the use of the delinquent funds. Therefore, if any installment of Monthly Rent, Additional Rent, Parking Space Rental or any other amount due from Tenant is not received when due, Tenant shall pay to Landlord on demand, on account of the delinquent payment, an additional sum equal to the greater of (i) five percent (5%) of the overdue amount, or (ii) One Hundred Dollars ($100.00), which additional sum represents a fair and reasonable estimate of the costs that Landlord will incur by reason of late payment by Tenant, provided, however, Tenant shall not be required to pay said late charge on the first late payment in any period of twelve (12) consecutive months, unless such payment remains unpaid for five (5) Business Days after written notice to Tenant. Acceptance of any late charge shall not constitute a waiver of Tenant's default with respect to the overdue amount, nor prevent Landlord from exercising its right to collect interest as provided above, rent, or any other damages, or from exercising any of the other rights and remedies available to Landlord.

32. Attorneys' Fees; Waiver of Jury Trial. In the event of any action or proceeding between Landlord and Tenant (including an action or proceeding between Landlord and the trustee or debtor in possession while Tenant is a debtor in a proceeding under any bankruptcy law) to enforce any provision of this Lease, the losing party shall pay to the prevailing party all costs and expenses, including, without limitation, reasonable attorneys' fees and expenses, incurred in such action and in any appeal in connection therewith by such prevailing party. The "**prevailing party**" will be determined by the court before whom the action was brought based upon an assessment of which party's major arguments or positions taken in the suit or proceeding could fairly be said to have prevailed over the other party's major arguments or positions on major disputed issues in the court's decision. Notwithstanding the foregoing, however, Landlord shall be deemed the prevailing party in any unlawful detainer or other action or proceeding instituted by Landlord based upon any default or alleged default of Tenant hereunder if (i) judgment is entered in favor of Landlord, or (ii) prior to trial or judgment Tenant pays all or any portion of the rent claimed by Landlord, vacates the Premises, or otherwise cures the default claimed by Landlord.

IF ANY ACTION OR PROCEEDING BETWEEN LANDLORD AND TENANT TO ENFORCE THE PROVISIONS OF THIS LEASE (INCLUDING AN ACTION OR PROCEEDING BETWEEN LANDLORD AND THE TRUSTEE OR DEBTOR IN POSSESSION WHILE TENANT IS A DEBTOR IN A PROCEEDING UNDER ANY BANKRUPTCY LAW) PROCEEDS TO TRIAL, TO THE FULLEST EXTENT PERMITTED BY LEGAL REQUIREMENTS, LANDLORD AND TENANT HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY IN SUCH TRIAL. Landlord and Tenant agree that this paragraph constitutes a written consent to waiver of trial by jury within the meaning of California Code of Civil Procedure Section 631(d)(2), and each party does hereby authorize and empower the other party to file this paragraph and/or this Lease, as required, with the clerk or judge of any court of competent jurisdiction as a written consent to waiver of jury trial.

33. Waiver. No provisions of this Lease shall be deemed waived by Landlord or Tenant unless such waiver is in a writing signed by waiving party. The waiver by Landlord or Tenant of any breach of any provision of this Lease shall not be deemed a waiver of any subsequent breach of the same or any other provision of this Lease. No delay or omission in the exercise of any right or remedy of Landlord or Tenant upon any default by the other shall impair such right or remedy or be construed as a waiver. Landlord's acceptance of any payments of rent due under this Lease shall not be deemed a waiver of any default by Tenant under this Lease (including Tenant's recurrent failure to timely pay rent) other than Tenant's nonpayment of the accepted sums, and no endorsement or statement on any check or accompanying any check or payment shall be deemed an accord and satisfaction. Landlord's consent to or approval of any act by Tenant requiring Landlord's consent or approval shall not be deemed to waive or render unnecessary Landlord's consent to or approval of any subsequent act by Tenant.

34. Notices. All notices and demands which may or are required to be given by either party to the other hereunder shall be in writing. All notices and demands by Landlord to Tenant shall be delivered personally or sent by United States mail, postage prepaid, or by any reputable overnight or same-day courier, addressed to Tenant at the Premises, or to such other place as Tenant may from time to time designate by notice to Landlord hereunder; provided, however, that prior to the Commencement Date, notices to Tenant shall be addressed to Tenant at 1633 Broadway, New York, NY 10019, Attn: General Counsel, with a copy to Allen Matkins Leck Gamble Mallory & Natsis, LLP, 1901 Avenue of the Stars, Suite 1800, Los Angeles, California 90067, Attn: Eric J. Shelby, Esq. All notices and demands by Tenant to Landlord shall be sent by United States mail, postage prepaid, or by any reputable overnight or same-day courier, addressed to Landlord in care of Shorenstein Properties LLC, 235 Montgomery Street, 16th floor, San Francisco, California 94104, Attn: Corporate Secretary, with a copy to the management office of the Building, or to such other place as Landlord may from time to time designate by notice to Tenant hereunder. Notices delivered personally or sent same-day courier, and actually delivered prior to 6:00 p.m., will be effective immediately upon delivery to the addressee at the designated address; notices sent by overnight courier will be effective one (1) Business Day after acceptance by the service for delivery; notices sent by mail will be effective two (2) Business Days after mailing. In the event Tenant requests multiple notices hereunder, Tenant will be bound by such notice from the earlier of the effective times of the multiple notices.

35. Notice of Surrender. At least ninety (90) days before the last day of the term hereof, Tenant shall endeavor to give Landlord a written notice of intention to surrender the Premises on that date, but neither this paragraph nor any failure by Landlord to protest the lack of such notice by Tenant shall be construed as an extension of the term or as a consent by Landlord to any holding over by Tenant, nor shall such failure be deemed a default by Tenant hereunder, or subject Tenant to any liability whatsoever.

36. Defined Terms and Marginal Headings. When required by the context of this Lease, the singular includes the plural. If more than one person or entity signs this Lease as Tenant, the obligations hereunder imposed upon Tenant shall be joint and several, and the act of, written notice to or from, refund to, or signature of, any Tenant signatory to this Lease (including, without limitation, modifications of this Lease made by fewer than all such Tenant signatories) shall bind every other Tenant signatory as though every other Tenant signatory had so acted, or received or given the written notice or refund, or signed. The headings and titles to the paragraphs of this Lease are for convenience only and are not to be used to interpret or construe this Lease. Wherever the term "including" or "includes" is used in this Lease it shall be construed as if followed by the phrase "without limitation." Whenever in this Lease a right, option or privilege of Tenant is conditioned upon Tenant (or any affiliate thereof or successor thereto) being in "occupancy" of a specified portion or percentage of the Premises, for such purposes "**occupancy**" shall mean Tenant's (or such affiliate's or successor's) physical occupancy of the space for the conduct of such party's business, and shall not include any space that is subject to a sublease (provided that space encumbered by a Live Event/Retail Sublease or a Shared Space Arrangement shall be deemed to be occupied by Tenant) or that has been vacated by such party, other than a vacation of the space as reasonably necessary in connection with the performance of approved Alterations or by reason of a fire or other casualty or a taking. The language in all parts of this Lease shall in all cases be construed as a whole and in accordance with its fair meaning and not construed for or against any party simply because one party was the drafter thereof.

37. Time and Applicable Law. Time is of the essence of this Lease and of each and all of its provisions, except as to the conditions relating to the delivery of possession of the Premises to Tenant. This Lease shall be governed by and construed in accordance with the laws of the State of California, and the venue of any action or proceeding under this Lease shall be the City and County of Los Angeles, California.

38. Successors. Subject to the provisions of Paragraphs 13 and 28 above, the covenants and conditions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, executors, administrators and assigns.

39. Entire Agreement; Modifications. This Lease (including any exhibit, rider or attachment hereto) constitutes the entire agreement between Landlord and Tenant with respect to Tenant's lease of the Premises. No provision of this Lease may be amended or otherwise modified except by an agreement in writing signed by the parties hereto. Neither Landlord nor Landlord's agents have made any representations or warranties with respect to the Premises, the Building, the Premises or this Lease except as expressly set forth herein, including without limitation any representations or warranties as to the suitability or fitness of the Premises for the

conduct of Tenant's business or for any other purpose, nor has Landlord or its agents agreed to undertake any alterations or construct any improvements to the Premises except those, if any, expressly provided in this Lease, and no rights, easements or licenses shall be acquired by Tenant by implication or otherwise unless expressly set forth herein.

40. Light and Air. Tenant agrees that no diminution of light, air or view by any structure which may hereafter be erected (whether or not by Landlord) shall entitle Tenant to any reduction of rent hereunder, result in any liability of Landlord to Tenant, or in any other way affect this Lease.

41. Memorandum of Lease. Neither this Lease nor any memorandum, short form, affidavit or other writing with respect thereto, shall be recorded by Tenant or anyone acting through, under or on behalf of Tenant. Notwithstanding the foregoing, Tenant may, at Tenant's expense, following the Commencement Date, record a Memorandum of this Lease in the form of Exhibit F attached hereto executed by both Landlord and Tenant; provided, however, that if Tenant records a Memorandum of this Lease, Tenant agrees to execute, within fifteen (15) days after written request from Landlord, a Quitclaim Deed or other recordable instrument in commercially reasonable form which Landlord may record upon expiration or earlier termination of this Lease in order to remove such Memorandum of Lease from title.

42. Severability. If any provision of this Lease or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Lease and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

43. Authority. If Tenant is a corporation, partnership, trust, association or other entity, Tenant hereby covenants and warrants that (a) Tenant is duly incorporated or otherwise established or formed and validly existing under the laws of its state of incorporation, establishment or formation, (b) Tenant has and is duly qualified to do business in the state in which the Premises is located, (c) Tenant has full corporate, partnership, trust, association or other appropriate power and authority to enter into this Lease and to perform all Tenant's obligations hereunder, and (d) each person (and all of the persons if more than one signs) signing this Lease on behalf of Tenant is duly and validly authorized to do so. If Landlord is a corporation, partnership, trust, association or other entity, Landlord hereby covenants and warrants that (a) Landlord is duly incorporated or otherwise established or formed and validly existing under the laws of its state of incorporation, establishment or formation, (b) Landlord has and is duly qualified to do business in the state in which the Premises is located, (c) Landlord has full corporate, partnership, trust, association or other appropriate power and authority to enter into this Lease and to perform all Landlord's obligations hereunder, and (d) each person (and all of the persons if more than one signs) signing this Lease on behalf of Landlord is duly and validly authorized to do so.

44. No Offer. Submission of this instrument for examination and signature by Tenant does not constitute an offer to lease or a reservation of or option for lease, and is not effective as a lease or otherwise until execution and delivery by both Landlord and Tenant.

45. Real Estate Brokers. Landlord and Tenant each represent and warrant to the other that it has negotiated this Lease directly with the real estate broker(s) identified in Paragraph 2 and has not authorized or employed, or acted by implication to authorize or to employ, any other real estate broker or salesman to act on its behalf in connection with this Lease. Landlord shall pay the Broker a commission pursuant to a separate agreement. Each party agrees to indemnify, defend, and save the other harmless from and against from and against any and all Claims by any real estate broker or salesman other than the real estate broker(s) identified in Paragraph 2 for a commission, finder's fee or other compensation as a result of Tenant's entering into this Lease.

46. Consents and Approvals. Wherever the consent, approval, judgment or determination of Landlord is required or permitted under this Lease, such consent, approval, judgment or determination shall not be unreasonably withheld unless the provision providing for such consent, approval, judgment or determination specifies that Landlord's consent or approval may be granted or denied in Landlord's sole discretion or otherwise states specific criteria for the granting or withholding of consent or approval. The review and/or approval by Landlord of any item shall not impose upon Landlord any liability for accuracy or sufficiency of any such item or the quality or suitability of such item for its intended use. Any such review or approval is for the sole purpose of protecting Landlord's interest in the Premises, and neither Tenant nor any Tenant Party nor any person or entity claiming by, through or under Tenant, nor any other third party shall have any rights hereunder by virtue of such review and/or approval by Landlord.

47. Intentionally Omitted.

48. Financial Statements. At any time within thirty (30) days after Landlord's request therefor (provided that unless the Premises is then for sale or subject to refinancing, or an Event of Default has occurred and is continuing, no more frequently than one (1) time per calendar year), Tenant shall furnish to Landlord copies of Tenant's most recent true and accurate audited financial statements reflecting Tenant's then current financial situation (including without limitation balance sheets, statements of operations, and statements of cash flows); provided, however, if Tenant has also prepared unaudited financial statements that are more current than such most recent audited financial statements, Tenant shall also provide such unaudited financial statements to Landlord (which shall be certified by an officer of Tenant or the third party CPA firm that prepared such financial statements). Notwithstanding the foregoing, so long as (a) Tenant remains a subsidiary of Warner Music Group Corp., a Delaware corporation (the "Warner Parent Entity"), (b) such information is available as part of the Warner Parent Entity's 10-K or 10-Q report filings at the SEC's Edgar website, and such materials are current per SEC filing requirements, and (c) the format of such filings is such that the financial statements of Tenant and other material information regarding Tenant's then current financial condition is separately reported in such filings or is otherwise readily ascertainable from such filings (separate and apart from that of any other entity, including the Warner Parent Entity) and such financial statements and information is not materially less than and is of a similar level of detail as the financial statements and information contained in the Warner Parent Entity's 10-K for FY 2015, then the foregoing financial reporting requirements set forth in the preceding sentence may be satisfied by such public filings by the Warner Parent Entity. No more than once per year, Tenant agrees to deliver to any bona fide lender, prospective lender, purchaser or prospective purchaser designated by Landlord, if such information is not publicly available as set forth above, such financial information as provided above. Landlord shall endeavor in good faith and

using commercially reasonable precautions to keep all financial statements and other confidential information received from Tenant relating to Tenant's business operations at the Premises confidential, except that Landlord may disclose Tenant's financial statements and information most recently received by Landlord from Tenant to any lender or prospective lender under a loan facility secured by a mortgage or deed of trust on the Building, any investor or prospective investor in Landlord, or any prospective purchaser of the Building, or as necessary in the course of any litigation arising out of or concerning this Lease, or as required by any law, rule or legal process applicable to Landlord and with which Landlord must legally comply; provided that Landlord cooperate with Tenant's reasonable efforts to obtain a commercially reasonable confidentiality or non-disclosure agreement from the person or persons to whom any of Tenant's financial statements or other confidential is to be disclosed by Landlord, prior to such disclosure; provided however that the foregoing confidentiality requirement shall be inapplicable in the event the subject financial information is made publicly available by the Securities and Exchange Commission or any other governmental body.

49. Intentionally Deleted.

50. Governmental Incentives. Landlord shall, at no cost to Landlord, reasonably cooperate with Tenant in Tenant's efforts to negotiate, implement and receive the benefits of an incentive package, or other grants or designations, with various governmental authorities, provided that such cooperation shall not include any modification to this Lease. Any and all fees, costs and expenses imposed by any applicable governmental authority shall be borne solely by Tenant, and Tenant shall reimburse Landlord within thirty (30) days following Landlord's demand therefor, for any and all out-of-pocket fees, costs and expenses actually incurred by Landlord in connection with Tenant's requests and Landlord's cooperation pursuant to this Paragraph 50, including, without limitation, reasonable attorney, consultant and professional fees. Notwithstanding anything to the contrary set forth in this Lease, any benefits obtained by Tenant (or on behalf of Tenant) at Tenant's sole expense from any governmental authority pursuant to this Paragraph 50 that relate solely to the Premises shall be solely for the benefit of Tenant, and to the extent that any such benefits are granted to Landlord and relate solely to the Premises, Landlord shall promptly assign (or pay) the same to Tenant.

51. Hazardous Substance Disclosure. California law requires landlords to disclose to tenants the existence of certain hazardous substances. Accordingly, the existence of gasoline and other automotive fluids, maintenance fluids, copying fluids and other office supplies and equipment, certain construction and finish materials, tobacco smoke, cosmetics and other personal items, and ACM must be disclosed. Gasoline and other automotive fluids are found in the garage area of the Building. Cleaning, lubricating and hydraulic fluids used in the operation and maintenance of the Premises are found in the utility areas of the Premises not generally accessible to Premises occupants or the public. Many Building occupants use copy machines and printers with associated fluids and toners, and pens, markers, inks, and office equipment that may contain hazardous substances. Certain adhesives, paints and other construction materials and finishes used in portions of the Premises may contain hazardous substances. Although smoking is prohibited in the public areas of the Premises, these areas may, from time to time, be exposed to tobacco smoke. Premises occupants and other persons entering the Premises from time-to-time may use or carry prescription and non-prescription drugs, perfumes, cosmetics and other toiletries, and foods and beverages, some of which may contain hazardous substances.

Landlord has made no special investigation of the Premises with respect to any hazardous substances. Notwithstanding the foregoing, Tenant agrees not to expose or disturb any ACM unless Landlord has given Tenant prior written consent thereto and Tenant complies with all applicable Legal Requirements and Landlord's written procedures for handling ACM.

52. Signage Rights.

a. Tenant, at its sole cost and expense, may install identification signage anywhere inside the Building, subject to compliance with all Legal Requirements.

b. Tenant, at Tenant's sole cost and expense (including, without limitation, costs and expenses to construct any such signage), and subject to Tenant's compliance with applicable Legal Requirements (including, without limitation, signage ordinances), shall have the exclusive right to install exterior Building and Premises signage (including on the "water tower" and on the Parking Structure), to the full extent allowed by Legal Requirements ("**Tenant's Building Signage**") subject to the following: (i) Tenant shall provide Landlord prior written notice of any such proposed Tenant's Building Signage, including plans showing the design, content, location and dimensions of such signage and (ii) in no event shall Tenant Signage include a name or logo that is an "Objectionable Name", as defined below, or depict any images that would be objectionable to the general public. Tenant shall be responsible for obtaining any governmental permits or approvals required for Tenant's Building Signage, all at Tenant's sole cost and expense; provided, however, that Landlord, at no cost to Landlord, shall reasonably cooperate with Tenant as reasonably required for obtaining any governmental permits or approvals required for Tenant's Building Signage. Tenant's repair, maintenance, construction and/or improvement of Tenant's Building Signage shall be at its sole cost and expense and shall comply with all applicable Legal Requirements, and the requirements applicable to construction of Alterations pursuant to Paragraph 9 of this Lease, including insurance coverage in connection therewith. Any cost or reimbursement obligations of Tenant under this Paragraph 52.b., including with respect to the installation, maintenance or removal of Tenant's Building Signage, shall survive the expiration or earlier termination of this Lease. Tenant's rights to maintain Tenant's Building Signage shall terminate upon the earlier to occur of: (a) the expiration or earlier termination of the Lease or Tenant's right to possession of the Premises; (b) if the Original Tenant or an Affiliate fails to lease at least fifty percent (50%) of the rentable square footage of the Building; or (c) Tenant assigns this Lease other than to an Affiliate. If Tenant's signage rights shall terminate pursuant to the foregoing, the same shall not be reinstated, notwithstanding that the cause for termination may have been cured.

c. Original Tenant or an Affiliate shall have the right to designate the "name" of the Premises as a name that is a recognizable derivative of the name on the Tenant's Building Signage at the Premises. The Premises name shall be subject to Landlord's reasonable prior approval. The Premises name shall not be a name (i) that is inconsistent with the first class quality of the Premises, (ii) which would be reasonably objectionable to landlords of first class office building in the downtown Los Angeles area and the use of the Premises by a recorded music, music production and distribution company, or (iii) which includes the name of a foreign country (an "**Objectionable Name**"). Tenant's naming rights shall terminate at any time during the Lease Term that the Original Tenant or an Affiliate, as the case may be, is not the Tenant under this Lease.

d. Upon the termination of Tenant's signage rights under this Paragraph 52, Tenant shall remove any of Tenant's Building Signage at Tenant's sole cost and expense, and repair and restore to good condition the areas of the Building on which the signage was located or that were otherwise affected by such signage or the removal thereof (including, without limitation, patching any holes or other penetrations caused by such signage and otherwise restoring the Building to the condition existing prior to the initial installation of such signage), or at Landlord's election, Landlord may perform any such removal and/or repair and restoration and Tenant shall pay Landlord the reasonable and actual, demonstrated cost thereof within thirty (30) days after Landlord's written demand. The rights provided for in this Paragraph 52 shall be personal to Original Tenant and any Affiliate of Original Tenant and shall not be transferable to any other party unless otherwise agreed to by Landlord in writing.

e. Notwithstanding anything contained herein to the contrary, Tenant acknowledges that Landlord shall have the right to install a commemorative plaque at the Premises in accordance with the terms of that certain Agreement dated April 22, 2014, with the prior owner of the Premises, 2060 East 7th, LLC, a copy of which agreement has been provided to Tenant. Landlord agrees that any such plaque shall be of the minimum size allowed by such Agreement unless otherwise approved by Tenant (which approval shall not be unreasonably withheld, conditioned or delayed).

53. Parking.

a. During the Lease term, Tenant shall have exclusive right to use Parking Structure, and to park as many cars in such Parking Structure as is allowed by Legal Requirements. In connection with such use of the Parking Structure, Tenant shall be required to purchase from Landlord seven hundred sixty-two (762) parking passes for the Parking Structure at the monthly rental rate set forth on Schedule 2 attached hereto (the "**Parking Space Rental**"). The Parking Space Rental shall constitute additional rent for all purposes under this Lease. In addition to the Parking Space Rental, Tenant shall be liable for all taxes, assessments or other impositions imposed by any governmental entity in connection with Tenant's use of the parking spaces.

54. Transportation Management. Tenant shall fully comply, at no cost and expense to Tenant, with all present or future governmentally required programs intended to manage parking, transportation or traffic in and around the Premises, and in connection therewith, Tenant shall take responsible action for the transportation planning and management of all employees located at the Premises by working directly with any governmental transportation management organization or any other transportation-related committees or entities.

55. Helipad Installation and Use. Subject to all Legal Requirements, including without limitation, compliance with all applicable FCC and FAA regulations and compliance with the terms of Paragraph 9 above, Tenant, at Tenant's sole cost and expense, shall have the right to construct, and use throughout the term, a helicopter landing pad on the roof of the Building (the "**Helipad**"). The precise location, plans and specifications of the Helipad shall be subject to the prior review and approval of Landlord, which approval shall not be unreasonably withheld, conditioned or delayed.

56. Quiet Enjoyment. If, and so long as, Tenant is not in default of the Lease beyond any applicable notice or grace periods, Tenant shall peaceably and quietly enjoy the Premises throughout the term without hindrance by Landlord or any person lawfully claiming through or under Landlord, subject to the provisions of this Lease.

57. No Discrimination. Tenant covenants by and for itself and its successors, heirs, personal representatives and assigns and all persons claiming under or through Tenant that there shall be no discrimination against or segregation of any person or of a group of persons on account of race, color, religion, creed, sex or national origin in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the Premises nor shall Tenant or any person claiming under or through Tenant establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants or assignees of the Premises.

58. CASp Inspection. As of the date of this Lease, neither the Premises nor any other portions of the Premises expected to be in Tenant's path of travel during the Lease term, have undergone an inspection by a Certified Access Specialist regarding compliance with construction-related accessibility standards. This disclosure is made pursuant to Section 1938 of the California Civil Code.

59. Rooftop Equipment.

a. Tenant shall have the exclusive right, at no additional cost, to utilize space on the roof of the Building for the purpose of installing (in accordance with the terms and conditions of Paragraph 9 of this Lease), operating and maintaining rooftop equipment to be used by Tenant in connection with Tenant's use of the Premises for the Permitted Use (collectively the "**Rooftop Equipment**"); provided, however, that the foregoing shall not limit Landlord's right to maintain equipment on the roof of the Building to extent necessary to operate the Building. The exact location of the space on the roof to be used by Tenant shall be reasonably mutually agreed upon by Landlord and Tenant (the "**Roof Space**"). The installation of the Rooftop Equipment shall be subject to compliance with all Legal Requirements and the the approval of Landlord, which shall not be unreasonably withheld, conditioned or delayed, in consultation with Landlord's architect and/or engineer with respect to the plans and specifications of the Rooftop Equipment, the manner in which the Rooftop Equipment is attached to the roof of the Building and the manner in which any cables are run to and from the Rooftop Equipment. Any structural upgrades to the Building that may be necessary to accommodate the Rooftop Equipment shall be at Tenant's sole cost and expense. Tenant shall be solely responsible for obtaining all necessary governmental and regulatory approvals and for the cost of installing, operating, maintaining and removing the Rooftop Equipment. If at any time Landlord, in its reasonable discretion, deems it necessary or in order to comply with Legal Requirements, Tenant shall provide and install, at Tenant's sole cost and expense, appropriate aesthetic screening, reasonably satisfactory to Landlord, for the Rooftop Equipment (the "**Aesthetic Screening**").

b. Landlord agrees that Tenant shall have access to the roof of the Building and the Roof Space for the purpose of installing, maintaining, repairing and removing the Rooftop Equipment, the appurtenances and the Aesthetic Screening, if any, all of which shall be performed by Tenant or Tenant's authorized representative or contractors at Tenant's sole cost

and risk. It is agreed, however, that only authorized engineers, employees or properly authorized contractors of Tenant, FCC (defined below) inspectors, or persons under their direct supervision will be permitted to have access to the Roof Space. Tenant further agrees to exercise control over the people requiring access to the Roof Space in order to keep to a minimum the number of people having access to the Roof Space and the frequency of their visits. It is further understood and agreed that the installation, maintenance, operation and removal of the Rooftop Equipment, the appurtenances and the Aesthetic Screening, if any, is not permitted to damage the Building or the roof thereof. Tenant agrees to be responsible for any damage caused to the roof or any other part of the Building, which may be caused by Tenant or any of its agents or representatives.

c. Tenant shall, at its sole cost and expense, and at its sole risk, install, operate and maintain the Rooftop Equipment in a good and workmanlike manner, and in compliance with all applicable Building, electric, communication, and safety codes, ordinances, standards, regulations and requirements, now in effect or hereafter promulgated, of the Federal Government, including, without limitation, the Federal Communications Commission (the "**FCC**"), the Federal Aviation Administration ("**FAA**") or any successor agency of either the FCC or FAA having jurisdiction over radio or telecommunications, and of the state, city and county in which the Building is located. Under this Lease, Landlord and its agents assume no responsibility for the licensing, operation and/or maintenance of Tenant's equipment. Tenant has the responsibility of carrying out the terms of its FCC license in all respects. The Rooftop Equipment shall be connected to the Building power supply in strict compliance with all applicable Building, electrical, fire and safety codes. Except to the extent caused by Landlord's negligence or willful misconduct, neither Landlord nor its agents shall be liable to Tenant for any stoppages or shortages of electrical power furnished to the Rooftop Equipment or the Roof Space because of any act, omission or requirement of the public utility serving the Building, or for any other cause beyond the reasonable control of Landlord, and Tenant shall not be entitled to any rental abatement for any such stoppage or shortage of electrical power. Neither Landlord nor its agents shall have any responsibility or liability for the conduct or safety of any of Tenant's representatives, repair, maintenance and engineering personnel while in or on any part of the Building or the Roof Space.

d. The Rooftop Equipment, the appurtenances and the Aesthetic Screening, if any, shall remain the personal property of Tenant, and shall be removed by Tenant at its own expense at the expiration or earlier termination of the Lease. Tenant shall repair any damage caused by such removal, including the patching of any holes to match, as closely as possible, the color surrounding the area where the equipment and appurtenances were attached. Tenant agrees to maintain the Rooftop Equipment in proper operating condition and maintain same in satisfactory condition as to appearance and safety. Tenant agrees that at all times during the Lease term, it will keep the roof of the Building and the Roof Space free of all trash or waste materials produced by Tenant or Tenant's agents, employees or contractors.

e. In light of the specialized nature of the Rooftop Equipment, Tenant shall be permitted to utilize the services of its choice for installation, operation, removal and repair of the Rooftop Equipment, the appurtenances and the Aesthetic Screening, if any. Notwithstanding the foregoing, Tenant must provide Landlord with prior written notice of any such installation, removal or repair and coordinate such work with Landlord in order to avoid voiding or otherwise adversely affecting any warranties granted to Landlord with respect to the roof. If necessary,

Tenant, at its sole cost and expense, shall retain any contractor having a then existing warranty in effect on the roof to perform such work (to the extent that it involves the roof), or, at Tenant's option, to perform such work in conjunction with Tenant's contractor. In the event Landlord contemplates roof repairs that could affect Tenant's Rooftop Equipment, or which may result in an Interruption of the Tenant's telecommunication service, Landlord shall formally notify Tenant at least thirty (30) days in advance (except in cases of an emergency) prior to the commencement of such contemplated work in order to allow Tenant to make other arrangements for such service.

f. Tenant specifically acknowledges and agrees that the terms and conditions of Paragraphs 9, 14, 15 and 20 of this Lease shall apply with full force and effect to the Roof Space and any other portions of the roof accessed or utilized by Tenant, its representatives, agents, employees or contractors.

60. Generator.

a. Tenant shall have the right to install one (1) back-up electrical generator (the "Generator") in a location mutually acceptable to Landlord and Tenant (the "Generator Area"). In no event shall Tenant permit the Generator to interfere with normal and customary use or operation of the Building. Tenant shall be responsible for any and all costs, if any, incurred by Landlord as a result of or in connection with Tenant's installation, operation, use and/or removal of the Generator. In the event that Landlord shall incur any costs as a result of or in connection with the rights granted to Tenant herein, Tenant shall reimburse Landlord for the same within thirty (30) days following billing. If required by Landlord, Tenant, at Tenant's sole cost and expense, shall install screening, landscaping or other improvements satisfactory to Landlord (in Landlord's sole discretion) in order to satisfy Landlord's aesthetic requirements in connection with the Generator. Subject to Landlord's prior approval of all plans and specifications, which approval shall not be unreasonably withheld, and at Tenant's sole cost and expense, Landlord shall permit Tenant to install and maintain the Generator in the Generator Area, and connections between the Generator and Landlord's electrical systems in the Building, all in compliance with all applicable laws. Without limitation of the foregoing, all conditions relating to the installation, connection, use, repair and removal of the Generator (including, without limitation, the manner and means of Tenant's connection of the Generator to the core of the Building and/or through the Building risers to the Premises) shall be subject to the prior approval of Landlord, which approval shall not be unreasonably withheld and otherwise subject to the provisions of this Lease related to the performance of improvements within the Premises. Tenant shall be responsible for all maintenance and repairs and compliance with law obligations related to the Generator and acknowledges and that Landlord shall have no responsibility in connection therewith and that Landlord shall not be liable for any damage that may occur with respect to the Generator. The Generator shall be used by Tenant only during (i) testing and regular maintenance, and (ii) the period of any electrical power outage in the Building. Tenant shall submit the specifications for design, operation, installation and maintenance of the connections to the Generator and facilities related thereto to Landlord for Landlord's consent, which consent will not be unreasonably withheld or delayed and may be conditioned on Tenant complying with such reasonable requirements imposed by Landlord, based on the advice of Landlord's engineers, so that the Building's systems or other components of the Building are not adversely affected by the installation and operation of the Generator and/or based upon other reasonable factors as determined by Landlord. The cost of design (including engineering costs) and installation of the Generator and the costs of the Generator itself shall be Tenant's sole responsibility.

b. Tenant shall maintain, at Tenant's cost, industry standard "boiler and machinery" insurance coverage with respect to the Generator. Tenant shall indemnify, defend, protect, and hold harmless Landlord for all Claims incurred in connection with or arising from any cause related to or connected with the installation, use, operation, repair and/or removal of the Generator other than to the extent caused by the acts, omissions or negligence of Landlord.

c. At Landlord's option, Landlord may require that Tenant remove the Generator and all related facilities and equipment upon the expiration or earlier termination of this Lease, and repair all damage to the Building resulting from such removal and restore all affected areas to their condition existing prior to Tenant's installation of the Generator, all at Tenant's sole cost and expense.

61. Option to Renew.

a. Option to Renew. Tenant shall have the option to renew this Lease for one (1) additional term of ten (10) years (the "**Option Term**"), commencing upon the expiration of the initial term of the Lease. The renewal option shall be exercised by Tenant, if at all, and only in the following manner. Tenant may deliver notice (the "**Option Interest Notice**") to Landlord not more than twenty-two (22) months nor less than twenty (20) months prior to the expiration of the of the initial term of this Lease, stating that Tenant is interested in exercising its option. If Tenant timely delivers the Option Interest Notice, Landlord shall deliver notice (the "**Market Rent Notice**") to Tenant not less than nineteen (19) months prior to the expiration of the of the initial term of this Lease, setting forth Landlord's determination of the Market Rent (as defined below) for the Premises. If Tenant wishes to exercise such option, whether or not Tenant has delivered the Option Interest Notice, Tenant shall, on or before the Option Exercise Date (as defined below), exercise the option by delivering notice thereof (the "**Option Exercise Notice**") to Landlord and upon, and concurrent with, such exercise, if Landlord has previously provided its determination of the Market Rent, Tenant may, at its option, accept or reject such Market Rent. In the event that Tenant shall reject or fail to affirmatively accept the Market Rent set forth in the Market Rent Notice, or if Tenant did not deliver the Option Interest Notice, the parties shall follow the procedure, and the Market Rent shall be determined, as set forth in Paragraph 61.c. below. The "**Option Exercise Date**" shall mean the date occurring eighteen (18) months prior to the expiration of the then Lease Term. Notwithstanding anything contained herein to the contrary, at Landlord's election, this renewal option shall be null and void and Tenant shall have no right to renew this Lease if (i) on the date Tenant sends the Option Exercise Notice or as of the date immediately preceding the commencement of the Option Term Original Tenant or an Affiliate is not in occupancy of at least fifty percent (50%) of the Premises (exclusive of any space that is subject to a Live Event/Retail Sublease or a Shared Space Arrangement) then demised hereunder or Original Tenant or an Affiliate does not intend to continue to occupy the Premises (but intends to assign this Lease or sublet the space in whole or in part), or (ii) on the date Tenant sends the Option Exercise Notice or on the date immediately preceding the commencement date of the Option Term an Event of Default by Tenant remains uncured.

b. Terms and Conditions. If Tenant exercises the renewal option, then all of the terms and conditions set forth in this Lease as applicable to the Premises during the initial term shall apply during the Option Term, except that (i) Tenant shall have no further right to renew this Lease, (ii) Tenant shall take the Premises in their then "as-is" state and condition, and (iii) the Monthly Rent payable by Tenant for the Premises shall be the Market Rent for the Premises based upon the terms of this Lease, as renewed. The Market Rent shall include the periodic rental increases, if any, that would be included for space leased for the period the space will be covered by the Lease. For purposes of this Paragraph 61, the term "**Market Rent**" shall mean the rental rate for comparable space under primary lease (and not sublease) to new tenants, taking into consideration the unique quality of the Premises and such amenities as existing improvements and the like, situated in first class, reputable, established creative office buildings in the Arts District of Los Angeles (which shall be deemed for purposes of this Lease the area shown on Exhibit H attached hereto), in comparable physical condition (including, if such building is a historic building, such building must have gone through a full building renovation similar to the Premises) ("**Comparable Buildings**"), taking into consideration the then prevailing ordinary rental market practices with respect to tenant concessions (such as rental abatement concessions, if any, being granted tenants in connection with comparable space and tenant improvements or allowances provided or to be provided for such comparable space) and the use of subject comparable space.

c. Determination of Market Rent. In the event Tenant fails to affirmatively accept or if Tenant timely objects to Landlord's determination of the Market Rent, or, in the event that Tenant did not deliver the Option Interest Notice, Landlord and Tenant shall attempt to agree upon the Market Rent using reasonable good-faith efforts. If Landlord and Tenant fail to reach agreement as to the Market Rent prior to the date which is seven (7) months prior to the commencement of the Option Term (the "**Outside Agreement Date**"), then Landlord and Tenant shall, on a mutually and reasonably agreed upon date and time approximately six (6) months prior to the commencement of the Option Term, meet at the Premises and simultaneously exchange the Option Rents which will be submitted to arbitration under this Paragraph 61.c. The exchanged Option Rents shall be submitted to the arbitrators concurrently with the selection of such arbitrators pursuant to this Paragraph 61.c. and shall be submitted to arbitration in accordance with procedures set forth below:

i. Landlord and Tenant shall each appoint one arbitrator who shall by profession be a real estate broker or a MAI appraiser who shall have been active over the five (5) year period ending on the date of such appointment in the leasing of Comparable Buildings. The determination of the arbitrators shall be limited solely to the issue area of whether Landlord's or Tenant's submitted Market Rent, is the closest to the actual Market Rent as determined by the arbitrators, taking into account the requirements of Paragraph 61.b. above; provided, however, the arbitrators shall have the right to adjust their determination of the Market Rent, as necessary, to account for differences in quality among the individual Comparable Building in which comparable transactions have occurred. Each such arbitrator shall be appointed within fifteen (15) days after the applicable Outside Agreement Date. Landlord and Tenant may consult with their selected arbitrators prior to appointment and may select an arbitrator who is favorable to their respective positions (including an arbitrator who has previously represented Landlord and/or Tenant, as applicable). The arbitrators so selected by Landlord and Tenant shall be deemed "**Advocate Arbitrators**."

ii. The two Advocate Arbitrators so appointed shall be specifically required pursuant to an engagement letter within ten (10) days of the date of the appointment of the last appointed Advocate Arbitrator to attempt to agree upon and appoint a third arbitrator ("**Neutral Arbitrator**") who shall be qualified under the same criteria set forth hereinabove for qualification of the two Advocate Arbitrators except that (1) neither the Landlord or Tenant or either parties' Advocate Arbitrator may, directly or indirectly, consult with the Neutral Arbitrator prior or subsequent to his or her appearance, and (2) the Neutral Arbitrator cannot be someone who has represented Landlord and/or Tenant or their affiliates during the five (5) year period prior to such appointment. The Neutral Arbitrator shall be retained via an engagement letter jointly prepared by Landlord's counsel and Tenant's counsel.

iii. The Neutral Arbitrator shall within thirty (30) days of the appointment of the Neutral Arbitrator reach a decision as to Market Rent and determine whether the Landlord's or Tenant's determination of Market Rent as submitted pursuant to Paragraph 61.c. above is closest to Market Rent as determined by the Neutral Arbitrator and simultaneously publish a ruling ("Award") indicating whether Landlord's or Tenant's submitted Market Rent is closest to the Market Rent as determined by the Neutral Arbitrator. Following notification of the Award, the Landlord's or Tenant's submitted Market Rent determination, whichever is selected by the Neutral Arbitrator as being closest to Market Rent shall become the then applicable Market Rent.

iv. The Award shall be binding upon Landlord and Tenant.

v. If either Landlord or Tenant fail to appoint an Advocate Arbitrator within fifteen (15) days after the applicable Outside Agreement Date, then the Advocate Arbitrator appointed by one of them shall determine whether the Landlord's or Tenant's determination of Market Rent as submitted pursuant to this Paragraph 61.c. is closest to Market Rent as determined by such Advocate Arbitrator and simultaneously publish an Award.

vi. If the two (2) Advocate Arbitrator fail to agree upon and appoint a third arbitrator, or if both parties fail to appoint an Advocate Arbitrator, then the appointment of the third arbitrator or any arbitrator shall be dismissed and the matter to be decided shall be forthwith submitted to arbitration under the provisions of the American Arbitration Association, but subject to the instruction set forth in this Paragraph 61.c.

vii. The cost of arbitration shall be paid by Landlord and Tenant equally.

Cash Security Deposit Provisions

In the event that Tenant elects to provide a portion of the Letter of Credit Amount in the form of a cash security deposit pursuant to Paragraph 6.a. of this Lease (the "**Cash Security Deposit**"), then such Cash Security Deposit shall be held by Landlord as security for the faithful performance by Tenant of all of its obligations under this Lease. If Tenant defaults with respect to any provisions of this Lease, including, but not limited to, the provisions relating to the payment of rent, the removal of property and the repair of resultant damage, Landlord may, without notice to Tenant, but without any obligation on behalf of Landlord, apply all or any part of the Cash Security Deposit: (i) to the payment of any rent or any other sum in default; and (ii) to compensate Landlord for any and all damages or losses of any kind or nature sustained or which Landlord reasonably estimates that it will sustain that result from Tenant's breach or default of the Lease, including, but not limited to, any and all damages or losses arising out of, or incurred in connection with, the termination of this Lease, including, without limitation, those specifically identified in this Lease and Section 1951.2 of the California Civil Code. Following Landlord's application of the Cash Security Deposit, or any portion thereof, Tenant shall, upon demand therefor, restore the Cash Security Deposit to its original amount. Tenant shall not be entitled to any interest on the Cash Security Deposit. Tenant hereby irrevocably waives and relinquishes any and all rights, benefits, or protections, if any, Tenant now has, or in the future may have, under Section 1950.7 of the California Civil Code, any successor statute, and all other provisions of law, now or hereafter in effect, including, but not limited to, any provision of law which (i) establishes the time frame by which a landlord must refund a security deposit under a lease, or (ii) provides that a landlord may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by a tenant, or to clean the subject premises. Tenant acknowledges and agrees that (A) any statutory time frames for the return of a security deposit are superseded by the express period identified in this Exhibit D-1, above, and (B) rather than be so limited, Landlord may claim from the Cash Security Deposit (i) any and all sums expressly identified in this Exhibit D-1, above, and (ii) any additional sums reasonably necessary to compensate Landlord for any and all losses or damages caused by Tenant's default of this Lease, including, but not limited to, all damages or rent due upon termination of this Lease pursuant to Section 1951.2 of the California Civil Code. Any unapplied portion of the Cash Security Deposit shall be returned to Tenant, or, at Landlord's option, to the last assignee of Tenant's interest hereunder, within sixty (60) days following the expiration of the term of this Lease so long as this Lease was not terminated as a result of an Event of Default or other early termination due to a bankruptcy or insolvency of Tenant (and, if this Lease was terminated prior to the scheduled expiration date due to an Event of Default or due to a bankruptcy or insolvency of Tenant, then any unapplied portion of the Cash Security Deposit shall be returned within sixty (60) days following the final, non-appealable decision of a court of competent jurisdiction of the amounts owing to Landlord under this Lease as a result thereof and Tenant's right, if any, to the refund of any unapplied portion of the Cash Security Deposit).

SECTION 1

LANDLORD'S WORK

1.1 Description of Landlord's Work; Final Plans.

1.1.1 Landlord shall, at Landlord's sole cost and expense (except as otherwise provided herein), cause the construction or installation of the work ("**Landlord's Work**") described in the narrative description and graphic figures attached hereto as Schedules L-1, L-2, L-3 and L-4 attached hereto. Notwithstanding anything contained herein to the contrary, in the event any item of work is not described in either the narrative descriptions set forth in Schedules L-1, L-2 or L-3 or the plans referenced in Schedule L-4, then such component of work is not included as part of Landlord's Work. To the extent that any portion of the plans referenced in Schedule L-4 are contradicted by the narrative descriptions set forth in Schedules L-1, L-2 or L-3, then such narrative descriptions shall govern.

1.1.2 Landlord shall have the right to make modifications to the Landlord's Work as shown on Schedules L-1, L-2, L-3 and L-4 attached hereto so long as such modifications do not constitute a Material Change (as defined below). No Material Changes in Landlord's Work may be made without the prior written consent of Tenant, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall respond to any request for approval of a Material Change within five (5) Business Days. As used herein, the term "Material Change" shall mean any modification to the Landlord's Work as shown on Schedules L-1, L-2, L-3 and L-4 attached hereto that would (a) have a material effect on the Building structure, (b) have a material effect on the Building systems or imperil the LEED gold rating of the Base Building, (c) not be in compliance with Legal Requirements, (d) have a material effect on the exterior appearance of the Building, or (e) materially increase the cost of constructing the Tenant Improvements or require a material modification to any of the Contract Documents (as defined below) once approved.

1.2 Substantial Completion of Landlord's Work.

1.2.1 Landlord's Work shall be deemed to be "**Substantially Completed**" when Landlord's Work has been completed, subject only to correction or completion of "**Punch List**" items, which items shall be limited to items of missing or incomplete work (including, without limitation the MEPF commissioning, CMU skylight, Paseo finishes, and B Permit Work), defective work or materials, or mechanical maladjustments that are, in each case, of such a nature that they do not materially interfere with or impair the construction cost or completion

date of the Tenant Improvements, or Tenant's use of the Premises for Tenant's business. The definition of "**Substantially Completed**" shall also apply to the terms "**Substantial Completion**" and "**Substantially Complete**". Within thirty (30) days following the Substantial Completion of the Landlord's Work, Tenant may provide to Landlord a proposed Punch List of items of Landlord's Work that it believes remain to be completed by Landlord, and Landlord will notify Tenant if it believes any proposed items are not part of Landlord's Work and shall diligently work to complete agreed Punch List items. Landlord shall provide Tenant with full access to the Premises so as to allow Tenant to create such Punch List.

1.2.2 Notwithstanding anything contained herein to the contrary, any improvement work required by governmental authorities to be performed to the land adjacent to the Premises (i.e., offsite improvements) in connection with Landlord's Work (the "**B Permit Work**") shall be deemed "Punch List" work hereunder so long as the completion of such work does not delay or hinder (i) Tenant's ability to complete the Tenant Improvements and receive a certificate of occupancy (or its equivalent) for the Tenant Improvements so that Tenant may commence the conduct of business operations from the Premises, or (ii) Tenant's ability to access entries and exits or use the Premises for the conduct of its business therein. Tenant acknowledges that B Permit work will generate typical construction noise.

1.3 Tenant Delays. Tenant shall be responsible for, and shall pay to Landlord, any and all costs and expenses reasonably and actually incurred by Landlord in connection with any actual delay in the commencement or completion of Landlord's Work and any actual increase in the cost of Landlord's Work to the extent caused by (a) Tenant's failure to respond to Landlord's request for information regarding Landlord's Work within five (5) Business Days of Tenant's receipt thereof, (b) Tenant's failure to respond within five (5) Business Days to reasonable inquiries by Landlord or Contractor regarding the construction of the Landlord's Work, including approval of a Material Change, and (c) any other delay requested or caused by the wrongful actions or inactions of Tenant. Each of the foregoing is referred to herein as a "**Tenant Delay**". Notwithstanding the foregoing, no Tenant Delay shall be deemed to have occurred unless Tenant fails to cure such Tenant Delay within two (2) Business Days after receipt of written notice from Landlord detailing such claimed Tenant Delay.

1.4 Repairs to Landlord's Work. Landlord shall cause Landlord's Work to be performed in a good and workmanlike manner in compliance with all Legal Requirements; provided that the foregoing shall not imply any representation or warranty as to the useful life of such improvements or systems, nor shall the foregoing diminish Tenant's responsibility pursuant to Paragraph 10.a. of this Lease to perform any repairs, modifications or improvements to the same necessitated after the Commencement Date or otherwise by reason of Tenant's use of the same, Tenant's Alterations, ordinary wear and tear, or otherwise. The foregoing warranty by Landlord specifically excludes the Tenant Improvements or any other Alterations performed by or for Tenant and any damage caused by Tenant to the Building or the other portions of the Premises following the Tenant Access Date and any malfunctioning of any Building systems due to the Tenant Improvements or Tenant's acts or omissions. Landlord shall, at Landlord's sole cost and expense, repair any defect in the construction of the Landlord's Work (but not design defects if Tenant's architect or other consultant prepared the plans for such portion of Landlord's Work or otherwise specified the design at issue) arising on or before the date that is one (1) year following Substantial Completion of Landlord's Work (the "**Warranty Period**"), provided Tenant gives prompt notice of such matter to Landlord promptly upon discovery and no later than the expiration of the Warranty Period.

SECTION 2

TENANT IMPROVEMENTS

Beginning on the Tenant Access Date, Tenant shall have access to the Premises to perform the improvements (the "**Tenant Improvements**") described in the plans and specifications attached hereto as Schedule T-1, subject to the terms and conditions of this Section 2.

2.1 Construction Documents.

2.1.1 Final Contract Documents.

2.1.1.1 Tenant has or will have a licensed, qualified architect (the "**Architect**") to prepare a fully coordinated set of architectural, structural, mechanical, electrical, plumbing, fire suppression, life safety, security and data-com working drawings and specifications for the Tenant Improvements, in a form which is fully complete, and is the same set of documents in Tenants contract with Contractor (the "**Construction Contract**"; the Construction Contract and such other plans and specifications referenced above (including the Final Space Plan and the Final Working Drawings) shall be, collectively, the "**Contract Documents**"). The Architect shall be subject to Landlord's prior written approval, which shall not be unreasonably withheld, conditioned or delayed. Tenant may, at Tenant's election retain design-build subcontractors (the "**Engineers**") to prepare the portions of the Contract Documents relating to the structural, mechanical, electrical, plumbing, fire suppression, life safety, and data-com work in the Premises that is not part of Landlord's Work. Such Engineers shall be subject to Landlord's prior written approval, which shall not be unreasonably withheld, conditioned or delayed. The Contract Documents shall comply with reasonable industry standard drawing formats and specifications.

2.1.1.2 Landlord Plan Review.

(A) Preliminary Submissions. Prior to, or concurrently with, submission of the Contract Documents for Landlord's approval, Tenant shall make the following preliminary submissions to Landlord for its approval (collectively, the "**Preliminary Submissions**"): (a) Structural Modification Intent; (b) Space Plan and Schematic Design; (c) Bid and Permit Documents; and (d) Building Permits. Landlord shall advise Tenant within ten (10) Business Days after Landlord's receipt of any of such items if Landlord reasonably determines that such particular items are unsatisfactory or incomplete in any respect.

(B) Final Space Plan. Tenant shall supply Landlord with two (2) copies signed by Tenant of its final space plan for the Premises (the "Final Space Plan") for Landlord's reasonable approval. The Final Space Plan shall include a layout and designation of all offices, rooms and other partitioning, the configuration of workstations (if any) and their intended use. Landlord shall advise Tenant, with reasonable specificity, within ten (10) Business Days after Landlord's receipt of the Final Space Plan for the Premises if Landlord reasonably determines that the same are unsatisfactory or incomplete in any respect. If Tenant is so advised, Tenant shall promptly revise the Final Space Plan in accordance with such review. Landlord

shall limit its disapproval to areas of the Final Space Plan that (i) have a material effect on the Building structure, (ii) have a material effect on the Building systems or imperil the LEED rating of the Base Building, (iii) are not in compliance with Legal Requirements, and (iv) have an effect on the exterior appearance of the Building (any of the foregoing, a "**Design Problem**"). In addition to the foregoing, at Tenant's request at the time that Tenant is requesting approval of the Final Space Plan or the Final Working Drawings (which request shall make specific reference to this Section 2.1.1.2(A)), Landlord shall advise Tenant of which components of the Tenant Improvements that Landlord shall require removal at the expiration or earlier termination of this Lease in accordance with Paragraph 9.g. of this Lease.

(C) Final Working Drawings. After the approval and final correction of the Final Space Plan, Tenant shall promptly cause the Architect and the Engineers to complete the architectural and engineering drawings for the Premises, and cause Architect to compile a fully coordinated set of architectural, structural, mechanical, electrical, plumbing, and life safety working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "Final Working Drawings") and Tenant shall submit the same to Landlord for Landlord's reasonable approval. Tenant shall supply Landlord with two (2) copies signed by Tenant of such Final Working Drawings. Landlord shall advise Tenant, with reasonable specificity, within ten (10) Business Days after Landlord's receipt of the Final Working Drawings for the Premises if Landlord reasonably determines that the same are unsatisfactory or incomplete in any respect. If Tenant is so advised, Tenant shall immediately revise the Final Working Drawings in accordance with such review and any disapproval of Landlord in connection therewith. Landlord shall limit its disapproval to areas of the Final Working Drawings that have a Design Problem. In addition to the foregoing, at the time that Landlord provides its approval of the Final Working Drawings, Landlord shall also advise Tenant of which components of the Tenant Improvements that Landlord shall require removal at the expiration or earlier termination of this Lease in accordance with Paragraph 9.g. of this Lease.

(D) To the extent reasonably practicable and customary, Tenant may deliver any of the foregoing required items to Landlord simultaneously. In addition to the foregoing matters, Tenant may, at any time, request Landlord's approval for any draft plans specifications or any guidance as respects Tenant's preparation of the plans and specifications for the Tenant Improvements and Landlord shall respond to Tenant's request for approval or guidance in a reasonable period of time given the scope of the subject matter (but in no event later than ten (10) Business Days following receipt of Tenant's request thereof).

2.1.1.3 The Construction Contract (including the schedule of values for the Tenant Improvements) shall be on a commercially reasonable, industry standard form, and shall be provided to Landlord for Landlord's records promptly upon the completion thereof.

2.1.1.4 Landlord's review of the Final Space Plan, Construction Contract and Final Working Drawings as set forth in this Section 2, shall be for its sole purpose and shall not imply Landlord's review of the same, or obligate Landlord to review the same, for quality, design, code compliance or compliance with other Legal Requirements or other like matters. Accordingly, notwithstanding that any Contract Documents are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance

which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Contract Documents, and Tenant's waiver and indemnity set forth in this Lease shall specifically apply to the Contract Documents.

2.1.1.5 To the extent customary, and provided that at such time Tenant has engaged a Contractor, each submission of any portion of the Contract Documents shall be accompanied by the schedule of values included in the construction contract between Tenant and Contractor, which schedule of values shall detail by trade the estimated final costs to be incurred or which have been incurred in connection with the design and construction of the Tenant Improvements to be performed by or at the direction of Tenant or Contractor.

2.1.2 Landlord's Approval. Landlord shall have the periods set forth above for approval of any portion of the Contract Documents, and Landlord's receipt of all information and documentation reasonably requested by Landlord relating to such applicable document, in which to approve or disapprove such applicable document, provided that any such written request to Landlord with respect to approval of any portion of the Contract Documents, as the case may be is marked in bold lettering with the following language: "**LANDLORD'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE PURSUANT TO THE TERMS OF THAT CERTAIN LEASE AGREEMENT BETWEEN THE UNDERSIGNED AND LANDLORD**" and the envelope containing the request must be marked "**PRIORITY**". In the event that Landlord fails to respond to Tenant's request for approval of any portion of the Contract Documents, as the case may be, Landlord's approval shall be deemed given with respect to the applicable document but only to the extent that such document strictly complies with (i) all other documents previously approved (or deemed approved) by Landlord hereunder, and (ii) the requirements of this Work Letter; provided, however, for any portion of the Contract Documents, as the case may be, that affect the Base Building (as defined below) or is of a scope for which Landlord will require review of the relevant plans and specifications by a third party expert, then the foregoing ten (10) Business Day response period shall not apply (nor shall Landlord's deemed consent as provided herein) and Landlord shall be provided a reasonable period of time to have such third party complete its review of the applicable portion of the applicable documents prior to Landlord being required to provide its approval or disapproval of the applicable portion of such documents. For purposes of clarification, Landlord requesting additional and/or clarified information, in addition to approving or denying any request (in whole or in part), shall be deemed a response by Landlord for purposes of the foregoing ten (10) Business Day period response requirement.

2.1.3 Approved Contract Documents. The Contract Documents, as approved (or deemed approved) by Landlord shall be referred to herein as the "**Approved Contract Documents**". Tenant hereby agrees that, except as related to Landlord's completion of the Landlord Work, and the requirement that Landlord obtain a certificate of occupancy for the Building based on completion of the Landlord Work, neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Tenant Improvements and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy. Except as allowed in accordance with Legal Requirements,

Tenant shall not commence construction until all required governmental permits are obtained and the other Tenant Access Requirements have been met. No material changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Landlord, which consent shall be subject to the approval requirements set forth in Section 2.1.1.3 above.

2.2 Construction of Tenant Improvements by Tenant's Agents.

2.2.1 Tenant Access Requirements; Terms of Entry.

2.2.1.1 Tenant Access Requirements. Tenant shall not commence construction of the Tenant Improvements until all of the following requirements have been satisfied (collectively, the "**Tenant Access Requirements**"): (a) Landlord has approved all aspects of the Contract Documents (or they are deemed approved), including, without limitation, the Preliminary Submissions and the schedule of values; (b) Tenant has received the necessary building permits to construct the Tenant Improvements; and (c) Tenant has delivered certificates of insurance to Landlord as required by Article 15 of this Lease, and a copy of the Contract as required by Section 2.1.1.3 of this Tenant Work Letter.

2.2.1.2 Terms of Entry. During the period commencing on the Tenant Access Date and ending on the Commencement Date, all of the agreements and covenants of Tenant in this Lease, except the payment of rent, shall apply and be in force, including, without limitation, the provisions of Articles 8, 9, 14 and 15. Without limiting the generality of the foregoing, all of the provisions of this Lease, including Article 9 of this Lease, relative to Alterations to the Premises shall apply with respect to the Tenant Improvements; provided, however, that to the extent any of the provisions of said Article 9 conflict with the terms of this Work Letter, the terms of this Work Letter shall control.

2.2.2 Contractor and Tenant's Agents. Tenant shall retain Contractor for preconstruction services and to construct the Tenant Improvements. All subcontractors, laborers, materialmen, and suppliers used by Tenant (such subcontractors, laborers, materialmen, and suppliers, and the Contractor to be known collectively as "**Tenant's Agents**") must be approved in writing by Landlord, which approval shall not be unreasonably withheld or delayed, and shall be given or withheld (with reasonably detailed reasons for any withheld approval) within three (3) Business Days. If Landlord does not approve any of Tenant's proposed subcontractors, laborers, materialmen or suppliers, Tenant shall submit other proposed subcontractors, laborers, materialmen or suppliers for Landlord's written approval, which shall not be unreasonably withheld.

2.2.3 Tenant's Agents.

2.2.3.1 Landlord's General Conditions for Tenant's Agents and Tenant Improvement Work. The Tenant Improvements shall be constructed in accordance with the Contract Documents and the terms of this Lease.

2.2.3.2 Indemnity. Tenant's indemnity of Landlord and the other Indemnitees as set forth in this Lease shall also apply with respect to any and all costs, losses, damages, injuries and liabilities related in any way to any act or omission of Tenant or Tenant's Agents, or anyone directly or indirectly employed by any of them, or in connection with Tenant's non-payment of any amount arising out of the Tenant Improvements and/or Tenant's disapproval of all or any portion of any request for payment. Such indemnity by Tenant, as set forth in this Lease, shall also apply with respect to any and all costs, losses, damages, injuries and liabilities related in any way to Landlord's performance of any ministerial acts reasonably necessary (i) to permit Tenant to complete the Tenant Improvements, and (ii) to enable Tenant to obtain any building permit or certificate of occupancy for the Premises.

2.2.3.3 Requirements of Tenant's Agents. Each of Tenant's Agents shall guarantee to Tenant and for the benefit of Landlord that the portion of the Tenant Improvements for which it is responsible shall be free from any defects in workmanship and materials for a period of not less than one (1) year from the date of completion thereof. Each of Tenant's Agents shall be responsible for the replacement or repair, without additional charge, of all work done or furnished in accordance with its contract that shall become defective within one (1) year after the completion of the work performed by such contractor or subcontractors. The correction of such work shall include, without additional charge, all additional expenses and damages incurred in connection with such removal or replacement of all or any part of the Tenant Improvements, and/or the Building and/or common areas that may be damaged or disturbed thereby. All such warranties or guarantees as to materials or workmanship of or with respect to the Tenant Improvements shall be contained in the Contract or subcontract and shall be written such that such guarantees or warranties shall inure to the benefit of both Landlord and Tenant, as their respective interests may appear, and can be directly enforced by either. Tenant covenants to give to Landlord any assignment or other assurances which may be necessary to effect such right of direct enforcement.

2.2.4 Insurance Requirements.

2.2.4.1 General Coverages. All of Tenant's Agents shall carry worker's compensation insurance covering all of their respective employees, and shall also carry public liability insurance, including property damage, all with limits, in form and with companies as are reasonably approved by Landlord, including naming Landlord and such other parties designated by Landlord as additional insureds.

2.2.4.2 Special Coverages. Tenant shall carry "Builder's All Risk" insurance in a reasonable and customary amount and approved by Landlord covering the construction of the Tenant Improvements, and such other insurance as Landlord may require, it being understood and agreed that the Tenant Improvements shall be insured by Tenant pursuant to this Lease immediately upon completion thereof. Such insurance shall be in amounts and shall include such extended coverage endorsements in form and with companies as are reasonably approved by Landlord.

2.2.4.3 General Terms. Certificates for all insurance carried pursuant to this Section 2.2.4 shall be delivered to Landlord before the commencement of construction of the Tenant Improvements. In the event that the Tenant Improvements are damaged by any cause during the course of the construction thereof, Tenant shall immediately repair the same at Tenant's sole cost and expense (subject to Tenant's right to revise the design of the Tenant Improvements to the extent provided herein). Tenant's Agents shall maintain all of the foregoing insurance coverage in force until the Tenant Improvements are fully completed and accepted by Landlord, except for any reasonable and customary Products and Completed Operation Coverage insurance reasonably required by Landlord. All policies (with the exception of workers compensation insurance) carried under this Section 2.2.4 shall insure Landlord and Tenant, as their interests may appear, as well as Contractor and Tenant's Agents. All insurance maintained by Tenant's Agents shall preclude subrogation claims by the insurer against Landlord and any party required by Landlord to be named or automatically added as an additional insured. Such insurance shall provide that it is primary insurance as respects the owner and that any other insurance maintained by owner is excess and noncontributing with the insurance required hereunder. The requirements for the foregoing insurance shall not derogate from the provisions for indemnification of Landlord by Tenant under this Lease. Landlord may, in its discretion, require Tenant to obtain a lien and completion bond or some alternate form of security satisfactory to Landlord in an amount sufficient to ensure the lien-free completion of the Tenant Improvements and naming Landlord as a co-obligee.

2.2.5 Alterations Operations Fee. Tenant shall pay Landlord on demand prior to commencement of construction of the Tenant Improvements, a fee in the amount of one percent (1%) of the total amount of the Tenant Improvement Allowance (the "**Alteration Operations Fee**"). Landlord shall retain from Landlord's Allowance, as payment of the Alteration Operations Fee, an amount equal to the Alteration Operations Fee.

2.2.6 Additional Provisions. Notwithstanding anything contained herein to the contrary, the following additional provisions shall apply with respect to the construction of the Tenant Improvements:

2.2.6.1 Subject to availability of adequate parking spaces, Tenant's Agents shall be allowed to park at the Premises (in locations designated by Landlord from time to time) at no cost during the construction and move-in period. Landlord shall make reasonably sufficient parking spaces in the Parking Structure available for use by Tenant's Agents.

2.2.6.2 Landlord shall provide reasonable electrical or temporary power during construction of the Tenant Improvements at no cost to Tenant.

2.2.6.3 In accordance with Paragraph 12 of this Lease, Tenant shall keep the Premises and the Building free from mechanics', materialmen's and all other liens arising out of any work performed, materials furnished or obligations incurred by Tenant and shall promptly and fully pay and discharge all claims on which any such lien could be based. In the event that Landlord elects to pay or satisfy any lien as provided in Paragraph 12 of this Lease, Landlord may apply Landlord's Allowance on account of such expense.

2.2.6.4 Tenant hereby acknowledges that notwithstanding anything contained herein to the contrary, Landlord is not and shall not be deemed to be a "participating owner" with respect to the Tenant Improvements.

2.2.6.5 Tenant shall comply in all material respects with Landlord's Construction Standards.

2.2.7 Governmental Compliance. The Tenant Improvements shall comply in all respects with the following: (i) all Legal Requirements, including, but not limited to, all applicable building codes; (ii) applicable standards of the American Insurance Association (formerly, the National Board of Fire Underwriters) and the National Electrical Code; and (iii) building material manufacturer's specifications.

2.2.8 Inspection by Landlord. Landlord (and Landlord's mortgagees, agents and consultants) shall have the right to inspect the Tenant Improvements at all times, provided however, that Landlord's failure to inspect the Tenant Improvements shall in no event constitute a waiver of any of Landlord's rights hereunder nor shall Landlord's inspection of the Tenant Improvements constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Tenant Improvements because they cause a Design Problem, or don't comply with the Approved Contract Documents, Landlord shall notify Tenant in writing of such disapproval and shall specify in reasonably specific detail the items disapproved. Any defects or deviations in the Tenant Improvements shall be rectified by Tenant at no expense to Landlord.

2.2.9 Meetings. Tenant shall hold weekly meetings at a reasonable time, with the Architect and the Contractor regarding the progress of the preparation of construction drawings and the construction of the Tenant Improvements, which meetings shall be held at the Building or another reasonable location mutually agreed upon by Landlord and Tenant, and Landlord and/or its agents shall receive prior notice of, and shall have the right to attend, all such meetings, and, upon Landlord's request, certain of Tenant's Agents shall attend such meetings. In addition, minutes shall be taken at all such meetings, a copy of which minutes shall be promptly delivered to Landlord. One such meeting each month shall include the review of Contractor's current request for payment.

2.2.10 Notice of Completion; Copy of Record Set of Plans. Within ten (10) days after completion of construction of the Tenant Improvements, Tenant shall cause a Notice of Completion to be recorded in the office of the Recorder of the Los Angeles County in accordance with Section 8182 of the Civil Code of the State of California or any successor statute, and shall furnish a copy thereof to Landlord upon such recordation (the "**Notice of Completion**"). If Tenant fails to do so, Landlord may execute and file the same on behalf of Tenant as Tenant's agent for such purpose, at Tenant's sole cost and expense. At the conclusion of construction Tenant shall provide a "close-out" package to Landlord containing the following items: (i) an update of the Approved Working Drawings as necessary to reflect all changes made to the Approved Working Drawings during the course of construction, (ii) two (2) CD ROMS of such updated drawings in accordance with "Landlord's CAD format requirements," as set forth below, (iii) evidence that all required governmental approvals required for Tenant to legally occupy the Premises have been obtained, and (iv) a copy of all warranties, guaranties, and operating manuals and information relating to the improvements, equipment, and systems in the

Premises. For purposes of this Work Letter, "Landlord's CAD format requirements" shall mean (a) the version is no later than current Autodesk version of AutoCAD plus the most recent release version, (b) files must be unlocked and fully accessible (no "cad-lock", read-only, password protected or "signature" files), (c) files must be in ".dwg" format, (d) if the data was electronically in a non-Autodesk product, then files must be converted into "'dwg" files when given to Landlord.

2.3 Landlord's Allowance.

2.3.1 Landlord's Allowance. Tenant shall be entitled to a one-time improvement allowance (the "**Landlord's Allowance**") in the amount of Eighteen Million Seven Hundred Sixty-Three Thousand Forty-Four and 0/100 Dollars ($18,763,044) (i.e., $73.00 per rentable square foot of the Premises) for Landlord's Allowance Items (as defined in Section 2.3.2 below). In no event shall Landlord be obligated to make disbursements pursuant to this Work Letter in a total amount which exceeds Landlord's Allowance. Notwithstanding anything contained herein to the contrary, except as provided in Sections 2.3.2 and 2.4 below, no portion of the Tenant Improvement Allowance may be applied to the cost of space planning or other soft costs, permit fees, cabling, equipment, trade fixtures, moving expenses, furniture, signage, free rent, or computer cabling.

2.3.2 Landlord's Allowance Items. Except as otherwise set forth in this Work Letter, Landlord's Allowance shall be disbursed by Landlord only for the following items and costs (collectively the "**Landlord's Allowance Items**"):

2.3.2.1 Payment of the fees of the Architect and the Engineers;

2.3.2.2 The payment of plan check, permit and license fees relating to construction of the Tenant Improvements;

2.3.2.3 The cost of construction of the Tenant Improvements, including, without limitation, testing and inspection costs, hoisting and trash removal costs, and contractors' fees and general conditions;

2.3.2.4 The cost of any changes to the Approved Working Drawings or Tenant Improvements required by all Legal Requirements;

2.3.2.5 The cost of the Alterations Operations Fee;

2.3.2.6 Sales and use taxes and Title 24 fees; and

2.3.2.7 IT/Telco, security systems, furniture, fixtures and equipment located in the Premises not exceed an aggregate amount equal to $5.00 per rentable square foot of the Premises with respect to the amount of Landlord's Allowance that may be used to pay such amounts.

2.3.3 Disbursement of Landlord's Allowance. During the construction of the Tenant Improvements, Landlord shall make disbursements, not more than once per month, of Landlord's Allowance for Landlord's Allowance Items for the benefit of Tenant and shall authorize the release of monies for the benefit of Tenant as follows.

2.3.3.1 Monthly Disbursements. On or before the first (1st) day of each calendar month during the construction of the Tenant Improvements (or such other date as Landlord may designate), Tenant shall (if it is requesting a disbursement) deliver to Landlord: (i) a request for payment of the Contractor approved by Tenant, in an industry standard form reasonably acceptable to Landlord and Landlord's lender, showing the schedule of values, by trade, of percentage of completion of the Tenant Improvements in the Premises, detailing the portion of the work completed and the portion not completed; (ii) invoices from the Tenant's Agents for whom Tenant is requesting payment for labor rendered and materials delivered to the Premises; (iii) executed conditional mechanic's lien releases from the Tenant's Agents (along with unconditional mechanics lien releases with respect to payments made pursuant to Tenant's prior submission hereunder) for whom Tenant is requesting payment, which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Sections 8132, 8134, 8136 and 8138; and (iv) all other customarily required information and/or documentation relating to the Tenant Improvements reasonably requested by Landlord (including, without limitation, any additional requirements for disbursement as may be reasonably required by Landlord's lender). Tenant's request for payment shall be deemed Tenant's acceptance and approval of the work furnished and/or the materials supplied as set forth in Tenant's payment request. Thereafter, within thirty (30) days after receipt of such items, Landlord shall deliver a check to Tenant (or, at Landlord's election, a check made jointly payable to Contractor and Tenant) in payment of the lesser of: (A) the amounts so requested by Tenant as set forth in this Section 2.3.3.1, above (and, if Tenant's payment request does not already account for a ten percent (10%) retention, less a ten percent (10%) retention (the aggregate amount of such retentions (either withheld by Landlord or withheld as provided in the relevant construction contract) to be known as the "**Final Retention**"), and (B) the balance of any remaining available portion of Landlord's Allowance (not including the Final Retention), provided that Landlord does not dispute any request for payment based on non-compliance of any work with the Approved Working Drawings or for any other reasonable reason. Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

2.3.3.2 Final Retention. Subject to the provisions of this Work Letter, a check for the Final Retention payable to Tenant (or, at Landlord's election, payable jointly to Tenant and Contractor) shall be delivered by Landlord to Tenant following the completion of construction of the Premises, provided that (i) Tenant delivers to Landlord properly executed mechanics lien releases in compliance with both California Civil Code Section 8134 and either Section 8136 or Section 8138 and the recorded Notice of Completion, (ii) Landlord has reasonably determined (which determination shall be made promptly) that no substandard work exists which adversely affects the mechanical, electrical, plumbing, heating, ventilating and air conditioning, life-safety or other systems of the Building, the curtain wall of the Building, the structure or exterior appearance of the Building, (iii) Architect delivers to Landlord a certificate, in a form reasonably acceptable to Landlord, certifying that the construction of the Tenant Improvements in the Premises has been substantially completed, (iv) Tenant supplies Landlord

with evidence that all required governmental approvals required for Tenant to legally occupy the Premises have been obtained, (v) Tenant delivers to Landlord a "close-out package" as provided in Section 2.2.10 above and any additional documentation required by Landlord's lender related to completion and final payment for the Tenant Improvements, and (vi) a certificate of occupancy, a temporary certificate of occupancy or its equivalent is issued to Tenant for the Premises.

2.3.3.3 Share of Costs. Tenant shall pay for all costs of the construction of the Tenant Improvements in excess of Landlord's Allowance (the "**Excess Cost**"). Based on the estimated cost of the construction of the Tenant Improvements, as shown in the construction contract for the Tenant Improvements or such other estimate of costs for the Tenant Improvements as has been approved by Landlord and Tenant (the "**Estimated Costs**"), the prorata share of the Estimated Costs payable by Landlord and Tenant shall be determined and an appropriate percentage share established for each (a "**Share of Costs**"). Notwithstanding anything contained herein to the contrary, Tenant and Landlord shall fund the cost of the construction (including the applicable portion of the applicable fees) as the same is performed, in accordance with their respective Share of Costs for the construction. At such time as Landlord's Allowance has been entirely disbursed, Tenant shall pay the remaining Excess Cost, if any, which payments shall be made in installments as construction progresses in the same manner as Tenant's payments of Tenant's Share of Costs were paid.

2.3.3.4 Default by Tenant. Notwithstanding any provision to the contrary contained in this Lease, if any Event of Default by Tenant under this Lease (including, without limitation, any default by Tenant to comply with the terms of this Work Letter) occurs at any time on or before payment of the Final Retention, then, in addition to all other rights and remedies granted to Landlord pursuant to this Lease, Landlord shall have the right to withhold payment of all or any portion of the Landlord's Allowance until such Event of Default has been cured.

2.3.3.5 Other Terms.

a. Landlord shall only be obligated to make disbursements from Landlord's Allowance to the extent costs are incurred by Tenant for Landlord's Allowance Items. No payment of Landlord's Allowance will be made for materials or supplies not located in the Premises, other than for reasonable deposits for such materials or supplies (not to exceed 20% of the estimated cost of such materials or supplies).

b. All Landlord's Allowance Items for which Landlord's Allowance has been made available shall be deemed Landlord's property under the terms of this Lease. The Landlord's Allowance is for constructing or improving qualified long term real property and with respect to such items is intended as a "qualified lessee construction allowance" pursuant to Treasury Regulation Section 1.110-1(c).

c. Tenant shall be responsible for all applicable state sales or use taxes, if any, payable in connection with the Tenant Improvements and/or Landlord's Allowance.

d. Tenant acknowledges that Landlord's Allowance is to be applied to improvements covering the entire Premises so that the entire Premises is built-out and ready for occupancy. If Tenant does not initially elect to improve the entire Premises, then, notwithstanding anything contained herein to the contrary, only a pro-rata portion of Landlord's Allowance (on a pro-rata per rentable square foot basis to reflect the number of square feet then being improved vis-à -vis the rentable square footage of the entire Premises, as reasonably determined by Landlord) will be available to Tenant until such time as Tenant commences improvements to complete tenant finishes in the entire Premises.

e. To the extent that Landlord fails to pay amounts due from the Tenant Improvement Allowance in accordance with the terms hereof, and such amounts remain unpaid for thirty (30) days after notice from Tenant, then without limiting Tenant's other remedies under the Lease, Tenant may, after Landlord's failure to pay such amounts within five (5) Business Days after Tenant's delivery of a second notice from Tenant delivered after the expiration of such 30-day period, pay same and deduct the amount thereof, together with interest at the Interest Rate, from the Monthly Rent next due and owning under the Lease (provided, however, that the amount that Tenant may offset hereunder in any calendar month shall not exceed fifty percent (50%) of the Monthly Rent owing for such calendar month, with such offset continuing until the full amount has been recovered by Tenant). Notwithstanding the foregoing, if during either the 30-day or 5-Business Day period set forth above, Landlord (i) delivers notice to Tenant that it disputes any portion of the amounts claimed to be due (the "**Allowance Dispute Notice**"), and (ii) pays any amounts not in dispute, Tenant shall have no right to offset any amounts against rent, but may institute expedited arbitration proceedings using JAMS to resolve such dispute. Notwithstanding of the foregoing, in the event Tenant institutes arbitration proceedings as provided herein and the determination of the arbitrator is in favor of Tenant, Landlord shall pay interest at the Interest Rate on the award granted to Tenant in such proceedings, from the date of the Allowance Dispute Notice until the date of the award, and Tenant shall be entitled, automatically, to offset the amount of such award, together with interest thereon as provided herein, against the Monthly Rent next coming due under the Lease (provided, however, that the amount that Tenant may offset hereunder in any calendar month shall not exceed fifty percent (50%) of the Monthly Rent owing for such calendar month, with such offset continuing until the full amount has been recovered by Tenant). In the event the arbitration award is in favor of Landlord, Tenant shall pay all costs of such arbitration.

SECTION 3

LANDLORD DELAYS

3.1 Landlord Delays. The Commencement Date shall occur as provided in Paragraph 2.b. of this Lease (as adjusted pursuant to Paragraph 3 of the Lease), provided that in the event that substantial completion of the Tenant Improvements is delayed as the result of a Landlord Delay (as defined below), then the Scheduled Commencement Date shall be extended by the lesser of (a) the aggregate number of days of such Landlord Delay and (b) the number of days beyond the Scheduled Commencement Date that substantial completion of the Tenant Improvements has been delayed as a result of such Landlord Delay; provided, however, in no event shall the Commencement Date be extended pursuant to this Section 3.1 beyond the date that Tenant first commences business operations in the Premises. The number of days that the

Scheduled Commencement Date is delayed solely as a result of Landlord Delays pursuant to the preceding sentence shall be referred to herein as the "**Landlord Delay Period**". If the Landlord Delay Period exceeds forty-five (45) days (any such delay in excess of forty-five (45) days, the "**Extended Landlord Delay Period**"), then for each day of such Extended Landlord Delay Period, Tenant shall receive, in addition to the extension of the Scheduled Commencement Date, one (1) full day of credit against Monthly Rent and Parking Space Rental (and the amount of such credit shall not be reduced by the Rent Credit) to be applied against the Monthly Rent first coming due under this Lease. As used herein, a "**Landlord Delay**" shall mean actual delays to the extent resulting from (a) Landlord's failure to respond to Tenant's request for Landlord's approval within the time periods required hereunder, (b) any failure by Landlord to timely pay any amounts due from Landlord to Tenant hereunder, (c) any failure of Landlord to allow Tenant and Tenant's agents access to the Premises following the Tenant Access Date, (d) unreasonable interference with Tenant's work in the Premises resulting from Landlord's continuing to complete the Landlord's Work, or (e) Tenant's inability to receive permits because of Landlord's failure to have completed the Landlord's Work and closed out any permits as required to allow Tenant to receive permits for the Tenant Improvements. Any rent credit that Tenant receives hereunder for Landlord Delay shall not be duplicative of any rent credit that Tenant is receiving under Paragraphs 3.b.ii. or 3.d. of this Lease (but may be in addition to any rent credit otherwise being received by Tenant under such Paragraphs 3.b.ii. or 3.d. of this Lease). Notwithstanding the foregoing, no Landlord Delay shall be deemed to have occurred unless Landlord fails to cure such Landlord Delay within two (2) Business Days after receipt of written notice from Tenant detailing such claimed Landlord Delay. In addition, the Scheduled Commencement Date shall be extended by up to 60 days for delays beyond the Scheduled Commencement Date that substantial completion of the Tenant Improvements has been delayed as a result of Force Majeure Delay, provided that Tenant provides Landlord with written notice of any such Force Majeure Delay within five (5) Business Days after the commencement thereof. For purposes of this Section 3.1 only, "**Force Majeure Delay**" shall mean any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain services, labor, or materials or reasonable substitutes therefor, governmental actions, civil commotions, fire or other casualty, and other causes beyond the reasonable control of Tenant, but shall not include any delay or inability to obtain building permits or other permits required in connection with the construction of the Tenant Improvements unless such delay is the result of a work stoppage or other labor disturbance.

Re: LTIP Amendments

Dear [First Name]:

As you are aware, Warner Music Group Corp. (the "Company") is considering a potential initial public offering of its common stock (an "IPO"). In anticipation of an IPO, we wish to agree with you on the following amendments to the terms and conditions of your interests and participation in the LTIP (as defined below):

1. Following an IPO, so long as the Company's common stock is publicly traded, all redemptions and settlements of your vested Deferred Equity Units granted under the Plan (as defined below) and Class A Units and vested Class B Units that you hold in WMG Management Holdings, LLC (the "LLC") (such equity interests, collectively, your "LTIP Interests") that become due by the Company or the LLC will be paid to you *solely* with shares of Company common stock (what the Plan calls "Fractional Company Shares"). As a result, neither the Company nor the LLC will be obligated to pay you cash in respect of any of your LTIP Interests, unless you exercise your Tag-Along Right (as defined in the LLC Agreement, and as supplemented below) or as may otherwise be agreed between you and the Company or the LLC, as applicable.

2. In exchange for your agreement to the foregoing amendment, the LLC hereby agrees that, if Access (as defined in the LLC Agreement) sells shares of Company common stock in the IPO, you will have the Tag-Along Right (as defined the LLC Agreement) in the IPO in respect of your vested Class B Units (in addition to any Class A Units that you then hold) that is described on Schedule A hereto, subject to all terms and conditions of the LLC Agreement that otherwise apply to your Tag-Along Right. In the event the IPO moves forward, we will separately provide you with an election form to exercise this Tag-Along Right. Also, Schedule A to this letter agreement illustrates a hypothetical scenario of how this enhanced Tag-Along Right would apply to your vested Class B Units.

3. Subject to the foregoing, if you exercise your Tag-Along Right to cause the LLC to sell shares of Company common stock on your behalf in respect of your Class A Units and/or vested Class B Units in the IPO, the LLC will pay you the net cash proceeds that it receives from such share sales. You hereby acknowledge and agree that all income recognized by the LLC from the sale of shares of Company common stock attributable to Class A Units and/or Class B Units that you or another Member (as defined in the LLC Agreement) hold will be allocated solely to you or such Member, as applicable, and not to any other Member.

4. You hereby agree that any shares of Company common stock that you receive in respect of your LTIP interests will be subject to the same terms and conditions of any "lock-up" agreement entered into by Access or the LLC in connection with an offering of Company common stock, which restricts the sale of shares by Access or the LLC for a specified period. The Company agrees to notify you in writing of the terms and conditions of any such lock-up agreement that, pursuant to the preceding sentence, applies to shares of Company common stock that you own. In addition, all shares of Company common stock delivered to you in respect of your LTIP Interests will be subject at all times to all Company policies then in effect, including the Company's insider trading policy.

5. As used, herein "LTIP" means, collectively, (i) the Second Amended and Restated Warner Music Group Corp. Senior Management Free Cash Flow Plan (the "Plan") and (ii) the Second Amended and Restated Limited Liability Company Agreement of WMG Management Holdings, LLC, dated as of March 10, 2017 (the "LLC Agreement"). Capitalized terms used but not defined herein have the meanings ascribed to them in the Plan.

You must keep strictly confidential this letter agreement and all related materials provided to you by the Company, the LLC or their representatives, except that you may disclose such information to your financial, legal and tax advisors who agree to comply with the same confidentiality obligation.

Without limiting the foregoing, the Plan and LLC Agreement shall be amended to give effect to the provisions of this letter agreement, and you hereby waive any objection to such amendments under Section 10.1 of the Plan, Section 14.2 of the LLC Agreement or otherwise. Except as necessary to give effect to these amendments, the LTIP shall remain in effect in accordance with its terms and conditions.

The amendments and agreements by the LLC and the Company provided herein shall not be effective unless all LTIP participants consent to the amendments.

Subject to the foregoing condition, this letter agreement, and the amendments provided herein, shall become effective upon the closing of an IPO, but shall terminate and become void with no effect if an IPO does not close on or prior to December 31, 2020.

Please indicate your consent to the foregoing amendments by signing below and returning your signed copy to Trent Tappe, our SVP, Deputy General Counsel & Chief Compliance Officer, at trent.tappe@wmg.com or by hand delivery.
